Ratchet: Oh great, I knew there was no mistaking that voice from anywhere. You better get out her right now, Eviscerator, before someone blasts you out!

A figure came out, and it was none other than The Eviscerator, a powerful cybernetic insectoid creature and a sadistic member of the Exterminators.

Ratchet: You've got some nerve showing your face again, Eviscerator. You just don't even know when to quit!

Eviscerator: I'll have your head for this, Lombax!

Arianna Metrodora fired a powerful darkness blast which hit Eviscerator and sent him crashing into a tree.

Arianna Metrodora: If anyone's dying here today, it's going to be you.

Suddenly, Arianna Metrodora's pink eyes turned neon green and she was surrounded by a purple and black energy aura with stars, darkness, aliens, phoenixes, and angels, she unholstered her Alien Overlord-themed greatsword from her back, and as she approached Eviscerator, she left purple and black energy, stars, darkness, aliens, phoenixes, and angels with every step.

Arianna Metrodora: You really really make me sick, you took great delight in putting so many innocent humans and creatures just so you can slake your thirst for killing innocent people, but what makes you truly sick and twisted is that you also get a sick kick in killing heroes. You really are nothing more than a monster who deserves to die, Eviscerator, as the Gene-Slammer of Alien Overlord and warrior of the Umbrasapien race, I hereby sentence you to death for everything that you've done!

Suddenly, Arianna Metrodora was surrounded by a massive vortex of purple and black energy with stars and darkness surrounding the vortex, there are aliens, phoenixes, angels, and Alien Overlord flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at The Eviscerator: the red eyes of eternal death. Then, as the vortex faded, Arianna Metrodora emerged, but she was changed forever.

Arianna Metrodora grew from 7'0" to 7'9" in height, she has the body of a goddess, she has black highlights in the bangs of her long purple hair, she has neon pink eyes and a purple and black energy aura with stars, darkness, aliens, phoenixes, and angels surrounding her, she has the Dark Kanji in the hands of Alien Overlord emblazoned on her forehead and Third Eye with purple iris, she has on alien earrings with purple gems for eyes and holding the Dark, Star, and Eternity Kanjis in its hands, she also has Alien Overlord with purple gems for eyes and holding the Dark, Star, and Eternity Kanjis in her hands on the bottom of her purple alien-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Adreana Metrodora has on a sleeveless purple crop top, purple skirt, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, aliens, phoenixes, and angels on the coattails, and on the back is Alien Overlord surrounded by stars and darkness. Suddenly, Arianna Metrodora felt a sharp pain on her back, and then, her massive purple angel wings with black tips on the large purple feathers grew much bigger for her new body and she now has eleven massive and long purple wolf tails with black tips and black markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Arianna Metrodora's massive Alien Overlord-themed greatsword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple and black energy, stars, darkness, aliens, phoenixes, and angels, and when it emerged, it was transformed into Arianna Metrodora's Umbrasapien Galactic Darkness Alien Overlord Greatsword of Eternal Umbrasapien Galactic Darkness Umbrasapien Alien Overlord Angel Justice, it's a brand-new massive greatsword with embedded black gems and Alien Overlord etched on the 7'6" massive, wide, double-edged purple blade, large purple alien heads for the crossguard, large white angelic faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large purple alien heads and below the purple alien heads is a large white angel head with purple gems for eyes and purple gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold versions of Alien Overlord's head with purple gems for eyes and large purple gem in it's mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of

The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a purple kanji below Alien Overlord that said, "Arianna Metrodora, Gene-Slammer of Alien Overlord, Very Powerful, Sexy, and Immortal Umbrasapien from Planet Umbras, Younger Sister of Adreana Metrodora, Powerful Warrior and Tactician, Powerful Darkness Master, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Lincoln's Many Enemies, Destroyer of The Eviscerator, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Stars, Angels, Phoenixes, and Umbrasapiens"

アリアナ・メトロドーラ、エイリアン・オーバーロードのジーン・スラマー、非常に強力でセクシー、そして惑星アンブラスから来た不滅のウンブラサピエン、アドレアナ・メトロドーラの妹、強力な戦士であり戦術家、強力な闇のマスター、愛情深い守護天使でリンカーンの将来の妻、ラウド、リンカーンの粉砕者多くの敵、エビセレーターの破壊者、悪の破壊者でありスレイヤー、狂った、殺人的、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そして闇、星、天使、フェニックス、ウンブラサピエンスのマスター

Suddenly, Ariana Metrodora's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Ariana Metrodora has transformed into SUPER ANGEL-ALIEN OVERLORD-UMBRASAPIEN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ALIEN OVERLORD UMBRASAPIEN GODDESS COSMIC DARKNESS ALIEN OVERLORD UMBRASAPIEN GODDESS ANGEL OF DIVINE ALIEN OVERLORD UMBRASAPIEN GODDESS COSMIC DARKNESS ALIEN OVERLORD UMBRASAPIEN GODDESS ANGEL JUSTICE AND DIVINE ALIEN OVERLORD UMBRASAPIEN GODDESS COSMIC DARKNESS ALIEN OVERLORD UMBRASAPIEN GODDESS ANGEL LOVE!

We were really amazed by Arianna Metrodora's Super Angel-Alien

Mother-Umbrasapien Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Eviscerator saw it, he ran at her to kill her, but Arianna Metrodora fired a massive and powerful barrage of purple and black energy, stars, darkness, aliens, phoenixes, and angels at The Eviscerator, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE ABOUT TO GET WILD!

Lincoln: You got that right, Nico. This is exactly what happens when you really get a Umbrasapien mad.

Arianna Metrodora: (Divine Echoing Godly Voice of The Cosmic Darkness Alien Overlord Umbrasapien Goddess Angel and Divine Cosmic Darkness Alien Overlord Umbrasapien Goddess Angel Love) Yep, you make me or anyone of my race mad, you're going to be dragged into darkness, Now, let's destroy this robotic monster, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Arianna Metrodora.

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not laying one hand on Ratchet and Clank, Eviscerator. The only thing awaiting you is death by our hands.

Arianna Metrodora and Lincoln went after Shellshock, and they fired extremely powerful blasts of rainbow energy, purple and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Eviscerator and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Arianna Metrodora also attack them with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

The Eviscerator tried to run at them, but Lincoln teleported right behind him, and he placed his left hand on The Eviscerator's back. Suddenly, The Eviscerator glowed with blue light, and then, Lincoln absorbed the powerful cybernetic insectoid creature into his body and he also gained his weapons and ninja speed and agility. Then, an energy card with The Eviscerator's soul imprisoned inside appeared in Lincoln's left hand, and as soon as the Judgement Kanji appeared on his forehead, The Eviscerator was then sent to The Black Gates forever. We cheered wildly for what Arianna Metrodora and Lincoln did as they holstered their massive greatswords and powered down, and Arianna Metrodora's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Arianna Metrodora: That'll teach you, Eviscerator, to never mess with the galaxy nor with its inhabitants. Thanks for helping me get rid of The Eviscerator, Linky.

Lincoln: (Smiles Warmly) You're welcome, Arianna.

Suddenly, Arianna Metrodora wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Arianna Metrodora's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Overlord flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Arianna Metrodora absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a epic fight of Umbrasapien Angel VS. Sadistic DreadZone Cyborg, Lincoln, Arianna, you two really showed him no mercy, and that was one slick move you made appearing behind him, and as soon as you put your hand on him, you absorbed him and gained his weapons and ninja speed and reflexes, Lincoln.

Lincoln: Yep. No evil cyborg and robot's safe from me.

Me: You got that right.

Nico: Yeah, he was a monster. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Infernoble Knight Renaud.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Infernoble Knight Renaud, Rebecca Renaud, and you guys are going to love meeting her, Rebecca Renaud is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Rebecca Renaud is the descendant of Renaud de Montauban.

We gasped in total shock.

Me: The legendary hero and knight which appeared in a 12th-century Old French chanson de geste known as The Four Sons of Aymon. The eldest of the four sons of Duke Aymon and older brother of Richard, Alard and Guiscard, their cousin is the magician Maugris and Renaud possesses the magical horse Bayard and the sword Froberge.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Rebecca Renaud hates Lewis Travolta with a very blazing passion. One day, Rebecca Renaud and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lewis Travolta, and he brought with him an army of musclebound thugs he hired. Rebecca Renaud and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that gluttonous jerk into a blood-crazed fury, but before he could get after us, Lincoln and Rebecca Renaud fired chains of fire which bound that jerk and tied him up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known he would do something like this.

Lincoln: I know, but I wasn't surprised, Lewis Travolta tried to kill me many times in the past, but in the end, his plan failed, and not only did he get a severe beating from my sisters and Mom and Dad, he also got arrested and sent back to jail, and to make sure he didn't try to get revenge, Rebecca Renaud and I casted a spell to prevent him from coming after us.

Me: Yeah, messing with the descendant of Renaud de Montauban and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, that lardass really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble with your family again, yeesh.

Lincoln: That jerk seriously didn't even know when to quit, and to make it worse, his plan earned him the vengeance of my family infinite-fold.

Rex Goodwin: You're welcome in the Masters of Evil at any time.

Ian Peek: Thanks. But right now, I prefer to go to prison.

Raven Branwen: You sure?

Ian Peek: I found out I came back from the dead. And that the belt I was using killed me the first time. Right now, I'm tired and want to rest.

Dr. Polaris: I don't blame you.

Duff Killigan: What do we do with the belt?

Felix Faust: Just leave that to Vexen and Calamitous.

Me: Sure thing.

Nico: Yeah.

They loaded Ian into a car and took him to the Jupiter Prison.

Me: Don't worry guys, Lincoln's guardian angels have TONS AND TONS of dirt and secrets to share on our resident humiliation fodder.

Nico: Yep they sure do. Great job today everyone.

Qin: Yep.

Me: (To the viewers) I've never liked Tabloids but if you read one, be careful with what you believe.

Nico: Good advice.

We went back home and enjoyed the rest of the day and went to sleep.

Universe 666 Blight and Steel Bulwark and we're going to battle an Evil Sasuke on the planet Glaren and Misty Brightdawn and Maxxine are going to transform against him and we're going to see Misty explode in power as well as do a version of my rant on him and this will be ultra and massively explosive! Also we're going to battle Another Fearog (In Space), Whale Mutant, Salamander Mutant, Dogfish Mutant, Chameleon Mutant, Rhinoceros Mutant, Fly Mutant, Porcupine Mutant, Black Cat Mutant, Silkworm Mutant, Flea Mutant, Earwig Mutant, Bee Mutant, Coelacanth Mutant, Mantis Mutant, Leopard Mutant, Cactus Mutant, Tortoise Mutant, Goat Mutant, Buffalo Mutant, Rat Mutant, Bat Mutant, Cicada Mutant, Constructicon Devastator and Grodd. Also we're going to meet a gene-slammer for Ursaluna and her name is Tina Venus and she is a girl that lived in the swamps of the Okefennokee Swamp and knows all about the legends and powers of it.

The match-up scene is for Roxanne Lucius, Gene-Slammer of Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster, and she and Lincoln are going to destroy Dull 'Reactor' Bookworm, a member of The Exterminators of Ratchet: Deadlocked

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Leona Wicherek's home planet Aeros, and not only is Lincoln going to meet Leona Wicherek's parents, but Lincoln's also going to rescue the Universe 666 versions of Miia the Lamia and her friends and we're also going to destroy the kidnappers who kidnapped them, Leona Wicherek's Bringer of Chaos siblings, her younger sister, Ciana, and her older brother, Bodhi. And we're going to meet the next Noble Knight Gene-Slammer, her name is Rebecca Renaud, Gene-Slammer of Infernoble Knight Renaud, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Rebecca Renaud is the descendant of Renaud de Montauban, the legendary hero and knight which appeared in a 12th-century Old

French chanson de geste known as The Four Sons of Aymon. The eldest of the four sons of Duke Aymon and older brother of Richard, Alard and Guiscard, their cousin is the magician Maugris and Renaud possesses the magical horse Bayard and the sword Froberge. Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Rebecca Renaud hates Lewis Travolta with a very blazing passion. One day, Rebecca Renaud and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lewis Travolta, and he brought with him an army of musclebound thugs he hired. Rebecca Renaud and Lincoln went out there along with the rest of the Knights, and she slays them with her greatsword. It drove that gluttonous jerk into a blood-crazed fury, but before he could get after them, Lincoln and Rebecca Renaud fired chains of fire which bound that jerk and tied him up. Lincoln called his family and his sisters for this, and needless to say, everyone wanted his head on a pike! But, Lincoln wasn't surprised, Lewis Travolta tried to kill him many times in the past, but in the end, his plan failed, and not only did he get a severe beating from his sisters and parents, he also got arrested and sent back to jail, and to make sure he didn't try to get revenge, Rebecca Renaud and Lincoln casted a spell to prevent him from coming after them because messing with the descendant of Renaud de Montauban and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Along with the next Alicorn Gene-Slammer, her name is Eartha Calliso, Gene-Slammer of Fluttershy, the Nature Alicorn and Princess of Kindness, she's Lincoln's Guardian Angel from Equestria and she's a kind girl who loves all sorts of animals and she's also a very powerful Alicorn and very powerful master of kindness and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave her a pink neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her yellow horn on her head glowed with pink light and it was a sign of true love. Plus, she's also a dear friend of Fluttershy from long ago and their bond has remained strong to this day, and like Fluttershy, she's an amazing girl who loves all sorts of animals and she's a skilled animal communicator, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Eartha had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are, and she saved Lincoln from getting ambushed by those five who went charging at him to kill him in another attempt at his life, but Eartha charged in and she kicked them into a nearby fence and she got knocked out because of just how strong she is. She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, but she even used Fluttershy's Stare on them, and it made them wet their pants in fright, and they ran up to their rooms and locked their doors.

The next chapter is non-combat and it's going to be where we go camping in Winsome Falls and it's going to be fun.

See you next time.

# CAMPING IN WINSOME FALLS 3

Walking through the mountainous world of the planet Glaren was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Donkey Kong, Mothra 2019, Luna Ingramsson, Ginger, Babs And Bunty As well as Grodd, Constructicon Devastator, Thumbskull, Universe 666 2007 Venom. Universe 666 Blight and Steel Bulwark and we were there because there was an evil Sasuke sighted there and Lady Tsunade gave us orders to tear his hide apart.

Qin: This is going to be good. I can't wait to tear into Evil Sasuke.

Nico: Me too!

Xenia: Same here! This will be awesome.

Lola: It sure will.

Misty Brightdawn: I'm really excited about this one.

Misty Tredwell: Same here! This will be fun.

Lola: Yeah!

Mothra 2019: I'm ready to tear him apart.

Donkey Kong: OH YEAH! Me too!

Nico: DK, I want to thank you, Grodd, and your teams for coming.

Donkey Kong: OH YEAH! This is gonna be so fun.

Mothra 2019: It sure will be awesome.

Nico: Mothra, what do you like to do in your free time?

Mothra 2019: I haven't really given it that much thought to tell you the truth.

Qin: You must have something in mind.

Mothra 2019: Well I do like playing Godzilla video games with Lincoln and Nicole.

Xenia: That is awesome.

Nico: That works.

Lola: I think that's cool.

Mothra 2019: Yeah I play as myself from 1961 and 1990.

Nico: That is awesome.

Lincoln: Yeah it sure is.

Mothra 2019: As the Queen of the Kaiju, I think it's fitting for me.

Xenia: I agree there too.

Lola: It sure is awesome.

Nico: Do you also like to fly outside?

Mothra 2019: I sure do and its fun and cool.

Qin: It sure is and the only way to travel.

Lola: Yep.

Camie: How did you guys meet Mothra?

Me: We met when we helped Jaclyn in the Arctic and she was being terrorized by the Arctic by the Living Snowman.

Nico: I remember that! That was cool!

Mothra 2019: That sure was fun. A cold adventure but it was fun.

Lola: It sure was.

Camie: That is so awesome! Not even a living snowman can be a match for the Queen of The Kaiju.

Mothra 2019: That is a true fact.

Xenia: Yep.

Misty Brightdawn: But yesterday's mission was really cool!

Lola: Yeah it sure was!

Nico: We finished what Terry tried to do.

Lola: And that was to save Ian Peek from that belt.

Rarity: Like I said to Duff before, darlings, no one deserved that fate.

Nico: I agree too Rarity.

Qin: Yeah that was horrible that happened to him.

Lola: Yeah no kidding!

Camie: That was terrible! Falling into the Center of the Earth is literally worse than Hell itself.

Xenia: Yeah no kidding!

Me: At 9,392˚Fahrenheit nothing can survive down there.

Lola: Yep.

Nico: But now we have Ian Peek in prison deciding whether he would be put into the M.O.E.

Laney: Yep and he came up with all kinds of great stories. Everyone all over the city is loving the stories from him on the humiliation fodder.

Nico: Timmy gave him Icky Vicky's diary.

Laney: Yep and the juicy stories we got are awesome. Look at this.

She held up a story on Icky Vicky.

Me: (Reading) "Icky Vicky Eats Kindergartners in Sausages and Stew!?" OH YUCK!

Xenia: That would be fitting for her and she does kill kids.

Nico: What about the other jerks?

Laney: He's working on those but these on Flip are really good. (Reading) "Flip makes his nacho cheese sauce out of human fat", "Flip's Flippies made with dead people's organs" "Flip's expired milk poisoned the Mayor and gave her HIV!?"

Nico: HOLY FUCK!

Qin: That is disgusting!

Camie: Boy EVERYONE is now going to hate Flip even more!

Xenia: No kidding there!

Laney: That mutant cheapskate had it coming.

Anna Anyanova: You're not kidding there.

Juran saw the Constructicons separated.

Juran: Why are you guys separate?

Live Action Scrapper: You don't expect us to wander around combined as Devastator, do you?

Juran: Good point.

Nico: Okay, guys, I've just gotten word from Lady Tsunade that Evil Sasuke's here and he's going on a violent and dangerous rampage, and that he's coming after us!

We gasped.

Me: That asshole! I'm gonna… !

Lincoln: Easy, J.D. I know you want to rip him to pieces, but this is going to be meant for Misty and I.

Misty Brightdawn: He's right, it's true you want to tear him to shreds like you always do, but let this be left to me and Linky.

Me: Okay, but as always, you two show that pretentious asshole no mercy!

Lincoln: We will as always, J.D., and this is going to be awesome, not only are we going to beat the living daylights out of Evil Sasuke, but I sensed it. Misty, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, Sunny, Izzy, Pipp, Zipp, and Hitch, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Misty Brightdawn: You're right, Linky, and I felt it for myself.

Me: This is going to be so awesome!

Lincoln: But, I also sensed Maxxine is also going to transform too. Now, let's get after that murderous bastard. (Senses for Evil Sasuke) AHA! Gotcha, you bastard. He's 200 clicks north of our location and he's now coming after us. But, head's up, gang, Pablo and Anderson have sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Evil Sasuke.

Nico: Lets get him.

We went to face him.

Nico: There he is!

We went over and he was gone!? What the!?

Me: Substitution?

?: YOU MOTHERFUCKING CUR!

Me: Yeah, fuck you too, asshole!

Suddenly, we saw Evil Sasuke come barreling towards us in a maniacal fit of rage, and he had murder on his mind. But, before he could try to kill us, Lincoln made a powerful shield made of diamond to protect us all while Evil Sasuke was still blasting at the shield with his Fire Jutsu, but the fire was being absorbed by us and it made us and the shield even stronger than ever, and eventually, he was beginning to run out of steam. Then, I flipped him the bird, and that made him go completely ballistic and started pounding on the shield with his fists, but he broke both of his hands! WHAT AN IDIOT!

Then, Lincoln fired a diamond ball at Evil Sasuke and it hit him hard in the face and it sent him flying and crashing onto the ground as he was pushed back. Lincoln deactivated the shield as Evil Sasuke got back up and he was still out to kill us and still out for blood!

Evil Sasuke: YOU! I'LL KILL YOU, YOU GOOD-FOR-NOTHING CUR!

Lincoln: Even after all these years, you're still the same arrogant, fucked-up cur you've always been. Here, let me give you a welcome back gift to welcome you back from the dead!

Lincoln slashed Evil Sasuke on his chest with his sharp claws on the fingers of his large left hand and they left some really nasty and ugly scars on Evil Sasuke's chest, then, he slashed at his face leaving claw marks on his cheeks, and he slashed at his stomach leaving claw marks on his stomach.

Nico: (WINCES) OOH! Now, that's going to leave a lot of scars!

Qin: Yep.

Me: We're going to fuck you up big time you fucker!

Just then, our friends from The Hidden Leaf arrived.

Sasuke: I thought J.D. was going to lash out at him like he always does, but I certainly didn't expect Lincoln to do so.

Naruto: J.D. always drew first blood when it came to that prick, but I guess it's fair that Lincoln gets a shot at him.

Me: Yeah, and he really drew blood with those claws of his!

Misty Brightdawn: And he's always careful with those claws of his. Alright, now it's my turn, and I've had it up to hear with you, you goddamn asshole!

Suddenly, something within Misty Brightdawn's mind snapped as memories of Evil Sasuke's crimes rushed through her head and her teal eyes turned neon teal and she was surrounded by a navy blue and teal energy aura with ocean waves, water, Equestrian Magic, stars, and Alicorns, she unholstered her massive Misty Brightdawn's Friendship Redemption Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice from her back, and as she approached Evil Sasuke, she left navy blue and teal energy, ocean waves, water, Equestrian Magic, stars, and Alicorns with every step.

Misty Brightdawn: You seriously don't even know when to quit, do you? No matter how many times we'd beaten you down and send you to your death, you just come back for more. I don't even know if you're either crazy or just stupid, or just both. (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) But, no matter what, I've never forgotten how much harm you've done to Naruto and his friends, and for what, to prove your so-called family's superiority and get revenge on everyone who has crossed your path, but guess what, we will always be better than you in every way, because at least, we learn from our experiences all while you haven't. But, what you've tried to do in trying to kill Naruto and his friends, so you can watch as the entire Hidden Leaf Village burns, along with the world… , YOU CROSSED ONE FUCKING LINE TOO MANY TIME, EVIL SASUKE, YOU VILE, FUCKED-UP, MURDEROUS, VENGEANCE-CRAZED PSYCHOTIC SNAKE! FAR TOO MANY INNOCENT PEOPLE HAVE SUFFERED BECAUSE

OF YOU AND THE OTHER FUCKED-UP EVIL UCHIHA MEMBERS, AND FOR THAT, I WILL MAKE YOU SUFFER IN THE CRUELEST WAY POSSIBLE, AND I WILL MAKE YOU PAY FOR ALL OF YOUR CRIMES WITH YOUR OWN BLOOD!

We gasped at the sudden and violent extent of Misty Brightdawn's rage and fury: Evil Sasuke was now a dead bastard walking

Me: OH MAN!

Eli: UH OH!

Nico: OH… SHIT! YOU'RE DEAD FOR SURE, YOU FUCKING PRICK!

Lincoln: The last time Misty Brightdawn's fury was unleashed, it was when we had to deal with that murderous bitch, Lila Rossi, now her rage is about to be unleashed once again, and this time on Evil Sasuke!

Lincoln, Twilight Sparkle, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight Glimmer, Sunset Shimmer, Sunny Starscout, Izzy Moonbow, Zipp Storm, and Pipp Petals: OH MAN! HIT THE DECK, SHE'S GOING TO BLOW!

We stood our ground and ducked behind some rocks, but Evil Sasuke went mad with rage and ran at Misty Brightdawn to kill her, but Misty Brightdawn screamed like a madwoman and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of power and energy and she was surrounded by a massive vortex of navy blue and teal energy with ocean waves, water, Equestrian Magic, and stars surrounding the vortex, there are Alicorns flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Evil Sasuke: the eyes of eternal death, and the force of the vortex was so strong, it blew Evil Sasuke back.

Maxxine: Misty's right about that, Lincoln, I also want to have a go at that asshole for what he's done too.

Nico: We all do as well. (Cracks Knuckles) You better start praying for mercy, asshole, because death is coming for you!

Me: You're heading for an early grave, you fucking asshole!

Lola: You deserve to die like the piece of trash that you are, you filthy clod!

Luna: You disgust us, you prick!

Laney: I hope the vultures come to pick at your rotting flesh!

Many of us were also sending many death threats at Evil Sasuke, and it was really really driving him insane!

Evil Sasuke: YOU MOTHERFUCKING CUR!

Misty Brightdawn: (Divine Echoing Godly Voice of The Harmonious Elemental Unity Friendship Redemption Equestrian Magic Alicorn and Divine Harmonious Elemental Unity Friendship Redemption Equestrian Magic Alicorn Love) **Hmm, yes and a "Motherfucking Cur" was the only kind of person you can handle. J.D. remembered that your father said that very same thing to him in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha, all they did was seal their fate. Your father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable**

**psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness. But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that, I fucking hate your style above all others, you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that's why he killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why he killed them all. YOU ALL FUCKING DISGUST ME!**

We cheered wildly for what Misty Brightdawn did using the Evil Sasuke Rant on him, and that asshole was now really getting pissed beyond imagination.

Maxxine: Nice one, Misty. Now, it's my turn to transform.

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. Evil Sasuke: I AM AN UCHIHA ELITE! THIS IS NOT HAPPENING!

Misty Brightdawn: You're an elite of nothing!

Misty teleported and kicked Evil Sasuke in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at Evil Sasuke with extreme force and punched him all over the place with extreme savagery!

Lincoln blasted Evil Sasuke all over with energy blasts and lightning and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

Misty Brightdawn and Maxxine kicked Evil Sasuke in his face and teleported and punched him in his back and teleported and punched him in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

HE WAS PISSED!

I teleported and punched Evil Sasuke hard in his face and knocked him down! Evil Sasuke tried to do the same ferocious moves that Trakeena did on me but I expected this and dodged them all and I kicked him in his face and leg swept him and kicked him in his back and I kneed him in his face and punched him all over. I fired a massive energy blast and it hit Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Misty Brightdawn blasted Evil Sasuke all over with incredible force and energy blasts.

It was getting intense!

Me: You are just as pathetic as ever Sasuke!

POW!

I smashed Evil Sasuke in his face and sent him crashing into a huge rock!

Maxxine punched him as he exploded out of the rubble! Lincoln kicked him into the air and I punched him right in his stomach with devastating force and he belched up a massive amount of blood!

Me: You make me fucking sick Sasuke. You only care about spreading hatred and evil and making people miserable and you don't care who lives and who dies. You just only want nothing more than to see people suffer and only care about nothing but yourself! You would rather see people die!

KROW!

I punched Evil Sasuke in his stomach and kicked him in his face

I threw him and Misty Brightdawn teleported and kneed Evil Sasuke in the face and sent him flying into the sky and I teleported and punched and kicked him all over with ballistic fury! Lincoln then teleported and then punched him and sent him crashing into the ground!

KRASMASH!

Nico: YEAH!

I punched him in his face!

POW! BLAM POW SMASH!

I punched him down. Live Action Scrapper: Constructicons, merge into Devestator!

They did so and fired waves of energy and blasted him all over.

Qin fired waves of fire and energy and blasted him all over!

Sakura Haruno: I DON'T KNOW WHAT THE FUCK I WAS THINKING EVER GOING AFTER YOU SASUKE!

She punched Evil Sasuke in the face with devastating force and smashed him into a mountain and buried him underneath it! Then Evil Sasuke exploded out of the rubble and he was infuriated!

Evil Sasuke: (NTH DEGREE ENRAGED SCREAMING) HOW! HOW ARE YOU ALL SO STRONG?! THAT POWER SHOULD BE… !

Lincoln grabbed Evil Sasuke's tongue and ripped it out of his mouth, and blood poured right out of his mouth as he trembled and convulsed in pain and agony!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Like we've said it, this power will never ever be yours, not in an infinite number of timelines, you fucked-up asshole.

Nico: YEAH! Nice one with ripping his tongue out!

Me: Should've ripped his throat out while you were at it.

Eli: Yeah his talking was giving us a headache!

Me: That's right Sasuke! That's all you are is nothing but talk and no action! That makes you nothing but a pathetic piece of trash!

Nothing but a worthless coward!

Qin: That's right! Though that would be cool to rip his throat out too.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And have him die quickly, now that wouldn't be any fun whatsoever.

Evil Sasuke got back up, and he formed a Chidori and he ran at Lincoln, Misty Brightdawn, and Maxxine hoping to impale them, but Lincoln fired a Lava Rasenshuriken which severed Evil Sasuke's arm and he was in total agony! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Eli: WHOA!

Lola: Wow, that was awesome!

Me: Take that!

Devastator activated his vacuum and sucked in rock and blasted Evil Sasuke all over.

Misty Brightdawn: (Divine Echoing Godly Voice of The Unity Redemption Friendship Equestrian Magic Alicorn Angel and Divine Unity Redemption Friendship Equestrian Magic Alicorn Angel Love) He's now on his last legs. Let's finish him, Linky!

Lincoln and Misty Brightdawn formed two navy blue energy balls with water, ocean waves, magic, stars, and Alicorns in their hands, and to Evil Sasuke, it meant death was fast approaching for him. But, he was too consumed by rage and fury and he went charging at them again!

Lincoln and Misty Brightdawn: NO MORE INNOCENT LIVES SHALL SUFFER AT YOUR HANDS, MAY YOU BURN IN THE FIERY DEPTHS OF HELL FOR ALL ETERNITY! EQUESTRIAN

MAELSTROM REDEMPTION MEGATSUNAMI!

Lincoln and Misty Brightdawn fired the navy blue energy balls with water, ocean waves, magic, stars, and Alicorns and they formed into a massive mega-tsunami which overwhelmed Evil Sasuke, and he was ripped and torn apart by the mega-tsunami, and like Lincoln said, not a single atom or remnant of him remains, and his spirit was banished to The Black Gates forever. We all cheered wildly for what Misty Brightdawn and Lincoln and Maxxine did to Evil Sasuke as they holstered their massive greatswords and powered down, and Misty Brightdawn's new body, clothes, weapons, jewelry, Third Eye, longer navy blue and teal tail, and massive navy blue angel wings and longer horn are permanent, and Sheila's new body, clothes, weapons, jewelry, Third Eye, and massive green angel wings are permanent.

Suddenly, Misty Brightdawn felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Misty?

Misty Brightdawn: I'm a little dizzy, but I'm okay.

We powered down.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln along with Maxxine did an awesome job in getting rid of that asshole.

Nico: No kidding, and Lincoln, you really did awesome ripping out his tongue along with leaving a few scars when we ran into him with those gold-armored claws of yours!

Misty Brightdawn: That Evil Sasuke really is nothing more than a monster!

Me: Yeah, and Lincoln would never show those who hurt his family and friends any mercy.

Suddenly, Misty Brightdawn wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Misty Brightdawn's face, they kissed passionately as she moved her arms and she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Misty Brightdawn absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Oh, before we go, I've still got to leave my mark.

Lincoln then picked up Evil Sasuke's headband, he took out one of the Elemental Daggers I gave him for his birthday, and he slashed it: thus marking Evil Sasuke as a traitor. Then, he set it ablaze in a pillar of rainbow fire.

Lincoln: Burn in Oblivion forever, Evil Sasuke.

Me: See you never, you goddamn asshole!

Nico: Never again will you hurt anymore innocent people, you fucking bastard.

Me: That is for sure.

Xenia: But that was awesome and extremely explosive!

Camie: Yeah!

Mothra: You got that right!

Nico: Now onto business.

Orichalcos Magician Girl: That is really awesome that you are slammed with all those. And very fitting for you as a cryptozoologist and protector of cryptids.

Laura McNessie: Aye. That is true lass.

Me: Believe it or not we saw all kinds of legendary creatures around the world. The Loch Ness Monsters, The Mothman, Bigfoot, The Mongolian Death Worm, The Thunderbird, Atmospheric Jellyfish, The Jersey Devil, the Roc, and many more. Even the Saturday's have the legendary Fiskerton Phantom with them. They named him Fisk.

Eli: And we also destroyed and killed all of the Saturday's enemies.

Laura McNessie: That's well done lads!

Eli: That was awesome.

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers.

Nico: Lets get them!

We fired waves of energy and elements and blasted the Anothers and they all exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I caught the Wonder Ride Books!

Qin: YEAH!

Nico: Now, we wait.

Maria: I'm gonna save the M.O.E. Cannon till tomorrow for the big day for Princess Amore.

Qin: Fair enough.

Nico: Yep.

Maria: After all, today is a non combat day.

Nico: Yeah.

Me: Well we don't have to wait long though!

Out came ANOTHER GRODD!

Nico: Whoa!

Grodd: Who is that good looking devil?

Qin: Like looking in the mirror.

Another Grodd: (In a girls voice) J.D. is that you?

Me: Wait. Janna?

She reverted back and it was a girl that looked like a female version of Tarzan.

Me: (GASP) Janna!

Nico: Wait I've heard about her. She was a girl that was raised by a family of Gorillas from when she was a baby.

Eli: Wow! Like how Tarzan was.

Me: Yeah.

Janna: I'm glad to see you again J.D.

Me: Same to you.

Qin: How do you know Janna?

Me: I met her on a trip to Africa and we taught her everything we know. She now protects her entire gorilla family.

Nico: Wow!

Qin: That is awesome that she is the leader of a gorilla family.

Camie: Kerchak, Tarzan, Jane and friends are going to be excited to meet you.

Janna: I know they are.

Qin: How do you know Janna?

Me: I met her on a trip to Africa and we taught her everything we know. She now protects her entire gorilla family.

Nico: Wow!

Qin: That is awesome that she is the leader of a gorilla family.

Camie: Kerchak, Tarzan, Jane and friends are going to be excited to meet you.

Janna: I know they are.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Janna: No he didn't promise me anything. I used my skills from the jungle to beat him up and make a run for it.

Me: Very powerful and awesome.

Qin: Yep.

Xenia: Yeah no kidding.

Janna: It sure was. Sorry we have to fight like this.

Me: No worries.

She turned into Another Grodd!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Nico: Time for some devastating Mind Power! (ACTIVATES GRODD AND DEVASTATOR'S RIDEWATCHES)

He fired waves of energy and smashed her down.

May: Time for some power! (ACTIVATES THUMBSKULL AND 2007'S VENOM'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: Time for some Radioactive power. (ACTIVATES BLIGHT AND STEEL BULWARK'S RIDEWATCHES)

She fired energy balls and blasted down Another Grodd!

Qin: OH YAH!

Mothra 2019: Time for some Kaiju power! (ACTIVATES DEVASTATOR'S RIDEWATCH)

She fired lasers and blasted her all over.

Then Mojo Jojo, Ape Man, Dr. Croaker, RTN Itchy, Navy and BZZT-Bot came.

Nico: Nice team Mojo.

Mojo: It is a most well built and formed team for I, Mojo Jojo!

Nico: It sure is.

?: I can help too.

An Ursaluna came!

Me: Cool an Ursaluna!

Qin: Wow!

Ursaluna: (In a girls voice) But it's great to see y'all again Nico.

Nico: Tina Venus! Wow!

She reverted back and was a girl with blond hair and had blue eyes and blue clothes and she had blue angel wings and was radiating the mysterious magic and power of the Okefenokee Swamp.

Tina Venus: I got this.

She fired waves of energy and blasted down Another Grodd and I caught the Ridewatch and purified it and brought Janna over.

Me: Yeah! Wait a second. I remember seeing you over in the Okefenokee Swamp. You're one of the legendary Swamp Angels.

Tina Venus: That's right.

Mothra: What's your favorite memory of Nico?

Tina Venus: I have a lot of them. But my favorite would be when we found the legendary treasure of the Vikings of the Okefenokee.

We gasped!

Me: Whoa! They were said to be a bunch of Bloodthirsty warriors that live in the secluded parts of the swamp and anyone that goes into their territory never returns alive.

Nico: Yep and we faced them and got their treasure.

She showed an ancient Okefenokee Sword.

Nicole: (GASP) The Sword of Cipactli! That is something I was trying to find for years. That is really cool.

Tina Venus: It sure is.

Nico and Tina hugged.

Nico: I've missed you.

Tina Venus: Same here to y'all Nico.

Me: Lets get home and report this to Lady Hokage.

We went back home and did so.

Me: Whoa, where are we? This is one awesome sky planet!

Lincoln: (GASPS) Oh man, I know where we are, we're on Leona Wicherek's home planet, Aeros, and I know what we're going to do here, not only am I going to rescue the four girls here, but he's also going to meet Leona Wicherek's parents and I'm also going to rescue the Universe 666 versions of Miia the Lamia and her friends and destroy the kidnappers who kidnapped them, Leona Wicherek's Bringer of Chaos siblings, her younger sister, Ciana, and her older brother, Bodhi.

Leona Wicherek: This is going to be so awesome, you're going to meet my parents, Linky, and I should've known that Ciana and

Bodhi would be our targets. Years ago, those two troublemakers had tried to start trouble with you and they've threatened to break us up and/or kill you.

Thing: Just like with the siblings of Selina and Marina, now we've got to deal with your siblings as well.

Lincoln: I'll do to them just like what I've done to Melanie and Marcus Almenara and Kai and Cordelia Kaimana. There's the castle, let's head in to meet Leona's parents, and then, we get after her vile siblings.

We arrived at the royal palace of Leona Wicherek's parents, and we headed for the throne room, and we were greeted by Marina Kaimana's parents: her dad, Aeolian Wicherek, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, green hair, green sclera, green eyes, massive green angel wings, and he has on black shorts with winds, green loincloth around the waist with gold belt and green gem for the buckle, and he has a massive greatsword holstered on his back, and her mother, Canace Wicherek, a 7'9" beautiful woman with the body of a goddess, green hair, green sclera, green eyes, massive green angel wings, and she has on a green crop top and green shorts.

Leona Wicherek: Mom, Dad.

Aeolian Wicherek: Leona, it's so good to see you here. And you've also brought Team Loud Phoenix Storm with you along with your future husband, Lincoln, right?

Lincoln: Yes, that's correct, Mr. Wicherek.

Canace Wicherek: You're indeed everything my daughter says you are, Lincoln, and we can already guess she marked you when you both met again.

Me: Yes, that's right.

Nico: And Leona told us about your other children, her older brother, Bodhi, and her younger sister, Ciana, who are going to try to start trouble with him and they've been threatening to break them up and/

or kill Lincoln.

Canace Wicherek: Yes, that's correct. Leona's also right about calling them bringers of chaos. For so many years, those two have started trouble and caused so much havoc on Aeros, it's not funny, and threatening to ruin the relationship of Lincoln and Leona and even threatening Lincoln's life, that is truly unforgivable.

Aeolian Wicherek: Indeed.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair with two white streaks and red hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, knights, swords, magic, dragons, light, and angels on the coattails and on the back is Infernoble Knight Renaud, in her right hand is The Sword of Hope and a pink haired girl, yellow hairband, yellow clothes with Fluttershy's cutie mark on the yellow skirt, yellow choker, white bridal gloves, yellow unicorn horn on her head, and yellow angel wings fly and they had the four girls with them.

Lincoln: (GASPS) Rebecca Renaud, Gene-Slammer of Infernoble Knight Renaud.

Rebecca Renaud: Yep, and we got the girls away from Leona's chaotic siblings. Honestly, those two are a bunch of chaos-bringing assholes.

Fluttershy: (GASPS) And that second girl with you, it's… !

Lincoln and Pinkie Pie: Eartha Calliso.

Me: You two know her?!

Lincoln: We do.

Fluttershy: I knew her from Equestria, and it was right before…

Eartha Calliso: Before I moved to Royal Woods. Allow me to introduce myself, my name is Eartha Calliso, Gene-Slammer of Fluttershy, the Nature Alicorn and Princess of Kindness, I'm Lincoln's Guardian Angel from Equestria. I'm a kind girl who loves all sorts of animals and she's also a very powerful Alicorn and very powerful master of kindness and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a yellow neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my yellow horn on her head glowed with pink light and it was a sign of true love. Plus, I'm also a dear friend of Fluttershy from long ago and our bond has remained strong to this day, and like Fluttershy, I love all sorts of animals and she's a skilled animal communicator, but I also hate Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because I'd seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are.

Nico: What did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Eartha Calliso: Those five were waiting for Lincoln in an ambush, and then, they'd come charging at him to kill him in another attempt at his life, but I saved Lincoln as I charged in and kicked them into a nearby fence and they got knocked out because of just how strong I am. I dragged them home and told the family of what they tried to do to Lincoln, and not only did they get grounded for a month, but I even used Fluttershy's Stare on them, and it made them wet their pants in fright, and they ran up to their rooms and locked their doors.

We gasped.

Me: The dark sides of Lori, Lynn, Lola, Lisa, and Luan made them truly evil and deranged monsters!

Laney: We warned them numerous times about this, but no, they refused to listen and they had their heads too far up their butts, and I wished someone would come and put those five in their place.

Lincoln: That task was always left to my Guardian Angels to put them in her place. And it's awesome to see you again, Eartha.

Eartha Calliso: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Fluttershy, you really have changed a lot since we last met.

Fluttershy: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Fluttershy showed Eartha Calliso the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Fluttershy helped put her mouth back in.

Eartha Calliso: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Eartha Calliso in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with pink gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Fluttershy: Wow, I knew that was coming! Now, you're part of his harem and are now his future wives. But, I'd save the kissing for later, let's get after Leona's siblings before they get after us.

Aeolian Wicherek: They've been sighted 200 clicks from the palace.

Lincoln: Whoa, that was quick!

Canace Wicherek : When trouble arises because of any attacking enemies or Ciana and Bodhi, you always have to be ready for anything, and they have the Universe 666 versions of Miia the Lamia and her friends held hostage.

Miia the Lamia: We have to save them at once, knowing just how murderous and insane Leona's two siblings are, they're going to try and kill them before we get there in time.

We headed outside to hunt down our targets: Ciana and Bodhi Wicherek. Lincoln saw the Universe 666 versions of Miia the Lamia and her friends, and they're bound and held over a pit of lava. Lincoln fired blasts of rainbow energy and freed them and brought them to him, and they got behind him.

Suddenly, we saw the two people who Leona talked about: her older brother, Bodhi Wicherek, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, green hair, green sclera, green eyes, massive green angel wings, and he has on black shorts with winds, green loincloth around the waist with gold belt and green gem for the buckle, and he has a massive greatsword holstered on his back, and her younger sister, Ciana Wicherek, a 7'9" girl with the body of a goddess, green hair, green sclera, green eyes, massive green angel wings, and she has on a green crop top and green shorts.

Ciana Wicherek: You goddamn stupid white-haired freak, so you're still together with our idiot sister?!

Bodhi Wicherek: We'll kill you, and we'll make that stupid bitch learn her place like the dog that she is!

Ciana and Bodhi Wicherek marched towards Lincoln with murderous intent to kill him, but before Sebastian could get at them, Lincoln slashed at them with his right hand's gold-armored claws on his fingers!

Ciana Wicherek: WHAT THE?!

Then, Lincoln fired wind blasts at them and sent them crashing into a wall!

Bodhi Wicherek: Dad, Mom, do something about this insect!

Canace Wicherek: No. We've had it up to hear with you two little parasites.

Aeolian Wicherek: Your mother, Leona, and I have had it up to hear with you two for the last time. For years, you two have caused a ton of trouble with you two running wild and causing havoc. Lincoln is a wonderful young man and we're proud of Leona getting together with him, and over our dead bodies will we ever let you two get any closer to hurt him!

Bodhi and Ciana were really panicking now: their parents have seriously got them on the ropes now!

Ciana Wicherek: W-what are you and Mom talking about, Dad? If that white-haired freak marries that bitch, Leona, he'll be part of our family, and we don't want it!

Canace Wicherek: We've already seen just what kind of man Lincoln is: he's smart, extremely strong, brave, courageous, manly, and not afraid to stand up for everyone around him. He's already proven himself many times to Leona, and she's always protected him from danger. We already approved of Lincoln even before they came here to Aeros while you two have been running wild without a care in the world and are still causing mayhem and chaos on Aeros. The hell you mean Bringer of Chaos, the only two people worthy of that dirty shameful title are you and Bodhi, Ciana.

Ciana Wicherek: N-no way!

Aeolian Wicherek: We held you both in the same high regard as Leona as part of our family, but what with the chaos and mayhem you've caused on Aeros, and the constant planning of trying to break Leona and Lincoln up and/or kill Lincoln so Leona could suffer from heartbreak of losing the man she loves, you two will never be forgiven! You hear me?

Bodhi and Ciana were in shock!

Canace Wicherek: And we've also decided on this: you two will forever be disowned and we're cutting ties with you both forever!

Leona Wicherek: Same with me. You two bringers of chaos have caused me enough trouble to last an eternity. Lincoln, would you be so kind?

Lincoln: Gladly.

We saw the sclera of Lincoln's eyes turn green, his deep sapphire eyes turn deep green, and the rainbow iris of his Third Eye turn green, and he also has green wind tattoos on his massive muscular forearms: Lincoln's turned into his own Aerosapien form.

Nico: WHOA!

Aeolian Wicherek: This was due to Leona marking Lincoln and Lincoln marking Leona, and he now has his own Aerosapien form, that's quite impressive.

Bodhi Wicherek: YOU'VE GOT TO BE FUCKING KIDDING ME! YOU'RE CHOOSING THAT FREAK OVER US!

Aeolian Wicherek, Canace Wicherek, and Leona Wicherek: WITHOUT HESITATION!

Ciana and Bodhi Wicherek: NOOOO!

Sylvester: All the same, now no one's going to say a kind word to you two moth-munching parasites.

Lincoln then grabbed Bodhi Wicherek's neck with his large left hand and he sucked out his incredibly strong cosmic wind powers and massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Bodhi Wicherek was now thin as a rake and he didn't have any of his wind powers anymore nor his immortality.

Then, Lincoln turned and grabbed Ciana Wicherek's neck with his large left hand and he sucked out her incredibly strong cosmic wind powers and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Ciana Wicherek didn't have any of her water powers anymore nor her immortality.

Leona Wicherek: And not only did you two get stripped of your incredibly strong cosmic wind powers and massive muscle mass, but also, you've been stripped of your immortality since you two were nothing but pure evil.

Ciana Wicherek: YOU BITCH! WE'LL KILL YOU BOTH!

Lincoln fired powerful green wind blades from his massive greatsword and they pierced Ciana and Bodhi Wicherek and they exploded and they were both sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Then, Aeros was suddenly beamed to our solar system and is also close by to the World Tree Estate.

Nico: I get it now, once the Bringers of Chaos are defeated and sent to The Black Gates, the planets will be beamed to our solar system.

Lincoln: And put under our protection, and that's another pair of moth-munching parasites will never be part of our family ever. (To Rebecca Renaud) And it's so good to see you again, Rebecca Renaud.

Rebecca Renaud: You too, Linky, it's been a long time.

Lincoln went up to Rebecca Renaud and he hugged her, and Rebecca Renaud is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rebecca Renaud: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to

measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Rebecca Renaud, Gene-Slammer of Infernoble Knight Renaud, she's my Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Rebecca Renaud is the descendant of Renaud de Montauban.

Me: The legendary hero and knight which appeared in a 12th-century Old French chanson de geste known as The Four Sons of Aymon. The eldest of the four sons of Duke Aymon and older brother of Richard, Alard and Guiscard, their cousin is the magician Maugris and Renaud possesses the magical horse Bayard and the sword Froberge.

Melanie Artorgius: The very one. Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Rebecca Renaud hates Lewis Travolta with a very blazing passion. One day, Rebecca Renaud and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lewis Travolta, and he brought with him an army of musclebound thugs he hired. Rebecca Renaud and Lincoln went out there along with the rest of the Knights, and she slays them with her greatsword. It drove that gluttonous jerk into a blood-crazed fury, but before he could get after them, Lincoln and Rebecca Renaud fired chains of fire which bound that jerk and tied him up. Lincoln called his family and his sisters for this, and needless to say, everyone wanted his head on a pike! But, Lincoln wasn't surprised, Lewis Travolta tried to kill him many times in the past, but in the end, his plan failed, and not only did he get a severe beating from his sisters and parents, he also got arrested and sent back to jail, and to make sure he didn't try to get revenge, Rebecca Renaud and Lincoln casted a spell to prevent him from coming after them because messing with the descendant of Renaud de Montauban and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That glutton always has to find some way to piss off the Loud Family.

Me: Just like with the rest of Royal Woods' jerks.

Lincoln: That glutton may have found ways to put us a bad mood with his antics, but karma always gets him back in the worst way imaginable.

Selene Emperyous: Which is basically getting his hide handed to him and brutally beaten up in the worst way imaginable.

Lincoln: Exactly, Selene.

Suddenly, Lincoln was jumped by the Universe 666 versions of Miia the Lamia and her friends, and he was kissed all over the place in a very seductive manner, and when they were done, Lincoln's entire body was atomic red, his face, massive body, and eight-pack abs were literally covered in kissy marks and steam was whistling out of his ears.

We snickered.

Luna: Sorry, dude, but you realize what happens when you wind up rescuing a group of smoking hot babes.

Lincoln got back up.

Lincoln: I had to save them from those two moth-munching parasites or they would kill them, and now that you're here, Rebecca.

Lincoln went up to and hugged Rebecca Renaud in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rebecca Renaud: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Rebecca Renaud's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rebecca Renaud: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rebecca Renaud.

Rebecca Renaud had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Kokoro Otome, Chii Adachi, Meguri Harukaza, and Tokoyo Yuugure from Koibana Ren'ai.

Lincoln: Oh wow, it's Kokoro Otome, Chii Adachi, Meguri Harukaza, and Tokoyo Yuugure from Koibana Ren'ai.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kokoro Otome: Yes, we're okay, thanks to you.

Then, when Kokoro Otome and the other three girls saw who it was that saved them from Bodhi and Ciana Wicherek, Aeros' Bringers of Chaos, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Kokoro Otome: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up

to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Kokoro Otome: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kokoro Otome, Chii Adachi, Meguri Harukaza, and Tokoyo Yuugure colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were Leona Wicherek's Bringer of Chaos siblings, Ciana and Bodhi Wicherek, and even worse, they kidnapped and tried to kill the Universe 666 versions of Miia the Lamia and her friends. THOSE TWO WERE PIECES OF TRASH!

But, when Lincoln showed what we did in viciously beating those moth-munching mongrels down, then, Lincoln grabbed and sucked out Bodhi Wicherek's muscle mass, incredibly strong cosmic wind powers, and immortality, and Ciana Wicherek's incredibly strong cosmic wind powers and immortality and sent them to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Eartha Calliso, and Rebecca Renaud have a lot of catching up to do now that they're back in town.

Maria: That's two more moth-munching parasites that you won't ever be related to in the future.

Lincoln: Yep.

Leona Wicherek: Those two were never my siblings, they were so stuck up, stupid, idiotic, moronic, and selfish, they didn't want me to be happy and delighted in seeing me miserable, but what they'd tried to do in trying to make us break up and/or kill you, that really did it! Those two ugly pigs with no manners deserved to get their ties cut by Mom and Dad.

Adreana Metrodora: We'll have trouble with our siblings on Umbras tomorrow.

Arianna Metrodora: Yeah, and this time, it's our two older brothers.

Lincoln: I'll handle them, girls, right after your parents cut their ties with them as well.

After getting rid of Aeros' Bringers of Chaos, Ciana and Bodhi Wicherek, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rebecca Renaud and Eartha Calliso saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rebecca Renaud: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Eartha Calliso: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Rebecca Renaud: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Eartha Calliso: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Rebecca, we've already heard from Eartha of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Rebecca Renaud: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a really loud belch in the air, and we saw who it was coming after us: it was Lynn, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lynn who was already running on all fours like a rampaging bull, and we brutally thrashed that belching farting gymbag. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lynn once again, and Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, and Lily pounced on Lynn, and they brutally beat her butt into the ground and I knocked her out cold before she could fart and let out stinky gas to escape from us.

Nico: Jeez.

Lincoln: Yep, then, Lynn got grounded for eighteen weeks and we threw her in a metal container.

Ellie Elsher: But, then, Lynn roared and pounded on the door with her fists trying to break out, and we all proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lynn off and she roared and beat her chest like a gorilla.

Raven Ghostrick: We were really getting sick and tired of that animal always running loose and trying to kill Lincoln, but we always put her down like the rampaging monster that she is.

Me: That dark side of her was and always will be nothing more than trouble and she can never ever be forgiven.

We got a shower, and then, Lincoln, Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Flare: Whoa, so this is Seaside Hill, it truly is beautiful.

Lincoln: It sure is, Flare, and it's perfect for our first date. Shall we?

Lincoln, Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim and they hugged them in their abnormally massive and powerful muscular arms, and Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim are in your harem.

Twilight Sparkle: It's been a while since any of our friends have joined Lincoln's harem.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Flare, Windy, Ninon Beart, Luise Meyrink, Nagase, Lien Neville, Mignon Beart, and Chae Lim, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure is none other than Lincoln VS. Dull 'Reactor' Bookworm, a member of The Exterminators from Ratchet: Deadlocked, and he's come back for revenge on Ratchet and Clank. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ratchet, Clank, you're not going to like it: the figure we sensed was none other than Dull 'Reactor' Bookworm, a member of The Exterminators, and he's come back for revenge on you two.

Ratchet: Now, Reactor is back, I thought we'd never have to see him again!

Clank: But, there was no doubt he'd come back for revenge on us.

Roxanne Lucius: Well, there's no way I'm going to let him get away with this, I'm going to send his miserable body into the scrapyard!

Ratchet: Yikes, why do I have the feeling things are about to get dark?

Nico: Uh oh, when you get an Lumasapien that mad, you better watch out! Alright, gang, let's go, we may not have a mission for today, but we still need to put a stop to Reactor.

Lincoln: I'm so going to enjoy absorbing that robot into my body and gaining his weapons and powers.

Roxanne Lucius: You better be ready to be turned into scrap metal, Reactor, now you're about to face the wrath of my entire race!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the park to confront Dull 'Reactor' Bookworm and destroy him.

We arrived at the park to hunt down our next target: Dull 'Reactor' Bookworm.

Lincoln: Alright, he should be here somewhere. (Geiger Counter going crazy) My Geiger counter is now going crazy.

Me: I still can't believe that he has a reactor built into him, that's nuts!

Nico: Big time.

?: RATCHET, CLANK, I WILL HAVE MY REVENGE ON YOU FOR DESTROYING DREADZONE AND RUINING ME!

Ratchet: Oh great, I knew there was no mistaking that voice from anywhere. You better get out her right now, Reactor, before someone blasts you out!

A figure came out, and it was none other than Dull 'Reactor' Bookworm, a member of The Exterminators

Ratchet: You've got some nerve showing your face again, Reactor. You just don't even know when to quit!

Reactor: I'll have your head for this, Lombax!

Roxanne Lucius fired a powerful light blast which hit Reactor and sent him crashing into a tree.

Roxanne Lucius: If anyone's dying here today, it's going to be you.

Suddenly, Roxanne Lucius's yellow eyes turned neon yellow and she was surrounded by a white and yellow energy aura with stars, light, aliens, phoenixes, and angels, she unholstered her Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster-themed greatsword from her back, and as she approached Reactor, she left white and yellow energy, stars, light, aliens, phoenixes, and angels with every step.

Roxanne Lucius: You really really make me sick, you took great delight in putting so many innocent humans and creatures just so you can slake your thirst for killing innocent people, but what makes you truly sick and twisted is that you also get a sick kick in killing heroes. You really are nothing more than a monster who deserves to die, Reactor, as the Gene-Slammer of Alien Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster and warrior of the Lumasapien race, I hereby sentence you to death for everything that you've done!

Suddenly, Roxanne Lucius was surrounded by a massive vortex of white and yellow energy with stars and light surrounding the vortex, there are aliens, phoenixes, angels, and Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster flying around the vortex, and in the vortex is a gold phoenix with blood red eyes glaring at Reactor: the red eyes of eternal death. Then, as the vortex faded, Roxanne Lucius emerged, but she was changed forever.

Roxanne Lucius grew from 7'0" to 7'9" in height, she has the body of a goddess, she has golden yellow highlights in the bangs of her long white hair, she has neon yellow eyes and a white and yellow energy aura with stars, light, aliens, phoenixes, and angels surrounding her, she has the Light Kanji in the hands of Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster emblazoned on her forehead and Third Eye with yellow iris, she has on alien earrings with yellow gems for eyes and holding the Light, Star, and Eternity Kanjis in its hands, she also has Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster with yellow gems for eyes and holding the Light, Star, and Eternity Kanjis in their hands on the bottom of her yellow alien-shaped Element of

Suddenly, Arianna Metrodora felt a sharp pain on her back, and then, her massive white angel wings with golden yellow tips on the large white feathers grew much bigger for her new body and she now has eleven massive and long white wolf tails with golden yellow tips and golden yellow markings, she has on a Ring of The Phoenix with white gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Roxanne Lucius' massive Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster-themed greatsword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of white and golden yellow energy, stars, light, aliens, phoenixes, and angels, and when it emerged, it was transformed into Roxanne Lucius' Lumasapien Galactic Darkness Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster Greatsword of Eternal Umbrasapien Galactic Darkness Umbrasapien Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster Angel Justice, it's a brand-new massive greatsword with embedded golden yellow gems and Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster etched on the 7'6" massive, wide, double-edged white blade, large white alien heads for the crossguard, large white angelic faces built into both sides of the hilt with large golden yellow gems embedded in the foreheads, longer midnight black handle, four large white alien heads and below the white alien heads is a large white angel head with golden yellow gems for eyes and yellow gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with golden yellow gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold versions of Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster's heads with golden gems for eyes and large golden yellow gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a golden yellow kanji below Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster that said, "Roxanne Lucius, Gene-Slammer of Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster, Very Powerful, Sexy, and Immortal Lumasapien from Planet Lucius, Powerful Warrior and Tactician, Powerful Light Master, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Lincoln's Many Enemies, Destroyer of Dull 'Reactor' Bookworm, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Stars, Angels, Phoenixes, and Lumasapiens"

Suddenly, Roxanne Lucius' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Roxanne Lucius has transformed into SUPER ANGEL-ALIEN AMMONITE-ALIEN DOG-ALIEN GREY-ALIEN KID-ALIEN SHOCKTROOPER M-FRAME-ALIEN STEALTHBUSTERA-LUMASAPIEN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ALIEN LIGHT LUMSAPIEN GODDESS COSMIC DARKNESS ALIEN LIGHT LUMSAPIEN GODDESS ANGEL OF DIVINE ALIEN LIGHT LUMASAPIEN GODDESS COSMIC LIGHT ALIEN LIGHT LUMASAPIEN GODDESS ANGEL JUSTICE AND DIVINE ALIEN LIGHT LUMASAPIEN GODDESS COSMIC LIGHT ALIEN LIGHT LUMASAPIEN GODDESS ANGEL LOVE!

We were really amazed by Roxanne Lucius' Super Angel-Alien Ammonite-Alien Dog-Alien Grey-Alien Kid-Alien Shocktrooper M-Frame-Alien Stealthbuster-Lumasapien Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Reactor saw it, he ran at her to kill her, but Roxanne Lucius fired a massive and powerful barrage of white and golden yellow energy, stars, light, aliens, phoenixes, and angels at Reactor, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE ABOUT TO GET WILD!

Lincoln: You got that right, Nico. This is exactly what happens when you really get a Lumasapien mad.

Roxanne Lucius: (Divine Echoing Godly Voice of The Cosmic Light Alien Light Lumasapien Goddess Angel and Divine Cosmic Light Alien Light Lumasapien Goddess Angel Love) Yep, you make me or anyone of my race mad, you're going to be destroyed the light of

Lucius, Now, let's destroy this robotic monster, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Roxanne Lucius.

The only thing awaiting you is death by our hands.

Roxanne Lucius and Lincoln went after Reactor, and they fired extremely powerful blasts of rainbow energy, white and golden yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Reactor and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Roxanne Lucius also attack them with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

Reactor tried to run at them, but Lincoln teleported right behind him, and he placed his left hand on Reactor's back. Suddenly, The Eviscerator glowed with blue light, and then, Lincoln absorbed the powerful nuclear robot into his body and he also gained his weapons and strength. Then, an energy card with Reactor's soul imprisoned inside appeared in Lincoln's left hand, and as soon as the Judgement Kanji appeared on his forehead, Reactor was sent to The Black Gates forever. We cheered wildly for what Roxanne Lucius and Lincoln did as they holstered their massive greatswords and powered down, and Roxanne Lucius' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, and massive white angel wings are permanent.

Roxanne Lucius: That'll teach you, Reactor, to never mess with the galaxy nor with its inhabitants. Thanks for helping me get rid of Reactor, Linky.

Lincoln: (Smiles Warmly) You're welcome, Roxanne.

Suddenly, Roxanne Lucius wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Roxanne

Lucius' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light behind them and we cheered wildly. Then, Lincoln and Roxanne Lucius absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a epic fight of Lumasapien Angel VS. Sadistic DreadZone Robot, Lincoln, Roxanne, you two really showed him no mercy, and that was one slick move you made appearing behind him, and as soon as you put your hand on him, you absorbed him and gained his weapons and strength, Lincoln.

Lincoln: Yep. No evil cyborg and robot's safe from me.

Me: You got that right.

Nico: Yeah, he was a monster. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I was saving the best for last: tomorrow, we're going to meet a Fusion Gene-Slammer of Infernoble Knight Roland, Infernoble Knight Captain Roland, Noble Knight Artorigus, and Ignoble Knight of High Laundsallyn.

Melanie Artorgius: (GASPS) Oh man, and there's only one person who'd be Gene-Slammed into Infernoble Knight Roland, Infernoble Knight Captain Roland, Noble Knight Artorigus, and Ignoble Knight of High Laundsallyn: Rachel Roland, and you guys are going to love meeting her, Rachel Roland is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire and darkness magic and a very powerful swordswoman and a powerful member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Rachel Roland is the descendant of Roland.

We gasped in total shock.

Me: The Frankish military leader under Charlemagne who became one of the principal figures in the literary cycle known as the Matter of France, but his historical counterpart is the military governor of the Breton March responsible for defending Francia's frontier against the Bretons and was part of the Frankish rearguard killed in retribution by the Basques in Iberia at the Battle of Roncevaux Pass.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Rachel Roland hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a very blazing passion. One day, Rachel Roland and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and they saw who it was that had triggered the alarm: it was Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, and they brought with them a very massive army of musclebound thugs they hired in a last-ditch effort to destroy us all. Rachel Roland and Lincoln went out there along with the rest of the Knights, and we'd slain every last one of them. It drove them into a blood-crazed fury, but before they could get after us, Lincoln and Rachel Roland fired chains of fire and darkness which bound them and tied them up.

Nico: Did he call his parents and nice sisters?

Lincoln: Yep, and needless to say, they wanted their heads on a pike.

Me: Should've known they would do something like this.

Lincoln: I know, but I wasn't surprised, Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies tried to kill him many times in the past, but in the end, their ultimate plan failed, and not only did Lori, Lynn, Lola, Lisa, and Luan get a severe beating from the nice sisters, Chandler, his goons, Scoots, Flip, Pablo, Anderson, Lewis Travolta, Killjoy Huggins, and Becky Blickensderfer got arrested and sent to jail, or in that unibrow pest's case, sent flying back to Great Lakes City, and to make sure they didn't try to get revenge, Rachel Roland and I casted a spell to prevent them from coming after us.

Me: Yeah, messing with the descendant of Roland and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, that was literally one epic fight that you all fought against the coalition of Lincoln's hated enemies and the mean sisters!

Lincoln: This happened before, but we'd triumphed over the whole lot of them many times, but this was indeed the biggest achievement The Knights of The Michigan Table has ever achieved ever since we'd formed.

Melanie Artorgius: You got that right, Lincoln, it was one event that we'd remember forever: the day The Knights of The Michigan Table had defeated the coalition of our hated enemies.

---

We were watching TV

Billy: Hey guys!

Me: Oh hey Billy.

Billy: I have a new friend for you all.

Qin: Really? I hope it's not a monster.

Billy: No it's not.

Nico: Billy, who's this friend you want us to meet?

Billy: She's right here. Everyone meet Daisy a…

Me: (GASP) Chupacabra!?

We saw that Daisy was really a CHUPACABRA! The legendary Bloodsucker from South American Folklore!

Me: Whoa I thought it was just a legend!

Nico: A Chupacabra!?

I went over and picked it up.

Me: Never in all my life have I seen one before. Billy where did you find a Chupacabra like this?

Billy: Oh one time she came out of the TV when me, Grim and Mandy were watching an Underworld video on them.

Lola: Whoa!

Me: Boy she sure is a cute one.

Her sucker was going at me.

Me: Now now little one you don't want to drink my blood. It's poisonous.

Yenaldoshi: I think she'll be a good member of my team.

Me: I was just about to say the same thing.

Billy: That's a great idea.

Nico: You know Dexter once told me he made a Chupacabra.

Me: Did he really?

Nico: Yep. His name is Charlie and he was made to scare Dee Dee.

Xenia: Geez!

Yenaldoshi then smelled something.

Me: What is it?

Yenaldoshi: I smell idiots doing stuff.

Me: Uh oh.

Nico: Like what?

Yenaldoshi followed the smell.

We followed and went down to the surface of the planet and then went to the school and to our shock and horror we were greeted by a crazy and rather HORRIBLE AND HORRIFYING SIGHT! We saw an idiotic douchebag moron giving drugs and beer to kids!? WHAT THE FUCK!

Me: OH! MY! GOD!

Qin: What the hell!?

Already, the kids were high on beer, marijuana, cocaine, vaping pens, crack, and weed. A kid high on crack walked up to us.

Kid: I'm going to kill you for talking my baby!

Me: What baby!? You're too young!

KROW!

He punched me square in the face and knocked me down!

Me: OUCH!

Then he grabbed my neck and was smashed my head into the the ground!

BAM BAM BAM BAM BAM BAM!

I grabbed the kid with my tail and coughed.

Me: (COUGH) GEEZ! What the fuck are you thinking kid!?

A kid high on weed walked up to us.

Kid 2: (Flirting with Maria) Hey beautiful. Want a smoke with me?

Maria: No thank you.

Me: These kids are really high! Whoever is doing this is in a lot of deep shit trouble!

Nico: Big time!

A kid high on cocaine walked up to us.

Kid 3: You stole my purse!

CRUNCH!

He kicked Nico square in the crotch!

Me: (WINCES) OUCH!

Eli: AI YI YI!

Nico fell onto the ground and the kid was kicking his head!

A kid high on a vaping pen walked up to us.

Kid 4: You know vaping is not bad.

Me: Maybe for you but are too young to be vaping and it's dangerous.

I grabbed the kid kicking Nico.

Me: We got to stop this.

Xenia: Wait look!

We saw a man that looked like a hippie giving all the illegal stuff to the kids.

Me: Wait a second. I know him! That's Reginald Moonbeam. He's the leader of a hippie cult that gives beer, marijuana, cocaine, vaping pens, crack, and weed to kids! He claims it's "Cool" and gets kids to be free!

A kid high on marijuana walked up to us.

Kid 5: You know Marijuana makes me dance!

Nico: Kid that is not good for you.

Me: Sheila and Tom are going to have a helluva field day with this.

Nico: So are all these kids parents.

Then a drunk kid with beer came.

Kid 6: (Slurred Speech) Yeah hey buddy. I'll have a triple cheeseburger, large fries and do you sell pants?

He then threw up on Nico.

Nico: OH SICK!

Maria washed him off.

Nico: Okay we got to stop this now!

Xenia: And fast.

Maria: I'll call it in.

Maria did so.

We went at Reginald Moonbeam!

Me: Okay Hippie Boy the jig is up!

Reginald Moonbeam: Whoa! Far out dudes.

Me: This is 2023 you nimrod! These kids are not supposed to have drugs and beer like this!

Poromon: They should only have beer. Not any other kinds of drugs!

Nico: Poromon!

Poromon: Sorry.

Nico: No kid should EVER! Have any kind of drug or alcohol.

Reginald Moonbeam: Well as they say.. Time for this groovy guy to…

Sheila and Tom grabbed him before he could run.

Sheila: Go to jail!

Me: For the rest of his natural life for selling contributing to the delinquency of minors and possession of thousands of kilos of drugs.

Tom Lair: Yep. He's going to jail forever.

Reginald Moonbeam: NOOOOOO!

He was loaded and sent to the Neptune Prison.

Nico: Now lets get these kids detoxed.

Several kids approached the Underground Girls.

Sydney: Uh oh.

Varie then detoxed them and they were cured but they had splitting headaches.

Varie cured all the kids and they were crying and the parents came and they hugged their kids

Poromon: For the record, me and the other mascots like beer, not other kinds of drugs!

Nico: We know that.

The kids then cried and hugged their parents and then wer got all the drugs and stuff into vans.

Roger Smith: I would like some cocaine.

Stan Smith: Roger no! No cocaine for you!

Me: Yeah Roger.

Roger Smith: (POUTS)

We later told the kids parents what happened and they were shocked.

Nico: Yeah it was awful.

Roger Smith: I was gonna use some cocaine to build a throne!

Me: Pfft yeah right.

Xenia: But either way we stopped a massive operation.

Nico: Yeah.

Yenaldoshi: Let me sniff around just in case

He went and did so and then 20 minutes later came back.

Yenaldoshi: All clear.

Me: Great.

Qin: Thank goodness.

Nico: How did they even get past school security?!

Me: It's summer vacation Nico.

Nico: Oh right.

Qin: Yeah.

?: That jerk really had it coming.

We saw a Kleavor come.

Me: Whoa a Kleavor!

Xenia: Cool!

Kleavor: (In a girls voice) What he was doing to these kids was outrageously wrong on so many levels.

Nico: Kayla Cladius!? Whoa.

She reverted back and was a girl with brown hair and had blue eyes and blue shorts and shirt on.

Kayla Cladius: Awesome to see you again Nico.

Nico: Same here.

Maria: What's your favorite memory of Nico?

Kayla Cladius: When Nico fought a mad martial arts chef at a restaurant we were at and defended me and he ate his heart in front of him and made everyone hurl their guts out.

Nico: I did what happened in Dumb & Dumber and it was funny.

We laughed hysterically!

Me: (LAUGHS) THAT ALWAYS CRACKS ME UP!

Xenia: (LAUGHS) That was funny!

Nico: (LAUGHS) Yeah that was funny! His heart tasted like Mongolian Chow Mein.

Xenia: Nice.

Me: Whoa.

Nico and Kayla hugged.

Nico: I've missed ya.

Kayla Cladius: Same here.

May: Nico, which Gene Slammers do you think you'll meet next?

Nico: Basculegion, Sneasler and Overqwil.

Me: Ooh! Nice!

Qin: Yeah!

Lola: Yep.

We later went back home and then we were getting ready for our annual camping trip to Winsome Falls

Poromon: Why don't you have just me and the others mascots go camping?

Me: Because we all have to go. It's part of the fun.

Qin: Yeah it wouldn't be fun if you were the only ones.

Poromon: You're right. It is fun.

Qin: Yep.

We got our gear.

Vypra and the M.O.E. Came.

Vypra: We're ready guys.

Me: Awesome.

Poliwag: How about this? Me and the mascots will each tell a scary story!

Nico: Fair enough.

Qin: Yeah.

We got our stuff ready and loaded it on our backs.

Me: All right we're all set.

Camie: Cool!

Nico: Lets head out.

We were off to Winsome Falls.

We were dressed up and ready and we were off.

We walked the whole way and it was fun and then we arrived.

Nico: Here we are!

We saw that we were at Winsome Falls!

Qin: Winsome Falls!

Sakura Knudson: Wow! It's beautiful!

Lola: It sure is.

We got the tents and everything set up.

Allie Wilde: Boy this is always fun here.

Nico: It sure is!

Later that night we had an awesome campfire set up.

Maria: I got the marshmallows!

Me: Awesome!

Raj: (Hindu Accent) Always love a good marshmallow!

We made a S'Mores pizza and more.

Qin: Boy love good s'mores.

Me: And good stew on the fire.

Poromon: Now here is the first story from me.

Rainbow Dash: Okay, everybody get comfortable, 'cause we're about to tell you the best stories you've ever heard.

Scootaloo: Is it about the time when Rarity had wings, and then they got ruined, and then you saved her from plummeting to her doom?

Rainbow Dash: Okay, maybe it's the second best story you've ever heard.

Poromon: But no that's not it. It's THE LEGEND OF THE BELLY BUTTON EATER!

WE GASPED!

We heard the story go on.

Poromon: "'Aah! Don't come any closer!' But it just kept coming, with its one big eye, its footsteps grew louder with every step! Squish, squash, squish, squash! 'I want to eat your belly button!'"

Jimmy: [hiding under a blanket] "Aah! Don't eat me!"

Rolf: "Ho ho ho! Rolf may need a diaper, as his toes curl with fright! Please continue."

[A somewhat ghostly howling is heard.]

Jimmy: [clutching Plank] "What was that?"

Rolf: "It comes from the trees!"

[Horrified screams join the commotion. Rolf looks around, searching for the source. Jimmy claps his hands over his ears.]

Jimmy: "It's so grotesque!"

[Suddenly, the howling stops. The fire dies, and the campsite goes dark.]

Jimmy: [fearing] "Holy mackerel."

[In the darkness, Jonny and Jimmy scream.]

We relit the fire and everyone was scared!

Nico: That was scary!

Ed, Double D and Eddy came out and they were laughing!

Eddy: (LAUGHS) You guys sure got scared!

Ed: (LAUGHS) That was too cool Eddy!

Edd: (LAUGHS) That was good!

Qin: Awesome story Poromon!

Rolf: (LAUGHS) Rolf loved that one.

Me: Well done guys!

Poliwag: I got one. It's called The Dark Stanley Murders!

WE GASPED!

Bart Simpson: WHOA!

Juran: This I gotta hear!

Poliwag: It's the story of the Dark Stanley Carnage!

THUNDERCLAP!

Laney: I don't think any of you are gonna like this one.

Poliwag: The Story takes place in Springfield, Oregon at Springfield Elementary School. Years ago Stanley Degroot was a chef that worked in the cafeteria.

Scene turns into the story.

Poliwag: (Narrating) All the kids made fun of him because he never graduated from the Massachusetts Institute of Technology.

Kids: Stanley, Stanley no degree! 2 credits short at M.I.T.! (Taunting Laughter)

Poliwag: It was really stupid and humiliating. But then one day he went HOMICIDAL!

Stanley's eyes turned red with pure evil.

Poliwag: One day, He picked up a cleaver and put a new entree on the menu. He chased down the kids and cut their heads off! Then he served them in a delectable little dish called Kids Head Soup!

Dark Stanley: (Evil Laughter) (Tastes the soup) Needs more girl. (Laughs Maniacally)

Scene reverts back to the campfire.

Everyone all screamed.

Sunset Shimmer: (Shaking in fright) What happened to him?

Poliwag: They executed him for Capital Murder and buried him in an unmarked grave. But the next day, the whole cemetary was gone!

Everyone that hadn't heard it screamed in fear.

William: Scary, right?

Bart Simpson: It was for some. But we were shocked to know that it was all true.

Me: He's not kidding on that one.

Nico: Nope.

Qin: Wow.

Dark Spicer: Boy that was an awesome story.

Manaphy: Now for this one. It's called The Legend of The Olden Pony!

We gasped!

Manaphy: It all happened on a night just like this one, in a forest, just like this…

The story went went on and most of us were shaking in fear.

Manaphy:… And then, The Olden Pony asked, [mimicking aged voice] "Who's got my rusty horseshoe?"

Sweetie Belle: Not me!

Camie: Not me!

[suspenseful pause]

Rainbow Dash: You do!

Camie, Apple Bloom and Sweetie Belle: [screaming]

Rainbow Dash: [laughing]

We laughed!

May: Nice, Manaphy!

Nico: That was awesome!

Manaphy: Thanks Mama!

Nico: Yep.

Horsea: Now here is one from me. It's called The Cursed Doll!

We gulped!

Horsea: There was a little girl who really loved dolls. She had a big collection of them in her bedroom. One day, while she was browsing through a shop on her own, she spotted a really beautiful doll. It would make a perfect addition to her collection. She only hoped she had enough money to buy it.

"How much is that doll, ma'am?", she asked the old woman behind the counter.

"This doll is not for sale", replied the woman.

"But it's so beautiful", said the girl. "I really want it."

The old woman became irritated. "I told you, it's not for sale", she said.

"Why not?", persisted the girl.

"Because this doll is cursed!"

"Well… That's OK. I don't mind."

"I'm not going to sell it to you… But if you really must have it, go ahead and take it. It's yours. But if something bad happens, don't blame me."

"Ah! Yes, thank you!" said the girl, smiling as she grabbed the doll and walked out of the shop.

The little girl was so delighted to get the doll for free that she ran all the way home, carrying it in her arms. When she got home to her apartment building, she went into the lobby. It was deserted. She stood there waiting for the elevator to arrive.

The doors opened and she stepped inside, clutching her new doll tightly.

The doors closed, but the elevator did not move.

The little girl got scared and began trembling with fear.

"OMG", she thought to herself. "Is this the curse of the doll?"

Suddenly, she felt the doll move in her arms.

Ever so slowly, its head turned to face her.

The little girl wanted to scream but she couldn't make a sound.

The doll's eyelids fluttered and opened.

It stared at her with it's lifeless glass eyes.

Then its mouth opened and it said, "Push the button to go up, bitch!"

WE SCREAMED IN UTTER FRIGHT!

Nico: (FAINTS)!

FWOMP!

Maria: Where did you hear that, Horsea?

Horsea: I read it on the internet.

Lola: That reminds me of that doll Lucy had.

Me: Or Chucky, Slappy and all the other dolls.

Qin: Yeah.

Johnny Bravo: Reminds me of that Talking Tabitha doll.

Xenia: Whoa.

Nico woke up.

Nico: That was scary.

Xenia: Yeah.

Max: You said it!

May: You know it Max.

Qin: But that one was really interesting.

Brittney: I agree there too.

Tentacool: I got one. It's called The Swamp Children. It's a Virginia ghost story about two kids who investigate a mysterious campfire across an eerie swamp one night. You know this ain't gonna end well.

Me: (GULPS)

Tara: That's like how you guys found my sister!

Xenia: Almost.

Me: Yeah.

Tentacool told the story.

---

My cousin, Ben, had a lake side cabin where he and his parents would spend their vacations. I was always jealous of my cousin when he came back with stories about his adventures in the woods and on the lake, so I was ecstatic when his family invited us to join them that summer in Virginia.

We stayed up late our first night there, sitting around a campfire and roasting marshmallows. Our parents caught up on each other's lives while Ben and I swapped ghost stories.

A sound caught my attention as it drifted over the lake, like laughter from far off. I looked over my shoulder, across the dark expanse, and saw the tiny flickering light of a fire on the far shore. I had imagined my cousin's cottage as a secluded retreat, but then I realized such a picturesque location was sure to attract other rich families who would build their own lakeside cabins and enjoy their own campfires each night.

"Your turn."

"Huh?" I replied stupidly. Ben had finished his story, and I had missed the terrifying punch line. I thought about it for a second, then began my own ghostly tale.

The next morning, I stepped out onto the deck and gazed out across the peaceful water. I remembered the laughter from the previous night, and turned towards where I recalled seeing the light of the campfire, hoping to catch a glimpse of another cabin. I scanned the far shore for several minutes before my cousin joined me.

"Where's the other cabin?" I asked him.

"Well," he said, "there are a few down that way-" He pointed towards the north end of the lake. "You can't see them from here, though. I think there might be one at the south end too."

"What about directly across from here?"

Ben stared out in the direction I was pointing. "No, there's nothing over there. It's all swampland that way."

"Huh," I grunted, trying not to sound too surprised. What had I seen last night? I had heard of swamp lights before-a natural reaction when gases were released into the air-but what about the laughter? What had I heard? I decided to tell my cousin about it.

"Are you sure it was laughter?" he asked. "It could've been animals. Raccoons, you know…

Had that been all? I could not be sure if it was just my brain trying to make sense of things, but thinking back the sounds had seemed a bit off, less than human.

"We could go check it out today, if you want," my cousin said. "Our dads said they wanted to go fishing, but we can use the old row boat."

"Sure," I agreed.

The water sloshed lethargically against the side of our little boat as I dipped the oars in and out of the murk. I imagined, even when the wind ripped across the open water of the lake, that this corner remained still, and that the wet slapping against our bow was the swamp's outrage at our presence.

"Look at that," Ben pointed. Two sickly trees grew out of the water, and wedged between the pair of rotting stumps was a ruined old row boat. The hull was decayed beyond hope, upended so it formed a canopy over the dark water, and I imagined all manner of frogs, snakes, and other slimy things making their soggy nests underneath its protective dome.

"Do you think they drowned?" I asked, wondering at the fate of the row boat's owners.

"Who knows," my cousin answered. "Probably."

Something splashed underneath our boat, and I tried not to imagine what it might have been.

Ben took over the rowing once we were under the trees, and he guided our little vessel through the maze of moss-covered trunks until our stomachs began to growl from hunger.

"I've never actually been here before."

I looked at my cousin, surprised, as we dug out the sandwiches his mom had made for us.

"When we were younger, Uncle would tell us stories about it, trying to scare us. I always pretended to be brave, but I guess the stories worked, because whenever we came out in the boat, I would tell my dad not to get too close to this place."

"What kind of stories?" I asked.

"I guess you couldn't really call them ghost stories, not really, but… scary stories. The gist was that children who got lost in the swamp were cursed to live there forever, transformed into something not quite human. Uncle said that at night you could hear them, and if you weren't careful they'd lure you into the swamp, and you'd become one of them, lost forever. Whenever we'd hear a strange noise from across the lake, Uncle would say 'The swamp children are playing.' Of course, it would really just be raccoons fighting."

I finished my sandwich, all except the crust, which I crumpled up and dropped into the water. I peered over the edge of the boat, trying to follow the remains of my lunch as it sank into my reflection. My grimy twin stared back up at me, almost taking delight in blocking my view, nearly smirking as I tried to make out the bottom. "Do you think there's any truth to those stories? You think some kids did get lost here?"

"It's possible," Ben replied. "Maybe that ruined rowboat belonged to them. More than likely they drowned, like you said earlier."

I continued watching my reflection as it danced in the ripples below. It smiled a big, mischievous grin, and its arms slowly reached up, threatening to break the placid surface.

"Watch it!" Ben warned, yanking me back. "You nearly fell in!"

"What?" I replied stupidly. "I thought… never mind."

Our lunches finished, my cousin turned the boat around, and we began rowing for home.

A cool breeze rustled the leaves overhead, and Ben looked wor ried. "It's the evening draft," he said. "Comes every night just before dusk. We should've been out into open water by now."

A cold fist squeezed my chest at the realization that we were lost. I tossed my head back and forth, trying to catch a glimpse of open sky, but there was nothing but water-logged trees, draped in vines and moss, as far as I could see.

With a dull clunk, our boat shuddered to a halt. "What was that?" I asked.

"We hit something." Ben prodded under the water with an oar. "Feels like a rotten log. This isn't good. Here." He handed me the other oar. "Help me push, see if we can get free."

I thrust my oar under the boat, and almost instantly felt it dig into something soft. "Are you sure that's a log?" I asked. "It's awfully squishy."

"It's got to be," my cousin replied, rocking back and forth in an attempt to shake the boat loose.

Suddenly, with a soft splash, we were free. The unexpected movement threw me off balance, and I grabbed onto the edge of the boat, saving myself from being tossed overboard. In my panic, however, the oar slipped from my fingers and landed in the water. Without thinking, I reached out to grab it, momentarily dipping my hand beneath the surface. My fingers wrapped around the wood, grimy from the swamp water, and another hand, slimy and bloated, wrapped around mine.

I yelled out in shock, recoiling from the water and bumping into my cousin who, with a shout, tumbled overboard. I was alarmed at first, but before I could even catch my breath, Ben's head popped back up with a grimace.

"This water tastes awful. You need to be more careful."

"Sorry," I apologized breathlessly. "You alright?"

"Yeah. It's not too deep, actually. I can stand."

I helped him climb back into the boat, where he sat shivering. "I'm really sorry," I apologized again. "When I reached in to get the oar, something grabbed me."

"It was probably just a fish. We have bigger things to worry about, anyway. It's getting dark."

Indeed it was. Under the trees, nightfall was accelerated. Already, the bright greens and browns of the swamp were beginning to bleed together into a muddy gray. "What are we going to do?" I asked.

"Probably just wait here. I wouldn't be surprised if our parents have started searching for us already."

And so we waited. Before long it was completely dark. The tiny traces of moonlight that managed somehow to find their way down into the swamp were hardly enough to see by, and we were surrounded by vague dark shapes.

"Do you smell that?" My cousin's voice, trembling as he shivered in his wet clothes, startled me. I sniffed the air. A rotten odor assaulted my nostrils, faint at first, but steadily growing stronger.

"Yeah. What do you think it is?"

"Swamps smell sometimes, I guess."

Somewhere in the darkness, leaves rustled, followed by a tremendous splash.

"What kind of animals live here?" I asked, failing in masking the fear in my voice.

"Bears, deer. But they wouldn't hang out here. They definitely wouldn't go in the water."

A steady, rhythmic sloshing started up, growing louder, like something walking through the water towards us.

"It's probably just a boat wake from out on the lake," Ben said.

"Who would be out on the lake at this hour?"

The sloshing stopped a few feet from us, although we still could not see anything, and then something thumped hard against the side of our boat. I inched away from the noise, and I could hear Ben doing the same. The rowboat tilted dangerously as our weight shifted.

The thumping continued, again and again, like a fist on the wooden hull, pounding relentlessly. Suddenly, it was joined by another, on the other side of the boat where my cousin and I cowered. We scrambled to the center, as far from either side as possible, feeling the boat shudder under the assault of the unseen hands. A few more joined in, and a few more again, until we were completely surrounded.

And then we heard laughter. It came from all around, like countless little children mocking us.

A bright light suddenly exploded to one side, and the noises abruptly stopped. In the orange flickering glow, we could see our surroundings. The water was perfectly still, like a layer of black-coated glass, and not ten feet away from us was the shore. There, hovering above the ground, was a blazing fire.

"That looks warm."

I glanced over at my cousin, who was shivering violently in his wet clothes. "Is it real?" I wondered out loud.

"Who cares," Ben replied, grabbing the oars and starting to row. "I'm freezing!"

Our boat slid gently onto the shore, and before I could stop him, my cousin jumped out and ran to the fire. Before my very eyes, his silhouette blurred, and before long he was lost in the glare.

"Ben!" I tried calling out to him, uncertain whether or not I should follow. "Ben!"

Another voice answered me, not Ben's, from the opposite direction.

The scene was plunged into darkness. The fire, as if startled by the voice, had gone out. A smaller light appeared, bobbing up and down as it grew closer and brighter. A flashlight.

"Son, is that you?"

"Dad?"

"Son, are you alright? Everyone's been worried sick. We've got to get you back."

"Wait," I protested as he started to help me into his boat, "what about Ben?"

"It's alright," my dad said. "We already found him."

"What?" I replied, looking back at where the strange fire had been with a confused look on my face. "But-"

"I know," my dad interrupted. "His body floated back to the surface. That's how we found him."

"What?" Somewhere in the back of my mind I understood the words that he was saying, but I could not make sense of them. "What are you talking about?"

"Ben fell overboard, don't you remember?"

"Yeah, but…" I looked again at the dark shoreline where the mysterious blaze had been only minutes ago. "He's not…"

"Come on, son, let's get you back to the cabin."

I will never be able to forget that sight. There was Ben, laid out on the kitchen table with his eyes closed. He was sopping wet, and his skin was a nauseating shade of pale green. I still wanted to deny it, but how could I with his drowned corpse lying there in front of me?

I had no explanation for what happened. When Ben's parents asked me about it, I simply said he had fallen overboard, and that the rowboat had drifted away when it got dark. That was what they expected to hear. It was what I told myself over and over again, and what part of me wanted to be lieve. I wanted to for get our foray into the swamp, along with all its strange sights and sounds and feel ings, but to this day I can not seem to put it from my mind. When ever I go near a pond or lake or soggy wood land, I swear I can hear laugh ter.

-THE END-

For Princess Amore's Phase 2 transformation, she and Lincoln are going to do battle with and destroy Bathsheba Sherman, the evil 1800s devil worshipper and witch and major antagonist in The Conjuring Universe, serving as the main antagonist of the 2013 horror film The Conjuring.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Adreana and Arianna Metrodora's home planet, Umbras, and not only is Lincoln going to meet Adreana and Arianna Metrodora's parents, but he's also going to destroy Adreana and Arianna Metrodora's Bringer of Chaos older brothers, Aabinus and Abanus

Metrodora. And we're going to meet the last of the Noble Knight Gene-Slammers, her name is Rachel Roland, Fusion Gene-Slammer of Infernoble Knight Roland, Infernoble Knight Captain Roland, Noble Knight Artorigus, and Ignoble Knight of High Laundsallyn, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire and darkness magic and a very powerful swordswoman and a powerful member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Rachel Roland is the descendant of Roland, a Frankish military leader under Charlemagne who became one of the principal figures in the literary cycle known as the Matter of France, but his historical counterpart is the military governor of the Breton March responsible for defending Francia's frontier against the Bretons and was part of the Frankish rearguard killed in retribution by the Basques in Iberia at the Battle of Roncevaux Pass. Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Rachel Roland hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a very blazing passion. One day, Rachel Roland and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and they saw who it was that had triggered the alarm: it was Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, and they brought with them a very massive army of musclebound thugs they hired in a last-ditch effort to destroy them all. Rachel Roland and Lincoln went out there along with the rest of the Knights, and they'd slain every last one of them. It drove them into a blood-crazed fury, but before they could get after them, Lincoln and Rachel Roland fired chains of fire and darkness which bound them and tied them up. Lincoln called his parents and his nice sisters and told them what happened, and needless to say, they wanted their heads on a pike! But, Lincoln wasn't surprised, Lori, Lynn, Lola, Lisa, Luan, and the rest of

Lincoln's enemies tried to kill him many times in the past, but in the end, their ultimate plan failed, and not only did Lori, Lynn, Lola, Lisa, and Luan get a severe beating from the nice sisters, Chandler, his goons, Scoots, Flip, Pablo, Anderson, Lewis Travolta, Killjoy Huggins, and Becky Blickensderfer got arrested and sent to jail, or in that unibrow pest's case, sent flying back to Great Lakes City, and to make sure they didn't try to get revenge, Rachel Roland and Lincoln casted a spell to prevent them from coming after the knights because messing with the descendant of Roland and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Along with the next Alicorn Gene-Slammer, her name is Asteria Astrophel, Gene-Slammer of Starlight Glimmer, the Starlight Magic Alicorn and Princess of Empathy, she's Lincoln's Guardian Angel from Equestria and she's a girl who loves looking at the stars and constellations in the sky and she's also a very powerful Alicorn and very powerful master of empathy and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave her a cyan blue neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her purple horn on her head glowed with cyan blue light and it was a sign of true love. Plus, she's also a dear friend of Starlight Glimmer from long ago and their bond has remained strong to this day, and like Starlight Glimmer, she's an amazing girl who loves looking at the stars and constellations in the night sky, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Asteria had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are, and she saved Lincoln from getting ambushed by those five who went charging at him to kill him in another attempt at his life, but Asteria charged in and she kicked them into a nearby fence and she got knocked out because of just how strong she is and she froze them with a blast of magic she fired from her horn. She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, and after she sent them running to their room, she put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

Get ready for an awesome fairy tail adventure as we go to the world of Ever After High and battle Raven Queen's mother the Evil Queen and have her sent to prison.

See you next time.

Nico: It sure was.

Camie: Yeah it sure was.

Nico: Poromon was close to shooting her

Me: Yeah. But thankfully I had her rusty horseshoe stuck to my shoe.

Xenia: Oops.

Qin: Yeah but that was cool.

Nico: It sure was.

Maria: All in all it was a great camping trip.

Nico: Are classes still in session?

Me: No it's summer break. They don't start till August.

Nico: Oh.

We arrived at the Bagge Farmhouse and knocked on the door.

Eustace was scratching his foot and it was all purple and swollen and it was covered in green puffs.

KNOCK KNOCK KNOCK KNOCK KNOCK KNOCK KNOCK!

Muriel answered it.

Muriel: Oh thank goodness you're all here.

Me: What's wrong Muriel?

Muriel: Eustace has a fungus. And I'm going to do some of my family remedies on him.

Xenia: Oh boy.

Me: Lets have a look at it.

We looked.

Me: Oh BARF!

Qin: That is gross!

Camie: YUCK!

Laney: That is one disgusting fungus.

Lincoln: No kidding.

Bai Tza: Yeah.

Muriel came back with a cactus.

Camie: What's the cactus for Muriel?

Muriel: It's one of my family remedies.

Earth: Watch.

She then started scratching Eustace's foot with the cactus and he was screaming in excruciating pain.

Eustace: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

YICHIHUAHUAS! THAT IS GONNA REALLY HURT!

Lincoln: Oh man that's got to hurt!

Francesca: No kidding!

Eustace: AAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH!

Lana: That hurts worse than when I roll in Poison Ivy!

Lola: NO KIDDING!

Earth: Ouch!

Bai Tza: Oh man!

Eustace: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHH

When the scratching stopped Eustace's foot was all covered in Cactus needles.

Laney: Ouch!

Nico: OH MAN THAT HURTS!

Francesca: That didn't work.

Bai Tza: Nope.

In the kitchen Eustace was at the table and Muriel brought in a bucket full of live lobsters and they were pinching their claws.

Lincoln: A bucket full of live lobsters!?

Lana: This is gonna hurt!

Eustace put his foot in the bucket and then…

CRUNCH!

Eustace: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

He shook the bucket and threw it off and a lobster was pinching his foot.

CRASH!

Laney: Ouch! That's not gonna feel good.

Eli: YIKES!

Bai Tza: No kidding.

Lincoln: But that didn't work.

Lola: OUCH!

Earth: Nope.

In the living room they tried one last thing.

Courage brought in a big bucket full of toxic waste and it smelled worse than puke. The smell was so bad that Lana threw up.

Me: OH GOOD GOD!

Lincoln: A bucket of toxic waste!?

Earth: That is disgusting!

Nico: YUCK!

Eustace dipped his foot into it and he screamed.

Eustace: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHH

OOOH MAN THAT IS NOT GOING TO FEEL GOOD!

He pulled it out and it was burned badly but it didn't work either.

Qin: OUCH!

Bai Tza: That didn't work.

Lincoln: Something about this seems familiar

Muriel: Oh dear. There's just one thing left to do.

Me: Yep.

In the kitchen they were trying to convince Eustace that he needed to go to the doctor.

Eustace: I ain't going to no doctor.

Muriel: You really should Eustace.

Me: I agree.

Francesca: That foot is getting worse grandpa.

Eustace: I ain't going!

Bai Tza: Eustace look at that foot.

Lana: Yeah it's huge.

Apple Bloom: Yeah it sure is.

Muriel: It's as big as a cow. You have to go.

Eustace: Make me!

Xenia: Tch! What a stubborn old goat.

Muriel: Oh suit yourself but I think it's starting to fester.

Eustace: All I need is a nap!

He put his foot down!

SPLOITCH!

Courage: He sure is stubborn.

Francesca: Tell me about it.

Twilight Sparkle: Yeah.

Applejack: Almost as stubborn as me.

Lana: Yep.

Later Eustace just finished his nap and he woke up.

Eustace: (Yawns) That's all I needed. A nap. I feel like a million bucks. Yep nap did the trick. Foot feels fine.

But he was dead wrong. His foot was ginormous and it covered half of his body!

Eustace: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH

He tried to get out of the foot but it kept on covering him and it grew and covered him until he was consumed by it completely.

Courage came in and when he saw the foot he screamed and all his teeth came flying out.

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Francesca and the gang and all of us came in and they were shocked and horrified.

Me: WHAT THE FUCK!

Nico: OH MAN!

Lincoln: HOLY ACE SAVVY! His foot is huge!

Laney: HOLY MACKEREL!

Lana: Ugly!

Lola: YUCK!

Bai Tza: No kidding.

They walked up to it and the foot turned and the toes talked.

Big Toe: (Gangster Accent) I'm the Big Toe see? Nyah see? And what I say goes see? Got me?

Little toes: Yeah got it boss.

Pinky toe: See what? See what?

Big Toe: See this.

He whacked the little toes.

WHACK WHACK WHACK WHACK!

Pinky Toe: OW!

Muriel came in.

Muriel: Oh. AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH! Where's my Eustace!? What have you done with my Eustace!?

Big Toe: Shut up Fat Woman. You won't be needing your husband anymore see? So listen up.

Little toes: Yeah listen up.

Pinky toe: Yeah listen up.

Big Toe: We're gonna pull a heist see? Yeah a heist. It's Sunday and the Banks are closed so we knock over a bank see?

Muriel: You can't do that. It's against the law.

Earth: Muriel gangsters have no respect for the law and they have destroyed numerous lives in order to get what they want!

Lana: And they also killed numerous people.

Big Toe then crushed Muriel under him!

SQUISH!

Muriel: OH!

Big Toe: Alright, guys. It's like this. You drive us to the bank. Or the fat lady gets it, see?

Nico: You know by now we're not gonna do that.

Lincoln: Why not?

Nico: (surprised) Lincoln, what are you thinking?

Lincoln: (angrily) I'm thinking that we've been doing so many good things for others and yet, during the 20 Days of Darkness and Team Buktu incident, the people we protect turn on us! Well, maybe it's time to give them the villains they see us as! Maybe it's time for us to be bad for a change!

Big Toe: (surprised) Well, I didn't expect this at all, see.

Lincoln then beckoned me.

Lincoln: (Whispers) Just play along and follow my lead.

I nodded.

We followed Lincoln's lead and we were in the truck with Big Toe in the back and we pulled up to the bank.

Big Toe: Okay boy, now you break into the bank and you bring us all the dough, see? Nyah see.

Lincoln: Okay okay okay.

Big Toe: Get going, or we'll put the squeeze on the fat lady see?

Muriel screamed.

HONK!

Muriel: OH!

Lincoln dressed up in burglar clothes snuck in and crawled through the vents and got to the vault and there was a moat of molten lava in front of the vault.

Lincoln: Okay who in their right mind would put a moat of lava in front of the bank vault?

Lincoln's shoe fell off and it fell in with a splash and lit on fire.

Lincoln then fired a beam of ice and froze the lava.

Then Lincoln went up to the vault and opened it and took all the bags of money and removed the dye packs and put them into scrolls.

Big Toe: In all honesty, we didn't expect you guys to comply see?. What are you up to?

Nico: Nothing. We know you got us backed into a corner. So, we have no choice but to comply.

Me: Yeah we don't like it.

Lincoln came back with the dough.

Nico: That was fast.

Lincoln brought back over $500,000,000,000 in cash from the bank.

Big Toe: Well done boy. You got the makings of a good gangster see?

Nico: (Whispering) Lincoln, what exactly is your plan here?

Lincoln: (Whispering) Trust me. Watch.

Pinky Toe: Didn't it feel good to just do whatever you want, even it is only temporary?

Lincoln: It did!

Lincoln winked at me. I knew he has something planned.

Big Toe: Okay. I got another plan see? Yeah. Another plan.

Lincoln was standing in the middle of the train tracks!

Lincoln: Okay why am I standing in the middle of the tracks!?

Big Toe: Okay you stand still see? And you make sure the train stops! Or the fat lady gets it!

Toes: Yeah or the fat lady gets it!

Pinky Toe: Yeah or the fat lady gets it!

Muriel screamed!

HONK!

Muriel: Oh!

Pinky Toe: Relax, you'll be fine! After all, you do have powers, don't you?

Lincoln: Yeah.

Lincoln ate a banana and then Lincoln stood and saw it coming and then the train slowed and then stopped right in front of him!

But then the foot accidentally stepped on a banana peal and then…

CRASH!

He kicked the train far and hard and it crashed into the ground far!

Me: Oops.

Big Toe: Nyah! You dumb kid! You made me kick to hard see!?

Lincoln: Oops.

We went back to the farmhouse.

Big Toe: I've been thinking too small see? So now we're going to pull a big job. A REAL big job. We're going to knock over Florida see?

Toes: Yeah Florida!

Pinky Toe: Yeah Florida! (Puzzled) Where's Florida?

Muriel: But knocking over Florida is against the law! I think.

We then went on to Courage's computer trying to figure out what to do.

Computer: A fungus? Did you think about about regular bathing?

Francesca: It's not us Computer. It's grandpa Eustace that has the fungus.

Computer: I'm not surprised. Well if you all want a cure, you're going to have to bring me a sample.

Lincoln: I'll get it.

Lincoln went downstairs and put on some gloves.

Big Toe: Tampa, Fort Lauderdale, St. Pete, Miami, but not Boca. They can keep Boca. I hate Boca.

And he grabbed a piece of the big foot fungus. He went back upstairs.

Lincoln: I got it.

Bai Tza: Good work.

Me: Awesome.

Courage opened the CD drive and put it in. The computer analyzed it and he was disgusted by it.

Computer: YUCH! (Spits it out) PTOOEY! Nasty!

Me: Boy that must've REALLY Left a bad taste.

Computer: It did. There's only one cure for that: dog spit.

Courage was afraid he was gonna have to lick the foot to cure Eustace.

UH OH!

Computer: Work up a good drool baby.

Nico: Wait. Isn't Big Toe Alex's archenemy?

Lincoln: Yes but this is a different version of him.

Qin: Oh.

Courage: I just know that this is going to leave a bad taste in my mouth.

Lana: Don't worry Courage you won't have to lick the foot.

Lana took Courage and rung him out like a towel and put a huge amount of his spit in a bucket. She put him down.

Lana: Sorry about that Courage. But this is all we need.

Courage: That's all right Lana.

Francesca: Lets do this.

Nico: Lets do it!

Bai Tza: Yeah.

We go downstairs.

Big Toe: Then the Brass Ring, The Pot of Gold, The Big Bazoolie, The Burt Reynolds Dinner Theater.

We then drenched the fungus in the spit and then Eustace emerged from the dissolving fungus and he had bubbles popping all over his head and he was severely weak, dizzy and disoriented.

Eustace: (Groaning) Wool… Socks.

Bai Tza: That did it guys!

Nico: YEAH!

Xenia: That was awesome!

Lola: Cool!

Muriel: Oh thank you everyone! I thought I was going to be squished.

Nico: You're welcome.

Laney: WHEW!

Nico: Weird thing is no one's transforming yet.

Qin: I know.

Muriel: I'm sorry you had to steal all that money.

Lincoln: It wasn't really all that money. It was all of our dirty laundry.

Lincoln pulled out the big bag he had with him and it was full of our underwear and unmentionables.

Lincoln: I secretly pulled out a bag of all that to fool them.

Me: Lincoln you sneaky dog.

Laney: Nice job bro!

Nico: Lincoln, I know how easy it is to do whatever the Hell we want with our powers. But then, we really would be no better then those scumbags we take down.

Lincoln: That is true. That's why I came up with this plan.

Nico: Very crafty.

Laney: That was so crafty though.

Qin: It sure was.

Nico: But we're not done yet.

Lincoln: Okay, guys, here's the situation: I just got word from Vypra that an evil version of Shendu is here, and he's causing havoc.

We gasped.

Me: WHOA!

Nico: An evil version of Shendu? Okay, someone must've been messing with black magic and made an evil version of Shendu. You think it's The Evil Queen from Ever After High?

Lincoln: No, it wasn't her. I sensed how that evil version of Shendu was created, and I found out that it along with evil versions of Dai Gui, Po Kong, Tso Lan, Bai Tza, and Hsi Wu were created as part of a contingency plan by those sore losers, The Chernabog Sisters, in order to get revenge for what The Emperyous Sisters and I did in killing them last year.

We gasped.

Anna Anyanova: When Selene and her sisters find out about this, they're going to be pissed. I can't believe Adrastea and her insane demonic sisters created those evil versions of The Demon Sorcerers as part of a contingency plan they had, in case they get erased forever.

Lincoln: Well, either way, Anna. We're going to destroy Evil Shendu today, and it'll serve as a warning to the evil versions of Dai Gui, Po Kong, Tso Lan, Bai Tza, and Hsi Wu that we're coming for them, and I sensed it. Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon, just like with Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, Sunny, Izzy, Pipp, Zipp, Hitch, and Misty, you're also going to transform into your most powerful and ultimate transformations, just like when J.D. and I ascended.

Apple Bloom: Yeah, I felt it for myself.

Scootaloo: Same here.

Sweetie Belle: Me too.

Diamond Tiara: We've got to hurry and destroy Evil Shendu before he causes anymore damage.

Kendra: If I know him all too well, he'll no doubt come after us.

Lincoln: That was put into his mind thanks to Adrastea and her insane demonic sisters. (Senses for Evil Shendu) AHA! Gotcha, you evil dragon. He's 200 clicks north of our location and he's now coming after us. But, head's up, gang, Pablo and Anderson have sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Evil Shendu.

We left the farm to find him.

Suddenly, we saw a massive fire blast heading right for us, but we absorbed it and it made us much stronger than ever.

Me: Yep, there's no mistaking that blast of fire from anywhere.

Then, we saw our target emerge, it was Evil Shendu. He continued firing blasts of fire at us, but we continued absorbing them, and the blasts were making us even stronger than ever.

Evil Shendu: No, how is this possible?! What are you?!

Lincoln then fired a blast of rainbow fire which hit Evil Shendu and he got burned badly by the purity of the rainbow fire blast.

Me: People you pissed off for far too long Shendu!

Bai Tza: Is it wrong that I might enjoy this?

Me: You did want to get some payback in on your brother for a long time.

Bai Tza fired waves of water and they went down his mouth and steam came out of him.

Apple Bloom: Nice shot! You got him! Now, it's our turn.

Suddenly, the colored eyes of Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon turned into neon colors and they were surrounded by colored energy auras with elemental forces, magic, and Alicorns, they unholstered their massive greatswords from their backs, and as they approached Evil Shendu, they left colored energy, elemental forces, magic, and Alicorns with every step.

Apple Bloom: You may look just like Shendu and possess all his powers and abilities.

Scootaloo: But, in truth, you're nothing compared to the real Shendu.

Sweetie Belle: Yeah, you're nothing more than a cheap imitation.

Diamond Tiara: A cheap imitation created by The Chernabog Sisters in their contingency plan to get revenge on us from beyond the grave.

Silver Spoon: And that's something we can't stand.

Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon: And now, The Cutie Mark Crusaders will make you pay for this, you spawn of The Chernabog Sisters!

Suddenly, Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon were surrounded by six massive vortexes of colored energy with elemental forces and magic surrounding the vortexes, there are Alicorns flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at Evil Shendu: the red eyes of eternal death.

Suddenly, The Unity Crystals on my Universal Eternal Celestial

We were amazed at the Super Angel-Cutie Mark Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformations of Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon, but when Evil Shendu saw it, he flew into a rage and fired more blasts of fire at them, but they absorbed the blasts and it made them stronger than ever, and they fired energy blasts which hit him and sent him flying into a wall, he got back up, but this pissed him off.

Kendra: Yeah!

Me: This is gonna be fun!

Kendra: It's only fitting I transform here.

Suddenly, Kendra's purple eyes turned neon purple, and she was surrounded by a red energy aura with stars, earth, fire, and cyclopes, she unholstered her massive Armorsight's Firestorm Cyclops Broadsword of Fire Justice from her back, and as she approached Evil Shendu, she left red energy, stars, earth, fire, and cyclopes with every step.

Kendra: You really are nothing like the real Shendu, he has honor, but you, you're nothing more than a construct and cheap imitation created by The Chernabog Sisters, and now, I'm going to put an end to you once and for all.

Suddenly, Kendra was surrounded by a massive vortex of red energy with stars, earth, and fire surrounding the vortex, there are cyclopes and Stonebiter flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Evil Shendu: the red eyes of eternal death. Then, as the vortex faded, Kendra emerged, but she was changed forever.

We were really amazed by Kendra's Super Angel-Underground Girl-Stonebiter-Cyclops-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Evil Shendu saw it, he roared with rage and fired fire blasts at her to kill her, but she absorbed them and she became much stronger than ever, and she fired a massive barrage of red and purple energy blasts, stars, earth, fire, and cyclopes at Evil Shendu, and he got burned badly and hit hard by the barrage and was forced back, he got back up, but now, he was mega pissed off now at us!

Kendra: (Divine Echoing Godly Voice of The Star Fire Earth Underground Cyclops Angel and Divine Star Cosmic Fire Earth Underground Cyclops Angel Hope) You really are insane if you think you can try to attack me like that.

Lincoln: But, either way, he's pretty much done for. Now, let's destroy him once and for all!

Kendra ran at Evil Shendu.

She then fired waves of fire and blasted him all over the place.

The Cutie Mark Crusaders flew at him and bashed and pulverized him all over!

Cutie Mark Crusaders: SHADOW CLONES!

They formed a massive army of clones!

Cutie Mark Crusaders: (PUNCHING AND PULVERIZING EVIL SHENDU) CUTIE! MARK! CRUSADERS 5K MEGA BARRAGE!

They used a move based on Naruto's Uzumaki Barrage move and smashed down Evil Shendu!

Nico: WHOA!

Me: That was AWESOME!

Eli: YEAH!

Me: Naruto would love to see that!

Evil Shendu: How are you hurting me?!

Kendra: Let's say I had lots of practice.

Qin: YEAH!

Kendra kicked him in his face and bashed him in his stomach all over!

I fired waves of energy and blasted Evil Shendu all over in fiery explosions!

MASSIVE FIERY EXPLOSIONS!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined The Cutie Mark Crusaders and Kendra, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, you cheap creation of The Chernabog Sisters, now we're going to extinguish you once and for all!

Lincoln, The Cutie Mark Crusaders, and Kendra went after Evil Shendu, and they fired extremely powerful blasts of rainbow energy, apple red, purple and orange, purple and pink, purple and white, silver and white, and red and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Shendu and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his claws and firing energy slashes from his gold armored claws and he, The Cutie Mark Crusaders, and Kendra attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Evil Shendu off. But, he got hit with a hard punch from Kendra, and it knocked him onto the floor.

Evil Shendu got back up, but he was severely disoriented. He tried to look for us, but he couldn't and it confused him. But, unknown to him, Lincoln was right behind him, and as soon as Evil Shendu had looked behind him, Lincoln grabbed him by his neck with his large left hand, and Evil Shendu tried to fight back, but he couldn't.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Make no mistake, Evil Shendu, you've chosen the fate that awaits you. Now, it's time for you to die, you twisted creation of Adrastea Chernabog.

Lincoln pointed his massive greatsword at Evil Shendu's stomach, and then, it fired a beam of green necromantic energy, and it hit Evil Shendu, and we saw Evil Shendu's body and muscles dry up as Lincoln absorbed his life force, and then, he drops Evil Shendu's dried up corpse onto the ground, and we saw massive streams of flames enter Lincoln. Then, as Evil Shendu's soul appeared, Lincoln drew the Judgement Kanji, and it glowed and the evil version of Shendu was seized by his victims as he was found guilty and sent to The Black Gates for all eternity.

Eli: WHOA!

Nico: There's no mistaking it, Lincoln used Shang Tsung's Soul Drain technique on Evil Shendu and he not only absorbed his life force, but also, his powers over fire.

Me: I don't know how Lincoln knew of that move, but I have a feeling a Guardian Angel of his has the story.

We cheered wildly as Lincoln, Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Kendra holstered their weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, and massive angel wings of The Cutie Mark Crusaders and Kendra are permanent.

Lincoln: And I heard what you said, J.D., and you're right, one of my Guardian Angels did have a hand in this.

Lincoln took out a photo of a girl with long black hair, red hairband, red eyes, red coat with dark red fur for the collar and cuffs, red sleeveless top, red skirt, white cravat, white bridal gloves, necklace with red gem for the pendant, red stockings, black knee-high boots with black butterfly buckles, and massive black angel wings.

Nico: Wow, she's one awesome girl, who is she?

Lincoln: That is Selene Laverna, she's my Guardian Angel from Michigan, she's a very powerful Goth Girl and a very powerful and deadly sorcerer with mastery over all sorts of black magic and powers over fire, along with knowledge of genetics and crafting many artifacts and supernatural weapons. But, she has a very dark secret and a dark past.

Me: What is it?

Lincoln: Selene Laverna is the daughter of Shang Tsung, but she really really hates him with a blazing passion for what he's done over the millennia. Being his daughter, Selene Laverna has all of the very same powers and mastery over all sorts of black magic as Shang Tsung, and that also included the ability to steal souls, but she doesn't have the same curse her father has: the death curse that will cause Shang Tsung to die if he doesn't consume the souls of others to replenish his health and maintain his youth.

We gasped.

Me: OH SHIT!

Nico: OH MAN! MIND… BLOWN!

Eli: Whoa, now that's really really dark. I had no idea that her father is that soul-stealing sorcerer.

Lincoln: I was stumped myself, but she's in every way different from Shang Tsung, and because of it and her hatred for her father, Selene proved to be a very powerful ally as she fought alongside Lord Raiden and the other Earthrealm Warriors against the Outworld Emperor, Shao Khan, her vile father, Shang Tsung, Quan Chi, and Shao Khan's allies, and she had proven to be not only a powerful and deadly fighter, but her cunning was far more powerful than that of her father, and she'd ruined every last one of her father's plans and she also knew of the antagonism of Shang Tsung and Shao Khan because of her father's desire to be the ruler of all realms, so she wanted to see them tear each other apart.

Me: Wow!

Lincoln: And she'd also heard of how we defeated Shang Tsung years ago and sealed him into The Book of Vile Darkness and two years right before the battle against Team Dark Phoenix Storm, we had destroyed Quan Chi and sent him and Shang Tsung who was put in The Book of Vile Darkness to Oblivion, and finally, last year when we destroyed Shao Khan and sent him to The Black Gates, it also sent Shang Tsung and Quan Chi to The Black Gates as well.

Nico: Too bad we didn't meet her when we went after Shao Khan last year, she would've gotten to get payback on him for everything he'd done along with her father.

Lincoln: Yeah, but what's done is done. Selene had taught me everything that she knows in the dark arts and fire and I learned really quickly, and even though she really hates Shang Tsung with a very blazing passion for everything he has done over the millennia, she hates my enemies with a blazing passion and she wanted to blast them with a fire blast and set their butts on fire.

Me: Yeah, she really wanted to do that to Lori, Lynn, Lola, Lisa, and Luan.

Anna Anyanova: And even use her Soul Steal on Chandler, his goons, Flip, Lewis Travolta, Scoots, Pablo, Anderson, Hawk, Hank, Killjoy Huggins, and our many enemies, but she didn't, because she didn't want to be anything like Shang Tsung.

Nico: That's a strong difference between her and her vile father.

Lincoln: She never did like that snake she formerly called her father, and if anyone so much as ever brought that up and tortured her with that fact, they'd face our wrath.

Nico: Yeah.

Kendra: That was fun though!

Nico: Nice job, Kendra.

Kendra: Thanks.

Qin: Yeah!

Xenia: That was fun though.

Nico: Now, onto other business.

Eli: Yep. We have Lloyd Ventrix, Ganigannii, Amaganser, Two-Headed Monster (Adventure Time), Ape Man and Mojo Jojo.

We gasped!

Me: WHOA! So we have Lloyd Ventrix in the M.O.E. Cool! And 2 Monsters from Kamen Rider Super 1!

Qin: Cool!

Lola: And Finn and Jake tole me that the Two-Headed monster was a monster that Finn kicked in the balls.

Qin: OOH! OUCH!

Nico: Yeah.

Maria: This will be fun.

Nico: Who do we call for this?

Me: Kimberly Ventrix for one.

WE GASPED!

Qin: WHOA! So Kimberly is going to be wanting some payback on him for all the trouble her dad gave her and her mom.

Lana: Yeah she has been training really hard to make sure he gets his butt kicked.

Me: WHOA! And I got just the monsters for the other 3. I SUMMON FIRESTORM PROMINENCE, THESTALOS THE FIRESTORM MONARCH AND SOLAR FLARE DRAGON!

In vortexes of fire I summoned said monsters!

Thestalos: This is gonna be fun and cool!

Qin: Yeah it sure is!

Then Kimberly Ventrix came. She had a huge growth spurt since we first met her and she grew into a girl with blond hair and had a pink tank top, pink pants and a pink skirt and had blue eyes and pink shoes and had pink angel wings.

Kimberly Ventrix: Hey guys!

Nico: Awesome timing Kimberly.

Kimberly Ventrix: Boy its been a while hasn't it.

Me: It sure has.

Chloe: Hi. You might not know me personally. But I'm one of the heroes who fought the Akumatized villains those clones were based off of.

Kimberly Ventrix: I know and I heard all about that. That was intense.

Qin: Yeah.

Chloe: It was epic though.

Kimberly Ventrix: Yeah.

Eli: Also the Anothers minus Mojo are all one person.

Qin: Cool cool.

Nico: There they are!

We saw Another Lloyd Ventrix, Ganigannii, Amaganser, Two-Headed Monster (Adventure Time) and Ape Man!

Qin: WHOA!

Lola: This is gonna be good.

Another Amaganser: (In a girls voice) But it will be awesome.

Me: (GASP) That voice! Cierra Clear!

They merged and reverted back and too our shock and astonishment it was a girl what was COMPLETELY INVISIBLE! We couldn't see her at all!

Nico: Where are you?

Cierra Clear: I'm right in front of you. I'm the Gene-slammer of the Clear Monsters and as an unexpected side-effect it made me totally invisible.

Laney: WHOA!

Nicole turned on her infrared vision and it showed that she was completely naked.

Nicole: Oh man she is naked!

Cierra Clear: Yeah the serum that slammed me destroyed all my clothes. I can't control it. No matter how hard I tried I couldn't bring myself to be visible.

Me: I'm guessing Swartz promised to help you with that.

Cierra Clear: Yeah.

Qin: Geez! That is crazy.

Nico: We'll get you clothes.

Me: Sorry we have to fight like this though. By the way is the Another Mojo Jojo friendly or hostile.

Cierra Clear: Neutral. Half Friendly and half hostile. The reason is because she is like Mojo Jojo and she is smart too but doesn't talk like him. You'll see shortly.

Nico: I wonder if it's one of the monkeys he had with him on his first attack on Townsville.

Me: It just might be.

I put on my blind man glasses and the boys covered their eyes.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Another Two-Headed monster: (ROARS) We're evil!

But then…

CRUNCH!

I kicked him square in the crotch!

Nico: (WINCES) OOH!

Another Two-Headed monster: OUR CROTCH! OUR EVIL CROTCH!

They held their manhood!

Nico: Right where the sun doesn't shine!

Kimberly bashed and pulverized the Another for her father and the rest blasted the Anothers and I caught the Wonder Ride Books.

Lola: YEAH!

I snapped my fingers and made Cierra visible and she was a blue hair girl with blue eyes and had the kanji for Clear in the middle of her forehead with a blue jewel imbedded in it and she had blue angel wings and Rarity and the fashion brigade gave her blue clothes.

Cierra Clear: Whoa! I look amazing! Thank you guys.

Maria: Time for backup! (TURNS DIAL) VERTIGO FORCE 6!

She summoned Count Vertigo, Wolfman, Julie Hinikawa, Phantoon, Ghost of Chef Pierre Goulash and Komodo Dragons!

Qin: YEAH!

Me: And just in time too!

Out came Another Mojo Jojo!

Qin: Here we go.

Another Mojo: (In a girls voice) But this is gonna be a most fun one.

Mojo: (Gasp) That voice! I, Mojo Jojo, know it!

She reverted back and it was a sexy girl with black hair and blue eyes and had fur all over her and she had purple clothes. But she did not have her brain poking out of her head.

Mojo Jojo: (GASP) Lava Java!

Nico: WHOA!

Lava Java: Long time no see Mojo.

Me: Wow!

Lava Java: I know what you're thinking. Yes I was an ordinary gorilla. But instead of causing me to have my brain poke out it evolved me and turned me into a Neanderthal with superhuman intelligence.

Nico: Wow! That is quite an unexpected side effect.

Qin: Yeah.

Lava Java: Yeah and I actually ran before the fight broke out with the Powerpuff Girls.

Lola: Whoa that is amazing.

Kaito: (gets out Dairanger gear) Did Swartz promise you anything?

Zocks: (Gets out Kakuranger gear) Because we can grant it instead.

Kaito got a Dairanger sword and Zocks got an Aquitar sword.

Lava Java: No he didn't. He knew I was capable of outsmarting and thrashing him so he sent me on my way.

Qin: Probably because he was terrified of the superhuman intelligence you had.

Lava Java: Yeah you are not kidding there.

Me: Sorry we have to fight like this though.

Lava Java: No worries. I heard that all my fellow monkeys and apes are in the M.O.E. So I'll join them when this is done.

Me: Good idea.

She turned into Another Mojo Jojo!

Sougo: (gets out Dairanger Ridewatch) Mojo's been a good friend to us.

Geiz: (gets out Alien Ridewatch) And wait until you see his other version.

Sougo got RyuurangerArmor while Geiz got AlienRedArmor.

Me: The one we met in the Powerpuff Girls Z universe. He is just as awesome.

Qin: Yep.

Another Mojo: Looking forward to it.

Nico: Time for some ape power! (ACTIVATES MOJO JOJO AND APE MAN'S RIDEWATCHES)

He beat his chest and fired waves of energy and smashed her down.

May: Now for some Uchiha Power! (ACTIVATES DR. CROAKER AND RTN ITACHI'S RIDEWATCHES)

She fired a blast of fire and smashed her down.

Maria: And this! (ACTIVATES NAVY AND BZZT-BOT'S RIDEWATCHES)

She fired energy blasts and smashed her down.

Nico: YEAH!

Miti: And this too! (ACTIVATES APE MAN'S RIDEWATCH)

She fired ice blasts and smashed her down.

Then Juggernaut, Yost Rhino, Another Ex-Aid, Terrashock, Muscular and Corvus Canosus came.

Nico: Nice team Juggernaut!

Juggernaut: Thanks Nico!

Qin: Awesome!

?: I agree!

Then an Overqwil came!

Me: Cool an Overqwil!

Lola: Awesome!

Overqwil: (In a girls voice) This will be so fun.

Nico: Victoria Kirlian!? Whoa!

She reverted back and it was a girl with blue hair and she had purple and blue clothes and had blue angel wings.

Victoria Kirlian: Awesome to see you again Nico. I got this.

She fired a wave of of Aura Lightning and smashed down Another Mojo and I caught the Ridewatch and purified it and I brought Lava Java over.

Qin: Nice!

Nico: Victoria has an awesome and amazing power.

Victoria Kirlian: Yep. It's called Kirliankinesis. It's a mysterious power where I can use my Kirlian Aura as an awesome power.

She formed her Kirlian Aura around her hand and it was surging with intense energy.

Me: WHOA! That is so powerful that you can see it.

Nico: Yep.

Miti: What's your favorite memory of Nico?

Victoria Kirlian: When me and Nico went to a Metaphysical Convention and I showed my Kirlian aura to him.

She showed the picture and it was INTENSELY POWERFUL!

Me: Whoa! That is strong.

Xenia: Wow! Np kidding.

Nico: Yep.

Nico and Victoria hugged.

Nico: I've missed you.

Victoria Kirlian: Same here.

Me: Whoa, this is one spooky and scary planet.

Lincoln: (GASPS) Oh man, I know where we are, we're on Adreana and Arianna Metrodora's home planet, Umbras, and I know what we're going to do here, not only am I going to rescue the four girls here, but I'm going to also meet Adreana and Arianna Metrodora's parents and destroy Adreana and Arianna Metrodora's Bringer of Chaos older brothers, Aabinus and Abanus Metrodora.

Adreana Metrodora: This is going to be so awesome, you're going to meet our parents, Linky, and I should've known Aabinus and Abanus would be our targets.

Arianna Metrodora: Yeah, years ago, those two troublemakers had tried to start trouble with you and they've threatened to break us up and/or kill you.

Lincoln: Which is why when we get after them, I'll do to them what I've done to Pyros' Bringers of Chaos, Hydros' Bringers of Chaos, and Aeros' Bringers of Chaos. There's the castle, let's head in to meet your parents, and then, we get after your older brothers.

We arrived at the royal palace of Adreana and Arianna Metrodora's parents, and we headed for the throne room, and we were greeted by Adreana and Arianna Metrodora's parents: her dad, Kieran Metrodora, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, black hair, purple sclera, purple eyes, massive black angel wings, and he has on black shorts with purple shadows, purple loincloth around the waist with gold belt and purple gem for the buckle, and he has a massive greatsword holstered on his back, and her mother, Kieryn Metrodora, a 7'9" beautiful woman with the body of a goddess, black hair, purple sclera, purple eyes, massive black angel wings, and she has on a purple crop top and black shorts.

Adreana and Arianna Metrodora: Mom, Dad.

Kieran Metrodora: Adreana, Arianna, it's so good to see you here. And you've also brought Team Loud Phoenix Storm with you along with your future husband, Lincoln, right?

Lincoln: Yes, that's correct, Mr. Metrodora.

Kieryn Metrodora: You're indeed everything my daughter says you are, Lincoln, and we can already guess she marked you when you both met again.

Me: Yes, that's right.

Nico: And Adreana and Arianna told us about your other children, your older sons, Aabinus and Abanus, who are going to try to start trouble with him and they've been threatening to break them up and/or kill Lincoln.

Kieryn Metrodora: Yes, that's correct. Adreana and Arianna are also right about calling them bringers of chaos. For so many years, those two have started trouble and caused so much havoc on Aeros, it's not funny, and threatening to ruin the relationship of Lincoln, Adreana, and Arianna and even threatening Lincoln's life, that is truly unforgivable.

Kieran Metrodora: Indeed.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair with two yellow streaks and yellow hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, knights, swords, magic, dragons, light, and angels on the coattails and on the back is Infernoble Knight Roland, Infernoble Knight Captain Roland, Noble Knight Artorigus, and Ignoble Knight of High Laundsallyn, in her right hand is The Sword of Hope and a purple-haired girl with cyan blue streaks and cyan blue hairband, purple and cyan blue clothes with Starlight Glimmer's cutie mark on the purple skirt, cyan blue choker, white bridal gloves, purple unicorn horn on her head, and purple angel wings and they had the four girls with them.

Lincoln: (GASPS) Rachel Roland, Fusion Gene-Slammer of

Infernoble Knight Roland, Infernoble Knight Captain Roland, Noble Knight Artorigus, and Ignoble Knight of High Laundsallyn.

Rachel Roland: Yep, and we got the girls away from Adreana and Arianna's chaotic siblings. Honestly, those two are a bunch of chaos-bringing assholes.

Starlight Glimmer: (GASPS) And that second girl with you, it's… !

Lincoln and Starlight Glimmer: Asteria Astrophel.

Me: You two know her?!

Lincoln: We do.

Starlight Glimmer: I knew her from Equestria, and it was right before…

Asteria Astrophel: Before I moved to Royal Woods. Allow me to introduce myself, my name is Asteria Astrophel, Gene-Slammer of Starlight Glimmer, the Starlight Magic Alicorn and Princess of Empathy, I'm Lincoln's Guardian Angel from Equestria. I'm an astronomer who loves looking at the stars and constellations in the sky and I'm also a very powerful Alicorn and very powerful master of empathy and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a cyan blue neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my purple horn on my head glowed with cyan blue light and it was a sign of true love. Plus, I'm also a dear friend of Starlight Glimmer from long ago and our bond has remained strong to this day, and like Starlight Glimmer, I love looking at the stars and constellations in the night sky, but I also hate Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Asteria had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are.

Nico: What did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Asteria Astrophel: Those five were waiting for Lincoln in an ambush, and then, they'd come charging at him to kill him in another attempt at his life, but I saved Lincoln as I charged in and kicked them into a nearby fence and they got knocked out because of just how strong I am. I dragged them home and told the family of what they tried to do to Lincoln, and not only did they get grounded for a month, but after I sent them running to their room, I put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

We gasped.

Me: The dark sides of Lori, Lynn, Lola, Lisa, and Luan made them truly evil and deranged monsters!

Laney: We warned them numerous times about this, but no, they refused to listen and they had their heads too far up their butts, and I wished someone would come and put those five in their place.

Lincoln: That task was always left to my Guardian Angels to put them in her place. And it's awesome to see you again, Asteria.

Asteria Astrophel: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Starlight, you really have changed a lot since we last met.

Starlight Glimmer: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Starlight Glimmer showed Asteria Astrophel the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Starlight Glimmer helped put her mouth back in.

Asteria Astrophel: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Asteria Astrophel in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with purple gems on the gold lightning bolts and cyan blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Starlight Glimmer: Wow, I knew that was coming! Now, you're part of his harem and are now his future wives. But, I'd save the kissing for later, let's get after Adreana and Arianna's siblings before they get after us.

Kieran Metrodora: They've been sighted 200 clicks from the palace.

Lincoln: Whoa, that was quick!

Kieryn Metrodora: When trouble arises because of any attacking enemies or Aabinus and Abanus.

We headed outside to hunt down our targets: Aabinus and Abanus Metrodora.

Suddenly, we saw the two people who Adreana and Arianna talked about: their two older brothers, Aabinus Metrodora, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, black hair, purple sclera, purple eyes, massive black angel wings, and he has on black shorts with purple shadows, purple loincloth around the waist with gold belt and purple gem for the buckle, and he has a massive greatsword holstered on his back, and Abanus Metrodora, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, black hair, purple sclera, purple eyes, massive black angel wings, and he has on black shorts with purple shadows, purple loincloth around the waist with gold belt and purple gem for the buckle, and he has a massive greatsword holstered on his back.

Aabinus Metrodora: You goddamn stupid white-haired freak, so you're still together with our idiot sisters?!

Abanus Metrodora: We'll kill you, and we'll make that stupid bitches learn their place like the dogs that they are!

Aabinus and Abanus Metrodora marched towards Lincoln with murderous intent to kill him, but before Sebastian could get at them, Lincoln slashed at them with his right hand's gold-armored claws on his fingers!

Aabinus Metrodora: WHAT THE?!

Then, Lincoln fired darkness blasts at them and sent them crashing into a wall!

Abanus Metrodora: Dad, Mom, do something about this insect!

Kieryn Metrodora: No. We've had it up to hear with you two little parasites.

Kieran Metrodora: Your mother, Adreana, Arianna, and I have had it up to hear with you two for the last time. For years, you two have caused a ton of trouble with you two running wild and causing havoc. Lincoln is a wonderful young man and we're proud of Adreana and Arianna getting together with him, and over our dead bodies will we ever let you two get any closer to hurt him!

Aabinus and Abanus were really panicking now: their parents have seriously got them on the ropes now!

Aabinus Metrodora: W-what are you and Mom talking about, Dad? If that white-haired freak marries those bitches, Adreana and Arianna, he'll be part of our family, and we don't want it!

Kieryn Metrodora: We've already seen just what kind of man Lincoln is: he's smart, extremely strong, brave, courageous, manly, and not afraid to stand up for everyone around him. He's already proven himself many times to Adreana and Arianna, and she's always protected him from danger. We already approved of Lincoln even before they came here to Umbras while you two have been running wild without a care in the world and are still causing mayhem and chaos on Umbras. The hell you mean Bringer of Chaos, the only two people worthy of that dirty shameful title are you and Abanus, Aabinus.

Aabinus Metrodora: N-no way!

Kieran Metrodora: We held you both in the same high regard as Adreana and Arianna as part of our family, but what with the chaos and mayhem you've caused on Umbras, and the constant planning of trying to break Adreana, Arianna and Lincoln up and/or kill Lincoln so Adreana and Arianna could suffer from heartbreak of losing the man they love, you two will never be forgiven! You hear me?

Aabinus and Abanus were in shock!

Kieryn Metrodora: And we've also decided on this: you two will forever be disowned and we're cutting ties with you both forever!

Adreana and Arianna Metrodora: Same with me. You two bringers of chaos have caused us enough trouble to last an eternity. Lincoln, would you be so kind?

Lincoln: Gladly.

We saw the sclera of Lincoln's eyes turn purple, his deep sapphire eyes turn deep purple, and the rainbow iris of his Third Eye turn purple, and he also has purple shadow tattoos on his massive muscular forearms: Lincoln's turned into his own Umbrasapien form.

Nico: WHOA!

Kieran Metrodora: This was due to Adreana and Arianna marking Lincoln and Lincoln marking Adreana and Arianna, and he now has his own Umbrasapien form, that's quite impressive.

Aabinus and Abanus Metrodora: YOU'VE GOT TO BE FUCKING KIDDING ME! YOU'RE CHOOSING THAT FREAK OVER US!

Kieran Metrodora, Kieryn Metrodora, Adreana Metrodora, and Arianna Metrodora: WITHOUT HESITATION!

Aabinus and Abanus Metrodora: NOOOO!

Sylvester: All the same, now no one's going to say a kind word to you two moth-munching parasites.

Lincoln then grabbed Aabinus Metrodora's neck with his large left hand and he sucked out his incredibly strong cosmic darkness powers and massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Aabinus Metrodora was now thin as a rake and he didn't have any of his dark powers anymore nor his immortality.

Then, Lincoln grabbed Abanus Metrodora's neck with his large left hand and he sucked out his incredibly strong cosmic darkness powers and massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Abanus Metrodora was now thin as a rake and he didn't have any of his dark powers anymore nor his immortality.

Adreana Metrodora: And not only did you two get stripped of your incredibly strong cosmic dark powers and massive muscle mass, but also, you've been stripped of your immortality since you two were nothing but pure evil.

Abanus Metrodora: YOU BITCH! WE'LL KILL YOU BOTH!

Lincoln fired powerful purple darkness blades from his massive greatsword and they pierced Aabinus and Abanus Metrodora and they exploded and they were both sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Then, Umbras was suddenly beamed to our solar system and is also close by to the World Tree Estate.

Nico: And now, Umbras has been beamed to our solar system.

Lincoln: And put under our protection, and that's another pair of moth-munching parasites will never be part of our family ever. (To Rachel Roland) And it's so good to see you again, Rachel Roland.

Rachel Roland: You too, Linky, it's been a long time.

Lincoln went up to Rachel Roland and he hugged her, and Rachel Roland is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rachel Roland: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Rachel Roland, Fusion Gene-Slammer of Infernoble Knight Roland, Infernoble Knight Captain Roland, Noble Knight Artorigus, and Ignoble Knight of High Laundsallyn she's my Guardian Angel from Michigan and she's a very powerful wielder of fire and darkness magic and a very powerful swordswoman and a powerful member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Rachel Roland is the descendant of Roland.

Me: The Frankish military leader under Charlemagne who became one of the principal figures in the literary cycle known as the Matter of France, but his historical counterpart is the military governor of the Breton March responsible for defending Francia's frontier against the Bretons and was part of the Frankish rearguard killed in retribution by the Basques in Iberia at the Battle of Roncevaux Pass.

Melanie Artorgius: The very one. Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Rachel Roland hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a very blazing passion. One day, Rachel Roland and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and they saw who it was that had triggered the alarm: it was Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, and they brought with them a very massive army of musclebound thugs they hired in a last-ditch effort to destroy them all. Rachel Roland and Lincoln went out there along with the rest of the Knights, and they'd slain every last one of them. It drove them into a blood-crazed fury, but before they could get after them, Lincoln and Rachel Roland fired chains of fire and darkness which bound them and tied them up. Lincoln called his parents and his nice sisters and told them what happened, and needless to say, they wanted their heads on a pike! But, Lincoln wasn't surprised, Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies tried to kill him many times in the past, but in the end, their ultimate plan failed, and not only did Lori, Lynn, Lola, Lisa, and Luan get a severe beating from the nice sisters, Chandler, his goons, Scoots, Flip, Pablo, Anderson, Lewis Travolta, Killjoy Huggins, and Becky Blickensderfer got arrested and sent to jail, or in that unibrow pest's case, sent flying back to Great Lakes City, and to make sure they didn't try to get revenge, Rachel Roland and Lincoln casted a spell to prevent them from coming after the knights because messing with the descendant of Roland and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Lincoln told us everything about what you did, and that was one epic battle you all fought.

Me: They crossed another huge line because of their bloodlust.

Lincoln: You got that right, but karma always gets them back in the worst way imaginable.

Selene Emperyous: Which is basically getting their hides handed to them and brutally beaten up in the worst way imaginable.

Lincoln: Exactly, Selene, and now that you're here, Rachel.

Lincoln went up to and hugged Rachel Roland in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rachel Roland: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Rachel Roland's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rachel Roland: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rachel Roland.

Rachel Roland had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Momoka Taguchi, Akari Mizushima, Hiyori Kojima, and Aoi Hayasaka from Tonari no Love Juice.

Lincoln: Oh wow, it's Momoka Taguchi, Akari Mizushima, Hiyori Kojima, and Aoi Hayasaka from Tonari no Love Juice.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Momoka Taguchi: Yes, we're okay, thanks to you.

Then, when Momoka Taguchi and the other three girls saw who it was that saved them from Aabinus and Abanus Metrodora, Umbras' Bringers of Chaos, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty

Momoka Taguchi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Momoka Taguchi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Momoka Taguchi, Akari Mizushima, Hiyori Kojima, and Aoi Hayasaka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were Adreana and Arianna Metrodora's Bringer of Chaos older brothers, Aabinus and Abanus Metrodora.

But, when Lincoln showed what we did in viciously beating those overgrown musclebound morons down, then, Lincoln grabbed and sucked out Aabinus and Abanus Metrodora's muscle mass, incredibly strong cosmic dark powers, and immortality, and sent them to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Asteria Astrophel, and Rachel Roland have a lot of catching up to do now that they're back in town.

Maria: That's two more moth-munching parasites that you won't ever be related to in the future.

Lincoln: Yep.

Adreana Metrodora: Those two were never our siblings, they're so stuck up, stupid, idiotic, moronic, and selfish, they didn't want me to be happy and delighted in seeing me and Arianna miserable, but what they'd tried to do in trying to make us break up and/or kill you, that really did it!

Arianna Metrodora: Those two ugly pigs with no manners deserved to get their ties cut by Mom and Dad.

Roxanne Lucius: We'll have trouble with my older brothers on Lucius tomorrow.

Lincoln: I'll handle them, Roxanne, right after your parents cut their ties with them as well.

---

After getting rid of Umbras' Bringers of Chaos, Aabinus and Abanus Metrodora, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rachel Roland and Asteria Astrophel saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rachel Roland: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Asteria Astrophel: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Rachel Roland: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Asteria Astrophel: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Rachel, we've already heard from Asteria of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Rachel Roland: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a cacophony of loud bellows and a really loud belch in the air, and we saw who it was coming after us: it was Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, and she had a massive army of thugs with her and they were out to kill Lincoln again, that set us off, and they were out for their last chance of killing Lincoln. We all rode out to give them a final battle and we'd slain every last one of the thugs, then, we turned our attention to Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies and Lynn was already running on all fours like a rampaging bull, and we brutally thrashed Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies. Then, Lincoln chained them up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Leni, Luna, Laney, Lucy, Lana, Lily, and Mr. and Mrs. Loud were absolutely livid at Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies once again, and Leni, Luna, Laney, Lucy, Lana, and Lily pounced on Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, and they brutally beat their butts into the ground and I knocked Lynn out cold before she could fart and let out stinky gas so they can escape from us.

Nico: Jeez.

Lincoln: Yep, then, Lori, Lynn, Lola, Lisa, and Luan got grounded for eighteen weeks and we threw them in a metal container, while Chandler, his goons, Scoots, Flip, Pablo, Anderson, Lewis Travolta, Killjoy Huggins, and Becky Blickensderfer got arrested and sent to jail, or in that unibrow pest's case, sent flying back to Great Lakes City.

Ellie Elsher: But, then, Lynn roared and pounded on the door with her fists trying to break out, and we all proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lori, Lynn, Lola, Lisa, and Luan off and Lori, Lola, Lisa, and Luan screeched like banshees while Lynn roared and beat her chest like a gorilla.

Raven Ghostrick: We were really getting sick and tired of those animals always running loose and trying to kill Lincoln, but we always put them down like the rampaging animals that they are.

Me: The dark side of Lori, Lynn, Lola, Lisa, Luan, and Chandler were and always will be nothing more than trouble and they can never ever be forgiven.

We got a shower, and then, Lincoln, Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Ashe: Whoa, so this is Dolphin Shoals, it truly is beautiful.

Lincoln: It sure is, Ashe, and it's perfect for our first date before Princess Amore's mission. Shall we?

Lincoln, Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl are in your harem.

Ty Lee: Wow, now that's really awesome. Plus, I was also surprised to find out that Aya and Kaguya also had an interest in Lincoln.

Brandon Skellington: Well, he did unite the warlords of Japan, and of course, stop Orochi and when he was brought back by Damian Alaister, restored him to his original self as Yinglong, and send Da Ji, Kiyomori Taira, and the other threats of The Mystic Realm to The Black Gates.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Simulator Ty Lee, Ashe, Aya, Kaguya, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Universe 666 Brit Crust, Universe 666 Tiff Crust, Gala Appleby, Candy Apples, and Rosy Pearl, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure

vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

Later in the simulator it was time for another awesome adventure in the world of Super Mario Galaxy.

Nico: Bowser Jr's Airship Armada is next.

Nicole: SWEET!

Me: Me, May and Maria will go.

Maria: I know we had our turn but it was just so fun.

Carmen: Can I come too?

Maria: Sure sis.

Jeri Katou: And me and Takato will go too.

Nicole: All right then.

Nico: All right.

Laney: Awesome!

Mizore: I might as well go too.

Lola: Awesome.

Camie: Cool!

Nico: All right lets go.

We went into the Simulator and we were on an airship in the middle of a massive platoon of Airships run by Bowser Jr.!

Me: WHOA! Look at all the ships!

Mizore: This is gonna be fun.

Carmen: Yeah it sure will!

Nico: Any advice, Nicole?

Nicole: (On the radio) Not much to give you guys here. Like the first one before you have to get to the main ship at the end. But blast those ships into kingdom come.

Nico: With pleasure.

Me: Lets get them.

We were off!

Me: Okay taste this!

I fired waves of fireballs and blasted the ships and they hit them and exploded into massive fiery explosions!

MASSIVE FIERY EXPLOSIONS!

Nico: Bowser Jr must be on one of these!

Maria: Nicole said that one over there!

She pointed to a big one over in the distance.

Nico: All right then.

We were off and blasted the ships all over left and right.

We landed on the ship and then BOWSER JR. CAME!

Bowser Jr.: (LAUGHS)

Nico: Bowser Jr.! Time for round 2!

Bowser Jr.: Boy you guys sure don't give up! I'll deal with you bozos myself!

Nico: Bring it on!

Bowser Jr: Also, sorry your school got drugs.

Carmen: Well it's Summer Break so thankfully most of us weren't affected. But yeah that guy had a TON of nerve!

May: Boy he sure did!

Mizore: Yeah no kidding! Drugging innocent kids like that!

Me: One of them even tried to strangle me and one kicked Nico in the balls!

Bowser JR: Hey, I know me and Papa are fighting you guys at this period of time. But even we know better!

Me: That's good you do.

Nico: At least one thing is good. Over the course of 38 years you have shown honor when amongst kids.

Bowser Jr.: A compliment I'm sure.

Nico: Yep.

Bowser Jr.: Good. Lets dance bozos! WOOWOWOWOWOWOWOW!

I fired a blast of fire and blasted the ship!

Nico: (gets out Mojo and Grodd's Ridewatches) I'm about to go ape on you!

Nico activated them and then turned into a gorilla and threw coconuts and bananas and smashed him all over.

Mizore, May and Maria fired waves of water and energy and blasted the ship all over!

Nico: YEAH! Take that!

Me: And this!

I fired waves of lightning and blasted the ship!

May: Chill out!

Me: YEAH!

May, Carmen and me fired waves of fire, ice and lightning and blasted the ship all over.

Jeri Katou: (ECHOING) FIST OF THE BEAST KING!

She fired an energy lion blast from her fist and blasted the ship!

Takato: (Echoing) ATOMIC BLASTER!

Takato fired a wave of red energy and blasted the ship all over!

Nico: OH YEAH!

Me: Take that! Wait look!

We saw a Basculegion!

Nico: Cool a Basculegion!

Carmen: Awesome!

Basculegion: (In a girls voice) Okay you turtle! Taste this!

She fired a blast of energy and smashed him all over.

Nico: WHOA! Rin Noralenshikov!

Rika Noralenshikov: (Russian Accent) My little sister!

Lincoln: Go to her Rika.

Rika went in.

Basculegion: Awesome to see you again Nico.

Rika Noralenshikov: Let me do the finisher comrades!

Nico: Go for it Rika!

Rika flew in and fired waves of fire and blasted the ship of Bowser Junior! And then he got away and then the Grand Star came!

Nico: There's the Star!

Mizore: Me, May and Maria will get it!

They went and got it!

YOU GOT A GRAND STAR!

Nico: YEAH!

Basculegion reverted back and she was a little girl at around 10 years old with yellow hair and had purple eyes and had blue clothes with the kanji for Thunder in the middle of her forehead and she had purple angel wings surging with intense lightning.

Rika Noralenshikov: Rin!

Rin Noralenshikov: Rika!

They hugged for the first time in a while.

Rika Noralenshikov: I thought I would never see you again sis.

Rin Noralenshikov: I know. But I'm okay now.

Mizore: What's your favorite memory of Nico?

Rin Noralenshikov: When me and Nico discovered that I am a creature called a Kirlianite.

Shanan gasped!

Shanan: The Kirlianites!? I've heard about them. They are aura lightning elemental creatures from the planet Kirlia in the Pinwheel Galaxy and they are powerful with detecting auras and energy and their power is phenomenal. But their planet was destroyed by Brainiac.

Nico: Yep.

Me: WHOA! That's terrible! And we killed Brainiac!

Carmen: Yeah we sure did!

Rin Noralenshikov: That's good you did. Also another memory is when me and Nico destroyed a cult worshiping the evil demon Abalam and got them sent to the Inferno.

Nico: Yep.

Me: Good riddance. That was awesome though.

Nico: Yep.

Nico and Rin hugged.

Nico: I've missed you.

Rin Noralenshikov: Same here.

Later we were watching TV And then we saw the mascots dressed up in Halloween Costumes. Poromon was a fire fairy, Poliwag was a Fairy, Manaphy was a Mermaid, Horsea was a sea dragon, Jirachi was an alien from another planet and Tentacool was an octopus.

Iormu: What are you guys doing?

Poromon: Going to Halloween Town for some fun.

Me: Cool! I'll go too.

I spun around and dressed up as male version of Nightmare Cadance!

Poromon: Wow! Awesome costume!

Me: Thanks. I am a male version of Princess Cadance's Nightmare Form. I am Prince Heartbreaker!

Lola: Wow! That is awesome!

Xenia: It sure is!

Nico: Was this supposed to be this year's halloween costume?

Me: No. I got many more where this came from.

Poliwag: Cool!

Nico: Yeah!

We were off to Halloween Town.

We arrived in Halloween Town.

Miia: Hey, Jack!

Jack Skellington: Hey guys! What brings you over here?

Me: The Mascots want to have some fun here.

Jack Skellington: That's cool! Always an honor to have our favorite team and mascots here.

Nico: We're glad.

Jack Skellington: What's been new with you guys?

Soundwave (growls): Incident named: School of Drugs!

1h agoSally: Awesome costume J.D.

Me: Thanks. I am a male version of Cadance's Nightmare form. I am Prince Heartbreaker!

Sally: Awesome name!

Jack Skellington: That is perfect!

Xenia: It sure is.

Me: It sure is.

Jack Skellington: What's been new with you guys?

Soundwave: (growls) Incident named: School of Drugs!

Nico: Yeah!

We told them everything and it was horrible!

Sally: That is crazy!

Qin: Yeah it was!

Xenia: That hippie was poisoning all those poor kids.

Varie: But luckily we stopped him and saved them.

Jack Skellington: That's good you all did and the Mascots look so cute in their costumes.

Miia: They sure do.

Me: I know it's not for another 4 more months but the mascots wanted to have some fun.

Jack Skellington: That's all right then. Lets get you trick or treating.

Poromon was eating candy.

Poromon: Great candy!

Jack Skellington: Thanks. It's new Mr. Mind Flavored Gummy Worms.

Poromon: Oh boy!

We laughed!

Me: (LAUGHS) Poromon sure loves that!

Poromon: This is mine!

Nico: (LAUGHS) Yeah!

Me: Poromon still loves the taste of Mr. Mind from when we faced him over a year and a half ago.

Camie: (LAUGHS) That was funny he ate him for dinner back then.

Varie: But it was fitting for him since Poromon is a bird and all.

Applejack: (LAUGHS) Yeah it sure is.

Me: That is true.

Poromon: It sure is. And I love these candies.

Jack Skellington: That was still an awesome and eventful day for us.

Soundwave: Victory report: 100% awesome.

Lola: It sure was Soundwave.

Leni: Can I have some?

Poromon took out a baseball bat in warning.

Nico: Poromon? What did we say about sharing?

Poromon: But Nico…

Nico: (Sternly) Poromon…

Poromon: Okay okay.

She got some from him and tasted them and they were good.

Leni: Oh wow! Awesome!

Lynn: Just be glad it wasn't a gun

Nico: Don't remind me.

Stewie: Boy Poromon is starting to become more prepared in weapons like me.

Nico: No kidding Stewie.

Jack Skelington: And we got these for J.D.

He pulled out a basket and in it was a bunch of Candies for Fire, Water, Air and Earth!

Ember: Candies from Element City!

Qin: Cool!

Me: I got to try this.

I took a fire candy ball and ate it and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I got an extremely powerful fire and power boost from it and it was INTENSELY STRONG! Stronger than eating the hottest peppers in the entire universe.

Me: WHOA! That is awesome!

I tried the water ball next and it popped in my mouth and made me feel like I drank 20 gallons of water.

Me: WHOA! That is awesome! But my stomach is sloshing like a water balloon.

Sally: Rest assured we have no drugs

Me: That's a relief.

Qin: Yeah.

But then a Sneasler came.

Nico: Cool a Sneasler.

Qin: Awesome.

Sneasler: (In a girls voice) (British Accent) I saw the explosion. Are you okay?

Nico: Tanya Weasley!? Wow!

Ron Weasley: (British Accent) Tanya!? What the bloody hell!? You were slammed too?

She reverted back and like all Weasley's she has red hair, Blue Eyes and had a Red shirt and had the Gryffindor Crest on it and she had red and black clothes too.

Tanya Weasley: I sure got slammed too Ron. But I'm okay now.

Nico: Wow!

Xenia: That's amazing Ron.

Ron Weasley: It sure is.

Blaster: What's your favorite memory of Nico?

Me: And I'm guessing it has to do with Hogwarts.

Tanya Weasley: That's right. My favorite is when me and Nico killed Bellatrix's evil sister Helena.

Nico: Yep and she was just as insane as her evil sister.

Qin: I remember that! Nico used a spell on her that banished her to Another Dimension forever.

Xenia: She must've heard about her sister about her sister being killed by your mom back then.

Tanya Weasley: I'm sure she did and I heard about that.

Camie: That was an epic battle from what I heard.

Nico: Yep.

Nico and Tanya hugged.

Nico: I've missed you.

Tanya Weasley: Same here.

But then Ron had his wand pointed and up against Nico's face.

Ron Weasley: If you hurt my sister in any way or form I will petrify you and shatter you.

I pushed his hand down.

Me: Now now Ron there's no need for that. Besides magic doesn't work on us remember? We're impervious to magic.

Ron Weasley: Oh right.

Nico: But you have my word Ron.

Misfire: (to the Mascots) You guys must've eaten a lot of candy.

Poromon: (BELCH) It was delicious!

Qin: (LAUGHS) It sure was.

Me: That was fun guys.

Xenia: It sure was.

Camie: Yep.

We came home.

Me: NOW time for… WHOA! I got to go to the restroom!

I ran fast and then went into the bathroom.

UNZIPS FLY.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

WATER RUSHING OUT!

Me: (EXTREMELY LONG AND BIG SIGH OF RELIEF)

Realistic Waterfalls and rivers were shown as I was letting it all out. That water candy really made me had to go bad!

When I was done I washed my hands and came out.

Me: WHEW! That's better. Now where was I? Oh right. Now it's time to get ready for our mission. It's Princess Amore's big day today.

Xenia: It sure is!

The previous group came.

Duff Killigan: (Scottish Accent) Can me, Anti Wanda, Chemistro, Bonz, Roxy Rocket, Nergal, Rex Goodwin, Raven Branwen, Dr. Polaris, and Felix Faust go with you lads?

Nico: Yes you all can come with.

Qin: Cool!

Xenia: Yep.

Carnivac: Nico, which Gene Slammers do you think you'll meet next?

Nico: Enamorus and Meowscarada.

Qin: COOL! The Love-Hate Pokemon and the Grass Cat Pokemon. I like those two.

Xenia: Same here.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Bathsheba Sherman, the evil 1800s devil worshipper and witch and major antagonist in The Conjuring Universe, serving as the main antagonist of the 2013 horror film The Conjuring, and she's come back from the dead to kill us all in the name of Satan. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this person one bit: the figure we sensed is none other than Bathsheba Sherman, the evil 1800s devil worshipper and witch and major antagonist in The Conjuring Universe, serving as the main antagonist of the 2013 horror film The Conjuring, and she's come back from the dead to kill us all in the name of Satan.

We gasped.

Nico: Bathsheba Sherman, that evil devil worshipper and witch from The Conjuring?! She's returned from Hell?!

Me: That's not good.

Nicholette Torrington: It sure isn't, guys. We've heard about Bathsheba Sherman, in 1863, Bathsheba Sherman attempted to sacrifice her baby to the Devil, but her husband caught her and he saved his baby, and when Bathsheba was exposed as a devil worshipper and a witch, she ran out of the house and climbed to the top of a tree and proclaimed her love for Satan, and she placed a curse that would haunt all those who would take her land. Then, Bathsheba hung herself, committing suicide.

Clara St. Clarice: Bathsheba's spirit continued to reside in the land, haunting her former homestead, and true to her curse, Bathsheba would haunt the families that would dare to move into her house. Bathsheba would torment the family continually, and finally possess the family's mother to kill the children before forcing the mothers to commit suicide.

Bertha Sellington: The spirits of Bathsheba's victims continued to reside in the house, along with her, living in constant fear of her curse. Though the rest of the spirits accidentally cause small trouble, they don't want to harm the Perron family, the family who moved into the house in 1971. This makes Bathsheba appear one night to Christine and Nancy Perron, and then, threaten Christine Perron that she wants Christine, Nancy, Cindy, Andrea, April, Roger, and Carolyn to be dead.

We gasped.

Eli: That witch!

Chloe Terryington: But, her reign of terror would end as Ed and Lorraine Warren would exorcise that serial killing Satanic witch who possessed Carolyn Perron, and Lorraine managed to distract Carolyn by reminding her of a memory she shared with her family, allowing Ed to complete the exorcism, and as a result, Bathsheba was banished from the family and condemned back to Hell.

Diana Darkus: And now, that Satanic serial killing witch has truly come back from the dead, and now, she intends to kill us all in the name of Satan.

Princess Amore: She will never succeed, Diana, we will destroy her by using the one thing that she is forever repulsed by: love.

Lincoln: That's right, since Bathsheba is someone full of hatred and evil, love is a powerful force that'll kill that witch and end her miserable life for good.

Nico: She wanted revenge for the ending of her reign of terror back in 1971, but she won't get that chance whatsoever. Just like Valak, she's going straight to The Black Gates forever. Alright, team, let's go, we're heading to Ever After High to help take down The Evil Queen of that world.

Lincoln: She'll have a more better time serving The Masters of Evil after we defeat her, and once we defeat The Evil Queen and take her down, you're next, Bathsheba Sherman. Raven Queen, hang in there, we're coming.

Princess Amore: That's right, we're coming, just hang in there.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Ever After High to help our friends take down The Evil Queen, and once we got done with taking down The Evil Queen, Lincoln and Princess Amore are going to destroy the 19th century Satanic worshipping witch, Bathsheba Sherman, and condemn her to The Black Gates for the crimes she'd committed against mankind in the 19th Century.

We were off to Ever After High.

---

We arrived at Ever After High.

Anti-Wanda: Here we are, ya'll!

Nico: Yep.

Qin: Wow! Magnificent.

Brittney: It sure is.

Camie: This is amazing.

Xenia: Yep.

Me: And I have a strong feeling that the Dragon Knight Riders will come and help out against whoever the target blocking our way to Evil Queen.

Sunstorm: Reminds me of Auradon.

Mal: Boy it sure does.

Lola: Yeah it sure does remind me of that.

Lucy Loud: I agree there.

Qin: Yeah.

Me: I was just going to point that out.

Cerise Wolf: Hey guys!

Lincoln: Hey Cerise!

Raven Queen: Hey guys!

Lincoln and Cerise hugged.

Raven Queen: You all made it!

Me: We would never miss out on this.

Apple White: We all felt enormous massive surges of power being unleashed in many parts of the universe. Are you all okay?

Me: Oh that was me. I was unleashing the ultimate wrath of my ultimate power on many enemies that we hate. Trakeena, HIM, Evil Sasuke, many people we loathe.

Xenia: Yeah.

Camie: Yeah it was epic.

Ashlynn Ella: Wow that is cool!

Qin: It sure was.

Apple White: (to Cinderella) It's good to see you again, Cinderella.

Cinderella: Same here to you Apple.

Bonz: We knew we had to bring her along.

Nico: We brought all the princesses along.

Qin: Yep.

Raven Queen: Awesome.

Me: You haven't had any problems with Twisted versions of your mothers around here lately have you?

Duchess Swan: No we haven't seen anyone like that.

Allie Knudson: That's good.

Lola: Yeah we don't want to deal with that right away.

Nico: May we come in?

Cerise Wolf: Sure.

We went in and sat down with them.

Me: First off we owe you guys big time for helping us with Gabi.

Cerise Wolf: No problem.

Duchess Swan: That was awesome.

Amore: It sure was.

Maria: You know she was a spy for us, right?

Raven Queen: Yeah she told us. So we went easy on her.

Me: That's a relief.

Misty Brightdawn: The same thing was for me when I was working with Opaline.

Me: It was like with what happened with Team Dark Phoenix Storm.

Raven Queen: Wow! I heard all about that. That was so amazing.

Xenia: Yeah it sure was.

Lucille Loud: (Scottish Accent) Aye. It was a really fun adventure.

Xenia: It sure was.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon:: (to the Ever After High Students) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Supernova Zap: (laughs) At least yesterday hasn't changed this

Raven Queen: (LAUGHS) But Poromon is so cute in that costume.

Qin: Yeah he sure is.

Me: Yeah and Poromon comes in to your house and gives beer to good boys and girls.

We laughed!

Xenia: (LAUGHS) He calls himself the Beer Fairy.

Camie: (LAUGHS) It's cute.

Cerise Wolf: Yeah.

Poromon: Yeah I agree.

Apple White: Poromon we can't drink beer. We're not that age yet.

Poromon: Oh right.

Me: Luckily I brought a safer alternative.

I pulled out my cooler and gave them root beer.

Apple White: Root Beer! Awesome!

I opened the bottles for them.

Raven Queen: Thanks.

They drank it.

Ted: I'll have that beer Poromon.

Poromon: Thanks Ted.

Poliwag did puppy eyes.

Nergal: Yeah, this is a second attempt,

Me: Poliwag you know the Puppydog Eye trick is not going to work.

Poliwag: Darn.

Raven Queen: What was the incident she mentioned?

Me: We saw a hippie poisoning kids with beer and drugs and it was crazy.

Nico: Yeah no kidding there!

Eli: He was part of a cult that was trying to "Get Kids to Be Free" by using drugs.

Xenia: Yeah it was crazy.

Me: It was a complete shitfest.

Apple White: What did the intoxicated kids do to you guys?

Nico: One drunk kid threw up on me!

Me: One tried to strangle me.

Qin: Another tried to flirt with Maria.

Xenia: Another kicked Nico in the balls and beat him on his head.

Apple White: (WINCES) Ouch!

Xenia: Yeah.

Nico: The kid that tried to strangle J.D. accused him of taking his baby!

Brian: Yeah Peter Griffin said that when he was on Crack.

Xenia: That was crazy.

Brian: But he was just hugging a seat cushion from a couch.

Lola: Yikes.

Me: But we got the cult leader arrested and cured all those kids.

Nico: Yep.

Eli: Yeah.

Nico: The kid that beat me up accused me of stealing his purse!

Lola: And that kid didn't even have a purse!

Qin: Yeah!

Me: Yeah.

May: We're calling that the school of drugs.

Me: Yep.

Cerise Wolf: Crazy name.

Qin: Yeah.

Me: But if anyone ever does that again I'm gonna shove them down a Super Toilet.

Cosmo: (SCREAMS) SO MUCH CLOGGING!

Sinnertwin: There's a moral to all that.

Me: Drugs are Dangerous to the young and never trust a cult of hippies.

Sinnertwin: Amen!

Raven Branwen: Thank God no one died!

Me: No kidding. But look on the bright side. At least it's better than going to see Blood and Honey. (GASP!)

I covered my mouth!

UH OH!

Apple White: I've heard rumors about that. Is it really that bad?

Poliwag: OF COURSE IT IS! (shows trailer close to Apple White's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Apple White turned green in the face!

Apple White: (THROWS UP ON NICO!)

Poromon: (shows trailer close to Raven Queen's face) YOU LOOK AT IT!

Raven Queen: WHAT AN ABOMINATION!

Manaphy: (shows trailer close to Madeline Hatter's face) YOU LOOK AT IT!

Madeline Hatter shattered into a million pieces!

Mevya: (shows trailer close to Lizzie Hearts' face) LOOK AT IT!

Lizzie Hearts: (GASP) OFF WITH ITS HEAD!

Horsea: (shows trailer close to Cerise Hood's face) LOOK AT IT!

Cerise: WHAT A HORROR!

Jirachi: (shows trailer close to Blondie Lockes' face) LOOK AT IT!

Blondie Lockes bursted into tears and they drenched me!

Tentacool: (shows trailer close to Faybelle Thorn's' face) LOOK AT IT!

Faybelle threw up on May!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

THEY SCREAMED IN HORROR!

Brontes: At least we're not talking about drugs anymore.

Volt Luster: We apologize for this.

Apple White: Is that Pooh and Piglet?!

Varie dried me off with a towel and Maria cleaned off Nico and May.

Nico: I'm afraid so.

Me: It's a dark version of Winnie The Pooh. They turned feral and go on a terrible killing spree. All because Christopher Robin went to college.

Xenia: Yeah.

Me: And girls before you ask, NO we are not going to give the people of those movies the Black Gates. Because they are innocent people and we do not harm the innocent.

Blu: I told them that it was best if we sued them for it.

Jewel: Yeah that was a safer solution.

Eli took a broom and dustpan and swept up Madeline Hatter and put her back together.

Madeline Hatter: Thanks Eli. I hate it when that happens.

Eli: You're welcome Madeline.

Apple White: Have any of our respective fairy tales gotten this treatment?!

Felix Faust: Thankfully, no.

Me: No thank goodness.

Qin: And we intend to keep it that way.

Apple White: Good.

Xenia: Yeah.

Roxas: There HAVE been live action versions that are more faithful.

Me: Yep. Those are cool.

Qin: Yeah those are awesome.

Lola: They sure are.

Camie: And they are fun.

Apple White: Courage how did you react seeing the trailer for Blood and Honey?

Courage: I went like this.

Courage's eyes grew and an alarm buzzer was heard and then…

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHH (KOOKABURRA LAUGHS)

He calmed down.

Me: GEEZ!

Qin: That is quite a scream.

Dr. Polaris: Raven, can you give us info about your mom?

Raven Queen: Sure.

She told us everything.

---

The Evil Queen is the main antagonist from Snow White and the Seven Dwarfs and the main antagonist of Ever After High. She is currently in a mirror prison for the crime of overstepping her story's boundaries and trying to take over all of the kingdoms in Ever After High. She famously disrupted Sleeping Beauty's story and invaded Wonderland. She is the mother of Raven Queen.

In "A Tale of Two Tales", she was voiced by Kate Higgins. However, since "Thronecoming", she was voiced by Wendee Lee.

The Evil Queen turns Raven's puppy into a bone rat. She further grooms her daughter to follow in her footsteps by bringing her into her war meetings and teaching her about potions. The Evil Queen encroaches on Sleeping Beauty's story and invades Wonderland. With great effort, she is captured and imprisoned. The Storybook of Legends The Evil Queen has a conversation with Raven Queen from prison via mirror.

---

When she was done we were shocked!

Qin: WHOA!

Raven Queen: Yeah no kidding. She may be like that but she is my mother and I love her.

Red Hood: At least she's not like the one we know and hate.

Me: Yeah that was the one from 1937.

Eli: She was the very first Disney villain.

Raven Queen: Wow! Big difference. But yeah I know.

Aqua: Yeah that was crazy.

Me: There was also one that we faced on Animatron. Her name was Queen Ravenna.

Camie: Yeah.

Raven Queen: Wow!

Apple White: And nice job killing Burns and Crocker.

Rex Goodwin: You must've heard about that.

Apple White: We sure did and we saw the whole thing on TV.

Nico: Word sure spread fast like wildfire.

Carly Atlas: It sure did.

Lola: Yeah.

Camie: Yeah was a fun battle.

Varie: It sure was.

Taro: One of the most fun ever.

Me: And now all the Hitotsukis are in the M.O.E.

Nico: Yep.

Apple White: That is awesome and I'm glad that all the people the Noto turned into Hitotsuki are cleansed.

Me: That is for sure. But it was also really fun battling them.

Quake Woman: You won't have to worry about Dark Eddy either.

Qin: Yeah.

Eddy: I blasted him through his head and heart on Nathalia's first mission.

Me: Eddy used Arnold Schwarzenegger's line from Terminator. (Puts Sunglasses on) (Imitating Arnold Schwarzenegger) Hasta la vista, baby.

Nico: Yep!

Xenia: That was awesome.

Lola: Yeah.

Roxy Rocket: Well, time for the usual battles.

Me: Yep. Apple you are more than welcome to join the fun.

Apple White: I would be honored.

Xenia: Awesome.

Maria: I'll call it in.

Maria did so.

Then Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost came.

Nico: Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost.

Dirty Bubble: Sorry we have to fight your mom.

Raven Queen: When we find her, don't hurt her too badly, okay?

Swordsman: We promise she'll still be alive.

Me: No promises on how she will be hurt but she will probably end up in a cast.

Pinky: There's nothing heartwarming then someone loving her mother.

Me: Amen to that.

Dr. Destiny: (to Nico) We heard you went to Nowhere.

Nico: We sure did.

Onyx: Did Lincoln really rob a bank?!

Lincoln: We did but it was all a ruse. I didn't really steal any money. I was using all of our dirty laundry.

Me: All of our underwear and unmentionables.

Onyx: Clever!

Starcog then came.

Me: Starcog, back for another round I see.

Starcog: Yep.

Me: Cool cool.

Starcog: So, how was the School of Drugs?

Me: Crazy as fucking shit.

Qin: Yeah. We never want to go through that again.

Lola: Yeah.

Starcog: I don't blame you guys.

We got the battles underway

Raven Queen: That's right!

Me: We're going to stop you Queen.

Evil Queen: I'm actually impressed you all made it this far. And so, I have a little proposition for you.

Nico: What's that?

Evil Queen: It honestly does sicken me that half of the time, the people you all protect have a habit of turning against you. So why not join me? You all tried being the heroes. Maybe it's time for you all to be bad for a change.

Nico thought long and hard about this.

Nico: (making a decision) That IS a tempting offer. But no. Like I said to Lincoln this morning, it would be too easy to do whatever the fuck we want with our powers. But if we did that, then we truly would be no better then guys like Joker and Luthor.

Me: That's right. And like it or not, we have a massive responsibility to do with our powers and that is to defend the entire universe from the evil that plagues it.

Evil Queen: I'm honestly glad you refused. Because now, I can do this! Tengu Warriors!

An army of Tengu Warriors appeared!

Me: Tengu Warriors! Whoa been a long time since we faced them.

POW!

I punched a Tengu!

2003 Raph: (stabs Tenga Warrior with Sais) Your counterpart was a wimp!

Me: Compared to her you have honor and she did not! All she did was run away with her tail in between her legs like a coward!

Princess Amore: Alright, that's it, I've had it up to hear with you to last an eternity, Evil Queen.

Suddenly, Princess Amore's brilliant amber eyes turned neon brilliant amber and she was surrounded by a brilliant raspberry and moderate cobalt blue energy aura with stars, hearts, crystals, crystal hearts, magic, and Alicorns, she unholstered her massive Princess Amore's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice from her back, and as she approached The Evil Queen from Ever After High, she left brilliant raspberry and moderate cobalt blue energy, stars, hearts, crystals, crystal hearts, magic, and Alicorns with every step.

Princess Amore: I will never ever forgive you, Evil Queen, you enjoyed causing nothing more than pain and suffering to too many innocent people and all for your own hatred and sick twisted amusement, you are just as bad as that monster, King Sombra: black-hearted, evil, remorseless, and with an indifference to all life on Earth. And that is inexcusable, as The Princess of Love and Former Ruler of The Crystal Empire, I hereby sentence you to death.

Suddenly, Princess Amore was surrounded by a massive vortex of brilliant raspberry and moderate cobalt blue energy with stars, hearts, crystals, crystal hearts, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a crystal blue phoenix with red eyes glaring at The Evil Queen: the red eyes of eternal death. Then, as the vortex faded, Princess Amore emerged, but she was changed forever.

Princess Amore grew to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing brilliant raspberry and moderate cobalt blue hair and her gold tiara, she has neon brilliant amber eyes and a brilliant raspberry and moderate cobalt blue energy aura with stars, hearts, crystals, crystal hearts, magic, and Alicorns surrounding her, Princess Cadance has an Alicorn with the Crystal Heart on its horn emblazoned on her forehead and Third Eye with brilliant amber iris, she has on Alicorn earrings with pink gems for eyes and the Crystal, Heart, and Eternity Kanjis in its hooves on her ears, she has on her Crystal Necklace of the Buddha with light purple gems embedded on the gold heart links and pink crystals and her Element of Harmony in the center and on the bottom of the Element of Harmony is an Alicorn with pink gems for eyes and holding the Crystal, Heart, and Eternity Kanjis in its hooves for the pendant and white and gold-accented choker on her neck. Princess Amore has on a long sleeveless sapphire blue and gold-laced dress with her cutie mark on it and pink phoenix on it, gold high-heeled shoes with her cutie mark for shoe buckles, and sleeveless long white trenchcoat with crystals on the coattails, and on the back is an Alicorn surrounded by crystals and right on top of its horn is the Crystal Heart. Suddenly, Princess Amore felt a sharp pain on her back, and then, her massive very pale vermillion angel wings with brilliant raspberry and moderate cobalt blue tips on the large feathers grew much bigger for her new body and her brilliant raspberry and moderate cobalt blue curled tail and horn also grew longer. Princess Amore has on her Ring of the Phoenix with large raspberry and cobalt blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Princess Amore's massive Princess Amore's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of brilliant raspberry and moderate cobalt blue energy, stars, hearts, crystals, crystal hearts, magic, and Alicorns, and when it emerged, it's transformed into Princess Amore's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice, it's a brand-new large greatsword with embedded light purple gems and her cutie mark and the Crystal Heart etched on the 7'4" massive, wide, double-edged golden blade, large white Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large white Alicorn heads with golden yellow gems for eyes and a large purple gem on the bottom of the white Alicorn heads for the pommel, she has on her new large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and white gems for the eyes and a large purple gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Princess Amore, Alicorn Princess of Love, Princess of The Crystal Empire, Loving Mother of Princess Cadence, Loving Sister of Princess Celestia and Princess Luna, Loving Mother-In-Law of Shining Armor, Loving Grandmother of Flurry Heart, Amazing and Loving Sister of Twilight Sparkle and Lincoln Loud, Archenemy of SkekSil, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday Twenty-Three and Queen Opaline, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Loving Sister of Raven Queen and Her Friends, and Master of The Crystal Heart, Crystal Magic, and Love"

We were amazed by Princess Amore's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, but when The Evil Queen saw it, she flew into a rage and fired a blast of darkness at her to kill her, but Princess Amore fired a massive barrage of brilliant raspberry and moderate cobalt blue energy, stars, hearts, crystals, crystal hearts, magic, and Alicorns, and they hit The Evil Queen and exploded and sent her back, she got back up, but now, she was infuriated.

Raven Queen: Wow, so that's…?

Princess Amore: (Divine Echoing Cosmic Voice of The Loving Crystal Heart Alicorn Angel and Divine Equestrian Crystal Heart Eternal Love Alicorn Justice) This is my Phase 1 transformation, Raven Queen, to take down The Evil Queen. My Phase 2 transformation is coming up.

Lincoln told them of Bathsheba Sherman, and they were horrified.

Raven Queen: Oh man, so you guys got a 19th Century Satanic worshipping witch who's come back from the dead and is now out to kill you all.

Nico: Yep, wanting to kill us all in the name of Satan.

Lincoln: And there's also this bit of news I forgot to mention: Bathsheba Sherman was brought back by those sore loser Chernabog Sisters.

We gasped.

Me: Why, those sore losers!

Nico: I should've known those sore loser demonic Chernabog Sisters were behind that as well, first, they made those evil versions of Bai Tza, Tso Lan, Shendu, Dai Gui, Xiao Fung, Po Kong, Tchang Zu, and Hsi Wu for one contingency plan, now, their second involved bringing back a 19th century witch and Satanic worshipper. Is there no end to their desire for death and destruction?!

Selene Emperyous: That desire died that day a year ago when we sent The Chernabog Sisters to The Black Gates, now they still want to cause death and destruction from beyond the grave?!

Vorya Emperyous: We'll make sure the last bit of their black magic is brought to an end for good.

Me: Lets dance!

Nico: ATTACK!

We went at her and the Tengus and bashed and pulverized and smashed them all over!

Sunny Bridges: (gets out Lady Wifi's Ride Book) I hope the Wifi Reception here is good. Princess Amore: And I believe we can consider this a mission accomplished.

Nico: My words exactly, Princess Amore. Awesome job, gang, we've taken down The Evil Queen from Ever After High and put her in The Masters of Evil.

Princess Amore: And I believe we can consider this a mission accomplished.

Nico: My words exactly, Princess Amore. Awesome job, gang, we've taken down The Evil Queen from Ever After High and put her in The Masters of Evil.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Bathsheba Sherman.

?: You will all die in the name of the glorious lord of Hell, Satan. (CACKLING EVILLY)

Nico: Whoa, this massive force of hatred, it's unreal, but there's no mistaking it. Come out from the shadows, Bathsheba Sherman, before we blast you out.

A figure came out of the shadows, and it was none other than Bathsheba Sherman, the 19th century satanic worshipper and witch.

Nicholette Torrington: Looks like the spirits of The Netherworld weren't lying, you have returned from the dead, and it was because of those accursed Chernabog Sisters.

Bathsheba Sherman got out a knife and tried to stab Nicholette Torrington in her crazed devotion to Satan, only to be blasted by Lincoln as he fired a rainbow energy blast at her and the positive energy burned her bad, and she growled in anger.

Princess Amore: You should've known better: threatening to attack one of Lincoln's Guardian Angels is unwise and it never ends well.

Suddenly, Princess Amore's brilliant amber eyes turned neon brilliant amber and she was surrounded by a brilliant raspberry and moderate cobalt blue energy aura with stars, hearts, crystals, crystal hearts, magic, and Alicorns, she unholstered her Princess Amore's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice from her back, and as she approached Bathsheba Sherman, she left brilliant raspberry and moderate cobalt blue energy, stars, hearts, crystals, crystal hearts, magic, and Alicorns with every step.

Princess Amore: You are indeed just as bad as they say: you have no love in your heart, and what caused you to cross the line was when you tried to sacrifice your own baby to The Devil, and all for your own hatred and sick twisted devotion to Satan, and even after you died, your curse tormented so many families over the century, you are just as bad as that monster, King Sombra: black-hearted, evil, remorseless, and with an indifference to all life on Earth, and that is inexcusable. Bathsheba Sherman, the crimes you'd committed over a century ago can never be forgiven, as The Princess of Love and Princess of The Crystal Empire, I hereby sentence you to death.

Suddenly, Princess Amore was surrounded by a massive vortex of brilliant raspberry and moderate cobalt blue energy with stars, hearts, crystals, crystal hearts, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a crystal blue phoenix with red eyes glaring at Bathsheba Sherman: the red eyes of eternal death. Then, as the vortex faded, Princess Amore emerged, but she was changed forever.

Princess Amore grew from 7'4" to 7'9" in height, she has gold metal bracers on her biceps and thighs, and she now has eleven large brilliant raspberry orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long flowing brilliant raspberry and moderate cobalt blue hair and her gold tiara, she has neon brilliant amber eyes and a brilliant raspberry and moderate cobalt blue energy aura with stars, hearts, crystals, crystal hearts, magic, and Alicorns surrounding her, Princess Cadance has an Alicorn with the Crystal Heart on its horn emblazoned on her forehead and Third Eye with brilliant amber iris, she has on Alicorn earrings with pink gems for eyes and the Crystal, Heart, and Eternity Kanjis in its hooves on her ears, she has on her Crystal Necklace of the Buddha with light purple gems embedded on the gold heart links and pink crystals and her Element of Harmony in the center and on the bottom of the Element of Harmony is an Alicorn with pink gems for eyes and holding the Crystal, Heart, and Eternity Kanjis in its hooves for the pendant and white and gold-accented choker on her neck. Princess Amore has on a long sleeveless sapphire blue and gold-laced dress with her cutie mark on it and pink phoenix on it, gold high-heeled shoes with her cutie mark for shoe buckles, and sleeveless long white trenchcoat with crystals on the coattails, and on the back is an Alicorn surrounded by crystals and right on top of its horn is the Crystal Heart. Suddenly, Princess Amore felt a sharp pain on her back, and then, her massive very pale vermillion angel wings with brilliant raspberry and moderate cobalt blue tips on the large feathers grew much bigger for her new body and her brilliant raspberry and moderate cobalt blue curled tail and horn also grew longer. Princess Amore has on her Ring of the Phoenix with large raspberry and cobalt blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Princess Amore's massive Princess Amore's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of brilliant raspberry and moderate cobalt blue energy, stars, hearts, crystals, crystal hearts, magic, and Alicorns, and when it emerged, it's transformed into Princess Amore's Eternal Love Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice, it's a brand-new large greatsword with embedded light purple gems and her cutie mark and the Crystal Heart etched on the 7'6" massive, wide, double-edged golden blade, large white Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large white Alicorn heads with golden yellow gems for eyes and Alicorn head with raspberry gems for eyes and a large cobalt blue gem in its mouth on the bottom of the white Alicorn heads for the pommel, she has on her new large gold Bracers of The Champions of The Universe with cobalt blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her Belt of Elemental Bravery with an Alicorn for the belt buckle and cobalt blue gems for the eyes and a large moderate raspberry gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Princess Amore, Alicorn Princess of Love, Princess of The Crystal Empire, Loving Mother of Princess Cadence, Loving Sister of Princess Celestia and Princess Luna, Loving Mother-In-Law of Shining Armor, Loving Grandmother of Flurry Heart, Amazing and Loving Sister of Twilight Sparkle and Lincoln Loud, Archenemy of SkekSil, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday Twenty-Three and Queen Opaline, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Loving Sister of Raven Queen and Her Friends, and Master of The Crystal Heart, Crystal Magic, and Love"

TRUE ETERNAL LOVE ALICORN ANGEL JUSTICE AND DIVINE EQUESTRIAN CRYSTAL HEART TRUE ETERNAL LOVE ALICORN ANGEL LOVE!

We were amazed by Princess Amore's Super Angel-Crystal Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Bathsheba Sherman saw it, she flew into an even darker rage and ran at her with her knife, this time, to kill her in the name of Satan, but Princess Amore fired a massive barrage of brilliant raspberry and moderate cobalt blue energy, stars, hearts, crystals, crystal hearts, magic, and Alicorns, and they hit Bathsheba Sherman and exploded and sent her back, she got back up, but now, she was infuriated.

Raven Queen: Wow, so that's…?

Princess Amore: (Divine Echoing Godly Voice of The Loving Crystal Heart Alicorn Angel and Divine Equestrian Crystal Heart Eternal Love Alicorn Justice) Yes, this is my Phase 2 transformation, Raven Queen, and now, it's time to destroy this foul witch.

Lincoln: We'll make her see that love will always triumph over her hatred.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Princess Amore.

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for over a hundred years, Bathsheba Sherman, now you will pay for everything you've done!

Princess Amore and Lincoln went after Bathsheba Sherman, and they fired extremely powerful blasts of rainbow energy, moderate raspberry and cobalt blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Bathsheba Sherman and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Princess Amore also attack them with punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving her madder than ever. Then, Lincoln made a circle of gold energy with crosses below the witch's feet, and Bathsheba Sherman was bound with gold chains.

Then, all the negative energy and hatred she had was being sucked out of her and it flowed into Lincoln and Princess Amore and it was really making them stronger along with all of us: the hatred she had was so powerful, it lasted beyond her death. Then, Lincoln and Princess Amore fired a blast of rainbow energy which hit Bathsheba Sherman and it destroyed her and sent her to The Black Gates forever. We cheered wildly as Princess Amore and Lincoln holstered their massive greatswords on their backs and powered down, and Princess Amore's new body, clothes, weapons, Third Eye, longer moderate raspberry and cobalt blue tail and pale vermillion horn, and massive pale vermillion angel wings are permanent.

Princess Cadence: That was truly an incredible fight. Mom, you and Lincoln did amazing!

Princess Amore: Thank you, Cadence.

Nico: She's right about what we saw, you and Lincoln showed that Satanic worshipper and witch no mercy whatsoever. She may have had the hatred of God on her side, but you had God's love on your side, and in the end, God's love triumphed over her hatred.

Me: And she paid the price with a one-way trip to The Black Gates for good.

Lincoln: She should've never returned from Hell to continue her murder spree, now she's been erased from existence for good.

Suddenly, we saw the spirits of the families who fell victim to Bathsheba's curse appear before us and they thanked us before they ascended to Heaven.

Eli: Those ghosts, were they…?

Lincoln: The spirits of the families who fell victim to Bathsheba's curse over a century ago, they were trapped with no way out. The only way to free them of the curse was to send Bathsheba to Hell, but thanks to The Chernabog Sisters' contingency plan that led to her resurrection, they were still bound to the house.

Me: So, the only way to truly free them.

Nicholette Torrington: Is to send Bathsheba Sherman to The Black

Gates forever, which Princess Amore and Lincoln did. Now, Bathsheba Sherman's curse has been permanently ended, and another contingency plan of The Chernabog Sisters has been foiled.

Lincoln: Yep. Oh, and tomorrow, we're going to meet Selene Laverna, my Guardian Angel whom we talked about this morning.

Nico: Awesome, and if I'm not mistaken, the next Alicorn Gene-Slammer is the Gene-Slammer of Princess Celestia.

Princess Celestia: If that's the case, then, I'll be joining you all on your rescue tomorrow, Lincoln.

Lincoln: Awesome.

Jet: Your mom's a part of our ranks now.

Waffle Woman: We just need to find an archenemy for her.

Rojo: (to the Dragon Knight Riders) You guys helped too.

Kit Taylor: We sure did.

Me: We owe you big time Kit. Xaviax better start praying because I have 15 years of new powers and strength to unleash on him.

Kit Taylor: You got that right.

Apple White: We'll see you in 7 days.

Kit Taylor: Looking forward to it.

They both fist bumped.

Carmen Dillo: This calls for a celebration!

Box Ghost: At the cafeteria!

Nico: Yep. Great job today everyone and Princess Amore completed her awesome mission.

Xenia: She sure did.

Raven Queen: This was so fun.

Princess Amore: It sure was. (To the viewers) Fairy Tales are always fun and cool. And they fuel our imaginations and make us go to awesome places.

Xenia: You got that right.

Nico: Yep.

We had an awesome meal in the cafeteria and later got all the Ever After High girls and students settled in and then we enjoyed the rest of the day and went to sleep.

It's going to be funny. And we're going to battle Chester the kid hating jerk that we killed for that Cannibal restaurant and he made a Tengu Shredder Robot and he is going to try and kill us to get revenge. Also VINYL SCRATCH AND RICE ARE BOTH GOING TO TRANSFORM AGAINST HIM AND THEY ARE GOING TO RIP THAT MONSTER TO SHREDS AND IT'S GOING TO BE GOOD DESTROYING HIM! Also we're going to battle La·Doldo·Gu, Go·Buuro·Gu, Go·Bemiu·Gi, Go·Gamego·Re, Go·Gadol·Ba, Xu·Vazuu·Ba, Me·Vagis·Ba, Me·Galme·Re, Me·Gadra·Da, Me·Geega·Gi, Strongest Inhumanoid Gran Zairus, Reaper Chronos, Salamandra, Bat Franken, Centipede Youkihi, Alseides, Mach Achilles, Psyco-Rogue, Abysshammer, Abysslasher, Scorpion Man, Sarracenian, Mantis Man, Shinigami Chameleon, Shinigami Chameleon, Wasp Woman, Gebacondor, Yamogerus, Tokageron, Sabotegron, Pirazaurus, Hitodanger, Yost Rhino and Juggernaut. Also we're going to meet a gene-slammer for

Enamorus and her name is Aphrodite Selton and she is the sister of Volcana and is a powerful master of love and hate and has fire and crystal powers.

The match-up scene is for Margaret Desroches, Gene-Slammer of Alien Shocktrooper and Alien Infiltrator, and she and Lincoln are going to destroy Aligned Airachnid, who's come back from the dead seeking revenge on us.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Roxanne Lucius' home planet, Lucius, and and not only is Lincoln going to meet Roxanne Lucius' parents, but he's also going to destroy Roxanne Lucius' Bringer of Chaos siblings, Lucio and Lucian Lucius. And we're going to meet Selene Laverna, she's Lincoln's Guardian Angel from Michigan, she's a very powerful Goth Girl and a very powerful and deadly sorcerer with mastery over all sorts of black magic and powers over fire, along with knowledge of genetics and crafting many artifacts and supernatural weapons. But, she has a very dark secret and a dark past: she's the daughter of Shang Tsung, but she really hated him with a blazing passion for what he's done over the millennia. Being his daughter, she has all of the very same powers and mastery over all sorts of black magic as Shang Tsung, and that also included the ability to steal souls, but she doesn't have the same curse her father has: the death curse that will cause Shang Tsung to die if he doesn't consume the souls of others to replenish his health and maintain his youth. Selene has fought alongside Lord Raiden and the other Earthrealm Warriors against the Outworld Emperor, Shao Khan, her vile father, Shang Tsung, Quan Chi, and Shao Khan's allies, and she had proven to be not only a powerful and deadly fighter, but her cunning was far more powerful than that of her father, and she'd ruined every last one of her father's plans and she knew of the antagonism of Shang Tsung and Shao Khan because of her father's desire to be the ruler of all realms, so she wanted to see them tear each other apart. She'd also heard of how we defeated Shang Tsung years ago and sealed him into The Book of Vile Darkness and two years right before the battle against Team Dark Phoenix Storm, we had destroyed Quan Chi and sent him and Shang Tsung who was put in The Book of Vile Darkness to Oblivion, and finally, last year when we destroyed Shao Khan and sent him to The Black Gates, it also sent Shang Tsung and Quan Chi to The Black Gates as well. Selene had taught Lincoln everything that she knows in the dark arts and fire and he learned really quickly, and even though she hates Shang Tsung with a very blazing passion for everything he has done over the millennia, she hates Lincoln's enemies with a blazing passion and she wanted to blast them with a fire blast and set their butts on fire.

Along with the next Alicorn Gene-Slammer, her name is Halina Celeste, she's Lincoln's Guardian Angel from Equestria and she's a girl whose love and warmth is as powerful as The Sun and she's also a very powerful Alicorn and very powerful master of The Sun and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave her a purple neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her purple horn on her head glowed with sunlight yellow light and it was a sign of true love. Plus, she's also a dear friend of Princess Celestia from long ago and their bond has remained strong to this day, and like Princess Celestia, she's an amazing girl whose love and warmth is as powerful as The Sun, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Halina had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are, and she saved Lincoln from getting ambushed by those five who went charging at him to kill him in another attempt at his life, but Halina charged in and she kicked them into a nearby fence and she got knocked out because of just how strong she is and she froze them with a blast of magic she fired from her horn. She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, and after she sent them running to their room, she put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

Also we're as I'm sure you have seen we're going to battle Tengu Shredder and we're going to deliver ultimate vengeance on him and end the evil terror of the Shredder once and for all and give that monster the Black Gates forever. It's going to be ultimate payback for his crimes!

See you next time.

Timon: You guys are going to love it Nico.

Pumbaa: Yep and it's going to be so fun for you guys.

Lana: I can't wait to eat some more bugs.

Camie: Yeah!

Lola: Lana sure loves bugs.

Xenia: She sure does.

Cameron: I'm really excited to see what we're going to see.

Lola: Me too.

Fasha: Same with me. This will be fun.

Nico: Cameron, I want to thank you, Juggernaut, and your teams for coming.

Cameron: No problem Nico. This will be so fun and awesome.

Fasha: I'm looking forward to this too.

Nico: Me too Fasha.

Xenia: Yeah.

Nico: I can assure you that you're gonna love it!

Me: Oh I have a feeling I will. And you guys know how much I love a good challenge.

Nico: You sure do.

Xenia: Yeah that will be awesome.

Fasha: I know.

Eli: Yeah. And we can blast Frieza before he destroys the planet.

Xenia: Good idea.

Nico: Yeah.

We continued walking.

Me: Boy yesterday was an awesome adventure.

Nico: It sure was. Evil Queen is now in the M.O.E. And all the Ever After High girls are part of the team.

Camie: That was so fun.

Juggernaut: She's actually adjusting quite well.

Me: That's great Cain. I'm glad.

Juggernaut: Me too.

Qin: Now we just have to find a good archenemy for her.

Xenia: Yeah.

Varie: Yeah.

Me: We'll think of something.

Nico: It was like Auradon all over again.

Lucy Loud: It sure was. Except I didn't lose control of my powers and all that for transforming.

Qin: I remember that.

Me: I remember that too.

Nico: Boy that was crazy. But I agree there. That was cool.

Xenia: Yeah it sure was.

Nico: But it was all really fun and cool.

May: Raven and Evie are getting along swimmingly.

Me: They sure are. The Descendants and the Ever After High kids all have so much in common.

Nico: No doubt about it.

Lola: That is for sure.

Xenia: Yeah.

Camie: So cool.

Eli: I think that is awesome.

Qin: Yep.

We walked on.

Timon: Welcome to our Humble Home.

We saw a beautiful mountain jungle area and it was beautiful and it was right on the edge of Pride Rock.

Nico: WOW!

Qin: So cool!

Nico: Yeah.

Pumbaa: Yep. Home is where your rump rests.

Timon: You are going to like what we have to show you guys.

Nico: A lot of bugs?

Timon: Nope. Even better.

We arrived at a huge ground level pinball machine that Timon and Pumbaa made!

Timon: Welcome to Jungle Pinball!

Nicole: Oh cool! I love this game! I played this with dad all the time and we laughed so hard at everything funny in all this that we wet our pants.

We laughed!

Pumbaa: (LAUGHS) That is awesome!

Timon: Yeah!

Nico: Lets get playin. Since you and J.D. have experiences with this you two will go first.

Nicole: Okay.

Timon: Remember, keep your hands on the flippers and your eyes on the ball.

Pumbaa: Lets rock and roll!

Timon: Have fun!

They got ready.

Nicole: Here we go.

They started.

The pinball bumpers were rocks. We launched the ball and hit the flippers and then launched the ball into the rocks.

SMASH SMASH SMASH!

Nico: OH YEAH! Pumbaa popped out of a trap door and then.

WHAM!

Pumbaa: AHH!

He fell down the door.

Timon popped out of a door and then.

WHAP WHAP WHAP WHAP WHAP!

Timon: YEOWCH!

Nico: (LAUGHS) THAT IS FUNNY!

Lana: (LAUGHS) YEAH!

Then we lit up the GRUB!

Pumbaa: GRUB BONUS! GRUB BONUS!

The bumpers turned into blue mushrooms with yellow spots on them.

Nicole: Yeah!

BAM BAM BAM BAM!

We destroyed the mushrooms.

Lola: OH YEAH! Nice!

But they grew back!

But then I hit the ball and it went down a trap door!

Timon: HOLE IN ONE!

The ball was in a bonus wheel!

Timon: SPINCYCLE!

It picked Extra Ball!

Nico: Extra Ball! Cool!

Qin: Awesome!

The Elephant fired it back and it hit a gorilla!

TOING!

Gorilla: (GROANS IN ANGER)

I then hit the ball and then..

BLANG!

I hit an Anteater!

Qin: OOH! That's gonna hurt!

Eli: That was funny.

Nicole: The Anteater is a very elusive target for this.

Eli: Wow.

I hit a hippo with a bullseye painted on his butt.

Nico: (LAUGHS) Nice!

Then I got another Grub Bonus! 3 Red Ladybugs came out.

Nico: 3 Ladybugs.

Fluttershy: Oh they are pretty.

Qin: Yeah.

BONK BONK BONK BONK!

I bonked the Ladybug in the middle and it flew away.

Nicole bashed the other Ladybugs and they flew away. Then 3 buzzards on nests came.

Lola: Buzzards on nests? Wow!

Nico: Cool!

Qin: Nice.

Nico: So far so good!

Tsuyu: They are really playing good.

Then my ball went into a mud pit and got sucked down.

Timon: Hey! Where'd it go?

It came out of a hole and I hit the ball and it hit the 3 Laughing Hyena bumpers and the H of Hakuna Matata lit up.

Nicole: The 3 Bumpers for the hyenas are for the Hakuna Matata Jackpot.

Nico: Cool!

Eli: So hit them 33 more times.

Nicole: Yep.

We hit them all over and then the letters A-K-U-N-A and M-A-T-A and T lit up.

Nico: One more to go.

I lit up the last A.

Pumbaa came out.

Pumbaa: HAKUNA MATATA JACKPOT!

We cheered!

Nico: Good job!

Nicole: Thanks.

We were really piling up the points!

BONK! GOPHER SQUEAK! HONKHONK!

One gopher was hit and it went down.

Nicole: The Gophers are Bonus Multipliers. The X5 is what you want to get.

Nico: That is cool!

Nicole: Yep.

Eli: So hit 3 of them to light them up.

Me: Yep.

I bashed them and then X2 lit up in a pawprint.

Nico: Oh wow!

Lily: Awesome!

But then GULP!

I got a trap door and went down it. The bonus wheel spun.

Pumbaa: WELL I'M GETTING DIZZY!

LOCK BALL!

The ball was locked.

Nicole: Get three balls locked and it's multiball.

Xenia: AWESOME!

Nico: Nice!

I did just that.

Pumbaa: MULTIBALL!

ELEPHANT TRUMPET!

Nico: Here they come guys!

WE HAD 4 BALLS ON THE FLOOR!

Nico: Here we go!

We were bashing targets all over and the points were really piling up!

WHAM BLAM SMASH BAP BLANG BIFF SPLAT WHAP!

The balls were really pulverizing the targets and raking in the points left and right and the Bonus Multiplier was at X5!

Vroon: This is fun!

Nico: I'll say!

Qin: YEAH!

We hit a crocodile, ostrich, gorilla, hyena, anteater, hippo wildebeest, lizard, Timon and Pumbaa and more! Even Pumbaa who had a bullseye painted on his butt!

We got more Grub Bonus' and saw that the bumpers were now bunches of bananas.

We splattered them all over!

Varie: YEAH!

The score was already at 72,323,670 and counting!

Nico: I'm having a blast!

Me: (LAUGHS) ME TOO!

But then our balls went down the hole.

Me: Aw man!

Nicole: Crap!

But then the score totaled up.

DING DING DING DING DING!

The score for this game was 935,923,300 Points! The total was 1,008,246,670!

Timon: YOU'RE THE PINBALL WIZARD!

---

French Narrator: (French Accent) One amazingly funny pinball game later…

---

It was done and we got a grand total of 100,021,325,290!

The match landed on 10.

GAME OVER!

Timon: Unbelievable. You're number one, numero uno, the top of the heap the King of the Jungle Arcade!

We cheered!

Qin: That was so fun!

Lola: Boy no kidding! What a game!

Nico: That was so fun!

Maria: We made the most of it.

Me: We sure did.

Timon and Pumbaa were badly mangled up from all of it.

Xenia: GEEZ You guys have been mangled up bad.

Timon: It's worth it though. But that was really fun though!

Qin: It sure was!

Lola: Yeah!

Lana: Lets go get some bugs for you guys. I'm starving.

Pumbaa: Good idea.

We went and got bugs.

They got to eating bugs.

They were eating and eating and eating bugs all over.

Lana: (Eating the Cream Filled Kind)

Timon and Pumbaa ate too.

They had potato bug salad, pinto beetles, roach dressing, aphids, centipede slaw, French flies, bug chili and more.

Nico: Boy Lana sure loves eating bugs.

Lana: Yep. (Eats Stinkbugs)

Qin: Yuck! Stinkbugs.

Xenia: Yeah.

They were later stuffed as all get out.

Pumbaa: Ahh. (BELCH)

Lana: (LOUD BELCH)

Timon: Whoa nice one Lana.

Lana: Thanks. Man I'm stuffed!

Pumbaa: Me too. I eat like a pig.

Lana: Pumbaa you are a pig.

Pumbaa: Oh. Right.

Lola: That's just gross.

Me: Yeah no kidding but that's how they are.

Qin: Yep.

Lola: But it's funny though.

Xenia: Whew.

Lincoln: Okay, guys, I've got news: we found out that Tengu Shredder's here.

Me: Whoa! We were planning on going after him in the future, but it looks like that time has finally arrived.

Nico: It sure has, awesome!

Lincoln: But, I also found out something else: that kid hating freak, Chester, has come back from the dead.

We gasped.

Lola: What?! So, it's not just Tengu Shredder that we're going to be dealing with, now we hear that kid-hating freak, Chester, has come back from the dead?! We better get every single Kids Next Door operative here at once!

Lola sent a message to every Kids Next Door operative telling them of the news that Chester's back, and they arrived immediately.

Numbuh 362: We got here as soon as possible after Lola sent the message. So, is it true that…?

Lincoln: Yep, Chester's back, and that greedy kid-hating freak still wants revenge on us. But, this is going to be awesome, we're going to destroy Tengu Shredder and Chester and give them both The Black Gates, and I sensed it. Vinyl, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, Sunny, Izzy, Pipp, Zipp, Hitch, Misty, and The Cutie Mark Crusaders, you're also going to transform into your most powerful and ultimate transformation, just like when

J.D. and I ascended.

Vinyl Scratch: You're right, I feel it, Linky.

Lincoln: And I also sensed that Rice is also going to transform as well. Now, let's get after Tengu Shredder and Chester and send those two to The Black Gates. (Senses for Tengu Shredder and Chester) AHA! Gotcha! They're 200 clicks north of our location and they're now coming after us. But, head's up, gang, Flip has sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THAT STUPID MUTANT INTO A BLOODY STAIN WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Tengu Shredder and Chester.

Nico: Lets go.

Eli: I don't sense any evil life force from the Tengu Shredder.

Qin: Wonder what that means.

Lola: We'll find out.

We went to face him.

Camie: Who is Chester?

Me: One of the most despicable kid hating Adult Villains ever that Sector V faced.

I went over his history.

---

Chester is a man who has been seen conducting various money-making operations at the expense of children. Unlike most other villains, Chester's character and actions lack a consistent "theme" and vary wildly between his appearances, aside from his greed.

He first appeared in Operation: C.A.M.P., in which he is the counselor of "Camp Lemmeouttaheah", where kids were brainwashed into making wallets and lanyards for Chester to sell, using them as slaves. With the help from their new teammate Bradley and his parents, the KND defeated Chester and set the campers free.

In Operation: F.A.S.T.-F.O.O.D., Chester enacts what is undoubtedly his most despicable plan ever (and possibly the most gruesome operation of any villain in the entire series): opening a fast food restaurant called Burger Frenzy, where kids visiting the restaurant are captured and used as the meat on burgers (a la Texas Chainsaw Massacre) which are then sold to sharks. This horrific plan was stopped by Kuki during her birthday "mission" of picking up lunch.

In Operation: U.T.O.P.I.A., Chester creates the "Happy Headband", which traps the victim in a virtual reality in which they experience a personal paradise. However, the device can be adjusted to turn the dream "sour". He intended to sell it to parents as a product designed to keep children under control. The Happy Headband was tested on Nigel Uno, who eventually escapes using the jet boots he is wearing in real life. He then puts the Happy Headband on Chester. In Chester's fantasy, he has defeated Numbuh 1 and finds himself in a room surrounded by a cheering crowd of his fellow villains. Mr. Boss then awards Chester a check for "a buhmillion dollars" for his victory. At the end of the episode, Wallabee turned the dial to Sour at which point Chester realized that he was wearing his own headband.

In Operation: S.A.F.A.R.I., Chester disguises himself as "Dr. Phineas Sharp", a doctor who gives vaccination shots for "Moosebumps". He used Nurse Jumbo, a needle-hating elephant who quit working for Chester after receiving repeated vaccinations by mistake due to Chester's poor aim and Nigel Uno's quick foot work. However, the shots he gives actually cause Moosebumps, which literally turns the victim into a moose. Chester intends to saw off the antlers of his victims and use them to make "Chester's Marvelous Moosicles". Though, at the end of the episode, it's revealed the entire turn of events was the paranoid ramblings of Nigel Uno who was trying, and failing, to explain to his mother why he shouldn't get his moosebumps shot. In the final shot of the episode, it's revealed that Chester is the secretary for the real doctor.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: That guy is a monster!

Qin: Yeah he tried to feed kids to sharks after mulching them in a grinder!

Nico: What a jerk! I hate this guy.

Camie: What about the Tengu Shredder?

Nico: That is the Public Enemy Number 1 of the Turtle Brothers and the Ninja Acolytes and the Ninja Tribunal.

Nico went over his history.

---

Oroku Saki, better known as the Tengu Shredder, is the overarching antagonist of the 2003 Teenage Mutant Ninja Turtles cartoon series, serving as the unseen overarching antagonist of the first three seasons, the main antagonist of the fifth season and a minor antagonist in the seventh season. He is an ancient warrior from Japan who willingly merged with a powerful tengu so that he could rule the world. After being defeated and imprisoned, his identity was usurped by the evil Utrom, Ch'rell.

Like the other Shredders in the series, he was voiced by Scottie Ray.

In the 4th century A.D., a tengu demon known as the Shredder appeared out of nowhere and began ravaging Japan in its quest to conquer the entire world and remake it in its image. In order to deal with this massive threat, the Emperor of Japan summoned five of the greatest warriors in the country: Kon, Juto, Chikara, Hisomi, and Oroku Saki. Each warrior was armed with mystical armor, which they used in their battle against the Shredder. Four of the warriors were overwhelmed by the Shredder's might, but Oroku Saki was able to deal heavy damage to the demon before stabbing it in the heart with his sword, causing it to disappear completely. The five went back to the Emperor, who rewarded their victory and bravery by naming them the Five Dragons and giving them the symbol of "Three-Toed Sign of the Dragon", which was an incredibly high honor.

Unbeknownst to them, however, just before Saki finished it off, the tengu contacted him on the astral plane and made him an offer: in exchange for allowing it to survive by merging with Saki's soul, Saki could become all-powerful and rule over all. Saki, who was already hungry for power, accepted the offer, taking the tengu's soul into his own and then finishing off his lifeless husk. Soon after the ceremony, he took on the identity of the Shredder for himself, using his newly-acquired dark powers to destroy the emperor's palace and summon an army of demonic ghosts to aid him in conquering Japan. He even adopted an upside-down version of the Five Dragons' symbol for himself.

In order to combat this new threat, the other Dragons went around the world to learn new skills from mystical masters. In doing so, they evolved from being mere mortals to forces of nature themselves. They then returned to Japan and stormed the Shredder's stronghold to fight their former comrade. At first, Saki was amused by his former friends' defiance, but then found himself overwhelmed by their new abilities. Desperate, Shredder then manifested his avatar form: a demonic dragon to eliminate them. In response, they manifested their own dragon forms and fought back. After a furious battle that destroyed the entire fortress, the Shredder was ultimately defeated and reverted back into his human form.

Despite defeating the Shredder, the four warriors were unable to destroy him. Thus, they sealed him into a coffin where they hoped would remain for eternity, with him swearing revenge just before the lid closed on him. They also divided his power between his body, his helmet and gauntlet and hid all three separately from one another, so even if he was released, he would not be at full strength. To make sure he never returned, the Dragons formed the Ninja Tribunal that taught their secret arts to only the most worthy of warriors. Seven centuries later, the evil Utrom criminal named Ch'rell took on the persona of Shredder, using the legend surrounding it to earn fear and respect. The original Shredder's top minions known as the Foot Mystics wished to revive their old master, but fell under the control of the new Shredder via amulet which was then inherited by Karai upon his defeat.

In the 21st century, the Foot Mystics are unwittingly freed from Karai's control by the Turtles and Agent Bishop,seeking to bring back their master and are displeased that she has taken up his persona. They manage to obtain the gauntlet, helmet and main body after defeating the Ninja Tribunal and bring them to New York where they revive the Tengu Shredder. He decides to get his revenge on Karai for taking his identity and hunt her down in the Oroku Saki Memorial Library. After easily defeating her forces, Karai fights him herself and is able to fight him off with magic-based technology Dr. Chaplin has made but his helmet is knocked off and his face resembles that of Ch'rell's android suit.

This distracts Karai enough for the Tengu Shredder to transform the sword she stabbed him with into a snake monster which he sends to destroy her. Eventually the snake traps Karai against a pillar and the Tengu Shredder attacks her but he accidentally beheads the snake. Angered, the demon warrior uses his magic to pin Karai against a wall and strip her of the Shredder armor. The Tengu Shredder considers letting her live as a slave but the Ninja Turtles interfere, allowing Karai to break free. He summons his army of demons and the undead he amassed over the years, transforming the tower they are in into a graveyard. While his minions hold Karai in place, the Tengu Shredder prepares to finish her off but Chaplain tries to protect her. Seeing he is in love, the demon warlord decides to end this and manages to wound Karai but the Turtles summon their Dragon Avatars to fight the Tengu Shredder, making him and the

Foot Mystics retreat and, looking upon the new modern world, he plans to reshape it and make it his own.

The Tengu Shredder takes control of the Mayor's office, transforming it into his citadel and New York into a world of monsters. Since he needs more energy to complete the transformation, the Foot Mystics have the city officials create keystones in a triangular shape for amplification. The Turtles try to stop the spell but the Tengu Shredder finds out and gives up a large portion of his power to stop their plan so the transformation is successfully strengthened. Seeing the end of the world on the horizon, the Turtles gather together everyone they know for a final battle which includes other students from the Ninja Tribunal and the Justice Force, as well as Agent Bishop, Baxter Stockman and the Purple Dragons. Karai has a means of draining his energy so they can take his gauntlet and helmet which works and Tengu Shredder is rendered unconscious but Hun kicks him to ensure he was done, waking him up.

The Tengu Shredder blasts Hun away and transports Splinter, the Ancient One, and the Ninja Turtles outside and mounts a demonic horse to take them down. After bringing down the Turtles, the Tengu Shredder attacks Splinter when Hamato Yoshi appears from the Turtles' medallions. Taking the Shredder's trident from him, he drives it into the demon warlord's armor, making him lose power. To restore himself, the Tengu Shredder turns New York back to normal and transforms into a dragon with the Turtles doing the same. They continue to battle and the Tengu Shredder proves too strong but Karai begins draining his energy again.

He tries to destroy her but the Turtles get in his way and start fighting back. Eventually, the Tengu Shredder becomes so weak that he returns to human form and desperately launches one last charge but is knocked around so that he loses his helmet and gauntlet. Michelangelo snaps the gauntlet in half and Leonardo stomps on his helmet, rendering both useless. As the Turtles regain their humanoid forms and release Yoshi again, the Tengu Shredder is slashed by him, ending his threat for good.

Back To The Sewer

At some point in the future, the Tengu Shredder is seen fighting the Utrom and Cyber Shredders but it is never explained how the Tengu Shredder returned or why none of his undead Foot Ninjas are present.

---

When he was done everyone that hadn't heard about it was shocked and horrified!

Camie: Oh man!

Me: Yep. And he is also my ultimate archnemesis. I vowed to destroy the Shredder and end Oroku Saki once and for all and banish his motherfucking ass to the Black Gates forever.

Xenia: Yeah.

Laney: But this one doesnt have life force in it.

Nico: You think it's a robot?

Numbuh 1: It's highly possible. Chester is smart enough to build one.

Lola: That is true.

Nico: Yep.

Twilight Sparkle: But you guys destroyed the Shredder didn't you?

Me: Yes we did. But that was Utrom Shredder. That ones name is Ch'Rell. He was impersonating the Real Shredder.

Nico: We banished Ch'Rell to the Black Gates.

Me: And shockingly he was the first ever Shredder and villain that I destroyed with the Black Gates.

Qin: I remember seeing that.

Lola: That was awesome!

Rice: Destroy the robot right away. Chester's the real threat.

Lola: If it is a robot.

Qin: Yeah. We don't want to complete our mission early.

Xenia: Yeah.

?: YOU STUPID KIDS NEXT DOOR AND TEAM LOUD PHOENIX STORM, YOU HAVE RUINED ME!

We then saw Chester and Tengu Shredder heading right for us, and Chester was outright pissed off at us, they tried to attack us, but Lincoln made a massive barrier made of solid diamond around all of us, but to them, they were still driven by rage and hatred and they continued beating on the barrier, but it wasn't even making a single dent. But, then, we saw the diamond barrier glowing as every blow from the barrier was being absorbed and it flowed into us making us stronger.

Nico: Whoa, what kind of barrier did you make, Lincoln?

Lincoln: It's a combination of a jewel barrier and absorption field, the barrier will not only protect us, but every blow they make, it caused the barrier to absorb all of the negative energy being put into the blows, and it flows into us and makes us stronger.

Me: That's really creative.

Then, Lincoln fired two diamond balls infused with fire energy which hit Tengu Shredder and Chester and not only were they forced back and they got burned.

I fired a blast of energy and it hit the Tengu Shredder and it was REALLY a robot!

Qin: WHOA! It really WAS a robot!

Chester: OH NO! MY ROBOT! NO!

Me: Wow! Very well crafted.

Lincoln fired waves of lightning and electrocuted Chester!

Vinyl Scratch: Nice one, Linky. Now, let's get this bastard!

Nico: You got that right, and that was one nasty shiner you gave him, Lincoln.

Lincoln: And it ended with me using my life-force absorption attack to drain him of his life force and reduce him to a dried-up corpse.

Vinyl Scratch: He was nothing more than a piece of trash, he deserved it big time.

Lola: You got that right.

Suddenly, Vinyl Scratch wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, Lincoln and Vinyl Scratch absorbed the elements and the moonlight and they came back to us as the display vanished.

Lincoln: Now, we can finally consider the most dangerous villains of The Kids Next Door exterminated for good.

Me: Yep, Father, Grandfather, and Chester have been forever erased by The Black Gates for good.

Nico: Yeah.

Me: By the way is the Another Juggernaut friendly or hostile?

Selena Spartacus: Friendly and she is a strong and powerful one.

Qin: Whoa!

Nico: Sorry we have to do this.

Selena Spartacus: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the Anothers!

Nico: GLADIATORS FIGHT!

They went at the Anothers and slashed and destroyed them and I caught their Wonder Ride Books!

Nico: OH YEAH!

Me: Boy it was like living back in the Gladiator era back over 2,000 years ago.

Qin: It sure was!

Xenia: That was awesome!

Me: Yep. Now for Another Juggernaut.

Maria: Time for backup! (TURNS DIAL) MOJO JOJO 6!

She summoned Mojo Jojo, Ape Man, Dr. Croaker, RTN Itachi, Navy and BZZT-Bot!

Qin: YEAH!

Xenia: This will be fun!

Nico: Yep.

Me: Linda is an awesome weightlifting champion and she is stronger than a thousand ox!

Qin: WHOA!

Me: Yep. She can lift over 50,000 tons!

Xenia: HOLY MACKEREL! That's impressive!

Linda Poundstar: Not nearly as much as you can J.D. but yeah.

Kaito: (gets out Zyuogher gear) Did Swartz promise you anything?

Zocks: (gets out Ninninger gear) Because we can grant it instead.

Kaito got a Zyuohger Sword and Zocks got a Ninja Steel Sword!

Linda Poundstar: No he didn't. After he put this ridewatch in me I beat him up to the point where I smashed his skeleton into dust.

Me: WHOA!

Xenia: That is awesome!

Sakura Knudson: Holy crap! That explains why I found Swartz mangled up like that! He was bedridden for over 4 years because of that! The rest of the Timejackers had to train me back then.

Xenia: GEEZ!

Qin: You really did a number on him. That's impressive.

Linda Poundstar: I know.

Me: Sorry we have to fight like this.

Linda Poundstar: No worries. Lets do it!

She turned into ANOTHER JUGGERNAUT!

Sougo: (gets out Zyouhger Ridewatch) You probably heard about Dark Lynn.

Geiz: (gets out Ninja Steel Ridewatch) If not, Lynn herself can explain.

Sougo got ZyouhEagleArmor while Geiz got RedNinjaSteelArmor.

Another Juggernaut: Actually I heard all about it. She was a terror because of that monster.

Me: That is a total understatement. Also there is only room on the Earth for ONE Juggernaut.

Juggernaut: AND I'M THE JUGGERNAUT BITCH!

He ran and smashed her down with a massive ram attack!

Qin: OH YEAH!

Nico: Time for some Smashing Strength! (ACTIVATES JUGGERNAUT AND YOST RHINO'S RIDEWATCH)

Nico grew in muscle and ran and smashed her down.

Nicole: Time for the Goddess of Video Games to shine! (ACTIVATES ANOTHER EX-AID'S RIDEWATCH)

She fired a video game laser and blasted her down!

May: And me too! (ACTIVATES ANOTHER EX-AID AND TERRASHOCK'S RIDEWATCHES)

She fired waves of earth and energy and smashed her down!

Maria: Time for some muscular crow power! (ACTIVATES MUSCULAR AND CORVUS CANOSUS' RIDEWATCHES)

She fired waves of darkness and smashed her down!

Fasha: Feel this power. (ACTIVATES YOST RHINO'S RIDEWATCH)

She fired waves of pink energy and smashed her down.

Then Vulkanus, Suzaku, Heat Thing, Ironclad, Open Roidmude and Yost Juggernaut came.

Nico: Nice team Vulkanus!

Vulkanus: Thanks Nico!

Juggernaut: Hey who is this handsome devil?

Yost Juggernaut: You from the Yost Universe.

Juggernaut: Awesome.

Shanan: Sweet! It's my turn next.

Qin: Yep.

?: Boy that will be awesome.

An Enamorus came.

Me: Cool an Enamorus!

Xenia: Nice! The Fourth Force of Nature.

Lola: Yep.

Enamorus: (In a girls voice) I think this one is asking for a buttkicking.

Nico: Aphrodite Selton!? Whoa!

She reverted back and was a girl with pink hair and pink eyes and had the symbol of Venus in the middle of her forehead and she had pink angel wings and had pink clothes and had a pink bladed sword as well as a bow and arrow set on her.

Aphrodite Selton: Awesome to see you again Nico. I got this.

She fired a wave of energy and smashed her down and I caught the Ridewatch and purified it and I brought Linda over.

Xenia: Awesome!

Aphrodite Selton: Aw yeah!

Fasha: What's your favorite memory of Bokrua?

Aphrodite Selton: Bokrua?

Me: That's his Saiyan name. Nico was born Bokrua on Vegeta.

Aphrodite Selton: Oh right. I forgot about that. My favorite memory is when me and Nico went and destroyed an entire mafia hideout by using my powers to turn them against each other. I used my hatred arrows to get them to kill each other.

Laney: Whoa!

Xenia: Awesome!

Lola: And clever.

Nico: Yep.

Nico and Aphrodite hugged.

Nico: I've missed you.

Aphrodite Selton: Same here Nico.

Nico: Boy this was awesome.

Lola: Yeah it was!

Me: Whoa, this is one awesome bright planet of light.

Lincoln: (GASPS) Oh man, I know where we are, we're on Roxanne Lucius' home planet, Lucius, and I know what we're going to do here, not only am I going to rescue the three girls here, but I'm also going to meet Roxanne Lucius' parents and destroy Roxanne Lucius' Bringer of Chaos older brothers, Lucio and Lucian Lucius.

Roxanne Lucius: This is going to be so awesome, you're going to meet my parents, Linky, and I should've known Lucio and Lucian would be our targets. Yeah, years ago, those two troublemakers had tried to start trouble with you and they've threatened to break us up and/or kill you.

Lincoln: Which is why when we get after them, I'll do to them what I've done to Pyros' Bringers of Chaos, Hydros' Bringers of Chaos, Aeros' Bringers of Chaos, and Umbras' Bringers of Chaos. There's the castle, let's head in to meet your parents, and then, we get after your older brothers.

We arrived at the royal palace of Roxanne Lucius' parents, and we headed for the throne room, and we were greeted by Roxanne Lucius's parents: her dad, Luciano Lucius, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, white hair, yellow sclera, yellow eyes, massive white angel wings, and he has on white shorts with gold lights, white loincloth around the waist with gold belt and yellow gem for the buckle, and he has a massive greatsword holstered on his back, and her mother, Leora Lucius, a 7'9" beautiful woman with the body of a goddess, white hair, yellow sclera, yellow eyes, massive white angel wings, and she has on a yellow crop top and white shorts.

Roxanne Lucius: Mom, Dad.

Luciano Lucius: Roxanne, it's so good to see you here. And you've also brought Team Loud Phoenix Storm with you along with your future husband, Lincoln, right?

Lincoln: Yes, that's correct, Mr. Lucius.

Leora Lucius: You're indeed everything my daughter says you are, Lincoln, and we can already guess she marked you when you both met again.

Me: Yes, that's right.

Nico: And Roxanne told us about your other children, your older sons, Lucio and Lucian, who are going to try to start trouble with him and they've been threatening to break them up and/or kill Lincoln.

Leora Lucius: Yes, that's correct. Roxanne's also right about calling them bringers of chaos. For so many years, those two have started trouble and caused so much havoc on Lucius, it's not funny, and threatening to ruin the relationship of Lincoln and Roxanne and even threatening Lincoln's life, that is truly unforgivable.

Luciano Lucius: Indeed.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a crimson red coat with dark red fur for the collar and cuffs, sleeveless red top, white cravat, necklace with pearls and red gem for the pendant, red skirt, white bridal gloves, black pants, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, Chinese dragons, and angels on the coattails and on the back is a Chinese Dragon, and a girl with long hair with the same colors as Princess Celestia's mane and gold hairband, purple clothes with Princess Celestia's cutie mark on the purple skirt, purple choker, white bridal gloves, purple unicorn horn on her head, and white angel wings and they had the three girls with them.

Lincoln: (GASPS) Selene Laverna.

Selene Laverna: Yep, and we got the girls away from Roxanne's chaotic older brothers. Honestly, those two are still a bunch of chaos-bringing assholes.

Then, Princess Celestia appeared.

Princess Celestia: And the second girl with you… , (Gasps) Halina Celeste.

Lincoln: You know her, Princess Celestia?

Princess Celestia: I do, from Canterlot, and it was right before…

Halina Celeste: Before I moved to Royal Woods. Allow me to introduce myself, my name is Halina Celeste, Gene-Slammer of Princess Celestia, I'm Lincoln's Guardian Angel from Equestria. I'm a girl whose love and warmth is as powerful as The Sun and I'm also a very powerful Alicorn and very powerful master of The Sun and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a purple neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my purple horn on her head glowed with sunlight yellow light and it was a sign of true love. Plus, I'm also a dear friend of Princess Celestia from long ago and our bond has remained strong to this day, and like Princess Celestia, I'm an amazing girl whose love and warmth is as powerful as The Sun, but I also hate Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because I'd seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are.

Nico: What did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Halina Celeste: Those five were waiting for Lincoln in an ambush, and then, they'd come charging at him to kill him in another attempt at his life, but I saved Lincoln as I charged in and kicked them into a nearby fence and they got knocked out because of just how strong I am. I dragged them home and told the family of what they tried to do to Lincoln, and not only did they get grounded for a month, but after I sent them running to their room, I put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

We gasped.

Me: The dark sides of Lori, Lynn, Lola, Lisa, and Luan made them truly evil and deranged monsters!

Laney: We warned them numerous times about this, but no, they refused to listen and they had their heads too far up their butts, and I wished someone would come and put those five in their place.

Lincoln: That task was always left to my Guardian Angels to put them in her place. And it's awesome to see you again, Halina.

Halina Celeste: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Princess Celestia, you really have changed a lot since we last met.

Princess Celestia: Indeed I have, Halina, and there's a lot of things that you should also know about ever since you were gone, and many of them had happened to me.

Lincoln told her of how Princess Celestia was reunited with her daughter, Amber Morning, and how I brought back her murdered husband, King Solar, and her other daughter, Solar Eclipsa, and that it was Grogar's evil hand that did this.

Halina Celeste: I knew Grogar had a hand in this, he really is nothing more than The Devil Incarnate of Equestria.

Lincoln: Yeah, but we made him pay and sent him to The Black Gates forever.

Suddenly, Lincoln went up to and hugged Halina Celeste in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with purple gems on the gold lightning bolts and cyan blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Princess Celestia: I knew that was coming! Now, you're part of Lincoln's harem and are now one of his future wives. But, I'd save the kissing for later, let's get after Roxanne's siblings before they get after us.

Leora Lucius: They've been sighted 200 clicks from the palace.

Lincoln: Whoa, that was quick!

Luciano Lucius: When trouble arises because of any attacking enemies or Lucio and Lucian.

We headed outside to hunt down our targets: Lucio and Lucian Lucius.

Suddenly, we saw the two people who Roxanne Lucius talked about: her two older brothers, Lucio Lucius, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, white hair, yellow sclera, golden yellow eyes, massive white angel wings, and he has on white shorts with gold lights, white loincloth around the waist with gold belt and golden yellow gem for the buckle, and he has a massive greatsword holstered on his back, and Lucian Lucius, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, white hair, yellow sclera, golden yellow eyes, massive white angel wings, and he has on white shorts with gold lights, white loincloth around the waist with gold belt and golden yellow gem for the buckle, and he has a massive greatsword holstered on his back.

Lucio Lucius: You goddamn stupid white-haired freak, so you're still together with our idiot sisters?!

Lucian Lucius: We'll kill you, and we'll make that stupid bitches learn their place like the dogs that they are!

Lucio and Lucius Lucian marched towards Lincoln with murderous intent to kill him, but before Sebastian could get at them, Lincoln slashed them on the chest with his right hand's gold-armored claws on his fingers leaving claw marks on their chests.

Lucio Lucius: WHAT THE?!

Then, Lincoln fired light blasts at them and sent them crashing into a wall!

Lucian Lucius: Dad, Mom, do something about this insect!

Leora Lucius: No. We've had it up to hear with you two little parasites.

Luciano Lucius: Your mother, Roxanne, and I have had it up to hear with you two for the last time. For years, you two have caused a ton of trouble with you two running wild and causing havoc. Lincoln is a wonderful young man and we're proud of Roxanne getting together with him, and over our dead bodies will we ever let you two get any closer to hurt him!

Lucio and Lucian were really panicking now: their parents have seriously got them on the ropes now!

Lucio Lucius: W-what are you and Mom talking about, Dad? If that white-haired freak marries that bitch, Roxanne, he'll be part of our family, and we don't want it!

Leora Lucius: We've already seen just what kind of man Lincoln is: he's smart, extremely strong, brave, courageous, manly, and not afraid to stand up for everyone around him. He's already proven himself many times to Roxanne, and she's always protected him from danger. We already approved of Lincoln even before they came here to Lucius while you two have been running wild without a care in the world and are still causing mayhem and chaos on Lucius. The hell you mean Bringer of Chaos, the only two people worthy of that dirty shameful title are you and Lucian, Lucio.

Lucian Lucius: N-no way!

Luciano Lucius: We held you both in the same high regard as Roxanne as part of our family, but what with the chaos and mayhem you've caused on Lucius, and the constant planning of trying to break Adreana, Arianna and Lincoln up and/or kill Lincoln so Roxanne could suffer from heartbreak of losing the man she loves, you two will never be forgiven! You hear me?

Lucio and Lucian were in shock!

Leora Lucius: And we've also decided on this: you two will forever be disowned and we're cutting ties with you both forever!

Roxanne Lucius: Same with me. You two bringers of chaos have caused me enough trouble to last an eternity. Lincoln, would you be so kind?

Lincoln: Gladly.

We saw the sclera of Lincoln's eyes turn golden yellow, his deep sapphire eyes turn deep gold, and the rainbow iris of his Third Eye turn golden yellow, and he also has golden yellow tattoos on his massive muscular forearms: Lincoln's turned into his own Lumasapien form.

Nico: WHOA!

Luciano Lucius: This was due to Roxanne marking Lincoln and Lincoln marking Roxanne, and he now has his own Lumasapien form, that's quite impressive.

Lucio and Lucian Lucius: YOU'VE GOT TO BE FUCKING KIDDING ME! YOU'RE CHOOSING THAT FREAK OVER US!

Luciano Lucius, Leora Lucius, and Roxanne Lucius: WITHOUT HESITATION!

Lucio and Lucian Lucius: NOOOO!

Sylvester: All the same, now no one's going to say a kind word to you two moth-munching parasites.

Lincoln then grabbed Lucio Lucius' neck with his large left hand and he sucked out his incredibly strong cosmic light powers, massive muscle mass, and immortality, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Lucio Lucius was now thin as a rake and he didn't have any of his light powers anymore nor his immortality.

Then, Lincoln grabbed Lucian Lucius' neck with his large left hand and he sucked out his incredibly strong cosmic light powers, massive muscle mass, and immortality, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Lucian Lucius was now thin as a rake and he didn't have any of his light powers anymore nor his immortality.

Roxanne Lucius: And not only did you two get stripped of your incredibly strong cosmic light powers and massive muscle mass, but also, you've been stripped of your immortality since you two were nothing but pure evil.

Lucian Lucius: YOU BITCH! WE'LL KILL YOU BOTH!

Lincoln fired powerful golden yellow light blades from his massive greatsword and they pierced Lucio and Lucian Lucius and they exploded and they were both sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Then, Lucius was suddenly beamed to our solar system and is also close by to the World Tree Estate.

Nico: And now, Lucius has been beamed to our solar system.

Lincoln: And put under our protection, and that's another pair of moth-munching parasites will never be part of our family ever. (To Selene Laverna) And it's so good to see you again, Rachel Roland.

Selene Laverna: You too, Linky, it's been a long time.

Lincoln went up to Selene Laverna and he hugged her, and Selene Laverna is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Laverna: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Selene Laverna, she's my Guardian Angel from Michigan, she's a very powerful Goth Girl and a very powerful and deadly sorcerer with mastery over all sorts of black magic and powers over fire, along with knowledge of genetics and crafting many artifacts and supernatural weapons. But, she has a very dark secret and a dark past: she's the daughter of Shang Tsung, but she really hated him with a blazing passion for what he's done over the millennia. Being his daughter, she has all of the very same powers and mastery over all sorts of black magic as Shang Tsung, and that also included the ability to steal souls, but she doesn't have the same curse her father has: the death curse that will cause Shang Tsung to die if he doesn't consume the souls of others to replenish his health and maintain his youth.

Nico: Just like what you told us yesterday.

Lincoln: Yep, Selene has fought alongside Lord Raiden and the other Earthrealm Warriors against the Outworld Emperor, Shao Khan, her vile father, Shang Tsung, Quan Chi, and Shao Khan's allies, and she had proven to be not only a powerful and deadly fighter, but her cunning was far more powerful than that of her father, and she'd ruined every last one of her father's plans and she knew of the antagonism of Shang Tsung and Shao Khan because of her father's desire to be the ruler of all realms, so she wanted to see them tear each other apart.

Selene Laverna: That's right, and I also heard of how we defeated Shang Tsung years ago and sealed him into The Book of Vile Darkness and two years right before the battle against Team Dark Phoenix Storm, you had destroyed Quan Chi and sent him and Shang Tsung who was put in The Book of Vile Darkness to Oblivion, and finally, last year when you destroyed Shao Khan and sent him to The Black Gates, it also sent Shang Tsung and Quan Chi to The Black Gates as well.

Nico: Yep, we finally got rid of Shao Khan, Quan Chi, and Shang Tsung, but we still got some of Shao Khan's old allies to still deal with, specifically Mileena, Reiko, Skarlet, Sektor, Kollector, Bi-Han, Tanya, Rain, Shinnok, and Kronika.

Selene Laverna: Should've known, and I blame Audrey Blade for bringing Mileena back from the dead after what we'd gone through because of her. I had taught Lincoln everything that I know in the dark arts and fire and he learned really quickly, and even though I hate Shang Tsung with a very blazing passion for everything he has done over the millennia, I hate Lincoln's enemies with a blazing passion and I wanted to blast them with a fire blast and set their butts on fire.

Lincoln: And more times than once, she wanted to use her dark arts to really cause trouble for them, but she relented to show that she's not like Shang Tsung, which she's proven more than once.

Selene Laverna: That's right. I proved it more than once I'm nothing like that snake.

Lincoln: He's nothing more than a snake and he always will be, and now that you're here, Selene.

Lincoln went up to and hugged Selene Laverna in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Laverna: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selene Laverna's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Laverna: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Laverna.

Selene Laverna had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the three girls, and when Lincoln saw who they were, they immediately recognized them. The three girls are Hibiki Hirose, Umi Fujijira, and Yuka Inomiya from S-Musume Customize.

Lincoln: Oh wow, it's Hibiki Hirose, Umi Fujijira, and Yuka Inomiya from S-Musume Customize.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hibiki Hirose: Yes, we're okay, thanks to you.

Then, when Hibiki Hirose and the other two girls saw who it was that saved them from Lucio and Lucian Lucius, Lucius' Bringers of Chaos, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty

Hibiki Hirose: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hibiki Hirose: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hibiki Hirose, Umi Fujijira, and Yuka Inomiya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were Roxanne Lucius' Bringer of Chaos siblings, Lucio and Lucian Lucius.

But, when Lincoln showed what we did in viciously beating those overgrown musclebound morons down, then, Lincoln grabbed and sucked out Lucio and Lucian Lucius' muscle mass, incredibly strong cosmic dark powers, and immortality, and sent them to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Halina Celeste, and Selene Laverna have a lot of catching up to do now that they're back in town.

Maria: That's two more moth-munching parasites that you won't ever be related to in the future.

Lincoln: Yep.

Roxanne Lucius: Those two were never our siblings, they're so stuck up, stupid, idiotic, moronic, and selfish, they didn't want me to be happy and delighted in seeing me miserable, but what they'd tried to do in trying to make us break up and/or kill you, that really did it! Those two ugly pigs with no manners deserved to get their ties cut by Mom and Dad.

Margaret Desroches: We'll have trouble with my older brothers on Geos tomorrow.

Lincoln: I'll handle them, Margaret, right after your parents cut their ties with them as well.

---

After getting rid of Lucius' Bringers of Chaos, Lucio and Lucian Lucius, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Laverna and Halina Celeste saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Selene Laverna: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Halina Celeste: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Selene Laverna: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Halina Celeste: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Selene, we've already heard from Halina of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Selene Laverna: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were out for a fun time at Gus' Games and Grub, but then, I sensed that something was heading our way: it was Lori, Lynn, Lola, Lisa, and Luan, and they were out for Lincoln's blood again. I had just about had it with those five again, so I fired five fire skull blasts at those five, which hit them and sent them running for their lives, only to get caught in a web made of blood that Lincoln made and it ensnared them and sent them back to The Loud House, where they got chewed out by the others and they got grounded for a month.

Nico: They had some nerve trying to mess with two experts in magic.

Lincoln: Yep, and we got back home to see Lori, Lynn, Lola, Lisa, and Luan get thrown into a metal container by Luna and she made sure to lock it.

Ellie Elsher: But, then, Lynn roared and pounded on the door with her fists trying to break out, and we all proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lori, Lynn, Lola, Lisa, and Luan off and Lori, Lola, Lisa, and Luan screeched like banshees while Lynn roared and beat her chest like a gorilla.

Raven Ghostrick: We were really getting sick and tired of those animals always running loose and trying to kill Lincoln, but we always put them down like the rampaging animals that they are.

Me: The dark side of Lori, Lynn, Lola, Lisa, Luan, and Chandler were and always will be nothing more than trouble and they can never ever be forgiven.

Raven Ghostrick: And that also proved one thing: messing with the ex-daughter of Shang Tsung is a fatal mistake.

We got a shower, and then, Lincoln, Simulator Serena Tsukino A.K.A. Corina: In the same way we shared our interest in J.D.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

Later we were walking around in the city on patrol when suddenly there was a massive and enormous flash of white light! Then when it faded we saw a huge and amazing sight!

2003 Raph: What the Shell is that?!

Nico: WHOA! Is that!?

Me: Whoa!

We saw ELEMENT CITY! We saw that it was now part of Gotham Royal York!

Ember: It's Element City!

Xenia: WHOA!

Nico: Just like we saw in the movie!

Lola: It's now part of our world now!

Camie: Cool!

Wade Ripple: Awesome! Lets go show you guys home.

Nico: Okay.

We went to Element City.

We got to Element City and it was awesome! We saw Anthropomorphic Elemental Forces of Earth, Air, Water and Fire walking around.

Qin: Wow!

Xenia: This is amazing!

Ember: Boy it's great to be home.

Timon: And just when we got back from our surprise

Nico: Yeah no kidding! This is awesome.

Ember: Come on we'll show you all around.

We walked around Element City and it was magnificent.

---

Element City is the main location from the 2023 Disney/Pixar animated feature film Elemental. It is a city where four different types of residents live together: fire-, water-, earth- and air-people. Each type has a unique appearance, personality, and ability related to its element.

Element City is designed to reflect the diversity and harmony of the four elements, as well as the conflicts and misunderstandings that can arise from their differences. The city has distinct districts for each element, such as the Flare District for fire people, the Splash District for water people, the Terra District for land people, and the Breeze District for air people. However, there are also areas where the elements mix and interact, such as Central Park, the Element Mall, and the Element School.

The city is also rich in culture and history, with various landmarks, monuments, and festivals that celebrate the elements. For example, there is the Element Museum, which showcases the history and achievements of each element; the Element Tower, which is the tallest building in the city and has four sections representing each element; and Element Day, which is an annual celebration of unity and diversity among the elements.

The city is divided into four districts: Firetown, Waterville, Airville, and Earthville. Firetown is a hot and bustling area where fire people live and work. They are passionate, energetic, and adventurous. Waterville is a cool and calm area where water people live and work. They are gentle, flexible, and easygoing. Airville is a windy and lively area where air people live and work. They are creative, cheerful, and free-spirited. Earthville is a green and peaceful area where earth people live and work. They are reliable, practical, and down-to-earth.

The city also has a central area where all four types can interact and enjoy various attractions, such as giant pine-tree-like buildings, waterfall skyscrapers, and a tornado-shaped arena called Cyclone Stadium. The city is inspired by big cities around the globe and embraces theorized contributions from each elemental community.

---

We saw Firetown, Waterville, Airville and Earthville. It was so awesome.

Nico: Boy Ember, Wade, your home town is absolutely amazing.

Lola: It sure is.

Ember: Yeah it sure is home.

Wade Ripple: This is so awesome that you all get to see how we live here.

Aligned Knock Out: This is all fascinating

Nico: It's so awesome here.

Qin: Yeah I'll say.

Ember: We had one important rule though before we became a couple and that is Elements do not mix.

Me: I still think that is a preposterous rule. When elements mix they form new things.

Nico: I agree. Mud is formed from earth and water, steam is made from fire and water, dust from earth and wind, storms from water and wind. So many combinations.

Lola: Yeah.

Ember: That is a pretty crazy rule though.

Lola: I agree.

Ember: Let me show you all my family's store.

Me: Okay.

We went to Firetown and Ember showed us her family's store, The Fireplace and there we met Bernie and Cinder Lumen.

Cinder: Ember!

Ember: Hey mom and dad.

They hugged.

Bernie: It's so good to see you.

Ember: Sorry I haven't been by for a while.

Cinder: That's all right. (See's us) Team Loud Phoenix Storm! What an honor to have you all here.

Me: Pleasure to be here.

Ember: Everyone this is my mother and father Bernie and Cinder Lumen.

Me: Pleasure to meet you both.

Cinder: Same to you.

Qin: Your shop is really awesome.

Cinder: Thank you very much.

Nico: Ember's been a big help to us.

Me: So has Wade.

Cinder: Boy we can tell and we're honored to have them part of you guys.

Me: We are too.

Lola: Yeah.

Me: Also you guys are now with our world now. You are on planet Earth and that big ginormous tree you see there is our estate.

Cinder: Wow! That is amazing.

Me: Yep. Long story.

Ember: I learned so much with the team and it's amazing.

Wade Ripple: It sure is.

Me: Yep.

Ember: Has anything happened while I was gone?

Bernie: Well just this.

We saw a pipe leaking fire.

Me: Oh I got this.

I formed a blowtorch flame from my finger and welded the pipe back together.

Me: There.

Bernie: Wow! You can use fire?

Me: Not just fire.

I formed balls for each of all the elemental forces around my hand.

Me: We all can use EVERY element.

Ember: Yep.

Cinder: That is amazing.

Bernie: Also we have had so many sales happen and we built more stores all over Firetown.

Ember: You have been really busy.

Bernie: We sure have.

Camie: That is awesome. You've become quite a good store.

Nico: Can we see the others?

Ember: Sure!

We saw the Waterville and it was awesome. Water showed us how fast he can run on water and he made a rainbow from it.

Qin: WHOA!

Lola: That is so cool!

Xenia: Boy it sure is!

Ember then showed us a bunch of crystals.

Ember: Check this out.

She touched a purple crystal and turned purple.

Qin: WHOA!

Xenia: That is cool!

Lisa Loud: Very amazing and brilliant pyrochemical reactive process.

Me: When fire comes into contact with chemicals of certain kinds they turn different colors.

Nico: Yep. That is really cool.

Ember: It sure is.

Wade Ripple: I was amazed mysword.

Me: It sure is cool.

Then we went to Cyclone Stadium and we saw Air Elementals playing there and they were Literally as light as air.

Me: Wow! Look at all the Air Elements fly here.

Camie: They are LITERALLY light as air.

Qin: Too true.

Xenia: Yeah.

Aang: My kind of place!

Me: Boy all the Elemental Benders would feel right at home here in Element City.

Zuko: We sure would.

Katara: I agree there too.

Toph: Boy it would be awesome.

?: This is an amazing place isn't it.

We saw a Meowscarada.

Me: Cool a Meowscarada.

Nico: Neat!

Meowscarada: (In a girls voice) Awesome to see you again Nico and you too QIn.

Nico: Iris Schlinkenhoffer!? Whoa.

She reverted back and was a girl with green hair, green eyes and had a green leaf in the middle of her forehead and she had green angel wings and had green clothes and had the kanji for Leaf on her right arm and she had a sword of plants.

Iris Schlinkenhoffer: I think the Earth part of the city is my favorite. I learned so much about how to use plants there.

Me: It's awesome that you fit right in here.

Nico: Same here.

Skids: What's your favorite memory of Nico?

Iris Schlinkenhoffer: Mine would be where Nico and I made awesome elemental fruit trees in my garden. I make trees with elemental fruits that can grant people powers.

Me: Like Devils Fruits in a way.

Iris Schlinkenhoffer: That's right.

Qin: I remember those. It's how I got my powers over fire.

Lola: Wow! So that's how you got fire powers.

Xenia: Awesome.

Nico and Iris hugged.

Nico: I've missed you Iris.

Iris Schlinkenhoffer: Me too Nico. Me too.

Me: Sora if one of your adventures was here in Element City, which element do you think you would be?

Sora: Oh that is a good question. I think I would be Fire.

Kairi: I would be Air.

Aqua: I would be Water.

Goofy: Gawrsh I would be Earth.

Donald Duck: I would be Water.

King Mickey: I think I would be Fire too.

Terra: I would be Earth.

Ventus: I would be Air.

Me: Those are all good.

Qin: Yep.

Shockwave: We'll have to see if you have any enemies later.

Ember: Yeah.

Me: But believe it or not Elemental is one of those movies where it doesn't HAVE a villain. Just that crazy rule where Elements don't mix.

Shockwave: Well that does make sense. But there still might be other outside forces.

Xenia: Yeah no kidding.

Lola: Yeah.

Then the previous group came.

Dirty Bubble: Can me, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost go with you guys?

Nico: You sure can guys.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Tengu Shredder, and he's here for one thing: revenge on The Turtles. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I just had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than Tengu Shredder, and he's here for one thing: revenge on The Turtles.

We all gasped.

Nico: Oh man!

Eli: This is it.

Me: The last remnant of Shredder's legacy has arrived. Now, we can finally destroy him and put a permanent end to The Shredder and his dark legacy of hatred once and for all.

Nico: It's been a very long time coming, and just like what we'd done to Shredder in the past, we'll show him absolutely no mercy whatsoever, and we'll send Tengu Shredder to The Black Gates.

Lincoln: He's not getting out of this alive, now the time of his judgement has finally arrived!

Me: The one we faced earlier built by chester was a robot. Now we have a chance to end the Shredder's evil forever. (EYES GLOW RED) I'm going to make sure he never comes back againQ

Nico: Great!

Overbite: Nico, which Hene Slammers do you think you'll meet next?

Nico: Skeledirge, Quaquaval and Oinkologne.

Qin: COOL!

Lola: Yeah!

Me: This is gonna be fun.

2003 Leo: We got to go get some things for this before we go meet the Ninja Tribunal.

Me: Of course guys.

2003 Mikey: I missed using these!

Nico: Boy I can tell.

Qin: Same here.

Me: We're going to need all the help we can get on this one. We better summon all our allies from all over the universe for this.

Maria: I'm on it and I'll call all the M.O.E. Members for this too.

Qin: Good idea.

Nico: Like we're going into war.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Aligned Airachnid, and she's come back from the dead seeking revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the figure we sensed is none other than our old enemy, Aligned Airachnid, and she's come back from the dead seeking revenge on us.

We gasped.

Nico: It's been years since we defeated her during the battle against Team Dark Phoenix Storm and sent her to The Warp.

Aligned Megatron: Yes, and now, that treacherous spider has come back for revenge once more.

Margaret Desroches: She's not going to get that chance. This time, we'll finish her once and for all.

Nico: And put an end to the last resurrected member of Team Dark Phoenix Storm, this should be a good fight. Alright, gang, let's go, it's time to put an end to Tengu Shredder once and for all!

Lincoln: Shredder's time for judgement is now close at hand, soon, we'll destroy Tengu Shredder, and the last shred of his legacy of hatred shall finally be forgotten, and once we get done destroying Tengu Shredder, you're next, Aligned Airachnid.

Margaret Desroches: You better be ready to be buried under millions of tons of Earth, Airachnid, now you're about to face the wrath of my entire race!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to destroy Tengu Shredder and end the last shred of Shredder's legacy for good, and once we get done with Tengu Shredder, Lincoln and Margaret Desroches are going to destroy Aligned Airachnid and finally put an end to that treacherous Decepticon and send her to The Black Gates forever.

We were off to the Ninja Tribunal Temple.

---

We arrived at the Temple of the Ninja Tribunal.

Future Maria: This is the place, right?

2003 Leo: Yep this is it.

Nico: Brings back memories.

We went in and we stood before the almighty Ninja Tribunal.

Chikara: Team Loud Phoenix Storm and Acolytes and The Turtle Brothers and Master Splinter. Welcome.

Me: (Bows) Oh mighty Ninja Tribunal it's truly an honor to meet you all.

Nico: (Bows) It's good to see you again great tribunal.

Juto: The honor is ours Nico and it's good to see you too.

Pinky: (to Hisomi) Can't you speak?

Juto: Hisomi prefers not to speak. He lets actions do the talk for him. And please do not try to chagne that. He prefers it this way.

Swordsman: Fair enough.

Me: I understand. The Strong Silent Type.

Juto: Indeed.

Qin: But it's truly an honor to meet all of you. Joi and the Acolytes and the Turtle Brothers told us so much about you.

Megan McCallister: Especially after what happened during my brothers party fiasco.

Me: We met the Acolytes after that and it was amazing.

Chikara: Yes we heard about what happened with that party and all that. And how you all were suffering from Dark Orb Contamination. But thank goodness you all are okay.

Me: Thank you.

Chikara: It is good to see you, Irene

Nivenna: We knew she had to come with us here

Irene: I'm honored to see you again too honorable tribunal.

Chikara: I see you all are here because Oroku Saki is back.

Me: Yes that's right. We're going to destroy him once and for all.

Juto: I knew it was only a matter of time before Oroku Saki returned. And J.D. we heard so much about your powerful vendetta against the 2012 version of the shredder and all the versions of the Shredder that you know.

Me: Yes that's right. 2012's version of the Shredder killed 2012's Splinter and I vowed terrible vengeance on that version. Including the Ch'Rell the Imposter Utrom Shredder. 2003's version that you know is the icing on the cake for me to end the Shredder's legacy of terror.

Juto: Indeed. The one from 1987 has honor and is in the M.O.E. and I accept it.

Chikara: We are sorry that you had to find out about this version of the Shredder's return.

Onyx: Hey, don't apologize. He was blind to show up eventually

Me: It was only a matter of time. Besides we have all the help and allies we can muster coming for this.

Vypra and the M.O.E. and all our friends and allies from all over the universe came.

Xenia: Awesome!

Vypra: Wow the whole gang is here.

Lola: It sure is.

Brawlrus: Except for Grodd's team.

Maria: Oh, they're coming later!

Nico: Good.

Qin: The Shredder has tormented this planet for far too long.

Xenia: I agree there.

Jet: He doesn't have his Mystic Buddies to help him. We recruited them one by one during the Ridonculous Race

Chikara: We heard all about that and we're glad they are now with you.

Juto: It will be good for them to be your frenemies.

Me: Yeah. But we're ready for the Shredder.

Lola: Yeah.

Chikara: But you must all make sure that the Shredder is destroyed. Do you all understand? He must not live to spread more evil.

Apeface: Trust me. The only thing left will be his helmet, which we'll collect as a trophy.

Me: And we'll make sure his evil is forever erased when we banish to the Black Gates.

Qin: That you can count on.

Nico: We are the most powerful force in the entire universe and no way in hell are we going to let that monster torment the entire world anymore.

Xenia: That is for sure.

Juto: I know you all can do it.

Lola: Yeah!

Me: That is for sure there.

Qin: Yeah!

Me: We promise that there will be nothing left of your former teammate by the end of the day.

Waffle Woman: After this, we'll see if we can find archenemies for you guys

Chikara: We would be honored.

Nico: All right lets get to work.

Eli: I sense that he is over in central park in New York City.

2003 Donny: Just like before.

Me: Very coincidental. And I have just the entrance combo for this. Brody, that's where you and the Ninja Steel Rangers come in.

Juto: One last thing.

Tengu Man: What?

Juto: When you see the one known as Murakami Gennosuke, tell him Hisomi doesn't like him touching his gifts that he brings for special occasions. HE was not amused the first time.

Tengu Man: Wait. Who?

2003 Leo: We'll make sure he gets the message.

Joi Rayner: He's an Anthropomorphic Rhinoceros.

Me: Yeah I heard about him.

I pulled up his history.

---

Gennosuke is first seen in the episode "The Big Brawl, Part 2". He retains his persona as a shady bounty hunter, but unlike in Usagi Yojimbo, he is a heavy gambler, as opposed to being a drunkard in the comics. In the Battle Nexus Tournament he defeats an unknown Clawed combatant in Tier 1, an unknown Octopus Contestant in Tier 2 and receives a free pass to the semifinals, where he loses to Kluh. Notably, Gen irritates the Turtles with his behavior, as well as Casey, who he calls "Saru" (monkey or ape). In the episode "The Christmas Aliens", Gen comes to the Turtles' holiday party. In the episode "Samurai Tourist", inspired by a New York City citizen, Gennosuke dons an outfit nearly identical to Rocksteady's in the 1987 TV series.

Gennosuke appears in "Wedding Bells and Bytes" for Casey and April's wedding. When he realized he had to bring a present for the wedding, he tried to swipe Hisomi-Shisho's present as his own. Hisomi was not amused.

---

When I was done we were shocked.

Me: Whoa I didn't know he took Hisumi's present for Casey and April during their wedding.

Casey: Yeah he had a lot of nerve.

Qin: Geez! Talk about a wedding crasher.

Nico: Yeah. I'll be sure to kick him in the balls for that.

Juto: Good.

Me: He must've forgotten his own present.

Qin: Yeah.

Dr. Destiny: Everyone ready to head out?

Nico: Like you even have to ask.

Me: This is gonna be good.

We were off.

NEW YORK CITY, CENTRAL PARK

In New York City, was me and the Ninja Steel Rangers and we were waiting. Then we felt a massive spike of evil and then out came OROKU SAKI THE TENGU SHREDDER!

Me: Oroku Saki the Shredder.

Oroku Saki: (Demonic Voice) So you all are going to die!

Me: At least you're the real thing this time and not an Utrom imposter.

Brody: You're going to pay for your crimes Oroku!

Ninja Steel Rangers: "It's Morphin' Time! Power Stars, lock in! Ready! Ninja Spin!"

They transformed!

Brody: "Power of the Ninja! Ninja Steel Red!"

Preston: "Stealth of the Ninja! Ninja Steel Blue!"

Calvin: "Strength of the Ninja! Ninja Steel Yellow!"

Hayley: "Spirit of the Ninja! Ninja Steel White!"

Sarah: "Speed of the Ninja! Ninja Steel Pink!"

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off from behind them and it formed into a phoenix and a phoenix cry was heard and then everyone came out!

Nico: Oroku Saki, your reign of terror ends now!

2003 Leo: You will pay for all those you destroyed!

Tengu Shredder: So you Turtles came. Just in time for me to to make you into Turtle Soup!

Nadira: How about a knuckle sandwich instead?!

Me: That line is REALLY overused a lot.

Xenia: Yeah!

Me: I've waited a long time for this.

I took off my weighted jacket and then my weighted shoes and gloves and even weights on my legs and arms and wrapped them up and tossed them and then…

KRABBBBBBOOOOOOOOOOOOOOOMMMM!

It crashed into the ground with a massive thunderous crash! I loosened up.

Nico: WHOA! That is a lot of weight.

Camie: Yep.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Tengu Shredder: What!?

Me: (DIVINE ECHOING GODLY VOICE) I will not let you get away with everything that you did to every planet in the entire universe! So many people suffered because of you! I teleported and kicked Tengu Shredder in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at the Shredder with extreme force and punched him all over the place with extreme savagery!

I fired a massive barrage of energy balls and had them scatter and then had them converge on him and then they hit him all over and explode!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Rojo: Maria, now would be the time to summon Grodd's team!

Maria: On it! (TURNS DIAL) GORILLA PSYCHIC 6!

She summoned Grodd, Constructicon Devastator, Thumbskull, Universe 666 2007 Venom. Universe 666 Blight and Steel Bulwark!

Grodd: Take this!

He fired psychic energy waves and blasted Tengu Shredder all over.

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a Kamehameha Wave and it hit Tengu Shredder and exploded with incredible force!

They did so and then Devestator grabbed Tengu Shredder and smashed him into the ground!

Me: TAKE THIS!

I fired a massive and powerful volley of energy blasts and they hit Tengu Shredder all over and blasted him all over the place with indiscriminate fury and force and power. Then they pinned him down in a powerful dome of energy and then I charged up a powerful energy blast and it was incredible!

Me: TAKE THIS YOU FIEND! MASENKO-HA!

I fired the energy ball and the dome turned red and then…

Xenia: WHOA!

I then teleported and punched him in his stomach and kneed him in his face and knocked him down. Then he got up and got out the SWORD OF TENGU!

It was surging with intense electricity!

Qin: Uh oh!

I unsheathed my sword and then we clashed and powerful streams of lightning blasted out with each clash!

He got up!

Tengu Shredder: I HATE YOU!

My aura exploded out with incredibly unbelievable and powerful force as I got a massive power increase unlike anything before!

Me: Thanks for the power increase!

I teleported and we clashed and lightning struck all over.

Nico: Unbelievable!

Qin: Yeah!

Joi fired waves of energy and blasted Tengu Shredder all over!

I slashed him across his stomach!

I punched Tengu Shredder in his face and dodged a punch and then kicked him in the chest and knocked him down. I jumped as he came at me and I kicked him in the back.

(SIMBA VS SCAR THEME PLAYS)

LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the

Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. We were gonna make sure that Tengu Shredder suffers for an infinite number of lifetimes for his crimes. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Tengu Shredder in the face and sent him crashing into the ground and he got up and then they charged toward eachother and Yuko punched him in the stomach and they clasped hands. Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire planet shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Tengu Shredder in the face again and fired a blast of fire and burned a chunk of his face off.

Nico: WHOA! What power!

Qin: Incredible!

Carmen Dillo: Have some of this!

Carmen Dillo rolled and smashed him down with incredible speed!

Vypra and Luan blasted him.

He turned into his Heatblast form and fired waves of fire and blasted him all over with purple fire!

2003 Leo: You guys are in for a treat now!

Leo glowed in a blue aura, Don glowed in a purple aura, Raph glowed in a red aura, and Mikey glowed in an orange aura. What happened next shocked all of us.

WE GASPED!

Box Ghost: Holy shit!

Nico: WHOA! They turned into DRAGONS!

Even I stopped fighting Tengu Shredder to see in shock what happened next.

Me: WHOA! You guys can turn into Dragons!? That is so cool!

Kari Kamiya: That is so cool! I think I'll join in too!

Kari then turned into A PINK DRAGON!

Nico: She an amulet that turns her into one. I completely forgot about that!

Kari and the Turtle Dragons fired waves of energy and elements and blasted the Tengu Shredder and blasted him all over.

Me: That's for the crimes you did on the planet Enethone!

I kicked him in the face and snapped his arm!

Me: That's for the crimes on the planet Eno II!

I teleported and blasted Tengu Shredder in the back!

Me: That's for the crimes on the Utrom Homeworld!

Xenia: Even though Ch'Rell did all that the blood of all those people are on his hands!

Nico: YEAH!

Me: No offense or insult to our friends of the Utrom but Ch'Rell being banished to the ice asteroid Mor Gal Tal is too lenient!

May: This one is just as evil!

Me: No. THIS ONE IS WORSE! 2012's Shredder killed Splinter. But this version of the Shredder killed BILLIONS!

I fired waves of energy and blasted Tengu Shredder all over the place!

Nico fired waves of energy and blasted him all over the place!

Nico: How'd you like that?!

Qin: Yeah!

Tengu Shredder: You can't do this to me!

Me: Just watch us!

I teleported and kicked him in the face and slashed him and then kicked his helmet off and we saw his ugly face! THERE WAS A NASTY Slash mark that went all the way down from the top of his head and his body! His eyes were red with pure evil and he was overflowing with pure evil!

Xenia: WHOA! The turtles sure left their mark on him!

Joi: I was there too!

Oroku Saki: I WILL KILL YOU FOOLS! I HATE ALL OF YOU!

OUR AURAS FLARED UP WITH INCREDIBLE FORCE AND GOT A MASSIVE POWER INCREASE!

Nico: Thanks for the power boost!

We went at him and bashed and smashed and pulverized him.

I punched him down.

Me: You guys have the usual battles. I'll hold him off till then!

POW!

I punched him down.

Nico: Okay!

Vypra: Okay Zs;Skayr, Biowulf, Scorpion, Bizarro, Johnny 13, Kitty, Titanium Titan, Zexion, Titania, and Number 7 you're up!

Then Zs;Skayr, Biowulf, Scorpion, Bizarro, Johnny 13, Kitty, Titanium Titan, Zexion, Titania, and Number 7 came.

Nico: Zs;Skayr, Biowulf, Scorpion, Bizarro, Johnny 13, Kitty, Titanium Titan, Zexion, Titania, and Number 7.

Bizarro: This isn't shocking to Bizarro at all.

Zs'Skayr: I don't think ANY of us foresaw the 2003 Turtles turning into dragons.

Nico: Me neither!

Scorpion: But they look badass like that.

Qin: Yeah no kidding there.

Biowulf: (to Nico) We heard you tried a pinball machine.

Nico: We sure did.

Johnny 13: Was it fun?

Nico: It was really awesome! Timon and Pumbaa and their animal friends made an awesome pinball game and Nicole and J.D. did awesome in it.

Eli: It was really fun.

Camie: Yeah they got over 100,000,000,000 points with their playing.

Johnny 13: That is so cool!

Elestomp came.

Nico: Back for some more fun I see Elestomp.

Elestomp: I sure am. Wow! You guys did a number on the Shredder.

Nico: That is a massive understatement.

Lola: Yeah!

Elestomp: Today's been a crazy day, huh?

Nico: No fucking shit on that one!

Qin: Yeah but we're delivering a lot of well deserved justice to Oroku Saki.

Camie: That is for sure!

Laney: Yeah no kidding.

We got the battles underway.

---

Rei: Yeah it sure was.

Roll: Boy it sure was fun and we all had a lot of fun seeing that.

Suddenly, Margaret Desroches' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Margaret Desroches has transformed into SUPER ANGEL-ALIEN SHOCKTROOPER-ALIEN INFILTRATOR-GEOSAPIEN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ALIEN SHOCKTROOPER ALIEN INFILTRATOR GEOSAPIEN GODDESS COSMIC EARTH ALIEN SHOCKTROOPER ALIEN INFILTRATOR GEOSAPIEN GODDESS ANGEL OF DIVINE ALIEN SHOCKTROOPER ALIEN INFILTRATOR GEOSAPIEN GODDESS COSMIC EARTH ALIEN SHOCKTROOPER ALIEN INFILTRATOR GEOSAPIEN GODDESS ANGEL JUSTICE AND DIVINE ALIEN SHOCKTROOPER ALIEN

INFILTRATOR GEOSAPIEN GODDESS COSMIC EARTH ALIEN SHOCKTROOPER ALIEN INFILTRATOR GEOSAPIEN GODDESS ANGEL ANGEL LOVE!

We were really amazed by Margaret Desroches' Super Angel-Alien Shocktrooper-Alien Infiltrator-Geosapien Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Aligned Airachnid saw it, she ran at her to kill her, but Margaret Desroches fired a massive and powerful barrage of brown and orange energy, stars, earth, aliens, phoenixes, and angels at The Eviscerator, and they exploded as they hit her and she got blown into a wall, she got back up, but now, she was mega pissed off.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE ABOUT TO GET WILD!

Lincoln: You got that right, Nico. This is exactly what happens when you really get a Geosapien mad.

Margaret Desroches: (Divine Echoing Godly Voice of The Cosmic Earth Alien Shocktrooper Alien Infiltrator Geosapien Goddess Angel and Divine Cosmic Earth Alien Shocktrooper Alien Infiltrator Geosapien Goddess Angel Love) Yep, you make me or anyone of my race mad, you're going to be dragged into darkness, Now, let's destroy that vile treacherous spider, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Margaret Desroches.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused us enough trouble, Airachnid. Now, we're going to get rid of you for good.

Aligned Arcee: I'm also joining in as well.

Aligned Arcee joined Lincoln and Margaret Desroches.

Aligned Arcee: I still owe you for what you did to Cliffjumper, and I'll make sure you pay dearly for what you did to him.

Margaret Desroches, Lincoln, and Aligned Arcee went after Aligned Airachnid, and they fired extremely powerful blasts of rainbow energy, brown and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Aligned Airachnid and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Margaret Desroches, and Aligned Arcee also attack them with punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving her mad.

Then, Aligned Arcee, Lincoln, and Margaret Desroches blasted her all over the place with laser blasts and energy blasts, and some of them were so powerful, they blasted off her arms, legs, and spider legs on her back and she screamed in excruciating pain. Aligned Airachnid was now already at their mercy, and Aligned Arcee pointed her blaster at her head.

Aligned Airachnid: Don't think… this is the end. I'll come back again and again, and I will destroy you all!

Aligned Arcee: No, you're done… forever.

Aligned Arcee fired her blaster and shot Aligned Airachnid in the head, killing her and as soon as her soul appeared, Lincoln and Margaret Desroches sent her to The Black Gates forever. We cheered wildly for what Aligned Arcee, Margaret Desroches, and Lincoln did as they holstered their massive greatswords and powered down, and Margaret Desroches' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark brown wolf tails, and massive brown angel wings are permanent.

Margaret Desroches: You've had it coming for a very long time, you treacherous spider. Thanks for helping me get rid of Aligned Airachnid, Linky. You too, Arcee.

Lincoln: (Smiles Warmly) You're welcome, Margaret.

Aligned Arcee: I was happy to help, after all, I still had a grudge to settle with that spider.

Suddenly, Margaret Desroches wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Margaret Desroches' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Shocktrooper and Alien Infiltrator flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and mountains forming behind them and we cheered wildly. Then, Lincoln and Margaret Desroches absorbed the elemental forces and mountains and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a epic fight that brought an end to an old enemy, Lincoln, Aligned Arcee, Margaret, that was an awesome job well done.

Lincoln: I couldn't believe that Aligned Airachnid had returned even after that day we got rid of her, but all the same, at least she's gone for good.

Me: And never coming back. So, Lincoln, who's the next Alicorn Gene-Slammer we're meeting?

Allie Madrigal: The next one would definitely be Adrienne Nightingale, Gene-Slammer of Princess Luna, Alicorn Princess of The Night, she's Lincoln's Guardian Angel from Equestria and she's a girl who is a powerful force of the night and dreams and she's also a very powerful Alicorn and very powerful master of The Moon and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave her a midnight blue neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her midnight blue horn on her head glowed with midnight blue light and it was a sign of true love. Plus, she's also a dear friend of Princess Luna from long ago and their bond has remained strong to this day, and like Princess Luna, she's an amazing girl with the powers of the night and the moon, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Adrienne had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are, and she saved Lincoln from getting ambushed by those five who went charging at him to kill him in another attempt at his life, but Adrienne charged in and she kicked them into a nearby fence and she got knocked out because of just how strong she is and she froze them with a blast of magic she fired from her horn. She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, and after she sent them running to their room, she put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

Me: Cool.

Maria Garcia: (Spanish Accent) Along with our old friend, Aldonza Calavera, Gene-Slammer of The Fabled Duel Monsters, she's Lincoln's Guardian Angel from Guanajuato, Mexico and his classmate in Art and Gym. She's a Goth Girl born with all of the powers of darkness and the ability to summon imps, along with midnight black angel wings, and she also knows a lot of spooky Spanish legends and legendary monsters of Spanish legend. She also knows much about The Occult and has a gift with all forms of Dark Magic, Black Magic, Satanic Magic, and The Dark Arts, and she's also a childhood friend of me, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkis, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore. But, she has a very dark past, when she was little and when she was growing up, her parents practiced Dark Santeria and the Dark Side of Mexican Witchcraft, and they had used their dark arts to inflict death and chaos on many of their enemies, and their enemies were actually innocent people, but they crossed a very dark line when they chose Lincoln as their next target to slake their sadism. Aldonza Calavera fell into a very dark rage, and she Gene-Slammed herself into all of The Fabled Gene-Slammers and gained their powers over light and she also had gotten imps as well, and she then unleashed her powers of darkness and light on them and she had banished their souls to Xibalba to suffer eternal torment and torture. Lincoln saw what happened and he ran to her home to find out what happened, and Aldonza Calavera had told him everything about what her parents tried to do to him, and she broke down and cried as she hugged him, and Lincoln hugged her back. Then, the news was passed to Maria Garcia and the other Fabled Gene-Slammers and they understood why she did what she did, and she became a member of The Order of The Fabled. From that day on, Aldonza Calavera swore to defend the innocent from those who dare to use the dark arts to inflict pain and suffering for their own sadism and amusement. Aldonza is also good friends with Lucy and The Young Morticians' Club, and like Maria Garcia and the other Fabled Gene-Slammers, she hates Lori with a blazing passion, along with that gold-digging sack of feathers, Sergio.

Lincoln: Whoa, it'll be awesome seeing Aldonza Calavera again.

Nico: I had no idea just how dark her past is. But, she saved you from her evil parents, and she made them suffer the torments of Xibalba.

Maria Garcia: (Spanish Accent) It'll be a big mistake crossing her.

Chikara: Thanks to all of you, the Demon Shredder has been silenced forever.

Kitty: Damn straight!

Me: THAT! WAS! EPIC!

Titanium Titan: (to the 2003 Turtles) You gonna keep using those amulets?

2003 Raph: Nah. Only if we really need to.

Zexion: Fair enough.

2003 Casey: I got the perfect way to celebrate tomorrow!

Titania: What are you talking about?

2003 Casey: You'll see tomorrow.

Number 7: Fair enough.

Me: I have a feeling this will be awesome.

Nico: Yep. But that was really awesome J.D.! A Spirit Sword Slash!? That was cool!

Me: It sure was!

Nico: Yeah! Great job today everyone!

Eli: Bro deserves some of the credit. He really destroyed the Shredder forever.

Lola: Yeah.

Me: I don't deserve all the credit. We all did a great job.

Nico: Yes we did.

2003 Le: (To the viewers) This was an awesome and epic battle! Hope you loved this one as much as we did.

Nico: Boy this was awesome.

We really had an epic battle. We went back home and enjoyed the rest of the day and went to sleep.

Xenia: Boy this is the first ever rescue we did in Element City.

Lola: Boy I'll say!

Fu: This is so cool!

Qin: Yeah it sure is!

Varie: I'm really excited for this one.

Me: Me too! This is gonna be so fun.

Lola: It sure is.

Camie: Yeah!

Shanan: I'm really excited to see this too.

Me: Me too Shanan. I have a feeling this will be fun.

Shanan: I have that same feeling too dad.

Nico: Shanan, I want to thank you, Vulkanus, and your teams for coming

Shanan: No problem Nico. I'm really looking forward to this one. Even though me and Fu are with you all the time it's going to be fun.

Qin: It sure will be.

Fu: Yeah I'll say. This is gonna be so awesome.

Nico: Fu, remember when you first met J.D.?

Fu: I sure do. That was when J.D. used the Simulator for the first time.

Me: Boy that was so awesome. You weren't with us when it happened Nico but it was awesome.

I went over what happened in chapter 42 and it was awesome.

FLASHBACK - CHAPTER 42!

It starts at the Loud House. Me and Varie are in the Training Simulator doing a special exercise. I am going to fight Sasuke Uchiha from my favorite Japanese Animation Series: Naruto.

Lincoln and Linka are with us.

Varie set the scenario settings and the simulator activated.

I was at the Final Valley where the Leaf's Founding Fathers Hashirama Senju the 1st Hokage and Madara Uchiha the Leader of the Uchiha Clan fought with everything they had.

Me: Wow. This is incredible. I've always dreamt about what it was like to be apart of my favorite anime show. It's everything I've always imagined. Maybe there's still time to help Sakura see the light.

I use my telepathic abilities and send a message to Sakura Haruno in the Hidden Leaf. Telling her everything about Naruto's achievements and everything he's done for her along with his past and background. Including his heritage and more.

I do the same with Fu in the Hidden Waterfall, Kakashi Hatake, Hinata Hyuga, Ino Yamanaka and Ayame Ichiraku in the Leaf.

Me: I hope they all got my message.

I see a figure on the statue of Madara Uchiha.

Me: There he is. Sasuke Uchiha. Soon he will know everything.

Just then, Naruto arrived on the scene.

Me: Naruto is here too. Perfect.

I telepathically talk to him.

Me: [Telepathically] Naruto. I'm talking to you inside your head.

Naruto: [In his head] Who are you?

Me: My name is J.D. Knudson. I came to help you. I stopped time for a short while to tell you that there's more you should know. Sakura's love for Sasuke is a lie.

Naruto: What do you mean?

Me: I sent Sakura a telepathic message and revealed everything about you. Let me explain. I know you're the 9-Tails Jinchuriki and you've been cursed with a big burden that no one wants. But the 4th Hokage did it for a reason. The 4th Hokage Minato Namikaze did it because he couldn't place this burden on anyone elses child. The reason for that Naruto is because Minato Namikaze, the 4th Hokage was your Father.

When I told Naruto this he was shocked about this revelation.

Me: I'm not lying Naruto and before you jump to conclusions let me explain. When your parents found out that they were expecting you they were so happy and they couldn't contain their excitement. When you were born they were just over the stars that you came into their lives. But then the 9-tails attack happened. It was caused by a Rogue Uchiha wearing a mask that was impersonating Madara Uchiha whose been dead for a long time. He was controlling the 9-Tails and he forced it to attack the village against it's will and made it kill 1,200 people including your father and mother. Your mother was the previous Jinchuriki of the 9-Tailed Fox before you, Naruto and the Rogue Uchiha used your delivery to his advantage. When a female Jinchuriki is pregnant, the chakra that normally nurtures the child is divided between it and the Seal and when she gives birth, so much chakra is directed to the child that the seal weakens and a Seal Master must be present to maintain and repair it afterwards.

The rogue Uchiha used this to his advantage and held you hostage to get Minato away from your mother Kushina so he can rip the 9-tails out of her. The reason your heritage was hidden from you was because of your parents enemies. Your parents made quite a name for themselves during the 3rd Great War and if they found out that Minato and Kushina had a son they would come after you and get revenge by either kidnapping you or killing you.

It took Naruto 2 minutes to digest all the info I told him.

Naruto: Thank you for telling me J.D. Thank you. Now I know that my parents didn't die in vain.

Me: You're welcome Naruto and I would never think of you as a monster, demon or a freak. It's not my style and in my nature. I would gladly look after you like a big brother if given the chance. It's what your parents would've wanted.

Naruto: I appreciate that. Thank you.

Me: You're welcome. Now lets take down Sasuke together.

Naruto: Lets.

I resume time and fly over to Naruto.

Naruto: SASUKE!

Me: Are you gonna run away from us you Coward!?

Sasuke turned to face us and we saw a disturbing sight. He had black flame marks on part of his face and his left sclera was pitch black and his eye was yellow.

Sasuke: So it's you. Hopeless little knucklehead. I see you're not alone.

Me: Sasuke, before we fight I want to tell you why Itachi killed the Uchiha Clan.

Sasuke: He did it to test the limits of his power!

Me: No. That's not the real reason. He did it because he was forced to.

Sasuke: What do you mean?

Me: Your clan was going to launch a revolt to overthrow the Hokage and take over the government. This would've resulted in a Civil War and it would've left the vilage completely vulnerable to enemy ninja attacks and ultimately start the 4th Great Ninja War. The 3rd Hokage tried to talk them out of it peacefully. But all the talks failed. When Itachi swore the oath of the ANBU, he swore to protect the entire village from all threats inside and out. Itachi acted as a double agent for the Hokage and he would report to him the plans for the revolt. After all the talks failed there was only one action left: GENOCIDE. BUT, Lord 3rd originally wanted Itachi to kill only those that were going to launch the revolt. Not the entire clan in general. But one of the elders on the Council, Danzo Shimura, went behind the 3rd Hokages back and ordered Itachi to wipe out the entire Uchiha clan completely and leave no survivors and that included you. He gave Itachi an ultimatum: Protect the Village or Protect the Clan. And Itachi went with the village. But he begged to have you spared because he could never bring himself to kill you because he loves you too much. He wanted to atone for his deed by having you kill him and avenge the clan and be a hero. Danzo's act of treachery lead Itachi to become a False Rogue Ninja if you will.

Sasuke was in absolute shock.

Me: Whether you believe me or not is entirely up to you but it is the truth.

He now knows the truth and he breaks down crying.

Sasuke: [Crying] Itachi! I'm sorry! Please! Take me back!

Naruto makes Shadow Clones and they carry Sasuke and we all head back to the Leaf.

As we were running through the forest, Naruto looked at me.

Naruto: J.D. what did you tell Sakura?

Me: I told Sakura everything you did for her and more. I'm sure she'll accept you.

Sasuke: J.D. Thank you for helping me see the light.

Me: No problem, Sasuke. I'm sorry about your clan. I wish that some of them could've been spared. But it's too late now.

Sasuke: I know. But when we get back I'm gonna go to jail for desertion.

Me: I know.

Naruto: They'll put you in prison?

Me: They have to Naruto. It's the law. Also Naruto those imbeciles at the Academy minus Iruka sabotaged your education so they can make sure you never become a shinobi. Bunch of Buttfaces.

Naruto: I had a feeling they were doing something.

We arrive at the gates of the Leaf and we see Kakashi Hatake waiting for us.

Kakashi: Naruto, thank goodness you're alright.

Naruto: Thanks sensei. But thank J.D. here. He helped me get Sasuke back.

Me: It's truly a pleasure to meet you Kakashi. My name is J.D. Knudson.

We shake hands.

Kakashi: Likewise and it's a pleasure. You have my thanks in helping Naruto and Sasuke.

Me: Think nothing of it. We need to talk with the Hokage and don't worry I'll make sure that nothing happens to Naruto. If these villagers try anything. Well it won't be pretty.

Naruto: Thank you J.D.

Me: No problem, little brother.

We walk into the village and it was truely a sight to behold. The Hokage mountain was an amazing spectacle.

I saw some of the villagers looking at Naruto with a hateful nature.

Me: [Menacing] What are you looking at, Dummies?

Kakashi: It's been like this for Naruto since he was 3.

Me: I know and Naruto knows everything about his parents. I told him telepathically.

Naruto: Yes sensei. I know my heritage, my parents and why they did what they did.

Kakashi was shocked.

Sasuke: I was shocked too sensei. But I've come to accept it and also my Curse Mark is gone.

Sasuke showed that the Curse Mark on his neck is gone.

Kakashi: Well have to explain how this happened.

In the Hokage building we entered the Hokage's office.

Kakashi: Naruto and Sasuke are back safe Lady Hokage and they had some help.

Lady Tsunade: Send them in.

Me, Naruto and Sasuke came in.

Lady Tsunade: Glad your safe kid.

Naruto: Thanks Grandma Tsunade.

Lady Tsunade: Don't call me that. [to me] Now, Who are you?

Me: My name is J.D. Knudson and I helped Naruto get Sasuke back. No I don't have any ninja experiences but I managed to help Sasuke come back by revealing the truth about the Massacre. And I have a lot of sources about how I know about this because I'm from another dimension.

Lady Tsunade, Shizune and Kakashi were floored.

Naruto: It's true. J.D. is from another dimension and he helped me.

Me: Yes. I telepathically told Naruto who his parents are. He knows why they did what they had to do and more.

Lady Tsunade: I see. [To Naruto] (Sadly) Naruto.

Naruto: It's alright. I know they had to do what was right for the protection for the village.

Me: Also, Sasuke needs to have some answers.

Sasuke: Yes. Is it true Lady Hokage? J.D. told me everything. Was my clan going to launch a revolt and destroy the village? Was Itachi ordered to kill the Uchiha that were only going to launch the revolt?

Lady Hokage: [Sighs] Yes it is Sasuke. Everything J.D. said is correct.

Sasuke: [Sad sigh] Thank you.

Sasuke left the office.

Naruto: Sasuke?

Me: Let him go little brother. He needs to have some time to himself.

Lady Tsunade: Little brother?

Me: I made Naruto a part of my family because of his rough treatment at the hands of these doo-doo brains that are villagers. Also I have more bad news.

Lady Tsunade: What is it?

Me: I know who instigated the massacre. It was Danzo Shimura.

Lady Tsunade, Shizune and Kakashi were shocked.

Me: I wouldn't make any accusations to anyone unless I had proof. But Danzo has been behind a lot of terrible crimes. I know he's watching us.

I walk up to the wall and use my telepathic powers and pull out an ANBU with a blank mask.

Me: A Root ANBU. Got your hand caught in the cookie jar I see.

Shizune: So Danzo has his Root ANBU still active after he was told to disband it.

Me: Yep. But this is just one thing. Lady Tsunade can you darken the room? I want to show you something.

Lady Tsunade closed the blinds in the windows and my eyes glowed and projected the Root ANBU'S Memories like a movie projector. It showed everything from the Root ANBU's Point of View

Danzo: Has Itachi killed all the Uchiha?

Root ANBU: [Emotionless] Yes Lord Danzo. Sasuke Uchiha is in the Hospital healing as we speak.

Danzo: Excellent. Soon Hiruzen, I will be Hokage and you will obey me.

Root ANBU: What about Orochimaru my Lord?

Danzo: His usefulness is nearing completion. Soon his invasion will come and I will rule the Leaf and destroy our enemies. And with Lady Tsunade out of the village after I killed her brother and lover, our weapon will have no one to protect him. Continue your spying and report everything about the Demon Boy to me.

Root ANBU: Yes my Lord.

The projection disappeared and everyone was horrified.

Naruto: That was cool J.D.

Me: Thank you Bro. This was my first time doing that. I didn't know I had this kind of power. But from what we all saw, I uncovered some huge crimes Danzo had been doing.

Kakashi: You sure did J.D. He murdered Nawaki Senju and Dan Kato, Conspired with Orochimaru for the Sand-Sound Invasion and nearly destroyed the Uchiha.

Me: You want me to kill this Root scum Lady Tsunade?

Lady Tsunade: Please.

I break the Root ANBU's neck and kill him.

Lady Tsunade: J.D. you may have saved the entire village here. ANBU!

4 ANBU came out of the walls undetected.

Me: Wow. So these guys are the ANBU?

Lady Tsunade: Yes they are. [To the 4 ANBU] Have Danzo Shimura report to me at once.

They nod and head out.

5 minutes later, Danzo came in.

Danzo: You wanted to see me Tsunade?

Lady Tsunade: That's Lady Hokage to you. ANBU! Arrest him!

The ANBU slapped the Chakra Cuffs onto him.

Danzo: Tsunade what is the meaning of this?

Me: Danzo Shimura, you are under arrest for the murders of Nawaki Senju and Dan Kato, the Genocide of the Uchiha Clan, High Treason, and Conspiracy Against the Leaf Village. [To Lady Tsunade] I'm sorry Lady Tsunade. I hope those are the right charges.

Lady Tsunade: Yes. Those are all right.

Me: Oh good. Lets see what's under these bandages shall we?

I rip off Danzo's bandages and we see a horrific sight. Danzo had an ugly right arm and he had 10 Sharingan Eyes imbedded into it and in his right eye socket was another Sharingan.

Me: You truely are the worst of the worst Danzo. You made Itachi kill the Uchiha Clan and took their Sharingan for their Forbidden Jutsu and you took Shisui Uchiha's Mangekyo Sharingan for his most powerful genjutsu so you can bend others to your will without them knowing it. But I bet there's more to it.

I put my hands on his head and project his memories. He manipulated the Cloud, Mist and Rock villages into launching a joint attack on the Hidden Eddy Village which started the 2nd Great War and scattering the Uzumaki Clan across the world, Manipulated Hanzo of the Salamander to join him and more.

Lady Tsunade: Anything you want to say for yourself, Danzo?

Danzo: I did all that for the good of the village! I wanted to make it strong.

Me: Good of the village my butt. All you've done is make things worse because of your own selfishness and greed.

Lady Tsunade: Get him prepped for execution immediately.

They take him away.

2 hours later, everyone was gathered in the Chunin Exams Stadium.

Lady Tsunade came out and announced to the village populous the full extent of Danzo's treachery.

Danzo came out tied in chains and was put on the chopping block.

Lady Tsunade: J.D., we can't thank you enough for helping us expose this traitor.

Me: Glad I could help Lady Hokage.

Lady Tsunade: Sasuke, Naruto, since he affected you the most, would you like to help J.D. execute him?

Naruto: It would be a pleasure Grandma.

Sasuke: I would be honored.

Me, Naruto and Sasuke had swords and we stood in a triangle formation.

Me: Any last words?

Danzo: Everything I've done was for the good of the village. I'm trying to save it.

Me: I don't buy it. But you can have a lot of fun where you're going.

Me, Naruto and Sasuke slashed him to pieces. He died in an instant.

Me: Good riddence to bad rubbish. Sasuke would you like to burn the body?

Sasuke: It would be my pleasure.

Sasuke made the Tiger, Ram, Monkey, Boar, Horse and Tiger hand signs and used Fire Style: Fireball Jutsu.

It completely incinerated Danzo's body in seconds and his ashes blew away in the wind.

Me: Give my regards to the Netherworld.

Sakura then came down and was crying hard.

Naruto: Sakura what's wrong?

Sakura embraced Naruto in a tearful hug and was crying hard.

Sakura: [Crying] Naruto! I'm so sorry! I should've never hurt you all those times. I was so wrong. I now realize that you're the one for me. J.D. opened my eyes. He told me everything and I had no idea you were going through all that pain and suffering.

Me: I'm glad my message got through to you.

Hinata and Ino came down too.

Hinata: J.D. told me too. You see Naruto I've had a crush on you since we were in the Academy and I love you.

I smile in happiness.

Ino: I knew you were very special Naruto and I was wrong about you.

Sakura: [To Me] Thank you for opening my eyes J.D.

Me: You're welcome Sakura.

Sakura and Naruto kissed and Sakura's parents Mebuki and Kizashi Haruno came.

Mebuki: Sakura, I wanted you to be with Naruto. The reason I pulled you away from Naruto was to protect you and prevent you from having to endure the same treatment he was going through. I should've told you.

Sakura: Thank you mom and I forgive you.

Fu then arrived by flying in the air. She had green hair and was dressed in all white clothes.

Me: Fu. Did you recieve my message?

Fu: I sure did. Thank you for helping me get away from my former village.

Me: No problem.

In the Hokage's office Naruto was placed in the CRA of Clan Restoration Act and he already had Sakura, Ino, Hinata and Fu as his future wives. But it won't be official until he's 16 years old.

Suddenly a dimension wormhole appeared and sucked in Me, Naruto, Sakura, Ino, Hinata and Fu. We wound up back home in my

dimension.

Naruto: Where are we?

Me: We're back home in my dimension.

Lisa: Yes. I created that dimensional wormhole and brought you and your friends here.

Me: Thank you Lisa. I'm glad you did.

In the living room I did introductions and Lisa surprised us by showing us that the Leaf I went to was on an island in Lake St. Clair. It was going to be a great feeling for all of us. The Hidden Leaf is now in the United States of America. Naruto, Sakura and Fu now live in my mansion. FLASHBACK ENDS

When I was done Nico and everyone that hadn't heard about it was shocked.

Xenia: WHOA!

Nico: That is awesome! You really did amazingly well back then.

Lola: And that was back in the old days of the team.

Me: Yep. I was just starting in getting everyone together back then.

Laney: Yep.

Nico: That day might just be unforgettable to you two.

Me: Oh it was.

Fu: It sure was. And it's an awesome honor to be part of the team.

Xenia: Yeah.

Carol: Vince met Fu in the simulator too and she had it really bad in the Waterfall.

Nico: Was it really that bad?

Me: Worse than you can fucking imagine.

Lola: Yeah.

Nicole: It was really bad Nico.

We told him all about Fu's background and the terrible livelihood she had to endure in the Waterfall. All because of those blockheads on the council and their corruption and treatment and viewing Fu as a weapon.

Nico: That is sick!

Xenia: Tell me about it.

Camie: Yeah! What a bunch of uncultured vultures!

Lola: Nice way to describe them.

Me: Yeah when I formed the Knights of the New Fire, I made it one of my missions to bring all the Jinchuriki to the Leaf where they would be safe and protected and I would make sure they never get ill treated like that.

Xenia: That is good.

Nico: Yep.

Eli: Well played.

Nico: Yeah.

We continued walking.

Nico: Boy yesterday was one to remember.

Me: Boy it sure was. We destroyed the Shredder forever and got to meet the Ninja Tribunal for the first time.

Camie: That was so awesome.

Eli: And the shocking and coolest part was the Turtle Brothers turning into dragons! That was so cool!

Me: I didn't know that the Turtle Brothers all had that kind of power.

Qin: Me neither.

Fu: That was so awesome.

Zarya Moonwolf: It sure was. Reminds me of the dragons we have on Gemina.

Nico: I didn't see that coming

Me: Me neither.

Laney: Kari thought it was cool and she used her dragon form with them as well.

Carol: That was really cool seeing that.

Nico: Boy it sure was and J.D. you really did an amazing job battling the Shredder. Wow! I've never seen you fight so ferociously against him like that.

Qin: Didn't know you had that in you.

Me: To be honest I didn't either. And that move the Sword of Hope was something that I saw in one of Lincoln's Mangas and I learned it from there and me and Master Goku perfected it.

Nico: It really did the trick.

Camie: That was so awesome.

Me: It sure was.

Nico: Yeah. J.D. is your hatred towards the Shredder gone now.

Me: Yes it is. My hatred towards the Prime Universe version of the Shredder has now been completely extinguished forever.

Nico: (SIGHS) What a relief.

Xenia: Boy you really had it out for all the versions of the Shredder didn't you?

Me: Yeah I did. I hated the Shredder with every single fiber of my being and I wanted to make sure that every single version of the Shredder in the entirety of the Multiverse paid for all their crimes.

Nico: Boy I don't blame you one bit for that J.D. Your reasons for wanting revenge on them is completely justified.

Qin: Yeah no kidding.

Me: But either way I'm glad we destroyed him.

Laney: Me too. But the awesome part was that we got to meet the Ninja Tribunal.

Nico: It was an honor meeting the Ninja Tribunal.

Me: It sure was. And we were told so much about them and it was an honor to finally meet them in person.

Camie: That was so cool.

Lola: Yeah it sure was.

Aylene Carter: We all thought that was really cool.

Lana: I'll say! That was something.

Nico: Yep.

Maria: Now thanks to all of us the Shredder and Oroku Saki are now a forgotten memory.

Me: And the Shredder's helmet is now our most amazing trophy.

Nico: Yep.

We got to Cyclone Stadium.

Nico: Now, what to do here?

We went in and Cyclone Stadium was cool.

Me: Wow! It looks like an awesome football stadium.

Laney: It sure does.

Rainbow Dash: Boy this is really awesome. Me and the Wonderbolts and all my fellow Pegasi can have fun in here.

Zipp Storm: This is a really awesome place for us.

Lincoln: It sure is. We can have awesome Sky Dodgeball games here.

Girl Jordan: Boy Flying Dodgeball Games would be so fun.

Me: Fly around and pelt each other with Dodgeballs like dogfights back in World War I.

Camie: Yeah that would be cool!

Nico: We'll have to look into that.

Lincoln: Okay, guys, I've got news from the Saturn Insane Asylum.

Nico: What's up?

Lincoln: I got word from the warden that Brad Buttowski has broken out again and he's still out for revenge on us.

We gasped.

Me: That asshole's broken out, that's it! Now, he's fucking dead!

Nico: Yeah he sure is!

Lincoln: That he is. After the stunt he pulled using Master Jiraiya to turn Gotham Royal York into Nosebleed City with destroying all the women's clothes and leaving them in their underwear by implanting that Super Pervert Chip on him and what he did breaking out last year during one of our holiday races, this just proves he's not going to stop. Well, now he's left us no other choice.

Nico: Yeah, it's off to The Black Gates for that fucking asshole moron!

Camie: That is for sure!

Lincoln: You got that right. But, this is going to be awesome, we're finally going to destroy Brad Buttowski and finally give him The Black Gates, and I sensed it. Wallflower, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, Sunny, Izzy, Pipp, Zipp, Hitch, Misty, The Cutie Mark Crusaders, and Vinyl, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Wallflower: You're right, I feel it, Linky.

Lincoln: And I also sensed that Qin is going to transform too.

Qin: Yeah, now let's get after that asshole moron and rip him in half!

Lincoln: Right. (Senses for Brad Buttowski) AHA! Gotcha, you moron! He's heading this way and he is 200 clicks north of our location and he's really coming after us in a nasty fit of rage.

Anna Anyanova: That moron's in for one nasty asskicking once more.

Nico: You got that right.

Lincoln: But, head's up, gang, Flip has sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THAT STUPID MUTANT INTO A BLOODY STAIN WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Brad Buttowski.

Me: It'll be a while before he gets here. We might as well learn the full scope of the situation at the Saturn Insane Asylum before he gets here.

Nico: Good idea.

Me: I have a feeling Brad wanting revenge is not the only reason why he is after us.

Maria: It gets worse. I got told that he killed a few guards and a few well behaved prisoners on his way out.

WE GASPED!

Qin: Oh man!

Me: That jerk!

Lola: Yeah he has had this coming for a long time!

Camie: Yep he sure has!

May: (shudders) The things we saw because of what he made Jiraiya do are things we can't unsee!

Nico comforted May.

Nico: It'll be okay May.

Nicole: Yeah thank goodness the boys weren't with us back then.

Me: Thank goodness and you girls all did a great job too.

Nicole: Thanks dad.

Qin: Girl power is just as awesome as boy power.

Lola: That is for sure.

Nico: Amen to that.

Nicole: We should have more Girl Power Adventures more often. They are so much fun.

Lana: They sure are.

Lola: I like them.

Lily: They are awesome.

Lisa Loud: Indeed. They are quite adventurous and well worthy of an amazing challenge.

Sunset Shimmer: They sure are fun and I like them.

Girl Jordan: I agree there.

Maria: All we can do now is wait.

Eli: (Senses Something) We don't have to wait long!

?: YOU FUCKING DILLWEED FUCKERS, YOU'LL PAY FOR WHAT YOU DID IN HUMILIATING ME!

Me: Well, fuck you too, asshole moron!

We then saw our target come in, Brad Buttowski, and he was out for our blood and pissed off at us, he was about to attack us, but Lincoln made a massive barrier made of solid diamond around all of us, but Brad Buttowski was still driven by rage and hatred and he continued beating on the barrier, but it wasn't even making a single dent, and he was breaking every last bone in his hand.

Brad Buttowski: (SCREAMS IN AGONY)

Nico: (WINCES) Ooh! That's got to hurt.

Me: OUCH! He punched solid diamond. Not very smart.

Lincoln: That moron should know it's not a good idea to try and punch solid diamond, but he really is an idiot. Now, to push him back.

Then, Lincoln fired a diamond ball infused with water which hit Brad Buttowski and not only was he forced back, but he also got soaked.

Wallflower: Nice one, Linky. Now, let's get that moron!

Lincoln: With pleasure.

Me: Save some for us!

Maria: We know it was you who put that chip in Jiraiya!

Brad Buttowski: How did you know!?

Me: You put your face on it. Wasn't that hard to know.

Nico: Not very smart you moron!

Nico teleported and punched him in the face and then he went at me.

Me: WOOOWAH!

He punched at me and I grabbed his arm and broke it and then punched him in the face and knocked him down.

He got back up and I kicked him in the balls 4 times and then I got down and started punching his balls like a boxing bag and then..

POW! DING!

And then…

CRUNCH! CRUNCH!

I chomped his balls and then threw him a diamond wall that Lincoln put up and he smashed into it!

Me: Yuck! Your balls taste like rotten eggs and cancerous ham!

Maria: You know what we saw because of you? Lots of unpleasant stuff!

Brad Buttowski: I DON'T FUCKING CARE! BRAD RULES! I LOVE NAKED GIRLS!

He went at us and then Nicole punched him square in the face and then she jumped him and pulverized the living shit out of him!

Me: SKIN HIM ALIVE NICOLE!

Nicole was really bashing him all over!

Then she threw him into a cabbage cart that was conveniently placed.

CRASH!

Man: MY CABBAGES!

Brad Buttowski: Why you little!?

Nico: And you killed several guards who were innocent!

Brad Buttowski: I DON'T FUCKING CARE! I HATE EVERYTHING! EXCEPT NAKED GIRLS!

Me: What a fucking wiener!

Then..

BLAM BLAM BLAM BLAM BLAM BLAM BLAM!

The man bashed Brad all over with a frying pan!

Brad went at us again!

Nico: You even killed several well behaved inmates!

Brad Buttowski: I DON'T FUCKING CARE! ALL I CARE ABOUT IS NAKED GIRLS!

He went at us and I kicked him in the face and Wallflower bashed him in the head with a baseball bat!

BLAM!

Suddenly, Wallflower's brown eyes turned neon brown, and she was surrounded by a forest green and spring green energy aura with stars, plants, flowers, magic, and Alicorns, she unholstered her massive Wallflower's Flower Redemption Alicorn Greatsword of Flower Power Redemption and Flower Redemption Love, and as she approached Brad Buttowski, she left forest green and spring green energy, stars, plants, flowers, magic, and Alicorns with every step.

Wallflower: You really make me sick to no end, you pathetic piece of garbage. What you did in hurting your ex-little brother, Kick, and even worse trying to kill him, you're no human at all, you're just a dumb animal who doesn't care about anyone except for yourself. And what you tried to do with that dumb stunt in using Master Jiraiya to turn Gotham Royal York into Nosebleed City with destroying all the women's clothes and leaving them in their underwear along with your break-out from prison last year, you've just proven my point that you're a piece of human garbage and an uncivilized moron, and now, we're going to finally get rid of you once and for all, Brad Buttowski, and like Lucy would say, no one's going to say any kind words about you at your funeral.

Suddenly, Wallflower was surrounded by a massive vortex of forest green and spring green energy energy with stars, plants, flowers, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a forest green phoenix with red eyes glaring at Brad Buttowski: the red eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Wallflower's Flower Redemption Alicorn Greatsword of Flower Power Redemption and Flower Redemption Love, and then, it glowed, and then surrounding the massive vortex of forest green and spring green energy energy with stars, plants, flowers, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a forest green phoenix with red eyes glaring at Brad Buttowski: the red eyes of eternal death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HER AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO WALLFLOWER! THEN, AS SOON AS THE VORTEX FADED, WALLFLOWER EMERGED FOREVER CHANGED!

(HAKUNA MATATA PLAYS)

Wallflower grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large forest green orbs orbiting around her legs, she has the body of a goddess, she has spring green highlights in the bangs of her long forest green hair, she has neon brown eyes and a forest green and spring green energy aura with stars, flowers, plants, magic, and Alicorns surrounding her, she has an Alicorn along with a leaf above its horn emblazoned on her forehead and Third Eye with forest green iris, she has on Alicorn earrings with green gems for the eyes and the Redemption and Eternity Kanjis in its hooves, she also has an Alicorn with green gems for eyes and the Friendship and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts, and she also has on her new white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love, she has on a brown short-sleeved blouse and blue skirt with her cutie mark on the skirt, white short-sleeved shirt, cutie mark on her right shoulder, grey heels, and long white sleeveless trenchcoat with flowers, plants, magic, stars, and Alicorns on the coattails, and on the back is an Alicorn with flowers surrounding it and a leaf above the horn. Suddenly, Wallflower felt a sharp pain on her back, and then, her massive forest green angel wings with spring green tips on the large forest green feathers grew much bigger for her new body, her forest green tail and spring green horn on her head also grew much longer for her new body, she has on a Ring of The Phoenix with spring green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were really amazed by Wallflower's Super Angel-Flower Redemption Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Brad Buttowski saw it, the fucker fell into a homicidal rage and ran at her to kill her.

Brad Buttowski: DIE, BITCH!

But, Wallflower fired a massive barrage of forest green and spring green energy blasts, stars, flowers, plants, magic, and Alicorns at

Brad Buttowski, and they exploded as they hit him and drove him back, this really pissed him off greatly now. But, before he could get after her again, Lincoln rushed in with superhuman speed and punched him hard in the face giving him a black eye and knocked out several of his teeth, and this really really pissed Brad off now, as Lincoln came back to us!

Qin: Yeah, there's no way I'm going to stay out of this, that son of a bitch is going to get what he deserves.

Suddenly, Qin's green eyes turned neon green, and she was surrounded by a green energy aura with stars, flames, fires, and Komodo Dragons surrounding her, she unholstered her massive Scalebreath's Fire Komodo Dragon Greatsword of Fiery Justice from her back, and as she approached Brad Buttowski, she left green energy, stars, flames, fires, and Komodo Dragons with every step.

Qin: Just like Wallflower said, you've had this coming for a very long time, you worthless piece of shit, as if what you've done to Kick wasn't bad enough, but you've also got some nerve pissing us off for too many times, and for your recent stunt, don't think you're getting out of this alive, now you're going to die horribly for everything you've done.

Suddenly, Qin was surrounded by a massive vortex of green energy with stars, fire, and flames surrounding the vortex, there are Komodo dragons and Scalebreath running around the vortex, and in the vortex is a black phoenix with red eyes glaring at Brad Buttowski: the red eyes of eternal death. Then, as the vortex faded, Qin emerged, but she was changed forever.

We were amazed by Qin's Super Angel-Underground Girl-Scalebreath-Komodo Dragon-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Brad Buttowski saw it, the fucker lost his mind again and this time, went after her to kill her. But, Qin fired a massive barrage of green energy blasts, stars, fire, flames, and Komodo Dragons at them, and he got hit hard and blown back, and this made him even angrier now.

Qin: (Divine Echoing Godly Voice of The Star Fire Underground Komodo Dragon Angel and Divine Star Cosmic Water Underground Komodo Dragon Angel Hope) That was for putting Kick through Hell and for all your other stunts, you fucked-up piece of shit! And you really had a fucking screw loose in your head if you thought you could try to attack me!

Lincoln: But, it won't matter either way, because he's going to die.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Wallflower and Qin, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused us more than enough trouble for the last time, Brad Buttowski. Now, we're going to put you down like the mongrel that you are.

Me and Nico: You're heading for an early grave, you fucked-up piece of shit!

Eli: You're going to get your empty skull bashed in for everything you've done, you piece of crap!

Lana: And then I'm going to have Lucy turn your skull into a toilet and pee in it!

Lola: And then turn your skin into footie pajamas!

Nico: And then I'm going to rip your heart out and eat it!

Brittney: Then I'm going to eat your brain!

EW! WE ARE REALLY GROSS!

Nico: Qin, make him bleed!

Qin: With pleasure.

We were all spewing death threats like crazy at Brad Buttowski, and this absolutely drove him off the deep fucking end as he screamed in extreme rage and ran at us like a fucked-up animal, but we were so ready for him.

Lincoln, Wallflower, and Qin went after Brad Buttowski, who's now gone Nth-Degree Fucked-Up crazy and charged at us like an animal, and they fired extremely powerful blasts of rainbow energy, forest green and spring green energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Brad Buttowski and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his claws and firing energy slashes from his gold armored claws and he, Wallflower, and Qin attacked them with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Brad Buttowski insane with rage.

Brad Buttowski: (NTH-DEGREE FUCKED-UP ENRAGED SCREAMING) I'LL FUCKING KILL YOU ALL, YOU FUCKING DILLWEEDS!

Brad Buttowski ran at us with extremely fucked-up rage, but Lincoln kicked him hard in the stomach and sent him flying into the air.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the last time we ever have to deal with a piece of crap like you.

Nico: That is for sure!

Lincoln lifted his massive greatsword above his head and he drew a ring of fire which'd opened up a portal, and then, demons from the depths of Hell flew out of the portal, and they proceeded to rip and tear Brad Buttowski apart splattering his blood and guts all over the place as he screamed in agony and pain.

Me: WHOA! Oh man, you summoned demons from the depths of Hell to tear him apart, damn!

Nico: (Smirks) Well, he did have training from his Guardian Angels who know much about the Dark Arts and one of those Dark Arts includes Demon Summoning.

Anna Anyanova: When the others see this, they're going to be so impressed!

Sabrina Lorelai: That also includes the other Gothic Guardian Angels, Anna.

The demons devoured Brad Buttowski's body and they flew back into the portal as it closed. Then, Brad Buttowski's spirit appeared.

Brad Buttowski: You think you Dillweeds have won, you think this is all over?! I'll come back again, and I will kill you ALL! YOU HEAR ME?!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That chance will never come, and like I said, this is the last time we ever have to deal with you.

Lincoln drew the Judgement Kanji on Brad Buttowski's forehead, and then, it glowed with purple light and he was seized by all those he hurt, and finally, he was erased by The Black Gates.

Brad Buttowski: DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (SCREAMS IN PURE NTH-DEGREE FUCKED UP RAGE AS HE FADES AWAY)

Maria: That erases him, not the things we saw because of him!

Nico: Yeah no shit.

We all cheered as Lincoln, Wallflower, and Qin holstered their massive greatswords and powered down, and Wallflower's new body, clothes, weapons, jewelry, Third Eye, longer tail, longer white horn, and massive green angel wings are permanent, and Qin's new body, clothes, weapons, jewelry, Third Eye, and massive black angel wings are permanent.

Suddenly, Wallflower felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Wallflower?

Wallflower: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that asshole quite the nasty beating of his miserable life.

Nico: You got that right, and I really liked how you sentenced him to die, Lincoln: drawing a ring of fire above your head and that turned into a portal that summoned demons that tore him up and ate him.

Lincoln: I figured it would be perfect that he gets to experience what happens when he comes face-to-face with Hell's legions.

Wallflower: He was nothing more than a piece of trash, he deserved it big time.

Lola: You got that right.

Suddenly, Wallflower wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Wallflower's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flowers growing around them and we cheered wildly. Then, Lincoln and Wallflower absorbed the elements and the plants and they came back to us as the display vanished.

Lincoln: Now, we can finally consider Brad Buttowski as nothing more than a forgotten memory.

Nico: An absolute menace to society.

Me: You got that right, after trying to piss us off to no fucking end, his stunts have finally caught up to him.

Nico: And he paid the ultimate price for his reprehensible ugly nature.

Qin: Yeah no kidding!

Eli: Getting torn apart by the demons of Hell. Say, can you also summon the armies of Heaven with that same trick?

Lincoln: I can.

Nico: Next rescue, I definitely want you to do that, Lincoln. You made Brad experience Hell when you summoned those demons, the next villain, I want him to suffer Heaven's wrath.

Me: That's an awesome idea.

Lincoln: I'll definitely do that.

Xenia: The retribution of Angels. Awesome.

Nico: Now, for business.

Me: Yep the Anothers.

Eli: I sensed them and we have Another Cloud Creatures, Cloud (Marvel), Cloud of Darkness, Silver Swan, Cloud Hilton, Silver St.

Cloud, Suzaku and Vulkanus.

Me: Whoa all Cloud villains.

Qin: Cool!

Nico: Yeah!

Lola: Yeah!

Me: This will be interesting.

Maria: Who do we call for them?

Me: Time to fight Clouds with Clouds! I summon THE CLOUDIANS!

I summoned Cloudian Eye of the Storm, Turbulence, Storm Dragon, Poison Cloud, Cirrostratus and Acid Cloud!

Poison Cloud: Boy this is fitting for us!

Cirrostratus: It sure is!

Storm Dragon: Yeah it sure is.

Eli: And I sense that the Anothers minus Vulkanus are one person.

Nico: Whoa!

Camie: Awesome!

Nico: Now, we wait.

Lola: We don't have to wait long!

We saw Another Cloud Creatures, Cloud (Marvel), Cloud of Darkness, Acid Creature (Scooby Doo), Cloud Hilton, Silver St. Cloud and Suzaku!

Lola: Whoa!

Another Acid Creature (Scooby Doo): This will be cool.

Me: That voice!

They merged and she reverted back and it was a girl with magenta hair and she had blue eyes and had the kanji for Cloud in the middle of her forehead and she had purple clothes and had purple angel wings and had a storm sword in her hands.

Me: (GASP) Mira Cloudian!

Mira Cloudian: It's amazing to see you again J.D. and it's great to be surrounded by all these amazing clouds.

Me: Boy it sure is. Mira is the gene-slammer of the Cloudian Monsters and also she is a member of the Great Cloud Appreciation Society.

Nico: COOL!

Eye of The Storm: Wow it's an honor to meet the gene-slammer of us.

Mira Cloudian: Same here.

Me: Me and Mira photographed and took pictures of awesome clouds of all kinds. We even went to alien planets and took pictures of clouds there.

Nico: That is cool!

Qin: Boy I'll say.

Me: Yep. You wouldn't believe how many kinds of clouds there are.

Acid Cloud: That is really awesome.

Cirrostratus: It sure is and you are an amazing cloud lover.

Mira Cloudian: I sure am.

Me: Sorry we have to fight like this.

Mira Cloudian: No worries.

Camie: By the way is the Another Vulkanus friendly or hostile?

Me: Aww Camie I was going to ask that.

Camie: Sorry J.D.

Mira Cloudian: She's friendly and knows Maria well.

Maria: Wow.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the Anothers!

We fired waves of energy and blasted them and smashed the Anothers and I caught the Wonder Ride Books.

Lola: Awesome!

Eli: Now for the Another Vulkanus.

Shanan: This will be awesome.

Camie: Yep.

Nico: There she is!

We saw Another Vulkanus!

Qin: Whoa!

Me: Another Vulkanus!

Xenia: Oh boy.

Another Vulkanus: (In a girls voice) Maria it's awesome to see you. And you too Carol.

Maria: (GASP) That voice!

Carol: Wait is that!?

She reverted back and was a girl that was made entirely out of cosmic matter! She had the stars, planets and nebula in her.

Callie Cosmica: Callie Cosmica is here!

Maria: Callie! Wow!

Carol: Oh wow! I haven't seen you since kindergarten. Been a long time!

Callie Cosmica: It sure has been a while.

Me: One of your friends that got mutated from the Big Bang?

Maria: Yeah that's right. Callie is an astronomer and she studies all about the stars.

Nico: Whoa!

Me: You look awesome made of stars.

Callie Cosmica: I sure do.

Me: What were you doing when the Big Bang happened?

Callie Cosmica: I was observing the stars through my telescope and then this purple cloud appeared out of nowhere and covered me. Next thing I knew I was turned into this.

Qin: Whoa!

Kaito: (Gets out Gokaiger gear) Did Swartz promise you anything?

Zocks: (Gets out Go Busters gear) Because we can grant it instead.

Kaito got a Super Megaforce sword and Zocks got a Beast Morpher Sword.

Callie Cosmica: Just to cure my condition.

Me: Well how would you like the power to use these powers as human and all that.

Maria: Yeah it worked for me and my friends. So it'll be perfect for you.

Callie Cosmica: I would like that.

Qin: Awesome.

Me: First lets get rid of the Another.

Callie Cosmica: Right.

She turned back into Another Vulkanus.

Sougo (gets out Super Megaforce Ridewatch): Do you have a hero name?

Geiz (gets out Beast Morphers Ridewatch): All Bang Babies have one.

Sougo got SuperMegaforceRedArmor while Geiz got RedBeastMorpherArmor.

Callie Cosmica: I sure do. I am called Cosmicallie.

Qin: Nice name.

Xenia: Cool.

Nico: Time for some Taedenite Fury. (ACTIVATES VULKANUS

AND SUZAKU'S RIDEWATCHES)

He fired waves of lightning and energy and smashed her down.

May: Feel the heat! (ACTIVATES HEAT THING AND IRONCLAD'S RIDEWATCHES)

She fired waves of lava and energy and smashed them down.

Maria: And this! (ACTIVATES OPEN ROIDMUDE AND YOST JUGGERNAUT'S RIDEWATCHES)

She fired waves of energy and smashed them down.

Fu: Time for some lightning! (ACTIVATES SUZAKU'S RIDEWATCH) (Echoing) STORM OF TORMENT!

She fired a massive blast of lightning and electrocuted her.

Then Whirlwind, Evil Luxord, Water Hoser, Ryudragoons, Anck-Su-Namun and Bi-Beast came.

Nico: Nice team Whirlwind!

Whirlwind: Thanks Nico.

Nico: Awesome.

Then a Skeledirge came!

Me: Cool a Skeledirge!

Nico: Awesome.

Skeledirge: (In a girls voice) Awesome to see you again Nico.

Nico: Roxanna Fira!? Whoa!

She reverted back and was a girl with orange hair and red eyes and had red and orange clothes and she had the kanji for song in the middle of her forehead.

Roxanna Fira: Yep. I got this.

She fired a blast of fire and smashed down Another Vulkanus and I caught the ridewatch and purified it and she was back to normal.

Me: Awesome. Now for this. (SNAPS FINGERS)

Callie was human again and she had her blue shirt and black pants and had a blue vest on.

Qin: Awesome!

Fu: What's your favorite memory of Nico?

Roxanna Fira: When me and Nico burned down a club full of bullies while they were sleeping. They came after us and tried to kill us. But we bashed and pulverized them.

Nico: Yep.

Qin: Awesome!

Nico: That sure was.

Nico and Roxanna hugged.

Nico: I've missed you.

Roxanna Fira: Sane here Nico.

We went back home.

Me: Whoa, this is one mountainous planet!

Lincoln: (GASPS) I know where we are, we're on Margaret Desroches' home planet, Geos, and I know what we're going to do here, not only am I going to rescue the five girls here, but I'm also going to meet Margaret Desroches' parents and destroy Margaret Desroches' Bringer of Chaos older brothers, Ajax and Acker Desroches.

Margaret Desroches: This is going to be so awesome, you're going to meet my parents, Linky, and I should've known Ajax and Acker would be our targets. Years ago, those two troublemakers had tried to start trouble with you and they've threatened to break us up and/or kill you.

Lincoln: Which is why when we get after them, I'll do to them what I've done to Pyros' Bringers of Chaos, Hydros' Bringers of Chaos, Aeros' Bringers of Chaos, Umbras' Bringers of Chaos, and Lucius' Bringers of Chaos. There's the castle, let's head in to meet your parents, and then, we get after your older brothers.

We arrived at the royal palace of Margaret Desroches' parents, and we headed for the throne room, and we were greeted by Margaret Desroches' parents: her dad, Aaron Desroches, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, brown hair, orange sclera, brown eyes, massive brown angel wings, and he has on orange shorts with brown rocks, orange loincloth around the waist with gold belt and orange gem for the buckle, and he has a massive greatsword holstered on his back, and her mother, Kaia Desroches, a 7'9" beautiful woman with the body of a goddess, brown hair, orange sclera, brown eyes, massive brown angel wings, and she has on an orange crop top and orange shorts.

Margaret Desroches: Mom, Dad.

Aaron Desroches: Margaret, it's so good to see you here. And you've also brought Team Loud Phoenix Storm with you along with your future husband, Lincoln, right?

Lincoln: Yes, that's correct, Mr. Desroches.

Kaia Desroches: You're indeed everything my daughter says you are, Lincoln, and we can already guess she marked you when you both met again.

Me: Yes, that's right.

Nico: And Margaret told us about your other children, your older sons, Ajax and Acker, who are going to try to start trouble with him and they've been threatening to break them up and/or kill Lincoln.

Kaia Desroches: Yes, that's correct. Margaret's also right about calling them bringers of chaos. For so many years, those two have started trouble and caused so much havoc on Geos, it's not funny, and threatening to ruin the relationship of Lincoln and Margaret and even threatening Lincoln's life, that is truly unforgivable.

Aaron Desroches: Indeed.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a short-sleeved black blouse, sleeveless black top, necklace with pearls and red gem for the pendant, long frilly black skirt with jewels around the waist, white bridal gloves, black gothic stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with darkness, angels, demons, and angels on the coattails and on the back are the Fabled Duel Monsters, and in her right hand is a purple greatsword and a girl with long hair with the same colors as Princess Luna's mane and black hairband, midnight blue clothes with Princess Luna's cutie mark on the midnight blue skirt, black choker, white bridal gloves, midnight blue unicorn horn on her head, and midnight blue angel wings and they had the four girls with them.

Lincoln: (GASPS) Aldonza Calavera, Gene-Slammer of The Fabled Duel Monsters.

Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkis, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore: (Spanish Accent) The Goddess of The Fabled, she's here.

Aldonza Calavera: (Spanish Accent) That's right.

Then, Princess Luna appeared.

Princess Luna: And the second girl with you… , (Gasps) Adrienne Nightingale.

Lincoln: You know her, Princess Luna?

Princess Luna: I do, from Canterlot, and it was right before…

Adrienne Nightingale: Before I moved to Royal Woods. Allow me to introduce myself, my name is Adrienne Nightingale, Gene-Slammer of Princess Luna, Alicorn Princess of The Night, I'm Lincoln's Guardian Angel from Equestria and a powerful force of the night and dreams and I'm also a very powerful Alicorn and very powerful master of The Moon and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a midnight blue neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my midnight blue horn on her head glowed with midnight blue light and it was a sign of true love. Plus, I'm also a dear friend of Princess Luna from long ago and our bond has remained strong to this day, and like Princess Luna, I'm an amazing girl with the powers of the night and the moon, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because I had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are.

Nico: What did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Adrienne Nightingale: Those five were waiting for Lincoln in an ambush, and then, they'd come charging at him to kill him in another attempt at his life, but I saved Lincoln as I charged in and kicked them into a nearby fence and they got knocked out because of just how strong I am. I dragged them home and told the family of what they tried to do to Lincoln, and not only did they get grounded for a month, but after I sent them running to their room, I put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

We gasped.

Me: The dark sides of Lori, Lynn, Lola, Lisa, and Luan made them truly evil and deranged monsters!

Laney: We warned them numerous times about this, but no, they refused to listen and they had their heads too far up their butts, and I wished someone would come and put those five in their place.

Lincoln: That task was always left to my Guardian Angels to put them in her place. And it's awesome to see you again, Adrienne.

Adrienne Nightingale: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Princess Luna, you really have changed a lot since we last met.

Princess Luna: Indeed I have, Adrienne, and there's a lot of things that you should also know about ever since you were gone, and many of them had happened to me.

Lincoln told her of how Princess Luna was reunited with her Children of The Night, and how we got rid of The Tantabus, and that it was Grogar who had a hand in inciting jealousy in Princess Luna that had sparked her transformation into Nightmare Moon.

Adrienne Nightingale: I knew Grogar had a hand in this, he really is nothing more than The Devil Incarnate of Equestria.

Lincoln: Yeah, but we made him pay and sent him to The Black Gates forever.

Suddenly, Lincoln went up to and hugged Adrienne Nightingale in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with midnight blue gems on the gold lightning bolts and midnight blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Princess Luna: I knew that was coming, and now, you're part of Lincoln's harem and are now one of his future wives. But, I'd save the kissing for later, let's get after Margaret's siblings before they get after us.

Kaia Desroches: They've been sighted 200 clicks from the palace.

Lincoln: Whoa, that was quick!

Aaron Desroches: When trouble arises because of any attacking enemies or Ajax and Acker.

We headed outside to hunt down our targets: Ajax and Acker Desroches.

Suddenly, we saw the two people who Margaret Desroches talked about: her two older brothers, Ajax Desroches, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, brown hair, orange sclera, brown eyes, massive brown angel wings, and he has on brown shorts with orange rocks, orange loincloth around the waist with gold belt and orange gem for the buckle, and he has a massive greatsword holstered on his back, and Acker Desroches, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, brown hair, orange sclera, brown eyes, massive brown angel wings, and he has on brown shorts with orange rocks, orange loincloth around the waist with gold belt and orange gem for the buckle, and he has a massive greatsword holstered on his back.

Ajax Desroches: You goddamn stupid white-haired freak, so you're still together with our idiot sister?!

Acker Desroches: We'll kill you, and we'll make that stupid bitch learn her place like the dog that she is!

Ajax and Acker Desroches marched towards Lincoln with murderous intent to kill him, but before Sebastian could get at them, Lincoln slashed them on the chest with his right hand's gold-armored claws on his fingers leaving claw marks on their chests.

Ajax Desroches: WHAT THE?!

Then, Lincoln fired blasts of earth at them and sent them crashing into a wall!

Acker Desroches: Dad, Mom, do something about this insect!

Kaia Desroches: No. We've had it up to hear with you two little parasites.

Aaron Desroches: Your mother, Margaret, and I have had it up to hear with you two for the last time. For years, you two have caused a ton of trouble with you two running wild and causing havoc. Lincoln is a wonderful young man and we're proud of Margaret getting together with him, and over our dead bodies will we ever let you two get any closer to hurt him!

Ajax and Acker were really panicking now: their parents have seriously got them on the ropes now!

Ajax Desroches: W-what are you and Mom talking about, Dad? If that white-haired freak marries that bitch, Margaret, he'll be part of our family, and we don't want it!

Kaia Desroches: We've already seen just what kind of man Lincoln is: he's smart, extremely strong, brave, courageous, manly, and not afraid to stand up for everyone around him. He's already proven himself many times to Roxanne, and she's always protected him from danger. We already approved of Lincoln even before they came here to Geos while you two have been running wild without a care in the world and are still causing mayhem and chaos on Geos. The hell you mean Bringer of Chaos, the only two people worthy of that dirty shameful title are you and Acker, Ajax.

Ajax Desroches: N-no way!

Aaron Desroches: We held you both in the same high regard as

Margaret as part of our family, but what with the chaos and mayhem you've caused on Geos, and the constant planning of trying to break Adreana, Arianna and Lincoln up and/or kill Lincoln so Margaret could suffer from heartbreak of losing the man she loves, you two will never be forgiven! You hear me?

Ajax and Acker were in shock!

Kaia Desroches: And we've also decided on this: you two will forever be disowned and we're cutting ties with you both forever!

Margaret Desroches: Same with me. You two bringers of chaos have caused me enough trouble to last an eternity. Lincoln, would you be so kind?

Lincoln: Gladly.

We saw the sclera of Lincoln's eyes turn orange, his deep sapphire eyes turn deep brown, and the rainbow iris of his Third Eye turn orange, and he also has orange earth tattoos on his massive muscular forearms: Lincoln's turned into his own Geosapien form.

Nico: WHOA!

Aaron Desroches: This was due to Margaret marking Lincoln and Lincoln marking Margaret, and he now has his own Geosapien form, that's quite impressive.

Ajax and Acker Desroches: YOU'VE GOT TO BE FUCKING KIDDING ME! YOU'RE CHOOSING THAT FREAK OVER US!

Aaron Desroches, Kaia Desroches, and Margaret Desroches: WITHOUT HESITATION!

Ajax and Acker Desroches: NOOOO!

Sylvester: All the same, now no one's going to say a kind word to you two moth-munching parasites.

Lincoln then grabbed Ajax Desroches' neck with his large left hand and he sucked out his incredibly strong cosmic earth powers, massive muscle mass, and immortality, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Ajax Desroches was now thin as a rake and he didn't have any of his earth powers anymore nor his immortality.

Then, Lincoln grabbed Acker Desroches' neck with his large left hand and he sucked out his incredibly strong cosmic earth powers, massive muscle mass, and immortality, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Acker Desroches was now thin as a rake and he didn't have any of his earth powers anymore nor his immortality.

Margaret Desroches: And not only did you two get stripped of your incredibly strong cosmic earth powers and massive muscle mass, but also, you've been stripped of your immortality since you two were nothing but pure evil.

Ajax Desroches: YOU BITCH! WE'LL KILL YOU BOTH!

Lincoln fired powerful orange blades from his massive greatsword and they pierced Ajax and Acker Desroches and they exploded and they were both sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Then, Geos was suddenly beamed to our solar system and is also close by to the World Tree Estate.

Nico: And now, Geos has been beamed to our solar system.

Lincoln: And put under our protection, and that's another pair of moth-munching parasites will never be part of our family ever. (To

Aldonza Calavera) And it's so good to see you again, Aldonza Calavera.

Aldonza Calavera: (Spanish Accent) You too, Linky, it's been a long time.

Lincoln went up to Aldonza Calavera and he hugged her, and Aldonza Calavera is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aldonza Calavera: (Spanish Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Aldonza Calavera, Gene-Slammer of the Fabled Duel Monsters, she's my Guardian Angel from Guanajuato, Mexico and his classmate in Art and Gym. She's a Goth Girl born with all of the powers of darkness and the ability to summon imps, along with midnight black angel wings, and she also knows a lot of spooky Spanish legends and legendary monsters of Spanish legend. She also knows much about The Occult and has a gift with all forms of Dark Magic, Black Magic, Satanic Magic, and The Dark Arts, and she's also a childhood friend of Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkis, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore.

Maria Garcia: (Spanish Accent) But, she has a very dark past, when she was little and when she was growing up, her parents practiced Dark Santeria and the Dark Side of Mexican Witchcraft, and they had used their dark arts to inflict death and chaos on many of their enemies, and their enemies were actually innocent people, but they crossed a very dark line when they chose Lincoln as their next target to slake their sadism. Aldonza Calavera fell into a very dark rage, and she Gene-Slammed herself into all of The Fabled Gene-

Slammers and gained their powers over light and she also had gotten imps as well, and she then unleashed her powers of darkness and light on them and she had banished their souls to Xibalba to suffer eternal torment and torture.

Emilia Ashenveil: (Spanish Accent) Lincoln saw what happened and he ran to her home to find out what happened, and Aldonza Calavera had told him everything about what her parents tried to do to him, and she broke down and cried as she hugged him, and Lincoln hugged her back. Then, the news was passed to us and they understood why she did what she did, and she became a member of The Order of The Fabled.

Gabriella Gallabas: (Spanish Accent) From that day on, Aldonza Calavera swore to defend the innocent from those who dare to use the dark arts to inflict pain and suffering for their own sadism and amusement. Aldonza is also good friends with Lucy and The Young Morticians' Club, and like us, she hates Lori with a blazing passion, along with that gold-digging sack of feathers, Sergio.

Nico: Should've guessed it. We knew it from the other Fabled Gene-Slammers.

Aldonza Calavera: (Spanish Accent) Ay, it's true. I hated Lori with a blazing passion, but I also had a really nasty hatred for that gold-digging sack of feathers, he was literally trouble for a very long time.

Lincoln: But, we got rid of Dark Lori for good, and we permanently put Sergio on thin ice after we'd done a trial for everything he'd done, and it didn't end with Sergio being kicked out since he wouldn't last long in the wild, but he was put on permanent thin ice and we revoked all his partying privileges, he won't ever be going to any parties ever again.

Kurumu: Plus, that sack of feathers also put an Anger and Paranoia chip on Linky so he'd lose it and be consumed by anger and rage towards Nico as another plot for revenge!

Aldonza Calavera: (Spanish Accent) (SUPER ENRAGED) HE DID WHAT?!

Me: Kurumu, that was a bad time for you to say that.

Nico: You should've waited until we got back, so she can kick the tar out of him.

Lincoln: Now, now, as I said, Sergio's on permanently thin ice with us. But, when we do get back, you can kick the tar out of him.

Aldonza Calavera: (Spanish Accent) Okay.

Lincoln: Good. And now that you're here.

Lincoln went up to and hugged Aldonza Calavera in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aldonza Calavera: (Spanish Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aldonza Calavera's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Aldonza Calavera: (Spanish Accent)(Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aldonza Calavera.

Aldonza Calavera had a smile on her face and tears in her eyes as

Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the five girls, and when Lincoln saw who they were, they immediately recognized them. The five girls are Ren Mikuriya, Rina, Charon Tachibana, Lucia Valignano, and Sonnya Bookblade/Director Academy from Unless Terminalia.

Lincoln: Oh wow, it's Ren Mikuriya, Rina, Charon Tachibana, Lucia Valignano, and Sonnya Bookblade/Director Academy from Unless Terminalia.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ren Mikuriya: Yes, we're okay, thanks to you.

Ren Mikuriya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ren Mikuriya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ren Mikuriya, Rina, Charon Tachibana, Lucia Valignano, and Sonnya Bookblade/Director Academy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were Margaret Desroches' Bringer of Chaos siblings, Ajax and Acker Desroches.

But, when Lincoln showed what we did in viciously beating those overgrown musclebound morons down, then, Lincoln grabbed and sucked out Ajax and Acker Desroches' muscle mass, incredibly strong cosmic earth powers, and immortality, and sent them to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Adrienne Nightingale, and Aldonza Calavera have a lot of catching up to do now that they're back in town.

Maria: That's two more moth-munching parasites that you won't ever be related to in the future.

Lincoln: Yep.

Margaret Desroches: Those two were never our siblings, they're so stuck up, stupid, idiotic, moronic, and selfish, they didn't want me to be happy and delighted in seeing me miserable, but what they'd tried to do in trying to make us break up and/or kill you, that really did it! Those two ugly pigs with no manners deserved to get their ties cut by Mom and Dad.

Aldonza Calavera: (Spanish Accent) Alright, now where's that gold-digging sack of feathers?!

Maria: What happened?

Lincoln: Kurumu told her of what Sergio did in putting that Anger and Paranoia chip on me, and she's pissed off.

Then, Aldonza Calavera saw Sergio, and the fiery rage in her re-awakened and she pounced on and thrashed Sergio, and she threw him inside his cage once again.

Aldonza Calavera: (Spanish Accent) That's for putting that Anger and Paranoia chip on Linky, you sack of feathers!

Maria Garcia: (Spanish Accent) We did say her hatred for Sergio is really bad, and he caused us a lot of trouble in the past, so it's fitting he gets his rightful punishment.

Lincoln: True.

---

After getting rid of Geos' Bringers of Chaos, Ajax and Acker Desroches, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aldonza Calavera and Adrienne

Nightingale saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aldonza Calavera: (Spanish Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Adrienne Nightingale: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Aldonza Calavera: (Spanish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian

Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Adrienne Nightingale: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Aldonza, we've already heard from Adrienne of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Aldonza Calavera: (Spanish Accent) Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at The Casagrandes' apartment, and we were cooking lunch with Mrs. Casagrande. But, then, we heard the annoying squawk that we all know all too well: it was Sergio, and he was about to dive-bomb Lincoln and slash off his clothes and leave him in his underwear. But, I used his marshmallow blaster and blasted him, and he got stuck to the ceiling in marshmallow mush, and he was absolutely humiliated as we took pictures and posted them on the internet.

Aldonza Calavera showed us the picture, and we were laughing hysterically.

Eli: (LAUGHING HYSTERICALLY) SERVES YOU RIGHT, YOU SACK OF FEATHERS!

Sergio: (GROWLS ANGRILY)

Nico: Don't get anymore dumb ideas, Featherbrain. Like Lincoln said, you're on permanent thin ice with us.

Lincoln: Don't push it, Sergio, or I'll let my Fabled Gene-Slammer

Guardian Angels decide on a worse punishment for you.

Raven Ghostrick: He's right, you better not do anything else to anger us, Sergio, because we'll do a lot worse to you.

That caused Sergio to shut his big fat beak: fearing he'll anger Aldonza Calavera and the other Fabled Gene-Slammers even more.

We got a shower, and then, Lincoln, Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Empress of Prophecy: Whoa, so this is Shangri-Spa, it truly is beautiful.

Lincoln: It sure is, Empress of Prophecy, and it's perfect for our first date. Shall we?

Lincoln, Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira went to The Spring of Purification, The Spring of Bliss, The Spring of Sanctuary, The Spring of Jungle Mist, and The Spring of Rainbows, and they enjoyed taking a dip into each of the springs, and Lincoln got a deep-tissue and muscle massage from the girls as he felt the tension he had suddenly melt away, and he also gave the girls a deep-tissue and muscle massage and they enjoyed it.

Then, they went into a work-out area and worked out, and The Spring of Bliss is east of the plaza, the Spring of Sanctuary is south of the plaza, and Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira and they hugged them in their abnormally massive and powerful muscular arms, and Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira are in your harem.

Korra: Wow, now that's really awesome. Plus, I was also surprised to find out that our Simulator counterparts also had an interest in Lincoln.

Asami: And the same went with the Universe 666 versions of Aligned Airachnid and Kuvira.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Downerd Magician, Harmonizing Magician, Empress of Prophecy, Universe 666 Aligned Airachnid, Simulator Korra, Simulator Asami Sato, and Universe 666 Kuvira, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy Adventure.

Nico: Next is Drip Drop Galaxy.

Qin: Cool!

Lola: Yeah!

Nico: This will be fun.

They went in and they were at Drip Drop Galaxy!

Nico: Here we are.

Gali: Perfect for me and Nokama.

Nico: Easy.

Then a Quaquaval came.

Nico: Cool a Quaquaval.

Quaquaval: (In a girls voice) This will be fun.

Nico: Collette Remmington! Wow!

Nokama: Don't revert back yet.

Quaquaval: I plan not to till after this.

Nico: I don't think there are any Goombas here.

Gali: No even if there were they can't swim.

They dove in and went after the eels!

Nico: Lets get them!

Gali: Me and Nokama will start us off!

They fired waves of energy and blasted the eels!

Nico: (gets out Vulkanus and Juggernaut's Ridewatches) I hope this make me strong enough!

He activated them and grew muscular and Nico bashed the eels.

Quaquaval: Time to finish them.

Quaquaval fired waves of water and smashed the eels! Then the star was revealed!

Nico: There it is!

Gali: We got this.

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Collette reverted back and she was a girl with blue hair and had a blue tank top and blue skirt and had blue angel wings.

Collette Remmington: That was awesome!

Nico: Yeah!

Gali: What's your favorite memory of Nico?

Collette Remmington: When me and Nico won the Aquatic Dance Competition and that was fun.

Nico: That was where we had to dance on water.

Nico and Collette hugged.

Nico: I've missed you.

Collette Remmington: Same here.

Andie Kylie: Mind if I join you guys?

Me: Sure.

She ate with us and we were hungry.

G1 Inferno: What's your favorite memory of Nico?

Andie Kylie: When me and Nco ate the largest bean burrito ever. The El Flatulencia. It's a giant and huge bean burrito that weighs over 10 pounds and me and Nico became the only 2 people to eat it.

Nico: It sure will.

Me: This one is for the jerks.

I went to Lynn's Table. And gave a Fortune Cookie to Flip and ran back fast.

Flip: Fortune Cookie huh. Haven't had one of these in a while.

He opened it and read it.

Flip: Luck be a lady tonight! (Reading) "Bad Luck and Extreme Misfortune Will Infest Your Pathetic Soul for All Eternity."

I sat down back at our table and just as I got back…

Nico: WHOA! HOLY CRAP!

Eli: Holy mackerel! That is all coming from Flip?

Me: Yep. I don't know what was in that fortune cookie but I sensed that it was dangerous.

We were flying to New York City.

Biowulf: Will Connor McDavid be there?

Me: We'll find out.

Lynn: And I love a good hockey game.

Me: Nico remember the hockey game we went to that dealt with Stern Fern?

Nico: How can I forget.

Apple Bloom: That was where me and the Crusaders met our archenemies.

Lori: That was literally so fun.

Nico: It sure was.

Lola: Yeah it was.

We arrived at the hockey stadium.

Terrence: Here we are!

Nico: Awesome.

Casey: Follow me guys. We get in for free thanks to me.

Me: Cool!

We went in and followed Casey and got our seats.

Nico: Wow!

Me: Boy this is gonna be fun.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than the Turtles' old foes, The Texas Roughnecks, and they escaped from prison wanting revenge on The Turtles for throwing them in prison. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I just had a vision and saw who it was that we're going to confront today: the figures I saw in the vision were none other than the Turtles' old foes, The Texas Roughnecks, and they escaped from prison wanting revenge on The Turtles for throwing them in prison.

We gasped.

Leo 2003: What? Oh, that's not good.

Casey Jones 2003: Those crooks tried to steal the Golden Puck Trophy, but we defeated them and sent them to prison. Now, those crooks have escaped from prison and it looks like they're after The Golden Puck Trophy again.

Me: We won't let those crooks get away with this.

Nico: You got that right.

Sheila: We'll have everyone ready and waiting to spring the ambush on those bastards.

Tom Lair: That's right.

Eric Loud: I'll also be waiting to ambush them as well once you guys take them down.

Lincoln: Okay, Cousin Eric.

Nico: Yeah.

Me: Donny what can you tell us about the Texas Roughnecks?

2003 Donny: Well they are a criminal group but they are as you know from Texas. Their leader is Mr. Arboost.

He went over their history.

---

Mr. Arboost is a wealthy criminal boss in the 2003-2009 animated series, and leader of the Texas Roughnecks criminal group. He wears a cowboy hat.

He wanted to have a super slam hockey team of his own, but the officials refused to give him one, saying that his image was wrong for the sport (mainly because he recently got out of jail). He decided to steal the Golden Puck prize and use it as a bargaining chip to get what he wanted. In The Golden Puck episode, he sent Slim, Robby and Bobby to steal it during a super slam hockey game. The Ninja Turtles and Casey Jones managed to take it from him, leading to a frenetic car chase. However, Casey wanted properly deal with Arboost and the Texas Roughnecks, which was done by luring them back to the hockey rink and fighting them. After that, he and his henchmen were taken to prison

---

When he was done we were shocked!

Clay Bailey: Why those rotten no good sidewinders! How dare they disgrace the good name of Texas!

Sandy Cheek: I'm gonna be on them like ugly on an ape!

Applejack: YEAH! No one disgraces the pride of Texas and gets away with it!

Needle Man: We need to form a plan of attack.

2003 Casey: No! We have to go now! Every minute we waste gives them more of a chance to escape with it!

Cyborg: Will you calm down, man? It's just a puck.

2003 Raph: (facepalms) You shouldn't have said that.

2003 Casey: Just a puck? Just a puck!? It's not just a puck! It's a symbol, that Golden Puck comes from the beginning of ice hockey and carries us towards the future of… ice hockey! Don't you get it? It's like stealing the Empire State building, or-or-or apple pie! And I'm getting it back whether you guys help me or not! (storms off)

Me: I'm going with you!

April: Me too!

Nico: Not without us you don't!

We went with them.

2012 Casey: I'm with you, man! (follows him)

2003 Mikey: They have apple pie here?

May: Well, at least he won't be completely alone.

2003 Mikey: Where's the pie? I distinctly heard someone say pie.

Laney: Come on guys!

Everyone came.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than his, Linka, Penny, and The Rescuers' old enemy, Madame Medusa, and she's broken out of prison wanting revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit especially you, Linka, and The Rescuers, Penny: the figure we sensed is none other than our old enemy, Madame Medusa, and she's broken out of prison wanting revenge.

We gasped.

Penny: I can't believe it, that witch has escaped from prison once again?!

Linka: She has got some nerve escaping from prison.

Rhonda Asmodeus: I remembered you telling me about that day long ago, Lincoln. I can't believe that old witch has escaped, well, there's no way I'm letting that greedy old hag try and get her revenge, she will pay!

We gasped.

King Mickey: Rhonda, are you sure about this? This will no doubt be a dangerous task for you and Lincoln.

Rhonda Asmodeus: I know, King Mickey, but as one of Lincoln's Guardian Angels, I will not let that old witch get away with this, she will suffer the wrath of the Darklords.

Goofy: Gawrsh, Madame Medusa won't stand a chance against you two, and Lincoln's not the same since that day.

Nico: That's right, Goofy, that old hag's in for one nasty surprise later today. Alright, gang, let's go, we're going to take down The Texas Roughnecks.

Lincoln: And send those crooks straight back to prison, and once we get done dealing with The Texas Roughnecks, you're next, Madame Medusa.

Rhonda Asmodeus: You better be ready to face a tortuous eternity in the blackest depths of Oblivion, Madame Medusa, your greed has forever doomed you, and now, you shall suffer the wrath of The Darklords.

2003 Raphael: You guys really should've handled that better.

Nico: What do you mean?

2003 Raph: Casey is very passionate about that puck. Trust me. I saw how he is about that firsthand.

Me: Really? Wow!

2012 Raph: I have to agree with that. (to Cyborg) Cyborg, what's your prized possession?

Cyborg: My car. Why?

2012 Raph: How would you feel if someone stole it?

Cyborg: I don't have to wonder about it. It's happened a few times. Ask Technus.

2012 Raph: Okay. Stupid question. But that means you should understand how Casey is about the Golden Puck.

Kitty: He's got you there.

Cyborg: You're right.

Me: Casey is an amazing hockey star as I have seen and I can tell he is very adamant when it comes to defending the honor of Hockey.

Casey: You're right on that J.D. and yes Hockey is my life. I use it as my combat style and play it for real.

Me: That is awesome and cool.

Xenia: It sure is.

Me: Also that Golden Puck is very special and I can tell that Casey wants to get it back for the team.

Xenia: That's right.

Me: Also I agree with Casey. Stealing the Golden Puck is like stealing the Stanley Cup after they won the championship.

Casey: Now you're getting it.

Lola: That is true.

Shred Naught: (to Lynn) Aren't you getting mad about this?

Lynn: Oh I'm not just mad. (EXPLOSIVE RAGE BURST) I AM EXTREMELY FURIOUS AND I WILL KILL THOSE JERKS FOR THIS!

A massive vortex of lava and fire blasted out from around her!

Nico: WHOA!

Me: When it comes to sports, Lynn will do anything to protect and enforce the honor of all sports everywhere.

Titanium Titan: (to Johnny 13 and Kitty) (Spanish Accent) Don't worry, Amigos. Your day together can still be fun.

Me: Yeah we can make it work with bringing the Texas Roughnecks to justice.

Johnny 13: That works.

Kitty: I agree there.

Nico: Yep.

Lola: We just got to find them and wail on them with the fury of defending the pride of Texas.

Me: I can tell Applejack, Clay, Sandy and all our teammates from Texas want to get them a piece of their minds.

Air Man: Don't tell me they're at a hotel again!

Casey: I have a feeling they are. That one right there.

We saw that they were in a penthouse suite on the top of the Ritz Carlton hotel.

Xenia: (Whistle)

Me: For guys from Texas they sure have awesome taste. And I know just the perfect place to spy on them from.

We went to the building next door and went onto the roof and we looked down onto the hotel from there. We even monitored them with powerful sound systems to listen in.

Zexion: Where was it last time?

2003 Leo: In the van.

Nico: Wow.

We heard their plan.

Mr. Arboost: YEEHAW! With the Golden Puck I'll be rich beyond my wildest dreams. It'll be one more step closer to becoming the richest not just in Texas but the world as well. I'll even be richer than Team Loud Phoenix Storm.

Me: Nothing can surpass our wealth.

Camie: He sure is greedy.

Eli: Yeah. He wants all the gold in the world all for himself.

Me: I see them watching the van too.

Lola: Yeah.

Terrorsaur: Let's wait until no one's watching the van.

Apple Bloom: Actually I have a plan.

Applejack: You… You do sugarcube?

Apple Bloom: I sure do.

She huddled us together.

Apple Bloom: I'll have you all hide in this capsule right here and then I'll be dressed up as a Room Service Maid. When he put s drop of water on it, the capsule will burst and that will be the entrance for all of us.

Nico: That's genius Apple Bloom.

Me: That's a Perfect Sneak Attack Ambush.

Eli: Yeah it sure will work.

Nico: Where's the capsule?

She pulled out a big Tylenol Capsule.

Nico: Ooh the Old Tylenol Capsule Sneak Attack.

Apple Bloom: Yep. Just add one drop of water.

Titania: Go for it!

Apple Bloom opened it and then all of us got sucked in. She sealed it.

Apple Bloom: Ready guys?

We gave her the okay.

Apple Bloom spun around and was dressed like a maid. She put the capsule on a tray in a cart and had all kinds of good Texas Foods and went to the top floor in the elevator. She got to the penthouse suite and then rang the doorbell.

Mr. Arboost: Who is it?

Apple Bloom: Room Service.

Mr. Arboost: Come on in we're hungrier than a cow eating a cowpie.

She went in.

Apple Bloom: For appetizer we have Texas Bread Rolls with butter and gravy, Mashed taters and beef brisket gravy, Roasted chicken smothered in chicken gravy sauce and served with Texas green peas and for dessert we have Texas Apple Pie in a food capsule. Just add one drop of water.

She showed said dishes.

Mr. Arboost: All right we are starving.

She pulled out an eye dropper and dripped water on the capsule and then it rumbled and floated and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out of the capsule and a Phoenix Cry was heard and then we came out!

Me: Texas Roughnecks, you're under arrest!

Mr. Arboost: Team Loud Phoenix Storm!?

2003 Leo: And we're here to kick your butts!

2003 Casey: Clearly, you didn't learn your lesson last time. So now, I'm gonna whack ya twice as hard!

Number 7: I am not even going to argue with that.

Me: Me neither. But not in here. Too nice a place.

We took the battle to the Chili Dog Planet!

Sonic: Now you're talking!

Qin: Awesome! The Chili Dog Planet is perfect.

Me: We're going to give you this one chance. Give back the Golden Puck and we'll be on our way. Or we fight and we take it back by force. So what's it going to be?

Mr. Arboost: Couldn't even if I wanted. The keys are back in the hotel!

Me: We don't need keys to get it. We have our own ways.

I formed a key from my finger.

Nico: But first we'll take you on first.

He then pulled out his guns and then I fired laser blasts and blasted them out of his hands and then Apple Bloom kicked him square in the crotch!

DING!

Me: (WINCE) OUCH!

Applejack: Time for a Texas Style Buttwhooping!

She formed her lasso and wrapped it around Arboost!

Applejack: YEEHAW!

She threw him around and spun him around like a lasso in a rodeo!

Mr. Arboost: I THINK I'M GONNA BE SICK!

Aligned Grimlock: You're gonna be pummeled, asshole!

He smashed him all over the place with powerful punches.

Applejack then smashed him into a huge pile of chili dogs and then…

KRASPLAT!

He was a mess and Sonic ate all the Chili Dogs that went flying.

Lola: Oh yeah!

Qin: YEAH!

Applejack: YEEHAW! That was a rodeo!

Sonic: Can't let these go to waste!

Nico: That's true!

We fired rainbow energy blasts that tied up The Texas Roughnecks, and they were nabbed by the cops and put into police cars as they drove off.

Me: Have fun going back to prison for the rest of your lives!

Nico: You dumb criminals are a disgrace to the world of hockey! Awesome job, gang, we've taken down The Texas Roughnecks and sent them back to prison.

Lincoln: Now, there's only one thing left to do and one last loose end to tie up: Madame Medusa.

Lincoln: (GROWLS) I always knew there was no mistaking that voice from anywhere, get out here right now, Madame Medusa, before we blast you into dust!

A figure came out, and it was none other than our old enemy, the greedy hag, Madame Medusa, and she also has her two crocodiles, Brutus and Nero.

Linka: You diamond-obsessed old hag, I knew one day you'd come back once again!

Penny: You just don't even know when to quit, do you?!

Madame Medusa: SHUT UP, YOU GODDAMN STUPID FOOLS! You ruined my one and only chance to get The Devil's Eye, and now, I WILL KILL EVERY LAST ONE OF YOU! BRUTUS, NERO, DINNER TIME!

Brutus and Nero went after us, but Lincoln fired rainbow energy blasts at them and killed them and turned them into crocodile wallets.

Rhonda Asmodeus: Awesome croc skin wallets, Linky. Now, you're really going to get it, you old hag!

Suddenly, Rhonda Asmodeus' blue eyes turned neon blue, and she was surrounded by a black and blue energy aura with stars, darkness, demons, dark angels, dark lords, and Darklord Duel Monsters, she unholstered her dark sword from her back, and as she approached Madame Medusa, she left black and blue energy, stars, darkness, demons, dark angels, dark lords, and Darklord Duel Monsters with every step.

Rhonda Asmodeus: You really are nothing more than a diamond-obsessed greedy old hag who has no remorse nor empathy for any of the crimes you've committed, and on top of that, you tried to force a little girl to find The Devil's Eye especially after you murdered her parents in cold blood?! That is truly an unforgivable crime that makes you worthy of death! Madame Medusa, for all of the crimes you've committed against Penny and the state of New Orleans, I hereby sentence you to eternal damnation!

Suddenly, Rhonda Asmodeus was surrounded by a massive vortex of black and blue energy with stars, darkness, and hellfire surrounding the vortex, there are demons, dark angels, dark lords, and The Darklord Duel Monsters flying around the vortex, and in the vortex is a dark blue phoenix with red eyes glaring at Madame Medusa: the red eyes of eternal death as a demonic choir sang. Then, as the vortex faded, Rhonda Asmodeus emerged, but she was changed forever.

DEMONIC CHOIR MUSIC PLAYS

Rhonda Asmodeus to 7'9" in height, she has the body of a goddess, she has dark blue highlights in the bangs of her long black hair, she has neon blue eyes and a black and blue energy aura with stars, darkness, demons, dark hellfire, dark angels, dark lords, and Darklord Duel Monsters surrounding her, she has the Dark Kanji in the hands of The Darklord Monsters emblazoned on her forehead and Third Eye with dark blue iris, she has on dark angel earrings with dark blue gems for eyes and holding the Dark, Star, and Eternity Kanjis in its hands, she also has the Darklord Duel Monsters with orange gems for eyes and holding the Dark, Star, and Eternity Kanjis in her hands on the bottom of her dark blue demon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Rhonda Asmodeus felt a sharp pain on her back, and then, her massive dark blue angel wings with stars in the wings and blue tips on the large dark blue feathers grew much bigger for her new body and she now has eleven massive and long black wolf tails with dark blue tips and dark blue markings, she has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Rhonda Asmodeus' dark sword, massive Darklords Duel Monster-themed greatsword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and blue energy, stars, darkness, demons, dark hellfire, dark angels, dark lords, and Darklord Duel Monsters, and when it emerged, it was transformed into Rhonda Asmodeus' Eternal Darklord Damnation Greatsword of Darklord Damnation Dark Angel Justice, it's a brand-new massive greatsword with embedded dark blue gems and the Darklord Duel Monsters etched on the 7'6" massive, wide, double-edged black blade, large dark angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large dark blue gems embedded in the foreheads, longer midnight black handle, four large dark angel heads and below the dark angel heads is a large white angel head with dark blue gems for eyes and dark blue gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with dark blue gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of The Darklord Duel Monsters' heads with dark blue gems for eyes and large dark blue gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below the Darklord Duel Monsters that said, "Rhonda Asmodeus, Gene-Slammer of The Darklord Duel Monsters, Powerful and Deadly Force of Darkness, Master of Darkness, The Darklords, and The Fallen Angels of Heaven, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Flip, Destroyer of Madame Medusa, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, Stars, Dark Hellfire, Dark Angels, and The Darklord Duel Monsters"

ロンダ・アスモデウス、ダークロード・デュエルモンスターズのジーン・スラマー、強力かつ致命的な闇の力、マスター・オブ・ダークネス、ダークロード、そして天国の堕天使たち、愛情深い守護天使でありリンカーン・ラウドの未来の妻、フリップのスマッシャー、マダムの破壊者メドゥーサ、悪の破壊者でありスレイヤー、狂った、殺人的、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そして闇、デーモン、スター、ダークヘルファイア、ダークエンジェル、ダークロードデュエルモンスターズのマスター

Suddenly, Rhonda Asmodeus' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Rhonda Asmodeus has transformed into SUPER ANGEL-DARKLORD DUEL MONSTERS-DARK ANGEL-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA INFERNAL DARKLORD DUEL MONSTERS GODDESS COSMIC INFERNAL DARKNESS DARKLORD GODDESS ANGEL OF DIVINE INFERNAL DARKLORD DUEL MONSTERS GODDESS COSMIC INFERNAL DARKNESS DARKLORD GODDESS ANGEL JUSTICE AND DIVINE INFERNAL DARKLORD DUEL MONSTERS GODDESS COSMIC INFERNAL DARKNESS DARKLORD GODDESS ANGEL LOVE!

We were amazed by Rhonda Asmodeus' Super Angel-Darklord Duel Monsters-Dark Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Madame Medusa saw it, she went ballistic and ran at her to kill her, but Rhonda Asmodeus fired a massive and powerful barrage of black and blue energy, stars, darkness, demons, dark hellfire, dark angels, dark lords, and Darklord Duel Monsters at Madame Medusa, and they exploded as they hit her and she got blown into a wall, she got back up, but now, she was mega pissed off.

Nico: Oh man, why do I have a feeling that…?!

Lincoln: That Hell has been unleashed?! I was about to say it, Nico, but as I said before, Rhonda is a powerful and deadly force for darkness, and she never shows any sort of mercy to those who have committed the truly despicable of crimes and if those crimes fit that of The Seven Deadly Sins, the only thing awaiting that person is eternal damnation at her hands.

Rhonda Asmodeus: (Divine Echoing Godly Voice of The Cosmic Infernal Darkness Darklord Goddess Angel and Divine Cosmic Infernal Darkness Darklord Goddess Angel Love) And that's exactly what Madame Medusa is about to face. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Margaret Desroches.

Rhonda Asmodeus and Lincoln went after Madame Medusa, and they fired extremely powerful blasts of rainbow energy, black and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Madame Medusa and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Madame Medusa also attack her with punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving her mad.

Madame Medusa: I'LL KILL YOU!

Madame Medusa went ballistic and ran at Rhonda Asmodeus and Lincoln, but Lincoln made a pillar of dark fire rise from the ground in the very spot, and she was sent flying into the air, and they fired two powerful blasts of dark hellfire at Madame Medusa, and they hit her and she was incinerated and her soul was sent to The Black Gates forever. We cheered wildly for what Rhonda Asmodeus and Lincoln did as they holstered their massive greatswords and powered down, and Rhonda Asmodeus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive dark blue angel wings are permanent.

Margaret Desroches: You've had it coming for a very long time, you diamond-obsessed old hag, thank you for helping me destroy

Madame Medusa, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rhonda.

Suddenly, Rhonda Asmodeus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rhonda Asmodeus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Darklord Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and hellfire behind them and we cheered wildly. Then, Lincoln and Rhonda Asmodeus absorbed the elemental forces and darkness and hellfire and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of darkness and hellfire, Lincoln, Rhonda, you guys really showed Madame Medusa no mercy, and sent her straight to The Black Gates for good.

Lincoln: We both unleashed the powers of Hell on her, and made her pay for it. Now, she's finally gone for good, and she's never ever coming back.

Me: You got that right.

Suddenly, our Keyblades were glowing.

Nico: Hey, what's with the glowing Keyblades?

Selene Arcangela: (GASPS) The glowing Keyblades, wait, that can only mean one thing.

Lincoln: The Keyblade Knights!

Nico: Keyblade Knights?

Lincoln: Yeah, they're a group of my Guardian Angels who are skilled and powerful Keyblade wielders and knights who are dedicated to protecting the worlds from Xehanort, The Heartless, The Nobodies, and Organization XIII, and they show evil no mercy!

King Mickey: I remember them all too well.

Emily Monroe: And so do I as well. So, who's the first of The Keyblade Knights that we'll be meeting tomorrow, Linky?

Lincoln: That's easy, it's Carolina Keyblada, The Keyblade Knight of The Keyblade Graveyard.

Selene Emperyous: The leader of The Keyblade Knights?! Awesome, and you guys are going to love her, Carolina is Lincoln Guardian Angel from The Keyblade Graveyard and she's the younger sister of Xena Keyblada, Sailor Soldier of The Keyblade Graveyard. She's a Keyblader, and like her older sister, she has all the power of everyone that battled there. She's also a veteran of battle and she hadn't forgotten about The Keyblade Wars that claimed the countless lives of many Keyblade Wielders over the centuries and the wars left so many deep scars on the land. According to legend, it's said that Carolina Keyblada had been chosen by Kingdom Hearts itself and she'd been given her own version of The X-Blade, but this one only responds to her only, because not only does she have a pure and strong heart, but she also wants to help out others in need and vanquish those who sought to bring darkness to the worlds. She knew all about Sora's journey to stop Xehanort, Maleficent and her army of villains, the Heartless, the Nobodies, and Organization XIII, and she also heard about the epic battle that took place two years ago: the epic battle that decided the fate of the entire universe and that ended Xehanort. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade. She harbors a deep grudge against Xehanort for all of the pain and suffering that he'd caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We gasped.

Nico: Whoa!

Me: So, it appears we're not the only ones who harbored a grudge against Xehanort.

Lincoln: The Keyblade Knights' grudge against Xehanort is really deep and really powerful, and they swore one day that if he dares to return, they will destroy him for good.

Nico: That's a powerful promise, and it's something we also share as well. If Xehanort dares to come back, we'll destroy him for good and give him The Black Gates.

Eli: You got that right.

We were back in the hotel.

P'andor: I hope he likes the slammer!

Absorbing Man: Because that's where he's going!

Me: (Cowboy accent) He is heading to the Hoosegow for a long long time. No one messes with the pride of Texas.

I put on my cowboy hat and puffed a peppermint stick.

(THE GOOD THE BAD AND THE UGLY WHISTLE)

J.D. KNUDSON - THE GOOD!

Whirlwind: Don't forget I'm going with you guys next rescue.

Dark Don: I doubt those fortunes are gonna come true though.

Piledriver: Now, let's bring the Golden Puck back.

Bulldozer: After we get the keys.

Nico: Good idea.

I got the keys and we opened the van and got the puck back and brought it back to the hockey game.

Nico: That was so cool! Awesome job today everyone!

Lola: Oh yeah!

Applejack: (To the viewers) YEEHAW! Never mess with hockey and the pride of Texas.

Me: You got that right little lady. What Arboost did messed with the bull and we gave him the horns.

Qin: That is for sure.

We then watched the game and saw New York win and we later went back home and enjoyed the rest of the day and went to sleep.

the match-up scene is for Eleanor Pegasus, Gene-Slammer of Millennium Eyes Restrict, and she and Lincoln are going to destroy Mithos Yggdrasill, the fallen angel who's come back from the dead wanting revenge on us.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Barrow, Alaska, and we're going to slay The Stranger, but of course, there's going to be a chilling warning he'll deliver: On November 1st, the last day of The Sun, the vampires will return and they will kill everyone in the town and burn the entire town to the ground. It'll be a chilling warning, and for Alexa Oleson, Sophia Kitka, Riley

Robbins, Emily Riis, Ellie Davies, and Hazel Ikos, this'll mean that their moment for revenge against Marlow Roderick, the leader of the vampires, is about to come true once he's been brought back from the dead, and it'll be revealed that this is what the survivors of his coven are going to be planning as revenge for what Eben did in killing their leader at the ending climax of 30 Days of Night, the last day of darkness and the sun's return to Barrow. But, we'll be ready for them, and we'll send those vicious vampires to The Black Gates when the time arrives. And we're going to meet the first of The Keyblade Knights, her name is Carolina Keyblada, leader of The Keyblade Knights and The Keyblade Knight of The Keyblade Graveyard, she's Lincoln Guardian Angel from The Keyblade Graveyard and she's the younger sister of Xena Keyblada, Sailor Soldier of The Keyblade Graveyard. She's a Keyblader, and like her older sister, she has all the power of everyone that battled there. She's also a veteran of battle and she hadn't forgotten about The Keyblade Wars that claimed the countless lives of many Keyblade Wielders over the centuries and the wars left so many deep scars on the land. According to legend, it's said that Carolina Keyblada had been chosen by Kingdom Hearts itself and she'd been given her own version of The X-Blade, but this one only responds to her only, because not only does she have a pure and strong heart, but she also wants to help out others in need and vanquish those who sought to bring darkness to the worlds. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade. She harbors a deep grudge against Xehanort for all of the pain and suffering that he'd caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Along with the next Alicorn Gene-Slammer, her name is Melanie

Wallflower, Gene-Slammer of Wallflower Blush, she's Lincoln's Guardian Angel from Equestria and she's a girl who is a powerful force of nature and flowers and she's also a very powerful Alicorn and very powerful master of flowers and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave her a green neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her green horn on her head glowed with green light and it was a sign of true love. Plus, she's also a dear friend of Wallflower Blush from long ago and their bond has remained strong to this day, and she knew what Sunset Shimmer did in bringing Wallflower onto the path of redemption and saving her from the path of darkness that Grogar tried to condemn her to, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Melanie had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are, and she saved Lincoln from getting ambushed by those five who went charging at him to kill him in another attempt at his life, but Melanie charged in and she kicked them into a nearby fence and she got knocked out because of just how strong she is and she froze them with a blast of magic she fired from her horn. She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, and after she sent them running to their room, she put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

Get ready for a battle between Heaven and Hell as we head to the village near Bald Mountain and we're going to fly up to Bald Mountain and battle the ultimate evil of Disney as we face his version of The Devil himself, CHERNABOG! It's going to be a battle between the Angels of Heaven and the Demons of Hell! This time we're sending him to the Black Gates forever!

See you next time.

We were relaxing and having fun.

Me: Ahh! Nothing like a little relaxation after a bunch of awesome major adventures in the last 3 days.

Jared: Boy you said it dad.

Lola: Yeah this is the life!

Allenby: This is awesome.

Xenia: Boy it sure is.

Zuria: I think it's great too.

Lola: Yeah no kidding.

Misty Tredwell: Yeah this is the life.

Camie: I agree there too.

Laney: You got that right.

Lana: I think it's so relaxing myself.

Nico: Tom, I want to thank you, Whirlwind, and your teams for coming.

Tom Major: No problem Nico. This is gonna be fun.

Jared: Especially with an awesome picnic.

Xenia: Yeah no kidding Jared.

Jared: I think it will be fun too.

Nico: Kong is not the same King Kong.

Jared: Maybe so but he is still a member of the Kaiju nonetheless and is an awesome friend.

Carol: He sure is.

Me: I agree too. Kong is awesome. Just like all his predecessors and successors from 1933 on up he is still an amazing and great friend.

Lola: Yeah I agree.

Nico: I really liked the hockey game.

Lincoln: Me too. That was so much fun!

Qin: Until the Golden Puck was stolen in Broad Daylight.

Xenia: Yeah. But we got it back.

Applejack: We sure did and the Entrance that Apple Bloom made was absolutely well planned.

Apple Bloom: It sure was.

Me: That was very well created.

Nico: It sure was.

Qin: Boy no kidding.

Nico: Can we also agree Casey went apeshit?

Me: Yeah he sure did! So did Lynn.

Lincoln: No kidding!

Anna Anyanova: Boy that was nuts! Even without Lynn's dark side, Lynn was a brutal fighting machine. She brutally thrashed the Texas Roughnecks like they were piles of bread dough.

Camie: That is an understatement.

Qin: No kidding there!

Lola: Yeah.

Jared: Boy no kidding there. That was crazy.

May: (GROWLS ANGRILY) WHEN I GET MY HANDS ON THE ASSHOLE WHO STOLE MY FOOD, I WILL MAKE HIM REGRET EVER BEING BORN!

Nico yelped in fright and jumped in my arms!

Me: (Groans) Nico, you're going to give me a hernia.

Nico: May scares me when she gets extremely angry!

Alizarin Bubblegum: What on Earth? Why did May just turn into an angry demon?

Lincoln: She's a sweet person no doubt, but when someone steals her food, she lets her anger loose and to the person who steals her food, it never ever ends well for that person!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he saw who it was that stole May's food: it was Douche, the main antagonist of the 2016 film Sausage Party. He is an evil, ruthless, and megalomaniacal feminine hygiene product who is known for bullying (and later killing) foods, making him both a metaphorical and literal douche, and he was the one who stole May's food.

Lincoln: You've got to be kidding me!

Me: You saw who it was that did it? (Groans) Nico, get off!

Nico got off.

Nico: Sorry.

Lincoln: Yep, the person who stole May's food is, it was Douche, the main antagonist of the 2016 film Sausage Party. He is an evil, ruthless, and megalomaniacal feminine hygiene product who is known for bullying and later killing foods, making him both a metaphorical and literal douche.

We gasped.

Nico: Oh no.

We saw a dark aura form around May.

Eli: Uh oh.

Maria: Uh May? Are you okay?

She had a massive aura of fire around her and her eyes were glowing red with incredibly fury and hatred and burning intense rage!

May: (GROWLS ANGRILY) WHEN I GET MY HANDS ON THE ASSHOLE WHO STOLE MY FOOD, I WILL MAKE HIM REGRET EVER BEING BORN!

Nico yelped in fright and jumped in my arms!

Me: OOF! (Groans) You're giving me a hernia Nico!

Nico: May scares me when she gets extremely angry!

Alizarin Bubblegum: What on Earth? Why did May just turn into an angry demon?

Lincoln: She's a sweet person no doubt, but when someone steals her food, she lets her anger loose and to the person who steals her food, it never ever ends well for that person!

Laney: One thing that will drive May over the edge is someone swiping her food.

Me: And when that happens they better start writing their will!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he saw who it was that stole May's food: it was Douche, the main antagonist of the 2016 film Sausage Party. He is an evil, ruthless, and megalomaniacal feminine hygiene product who is known for bullying (and later killing) foods, making him both a metaphorical and literal douche, and he was the one who stole May's food.

We gasped.

Camie: Who is Douche?

Me: Have you ever watched that movie Sausage Party?

Nico: I have. That movie was crazy.

Lincoln: It sure was.

Camie: What can you tell us about him?

Nico: You would not like this guy.

Nico went over his history.

---

Douche is the main antagonist of the 2016 adult animated controversial comedy film Sausage Party. He is an evil, ruthless, and megalomaniacal feminine hygiene product who is known for bullying (and later killing) foods, making him both a metaphorical and literal douche. He is also obsessed on trying to kill both Frank and Brenda for ruining his purpose.

He was voiced by Nick Kroll, who also voiced Mighty Neckbeard in Chick Figures, Tippy Tinkletrousers in Captain Underpants: The First Epic Movie, Lola Skumpy in Big Mouth, and Sergei in The

Secret Life of Pets 2.

Douche first appears getting purchased by "Camille Toh" (an obvious pun on "camel toe"). Once he is placed in her cart, he starts acting like his namesake (i.e., a "douche" who is an extremely objectionable and unpleasant person to be around). He is clearly enthusiastic and happy to be on his way to the Great Beyond (what the food believes lies outside of the market). He was seen teasing a bag of potato chips, telling him that he should go to the gym and lose weight.

When Honey Mustard (who was returned to the store) tries to tell everyone in the cart that they are all doomed, no one listens except a sausage named Frank. Deciding everything is pointless, Honey Mustard jumps from the cart, committing suicide but not before telling Frank to talk to Firewater. Frank tries to stop him, resulting in a bunch of the items, including Douche, falling out of the cart. This results in Douche's handle getting bent.

After Camille Toh salvages what she can and leaves, Douche discovers his handle was damaged in the fall. He then confronts Frank and Brenda and blames them for his predicament. Before he can attack them in revenge, however, he is swept up by Darren the grocery clerk and thrown away.

Escaping from the garbage, Douche crawls around the garbage room, during which he discovers he has a leak and his fluids have drained. Distraught that he can never be used, he then hears someone calling for help. He crawls up some stairs and finds a torn juice box.

Getting an idea, he sucks the juice out of the box (in a scene parodying oral sex, as the tear was on the juice box's "crotch"), healing himself and fixing his handle, and well as giving his thin arms muscles. He then tears the juice box apart and takes the label off, using it to cover his tear. He then sets off in search of Frank and Brenda, intent on getting revenge.

Off-screen, Douche goes around telling (likely threatening) various food items that he is hunting a sausage and a bun, and for them to tell him if the two are found. He forces a bottle of Tequila to lure the group into a bar, but when Teresa (a lesbian taco shell) helps the group escape, he shatters and drinks Tequila's liquid as punishment. Douche manages to catch up to the group between aisles, but Brenda tears off his label and runs off to safety. Douche places the label back on and gives chase, only to get stuck in the gap between the shelves as his prey escapes. As Douche continues to drink, he slowly turns green with his eyes becoming red, and growing bigger muscles.

During the final battle, Douche forcefully teams up with an unwilling, involuntary Darren by shoving his nozzle up his anus, and controls his actions like a puppet by yanking on his scrotum. He clearly has lost his mind, mainly due to the alcohol he consumed to become powerful. He brags to Frank about becoming a God due to his constant consumption and control over the gun wielding Darren, then takes a bite out of Frank's torso. Barry (a deformed sausage who helps lead the rebellion against humans) hooks up a couple of propane tanks to the garbage pail that Darren uses to throw out expired foods. Frank kicks Douche in his eyes with his legs, and Brenda helps Frank escape before the pail catches both Douche and Darren, sending them through the store's ceiling and exploding, killing them both.

---

When he was done we were shocked and disgusted!

Qin: YUCK!

Alizarin Bubblegum: So, he stole May's food?! Oh, now he's so dead when May catches up with him!

Suddenly, May took off after Douche on her own!

Nico: May! Come back!

Lincoln: Oh man, we got to get after her! (Senses for Douche) AHA! Gotcha, you moron! He's somewhere right in this park and he is just north of our location and May's heading right for him! Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Douche as we went after May who was now in a fit of rage.

We then saw May pounce on and proceeded to brutally clobber and attack Douche in a fit of fury that is so unendurable!

Douche: GET OFF ME, BITCH!

May then grabbed him and started choking him!

May: YOU STOLE MY FOOD! YOU STOLE MY FOOD! YOU MUST DIE!

Then, she punched him hard in the face and sent him flying into a tree!

Eli: Will somebody please hose her down!?

Lincoln: And risk getting clobbered by her?! Uh uh, besides, we still got that douchebag to deal with!

Qin: You got that right!

Me: You got to be fucking kidding me! He's an Anthropomorphic Toilet Scrubbing Brush!

Nico: I wouldn't brush my teeth with him!

Me: Well he's a toilet scrubbing brush Nico. I wouldn't clean my toilets with him let alone my ass!

Qin: Okay that is gross!

Suddenly, something in May's mind snapped as memories of certain idiots taking her food rushed through her head and her eyes turned neon ice blue and she was surrounded by an ice blue energy aura with stars, snow, ice, snowflakes, ice phoenixes, and ice dragons, she unholstered her massive Tsnovinar's Eternal Ice Phoenix Dragon Greatsword of Snowstorm Justice from her back, and as she menacingly approached Douche, she left ice blue energy, stars, snow, ice, snowflakes, ice phoenixes, and ice dragons with every step.

May: You… fucking… douchebag! You know it's bad enough that you have some nerve bullying and killing others for your own sick amusement, but you've done much worse than that, your crimes are literally befitting those of The Seven Deadly Sins in full! (SUDDENLY GETTING EXTREMELY PISSED OFF AND SUPER ANGRY) And what you just did right now, in stealing my food and eating it just so you could get stronger and kill others once again… , (DEMONIC VOICE) YOU HAVE ABSOLUTELY FUCKING CROSSED A HUGE LINE, ASSHOLE! AND NOW, I WILL RIP YOU LIMB FROM FUCKING LIMB FOR WHAT YOU'VE DONE, AND I WILL RIP YOUR BLACK HEART OUT OF YOUR CHEST AND EAT IT RIGHT IN FRONT OF YOUR FACE!

We gasped at the extreme extent of May's rage: now Douche was in deep shit!

Eli: UH OH!

Me: He's in deep shit now!

Xenia: Literally!

Nico: Not again!

Lincoln: Those kinds of idiots who steal May's food should've known by now the consequences of food theft around her, but they never ever listen. Now, Douche is about to get the pulverizing of his life! HIT THE DECK! SHE'S GOING TO BLOW!

We immediately ran for cover and May absolutely lost it as she screamed like a madwoman and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and power and ice as she was screaming to the infinite power and she was surrounded by a massive vortex of ice blue energy with stars, snow, ice, and snowflakes surrounding it, there are ice phoenixes and ice dragons flying around the vortex, and in the vortex is a snow white phoenix with red eyes glaring at Douche: the red eyes of eternal death. Then, as the vortex faded, May emerged, but she was changed forever.

We were really amazed by May's Super Angel-Ice Phoenix-Ice Dragon-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Douche saw it, the asshole went into a rage and ran at her to kill her, but May fired a massive barrage of ice blue energy, stars, snow, ice ice crystals, snowflakes, ice phoenixes, and ice dragons at Douche, and he got hit hard and frozen in a block of ice, and she smashed it with one punch shattering it and smashed Douche in the face sending him into the ground. He got back up, but now, he was absolutely pissed off.

Alizarin Bubblegum: Right.

Pinkie Pie: Is something wrong?

Alizarin Bubblegum: No, no, I'm fine. I knew about what happens to May when someone steals her food, but to see her go absolutely ballistic like that, like they say Hell hath no fury like a woman scorned.

Jared: Ain't that the truth!

Nicole: That's true in the case of love, and that's true for May because when someone steals her food, it's just as bad as someone opening The Gates of Hell and letting its legions of demons out.

Suddenly, Alizarin Bubblegum's pale light grayish chartreuse green eyes turned neon pale light grayish chartreuse green, and she was surrounded by a cinnamon red energy aura with stars, sticks of bubblegum, magic, unicorns, and Alicorns, she unholstered her massive Alizarin Bubblegum's Sweet Bubblegum Magical Alicorn Greatsword of Sweet Bubblegum Justice from her back, and as she approached Douche, she left cinnamon red energy, stars, sticks of bubblegum, magic, unicorns, and Alicorns with every step.

Alizarin Bubblegum: It's pretty obvious that by looking at you, there was absolutely going to be no sort of mercy shown to the likes of you, Douche. You were nothing more than a powerhungry, misogynistic, heartless douchebag who enjoys bullying and killing the people around you for your own sick amusement, but what you just did stealing May's food, you ultimately thrown yourself into The Devil's handbasket, and now, you're about to face a one-way trip to Hell for what you did.

Suddenly, Alizarin Bubblegum was surrounded by a massive vortex of cinnamon red energy with stars, sticks of bubblegum, and magic surrounding the vortex, there are unicorns and Alicorns flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Douche: the red eyes of eternal death.

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Alizarin Bubblegum has transformed into her Super Angel-Sweet Dancer Alicorn Friendship Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and for what that asshole tried to do in attacking her, now I'm going to enjoy ripping his throat out!

Alizarin Bubblegum: (Divine Echoing Godly Voice of The Elemental Harmonious United Equestrian Sweet Dancer Alicorn Princess Angel and Divine Unity Harmonious Equestrian Sweet Dancer Alicorn Princess Angel Love) Yep, now, let's rip this loser to shreds, Linky.

Me: Now he's in for it!

Nico: He's dead.

Eli: And then some.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird

Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Alizarin Bubblegum and Nico joined May, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really crossed it big time stealing May's food, Douche, and of course, that means you've just sealed your own fate, and now, you're going to die horribly by our hand!

Lincoln, Alizarin Bubblegum, May, and Nico went after Douche, and they fired extremely powerful blasts of rainbow energy, moderate crimson red energy, ice blue fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Douche and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his claws and firing energy slashes from his gold armored claws and he, Alizarin Bubblegum, Nico, and May attacked them with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Douche insane with rage.

Douche: (NTH-DEGREE FUCKED-UP ENRAGED SCREAMING) I'LL FUCKING KILL YOU ALL!

Douche ran at us with extremely fucked-up rage, but Lincoln kicked him hard in the stomach and sent him flying into the air.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to face the retribution of the angels.

Lincoln lifted his massive greatsword above his head and he drew a ring of light which'd opened up a portal, and then, the armies of Heaven flew out of the portal, and they proceeded to rip and tear Douche apart with their swords splattering his blood and guts all over the place as he screamed in agony and pain.

Me: WHOA! Oh man, you summoned the armies of Heaven to tear him apart, damn!

Nico: (Smirks) Well, he did have training from his Guardian Angels who know much about the Holy Arts and one of those Dark Arts includes Angel Summoning.

Me: AWESOME!

Anna Anyanova: When the others see this, they're going to be so impressed!

Sabrina Lorelai: That also includes all the other Guardian Angels, Anna.

The angels flew back into the portal as it closed. Then, Douche's spirit appeared.

Douche: You think you've won, you think this is all over?! I'll come back again, and I will kill you ALL! YOU HEAR ME?!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) As if. That's not going to happen ever.

Lincoln drew the Judgement Kanji on Douche's forehead, and then, it glowed with purple light and he was seized by all those he hurt and killed, and finally, he was erased by The Black Gates.

Douche: DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (SCREAMS IN PURE NTH-DEGREE FUCKED UP RAGE AS HE FADES AWAY)

We all cheered as Lincoln, Alizarin Bubblegum, May, and Nico holstered their massive greatswords and powered down, and Alizarin Bubblegum's new body, clothes, weapons, jewelry, Third Eye, longer tail, longer horn, and massive moderate crimson red angel wings are permanent, and May's new body, clothes, weapons, jewelry, Third Eye, and massive brown angel wings are permanent.

Suddenly, Alizarin Bubblegum felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms, and May felt wobbly and was about to faint, but Nico caught her in his massive and powerful muscular arms.

Lincoln: You okay, Alizarin?

Nico: You okay, May?

Alizarin Bubblegum: I'm way dizzy from that, but I'm okay.

May: Me too.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that asshole quite the nasty beating of his miserable life.

Qin: And we got the food back.

Nico: You got that right, and I really liked how you sentenced him to die, Lincoln: drawing a ring of light above your head and that turned into a portal that summoned the armies of Heaven that tore him apart with their swords.

Lincoln: I figured it would be perfect that he gets to experience what happens when he comes face-to-face with Heaven's armies.

Alizarin Bubblegum: He was nothing more than a piece of trash, he deserved it big time.

Lola: You got that right.

May: And for what he did in stealing my food, he deserved it.

Me: Big time.

Nico: And then some.

Suddenly, Alizarin Bubblegum wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Alizarin Bubblegum's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Alizarin Bubblegum absorbed the elements and they came back to us as the display vanished.

Suddenly, Nico turned May around to face him while he still had his abnormally massive and powerful muscular arms around her, and then, he leaned down to May's face, and he kissed her passionately on the lips. It took her by surprise, but the atomic red blush on her face deepened as she placed her hands on Nico's pecs and returned the kiss with full intensity. Then, they separated, but May still had an atomic red blush on her face and an In Heaven look in her eyes.

May: (In Heaven) Whoa… ! Now… , that… was… awesome!

Luna: Dude, you got her that turned on with that kiss of yours. Just imagine what'll happen if you were to undergo the same transformation as Lincoln and J.D.? Your harem and May will be all over you!

We laughed!

Lincoln: Luna.

Xenia: (LAUGHS) That was funny!

Nico: It's okay, Lincoln. Besides, we'd seen the same thing happen with you and your harem and with J.D. and his harem.

Lincoln: Well, I can't argue with you on that one, we knew that was true.

Me: Yep.

Nico: You okay, babe?

May: (In Heaven) I… feel… so… awesome!

Me: (LAUGHS) You might have broken her Nico.

We laughed!

Nico: Now for other business

Eli: Wait Nico I sense a bunch of figures coming!

Me: The Anothers?

Eli: No they are a bunch of girls that Lincoln knows.

Nico: Wow!

Lincoln: Wow!

Qin: Yep.

Juran: You can't expect ALL Fortunes to come true

Me: Actually 3 fortunes came true.

Lola: What do you mean?

Me: Brittney told me what that fortune Flip got was.

Brittney: It was The Fortune of Supreme Bad Luck. Dad did a really smart move there and gave it to Flip. It said Bad Luck and Extreme Misfortune Will Infest Your Pathetic Soul For All Eternity.

We Gasped!

WE HEARD PAINFUL SCREAMS COMING FROM THE RESTAURANT AS FLIP WAS BEING MAULED AND SAVAGELY MANGLED BY HIS CURSE.

Juran: So, some Fortunes come true. Not all will.

They all merged and she reverted back and it was a girl with purple hair and blue eyes and she had the Viking Symbol of Ragnarok in the middle of her forehead and she had blue angel wings and had orange clothes and had a Viking Runesword in her hand and the Atlantean Spear on her back.

Camie: Yeah.

Nico: Sorry we have to do this

Me: By the way is the Another Whirlwind friendly or hostile/

Lorelai Erikkson: Friendly and she is a powerful force of wind.

Me: Cool!

Qin: Awesome.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep

She glowed and was separated from the Anothers!

Eli: All right!

Nico: LET THEM HAVE IT!

We fired waves of energy and elements and blasted the Anothers and blew them apart! Then I got buried in Wonder Ride Books!

Maria: Time for some angry magic! (ACTIVATES LEGO RED HULK AND UNIVERSE 666 GENIE JAFAR'S RIDEWATCHES)

She flared up a fire aura and fired waves of fire magic and blasted her all over.

Jared: OH YEAH! Now for some of this. (ACTIVATES EVIL LUXORD'S RIDEWATCH)

He flipped some cards around and fired waves of them and they hit her and exploded all over like bombs.

Evil Luxord: That was well done Jared.

Numerous spiders came from out of nowhere and they went at Another Whirlwind and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

She was down and I caught the ridewatch and purified it and then brought Carmilla over.

Me: That was awesome!

Xenia: Yeah!

Jared: What's your favorite memory of Nico?

Velma Arachnias: I sure do. My favorite is when me and Nico discovered a massive and amazing spider colony in a cave under the Grand Canyon.

Qin: WHOA!

Xenia: That is amazing!

Laney: Wow!

Lisa Loud: Those must've been very fascinating specimens.

Me: If Billy saw that he would freak out all over. HE HATES All bugs.

Xenia: Yeah.

Velma Arachnias: I don't blame him. Billy will probably freak out seeing me with spider legs.

Nico: I'll make sure he doesn't hurt you.

Maria: If he does I'll bash his empty skull out of his head and feed him to the buzzards!

Me: Whoa!

Nico and Velma hugged.

Nico I've missed you.

Velma Arachnias: Same here Nico.

Then we saw Nunnally coming.

Nunnally: Eli. I have something to tell you.

Eli: What is it.

They were both overjoyed and ecstatic and over the stars!

We cheered wildly for them!

We went back home.

On November 1st, the last day of The Sun, the vampires will return and they will kill everyone in the town and burn the entire town to the ground. It'll be a chilling warning, and for Alexa Oleson, Sophia Kitka, Riley Robbins, Emily Riis, Ellie Davies, and Hazel Ikos, this'll mean that their moment for revenge against Marlow Roderick, the leader of the vampires, is about to come true once he's been brought back from the dead, and it'll be revealed that this is what the survivors of his coven are going to be planning as revenge for what Eben did in killing their leader at the ending climax of 30 Days of Night, the last day of darkness and the sun's return to Barrow. But, we'll be ready for them, and we'll send those vicious vampires to The Black Gates when the time arrives.

Lincoln: Whoa, we're here in Barrow, Alaska, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to slay The Stranger who's returned from the dead.

Alexa Oleson: I never would've thought The Stranger would come back, I thought Marlow killed him after cutting the town off. Something's up.

Raimundo: Whatever it is, it can't be good. We should head for the station to meet up with the others and then, get after The Stranger.

Lincoln: Good idea. Besides, we still owe a proper welcome back to Eben and to all those who came back from the dead after the Simulator adventure in Barrow.

We headed for the station where we met up with Sheriff Eben Oleson, Stella Oleson, and Eben's younger brother, Jake Oleson, Billy Kitka, his wife and two daughters, Gail Robbins, her parents and baby brother, Carter Davies, his wife and kids, John and Ally Riis, and Lucy Ikos.

Eben: Guys, I'm so glad you could make it. We found out that Stranger's come back, but how was that possible?

Suddenly, our Dark Orb detectors went off.

Nico: Ugh, Dark Orb, I should've known. But, anyways, we need to find out why The Stranger's back and the only way to do it is to fight him.

John Riis: Emily got all our dogs inside the house and she blasted him when he tried to destroy the helicopter and he ran off.

Billy Kitka: Sophia also blasted him when he tried to snatch everyone's phones.

Stella Oleson: Whatever he's up to, he needs to be stopped.

Alexa Oleson: That's exactly what we're going to do, Stella.

Lincoln: Alexa's right, we're not letting The Stranger get away with this.

Just then, The Masters of Evil arrived.

Vypra: We just heard the news, is it true The Stranger's back?

Gohan: Unfortunately, yes, and it's a Dark Orb that did this.

Lord Drakkon: Figures.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair and red hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a short-sleeved pink shirt and sleeveless red blouse, necklace with pearls and red gem for the pendant, long-sleeved black coat, red shorts and black knee-pads, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light, Keyblades and angels on the coattails and on the back is the symbol of Kingdom Hearts, and in her right hand is the X-Blade and a girl with long hair with the same colors as Wallflower's mane and green hairband, green clothes with Wallflower's cutie mark on the green skirt, green choker, white bridal gloves, green unicorn horn on her head, and green angel wings and they had the six girls with them.

Lincoln: (GASPS) Carolina Keyblada, The Keyblade Knight of The Keyblade Graveyard and leader of The Keyblade Knights.

Carolina Keyblada: That's right.

Xena Keyblada: I knew one day we'd run into you, sis.

Wallflower: And the second girl with you… (GASPS)

Lincoln and Wallflower: Melanie Wallflower.

Me: Sounds like you two know her.

Lincoln: I do.

Wallflower: And I knew her from Equestria, and it was right before…

Melanie Wallflower: Before I moved to Royal Woods. Allow me to introduce myself, my name is Melanie Wallflower, Gene-Slammer of Wallflower Blush, I'm Lincoln's Guardian Angel from Equestria and a powerful force of a powerful force of nature and flowers and I'm also a very powerful Alicorn and very powerful master of flowers and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a green neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my green horn on my head glowed with green light and it was a sign of true love. Plus, I'm also a dear friend of Wallflower from long ago and our bond has remained strong to this day, and I knew what Sunset Shimmer did in bringing Wallflower onto the path of redemption and saving her from the path of darkness that Grogar tried to condemn her to, but I also hate Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because I had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are.

Nico: What did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Melanie Wallflower: Those five were waiting for Lincoln in an ambush, and then, they'd come charging at him to kill him in another attempt at his life, but I saved Lincoln as I charged in and kicked them into a nearby fence and they got knocked out because of just how strong I am. I dragged them home and told the family of what they tried to do to Lincoln, and not only did they get grounded for a month, but after I sent them running to their room, I put a spell on them to keep them from trying to go after Lincoln and it lasted for the whole month.

We gasped.

Me: The dark sides of Lori, Lynn, Lola, Lisa, and Luan made them truly evil and deranged monsters!

Laney: We warned them numerous times about this, but no, they refused to listen and they had their heads too far up their butts, and I wished someone would come and put those five in their place.

Lincoln: That task was always left to my Guardian Angels to put them in her place. And it's awesome to see you again, Melanie Wallflower.

Melanie Wallflower: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Wallflower, you really have changed a lot since we last met.

Wallflower: Indeed I have, Melanie, and of course, I'm also a mother.

Wallflower showed Melanie the pictures of hers and Lincoln's newborns, and her jaw dropped to the floor.

CLANG!

Wallflower helped close her mouth.

Melanie Wallflower: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Melanie Wallflower in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the

puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Wallflower: I knew that was coming, and now, you're part of Lincoln's harem and are now one of his future wives. But, I'd save the kissing for later, let's get after The Stranger before he does something really bad.

We headed outside to hunt The Stranger.

Suddenly, we saw something heading our way, it was The Stranger, and he had a knife in his hand.

The Stranger: You think you've won?! YOU'RE ALL DEAD! They're coming back!

Alexa Oleson: They?! (Realizes who they are) The vampire coven of Marlow Roderick are coming back to Barrow?! When are they coming back?!

Alexa Oleson started beating him up to get the answer.

The Stranger: (In Pain) The anniversary… of this town's destruction.

We realized what he meant.

Alexa Oleson: November 1st 2007 was the day Barrow was destroyed by the vampires when they first came to the town during the month-long darkness. Now, sixteen years later, they're coming back!

We gasped.

Lincoln: It's been sixteen years since that very day.

Nico: Now, those vampires are coming back to Barrow.

Alexa Oleson: And I know they're also going to bring back Marlow Roderick, the leader of the vampire coven who attacked Barrow on that day. The surviving members of Marlow's coven who disappeared into the shadows after Eben killed Marlow were planning their revenge, they're planning on bringing back Marlow, along with Arvin, and Marlow's lover, Iris, to attack Barrow on November 1st.

We gasped in shock.

Me: That's in a couple of months from now.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, we'll be ready by then. Alexa, get back.

Alexa Oleson got back as Lincoln ran at The Stranger with superhuman speed and then, he slashed off The Stranger's head and banished him to The Black Gates and burned his body. We cheered as we holstered our weapons and powered down.

Vypra: So, now we know of what's going to happen on November 1st.

Lincoln: Marlow's return from the dead, and the vampires' revenge on Barrow, Alaska. But, we'll all be ready for them.

Alexa Oleson: And for me, Sophia Kitka, Riley Robbins, Emily Riis, Ellie Davies, and Hazel Ikos, this'll mean that our moment for revenge against Marlow Roderick, the leader of the vampires, is about to come true once he's been brought back from the dead, and this was what the survivors of his coven are going to be planning as revenge for what Eben did in killing their leader, the last day of darkness and the sun's return to Barrow.

Lincoln: Yeah, but we'll be ready for them, and we'll send those vicious vampires to The Black Gates when the time arrives. (To Carolina Keyblada) And it's so good to see you again, Carolina Keyblada.

Carolina Keyblada: You too, Linky, it's been a long time.

Lincoln went up to Carolina Keyblada and he hugged her, and Carolina Keyblada is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carolina Keyblada: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really

grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Carolina Keyblada, The Keyblade Knight of The Keyblade Graveyard and leader of The Keyblade Knights, she's my Guardian Angel from The Keyblade Graveyard and she's the younger sister of Xena Keyblada, Sailor Soldier of The Keyblade Graveyard. She's a Keyblader, and like her older sister, she has all the powers of everyone that battled there. She's also a veteran of battle and she hadn't forgotten about The Keyblade Wars that claimed the countless lives of many Keyblade Wielders over the centuries and the wars left so many deep scars on the land.

Me: Whoa.

Xena Keyblada: According to legend, it's said that Carolina Keyblada had been chosen by Kingdom Hearts itself and she'd been given her own version of The X-Blade, but this one only responds to her only, because not only does she have a pure and strong heart, but she also wants to help out others in need and vanquish those who sought to bring darkness to the worlds. She knew all about Sora's journey to stop Xehanort, Maleficent and her army of villains, the Heartless, the Nobodies, and Organization XIII, and she also heard about the epic battle that took place two years ago: the epic battle that decided the fate of the entire universe and that ended Xehanort.

Nico: Awesome.

Selene Emperyous: Word always tends to get spread all over the

place.

Selene Arcangela: You got that right. She came to Royal Woods long ago, and she trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became a skilled expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade.

Michelle Emperyous: Along with the many other Keyblade Knights from the many worlds Sora had gone to.

Selene Arcangela: That's right, and she also harbors a deep grudge against Xehanort for all of the pain and suffering that he had caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Eli: That's one powerful promise.

Me: Yeah, and we all really hated Xehanort for everything he's done: all the pain and suffering that he had caused, along with what Organization XIII had done as well.

Nico: Yeah, and we also swore if he ever returns again, he's going to permanently get The Black Gates for good.

Lincoln: Oh, believe us, he's going to pay infinite-fold for his crimes. And now that you're here, Carolina.

Lincoln went up to and hugged Carolina Keyblada in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks

sealed up, and he also kissed where he bit her.

Carolina Keyblada: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Carolina Keyblada's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Carolina Keyblada: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carolina Keyblada.

Carolina Keyblada had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the six girls, and when Lincoln saw who they were, they immediately recognized them. The six girls are Emi, Hitomi, Kaori, Kyouko, Rie, and Sumire from Amy to Yobanaide.

Lincoln: Oh wow, it's Emi, Hitomi, Kaori, Kyouko, Rie, and Sumire from Amy to Yobanaide.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Emi: Yes, we're okay, thanks to you.

Then, when Emi and the other five girls saw who it was that saved them from The Stranger, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Emi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Emi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Emi, Hitomi, Kaori, Kyouko, Rie, and Sumire with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was The Stranger.

But, when Lincoln showed what we did in viciously beating down that maniac and Lincoln sending him to The Black Gates forever, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Carolina Keyblada, and Melanie Wallflower have a lot of catching up to do now that they're back in town. But, the rest of the team also heard on November 1st of this year, Marlow Roderick is coming back from the dead as part of the surviving members of his coven's plan to get revenge on Eben, and they were shocked.

Maria: Oh man, so they're planning on bringing back Marlow Roderick, the vampire leader who attacked Barrow sixteen years ago?!

Lincoln: As revenge for what Eben did in killing their leader. But, we'll be ready for them when that day comes.

Me: And for Alexa and the others, their chance for revenge is about to arrive at long last.

Nico: They won't let those bastards get away with this, sixteen years of retribution are coming for those vampires.

Lincoln: You got that right.

---

After killing The Stranger, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carolina Keyblada and Melanie Wallflower saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Carolina Keyblada: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Melanie Wallflower: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Carolina Keyblada: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much

bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melanie Wallflower: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Carolina, we've already heard from Melanie of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Carolina Keyblada: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Lynn's Table, and we were there for lunch after our training. But, then, we heard a familiar loud belch in the air and caught the stench of sweaty armpits, chum, limburger cheese, and B.O., and we knew who it was: Lincoln's insanely overly-competitive, rude, aggressive, belching, farting, uncivilized sister, Lynn. She burst through the doors on all fours, and she was out for blood. She charged at us, but I fired a blast of ice which froze her in a block of ice. We then pushed it and sent it hurtling towards an open metal container that Luna got out, and as soon as Lynn was inside, she closed the door and secured it.

Nico: Awesome. But, wait, when she thawed out, did she…?

Lincoln: Nope, she didn't roar and pounded on the door to try and escape, besides, if she tried that, you know what'll happen. Plus, the ice melted because of the stink lines coming off her smelly feet.

Nico: Gross! Lynn, do you ever wash your feet?!

Luna: She doesn't, dude. Plus, she even picked her nose with her big toe!

Nico: OH! THAT'S JUST DISGUSTING!

Me: Yeah, Dark Lynn made her forget about proper hygiene, we even had to get out gas masks around her!

Lincoln: And why we always had to watch it around Lynn. It's no surprise we didn't have the house fumigated because of her!

We got a shower, and then, Lincoln, Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) are heading to Bubblaine.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Lil' Red: Wow, so this is Bubblaine, this place is awesome.

Lincoln: It sure is, Lil' Red, and it's perfect for our first date. Shall we?

Lincoln, Simulator Marinette Dupain-Cheng, Simulator Maylu

Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back onto the sand, and they had an awesome volleyball game, and Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental

Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek) are in your harem.

Marinette: Wow, now that's really awesome. Plus, I was also surprised to find out that our Simulator counterparts also had an interest in Lincoln.

Chloe: And the same went with the Universe 666 versions of Lila, at least, she and her X-Squad counterparts are better that the homicidal and insane monster bitch we know and really despise.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Simulator Marinette Dupain-Cheng, Simulator Maylu Sakurai,, Simulator Chloé Bourgeois, Universe 666 Lila Rossi, and Little Red Riding Hood / Lil' Red (Shrek), now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

We were walking through a swamp in our multi-biome park at the estate.

Angel: Is this a swamp?

Me: It sure is.

Qin: Whoa!

Xenia: This wasn't here before. Must be brand new.

Lola: Yeah.

Me: It gives me the creeps.

Qin: Me too.

Camie: Same here.

Konan: Let's get a closer look.

We went down and saw that it was a creepy and forbidding world and it was scary.

Nico: Whoa. Looks like the Swamps of Sadness.

Xenia: (GULPS)

Laney: Boy this place is scary.

Cutthroat: There has to be something else here.

Me: Stay close guys.

We walked and then..

SQUISH!

May got her foot in swamp muck!

May: Oh yuck! This swamp is worse than the swamps of Dagobah.

Lola: It gross.

Nico: I'll get you out, May!

She pulled her foot out.

Nico: Oh.

Me: Gross huh.

We walked around.

Me: I've got a bad feeling about this.

?: HELP!

Me: (GASP) Sounds like someone in trouble!

Twilight Sparkle: That way!

We went towards the scream and we found a girl with black hair and in a red bikini sinking in a pool of swamp quicksand!

Me: Oh man!

Nico: Hold on!

Girl: Thank goodness you all came!

Me: Hold on. Human chain!

We lined up and I grabbed her hands.

Maria: We got ya!

Me: Okay Pull!

We pulled but the quicksand was like glue.

Me: (GRUNTS)

Then a Lokix came!

Lola: A Lokix!

Xenia: Cool!

Lokix: (In a girls voice) Hold on there!

Nico: Kentucky Kate!? Wow!

She reverted back and was a girl that had black hair and blue eyes and had jungle explorer clothes on and she had red angel wings.

She formed a lasso and it wrapped around the girl and we pulled her out.

She was panting her.

Kentucky Kate: That was hard.

Girl: (Panting) Thank you guys. Thank you.

Nico: What's your name?

Hanare Ishikawa: (pants) Hanare. Hanare Ishikawa.

Me: Awesome to meet you Hanare.

Hanare Ishikawa: Same here. I was playing on the beach and then this portal opened up and took me here.

Lola: Crazy.

Kentucky Kate: Wow! Thank goodness you're okay.

Tracks: What's your favorite memory of Nico?

Kentucky Kate: When me and Nico were in a swamp like this and we rescued a bunch of girls like Hanare from swamp muck quicksand.

Nico: Just like old times huh?

Kentucky Kate: You got that right.

Qin: That is awesome.

Nico: Yep.

Nico and Kentucky Kate hugged.

Nico: I've missed you.

Kentucky Kate: Same here Nico.

Skullgrin: Let's keep the Swamp Area in mind.

Nico: Good idea.

Qin: Yeah that's a good idea.

Xenia: We'll use this as a Quicksand Rescue scenario sight.

Lola: Good thinking there.

The Previous group came.

Whirlwind: Can me, Baron Mordo, Gator Ghoul, Manta Bayarsh, KGBeast, Firepower, P'andor, Absorbing Man, Dark Turtles, and Wrecking Crew go with you guys?

Dark Mikey: And is Nunnaly really pregnant?

Piledriver: If so, congratulations!

Eli: Yes she really is pregnant. I sense it.

Nunnally: And I'm excited for her too.

Qin: Yeah.

Nico: Also yes you all can come with us too.

Whirlwind: Cool!

Tae Kwon Crow: Nico, which Gene Slammers do you think you'll meet next?

Nico: Pawmot, Maushold and Dachsbun.

Fluttershy: Oh those are all cute and adorable Pokemon.

Qin: They sure are.

Camie: They sure are!

Maria: (Squeals) They sure are.

Kirby: Aww so adorable.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than our old enemy, Chernabog, and he's come back from the dead wanting revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I just had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than our old enemy, Chernabog, and he's come back from the dead wanting revenge on us.

We gasped.

King Mickey: Chernabog's back?!

Me: Oh no!

Sora: That's not good, and he still wants revenge for what we did in destroying him two years ago.

Konan: Well, if Chernabog wants one last fight, then, we'll give him one last fight. But, this time, we will unleash the powers and retribution of Heaven on him.

Nico: That's right, we'll make him pay!

Me: The powers of Heaven will bring a permanent end to Chernabog, and we'll be rid of the first villain of Disney.

Lincoln: That devil will pay for everything he's done!

Camie: Who is Chernabog?

Me: He's from Walt Disney's Fantasia and he is what we call Disney's version of the Devil. He was in the musical A Night on Bald Mountain by world famous Russian composer, Modest Mussorgsky.

Brittney: I love that song.

Camie: What can you tell us about him?

Me: He is the very Ultimate Evil of Disney and he makes all the other Villains of Disney look like Child's Play.

I told everyone all about him.

Chernabog is an antagonistic character featured in Walt Disney's 1940 third full-length animated feature film Fantasia, serving as the main villain protagonist of the segment Night on Bald Mountain/Ave Maria. He is the tyrannical ruler of a dark realm called Bald Mountain, where he summons demons and damned souls to sacrifice and do his bidding.

Chernabog also appeared as a recurring antagonist in both the Kingdom Hearts series and in House of Mouse and Mickey's House of Villains, as well as the main antagonist of the Kingdom Keepers series.

In House of Mouse, he was voiced by Corey Burton, who also voiced the Hatbox Ghost in Disney Parks' "Haunted Mansion" attraction, Captain Hook and Shan Yu in Kingdom Hearts, Brainiac in the DC Animated Universe, Megatron in Transformers: Animated, Scarecrow in Batman: Gotham Knight, Quint in Disney's Timon & Pumbaa series. and Count Dooku in Star Wars: The Clone Wars.

Chernabog is seen rising from the top of Bald Mountain, where he opens his wings, extends his arms, and summons spirits from the lands below, including the ghosts of soldiers, criminals, and those not buried on sacred ground. Using the souls, Chernabog awakens Bald Mountain, summoning fire and demons from its maw.

He proceeds to amuse himself by forcing the demonic figures to dance for him. He creates beautiful dancers out of fire, then wickedly transforms them into vile barnyard animals. Chernabog proceeds to summon Harpies to grab other demons and toss them into the hellish inferno of Bald Mountain, and joins in himself by bringing forth life, then proceeding to kill it again by tossing it into Hell. The madness accumulates into a massive infernal flash.

As Chernabog prepares to continue his wickedness, he is suddenly interrupted by the sound of church bells and the light of dawn. Though he attempts to resist it, the bell tolling and morning light become too much goodness for him to withstand, causing the ghosts and demons to retreat. Disgusted, Chernabog folds his wings back over his body to protect himself from the sunlight, hiding in

Bald Mountain as the sun rises and a church choir sings "Ave Maria", hailing and praising the Lord God and Mother Mary.

## Fantasia 2000

Chernabog reappears in the sequel, but his screen time is less than five seconds as he appears among the visual references to the original film, and does not appear for the remainder of the movie.

## Kingdom Hearts Series

Chernabog is the only Disney villain with no explained reason for fighting Sora or aiding the Heartless in the Kingdom Hearts series. It is possible that he is such a dark entity already, he independently chooses to aid the Heartless in plummeting the universe into darkness by his own choice.

This immense darkness could also be the reason that he is the only non-Heartless fought in the End of the World realm, because there is no point to turn him into a Heartless. It is also entirely possible that he is unaware of the Heartless and their goal, and simply fights because his dark and evil nature makes him want to wipe out sources of good and light, such as Sora, who just happens to cross his path. Considering his location, however, it is possible that he is simply a gatekeeper used by Ansem to bar Sora from the innermost reaches of the End of the World.

In the original Japanese version, the music played when he is fought is "Squirming Evil", the piece used when fighting most Disney Villains. However, in the international and Final Mix versions, an arranged version of the music from the original Fantasia short "Night on Bald Mountain" by Modest Mussorgski, is used as the battle music in Kingdom Hearts.

Chernabog later appeared in the world known as Symphony of Sorcery and attacked Riku. After Riku confronts a mysterious man in a black cloak, and talks with him for a brief while, he summons Chernabog from the volcano behind him to fight Riku. Despite this, Chernabog ended up getting defeated by Riku.

## House of Mouse

Chernabog appears as a regular guest at the House of Mouse, usually serving as a brutish, but inactive enforcer who occasionally joins in with jokes and gossip around the club.

Chernabog also made an appearance in the movie Mickey's House of Villains. He was one of the many Disney villain who took over Mickey's House of Mouse. But for some reason, he was working for Jafar to help him take over Mickey's House.

After the villains take over the House, Chernabog is spotted on several occasions sitting with Maleficent. After Mickey defeats Jafar, Chernabog then flees out of the House with the all of the other villains.

Once Upon a Time

Chernabog appeared in the fourth season of Once Upon a Time. He was released from the Sorcerer's Hat and terrorized Regina and Emma until they destroyed him by tricking him into leaving the city limits, where there is no magic.

Chernabog appeared in the new Mickey Mouse shorts where he teams up with Pete and the Beagle Boys against Mickey and his team in a football match. They beat Mickey and his friends severely until Mickey finds a way to outsmart them. Chernabog also appears in the episode "The Scariest Story Ever: A Mickey Mouse Halloween Spooktacular".

Chernabog served as the main antagonist in the original Kingdom Keepers series where he led the villains against the protagonists.

Chernabog is a rare character at Disney Parks, appearing mainly in shows as well as on the Disney Villains float in Disneyland Paris' Once Upon a Dream parade. He appears as a major antagonist in Fantasmic!, being one of the villains summoned by Queen Grimhilde to kill Mickey. In World of Color, he is joined by Dr. Facilier and the Firebird in bringing out the Colors of Fear. In the defunct interactive game Sorcerers of the Magic Kingdom at Walt Disney World, Chernobog appears as Hades' right hand and one of the final mission bosses before his defeat by Merlin. He also makes appearances in SpectroMagic and Starlight Dreams. In the defunct

Hong Kong Disneyland horror attraction The Nightmare Experiment, Chernabog appears as one of the many villains that Professor J.T. Wu is observing from the Royal Laboratory.

---

When I was done everyone that hadn't heard about it was shocked!

Konan: Yeah he is pure evil.

Xenia: He's the Devil himself.

Gator Ghoul: He's also the most powerful Disney villain ever.

Dark Don: Even more then Xehanort and Maleficent.

Bulldozer: Sora faced him before

Nico: That's right. And we beat him twice and Sora and Riku beat him twice too.

Laney: This will be the 5th and final time because we're giving him the Black Gates.

Lena Isis: He's also very huge.

Phosphos: And bigger then us Bakugan.

Qin: And the biggest Heartless ever.

Nico: Yep.

Camie: WHOA!

Xenia: And he has an unholy army of demons and monsters and evil spirits with him.

Camie: We're going up against the Army of Hell!

Xenia: Yep.

Nico: We got our work cut out for us.

Camie: Where is he?

Me: Bald Mountain.

Nico: The world of Fantasia.

Laney: Lets get ready.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Mithos Yggdrasill, the fallen angel, and he's come back from the dead wanting revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the figure we sensed is none other than our old enemy, Mithos Yggdrasill, the fallen angel, and he's come back from the dead wanting revenge on us.

We gasped.

Nico: So, we not only have Chernabog returning from the dead wanting revenge on us, but now, the fallen angel, Mithos Yggdrasill, has also returned wanting revenge on us as well.

Me: The first Disney Villain and the fallen angel. We got ourselves a battle of Heaven VS. Hell on our hands.

Lincoln: Yeah, but we should first deal with Chernabog before we deal with Mithos Yggdrasil.

Eleanor Pegasus: Good idea, Linky, even though Mithos Yggdrasil is a dangerous threat, our main threat is Chernabog.

Nico: Yeah, Chernabog is the greater of those two evils. Alright, gang, let's go, we're heading off to Bald Mountain to permanently destroy Chernabog once and for all!

Lincoln: Chernabog will never rise again from the dead to cause trouble for anyone, and once we get done destroying Chernabog for good, you're next, Mithos Yggdrasil.

Eleanor Pegasus: You better be ready, Mithos Yggdrasil, we will unleash the wrath of Heaven and Hell upon you, you fallen angel!

Nico: Lets go!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Bald Mountain to destroy Chernabog who's come back from the dead wanting revenge on us and we're going to send him straight to The Black Gates, and once we get done with Chernabog, Lincoln and Eleanor Pegasus are going to destroy Mithos Yggdrasil and finally put an end to that fallen angel and send him to The Black Gates forever

We were off to the World of Fantasia!

---

We arrived in the world of Fantasia.

KGBeast: Are we going to stop by Toccata and Fugue In D minor on the way there?

Me: I love all the classical music.

Nico: But no we're going right to A Night On Bald Mountain and get ready.

KGBeast: Okay then.

Acid Man: Logically, Chernabog will send his demons to slow us down

Nico: We are angels and we're going to win against them.

Eli: Yeah.

Qin: This will be good.

We arrived in the world of A Night On Bald Mountain.

Nico: We're here.

We looked up to the top of Bald Mountain and it was as creepy as all get out.

Nico: This mountain always gives me the creeps.

(A NIGHT ON BALD MOUNTAIN BY MODEST MUSSORGSKY PLAYS)

Eli: Here it comes.

On the top of the mountain we saw a figure move and opening his wings was…

**CHERNABOG - THE HARBINGER OF SUPREME EVIL AND DARKNESS!**

WE GASPED!

Me: There he is!

Xenia: Oh boy!

He looked down on the village and spread his shadow and then out came THE SOULS OF THE EVIL! IN THE TENS OF MILLIONS THEY CAME! THEIR GHOSTLY WAILING WAS HORRIFYING!

Nico: (GULPS)

P'andor: And here come the demons!

Nico: And the spirits too.

Konan: Lets go guys!

We flew at Chernabog!

Chernabog then was commanding fire and spirits and monsters.

Then the spirits of the Angels of the Heavesn came and they swirled around him and then converged and then a massive light of the divine angels of the heavens shined down and it burned him and then angelic singing was heard and it burned him!

Then out of the light came us like a massive army of angels!

Me: Chernabog, Go back to the Abyss! Fall into the Nothingness that awaits you for all eternity!

Chernabog: You have all made a grave error coming here.

Dreadbane: No, we have not, demon!

Nico: The only mistake we made was banishing you to the Warp!

Wrecker: To be fair we weren't using the Black Gates at the time.

Thunderball: That's true.

Me: Now we are! LETS POWER UP!

We transformed into our most powerful!

We went at Chernabog and I punched him in the face and kick him in the stomach with devastating force!

KRABLAAAAAMMMMMM!

Edzilla: (headbutts Chernabog) ED SMASH DEVIL!

Lola and Taranee fired a massive blast of fire and burned him.

Me: (Cups hands to the side) KAAAAAA! MEEEEEEE! HAAAAAAA! MEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive red Kamehameha Wave at Chernabog and it hit him and exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The blast blew a huge hole into his chest. Revealing his black heart!

We fired energy blasts and more at Chernabog and we were hitting him with all kinds of attacks. Chernabog sent all his minions at us and we saw vultures, ghosts, demons, spirits, walking skeletons, pigs, wolves, goats, goblins, imps, satyrs, zombies, fire women, hags, harpies and werewolves. He had a massive army of monsters from the dead and a huge plethora evil minions under his command. We were killing all of them and more. It was like we were fighting the entirety of the Army of Hell.

Konan: I will never let your evil plague our world Chernabog!

Konan flew at Chernabog and fired a massive light energy blast from her hands. It hit him and exploded.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Chernabog roared in excruciating pain.

Nico: Take this! REVENGE DEATH BALL!

Nico formed a huge black energy ball and threw it and it hit Chernabog and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Dark Raph: Time to kick your ass!

They blasted and smashed him.

Hulk: HULK SMASH!

He threw a massive rock and it hit him in his head!

Xenia: YEAH!

Chernabog: How do you all expect to defeat me when you are all nothing but foolish humans? I AM FOREVER!

Krankcase: You? Forever? Don't make me laugh!

Me: Yeah! We are the TRUE FOREVER! Because we have 5 things that you NEVER Will have!

Chernabog: And what are they?

Me: Love, Friendship, Compassion, A Good Heart and Faith!

Those words hurt Chernabog badly!

Absorbing Man: Someone give me something to absorb!

Marinette gave him a piece of diamond and he turned into Diamond and slashed Chernabog all over.

Qin: Take this!

Qin fired waves of fire and blasted Chernabog all over.

Lola: Take this!

She fired waves of fire and blasted him all over!

Emerald Sustrai: See how you like this! (Uses Semblance in him)

Chernabog saw illusions of Heaven and the angels and they burned him all over and the light burned him.

Chernabog screamed in agony from that!

Konan fired light and energy and blasted Chernabog all over!

Firepower: Target locked on!

He fired waves of missiles and lasers and blasted him all over!

Qin: YEAH!

Fiona Hernandez: Top this one! HYPER BLAZE!

She fired a blast of incredibly powerful fire and to our shock it burned him! It was Holy Fire!

Maria: I know just the team! (TURNS DIAL) JUGGERNAUT FORCE 6!

She summoned Juggernaut, Yost Rhino, Another Ex-Aid, Terrashock, Muscular and Corvus Canosus

Nico: Yeah!

Maria: Lets smash!

They smashed and pulverized him all over and blasted him!

Baron Mordo: My magic can definitely harm him!

He blasted him all over.

Eli: You and your Heartless minions are NOT WELCOME HERE!

Eli fired massive blasts of Lightning and blasted Chernabog!

Konan charged at him and she fired a massive shower of energy blasts and blasted him left and right!

Qin: YEAH!

Girl Jordan and Leeli blasted him.

Then Titanium Man, Trumbipular, Magneto, Misty Tredwell, Kyd Wykkyd, Kaos, Mr. Fizz, Dr. Viktor, Technus, and Yenaldoshi came.

Nico: Titanium Man, Trumbipular, Magneto, Misty Tredwell, Kyd Wykkyd, Kaos, Mr. Fizz, Dr. Viktor, Technus, and Yenaldoshi.

Misty Tredwell: I'm a Dark Signer and even I think this place is a nightmare!

Titanium Man: I don't blame you.

Me: Boy me neither.

Trumbipular: I feel the same way.

Magneto: (to Nico) We heard you went on a picnic.

Nico: We sure did.

Kyd Wykkyd: How was it?

Me: May went apeshit on an an anthropomorphic toilet brush named Douche for stealing her food. Also we faced over 100 Anothers!

Qin: Yeah!

Kyd Wykkyd: WHOA! That's a lot of them!

A figure came out, and it was none other than our old enemy, the fallen angel, Mithos Yggdrasil.

Nico: You heartless, two-faced, lying bastard! I always knew you'd come back one day!

Mithos Yggdrasil: SHUT UP, YOU GODDAMN STUPID FOOLS! You ruined my one and only chance to bring Martel back and destroy the world and every last human on it, and now, I WILL KILL EVERY LAST ONE OF YOU!

Eleanor Pegasus: You really make me sick, Mithos Yggdrasil, you really are a monster who has a total disregard for human life, and for what, to bring back your sister. You give all angels a bad name, and on top of that, you're nothing more than a fallen angel, and when I look at you, it only reminds me of that fallen Guardian Angel, Isabella Abaddon, and now, you will suffer the very same fate as her!

Suddenly, Eleanor Pegasus was surrounded by a massive vortex of purple energy with stars, darkness, dark magic, and eyes surrounding the vortex, there are Duel Monsters and Millennium Eyes Restrict flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Mithos Yggdrasil: the red eyes of eternal death. Eleanor Pegasus has on a purple sleeveless top, sleeveless purple vest, purple skirt, purple pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with stars, darkness, dark magic, angels, and eyes on the coattails, and on the back is Millennium Eyes Restrict surrounded by stars and darkness. Suddenly, Eleanor Pegasus felt a sharp pain on her back, and then, her massive dark purple angel wings with stars in the wings and dark purple tips on the large dark purple feathers grew much bigger for her new body and she now has eleven massive and long purple wolf tails with dark purple tips and dark purple markings, she has on a Ring of The Phoenix with dark purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in

the back of her left hand.

Suddenly, Eleanor Pegasus' massive Millennium Eyes Restrict-themed greatsword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple energy, stars, darkness, dark magic, eyes, and angels, and when it emerged, it was transformed into Eleanor Pegasus' Dark Magic Millennium Eyes Restrict Greatsword of Darkness Dark Magic Eyes Darkness Justice, it's a brand-new massive greatsword with embedded purple gems and Millennium Eyes Restrict etched on the 7'6" massive, wide, double-edged dark purple blade, large dark angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large dark angel heads and below the dark angel heads is a large white angel head with dark purple gems for eyes and dark purple gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with dark purple gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold versions of Millennium Eyes Restrict's head with dark purple gems for eyes and large dark purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Suddenly, Eleanor Pegasus' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Eleanor Pegasus has transformed into SUPER ANGEL-MILLENNIUM EYES RESTRICT-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DARK MAGIC SPELLCASTER MILLENNIUM EYES RESTRICT GODDESS COSMIC DARK MAGIC SPELLCASTER MILLENNIUM EYES RESTRICT GODDESS ANGEL OF DIVINE DARK MAGIC SPELLCASTER MILLENNIUM EYES RESTRICT GODDESS COSMIC DARK MAGIC SPELLCASTER MILLENNIUM EYES RESTRICT GODDESS ANGEL JUSTICE AND DIVINE DARK MAGIC SPELLCASTER MILLENNIUM EYES RESTRICT GODDESS COSMIC DARK MAGIC SPELLCASTER MILLENNIUM EYES RESTRICT GODDESS ANGEL LOVE!

We were amazed by Eleanor Pegasus' Super Angel-Millennium Eyes Restrict-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mithos Yggdrasil saw it, he went ballistic and ran at her to kill her, but Eleanor Pegasus fired a massive and powerful barrage of purple energy, stars, darkness, dark magic, eyes, and angels at Mithos Yggdrasil, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Nico: WHOA!

Lincoln: Now, that's really awesome. Eleanor's transformed into her Super Angel-Millennium Eyes Restrict-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we administer divine punishment to this fallen angel.

Eleanor Pegasus: (Divine Echoing Godly Voice of The Cosmic Dark Magic Darkness Millennium Eyes Restrict Angel and Divine Cosmic Dark Magic Darkness Millennium Eyes Restrict Goddess Angel Love) And that's exactly what Mithos Yggdrasil is about to face. Now, let's rip him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Eleanor Pegasus.

Eleanor Pegasus and Lincoln went after Mithos Yggdrasil, and they fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mithos Yggdrasil and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Eleanor Pegasus also attack her with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

Mithos Yggdrasil: I'LL KILL YOU!

Mithos Yggdrasil went ballistic and ran at Eleanor Pegasus and Lincoln, but Lincoln made a pillar of dark fire rise from the ground in the very spot, and he was sent flying into the air, and they fired two powerful blasts of dark hellfire at Mithos Yggdrasil, and they hit him and he was incinerated and his soul was sent to The Black Gates forever. We cheered wildly for what Eleanor Pegasus and Lincoln did as they holstered their massive greatswords and powered down, and Eleanor Pegasus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive dark purple angel wings are permanent.

Margaret Desroches: You've had it coming for a very long time, you diamond-obsessed old hag, thank you for helping me destroy Madame Medusa, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rhonda.

Suddenly, Rhonda Asmodeus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rhonda Asmodeus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Darklord Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and hellfire behind them and we cheered wildly. Then, Lincoln and Rhonda Asmodeus absorbed the elemental forces and darkness and hellfire and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of darkness and hellfire, Lincoln, Rhonda, you guys really showed Madame Medusa no mercy, and sent her straight to The Black Gates for good.

Lincoln: We both unleashed the powers of Hell on her, and made her pay for it. Now, she's finally gone for good, and she's never ever coming back.

Me: You got that right. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: That's an easy one: Helena Halloween, The Keyblade Knight of Halloween Town.

Selene Emperyous: Nice, and you'll love meeting her, Helena Halloween is Lincoln's Guardian Angel from Halloween Town and she's the younger sister of Hailey Halloween, Sailor Soldier of Halloween Town. She's a Keyblader, and like her older sister, she has all the powers of Halloween and she's literally known as the Queen of Halloween, and she is also known as The Queen of Terror, and she and her sister, Hailey, had fought against Oogie Boogie, Lock, Shock, and Barrel whenever they try to cause trouble against Jack Skellington and all of Halloween Town.

Nico: Figures it'd involve that bag of bugs and those pranksters.

Selene Arcangela: Yep, and she came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Lincoln: Yep, and she also used her skills in terror and Halloween to scare Lori, Lynn, Lola, Lisa, and Luan, along with my other enemies.

Me: They peed their pants like crazy.

Nico: Oof, messing with a Halloween Terror Queen is a huge mistake for them.

Nicole: Yep, and it never ends well for them.

Kaos: I think we accomplished a big thing today.

Mr. Fizz: We got rid of the Disney devil.

Dr. Viktor: We sure did.

Technus: This calls for a celebration!

Yenaldooshi: Nunnally will have to take it easy though.

Me: Yep. We're going to have a baby shower in Ponyville.

Xenia: Cool!

C.C.: Looking forward to it. I hope there's pizza.

Camie: Awesome!

Nico: Great job today everyone!

Fiona Hernandez: A Truly Holy day.

Maria Hernandez: You got that right.

Lola: Yeah!

Me: (To the viewers) Good will always triumph over all evil and we'll always be there to stop it.

Nico: Yep.

We went to the doctor and Nunnally is expecting twin girls. We went back home and enjoyed the rest of the day and went to sleep.

Another awesome chapter done.

This was my favorite part of the movie Fantasia from 1940. A Night on Bald Mountain by Modest Mussorgsky and Ave Maria by Franz Schubert was awesome! Ave Maria was a total gutwrencher.

She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, and she sent them running to their rooms but not before she played a loud chord on Luna's electric guitar and made them go deaf for a week along with smashing Luna's cymbals in their faces.

Warrior Lady, The Agent of Mystery - Earth and Water Dragon as well as all the team and it's Nunnally's baby shower and we're having a lot of fun there as we were having a lot of food and we were singing songs and even playing our own version of the Vegetable Justice game where Flip is the target. Sheila and Tom were making sure he doesn't try anything. Nunnally was in the hover wheel chair with Eli as well as Pickle & Barley Barrel and they were watching over her. Also me and Sakura were dressed up in our Special occasion clothes for this and it was awesome.

Flip: HEY WHO DO YOU THINK YOU ARE!?

KRASPLAT!

I hurled a watermelon and it hit him square in the face and numerous gold bars flew out!

Nico: Nice shot!

Me: Thanks.

Eli: Wicked shot bro!

Lola: That was fun!

Nico: Yeah it was!

THUNDERCLAP!

Lightning struck Flip and it electrocuted him and burned him and NUMEROUS PILES of jewels flew out.

Xenia: Boy he has been cursed with incredible bad luck.

Eddy: And I thought the Curse of the Telephone of Doom was bad.

Eli: No kidding.

Xenia: Yeah.

Liam: But this here party is gonna be fun.

Carmen: You said it Liam.

Maria: It sure will be fun for you two.

Camie: Yep.

Nico: Liam, I want to thank you, Iron Lung, and your teams for coming

Liam: Aw no problem Nico. This is gonna be a fun party.

Qin: It sure will be.

Julie Kane: Yeah I think it will be fun.

Nico: Julie, remember when you and Mike reunited with J.D.?

Julie Kane: Boy I sure do and that was so much fun.

Qin: That was so awesome.

Me: It was awesome reuniting with Mike and friends. And the best part was we were just a short hop away from the Estate when we reunited.

Kaito: That was so cool.

Qin: Yeah it sure was. We were not that far away from Detroit.

Xenia: No we sure weren't.

Nico: That was awesome.

Lola: That sure was awesome.

Nico: Qin did a good job back then

Me: You sure did Qin.

Qin: Aww thanks guys.

Julie: That was so fun.

Mike Chilton: It sure was and she helped us beat Julie's father.

Me: Yep and I settled a massive score with him.

Eli: And he is in prison forever.

Me: Yep.

I threw a pumpkin and it hit Flip and splattered him.

KRASPLAT!

Nico: Nice shot!

Me: YEAH!

Camie: Yep. Yesterday was really epic!

Konan: One of the most fun ever.

Nico: Boy it sure was.

May: Chernabog wasn't easy to take down!

Nico: No he sure wasn't.

Me: He was Walt Disney's version of the Devil. Just imagine if all of us faced The Devil Himself. That would be awesome and epic.

Laney: Yeah J.D. once faced The Antichrist a long time ago.

Nico: I remember that.

Me: Yep but this is Chernabog we're talking about.

Konan: That was still a great battle though.

Brittney: And the song for him was great too. A Night On Bald Mountain is always a timeless classic for the Gothic Subculture.

Nico: It sure is.

Lola: Yeah.

Me: But we beat Chernabog 5 Times and now we have seen the last of him.

I got some punch from the bowl.

Me: (Slurps) Ahh. Good punch.

Nico: We should have more Fantasia adventures in the future

Me: That's a good idea Nico. Next time we'll go after The Firebird.

Lola: That one scared me. The way it came out of that volcano and burned everything like that? That was scary.

Nico: Yeah it sure was.

Qin: Yeah no kidding.

Me: That one will be after we have the Ambassador Mission Party.

Lola: Good idea.

Me: Yep. The song for that one is for The Firebird Suite by Igor Stravinsky back in 1919.

Nico: Awesome musical.

Sprite of Spring: I agree there too. That was an awesome and epic adventure for me.

Laney: It sure was.

Me: Also there's that Jack in The Box from Piano Concerto No. 2 by Sergei Rachmaninoff.

Nico: I remember that one! That can be used during the Christmas Season.

Me: Fitting and perfect for it.

Lola: Yep.

Nico: How are you feeling, Nunnally?

Nunnally: Heavy but I'll make it.

Nico: Good.

Pickle Barrel: we're looking out for her.

Barley Barrel: We sure are.

Rainbow Dash: Good job you two. Keep up the good work.

Pickle & Barley Barrel: Aye aye Captain Rainbow Dash!

Nico: Cool.

Qin: Yeah.

Nico: Let us know if you need anything.

Nunnally: I will.

Me: The Rainbooms and me are going to do a concert. Care to watch?

Nunnally: I would be honored.

Me: Awesome.

I went onto the stage with Twilight and friends.

Me: Rainbooms lets Shine Like Rainbows!

We went Rainbow Pony Power!

Me: HIT IT GIRLS!

Pinkie Pie: 1… 2… 3… 4!

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

Qin: ALL RIGHT!

Nico: ROCK ON!

(MOVE ALONG BY ALL AMERICAN REJECTS PLAYS)

Me and the Rainbooms: (SINGING DIVINELY AS FIRE AND LIGHTNING STRUCK ALL OVER)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

Firewhirl tornadoes swirled and it was awesome. When it was done everyone cheered wildly!

Nico: OH YEAH!

Rarity: Lets make it rain!

(RAIN BY MADONNA PLAYS)

Rarity and me and the Rainbooms: (SINGING DIVINELY AS STORM CLOUDS FORMED ABOVE US)

I feel it

It's coming

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard

I know it's real rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When you looked into my eyes

And you said goodbye could you see my tears?

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky?

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Here comes the sun!

Here comes the sun!

And I say, never go away

Waiting is the hardest thing (It's strange)

(I feel like I've known you before) I tell myself that if I believe in you

In dream of you (And I want to understand you)

With all my heart and all my soul (More and more and more)

That by sheer force of will (When I'm with you)

(I feel like a magical child) I will raise you from the ground

(Everything strange) And without a sound, you'll appear

(Everything wild) And surrender to me, to love

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain (I'll stand out on the mountain top)

(Until I hear you call my name)

Rain

Lightning and thunder struck all over and torrential rain poured all over and then a beam of sunlight shined down on us and then a rainbow was seen in the sky.

Qin: Ooh a gutwrencher.

Xenia: Yeah.

(THEN YOU LOOK AT ME BY CELINE DION PLAYS)

Jeri Katou, Me and the Rainbooms: (SINGING DIVINELY AS LIGHT AND RAINBOWS SWIRLED AROUND US)

Laugh and cry
Live and die
Life is a dream we're dreaming
Day by day
I find my way
Look for the soul and the meaning
Then you look at me
And I always see
What I have been searching for
I'm lost as can be
Then you look at me
And I am not lost anymore
People run
Sun to sun
Caught in their lives ever flowing
Once begun
Life goes till it's gone
We have to go where it's going
Then you look at me
And I always see
What I have been searching for
I'm lost as can be

Then you look at me

And I am not lost anymore

And you say you see

When you look at me

The reason you love life so

Though lost I have been

I'll find love again

And life just keeps on running

And life just keeps on running

You look at me and life comes from you

From you

Many of our greatest and major adventures formed in a circle above her and they were us battling Nerissa, Destroying Chernabog, Destroying Thanos with me Transforming, Killing Barodius, And so much more. Including the Ambassador Missions we had this year and last year.

It was so awesome and amazing.

When it was done everyone cheered wildly and Nico had tears stream down his face!

Qin: AWESOME!

Lola: That was so cool!

Me: Now here is one of my favorites by Depeche Mode, A Question of Lust.

Nico: COOL!

Camie: YEAH!

(A QUESTION OF LUST BY DEPECHE MODE PLAYS)

Me and the Rainbooms: (SINGING DIVINELY AS FIRE FORMED ALL OVER)

Fragile, like a baby in your arms

Be gentle with me, I'd never willingly do you harm

Apologies are all you seem to get from me

But just like a child, you make me smile when you care for me

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Independence is still important for us though

(We realise)

It's easy to make the stupid mistake of letting go

(Do you know what I mean?)

My weaknesses, you know each and every one

(It frightens me)

But I need to drink more than you seem to think before I'm anyone's

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Kiss me goodbye when I'm on my own

But you know that I'd rather be home

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Fire formed and swirled around us all over and then when the song was done everyone cheered wildly.

Nico: AWESOME!

Qin: That was so cool!

Applejack: YEEHAW! Now here is my favorite. Craving You by Thomas Rhett!

Nico: OH YEAH!

(CRAVING YOU BY THOMAS RHETT AND MAREN MORRIS PLAYS)

Applejack, Me and The Rainbooms: (SINGING DIVINELY AS MOUNTAINS AND ROCKS FORMED AROUND US)

Every time we have to say goodbye

I'm counting down until we say hello

Every touch is like the strongest drug

I don't know how much longer I can go

I never had something that I can't walk away from

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

All the in between is killing me

You know I come unglued from missing you

Sunset eyes, no, I don't have to try

Because you know exactly what to do

I never had something that I can't walk away from (walk away from)

But, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience (I ain't got no patience)

There's something 'bout you that I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you (I'm always craving you)

Craving you

Craving you

Every time we have to say goodbye

I'm counting down until we say hello

Every touch is like the strongest drug

I don't know how much longer I can go

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you, yeah

Craving you

Craving you (I'm craving you, baby)

Craving you

Craving you, babe

Mountains and Rocks formed all over and formed awesome formations and more. When the song was done everyone cheered wildly!

Nico: YEAH!

Qin: AWESOME!

Manaphy: ROCK ON!

Me: Now for the next song we have Brittney.

Brittney came up.

Brittney: Awesome. I'm going to sing Forsaken by Within Temptation.

Nico: Ooh dark!

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Brittney, me and Rainbooms: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND US)

Now the day has come

We are forsaken this time

We lived our lives in our paradise

As gods, we shaped the world around

No borderlines, we'd stay behind

Though balance is somethin' fragile

While we thought we were gaining

We'd turn back the tide, it still slips away

Our time has run out, our future has died

There's no more escape

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

We're the last of our kind

The sacrifice was much too high

Our greed just made us all go blind

We tried to hide what we feared inside

Today is the end of tomorrow

As the sea started risin'

The land that we conquered just washed away

Although we all have tried to turn back the tide

It was all in vain

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

Only ruins stay behind

Now the day has come

We are forsaken this time

Now the day has come

We are forsaken

There's no time anymore

Now the day has come

The day has come

The day has come

Darkness swirled around us and formed into the spirits of those we all banished into the Black Gates and they were being butchered and destroyed in the most horrible and torturous methods ever imaginable and their blood and innards were splattering all over the place as pools of carnage. When it was done everyone cheered wildly!

Nico: YEAH! THOSE MONSTERS DESERVED IT!

Qin: YEAH!

Brittney: Thank you guys!

Me: YEAH! Rock on Brittney! Now for this next one we have May singing.

May: Cool!

Manaphy: Go mama!

She went up on stage.

May: I'm going to sing 3 songs for you guys.

Manaphy: Yay!

Nico: Cool!

May: First is Only an Ocean Away by Sarah Brightman.

Eli: Ooh!

(ONLY AN OCEAN AWAY BY SARAH BRIGHTMAN PLAYS)

May, me and the Rainbooms: (SINGING DIVINELY AS WATER

AND FISH SWIRLED AROUND US)

I see a shadow every day and night.

I walk a hundred streets of neon lights,

Only when I'm crying.

Can you hear me crying.

So many times you always wanted more,

Chasing illusions that you're longing for.

Wish I wasn't crying.

Can you hear me crying.

There's an ocean between us.

You know where to find me.

You reach out and touch me.

I feel you in my own heart.

More than a lifetime.

Still goes on forever.

But it helps to remember

You're only an ocean away.

Was there a moment when I felt no pain.

I want to feel it in my life again.

Let it be over now.

Oh Oh over now.

'Cause I remember all the days and nights

We used to walk the streets of neon lights

Oh I want you here with me.

Oh be here with me.

There's an ocean between us.

You know where to find me.

You reach out and touch me.

I feel you in my own heart.

More than a lifetime

Still goes on forever.

But it helps to remember

You're only an ocean away.

So many times you always wanted more,

Chasing illusions that you're longing for.

Wish I wasn't crying.

Can you hear me crying.

There's an ocean between us.

You know where to find me.

Just reach out and touch me.

I feel you in my own heart.

More than a lifetime

It seems like forever.

But I'll always remember

You're only an ocean away.

Only an ocean away.

We saw the ocean and it was amazing!

We cheered wildly when the song was done.

Me: OH YEAH!

May: YEAH! Next is When it Rains In America/La Mer by Sarah Brightman.

Me: Ooh combo song.

Lola: Nice.

(WHEN IT RAINS IN AMERICA/LA MER BY SARAH BRIGHTMAN PLAYS)

May, Me and the Rainbooms: (SINGING DIVINELY AS STORMS AND THE OCEANS FORMED ALL AROUND US)

Do you want to feel freedom?

Do you want to see sun and rain?

Do you want to be near me?

Do you want to light up the way?

A strange magical feeling

That maybe we'll find someday

I thought I heard you laughing

I never wanted to make you cry

I only needed a reason

To see a teardrop caught in your eye

Loving you keeps me from the storm

When it rains in America

There is a place we can run to

Far away from the city stare

Where the ocean's a desert

But the wind still blows in your hair

Where we can watch the sun go down

When it rains in America

Loving you keeps me from the storm

When it rains in America

(STORMS AND LIGHTNING STRUCK ALL OVER AND THEN THE OCEAN CAME)

Ancient unknown animals

On a stormy sea

Like Buddha in the water

A velvet energy

As the night takes over

The spirits of the deep

Marvel at his majesty

The whale is in his sleep

Oh, la mer

You're shimmering through

Oh, la mer

Magnificent blue

Shimmering through the water

In search of sanctuary

Currents travel faster

In alien territory

Dancing in the distance

In a puff of spray

In a single moment

The dolphin glides away

Oh, la mer

You're shimmering through

Oh, la mer

Magnificent blue

Oh, la mer

We saw mermaids, fish and even the beauty of people and mermaids having fun, When it was done we cheered wildly for May!

Me: WAY TO GO MAY!

Manaphy: YAY MAMA!

Manaphy hugged her.

May: YEAH!

Manaphy: That was so awesome!

May: Yeah it was!

Me: Yeah you did great May! Now here is Maria's turn.

Maria: AWESOME!

Horsea: Go Maria!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: Perfect!

Me: Here we go.

(RUNNING WITH THE WOLVES BY AURORA PLAYS)

Maria, me and the Rainbooms: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND AND WOLVES HOWL)

Go row the boat to safer grounds

But don't you know we're stronger now

My heart still beats and my skin still feels

My lungs still breathe, my mind still fears

But we're running out of time

Oh, all the echoes in my mind cry

There's blood on your lies

The sky's open wide

There is nowhere for you to hide

The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the

Trick or treat, what would it be?

I walk alone, I'm everything

My ears can hear and my mouth can speak

My spirit talks, I know my soul believes

But we're running out of time

Oh, all the echoes in my mind cry

There's blood on your lies

The sky's open wide

There is nowhere for you to hide

The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

(I'm running with the)

A gift, curse

They track and hurt

Say can you dream

In nightmares seems

A million voices, silent screams

Where hope is left so incomplete

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the

WOLVES HOWL and BLUE FIRE SWIRLED AROUND everything and and then…

Me: (HOWLS)

Maria: (HOWLS)

WOLVES HOWLING WERE HEARD.

When the song was done everyone was in awe and it was awesome and then they cheered wildly!

Trixie Lulamoon: Guys, I just got bad news from Equestria.

Lincoln: What is it, Trixie?

Trixie Lulamoon: My Dark Side, Dark Trixie, is here, and she has the Alicorn Amulet and is causing so much havoc in Equestria with it!

We gasped.

Twilight Sparkle: But, how? We got rid of The Alicorn Amulet after that day we defeated you.

Me: I remembered hearing about it, but it looks like she's back and she's causing havoc once more.

Maria: Someone needs to teach that arrogant unicorn a lesson!

Trixie Lulamoon: I think that'll be left to you, me, and Linky, Maria. I'm looking forward to making her pay for this.

Lincoln: Me too. (Senses for Dark Trixie) AHA! Gotcha, you evil unicorn! She's 200 clicks north of our location and she's heading right for us! (Sensed Flip's Musclebound Thugs) Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Trixie Lulamoon: AGAIN?! When is that mutant ever going to quit?!

Anna Anyanova: Never! Because, he's a greedy, vengeance-crazed mutant cheapskate, and he'll never ever learn his lesson because he's uneducated and smells like a dumpster!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Dark Trixie.

Horsea: Yay!

Nico: That was awesome!

Qin: Oh yeah!

Xenia: That was cool!

We later finished the concert.

Me: That was so awesome!

Xenia: Yeah it was!

Trixie Lulamoon: Guys, I just got bad news from Equestria.

Lincoln: What is it, Trixie?

Trixie Lulamoon: My Dark Side, Dark Trixie, is here, and she has the Alicorn Amulet and is causing so much havoc in Equestria with it!

We gasped.

Twilight Sparkle: But, how? We got rid of The Alicorn Amulet after that day we defeated you.

Me: I remember hearing about it, but it looks like she's back and she's causing havoc once more.

Maria: Someone needs to teach that arrogant unicorn a lesson!

Trixie Lulamoon: I think that'll be left to you, me, and Linky, Maria.

I'm looking forward to making her pay for this.

Lincoln: Me too. (Senses for Dark Trixie) AHA! Gotcha, you evil unicorn! She's 200 clicks north of our location and she's heading right for us! (Sensed Flip's Musclebound Thugs) Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Flip: HEH! THEY WILL KILL YOU AGAIN!

Anna Anyanova: Never! Because, you're a greedy, vengeance-crazed mutant cheapskate, and you're never ever going to learn your lesson because you're extremely uneducated and your brain and butt smells like a dumpster!

Qin: WHOA! Nicely well said Anna.

Nico then threw a huge pumpkin and smashed his head in!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Dark Trixie.

Nico: Well done Lincoln.

?: DIE, TWILIGHT SPARKLE!

Suddenly, a red beam of magic came flying right at us and it was heading for Twilight Sparkle, but Lincoln saved her and all of us by forming a powerful barrier of solid diamond around all of us.

Trixie Lulamoon: That was a quick save, Linky! Alright, you arrogant unicorn, show yourself!

Suddenly, we saw Dark Trixie come out, and true to what Trixie said, she had on The Alicorn Amulet. She kept on firing red beams of magic from her horn, but the diamond barrier was still holding out strong.

Rarity: She's not going to stop. What are we going to do?

Lincoln: I have an idea, Rarity.

Lincoln used Tirek's powers, and the diamond barrier had an orange field around it, and when the red beams of magic hit the barrier, it was absorbed and flowed into Lincoln and he grew even stronger than ever. Dark Trixie continued firing a barrage of red magic beams from her horn, but the were still being absorbed by the field and continuously flowed into Lincoln and he was still growing stronger and stronger and stronger still.

Twilight Sparkle: I had a feeling you'd use Tirek's powers, Linky, smart move.

Trixie Lulamoon: She may know magic, but we have magic that's far more powerful than hers. Let me send her flying this time, Linky.

Lincoln: Go right ahead, Trixie.

Trixie fired a diamond ball at Dark Trixie which hit her hard in the face and she was sent flying into a tree and Lincoln deactivated the barrier and we faced Dark Trixie.

Trixie Lulamoon: I should've known that one day you'd come back, I thought I was rid of you thanks to Twilight and the others.

Dark Trixie: You can never get rid of me that easily, and now, I will destroy you and see your man's heart break before I kill him too! (LAUGHING MANIACALLY)

Trixie Lulamoon: THAT IS IT! NO ONE THREATENS MY FUTURE HUSBAND AND GETS AWAY WITH IT!

Trixie Lulamoon punched Dark Trixie hard in the face and knocked out her teeth!

Maria: You just stepped into deep shit now!

Qin: BIG TIME!

Horsea sprayed ink at her.

Right into her eyes and they burned!

Suddenly, Trixie Lulamoon's purple eyes turned neon purple, and she's surrounded by a sapphire blue energy aura with stars, magic, and Alicorns as she unholstered her massive Trixie Lulamoon's Cosmic Starstorm Magic Alicorn Magical Greatsword of Redeeming Humility and Alicorn Magician Humility from her back, and as she approached Dark Trixie, she left sapphire blue energy, stars, magic, and Alicorns with every step.

Trixie Lulamoon: I can't believe that this is the monster I became because of you, but now that I see you finally in public for the first time, now I know all too well the monster I became because of my boasting and arrogance. This cannot stand, as The Alicorn Princess of Humility, I hereby sentence you to death for your crimes against Equestria, Dark Trixie.

Suddenly, Trixie Lulamoon was surrounded by a massive vortex of sapphire blue energy with stars and magic surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix with red eyes glaring at Dark Trixie: the red eyes of death.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Trixie Lulamoon's Cosmic Starstorm Magic Alicorn Magical Greatsword of Redeeming Humility and Alicorn Magician Humility, and then, it glowed, and then surrounding the massive vortex of sapphire blue energy with stars and magic surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix with red eyes glaring at Dark Trixie: the red eyes of death is a MASSIVE VORTEX

OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HER AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Suddenly, Trixie Lulamoon's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Trixie Lulamoon has transformed into SUPER ANGEL-HUMILITY ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC HUMILITY ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC REDEMPTION HUMILITY ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC REDEMPTION HUMILITY ALICORN PRINCESS ANGEL LOVE!

We were really amazed by Trixie Lulamoon's Super Angel-Humility Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dark Trixie saw it, she went mad and fired another blast of red magic from her horn at her, but Trixie fired fired a powerful barrage of sapphire blue energy blasts with stars, magic, and Alicorns at Dark Trixie and it sent her flying into a tree back first, she got back up, but now, she was beyond enraged.

Nico: (TRULY AMAZED) Whoa… !

Eli: (TRULY AMAZED) Awesome… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Trixie Lulamoon's transformed into her Super Angel-Humility Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and for what that evil unicorn tried to do to her, now it's personal!

Trixie: (Divine Echoing Godly Voice of The Cosmic Starstorm Magic Humility Alicorn Princess Angel and Divine Cosmic Starstorm Magic Humility Alicorn Princess Angel Love) It sure is. Now, all that's left is for you to transform, Maria.

Maria: Yeah, now I'm really going to enjoy drowning that evil unicorn and making her pay!

Suddenly, Maria's blue eyes turned neon blue, and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, Egyptian Hieroglyphics, phoenixes, sea creatures, and angels, she unholstered her Sword of Tefnut from her back, and as she approached Dark Trixie, she left aqua blue energy, stars, water, ocean waves, Egyptian Hieroglyphics, phoenixes, sea creatures, and angels with every step.

Maria: You're everything that Twilight and the others have said about you, you're an arrogant and way too boastful unicorn whose boasting had gotten on peoples' nerves, but to find out you obtained The Alicorn Amulet, the very thing King Sombra had created to further cause havoc in Equestria and now, you're using it to cause havoc, now you've gone and done it. We're getting rid of The Alicorn Amulet and you at the same time, Dark Trixie, and we'll make sure you never come back!

Suddenly, Maria was surrounded by a massive vortex of aqua blue energy with stars, water, ocean waves, and Egyptian Hieroglyphics surrounding the vortex, there are phoenixes, sea creatures, seahorses, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Dark Trixie: the red eyes of eternal death. Then, as the vortex faded, Maria emerged, but she was changed forever.

Suddenly, Maria's immense blue protective aura had changed into an immense rainbow protective aura with elements swirling around it, she'd transformed into her ultimate transformation.

Maria has transformed into SUPER ANGEL-WATER HORSE-TEFNUT EMISSARY AND CHAMPION-WATER ANGEL-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA TEFNUT WATER MAESTROM WATER EGYPTIAN SEA CREATURE WATER REDEMPTION PHOENIX ANGEL OF DIVINE TEFNUT WATER MAESTROM WATER EGYPTIAN SEA CREATURE WATER REDEMPTION PHOENIX ANGEL JUSTICE AND TEFNUT WATER MAESTROM WATER EGYPTIAN SEA CREATURE WATER REDEMPTION PHOENIX ANGEL LOVE!

We were amazed by Maria's Super Angel-Water Horse-Tefnut Emissary and Champion-Water Angel-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Dark Trixie saw it, she went mad and fired more red magic blasts from her horn at her, but Maria turned into pure water and they went through her, and then, she fired a massive barrage of aqua blue energy, stars, water, ocean waves, Egyptian Hieroglyphics, phoenixes, sea creatures, and angels at Dark Trixie, and they exploded as they hit her and she got drenched hard, and this angered her even more.

Nico: WHOA! Oh man, Maria's transformed!

Carol: So awesome! If William sees her, he's going to go wild when he sees her!

William: I ALREADY AM! (TEX AVERY WILD TAKE AND WOLF HOWLS)

Maria: (Divine Echoing Godly Voice of The Egyptian Water Maelstrom Tefnut Emissary Water Horse Redemption Angel and Divine Egyptian Water Maelstrom Tefnut Emissary Water Horse Redemption Angel Love) (GIGGLES) That is funny. Right now, we better take care of Dark Trixie.

Lincoln: And destroy her and The Alicorn Amulet.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Trixie Lulamoon and Maria, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're about to get a really hard lesson in humility, Dark Trixie, but I can tell you this: it's a lesson that's going to end with your death.

Lincoln, Trixie Lulamoon, and Maria went after Dark Trixie who kept on firing red magic blasts at them, but Lincoln fired orange absorption blasts which absorbed the red magic blasts and they made him a lot stronger, and they fired extremely powerful blasts of rainbow energy, sapphire blue energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Trixie and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his claws and firing energy slashes from his gold armored claws and he, Trixie Lulamoon, and Maria attacked her with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Dark Trixie insane with rage.

Dark Trixie: I'LL KILL EVERY LAST ONE OF YOU!

Dark Trixie slapped Horsea.

But Horsea dodged the slap and blasted her with a bubblebeam!

Horsea: Nice try clod!

Maria: NO ONE does that to Horsea!

She strangled Dark Trixie!

Homer: WOOHOO! GO MARIA!

Maria smashed her into the ground. She picked up Horsea.

Maria kissed Horsea on the forehead.

Horsea: Maria I'm okay. I dodged it.

Maria: Oh. Good.

Suddenly, Lincoln grabbed The Alicorn Amulet from her cloak and ripped it off, and then, he threw it into the air and I jumped up and unsheathed my sword.

Me: This is the end of all the Dark Magic in Equestria! HIIIIIIIYYAH!

SLASH!

I slashed the Alicorn Amulet and it shattered into a million pieces and all the dark magic all over Equestria was now PERMANENTLY destroyed and the land was pure! All the dark magic was permanently banished to the black gates forever.

Xenia: YEAH!

Dark Trixie: NO! MY POWER!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) There, The Alicorn Amulet is gone for good. Now, to drain you of every last bit of your magic, Dark Trixie.

Suddenly, Lincoln's left hand glowed with red energy and it enveloped Dark Trixie as she was lifted up into the air, and then, sapphire blue magic was being extracted from her horn and flowed into Lincoln via the red gems on the gold circular chestplate, and his rainbow energy aura with elemental forces and mythological animals flared up as he was growing stronger and stronger. Then, as soon as he was done draining Dark Trixie of her magic, her eyes became dull and her cutie mark vanished, and Trixie Lulamoon delivered the final blow by firing a sapphire blue energy blast which hit Dark Trixie and she was destroyed and sent to The Black Gates. We all cheered as Lincoln, Trixie Lulamoon, and Maria holstered their weapons and powered down, and Trixie Lulamoon's new body, clothes, weapons, jewelry, Third Eye, longer horn and tail, and massive angel wings are permanent, and Maria's new body, clothes, weapons, jewelry, Third Eye, and massive brown angel wings are permanent.

Maria: Now, that felt good.

Suddenly, Trixie Lulamoon felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Trixie?

Trixie Lulamoon: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave Dark Trixie quite the nasty beating of her miserable life.

Nico: You got that right, and you also destroyed The Alicorn Amulet, the last remnant of King Sombra's dark magic and all the dark magic in Equestria and that was pretty clever of you using Tirek's powers, Lincoln.

Lincoln: Since we knew she was going to fight using magic, it made sense that I'd use Tirek's magic-draining powers and my own magic draining powers to fight back against her.

Trixie Lulamoon: You basically fought magic with magic, but her skills with magic were really nothing compared to ours.

Maria: And using The Alicorn Amulet, she didn't realize what'll happen whenever someone uses that thing.

Suddenly, Trixie Lulamoon wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Trixie Lulamoon's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Trixie Lulamoon absorbed the elements and they came back to us as the display vanished.

Twilight Sparkle: At least, we're rid of that dark side of Trixie for good, along with The Alicorn Amulet.

Nico: You got that right, that thing was nothing but trouble.

Me: No kidding.

Lincoln: I consider that thing on the top five of the most evil dark artifacts of Equestria.

Me: Yep.

Nico: Same here.

Just for more affection, Maria kissed Horsea's forehead again

Horsea: Aww thanks.

Me: But that was so awesome!

Jared: You said it dad! That arrogant monster of Trixie Lulamoon is now gone for good.

Starlight Glimmer: Boy no kidding there! I'm glad she is gone.

Trixie Lulamoon: Same with me. Looking back I, The Great and Powerful Trixie, was a total jerk and a heartless monster.

Nico: But at least you redeemed yourself Trixie.

Maria: And that's all that counts.

Lola: Yeah.

Artha Penn: And you will always be an awesome and great sister Trixie.

Trixie Lulamoon: Thank you guys.

Me: You're welcome.

Qin: Now for the Anothers.

Nico: I hope there aren't too many Anothers this time.

Eli: Don't worry I sensed for them. And there's only 6 of them. We have Another Psyclone, Hurricane, Bora and Mr. Twister, Windfall and Iron Lung.

We gasped!

Me: Whoa! Anzhela Federova A.K.A Bora and Bromwell Stikk A.K.A. Mr. Twister. This will be interesting. Psyclone and Hurricane's real names were never told to us.

Nico: Wow!

Maria: Who do we call?

Me: Carmilla Cyclone, Lorelai Erikkson, Csilla Almassy and Kaarina Heikkinen.

Lola: Cool!

Carmilla Cyclone: We're truly honored for this.

Lorelai Erikkson: Boy this will be awesome.

Kaarina Keikkinen: (Finnish Accent) It sure will.

Eli: And I sense that the Anothers minus Iron Lung are one person.

Me: Wow.

Lola: This will be awesome.

Nico: There they are!

We saw Another Psyclone, Hurricane, Bora and Mr. Twister and Windfall!

Me: WHOA!

Qin: This is gonna be windy!

Nunnally: Big time!

Lola: Yeah!

Another Hurricane: (In a girls voice) That was a good one though.

Me: (GASP) That voice.

They merged and she reverted back and was a girl with black hair and had purple eyes and had purple angel wings and she had purple clothes and had a tiara with the symbol of the Joker Kamen Rider from W on and the symbol of Joker was on her skirt and she had a sword of Darkness in her hands.

Me: (GASP) Jillian Joker!

Jillian Joker: Awesome to see you again J.D.

Me: Same here. Jillian is the Embodiment of the Joker Dopant from Kamen Rider W.

Shotaro: WOW! We never encountered a Joker Dopant.

Lola: That would be cool to see.

Jillian Joker: It sure would.

Me: Yep and she is also a very mischievous one hence why she is Joker's Embodiment.

Nico: That is so cool!

Qin: Yeah I'll say.

Jillian Joker: At least you guys aren't fighting 100 Anothers.

Qin: That is true.

Lola: Yeah.

Me: By the way is the Another Iron Lung friendly or hostile?

Jillian Joker: Friendly and you will find her interesting.

Me: Wow!

Maria: Sorry we have to do this.

Jillian Joker: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

We fired waves of energy and blasted the them and I caught the Wonder Ride Books.

Lola: Oh yeah!

Qin: Awesome!

Me: Now for Another Iron Lung.

Nico: All we can do is wait

But then my geiger counter started clicking like mad!

Me: Uh oh! We got intense gamma radiation!

Lola: But Iron Lung is not radioactive!

We saw the Another Iron Lung!

Me: Whoa!

Lola: This one is really radioactive.

Me: No kidding.

Another Iron Lung: Sorry about that guys. I can't help it. Comes with who I am a hybrid of.

Me: (GASP) That voice!

She reverted back and it was a girl with neon green hair and had green eyes and had black and green clothes and she had a sword of intense gamma radiation!

Me: (GASP) Celica Cuprosklodowskite!

Nico: WHOA!

Celica Cuprosklodowskite: Awesome to see you again J.D.

Me: Same here.

Qin: Wow the radiation she has is off the scale.

Celica Cuprosklodowskite: I know. I am a Gemsona. I'm a hybrid of a human and Cuprosklodowskite as well as the gene-slammers of Iron Lung, Brass Knuckles, Copper Cranium, Bronze Kneecap, Golden Gutt, Titanium Toenail and Gilded Arches.

WE GASPED!

Qin: WHOA!

Nico: Radioactive and metalic!

Qin: Yeah!

Kaito: (gets out Bioman Gear) Did Swartz promise you anything?

Zocks: (Gets out Dynaman gear) Because we can grant it instead.

Kaito got a Bio Sword and Zocks got a Dyna Sword.

Celica Cuprosklodowskite: No he was in a hurry.

Me: Because of your intense radioactivity.

Celica Cuprosklodowskite: Yep.

Qin: I don't blame him.

Lola: Yeah.

Sougo: (gets out Bioman Gear) I'm surprised Gene Slammers for MOE members exist.

Geiz: (Gets out Dynaman gear) I figured any Team Rocket dirtbags who get close to our frenemies winds up dead.

Sougo got Red1Armor while Geiz got DynaRedArmor.

Me: I agree there. That's crazy but cool.

Iron: I'm surprised myself.

Celica Cuprosklodowskite: I know. Sorry we have to fight like this.

Me: No worries.

She turned into Another Iron Lung.

Nico: (gets out Iron Lung's Ridewatch) Time to take a deep breath!

Me: Just as long as Timmy doesn't pull out a 1935 Buick Packard and blows that in your face.

Nico: Yuck. (ACTIVATES IRON LUNG'S AND WINDFALL'S RIDEWATCHES)

He fired waves of wind and smashed her down.

May: Time to strike with the snakes of lightning! (ACTIVATES SERPENTINA AND EVIL STORMY WEATHER'S RIDEWATCHES)

She fired waves of energy and lightning and smashed her down.

Maria: Who is hungry for pizza! (ACTIVATES ORGAN GRINDOR'S RIDEWATCH)

(TARANTELLA NAPOLETANA PLAYS)

Maria danced and fired waves of pizzas and blasted down Another Iron Lung!

Maria: And here are some explosions! (ACTIVATES BOMBERMAN GANG'S RIDEWATCH)

She fired waves of bombs and blasted her all over.

Julie Kane: Now for some wind! (ACTIVATES WINDFALL'S RIDEWATCH)

She fired a wave of wind and smashed her down.

Then Rojo, Dogranio Yaboon, Urchin, Hammerhead (Looney Tunes), Count Grogan and the Ghost of Geronimo came.

Nico: Nice team Rojo!

Rojo: Thanks Nico!

Me: Awesome!

Count Grogan: We have a lot of catching up to do next time J.D.

Me: Boy we sure do Count Grogan. Lots of things have happened since 18 years ago.

Count Grogan: I know.

Then a Dachsbun came.

Me: Oh a Dachsbun.

Qin: What a cutie.

Lola: Yeah.

Nico: Awesome.

Dachsbun: (In a girls voice) It has been a while Nico.

Nico: (GASP) Lorna Northwest!?

Me: Whoa!

She reverted back and was a girl with blond hair and purple clothes and had blue eyes.

Pacifica: Lorna!

Lorna: Pacfica!

They hugged for the first time in a while and Pacifica cried hard.

Lorna Northwest: I know sis. I know. I'm sorry I wasn't there. We can catch up later. I got this.

She fired a wave of energy and knocked down Another Iron Lung and I brought over Celica and purified the ridewatch.

Me: Awesome!

Nico: Wow you're Pacifica's sister!?

Jade Chan: Wow!

Lorna Northwest: I sure am.

Dipper Pines: SAY WHAT!?

Qin: Whoa!

Jade Chan: Wow!

Me: Then you must've heard about what happened with your so-called mother and father.

Lorna Northwest: I sure did. You see, I am the black sheep of the Northwest family and I absolutely hated my parents for their greedy ways and the horrible treatment they were giving to Pacifica.

Me: Pacifica told us everything.

Lorna Northwest: Yes and I was trying to find enough evidence to bring down my evil parents reign so me and Pacifica can live together in hiding and with safety.

Me: Well we put your so-called evil mother and father in prison. You wouldn't believe the kinds of horrible things they were doing.

Nico: Yeah no kidding.

Lorna Northwest: Good. They can stay there and rot for all I care. Those monsters are not my parents.

Lola: They weren't fit to be parents from the very beginning.

Qin: Yeah.

Julie Kane: What's your favorite memory of Nico?

Lorna Northwest: When me and Nico found one of my parents old mansions and we restored it and made it 100,000 times larger than my mom and dad's house in Gravity Falls.

Nico: I remember that house. It's on the outskirts of Gravity Falls.

Qin: Wow!

Lola: That is amazing.

Nunnally: It sure is.

Nico: Yep.

Nico and Lorna hugged.

Nico: I've missed you Lorna.

Lorna Northwest: Me too Nico. And Pacifica we have a lot of catching up to do.

Pacifica: I know sis. I know.

We later went back home.

Lincoln: Oh man, we're here in the world of the 2019 horror film, Itsy Bitsy, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to help Kara, and her kids, Jesse and Cambria, survive their night of terror and destroy Maa-Kalaratri, The Dark Mother that's in the form of a giant prehistoric spider.

Nico: (Gulps) I think I remembered that movie all too well, and that spider was one super scary, ugly, and super evil monster.

Me: And that thing has a very venomous bite when it attacks its prey.

Lincoln: Which is why I came prepared. Now, we need to find Kara, and her kids, Jesse and Cambria, and then, get after Maa-Kalaratri.

We headed inside, and we met Kara, and her kids, Jesse and Cambria. Then, Lincoln formed a very powerful and protective diamond barrier to protect us from Maa-Kalaratri.

Kara: Thanks for coming. That giant spider's loose and already, it killed Clark and our cat. I managed to rescue Jesse and Cambria from that thing, but it's still here in the house, and I don't know where it is.

Me: As long as you remain here with us, you guys are safe.

Jesse handed us the shattered remnants of the Dark Egg of Maa-Kalaratri.

Nicole: The Dark Egg of Maa-Kalaratri, this thing is more than just an artifact, it's actually the tomb of the vengeful spider goddess herself. The thief who gave it to Clark threw it and shattered it and that unleashed the vengeful spider goddess, and now, she's loose.

Diana Lombard: Lincoln, use your wrist computer, and then, let's use The Legendex.

Lincoln got his left wrist computer online and brought up The Legendex, and in it was the legend of Maa-Kalaratri.

Lincoln: Here we go, the legend of Maa-Kalaratri. According to legend, Maa-Kalaratri is known as The Spider Goddess, a being who existed before both humans and time itself. She is said to be a "weaver of destiny", someone who presides over the humans between the darkness in the stars. She used to be vastly worshipped, but after worshipped declined, she one day, reemerged and decimated her now non-worshipers, taking a chief's daughter with her. To appease her, the tribe of her worshippers would offer blood sacrifices from babies from the village, the people believing that she would help crops and other such things. The goddess was kept inside of The Dark-Egg of Maa-Kalaratri, and only the High Priests of the tribe had ever touched it during the harvest season.

Nico: Whoa.

Diana Lombard: I read one of the reports that her worshippers were killed and she had been stolen by thieves who gave Clark her egg. It served as her tomb, and when one of the thieves shattered it, he unleashed her. We got to stop her and fast.

Jenni Anderson: She could be anywhere in the dark.

Lincoln: Not a problem.

Lincoln made the barrier glow with light by channeling light into the diamond barrier.

Applejack: Nice one.

Suddenly, we saw a beautiful and super sexy girl with long dark brown hair with orange streaks and black hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a long-sleeved white shirt, necklace with pearls and red gem for the pendant, long-sleeved black coat, orange shorts and green knee-pads, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light, Keyblades and angels on the coattails and on the back is

Halloween Town, and in her right hand is the Pumpkinhead Keyblade and a girl with long hair with the same colors as Vinyl Scratch's mane and pink hairband, blue clothes with Vinyl Scratch's cutie mark on the green skirt, blue choker, white bridal gloves, blue unicorn horn on her head, and blue angel wings and they had the six girls with them.

Lincoln: (GASPS) Helena Halloween, The Keyblade Knight of Halloween Town.

Helena Halloween: That's right.

Hailey Halloween: I knew one day we'd run into you, sis.

Vinyl Scratch: And the second girl with you… (GASPS)

Lincoln and Vinyl Scratch: Cadence Concordia.

Me: Sounds like you two know her.

Lincoln: I do.

Vinyl Scratch: And I knew her from Equestria, and it was right before…

Cadence Concordia: Before I moved to Royal Woods. Allow me to introduce myself, my name is Cadence Concordia, Gene-Slammer of Vinyl Scratch, Alicorn Princess of Grace, I'm Lincoln's Guardian Angel from Equestria and I'm a powerful force of music and magic and I'm also a very powerful Alicorn and very powerful master of music and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a blue neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my blue horn on my head glowed with blue light and it was a sign of true love. Plus, I'm also a dear friend of Vinyl Scratch from long ago and our bond remained strong to this day, and I'm an awesome friend of Luna, Sam, Mazzy, Sully, and Chunk and an awesome music lover and party goer.

Luna: You should see her rock out with us in our concerts, she knows how to play an electric guitar, but she also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because Cadence had seen what kind of people Lori, Lynn, Lola, Lisa, and Luan are.

Nico: What did Lori, Lynn, Lola, Lisa, and Luan do to earn your wrath?

Luna: Those five were waiting for Lincoln in an ambush, and then, they'd come charging at him to kill him in another attempt at his life, but Cadence charged in and she kicked them into a nearby fence and she got knocked out because of just how strong she is and she froze them with a blast of magic she fired from her horn. She told the family of what they tried to do to Lincoln, and they not only got grounded for a month, and she sent them running to their rooms but not before she played a loud chord on my electric guitar and made them go deaf for a week along with smashing my cymbals in their faces.

Me: That's exactly what happens when they mess not only with one of Lincoln's Guardian Angels, but also, knows how to use musical instruments as weapons. I'd seen what Luna can do when she uses her instruments as weapons, and you don't want to cross her.

Nico: Messing with someone who knows Rock-Fu, their ears will be bleeding for weeks.

Lincoln: Yep, and it's so good to see you again, Cadence.

Cadence Concordia: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Vinyl Scratch, you really have changed a lot since we last met.

Vinyl Scratch: Indeed I have, Cadence, and of course, I'm also a mother.

Vinyl Scratch showed Melanie the pictures of hers and Lincoln's newborns, and her jaw dropped to the floor.

CLANG!

Vinyl Scratch helped close her mouth.

Cadence Concordia: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Cadence Concordia in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with electric blue gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Vinyl Scratch: I knew that was coming, and now, you're part of Lincoln's harem and are now one of his future wives. But, I'd save the kissing for later, let's get after Maa-Kalaratri.

Suddenly, Lincoln fired two fire blasts which hits Maa-Kalaratri's egg sacs and burned them to ashes.

Lincoln: When she molted her exo-skeleton, she also laid egg sacs as well. Now, all that's left is to kill Maa-Kalaratri for good.

Me: Yeah.

Suddenly, a thunderstorm came, and lightning also lit up the house's rooms, along with the light from Lincoln's diamond barrier. Then, we saw a giant dark brown spider with giant fangs climb down from the wall in the living room: it was Maa-Kalaratri, The Dark Mother and the vengeful spider goddess.

Nico: (Gasps) Maa-Kalaratri.

Then, Maa-Kalaratri pounced, but the diamond barrier was protecting us from her, but she was still trying to break the barrier and bite us with her venomous giant fangs, which was futile.

Sylvester: Let's squish that giant spider and get out of here!

Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after Maa-Kalaratri and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Maa-Kalaratri tried to go after Kara, Jesse, and Cambria, but Lincoln imprisoned the spider goddess in a ball of indestructible diamond, then, the diamond ball's interior grew and formed giant spikes which pierced Maa-Kalaratri all over the place since the only way to kill her was force, and they didn't stop. When it was done, Maa-Kalaratri was nothing more than pile of remains, which were set ablaze and she was also sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Kara: It's over at last, at least, that thing is gone.

Nico: Yeah. And we also knew about what happened to your son, Stevie, and you were also blaming yourself for what happened. We know the accident wasn't your fault, but to you, you felt it was and it scarred you mentally.

Jesse: You… also found out about what happened. What happened to Stevie, it wasn't Mom's fault, but she blamed herself for it.

Lincoln: She managed to forgive herself by saving you and Cambria. But, I think we can truly make your family whole once more.

Lincoln snapped his fingers, and a beam of heavenly light descended, and Kara saw her son, Stevie, brought back to life, as she cried tears of happiness and she hugged her brought back son, and Jesse and Cambria also joined in.

Cambria: Where are we going to live, Mommy?

Kara: I think Gotham Royal York is a better choice. But, no matter what, we will always stay together.

We helped Kara, Stevie, Jesse, and Cambria move to Gotham Royal York, and Ino is going to help them after that traumatic experience with Maa-Kalaratri and what Kara went through due to Stevie's death.

Lincoln: At least, we finally got rid of Maa-Kalaratri.

Lynn Sr. was really shaking in fright.

Lori: Oh shoot, we literally forgot about Dad's Arachnophobia again.

Lincoln: We're signing him up to get cured by Nightmare or Rhinosnorous when we get back. (To Helena Halloween) And it's so good to see you again, Helena Halloween.

Helena Halloween: You too, Linky, it's been a long time.

Lincoln went up to Helena Halloween and he hugged her, and Helena Halloween is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Halloween: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Helena Halloween, Keyblade Knight of Halloween Town, she's my Guardian Angel Guardian Angel from Halloween Town and she's also the younger sister of Hailey Halloween, Sailor Soldier of Halloween Town. She's a Keyblader, and like her older sister, she has all the powers of Halloween and she's literally known as the Queen of Halloween, and she is also known as The Queen of Terror, and she and her sister, Hailey, had fought against Oogie Boogie, Lock, Shock, and Barrel whenever they try to cause trouble against Jack Skellington and all of Halloween Town. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like all her fellow Keyblade Knights, she harbors a deep grudge against

Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Luna: And she also used her skills in terror and Halloween to scare Lori, Lynn, Lola, Lisa, and Luan, along with Lincoln's other enemies, and they peed their pants like crazy. For Lynn, she peed her gym shorts and farted in fright as she ran back to her room.

Nico: Gross.

Me: But, you know what happens when they begin messing with a Halloween Terror Queen.

Lincoln: It never ever ends well at all, and it leaves them scarred for life and terrified. And now that you're here, Helena.

Lincoln went up to and hugged Helena Halloween in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena Halloween: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Helena Halloween's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Halloween: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Halloween.

Helena Halloween had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the five girls, and when Lincoln saw who they were, they immediately recognized them. The five girls are Ai Midorikawa, Hina Tomosaki, Kaede Shinozaki, Mizuho Akashina, and Shizuka Takeda from Uragiri.

Lincoln: Oh wow, it's Ai Midorikawa, Hina Tomosaki, Kaede Shinozaki, Mizuho Akashina, and Shizuka Takeda from Uragiri.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ai Midorikawa: Yes, we're okay, thanks to you.

Then, when Ai Midorikawa and the other four girls saw who it was that saved them from Maa-Kalaratri, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Ai Midorikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ai Midorikawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ai Midorikawa, Hina Tomosaki, Kaede Shinozaki, Mizuho Akashina, and Shizuka Takeda with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Maa-Kalaratri, The Dark Mother and the vengeful spider goddess.

But, when Lincoln showed what we did in viciously beating down that monstrous spider and then trapping her in a diamond ball that formed spikes inside and they tore that spider to shreds and banished her spirit to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Helena Halloween, and Cadence

Concordia have a lot of catching up to do now that they're back in town.

Maria: Jeez, that spider goddess sure was a dangerous monster!

Lincoln: Yep, but we sent her to The Black Gates for good and saved Kara, Jesse, and Cambria from the evil spider goddess, and I also brought back her son, Stevie, and we helped them get settled in Gotham Royal York.

Me: Yep, and they'll be getting therapy from Ino after what they went through with Maa-Kalaratri.

Nico: And the lesson is never pick up any dark artifacts because you never know what lurks inside it.

Nicole: Ain't that the truth.

---

After killing Maa-Kalaratri, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Halloween and Cadence Concordia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Helena Halloween: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Cadence Concordia: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Helena Halloween: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Cadence Concordia: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Helena, we've already heard from Cadence of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Helena Halloween: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Gus' Games and Grub, and we were there for lunch after our training. But, then, we heard a familiar loud belch in the air and caught the stench of sweaty armpits, chum, limburger cheese, and B.O., and we knew who it was: Lincoln's insanely overly-competitive, rude, aggressive, belching, farting, uncivilized sister, Lynn. She burst through the doors on all fours, and she was out for blood. She charged at us, but I fired blasts of pumpkin fire at her which burned her butt, and then, I pulled a scary face and sent her running on all fours while she was farting like crazy, and Lincoln fired a blast of ice that froze her inside, and he pushed it and he sent it hurtling towards an open metal container that Luna got out, and as soon as Lynn was inside, she closed the door and secured it.

Nico: Awesome. But, wait, when she thawed out, did she…?

Lincoln: Nope, she didn't roar and pounded on the door to try and escape, besides, if she tried that, you know what'll happen. Plus, the ice melted because of the stink lines coming off her smelly feet.

Nico: Gross! Lynn, do you ever wash your feet?!

Luna: She doesn't, dude. Plus, she even picked her nose with her big toe!

Nico: OH! THAT'S JUST DISGUSTING!

Me: Yeah, Dark Lynn made her forget about proper hygiene, we even had to get out gas masks around her!

Lincoln: And why we always had to watch it around Lynn. It's no surprise we didn't have the house fumigated because of her!

We got a shower, and then, Lincoln, Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Mei Terumi: Wow, so this is Sirena Beach, this place is awesome.

Lincoln: It sure is, Mei, and it's perfect for our first date. Shall we?

Lincoln, Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back onto the sand, and they had an awesome volleyball game, and Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto and they hugged them in their abnormally massive and powerful muscular arms, and Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto are in your harem.

Naruto: I had the suspicion that Mei Terumi fell in love with Lincoln, and she's had those feelings for him for a very long time.

Kurumu: And we made the right choice introducing Linky to Kyoko.

Zoe Orimoto: And my Simulator counterpart is also part of his harem too, nice.

DC SHG Raven: Along with Rose.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Mei Terumi, Kyoko Aono, DC SHG Rose Wilson/Ravager, and Simulator Zoe Orimoto, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

Later we were going into the simulator.

Nico: Next is Gusty Garden Galaxy

Me: Ooh the Wind Garden one.

Qin: Cool!

Lewa: Me and Matau will definitely be going with you for that one.

Nico: Perfect! Lets head in.

They went in to the simulator and Nicole activated it and they were at GUSTY GARDEN GALAXY!

Nico: Here we are.

Matau: WOW! This is amazing!

Lewa: Boy I feel right at home here.

Matau: Diggersby?

Pawmot: Yeah my family has that for my last name. We are miners and dig for jewels and gold.

Nico: Yep.

Matau: Very fitting. But that's also a Pokemon name.

Pawmot: I know.

Lewa: Just wanted to clear up some confusion.

Pawmot: No worries.

They got to the island and then a burrowing figure came and out came MAJOR BURROWS!

Nico: That is one huge mole!

Nicole: Okay you have to get him to pop out and then slam the ground and kick him in his butt.

Nico: And I got just the techniques for that.

Burrows went underground and then Nico used the power of Naturon Shenron! The 7 Star Dragonball on his bracelet glowed and blasted him out!

Lewa: We got first crack!

They fired waves of wind and blasted him on his butt! He got up and went underground!

Nico: (gets out Iron Lung and Whirlwind's Ridewatches) Let's add more wind power!

Nico blasted the ground again and flushed him out and then activated the Ridewatches and blasted him on his butt.

Eli: OH YEAH!

Matau: Take that!

Then MAJOR BURROWS GOT RED HOT MAD! STEAM WAS SHOOTING OUT OF HIS HEAD AND HIS HELMET WAS GLOWING RED HOT!

Nicole: WHOA MAN Now he is mad!

Lewa: Good thing there's no bunny here!

Nico: I know.

Pawmot: I got this one.

She fired a wave of energy and blasted him. Then Nico, Lewa and Matau blast him and he got smashed down and then POOF!

The Power Star came!

Nico: There it is!

Lewa: Me and Matau got this.

They went and got the star!

YOU GOT A STAR!

Nico: YEAH!

Pawmot reverted back and was a girl with orange hair and orange eyes and had an orange dress on.

Erica Diggersby: That was so awesome!

Nico: Yeah it was!

They high five!

Pakura: I don't see this ending well.

Me: Me neither. That's why I stick to fizzy juice.

I pulled out a bottle of it and drank it.

Me: (LOUD BELCH)

I turned the flower vase on the table into a bowl of blue raspberry peaches.

Sunny Starscout ate one and it was juicy and tasty.

Sunny Starscout: Wow! Looks like peaches and tastes like blue raspberry!

Me: Blue-Razzle Peaches. Awesome combo.

Sunny Starscout: And perfect for smoothies.

Me: Awesome! Also pardon me.

Poromon and the mascots drank Red Bull and then…

(Ray of Light by Madonna Plays)

Mascots: (SINGING DIVINELY AS LIGHTS FLEW FAST)

And I feel like I just got home

And I feel

And I feel like I just got home

And I feel

They bounced all over the place like bullets fired from a gun!

Fu: Are you guys ok?

Me: They are just going through Red Bull Rush.

Brian: Yeah Peter went through that and he was all over the place.

Stewie: Oh god I remember that.

Me: Me too.

Nico: Yeah.

Poliwag then ran fast and bounced like pinball bumpers.

Poliwag: (Fast talking) Boyimmovingsofastthatitsfun! WOOWOO!

Poromon: (Fast talking) ImmovingsofastIfeellikemilkingcows!

ZOOM!

Poromon then zoomed fast and then Universe 666 Chris came and ran fast and screaming hard and his CROTCH WAS ON FIRE!

Dirtbag: (to Horsea and Manaphy) You two okay?

They gibbered and then ran fast and were acting like Mac on a SUGAR RUSH MANIA ATTACK!

ZOOM ZOOM!

They ran fast and then we heard the sounds of punching and kicking and we saw the mascots kicking the living shit out of the Digimon Emperor in our prison!

Nico: HOLY CRAP!

Manaphy: Youlikethatfartface!? Youlikethatfartface!

MANAPHY THEN VOMITED IN THE DIGIMON EMPEROR'S MOUTH! YUCK!

Horsea: YeahIbetyoulikethat!

Horsea then fired a torrent of Ink into his mouth and he threw up!

Nico: NICE!

The Mascots came back and were about to bounce on Nunnally's stomach.

But we grabbed them before that could happen.

Qin: Whew. Close one.

But then it wore off and they were fast asleep.

Me: Aww they fell asleep.

Nico: Yeah.

But then…

Nunnally screamed and then a massive puddle of water was on the floor! THIS CAN ONLY MEAN ONE THING!

Qin: OH NO!

Nunnally: It's time!

Me: Whoa!

Maria: Oh fuck!

Eli: Oh boy!

Me: EVERYONE! Lets get her to the hospital! Lets go lets go Double Time Lets Go!

We got her loaded into Ratchet and we were off to the hospital.

We later arrived and she and Eli went into the Delivery Room.

We then waited.

Me: This is gonna be interesting.

Lola: Yeah.

?: Boy no kidding.

We saw a Maushold!

May: Aww a Maushold!

Lola: Awesome!

Maushold: (In a girls voice) Nunnally is one awesome girl to have children.

Nico: Elaine Cheddar!? Whoa!

She reverted back and was a girl with blond hair and had yellow and orange clothes and had the kanji for cheese in the middle of her forehead and she had yellow angel wings.

Me: Awesome you're one of the great cheesemakers of Wisconsin.

Elaine Cheddar: I sure am.

Grapple: What's your favorite memory of Nico?

Elaine Cheddar: When me and Nico made the largest ever castle of cheese and I used my powers to make it rot proof.

Nico: (DROOLS) Elaine and her family make the most awesome cheese ever. And it's so good.

Qin: Her family's cheese is awesome.

Elaine Cheddar: And Nico can't get enough of it.

Me: Boy we have a bunch of Cheeseheads with us.

We laughed!

Laney: Yeah.

Nico and Elaine hugged.

Nico: I've missed you Cheesa-Donna.

Elaine Cheddar: Oh Nico don't call me that.

The mascots got up from their nap.

Poromon: What happened?

Me: Nunnally is now in Labor.

Poromon: Oh man!

But her labor pains were intense crying!

Nunnally: OH IT HURTS SO MUCH!

Qin: Poor Nunnally.

Maria: And you guys went crazy from Red Bull

Poliwag: We did?

We told them what they did and how they beat up the Digimon Emperor and bounced off the walls and more.

Horsea: Whoa we were hyper.

Me: And you set Universe 666 Chris Griffin's crotch on fire somehow.

Manaphy: Oh man we must've mistaken him for the Prime Universe version.

Nico: Oops.

Me: It'll be okay.

The labor pains stopped.

Qin: It stopped.

Then out came Eli and Nunnally and in Nunnally's arms were 2 adorable baby girls.

Me: Oh Nunnally, Eli they are so adorable.

Nunnally: (Tired) They sure are.

Xenia: Aww.

Eli: Yeah.

Me: What are you going to name them bro?

Eli: The one in Nunnally's right arm is Ahsoka Tano Britannia and the one in her right arm is Rey Skywalker Britannia. We named them after Ahsoka and Rey.

Ahsoka: We both are truly honored.

Rey Skywalker: (British Accent) I think they are adorable to have been given names from us.

Kit and the Dragon Knight Riders came.

Volcana: Thanks for coming, Kit.

Kit: No problem!

Me: We owe you guys big for helping us against Jackie Frost and Northwind.

Kit: No problem J.D. That was so fun.

Lola: It sure was.

Me: I have a feeling this will be a very epic battle against Xaviax. I have 15 years of punishment to dish out on him when the time comes.

Nico: You got that right.

Kit: Yeah.

We took Nunnally back to the estate and had her sit in the rocking chair in the nursery.

Me: If you need anything Nunnally let us know. Pickle and Barley Barrel will look out for you here okay.

Nunnally: Thank you J.D.

We left and got ready.

Kit: That is so awesome that Nunnally is now a mother.

Me: We are happy for her.

C.C.: Same here.

Qin: Yeah.

The previous group came.

Mr. Fizz: Can me, Titanium Man, Trumbipular, Magneto, Misty Tredwell, Kyd Wykkyd, Kaos, Dr. Viktor, Technus, and Yenaldoshi go with you guys?

Nico: Yes you all can come with us.

Xenia: Yep.

Mr. Fizz: Awesome.

Lola: But this will be fun. Whatever our mission will be.

Heckyl: Nico, which Gene Slammers do you think you'll meet next?

Nico: Arboliva and Squawkabilly.

May: Cool!

Me: Squawkabilly comes in 4 forms so there might be 4 of them of that one.

Qin: Yeah.

Nico: It's possible.

Qin: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than mad scientist Dr. Ivan Krank, and he's broken out and is out to cause havoc again. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I just had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than mad scientist Dr. Ivan

Krank, and he's broken out and is out to cause havoc again.

We gasped.

Nico: Oh great, another fucked-up mad scientist running loose.

Me: Yep. But, you know what this means.

Lincoln: He's getting a one-way trip to prison for good after we take him down.

Me: Oh yeah.

Camie: Who is Dr. Ivan Krank?

Me: He's from the movie Teacher's Pet. He's a dangerous mad scientist.

I went over his history.

---

Dr. Ivan Krank is the main antagonist of the Teacher's Pet franchise, serving as the unseen overarching antagonist of the Teacher's Pet TV series and the main antagonist of Teacher's Pet: The Movie besides being called a "Wakko" which he dislikes. His nephew Ian Wazselewski sometimes breaks his uncle's commands.

He was voiced by Kelsey Grammer, who also played Harold Attinger in Transformers: Age of Extinction, Sideshow Bob on The Simpsons, Stinky Pete in Toy Story 2, Hunter in Storks, and Rothbart in Barbie of Swan Lake.

Past

While some of his past is unknown, Ivan was picked on all his life for having a large head and resents everyone for dismissing him as crazy.

Teacher's Pet: The Movie

Dr. Krank is first mentioned by his nephew, Ian Wazselewski, when the latter announces that he will be staying with him for the summer.

Krank is first seen on "The Barry Anger Show" where the host interviews him and he says he can turn animals into human beings. Spot finds this as the opportunity to live his dream and goes to see him.

Spot and Leonard meet up at a gas station. Through many quick costume changes, Spot fools Mrs. Helperman into believing that he is Scott Leadready II and that his family, en route to Sunny Southern Florida, had to return home, but he could still go with the Helpermans. Spot, Leonard, and Mrs. Helperman continue on their way to Florida, singing through all fifty states.

Meanwhile, back at the Helperman residence, Pretty Boy and Mr.

Jolly see another episode of Barry Anger in which Anger reveals that Krank is a phony who can't really turn animals human, but rather into terrifying, hideous mutant creatures. They decide that they must track down Spot and stop him from being turned into a monster, but Mr. Jolly is afraid to leave the house. Pretty Boy assures him that they can be tough despite their size.

When Spot and Leonard find Krank's lab, he tries to turn a frog into a human but he only makes it 'moo'. Spot arrives and convinces Krank to not destroy the machine and that he needs a mammal to make a man not swamp creatures.

Spot is turned into a human but instead, he's turned into a man not a boy (his age in dog years). Krank then traps Spot and Leonard in a cage to turn them into media freaks.

Then Ian arrives and sets them free in exchange for a chew toy. When Krank finds out, he grounds Ian for the rest of the summer and traps him in a web. He also sends his mutated swamp creature minions Dennis the alligator and Adele the mosquito to recapture Spot.

Later, when Ian calls his parents to take him home, Krank tells him to stay off the phone (he wants to call out for a pizza).

The next night, Leonard arrives at the lab to turn into a dog to be with Spot, but Krank uses him as bait. Suddenly, Spot, Pretty Boy, and Jolly arrive in time to save Leonard. Spot installs the nickel Krank gave him earlier in the machine and it turns him into a mouse and Jolly chases him out of the lab.

When Spot is turned back to a dog, Jolly eats the mouse-formed Krank, therefore killing him and Ian decides to take Dennis and Adele as his cousins.

---

When I was done everyone was shocked!

Qin: What a monster!

Laney: This guy is completely insane!

Xenia: He needs to go to the Enceladus prison for Mad Scientists.

Nico: Yep. First we'll watch the movie and then head out after that.

Lola: I'll get the popcorn.

Titanium Man: Is Spot a Golden Retriever?

Me: Not really sure.

Qin: Yeah.

We got the popcorn and got to watching the movie.

* * *

For the past year, a dog named Spot has impersonated a boy named Scott and attended school with his master, fourth-grader Leonard Helperman. Leonard wants to spend the summer with his dog, but Spot wants to become a real human boy ("I Wanna Be a Boy"). Leonard's mother, Mrs. Helperman, is invited to compete in the "Teacher of the Year" finals in Sunny Southern Florida. Leonard and Mrs. Helperman borrow an RV from the principal to travel there, but no dogs are allowed. Leonard sadly bids farewell to Spot ("A Boy Needs a Dog") as they depart.

Spot, along with the Helpermans' other pets, Pretty Boy and Mr. Jolly, are left with a pet-sitter. On television, they discover Dr. Ivan Krank, who claims he can turn animals into human beings and who lives in Southern Florida. Determined to meet Krank and become a boy, Spot chases down the RV, disguises himself as Scott, and convinces Mrs. Helperman to travel together. They drive to Florida ("A Whole Bunch of World").

Back at home, Pretty Boy and Mr. Jolly learn that Krank can't actually turn animals into people, but rather into terrifying hybrid creatures. They decide to find Spot and warn him. Pretty Boy assures Mr. Jolly that they can be tough despite their size ("Small But Mighty").

Arriving in Florida, Mrs. Helperman goes directly to the Teacher of the Year finals, and Spot reveals to Leonard his desire to see Krank and become a boy. Leonard and Spot go to Krank's lab, where Krank agrees to turn Spot human. Krank anticipates finally being respected ("I, Ivan Krank") and uses his machine on Spot.

Spot wakes up to find that he is indeed human, but because dogs age faster than humans, he is a fully grown man rather than a boy. Krank wants to capture and exhibit the "dog-man" around the world, but Leonard and Scott break free. Scott uses his dog senses to locate a lost dog and claim a cash reward. Leonard and Scott enjoy a day on the town ("Take the Money and Run").

Scott and Leonard return to the RV to meet Mrs. Helperman, making up a story to explain the disappearance of Scott-the-boy and the appearance of Scott-the-man. Mrs. Helperman invites Scott in for coffee and soon begins to fall for him. Scott considers marrying Leonard's mother so they can all stay together, but Leonard refuses to allow it. Scott leaves Leonard and Mrs. Helperman after an argument ("I'm Moving On").

Pretty Boy and Mr. Jolly arrive in Florida, and help Leonard realize that he should support Scott's dream. Leonard concludes that the only way they can all be together is for him to become Scott's dog. ("A Boy Needs a Dog (Reprise)"), and leaves for Krank's lab. A regretful Scott returns to reconcile with Leonard and follows him.

Krank plans to turn Leonard into a dog and capture Scott to exhibit both of them. Scott arrives at the lab and destroys Krank's machine. In the ensuing chaos, the machine turns Krank into a mouse and Scott back to his original dog form. Leonard and Spot reunite, and Spot decides that he is "Proud to Be a Dog".

When the movie was done we cheered wildly!

Xenia: That was a great movie!

Lola: Yeah it was!

Camie: That was fun.

Laney: But Krank is a WACKO to the Nth degree.

Lola: Yep.

Nico: And it looks like we're heading to New York City.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Cho'gall, a two-headed ogre serving as the leader of the Twilight's Hammer, a doomsday cult dedicated to the Old Gods and villain from Warcraft II: Tides of Darkness, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the figure we sensed is none other than Cho'gall, a two-headed ogre serving as the leader of the Twilight's Hammer, a doomsday cult dedicated to the Old Gods and villain from Warcraft II: Tides of Darkness, and he's here to cause havoc.

Lola: (Gasps) Oh man, I've heard of him all too well. The Twilight's Hammer cult caused so much havoc across Azeroth, and they preached about Dreadwing's return and the great Cataclysm. We've got to stop him!

Elise Shiranui: (Japanese Accent) Leave that to me and Linky, Lola. We'll cut him down and send him to The Black Gates.

Nico: That two-headed ogre's in big trouble facing the Gene-Slammer of the Shiranui Monsters, alright, gang, let's go, we've got to put a stop to that mad scientist.

Lincoln: And send him straight to prison, and once we get done taking down Dr. Ivan Krank, you're next, Cho'gall.

Elise Shiranui: (Japanese Accent) We will not tolerate a religious fanatic like you to cause havoc in our city, Cho'gall. We already brought an end to Dreadwing and stopped the Great Cataclysm, and now, we will see to it that you and the rest of the Twilight's Hammer clan are destroyed for good.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to take down Dr. Ivan Krank and send him back to prison, and once we get done taking down Dr. Ivan Krank, Elise Shiranui and Lincoln are going to destroy Cho'gall.

We were off to New York City.

---

We arrived in New York City.

Sheep Man: Here we are!

Me: Good old NYC.

Xenia: Yeah.

Lola: So cool.

Nico: Lets go find them.

We flew and landed in front of the Helperman house.

Me: The Helperman house.

We went up to the door and saw Leonard and Spot.

Leonard Helperman: Team Loud Phoenix Storm!? Whoa!

Spot: Wow! It's an honor to meet you guys!

Me: Same to you too guys.

Leonard Helperman: It's so awesome to have you all here.

Spot: I think it's cool you're all here.

Timon: (LAUGHS) Hey your voice sounds like mine too Spot.

Spot: (LAUGHS) That is too funny. We both sound alike.

Magneto: Tell me. Is the Blue Fairy you saw on TV the same one we know?

Spot: Yeah she sure is.

Pinocchio: That is really cool.

Me: It sure is. And she helped Pinocchio get away from Stromboli. Also she sent that message to tell us that Geppetto got swallowed by Monstro.

Spot: Wow!

Leonard Helperman: That is amazing!

Nico: It sure was.

Cindersaur: Are your two other friends with you?

Leslie Dunkling came.

Leslie Dunkling: Yes we are.

Pretty Boy: And we're ready for this.

Mr. Jolly: And it's so awesome having you all here.

Me: Same here to you guys.

Mr. Jolly: I take it you heard that Krank is back?

Me: Yeah and we're going to send that buttface to prison forever.

Timon: Yeah that guy is a mook.

Poromon: (to Pretty Boy) Hello, fellow bird!

Kyd Wykkyd: Poromon counts as a bird too.

Pretty Boy: Awesome to meet a fellow bird.

Nico: Awesome.

Mr. Jolly: That is cool.

Qin: Yeah it sure is.

Leslie Dunkling: I agree there too.

Xenia: Yep.

Spot: That is awesome.

Sideshow Bob: Is it true that you wanted to be human before?

Spot: It sure is. I got to see what it's like and it is tough.

Me: There are a few people that we know here that were gene-slammed with dogs.

Carly Douglas: Like me for instance.

Qin: Yep.

Technus: Look at Poromon and the other Mascots. They're not human and they do lots of human stuff

Poromon: But believe it or not we CAN turn into our human forms at will.

They then turned into their human selves.

Manaphy: Tadah!

Nico: WHOA!

May: Awesome!

Spot: WOW! That is amazing! How did this happen?

Me: One of the bad guys from Are You Afraid of The Dark did it.

Nico: Long story.

Eli: But it's awesome.

Poromon: I think it's awesome too.

Stalker: But they also tend to do a lot of… silly stuff.

Poromon: We're not that bad.

Stalker: You 4 drank Red Bull this morning.

Me: Yeah but still not bad.

Eli: They are great for cheering people up and they can help people all over. And they know all sorts of awesome restaurants and we always come home bloated and stuffed.

Nico: Yep.

Qin: Yeah.

Leonard Helpington: That is cool.

Nico: Yep.

Me: (Opens a bottle of Fizzy Juice) But all in all the Mascots are our great friends and help out a lot. (Drinks Fizzy Juice) Ahh. (LOUD BELCH!)

I belched and the burp turned the house of the Helpingtons into a massive and amazing mansion!

Qin: WHOA!

Me: Oh pardon me.

Leonard Helpington: WHOA! That was cool!

Me: Sorry.

Yenaldoshi: Also, I count as a type of dog

Spot: Neat!

Qin: Yep.

Leonard Helpington: But I'll gladly help you guys take down Krank.

Me: Awesome. Lets go give that wacko what's coming to him.

Ghuul: We don't even know where he is

Eli: I do. I sense he's there.

He pointed to a castle lair 30 klicks to the south.

THUNDERCLAP! THUNDERCLAP!

Me: Stereotypical castle lair on a mountain with spooky evil storm clouds. How original.

Xenia: Yeah.

Lola: But it will be perfect for his capture.

Poromon: (gets out Red Bull can towards Spot) Red Bull?

Dr. Viktor: Please don't make this another regular thing.

Poromon: Okay okay okay.

He put it back.

Nico: Come on guys. Entrance time.

Leonard held on to Varie and Leslie held on to Eli and Spot, Pretty Boy and Mr. Jolly were with Fluttershy.

We went at the castle.

In the castle, Dr. Krank was working hard and laughing like a fucked up lunatic.

Dr. Krank: YES! (LAUGHS LIKE A FUCKED UP LUNATIC!) MY EXPERIMENT IS ALMOST COMPLETE! SOON I WILL REPLACE EVERY MAN, WOMAN AND CHILD ON EARTH WITH MY CREATIONS AND TAKE OVER THE WORLD! (LAUGHS

MANIACALLY!)

?: LIKE WE'LL EVER LET YOU DO THAT YOU WACKO!

Dr. Krank: WHO IS THE DEAD MAN THAT CALLED ME A WACKO!? I AM A MAN OF SCIENCE!

Then the spirits of the dogs appeared and swirled around him and then they converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then fireballs rained down and destroyed all his equipment and then a phoenix cry was heard and then we came down.

Me: We did!

Dr. Krank: Team Loud Phoenix Storm!?

Qin: That's right!

Me: Dr. Ivan Krank you are under arrest!

Dr. Krank: You won't be saying that once I turn some of your animal friends into humans!

Doubledealer: Take your best shot!

Me: Yeah you wacko!

Dr. Krank: I AM NOT A WACKO! I AM A MAN OF SCIENCE!

Me: Yeah right! You're a Wacko! WACKO WACKO WACKO WACKO WACKO! WACKO WACKO WACKO WACKO!

Then he was seeing red and went at me and then…

KRABLAM!

I bashed him in the face with a powerful punch!

Nico then kicked him square in the crotch!

Rikochet: PULVERIZING PINBALL!

He turned into a ball and smashed him in his face 5 times!

WHAM WHAM WHAM WHAM WHAM!

Dr. Krank's surviving machine zapped Spot, turning him human.

Kaos: Not bad.

Spot: Okay I do look good.

Me: You sure look good as a human Spot.

Spot: I sure do.

Me: Who is that handsome devil?

Spot: Spot! That's me!

Me: We'll give you the power to transform at will.

Donkey Kong: Taste this!

He pulled out his Coconut Shooter and fired it and the coconuts hit Dr. Krank and then…

BAM BAM BAM BAM BAM BAM BAM!

He got hit in the head by 7 coconuts!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 7 COCONUTS!

Dr. Krank's machine zapped Mr. Jolly and Pretty Boy, turning them human too

Icepick: Not gonna lie. You guys look nice

Mr. Jolly looked like an orange hair man with brown clothes and Pretty Boy turned into a green hair man with green clothes.

Pretty Boy: Boy I look great.

Mr. Jolly: You got that right.

Me: I'll do the same thing to you two as well.

I fired a blast at the machine and destroyed it!

Nico: Take that!

Dr. Krank: NO!

Me: Wait. Krank, hear that?

We heard chanting and it said KILL DR. KRANK.

Dr. Krank looked outside and saw AN ANGRY MOB ARMED WITH PITCHFORKS AND TORCHES COMING TOWARDS THE CASTLE! They were on the warpath to kill him!

Me: Like a scene out of Frankenstein.

Dr. Krank's other machine zapped Trumbipular, turning him human as well.

Misty Tredwell: I didn't see that coming!

Trumbipular looked like a blond hair muscle body builder and he had green gym clothes and was strong as a hundred oxen!

Trumbipular: WOW! I look amazing and great! (FLEXES MUSCLES) Look how pumped I am!

Me: Boy hot babes are gonna be all over you!

We laughed!

But then the door got smashed down and in came the mob.

Me: Don't worry guys we got this under control.

Man: Oh Team Loud Phoenix Storm! We didn't see you come in.

Me: Sorry about that.

Trumbipular: Hey ladies, like this hot body?

Then the ladies all saw Trumbipular and did all kinds of funny Tex Avery Style Wild Takes and they went over to Trumbipular and cuddled him.

Nico: (LAUGHS)

Me: (LAUGHS) Looks like I was right!

Stickybeard: Tis has been fun. But now, I'm ending this!

Stickybeard destroyed the last machine with a candy sword, turning Spot, Mr. Jolly, Pretty Boy, and Trumbipular back to normal.

Spot: Aw man!

Me: I got this.

I snapped my fingers and they turned human again.

Trumbipular: That is fun!

Eli: Yeah!

Me: Now to finish this.

Dr. Krank: NOOOOO! All my research ruined!

Me: Aww poor wittle baby waby. Does wittle wacko sacko need his nappy wappy?

WE LAUGHED!

Trumbipular decided to turn into his regular self again.

Trumbipular: Being human was fun. But now, it's time to get serious.

Woman: Go get him hunk!

Trumbipular ran and smashed Dr. Krank down!

Qin: YEAH!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit him and ELECTROCUTED HIM ALL OVER THE PLACE!

He was given a nasty and painful 40,000,000,000 volt shock!

Qin: OUCH!

Me: Hope that made him sane!

Pretty Bird decided to turn back into his bird self and pecked Dr. Krank on his ass.

Dr. Krank: OUCH OUCH OUCH OUCH OUCH!

Me: There's only one mad scientist that we can tolerate.

Nicole: And that is Dr. Muto!

Nico: YEAH!

I fired a wave of lightning and electrocuted him all over!

Then Captain Cold, Man Ray, Major Disaster, Cluemaster, Cantwell, Common Cold, Mysterio, Multiple Man, Boomerang, and Knightbrace came.

Nico: We sure did.

Cantwell: I can't believe Dark Trixie tried to slap Horsea!

Maria: But me and Trixie gave that bitch what for!

---

As an idea from Choobo, Lothor has Toxipod revived and upgraded into Super Toxipod and sends him to the island to deal with the Wind and Thunder Rangers when their quarrel starts to weaken. He lands a beatdown on the Rangers with his newfound power and retreated.

Nico: WHOA! That was close! Have fun rotting in The Saturn Insane Asylum, you fucked-up basket case. Awesome job, gang, we've taken down Dr. Ivan Krank.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Cho'gall.

Lincoln: (GROWLS) I always knew there was no mistaking that voice from anywhere, get out here right now, Cho'gall, before we blast you into dust.

A figure came out, and it was none other than the two-headed ogre and leader of Twilight's Hammer, Cho'gall.

Lola: Cho'gall, I knew one day you'd come after we took down Dreadwing two years ago and ended his attempt to destroy Azeroth.

Cho'gall: You all ruined Lord Dreadwing's plan to destroy all of Azeroth, and now, you will all pay!

Elise Shiranui fired a powerful fire blast which hits Cho'gall's heads and burned him bad.

Elise Shiranui: The only one who's going to be destroyed here is you.

Suddenly, Elise Shiranui's red eyes turned neon red and she was surrounded by a red and orange energy aura with superhot flames, fire, swords, samurai, and angels, she unholstered her fire sword, and as she approached Cho'gall, she left red and orange energy, superhot flames, fire, swords, samurai, and angels with every step.

Elise Shiranui: Cho'gall, I will never forgive you for what you've done, you are nothing more than a nihilistic religious fanatic wanting to hasten the awakening of Dreadwing and bring about the end of Azeroth in your fanatical desire to fulfill the whims of the Old Gods and their minions. This cannot be forgiven, and for that, you shall be destroyed and incinerated into a pile of ashes.

Suddenly, Elise Shiranui was surrounded by a massive vortex of red and orange energy with superhot flames, fire, and swords surrounding the vortex, there are samurai, angels, and The Shiranui Monsters flying around the vortex, and in the vortex is a crimson red vortex with the symbol of The Shiranui Monsters on its stomach and red eyes glaring at Cho'gall: the red eyes of eternal death. Then, as the vortex faded, Elise Shiranui emerged, but she was changed forever.

Elise Shiranui grew to 7'9" in height, she has the body of a goddess, she has orange highlights in the bangs of her long braided crimson red hair, she has neon red eyes and a red and orange energy aura with stars, superhot flames, fire, swords, samurai, and angels surrounding her, she has the symbol of The Shiranui Monsters emblazoned on her forehead and her Third Eye with red iris, she has on samurai earrings with red gems for eyes and holding the Fire, Star, and Eternity Kanjis in its hands, she also has the Shiranui Monsters with red gems for eyes and holding the Fire, Star, and Eternity Kanjis in their hands on the bottom of her red samurai-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Elise Shiranui has on a crimson red sleeveless crop top, sleeveless crimson red vest, crimson red skirt with the symbol of the Shiranui Monsters, crimson red pants, crimson red legwarmers, crimson red sneakers, and long white sleeveless trenchcoat with stars, superhot flames, fire, swords, samurai, and angels on the coattails, and on the back are the Shiranui Monsters surrounded by stars and flames. Suddenly, Elise Shiranui felt a sharp pain on her back, and then, her massive crimson red angel wings with flame tips on the large crimson red feathers grew much bigger for her new body and she now has eleven massive and long crimson red wolf tails with yellow and orange tips and yellow and orange markings, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in

the back of her left hand.

Suddenly, Elise Shiranui's massive fire sword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of red and orange energy, stars, superhot flames, fire, swords, samurai, and angels and when it emerged, it was transformed into Elise Shiranui's Firestorm Inferno Samurai Shiranui Greatsword of Inferno Samurai Shiranui Justice, it's a brand-new massive greatsword with embedded orange gems and the Shiranui Monsters etched on the 7'6" massive, wide, double-edged orange blade, large gold angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with red gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Shiranui Monsters' heads with crimson red gems for eyes and large orange gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below the Shiranui Monsters that said, "Elise Shiranui, Gene-Slammer of The Shiranui Duel Monsters, Incredibly Powerful Fire Master, Incredibly Powerful Swordswoman, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Archenemy of Universe 666 Slarb, Destroyer of Cho'gall, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames, Swords, Samurai, and the Shiranui Duel Monsters"

者、デストロイヤー、そして悪、狂った、殺人的、冷酷でサディスティックなろくでなしのスレイヤー、驚くべき強力な教師の驚くべき強力な生徒、そして炎、剣、侍、そして不知火デュエルモンスターのマスター

Suddenly, Eleanor Pegasus' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Elise Shiranui has transformed into SUPER ANGEL-SHIRANUI MONSTERS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA FIRE INFERNO SAMURAI SHIRANUI MONSTERS GODDESS COSMIC FIRE INFERNO SAMURAI SHIRANUI MONSTERS GODDESS ANGEL OF DIVINE FIRE INFERNO SAMURAI SHIRANUI MONSTERS GODDESS COSMIC FIRE INFERNO SAMURAI SHIRANUI MONSTERS GODDESS ANGEL JUSTICE AND DIVINE FIRE INFERNO SAMURAI SHIRANUI MONSTERS GODDESS COSMIC FIRE INFERNO SAMURAI SHIRANUI MONSTERS GODDESS ANGEL!

We were amazed by Elise Shiranui's Super Angel-Shiranui Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Cho'gall saw it, he went mad with rage and ran at her to smash her into the dirt, but Elise Shiranui fired a massive barrage of red and orange energy blasts, stars, superhot flames, fire, swords, samurai, and angels at Cho'gall, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Nico: WHOA!

Lincoln: Now, that's really awesome. Elise Shiranui has transformed into her Super Angel-Shiranui Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we reduce that two-headed ogre to ashes.

Elise Shiranui: (Divine Echoing Godly Voice of The Cosmic Fire

Inferno Samurai Shiranui Monsters Goddess Angel and Divine Cosmic Fire Inferno Samurai Shiranui Monsters Goddess Angel Love) And that's exactly what's going to happen to him. Now, let's rip him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Elise Shiranui.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused us enough trouble for the last time, Cho'gall, and now, it's time for you to die and we're also going to get rid of the rest of your cult and end their doomsday rampage throughout Azeroth.

Elise Shiranui and Lincoln went after Cho'gall, and they fired extremely powerful blasts of rainbow energy, red and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Cho'gall and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Elise Shiranui also attack her with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

Cho'gall: I'LL KILL YOU!

Cho'gall went ballistic and ran at Elise Shiranui and Lincoln, but Lincoln charged at Cho'gall and as he drove his massive greatsword into Cho'gall's stomach, he began sucking out Cho'gall's sorcery, great strength, and elemental abilities and he made them his own. Then, Lincoln's massive greatsword had fired a pillar of dark fire and incinerated Cho'gall and his soul was sent to The Black Gates forever. We cheered wildly for what Elise Shiranui's and Lincoln did as they holstered their massive greatswords and powered down, and Elise Shiranui's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Elise Shiranui: You've had it coming for a very long time, you nihilistic ogre, thank you for helping me destroy Cho'gall, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elise.

Suddenly, Elise Shiranui wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elise Shiranui's' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Shiranui Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Elise Shiranui absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of fire, Lincoln, Elise, you guys really showed Cho'gall no mercy, and sent him straight to The Black Gates for good.

Lincoln: We made sure that nihilistic ogre paid the price for his crimes and it also destroyed his cult as well.

Me: You got that right. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: That's an easy one: Merista Atlantica, Keyblade Knight of Atlantica.

Eli, Ariel, her sisters, King Triton, and Queen Athena gasped.

Michelle Emperyous: Eli, Ariel, Aquata, Andrina, Arista, Attina, Adella, Alana, King Triton, and Queen Athena, you know her?

Eli: We do from Atlantica, she's The Keyblade Knight of Atlantica and an old friend of ours.

J.D. 3: (Through my Third Eye and emblazoned rainbow phoenix and Ebonwu Squadron mark) And she's also familiar to me, but I didn't know she's also Lincoln's Guardian Angel.

Selene Emperyous: I knew she seemed familiar to you all, and the rest of you will also love meeting her, Merista Atlantica is Lincoln's Guardian Angel from Atlantica. She's a Keyblader, and she has all of the powers of the ocean and she has an awesome divine singing voice that bewitches male villains and brainwashes them to do her bidding and she sent them into jail to confess their crimes, and here's something that's going to be a huge surprise to all of us: Merista Atlantica knows Ariel, her sisters, King Triton, and Eli, and she also knows them as her family, and she really hates that sea witch, Ursula, and she has more than once stopped that insane sea witch and her slimy pet eels and sent them swimming for their lives.

Nico: Awesome!

Michelle Emperyous: And she even HATES Davy Jones for what he did in killing Athena years ago and tearing King Triton's soul apart and making him HATE HUMANS. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knight, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Eli: When we see her tomorrow, we'll tell her of what we did sending that slimy sea witch and that cold-blooded heartless murderer to The Black Gates last year for what they've done.

Laney Emperyous: She'll love hearing about that, Eli, and she even went on to form The Knights of Atlantica, a group of warriors of humans and Mermaids that were chosen to defend Atlantica on Land and on sea.

Me: The Knights of Atlantica, I never knew about them.

King Triton: Only a chosen few knew about them, and Lincoln's also a member of that group as well, along with Aquata, Andrina, Arista, Attina, Adella, Alana, and Lily the Mermaid.

Lincoln showed us the mark of The Knights of Atlantica that he had on his left forearm.

Nico: Whoa.

Lincoln: We made it our sworn duty to defend Atlantica on Land and on sea and it also meant that we were also defending the secrets of the mermaids from those who sought it out for their greed.

Lily the Mermaid: We saw how vicious Linky can get towards those kinds of people.

Ariel: He even turned into a great white shark and scared off a bunch of poachers.

King Triton: (Chuckles) Even I was impressed by that, and he also even summoned a school of tiger sharks using the same powers as Aquaman and Mermaidman to drive off a group of treasure thieves from trying to steal from our city.

Lily Loud: I knew about that, and so did Leni, Luna, Laney, Lucy, and Lana. But, we never told Lori, Lynn, Lola, Lisa, and Luan since they were the most untrustworthy of the sisters and of course hated Lincoln. And when they dared to threaten Lincoln about where he's been, we always charged in and we clobbered Lori, Lynn, Lola, Lisa, and Luan, and threw them in metal cages like the animals they were.

Lincoln: Granted, it was warranted since they acted like wild animals filled with hate towards me.

Me: I still remembered that all too well, and now, I knew the reason.

Mr. Jolly and Spot turned back into their regular forms.

Spot: For the rest of the day, I'll just stick to being a dog.

Common Cold: That's a good idea.

Mysterio: Being yourself is important.

Multiple Man: Either way, Krank's finished.

Me: And he is now locked up in a padded cell for eternity.

Qin: Yeah!

Boomerang: Let's celebrate!

Knightbrace: I brought plenty of dog food!

Nico: But great job today everyone.

Lola: That's one less Mad Scientist out of the world.

Nico: Yep.

Sunset Shimmer: (To the viewers) Never mess with the laws of nature or else.

Qin: You got that right.

We went back home and got Leonard and friends settled in and had a great party. Then we enjoyed the rest of the day and went to sleep.

And we're going to meet the next Keyblade Knight, her name is Merista Atlantica, Keyblade Knight of Atlantica, she's Lincoln's Guardian Angel from Atlantica. She's a Keyblader, and she has all of the powers of the ocean and she has an awesome divine singing voice that bewitches male villains and brainwashes them to do her bidding and she sent them into jail to confess their crimes, and here's something that's going to be a huge surprise to all of us: Merista Atlantica knows Ariel, her sisters, King Triton, and Eli, and she also knows them as her family, and she really hates that sea witch, Ursula, and she has more than once stopped that insane sea witch and her slimy pet eels and sent them swimming for their lives and she even HATES Davy Jones for what he did in killing Athena years ago and tearing King Triton's soul apart and making him HATE HUMANS. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knight, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she even went on to form The Knights of Atlantica, a group of warriors of humans and Mermaids that were chosen to defend Atlantica on Land and on sea.

Get ready for a crazy adventure in the wilderness as the Stag Man comes for Mordecai, Rigby, Elaine and Margaret to get revenge on them for trespassing into the forest! It's going to be a brutal battle!

See you next time.

Me: WHEW! I didn't know the Park in our estate had a volcano zone.

Qin: This is awesome.

Maria: Hot too.

Lola: But it's perfect for finding the Embodiment of the Heat Dopant.

Philip: That will be awesome.

Nico: It's fitting too. I like it.

Tracer: (British Accent) It's perfect love. It will be fun too.

Lori: Boy this is literally going to be cool.

Nico: Yep.

Qin: I'm looking forward to this.

Nico: Tracer, I want to thank you, Rojo, and your teams for coming

Tracer: Not a problem Nico. This will be a fun one for us all.

Xenia: It sure will.

Nico: Tree Rex, what do you like to do in your free time?

Tree Rex: I like teaching kids all about nature and how to take care of it.

Lincoln: That's a great idea Tree Rex.

Camie: It sure is.

Lola: I agree. Teaching kids about gardening is fun.

Tree Rex: It sure is. I've been busy defending Skylands that I figured why not settle down and do that.

Laney: That's perfect for you.

Nico: Just make sure no one intrudes in your garden.

Tree Rex: I will try.

Nico: Good.

Camie: Yeah.

Nico: Spot was a nice dog.

Me: He sure was.

Qin: Yeah.

Nico: Yeah and it was funny seeing Trumbipular turn into a human.

Me: Boy what a babe magnet.

Nico Spot doesn't need to be human to be happy.

Me: No he doesn't.

Qin: But it was cool seeing what they were like as human.

Xenia: Yeah.

Laney: And the best part is that Krank is now locked up forever.

Camie: In the Arkham Asylum Wing of the Saturn nuthouse.

Xenia: Yep.

Lola: Good and he can stay there.

Tracer: That is for sure there.

Maria: We made him human anyway

Nico: Yep. At will.

Lola: Yep.

Nico: Guys, I hate to say it, especially you, Lori. But, I just found out that the villain that we're going to be facing is (GULPS) Bobby's Dark Side.

We gasped.

Lori: But, that's literally impossible, Bobby is the sweetest guy there is, he never had a Dark Side in him.

Then, Bobby appeared.

Bobby: That's true, babe.

Lincoln: Yeah. But, I found out this Dark Bobby is from an alternate universe: unlike the Bobby we all know, this Bobby from the alternate universe is horrible and abusive and went to prison for domestic violence and assault and he really hates Lori!

We gasped in horror.

Me: OH GOD! THAT'S JUST REALLY DARK!

Nico: So, he's really horrible, abusive, and he even went to prison for domestic violence and assault and he really hates Lori?! Oh, he's so going to be ripped to shreds for this!

Lincoln: Yeah, and we got to watch it with him, he could be waiting for the perfect chance to ambush and kill Lori. There's absolutely no way I'm letting him lay a hand on my sister.

Minuette: Yeah, he'll pay!

Lincoln: (Senses for Dark Bobby) AHA! Gotcha, you abusive asshole! He's 200 clicks north of our location and he's heading right for Lori to kill her! (Sensed Flip's Musclebound Thugs) Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) YOU FUCKING MUTANT, I'LL RIP YOUR ORGANS RIGHT OUT OF YOUR FAT HAIRY BELLY AND FEED THEM TO THE VULTURES!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Dark Bobby.

Maria: Lori, maybe you should head back to the Estate. The last thing you want is to fight ANY version of Bobby.

Lori: No I literally want to face this monster that is another version of my husband. It's time I show that I have changed.

Anna Anyanova: I had a feeling you would Lori.

Lola: Yeah.

Nico: It's time for the Loud's to have their shot at this and prove to Lincoln's Guardian Angels that they have changed for the better.

Maria: All right then.

Lincoln: Yeah!

?: DIE, BITCH!

We saw our target, Dark Bobby, but he didn't look like the Bobby we know, he looked like a hardened criminal, his hair was in a punk style and he had a scar on his eye, he had on black crop top showing off his eight-pack abs, blue ripped jeans, he had prison tattoos on his arms and chest, and black leather boots: he was bad news!

WE GASPED!

Qin: WHOA!

Me: Prison life has not been kind on this one.

Bobby: Ay Caramba! It's like looking at myself in the mirror!

Nico: It sure feels like it.

He had a switchblade knife in his hand and he was about to use it to stab Lori, but Lincoln saved her and all of us by forming a powerful barrier of solid diamond around all of us. Dark Bobby tried to stab the diamond barrier, but his switchblade knife broke. Then, he got out brass knuckles and continued to pound on the barrier, but the knuckles got dull and broke.

Lori: He really is nothing like you, Boo-Boo Bear. He's nothing more than a thug who needs to die!

Lincoln: We'll handle that part by killing him right where he stands, Lori.

Lincoln fired a diamond ball at Dark Bobby which smashed into his stomach and sent him flying away from us as he lands on the ground, and Lincoln deactivated the barrier and we stood ready!

Me: This guy really is nothing more than a thug! He needs to be destroyed!

Nico: Here and now!

Minuette: That's exactly what I'm going to do to him.

Me: Lets dance!

I went at Dark Bobby and punched him square in the nose and kicked him in the face and stomach and then the crotch and then kneed him right in the chin and dealt a powerful roundhouse kick to his face that knocked out several of his teeth!

Dark Bobby stumbled back.

Dark Bobby: (to Lori) Nobody loves you, you skank!

Lori: You are literally nothing but a liar!

KROW!

Lori kicked him in the nose and broke it!

Dark Bobby: OW! You broke my nose!

Lori: I'm literally about to break more than that!

Nico: You make me sick! The Bobby we know would never be this evil!

Dark Bobby: Maybe it's because Lori is only good for cleaning, housework and being a slave to me!

KRABLAM!

Varie punched him right in his face!

Varie: You chauvinistic pig! You have no right to say that!

Me: YEAH!

KRABLAM!

I punched him square in the face!

Me: People like you give all men everywhere a bad name! You make me fucking sick just looking at you!

Suddenly, Minuette's sapphire blue eyes turned neon sapphire blue, and she was surrounded by a sapphire blue energy aura with stars, clocks, hourglasses, magic, and Alicorns, she unholstered her massive Minuette's Hourglass Greatsword of Magical Patience and Chrono Justice from her back, and as she approached Dark Bobby, she left sapphire blue energy, stars, clocks, hourglasses, magic, and Alicorns with every step.

Minuette: You really make me sick, Dark Bobby, you're nothing like the one we know: he's everything Lori fell in love with, but you,

you're nothing more than a hate-filled miserable bastard who's horrible and abusive to his own family and friends, hates Lori and wants nothing more than to kill her so that you can slake your thirst for blood, and on top of that, you went to prison for domestic violence and assault. You think you can come here to try and kill Lori and not expect the consequences?! No, that is never going to happen. Dark Bobby, for the crimes you've committed in your universe, as The Alicorn Princess of Patience, I hereby sentence you to death for every last one of your crimes!

Lola: Yeah and I thought Tayuya's mouth was rotten!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Minuette and Lori, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're indeed nothing more than a miserable thug in both personality and appearance, Dark Bobby. There's absolutely no way I'm going to let you hurt my older sister, I hope you're ready to die!

Lincoln, Minuette, and Lori went after Dark Bobby who's now gone Nth Degree insane by letting himself be consumed by his hatred for Lori, and they fired extremely powerful blasts of rainbow energy, sapphire blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Bobby and

they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his claws and firing energy slashes from his gold armored claws and he, Minuette, and Lori attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Dark Bobby super mega insane with rage.

Dark Bobby: I'LL FUCKING KILL YOU, BITCH!

Dark Bobby was about to run at Lori, but Lori and Lincoln jumped him, and they proceeded to give him a Loud House style beatdown, and he was overwhelmed by an enormous fight cloud, and we all heard the sound of punches and kicks being heard in the fight cloud. Then, Lincoln and Lori kicked him hard out of the fight cloud and he landed on the ground again. Dark Bobby got back up, and he absolutely lost his mind and ran at Lori again to kill her, but Lincoln grabbed him by the neck with his left hand and hoisted him up and Lincoln sucked out Dark Bobby's massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Dark Bobby was now thin as a rake.

Then, Lincoln kicked Dark Bobby high up into the air, and Lori and Lincoln fired rainbow energy blasts that transformed into the Loud Siblings and they hit Dark Bobby and he was obliterated and he was sent to The Black Gates forever. We all cheered as Lincoln, Minuette, and Lori holstered their weapons and powered down, and Minuette's new body, clothes, weapons, jewelry, Third Eye, longer horn and sapphire blue tail, and massive sapphire blue angel wings are permanent, and Lori's new body, clothes, weapons, jewelry, eleven massive and long blonde wolf tails, Third Eye, accessories, and massive blonde angel wings are permanent.

Lori: That was literally quite a rush, but at least, that Dark Bobby is gone for good.

Suddenly, Minuette felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Minuette?

Minuette: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave Dark Bobby quite the nasty beating of her miserable life.

Nico: You got that right, and I just knew you were going to use your ability to suck out Dark Bobby's massive muscle mass, Lincoln.

Lincoln: He was all brawn and no brains, and he fought like a wild animal driven by bloodlust. That's a bad mistake on his part.

Minuette: Big time, and he got what he deserved.

Lori: Literally, and it's really incredible that I transformed just like Lincoln.

Suddenly, Minuette wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Minuette's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Minuette absorbed the elements and they came back to us as the display vanished.

Lincoln: I was quite surprised that you were the next to transform, Lori. Which means… !

Lori: The next one to transform tomorrow is Leni, and we need to keep an eye out from what comes from that alternate universe.

Me: We'll be sure to do just that.

Nico: Yep.

Nico went over to Lori.

Nico: You okay, Lori?

Lori: To be honest Nico, I literally feel completely purified.

Lincoln: That's awesome sis!

Lana: We're happy for you.

Lori: Thanks to all of you guys. I feel so amazing.

Anna Anyanova: And you have officially redeemed yourself Lori. You now have the forgiveness of all of the Guardian Angels of Lincoln.

Nico: Awesome!

Lori: Thanks Anna. That literally means a lot.

Nico: I'm just asking because he said some things that were mean even by scumbag standards

Lori: I know. But I'm not going to let insults like that hit me.

Carol: Thank goodness Lori. I'm glad.

Nico: We all are.

Me: Bobby are you all right too Amigo?

Bobby: I'm okay J.D. I can't believe that version of me would say such horrible things like that!

Me: No kidding!

Bobby: Do you have a bar of soap with you?

Me: EW! Bobby you don't want to do that. Soap is poisonous.

I gave him some mouthwash instead.

Bobby: Even better.

He gargled some mouthwash and spit it out.

Nico: I'm using soap isn't that poisonous.

Me: Wow.

Qin: Is that even possible?

Nico: It sure is.

Qin: Wow!

Nico: But either way lets get back to our work.

Eli: Oh right. We have Anothers for Cinder, Glacius, Amber Hunt, Marduk Kurios, Malebolgia, Dogranio Yaboon and Rojo.

Nico: Whoa!

Me: Wow! 2 from Killer Instinct and the rest from Marvel.

Qin: Nice.

Nico: Who do we call?

Me: Nikki Tora, Moonbeam Lupin, Alissa Riviere, June Wheeler and Roxanna Fira.

Nico: Wow! The gene-slammers of Entei, Emboar, Magmortar, Cinderace and Skeledirge.

Qin: Yep.

Lola: Perfect for this part of our park too.

Camie: All fire Pokemon.

Xenia: Yep.

Maria called them in and in swirls of fire came Nikki Tora, Moonbeam Lupin, Alissa Riviere, June Wheeler and Roxanna Fira.

Nikki Tora: Yo.

Nico: Glad you all made it girls.

Alissa Riviere: Awesome! Whoa Lori! You look awesome!

Roxanna Fire: Wow! I wondered what that massive energy increase was and I didn't know is was from you.

Lori: Yeah I literally had a lot of growing up to do.

Nico: It's true.

Lola: Long story.

Me: We'll tell you guys after we take care of the Anothers.

Eli: And the Anothers minus Rojo are all one person.

Qin: Okay then.

Nico: There they are!

Out came 6 figures and they were Another Cinder, Glacius, Amber Hunt, Marduk Kurios, Malebolgia and Dogranio Yaboon!

Qin: Whoa!

Eli: This is gonna get hot.

Qin: Yep.

Another Cinder: (In a gitls voice) This will be fun and hot.

Me: (GASP) That voice!

They merged and reverted back and it was a girl with red hair and she had red eyes and had the red and orange clothes and had fire angel wings and she had a tiara with the symbol of the Heat Dopant on it and the symbol was on her skirt and she had a fire sword.

Me: (GASP) Halinora Heat!

Halinora Heat: Awesome to see you again J.D.

Me: Same here to you. Halinora is the Embodiment of Kamen Rider Heat from W and she is a true master of fire and she can fire fireballs, flamethrower blasts, even powerful fire attacks like those of Nuova Shenron.

Qin: WHOA!

Lola: That is amazing!

Halinora Heat: It sure is.

Me: Yep.

Philip: Boy that is awesome fire power right there too.

Shotaro: I'll say!

Xenia: Yeah.

Halinora Heat: Yep.

Me: by the way is the Another ROjo friendly or hostile?

Halinora Heat: Friendly and she said that she knows Brittney really well.

Brittney: That's interesting.

Maria: Boy it sure is.

Me: Sorry we have to fight like this.

Halinora Heat: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

We fired waves of energy and blasted the them and I caught the Wonder Ride Books.

Lola: YEAH!

Qin: Yeah!

Maria: Time for backup! (TURNS DIAL) WHIRLWIND FORCE 6!

She summoned Whirlwind, Evil Luxord, Falkar, Carnom, Lego Red Hulk, and Universe 666 Genie Jafar!

Nico: Oh yeah!

Qin: Yep.

Nico: Now we wait.

Me: We don't have to wait long.

We saw a figure and it was ANOTHER ROJO!

Qin: WHOA!

Rojo: Boy it's like looking at myself in the mirror.

Xenia: It sure feels like it.

Another Rojo: Thank goodness I found you guys.

Brittney gasped!

Brittney: That voice!

She reverted back and it was a girl with black hair and had red slit eyes and had pale skin and had fangs and she had blood dripping from her fangs and had claws on her hands and she had 2 vampire bite holes on her neck.

Brittney: (GASP!) Velleria Ginas!

Brittney ran over to her.

Velleria: You have to help me.

Brittney caught her.

Brittney: Hold on.

She brought her over to us.

Velleria: I can't hold on anymore. I need blood now.

Qin: Is she a vampire?

Brittney: Yes she is. But she wasn't made this way by choice. Deacon Frost bit her.

We gasped!

Qin: Oh man!

Me: Geez!

Brittney: I helped her out from time to time and gave her blood to help keep her stable. I brought her blood from the blood bank to help out with that. She was also a motorcycle girl that I know and helped with her crusade to bring down thugs.

Me: Wow!

I gave her blood from my cooler.

Velleria: Thank you.

She drank it.

Natasha Hernandez: I know exactly how you feel Velleria. I'm a vampire myself and I know the pain you're going through. The endless thirst of blood, phobic of silver, garlic, sunlight, crucifixes, holy water, and all that. It's hard.

Velleria: I know.

Kaito: (gets out Hurricanger gear) Dud Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Me: I think it's obvious what it might be.

Kaito got a Ninja Storm sword and Zocks got a Wild Force Sword.

Velleria: Yes and it's to be cured of being a Vampire. You guys have no idea how hard it is to not want to kill people left and right all to drink their blood like this. (Crying) It's so hard for me to fight.

Brittney: Velleria I know. It's hard. Being a vampire for some is not fun. It's not all fun and games.

Natasha Hernandez: I know.

Sougo: (gets out Ninja Storm Ridewatch) You can feed on the bad people.

Geiz: (gets out Wild Force Ridewatch) Or do you want to be cured?

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor

Velleria: I just want to be cured.

Me: That we can do.

Laney: Swartz must've been in a hurry to send you out because he didn't want to be turned into a vampire too.

Qin: Yeah.

Brittney: I got this.

She gave Velleria a potion and she drank it and then Velleria was cured!

Velleria: Wow! BLECH! My mouth tastes like blood!

Qin: You're cured!

Xenia: Wow!

Me: Yeah! But we still have to help get rid of the Another.

Velleria: I knoq.

She turned into Another Rojo!

Nico: Time for vampires to be cured! (ACTIVATES ROJO AND DOGRANIO YABOON'S RIDEWATCHES)

He fired a blast of energy and smashed her down.

May: Time to smash! (ACTIVATES URCHIN AND HAMMERHEAD'S RIDEWATCHES)

She formed a huge hammer and smashed her into a pancake!

Maria: Time for legends! (ACTIVATES COUNT GROGAN AND GHOST OF GERONIMO'S RIDEWATCHES)

She fired waves of energy and smashed her down.

Tree Rex: BE AFRAID OF THE BARK! (ACTIVATES DOGRANIO YABOON'S RIDEWATCH)

He fired a wave of energy and smashed her down.

Then 2016 Morbucks, Glomgold, Snowfall Frost, Kaos (Donkey Kong 3), Bling Bling Boy and Retro Cartoon Player came.

Nico: Nice team Morbucks!

2016 Morbucks: Thanks! It sure is cool.

Qin: I'll say!

Then numerous coconuts came and they hit Another Rojo and bashed her down and I caught the Ridewatch and purified it and brought Velleria over.

Nico: Whoa! Who did that?

Me: She did!

An Arboliva came!

Nico: Cool an Arboliva.

Qin: Awesome!

Arboliva: (In a girls voice) Awesome entrance there.

Nico: (GASP) Coconuts "Coco" Turner!

Qin: Cool!

She reverted back and was a girl with green hair and blue eyes and she had a Banana in the middle of her forehead and she had a backpack that had a jet pack, and more and she had a massive arsenal of weapons. Also she had blue and purple clothes and she had a Crystal Coconut Pendant.

Coconuts Turner: Awesome to see you guys again.

Qin: Same here.

nico: Coco is the gene-slammer of the Donkey Kong Crew and she is awesome with all the powers of the Donkey Kong Crew.

CLANG! CLANG!

My jaw and Nicole's jaw dropped and Eli put them back.

Qin: WHOA!

Me: The gene-slammer of the Donkey Kong Crew!?

Nicole: WHOA!

Tree Rex: What's your favorite memory of Nico?

Coconuts Turner: When me and Nico went after King K. Rool for stealing Donkey Kong's Banana Hoard as well as all the Kongs and we really let him have it.

Nico: Yep. He called me and Coco stupid monkeys.

Xenia: Cruel!

Nicole: He always called them that.

Lola: Yep.

Nico: But it was fun.

Nico and Coconuts hugged.

Nico: I've missed you Coco.

Coconuts Turner: Same here Nico.

We went to the living room.

And we're also going to destroy our old enemy, that cocaine-wired crazy murderous drug lord, Tony "Scarface" Montana, who's come back from the dead once again for Round 3, but this time, we're going to send that bastard to The Black Gates for good, and we'll make sure he never ever shows his ugly scarred face again!

Sumner Knudson: Whoa, we're here in Denver, Colorado. It's been years since we've last been here.

Patti Knudson: It sure has.

Me: Some of Lincoln's rescues took place here in Denver and other parts of Colorado, but not where we used to live.

Lincoln: We wanted to explore much of Colorado and the place where you guys were born at, and I know what we're going to do here, not only am I going to rescue the forty-three girls here, but I'm also going to meet Ashley Lupus Foxina's parents, her werewolf dad, Damian Lupus and her nine-tailed fox mom, Carolina Foxina.

Ashley Lupus Foxina: You met them long ago, Linky, when Dad found out about your feelings for me and of course, you had to wrestle him to the ground by transforming into your werewolf form to prove yourself to him, and Mom already knew of your feelings.

Sumner Knudson and Patti Knudson had a look of surprise on their faces.

Me: Mom, Dad, are you guys okay?

Sumner Knudson: We've got a lot of explaining to do when we meet Ashley's parents.

Lincoln: Yep, and you and J.D. aren't going to like this, Mr. Knudson, I just found out your old enemy, the cocaine-wired crazy murderous drug lord, Tony "Scarface" Montana, has come back from the dead once again for Round 3.

Me and Sumner: WHAT?! THAT FUCKING BASTARD, DOESN'T HE KNOW WHEN TO STAY DEAD?!

Nico: The fucker just refuses to learn!

Sakura Knudson: I remembered you telling me of your fight with that drug lord, bro.

Me: Yeah, and that he hates us with a bloody passion and wants us all dead.

Sumner Knudson: Because I was the one who gave that asshole that scar on his face long ago, but this time, we're going to send that fucking bastard to The Black Gates for good, and we'll make sure he never ever shows his ugly face again!

Tyler Bowman: Yeah. But, first, let's meet up with Ashley's parents.

Lincoln: Right. (Smells the scent of a werewolf and cologne) Aha, I knew that was you, Mr. Lupus. (Smells the scent of a nine-tailed fox and perfume) Along with you, Mrs. Foxina.

We then saw two figures come out of the shadows: the first is Damian Lupus, Ashley Lupus Foxina's werewolf dad, a 8'5" werewolf with abnormally massive and powerful upper and lower body muscles and eight-pack abs, pointed brown ears, brown fur covering his abnormally massive and muscular arms and legs, tanned fur covering his muzzle, massive pecs, and eight-pack abs, full head of brown hair going down to the bottom of his neck, deep blue eyes, massive and long brown and tanned tail, massive brown angel wings, and he has on large black stretchy shorts, red loincloth around the waist with gold belt and red gem for the buckle, and he has a massive greatsword holstered on his back, and Carolina Foxina, Ashley Lupus Foxina's nine-tailed fox mom, a 7'9" beautiful woman with the body of a goddess, long crimson red hair going down to her back, pointed red fox ears, yellow eyes with slit pupils, nine massive and long crimson red fox tails, massive crimson red angel wings, and she has on a crimson red crop top, black shorts, and sandals.

Ashley Lupus Foxina: Mom, Dad, we're here.

Damian Lupus: We know, Ashley, it's so good to see you here. Wow, and you've also brought Team Loud Phoenix Storm with you along with Lincoln, it's so good to see you again, but whoa, you've really grown much bigger and stronger since last we met!

Lincoln: It's been a long time, Mr. Lupus, but it's good to see you and Mrs. Foxina again.

Carolina Foxina: Same here. (Sees me) J.D., is that… you?!

Damian Lupus: Little J.D.? It really is you!

Me: Wait, how do you two know me?

Sumner Knudson: That's something your mom and I need to tell

you.

Suddenly, Damian and Carolina saw my mom and dad.

Damian Lupus: Sumner?

Carolina Foxina: Patti?

Sumner: Hey, Damian, you big lug. It's been a long while, hasn't it.

Then, Damian Lupus hugged my dad and Carolina Foxina hugged my mom.

Carolina Foxina: It's been such a really long time since last we met.

Sakura Knudson: Dad, Mom, would you like to tell us?

Sumner Knudson: Oh right. See, we happen to know Damian Lupus and Carolina Foxina, because they happen to be old friends of ours, and more than that, do you remember the day your little sister, Elaine, was kidnapped by Simon Phoenix?

Me: Yeah, I remember.

Damian Lupus: Your dad asked me for help and I wanted to help him find her. But, that bastard tried to shoot me with silver bullets and ran off, he knew my weakness, and next time, he'll shoot me in the heart with it. The fucker got away from me, and it was my fault.

Carolina Foxina: That bastard was nothing more than the hated enemy of the Knudson Family, and we thought she would be dead.

Me: But, she wasn't. Years ago, I found out she was frozen by that asshole, and not only did I rescue her, but I killed Simon Phoenix.

Nico: Then, during one of your dates, two years ago, Simon Phoenix came back again infected by The Aparoids, and you killed him again and banished him to The Warp forever.

Lincoln: And during our search for The Champions of Harmony, we encountered that bastard again in Montana, but this time, we killed him again, and this time, we banished him to The Black Gates for

good.

Damian Lupus: Hah, that'll teach that son of a bitch! (Sees Sakura Knudson) And is that… little Sakura Knudson?

Me: Yep, we found out Swartz kidnapped her years ago, and she became like me: now we're known as The God Siblings.

Carolina Foxina: That's right, and it's hard to believe you were once the little kids from long ago.

Me: We grew and evolved that much since then, Mrs. Foxina.

Sumner Knudson: Now, we got to go after our other old enemy, Tony "Scarface" Montana, and this time, we're going to make sure that asshole gets sent to The Black Gates for good, and never ever come back again.

Damian Lupus: That cocaine-wired asshole can't be far, and I know he'll come charging at us with his gun blazing.

Suddenly, we saw a beautiful and super sexy girl with long red hair with and aqua blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful aqua blue angel wings, she's dressed in an aqua blue sleeveless crop top, necklace with pearls and aqua blue gem for the pendant, aqua blue shorts, aqua blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light, Keyblades, water, ocean waves, and angels on the coattails and on the back is Atlantica, in her right hand is The Mysterious Abyss Keyblade, and with her are the forty-three girls.

Lincoln and Eli: (GASPS) Merista Atlantica, The Keyblade Knight of Atlantica.

Merista Atlantica: That's right, and it's good to see you again, Lincoln, along with you, Aquata, Andrina, Arista, Attina, Adella, and Alana, Eli, and I got the girls away from that cocaine-wired murderous gangster, and he's coming this way!

?: J.D. KNUDSON! SUMNER KNUDSON! I WILL KILL YOU ALL!

We then saw our target, Tony "Scarface" Montana, and he was mega pissed off and he was charging in guns blazing. Lincoln formed a massive diamond barrier to protect all of us, and the bullets were bouncing off the barrier, but Scarface was still shooting like crazy! When his machine gun ran out, he got out another and kept on shooting like crazy!

Sumner Knudson: You good-for-nothing son of a bitch!

Sumner fired a massive fire blast at Scarface and he got burned badly and his gun was burned and melted.

Sylvester: You just won't quit, will you? Even after all this time, you still haven't learned, Tony!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: How many times do we even need to repeat it: we're immortal and invincible, but you, you're a dead man walking, asshole! Let's rip his intestines out of his stomach and hang him by the neck with them!

Dad, Sakura, Elaine, Mom, and I slashed him on his scar and we drew blood, and that drove that bastard even more mad with rage, but before he could come after us again, Lincoln kicked him high up into the air, and he summoned machine guns from nowhere, and they fired and shot that bastard all over the place, and he was left as a pile of remains, and his spirit appeared which was then sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: And we're not going to repeat ourselves: this time, stay dead, Tony! (To Merista Atlantica) And it's so good to see you again, Merista Atlantica.

Merista Atlantica: You too, Linky, it's been a long time.

Lincoln went up to Merista Atlantica and he hugged her, and Merista Atlantica is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on

her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Merista Atlantica: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and

he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Merista Atlantica, Keyblade Knight of Atlantica, she's my Guardian Angel from Atlantica. She's a Keyblader, and she has all of the powers of the ocean and she has an awesome divine singing voice that bewitches male villains and brainwashes them to do her bidding and she sent them into jail to confess their crimes, and here's something that's going to be a huge surprise to all of us: Merista Atlantica knows Ariel, her sisters, King Triton, and Eli, and she also knows them as her family, and she really hates that sea witch, Ursula, and she has more than once stopped that insane sea witch and her slimy pet eels and sent them swimming for their lives and she even HATES Davy Jones for what he did in killing Athena years ago and tearing King Triton's soul apart and making him HATE HUMANS. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knight, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she even went on to form The Knights of Atlantica, a group of warriors of humans and Mermaids that were chosen to defend Atlantica on Land and on sea.

Eli: Oh, and you're going to like hearing this, Merista, we've banished that sea hag, Ursula, and that cold-blooded heartless bastard, Davy Jones, to The Black Gates last year.

Merista Atlantica: I heard all the talk about it at Atlantica, and I'm glad that Queen Athena was given a second chance at life years ago thanks to J.D., and that sea hag and that cold-blooded bastard are finally gone for good.

Lincoln: And we have Flotsam and Jetsam in The Masters of Evil, and Vypra is keeping a very close eye on those slimy eels.

Merista Atlantica: Good, I can't trust those two slimy eels as far as I can throw them.

Nico: Wow, you really hated those two with a passion.

Eli: They served that sea witch, Ursula, for a long time, it's no surprise she hates them that much so much.

Michelle Emperyous: So much that if she ever saw them again, she'd kill them and send those slimy eels to The Black Gates with Dana Orichalcum's help.

Lincoln: We're just glad it didn't come to that, Michelle, and now that you're here, Merista.

Lincoln went up to and hugged Merista Atlantica in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Merista Atlantica: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Merista Atlantica's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Merista Atlantica: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Merista Atlantica.

Merista Atlantica had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the forty-three girls, and when Lincoln saw who they were, they immediately recognized them. The forty-three girls are Bubbleisha, Jessicake, Popette, Donnatinna, Peppa-Mint, Rainbow Kate, Sara Sushi, Pam Cake, Pineapple Lily, Kirstea, Pirouetta, Lippy Lulu, Cocolette, Daisy Petals, Lucy Smoothie, Polli Polish, Marsha Mello, Pippa Melon, Blossom Apples, Melodine, Coco Cookie, Fria Froyo, Lemony Limes, Makaela Wish, Lolita Pops, Pommie, Summer Peaches, Jascenta, B'Anchor, Palmela Tree, Sandi Shores, Berri D'lish, Kokonut, Isla Hibiscus, Popsi Blue, Crystal Snow, Sunny Meadows, Riana Radio, and Ellarina Slippers from Shopkins and Rinko Ninomiya, Kana Joudohama, Kiyoko Oda, and Tsumugi Kido from Bunny's Mama Daikou Service.

Nicole: Whoa, that's another massive group of girls you've rescued, Lincoln.

Lincoln: That's another record-breaker for my rescues. Are you girls okay?

Rinko Ninomiya: Yes, we're okay, thanks to you.

Then, when Rinko Ninomiya and the other forty-two girls saw who saved them from that cocaine-wired murderous drug lord, Tony "Scarface" Montana, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of

Rinko Ninomiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made forty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Rinko Ninomiya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, forty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bubbleisha, Jessicake, Popette, Donnatinna, Peppa-Mint, Rainbow Kate, Sara Sushi, Pam Cake, Pineapple Lily, Kirstea, Pirouetta, Lippy Lulu, Cocolette, Daisy Petals, Lucy Smoothie, Polli Polish, Marsha Mello, Pippa Melon, Blossom Apples, Melodine, Coco Cookie, Fria Froyo, Lemony Limes, Makaela Wish, Lolita Pops, Pommie, Summer Peaches, Jascenta, B'Anchor, Palmela Tree, Sandi Shores, Berri D'lish, Kokonut, Isla Hibiscus, Popsi Blue, Crystal Snow, Sunny Meadows, Riana Radio, Ellarina Slippers, Rinko Ninomiya, Kana Joudohama, Kiyoko Oda, and Tsumugi Kido with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was our old enemy, that cocaine-wired crazy murderous drug lord, Tony "Scarface" Montana, who came back from the dead once again for Round 3.

But, when Lincoln showed what we all did in viciously beating that asshole into the dirt, and then, my parents, sisters, and I slashing at his scar and Lincoln summoning machine guns that blasted him into mangled remains and finally sent to The Black Gates forever, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Merista Atlantica have a lot of catching up to do now that she's back in town, and we helped Damian Lupus and Carolina Foxina settle in to their new home in The World Tree Estate.

Maria: That's the last time that cocaine-wired son of a bitch dares to come back again for revenge once more against J.D. and his family.

Lincoln: You got that right, that drug lord finally got what he deserved.

Me: And that's getting a final death sentence.

Damian Lupus: He deserved it, now that's another enemy of the Knudson family put down for good.

Nico: Yep.

After finally getting rid of Tony "Scarface" Montana and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Merista Atlantica saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Merista Atlantica: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Merista, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Merista Atlantica: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Merista Atlantica: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Merista, what memories did you have with Lincoln?

Merista Atlantica: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Gus' Games and Grub, and we were there for lunch after our training. But, then, we heard a familiar loud banshee shriek in the air, and we knew who that was: it was Lincoln's out-of-control, immature, control freak of an "older sister", Lori. She burst through the doors, and she was out for blood. She charged at us, but I fired blasts of water at her which drenched her butt, and then, Lincoln fired a blast of ice that froze her inside, and he pushed it and he sent it hurtling towards an open metal container that Luna got out, and as soon as Lori was inside, she closed the door and secured it.

Nico: Awesome.

Lincoln: We came back home, and in the metal container, Lori got out of the block of ice when she got super mad and the ice melted. But, she was really really steamed, and she was crazy and insane.

Elandra Laval: Lori got grounded for eighteen weeks for that stunt of hers, and she even caught a really nasty cold from Lincoln blasting her with ice.

We got a shower, and then, Clyde, Pamela Lillian Isley A.K.A. Poison Ivy (DC Superhero Girls 2019), and Rose Wilson A.K.A.. Ravager (DC Superhero Girls 2019) are heading to a restaurant in the north of Gotham Royal York, and they were dressed in fancy clothes.

2019 DC SHG Poison Ivy: Wow, this is our first time coming here to one of the restaurants in the city.

Clyde: It sure is, Lincoln's dad told me about it, and it's perfect. But, we got to watch it, if we know Flip all too well, he's sent more of his musclebound thugs after us, and Lincoln will no doubt come after them.

2019 DC SHG Rose Wilson: They're already dead once Lincoln gets here.

Clyde, 2019 DC SHG Poison Ivy, and 2019 DC SHG Rose Wilson went inside the restaurant, and they ordered their food. A few hours later, Clyde, 2019 DC SHG Poison Ivy, and 2019 DC SHG Rose Wilson had their ordered food arrived at their table, and they began eating. But, outside, Flip's musclebound thugs were outside and were about to charge in and kill Clyde, 2019 DC SHG Poison Ivy, and 2019 DC SHG Rose Wilson, but Lincoln showed up and he grabbed each of them one by one and he sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Clyde, 2019 DC SHG Poison Ivy, and 2019 DC SHG Rose Wilson paid for their food and shared a kiss as they came back home to The World Tree Estate.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, we went to the restaurant Lincoln's dad told us about.

Lincoln: Awesome, and I took care of Flip's musclebound thugs.

Me: That mutant is really making things even worse for himself.

Anna Anyanova: He has a diaper for a brain that smells as bad as he does.

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Anna Anyanova: Should've known he'd lose it. (YELLS AT THE TOP OF HER LUNGS AT FLIP) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later we were walking to a restaurant that the mascots found.

Lola: (to the Mascots) Please tell me we're not doing to a bar.

Poromon: No it's not a bar. You'll love it.

Poliwag: Yep.

We arrived. It was a restaurant called The Aussie Burger!

Poliwag: Here we are. Aussie Burger, Home of The Best Australian

Beef Burgers in the city.

Me: Oh boy! Rocko told me about this place.

Qin: This looks good.

We went in and saw that it was an awesome Australian Burger Restaurant.

Lola: Wow look at this place.

Belle: Can I try some?

Me: We all can.

Qin: Yeah we're hungry.

We went and ordered and got an awesome selection of Outback Australia Burgers.

Me: (Eating) Mmm!

Nico: Man Rocko you weren't kidding about how delicious they are.

Rocko: (Australian Accent) They sure are delicious mates.

We were eating a lot of them.

Wildrider: These are tasty!

Eli: They sure are.

Heffer: Yeah they sure are. Me and Filbert sneak into his fridge and cook his burgers.

Me: (LAUGHS) You sure are hungry all the time.

Filbert: We get that a lot.

?: Boy we can tell.

We then saw 4 Squawkabilly! One each for Blue, Green, Yellow and White Plumage.

Xenia: Whoa 4 Squawkabilly.

Me: Wow.

Blue Squawkbilly: (In a girls voice) Looks like y'all are having a great meal.

Nico: The Ranamon Sisters! Wow!

They reverted back and were 4 Ranamon in 4 colors!

Qin: Cool!

Smokescreen: What are your favorite memories of Nico?

Blue Ranamon: When we took down the Digimon Emperor's army of SkullGreymon.

Nico: That was awesome.

Yellow Ranamon: It sure was and we had fun with that.

Green Ranamon: Y'all should have seen it.

White Ranamon: Yeah those SkullGreymon would not have been a match for y'all.

Nico: Yep.

Nico hugged all 4 of them.

Nico: Missed you girls.

Blue Ranamon: We missed y'all too Nico.

Slog: Those burgers were delicious!

Rocko: Glad you all liked them mates.

Qin: Ahh. Boy we're stuffed.

Camie: You said it.

Halinora Heat: Yeah they sure were tasty. (BELCH) Oh pardon me.

Xenia: No worries.

We later went back home after paying and got ready for our next mission.

Nico: Now to get ready for our next mission.

Xenia: Whatever that is.

The Previous group came.

Man Ray: Can me, Captain Cold, Major Disaster, Cluemaster, Cantwell, Common Cold, Mysterio, Multiple Man, Boomerang, and Knightbrace go with you guys?

Nico: Yes you all can come with us.

Common Cold: (SNEEZES) This will be fun.

Yumi Orophelia: (SNEEZES) It sure will.

Me: Bless you.

Common Cold: (Sniffles) Thank you.

Fuse Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Garganacl, Armarouge & Ceruledge, and Bellibolt.

Qin: Cool!

Eli: Awesome!

Camie: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than another of Mordecai and Rigby's old enemies, The Stag Man, and he's come back wanting revenge on Mordecai and Rigby.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico, where are Mordecai and Rigby?

Just then, Mordecai and Rigby arrived.

Mordecai: We're here, and let me guess, we got another of our old enemies coming back, right?

Lincoln: Right on the money, Mordecai. I had a vision and saw who it was that we're going to confront today: the figure I saw in the vision is none other than another of your old enemies, The Stag Man, and he's come back wanting revenge on you and Rigby.

Rigby: Wait, what?

Mordecai: Dude, this is not good, we need to get to The Park at once and get rid of The Stag Man for good.

Nico: My thoughts exactly, Mordecai.

Camie: Who is the Stag Man?

Mordecai: This guy is really bad news.

Rigby: He is the protector of the forest and kills anyone that trespasses.

He went over his history.

---

The Stag-Man is a minor antagonist in Regular Show. He was a deer/man humanoid that appeared in the episode "Camping Can Be Cool" as the main antagonist.

He was voiced by Robert Englund, who also voiced Anti-Pops in the same show and portrayed Freddy Krueger in the A Nightmare on Elm Street films.

The Stag-Man hates Mordecai, Rigby, Eileen and Margaret because they violated the law to not trespass into the forest. Margaret was the first one to see him when she was out to collect wood. He chased the four who tried to flee in Margaret's car, but was proven to be even faster than the car. He aimed an arrow at the wheel of the car and the four came out of the car and saw a park ranger coming and begged for help. Before he could kill them with arrows, he is killed after he is run over by the Park Ranger, causing a "deer in the headlights" scenario (despite being part-deer and part-man).

After he was dead, the park ranger called the taxidermist and said that they should "put some clothes on the humany parts". He also represents a Native American, which is comparable to real life since real Natives live in preserves and parks as well and they both believe that all parts of the hunted should be used so that nothing is wasted.

Stag-Man was resurrected by Garrett Bobby Ferguson Jr. in "Exit 9B" but was sent back to Hell after Thomas signed the document that made the park a historical landmark.

---

When it was done we were shocked!

Qin: WHOA!

Nico: GEEZ!

Me: What does he look like?

Rigby showed a picture of him.

We gasped!

Aiyana Siksika: Whoa he looks so much like me and I'm a Wendigo myself.

Rigby: He does look like that.

Common Cold: Why couldn't he look like a squirrel?

Rigby: No idea.

Francesca: There's a Squirrel Monster in Nowhere.

Courage: It's true.

Lily: Wow.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Alejandro Sosa, the murderous drug lord who's come back from the dead and he wanted revenge on us for ending his drug empire when we destroyed that cocaine-wired crazy murderous drug lord, Tony "Scarface" Montana. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the figure we sensed is none other than Alejandro Sosa, the murderous drug lord who's come back from the dead and he wants revenge on us for ending his drug empire when we destroyed that cocaine-wired crazy murderous drug lord, Tony "Scarface" Montana.

We gasped.

Me: So, it wasn't just that cocaine-wired murder-crazed asshole, Tony Montana, who came back, but now, that asshole, Alejandro Sosa, has also come back as well?! Now, it's personal! Sosa, you better be ready. You'll pay!

Elandra Laval: That'll be left to me and Linky, we'll make Sosa pay for his crimes and incinerate him into ashes after we deal with The Stag Man.

Nico: Right, Elandra. Alright, gang, let's go, we're heading to The Park to take down The Stag Man.

Lincoln: We'll make sure this murderous half-human half-deer creature never hurts anyone ever again, and once we get done with

The Stag Man, you're next, Alejandro Sosa.

Elandra Laval: You better be ready, Sosa, you son of a bitch. We've already destroyed that bastard, Tony "Scarface" Montana, and now, you're next, and this time, we'll make sure you never rise again as well.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to The Park to destroy The Stag Man, and once we get done destroying The Stag Man, Elandra Laval and Lincoln are going to destroy that murderous drug lord, Alejandro Sosa, and he'll be joining that cocaine-wired, crazy murderous asshole, Tony "Scarface" Montana, in The Black Gates.

We were off to the park.

---

We arrived at the park.

Mason Brown: Here we are!

Avior: The Stag Man hasn't damaged this place yet

Qin: That's because he will be coming soon.

Xenia: And when he does we're going hunting.

Nico: Yep.

Me: (Imitating Elmer Fudd) Shh be vewy vewy quiet. We're hunting Stag Men. (Laughs)

Cantwell: Is he hunting us or the other way around?

Me: (LAUGHS) I just like saying that for fun. But it's probably both.

Camie: It could be.

Xenia: Yeah.

Thunderblast: Let's go inside to get supplies.

We went into the house and got ready.

Knightbrace: You think it knows we're here?

Me: If it does we're ready for it.

Xenia: Yep.

Camie: This is gonna be good.

Laney had a Tavor Machine Gun grenade launcher gun.

Varie: It's like we're going into war against an army.

Vince: Sure feels like it.

Carol: But it will be fun.

Me: But I have a plan guys. Benson we're going to need lots of traps. Jack, remember when we destroyed all those robots in that simulator battle?

Samurai Jack: How can I forget? That was fun.

Me: It sure was.

Gyro Man: (On the radio) Gyro Man to Nico.

Nico: Nico here.

Gyro Man: It's sniffing around! But he is not alone. He has a massive army of skeleton deer with him!

WE GASPED!

Me: Good thing we got all these weapons with us.

Nico: How much time do we have till they get here?

Gyro Man: 3 hours.

Me: Plenty of time.

We then got all the traps set up. We got catapults, Flamethrowers, Oil Firebombs, speared foxholes, smashing rock pillars and more. We even made arrows, spears, swords and more of crystal.

Nico: Ready.

Me: Great.

Boomerang: Mates, as soon as he sniffs us out, he's coming into this house!

Me: We're not going to be in the house. I used a human scented watermelon.

We went and got ready.

We waited and then we saw him and a MASSIVE ARMY OF SKELETON DEER!

Rothy: (British Accent) I say. He has got quite a few of those skeleton deer with him.

Me: But we're ready.

He sniffed and then roared and the sounded a charge!

Nico: Here he comes.

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above the deer and the Stag Man and a phoenix cry was heard and fireballs rained down and blasted the Skeleton deer and burned them.

Lincoln formed a massive diamond barrier that protected all of us, and we soon saw bullets hitting the barrier, but were unable to and they fell to the ground.

Lincoln: (GROWLS) I always knew there was no mistaking that voice from anywhere, get out here right now, Sosa, before I decide to blow your brains out of your skull!

A figure came out, and it was none other than Alejandro Sosa, the drug lord whose empire caused so much pain and suffering to too many people because of his importing and dealing cocaine.

Me: Sosa! I should've known you'd show your ugly face again! As if dealing with Scarface three times in a row wasn't bad enough!

Alejandro Sosa: DIE, YOU FUCK!

Alejandro Sosa continued firing, but the bullets kept hitting the diamond barrier and they kept falling onto the ground, but he didn't stop as he kept reloading his machine gun. But, then, Lincoln fired a diamond ball at Alejandro Sosa which hit him in the stomach and he went flying into a diamond wall Lincoln formed and he also had his machine gun destroyed, and Lincoln dropped the barrier.

Elandra Laval: Nice save with the barrier, Linky. Now, it's high-time we took care of Sosa for good.

Suddenly, Elandra Laval's red eyes turned neon red and she was surrounded by a red and orange energy aura with superhot flames, fire, swords, lava, lava creatures, and angels, she unholstered her fire sword, and as she approached Alejandro Sosa, she left red and orange energy, superhot flames, fire, swords, lava, lava creatures, and angels with every step.

Elandra Laval: You really are a sick, twisted bastard, Sosa, you took advantage of too many innocent people with your cocaine sales and racketeering, which caused many of them to die, and as if that wasn't bad enough, you also killed and murdered anyone who tried to bring you down. That is truly unforgivable, and for that, I'll make sure your drug empire permanently dies here along with you!

Suddenly, Elandra Laval was surrounded by a massive vortex of red and orange energy with superhot flames, fire, swords, and lava surrounding the vortex, there are lava creatures, angels, and The Laval Monsters flying around the vortex, and in the vortex is a crimson red vortex with the symbol of The Laval Monsters on its stomach and red eyes glaring at Alejandro Sosa: the red eyes of eternal death. Then, as the vortex faded, Elandra Laval emerged, but she was changed forever.

Elandra Laval grew to 7'9" in height, she has the body of a goddess, she has orange highlights in the bangs of her long crimson red hair, she has neon red eyes and a red and orange energy aura with stars, superhot flames, fire, swords, lava, lava creatures, and angels surrounding her, she has the symbol of The Laval Monsters emblazoned on her forehead and her Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Fire, Star, and Eternity Kanjis in its hands, she also has the Laval Monsters with red gems for eyes and holding the Fire, Star, and

Eternity Kanjis in their hands on the bottom of her crimson red lava creature-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Elandra Laval has on an orange sleeveless crop top, sleeveless orange open blouse, orange skirt with the symbol of the Laval Monsters, orange pants, orange legwarmers, orange sneakers, and long white sleeveless trenchcoat with stars, superhot flames, fire, swords, samurai, and angels on the coattails, and on the back are the Laval Monsters surrounded by stars, lava, and flames. Suddenly, Elandra Laval felt a sharp pain on her back, and then, her massive crimson red angel wings with flame tips on the large crimson red feathers grew much bigger for her new body and she now has eleven massive and long crimson red wolf tails with yellow and orange tips and yellow and orange markings, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Elandra Laval's massive fire sword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of red and orange energy, stars, superhot flames, fire, swords, lava monsters, and angels and when it emerged, it was transformed into Elandra Laval's Firestorm Inferno Lava Creature Laval Greatsword of Inferno Fire Laval Justice, it's a brand-new massive greatsword with embedded crimson red gems and the Laval Monsters etched on the 7'6" massive, wide, double-edged orange blade, large gold angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with red gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Laval Monsters' heads with crimson red gems for eyes and large orange gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below the Laval Monsters that said, "Elandra Laval, Gene-Slammer of The Laval Duel Monsters, Incredibly Powerful Fire and Lava Master, Incredibly Powerful Swordswoman, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Luan, Archenemy of Dark Valkyria, Destroyer of Alejandro Sosa, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames, Lava, Swords, Lava Creatures, and the Laval Duel Monsters"

エランドラ・ラヴァル、ラヴァル・デュエル・モンスターズのジーン・スラマー、信じられないほど強力な炎と溶岩の達人、信じられないほど強力な剣士、愛情深い守護天使でリンカーン・ラウドの将来の妻、ダーク・ルアンの粉砕者、ダーク・ヴァルキュリアの大敵、アレハンドロ・ソーサの破壊者、デストロイヤー、そして悪、狂った、殺人的、冷酷でサディスティックなろくでなしのスレイヤー、驚くべき強力な教師の驚くべき強力な生徒、そして炎、溶岩、剣、溶岩生物、ラヴァルデュエルモンスターのマスター

Suddenly, Elandra Laval's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Elandra Laval has transformed into SUPER ANGEL-LAVAL MONSTERS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA FIRE INFERNO VOLCANIC LAVAL MONSTERS GODDESS COSMIC FIRE INFERNO VOLCANIC LAVAL MONSTERS GODDESS ANGEL OF DIVINE FIRE INFERNO VOLCANIC LAVAL MONSTERS GODDESS

COSMIC FIRE INFERNO VOLCANIC LAVAL MONSTERS GODDESS ANGEL JUSTICE AND DIVINE FIRE INFERNO VOLCANIC LAVAL MONSTERS GODDESS COSMIC FIRE INFERNO VOLCANIC LAVAL MONSTERS GODDESS ANGEL ANGEL!

We were amazed by Elandra Laval's Super Angel-Laval Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Alejandro Sosa saw it, he went mad with rage and ran at her with a knife to stab her with, but Elandra Laval fired a massive barrage of red and orange energy blasts, stars, superhot flames, fire, swords, lava, and angels at Alejandro Sosa, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Nico: WHOA!

Lincoln: Now, that's really awesome. Elandra Laval has transformed into her Super Angel-Laval Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we reduce that drug lord, Alejandro Sosa, to ashes.

Elandra Laval: (Divine Echoing Godly Voice of The Cosmic Fire Inferno Volcanic Laval Monsters Goddess Angel and Divine Cosmic Fire Inferno Volcanic Laval Monsters Goddess Angel Love) And that's exactly what's going to happen to him. Now, let's rip him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he

joined Elandra Laval.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused us enough trouble for the last time,

Elandra Laval and Lincoln went after Alejandro Sosa, and they fired extremely powerful blasts of rainbow energy, red and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Alejandro Sosa and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Elandra Laval also attack her with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

Alejandro Sosa: I'LL KILL YOU!

Alejandro Sosa went ballistic and ran at Elandra Laval and Lincoln, but Lincoln charged at Alejandro Sosa and kicked him high into the air, then, he summoned lava creatures who proceeded to fire lava and fire at him, and he was incinerated into nothing but ashes, and his soul was sent to The Black Gates forever. We cheered wildly for what Elandra Laval's and Lincoln did as they holstered their massive greatswords and powered down, and Elandra Laval's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Elandra Laval: You've had it coming for a very long time, you murderous drug lord, thank you for helping me destroy Alejandro Sosa, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elandra.

Suddenly, Elandra Laval wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elandra Laval's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Laval Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames and lava raging behind them and we cheered wildly. Then, Lincoln and Elandra Laval absorbed the elemental forces and flames and lava and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of fire and lava, Lincoln, Elandra, you guys really showed Alejandro Sosa absolutely no mercy, and sent him straight to The Black Gates for good.

Lincoln: He deserved it, he and Tony "Scarface" Montana caused too much trouble to too many people in their desire to get rich with their cocaine sales which also cost them their lives.

Me: They deserve it, too many have lost their lives to their greed and murderous desires, and they needed to pay a very heavy price for it. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: That's an easy one: Abigail Wonderland, the Keyblade Knight of Wonderland.

Michelle Emperyous: Nice one, and you guys are going to love meeting her, Abigail Wonderland is Lincoln's Guardian Angel from Wonderland. She's a Keyblader, and she has all of the powers of light and the Wonderland inhabitants. Abigail Wonderland is also an old friend of Alice and her friends, and she'd defended Alice and her friends along with Wonderland from the psychopathic bad-tempered tyrannical Queen of Hearts, and she's more than once taken down her Card Guards and the Queen herself and made her pay for her crimes more than once with every humiliating defeat she dealt unto the tyrannical Queen of Hearts. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knight, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Wow, and I can guess The Queen of Hearts had threatened to cut off her head?

Lincoln: Way too many times to count. But, she should've known better, Abigail was always five steps ahead of her in every way. In every way, she wanted The Queen of Hearts' head cut off and sent into the River Styx, but we already killed her years ago and on Princess Amore's final mission there, we sent her straight to prison.

Me: Yeah, so we better keep Abigail away from her.

Nico: Before heads start to roll.

Yakko, Wakko, and Dot gasped.

Nico: Wait, what did I say?

Lincoln: Oh no.

Yakko, Wakko, and Dot got out Pun Guns, and they zapped Nico.

Nico: Ouch.

Dot: We had to use that on Yakko whenever he makes puns like that, so consider us the Pun Police.

Luan: Yipe! Any time Yakko makes puns like that, Wakko and Dot always shock him with Pun Guns as their means of punishment.

Yakko: It wasn't even funny.

Nico: Okay, so no making those kinds of puns around you three. Got it.

Goliath: We'll help the Stag Man get comfortable in our HQ

Me: Great.

Atomic Skull: But now, the forest is free to everyone.

Me: Yep.

Calamitous: And his minions are nothing but dust.

Skinner: You said it!

Multiplex: Time to celebrate!

Qin: Yeah!

Me: Boy what a mess! The park was a warzone.

Benson: Boy no kidding.

The Deer Skeletons disintegrated into dust. We fixed up the park and cleaned it up good as new.

Nico: There. Great job today everyone!

Qin: This was so fun.

Mordecai: It sure was.

Muscle Man: You know who else thought that deer was bad?

Lana: I think I know what's coming.

Muscle Man: MY MOM!

We laughed!

Xenia: Funny.

Aiyana Siksika: (To the viewers) The honor of all deer has been restored and it was fun.

Nico: Yep.

We later went back home and had a great meal and then enjoyed the rest of the day and went to sleep.

Also we're going to battle Another Biranha, Lady of The Lake (Hellboy), Queen Clea (Wonder Woman), Tiger Shark (Marvel), Glomgold and 2016 Morbucks. And we're going to meet gene-slammers for Armarouge & Ceruledge and their names are Aura and Alicia Pyron and they are powerful fire masters.

The match-up scene is for Cetrion, Elder Goddess of Nature and Virtue, and she and Lincoln are going to take down Geras, the immortal and powerful artificial construct and loyal servant of Kronika

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Egypt, and we're going to destroy Emperor Lei Shen, The Thunder King, the first Emperor of the Mogu and the secondary antagonist in World of Warcraft: Mists of Pandaria. And we're going to meet the next Keyblade Knight, her name is Abigail Wonderland, Keyblade Knight of Wonderland, she's Lincoln's Guardian Angel from Wonderland. She's a Keyblader, and she has all of the powers of light and the Wonderland inhabitants. Abigail Wonderland is also an old friend of Alice and her friends, and she'd defended Alice and her friends along with Wonderland from the psychopathic bad-tempered tyrannical Queen of Hearts, and she's more than once taken down her Card Guards and the Queen herself and made her pay for her crimes more than once with every humiliating defeat she dealt unto the tyrannical Queen of Hearts. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Get ready for an awesome non-combat adventure with the mascots as they head in to a terrorist operation to stop them from firing nuclear missiles.

See you next time.

# MASCOTS VS TERRORISTS

In the early morning hours at 2:00 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of Oakland, California. But, they were no figure, it was Cassey, adopted daughter of Lincoln's future wife, Princess Sara. Lincoln woke up from the dream, but he wasn't the only one, Princess Sara, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Princess Sara: And not only that, it also means that we found out where our daughter are at. Any ideas where exactly?

Me: They're at Oakland, California.

Nico: The same place when we found Teddy, Mira, Red Aid, and Oreline? Oh man, that's not good. I mean sure, Oakland, California, is a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Princess Sara, Me, and Nico were heading to Oakland, California. Lincoln saw a 10-years-old Cat-like Human girl who has light pink skin, red cat-like eyes, cat-like nose, cat-like teeth, dark blue hair that she tied into a ponytail with two red bows on her bangs, and cat-like ears. She also has black nails-like claws and a pink cat tail with yellow tip. She wears dark blue school uniform jacket with a picture of a demonical cat with a large one eye and five small eyes, a red and orange tie, dark pink shirt, purple pleated mini school skirt, white thigh-high socks with two red stripes near the top, and black mary jane flats. Lincoln saw who she is, it was Cassey.

Lincoln: Excuse me, are you Cassey?

Cassey: Indeed I am. and who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Princess Sara came out, and when Cassey saw her, they were stunned.

Oreline: Mommy?

Princess Sara: I'm here, my little kitten.

Cassey ran up to Princess Sara, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you two should know, Sara, your mother is many of my many future wives.

Cassey: Does that means… you're my daddy.

Lincoln: (smiled) What else I won't I be?

That filled Cassey with joy, Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Cassey to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Princess Sara with her daughter, and Cassey now has a loving, strong, brave, and caring father in their life.

Keisha: Is it finished yet Tim?

Tim: Stop rushing me Keisha.

Me: Let him finish up Keisha. Patience is a virtue.

Keisha: Sorry. But how long can it take to make a model of the sun that plays Wait Till The Sun Shine's Nelly when you wind it up?

Qin: It takes a lot of building.

Nico: But it's awesome that you guys invited us over for this.

Simone Houou: We're honored guys.

Phoebe: Think nothing of it guys.

It was finished.

Tim: There. You think D.A.'s Going to like it?

He wound it up and it played the song.

Me: That's so adorable.

Varie: I agree.

Phoebe: She'll love it. It's the perfect present for her birthday.

Arnold: Too bad she's sick and had to stay home today.

Me: Boy that sucks.

Nico: Yeah of all the rotten luck.

Rarity: She had to be sick on her own birthday darlings.

Eli: Yeah that's no fun.

Lexx: Yeah that is not fun.

Nico: Lexx, I want to thank you, 2016 Morbucks and your teams for coming

Lexx: No problem Nico.

The phone rang.

Simone Houou: I'll get that.

She went to the phone.

Simone Houou: (Answers) Hello? Ms. Frizzle's class, Simone Houou speaking.

Dorothy Ann was on the line.

Dorothy Ann: Hey Simone. How come you guys are still at school?

Simone Houou: Oh hey D.A. How are you feeling?

Dorothy Ann: Good. A little queasy but I'll be okay.

Simone Houou: Good. We're waiting for Ms. Frizzle. She'll be driving us all over after her teacher's meeting is finished.

Dorothy Ann: Well hurry. I want you to see my new telescope. It's really neat.

Simone Houou: Looking forward to seeing it. We'll be there shortly. Bye. (Hangs Up)

Keisha: Where is Ms. Frizzle anyway?

We heard a rumble.

Me: HUH?

All: HUH?

Then the door bursted open and in a vortex came Ms. Frizzle!

Ms. Frizzle: Ah good afternoon everyone.

Simone Houou: Hello Ms. Frizzle.

Me: Wow! That is an awesome entrance.

Ralphie: Perfect timing Ms. Frizzle. Tim just finished D.A.'s Present.

Me: I'm holding on to it just to be safe.

Simone Houou: Perfect.

Then the TV turned on and it showed THE S.S.N. Or the Star Shopping Network.

Man: Right here, right now you can get the perfect gift from S.S.N. The Star Shopping Network.

Carlos: Hey check this out. It's one of those shows where you can call up and buy things.

Nicole: I've heard about this channel. It's a channel that's similar to those infomercial shopping channels.

Man: And here's your host the stellar seller himself, Horace Scope!

Nico: Ooh.

Horace Scope: Evening folks Horace Scope bringing you the perfect gift for someone you love, A Star.

Class: A Star?

Nicole: A real star as a present? That would be so cool. I've always wanted a star to call my own for me.

Nico: That would be so cool.

Horace Scope: That's right a star. A star from the vast reaches of the universe. And when you buy a star you get to name it.

Nicole: COOL!

Horace Scope: Seriously folks, I've only got three stars left.

He put out 3 posters. One was of a small star with a gas cloud around it, another that wass a yellow star and the 3rd one was a big red star.

Horace Scope: 1, 2, and 3. For the ridiculously low price of just $7.00 each.

Me: That's a good deal.

Qin: Yeah.

Tim: That's a good idea too. We'll all give D.A. her very own star.

Nicole: Awesome idea! I'll buy 2. One for me and one for D.A.

Nico: Awesome idea guys.

Keisha: Wait a minute. Slow down. My grandma once bought a mop from the Home Mopping Network and it didn't mop. So I'm not spending my money on anything I haven't checked out myself.

Nicole: Good point Keisha. It's best to see if for ourselves before we make a decision.

Ms. Frizzle: Keisha's right everyone. We don't have to check out a star sight unseen. (Earrings light up)

Class: We don't?

Simone Houou: I have a feeling I know where this is going!

Ms. Frizzle: To the bus!

Nico: Lets warm up the ship too!

We went out.

Arnold: But what about D.A.'s Party?

We got the ship ready and then our ship and the bus came and it was an awesome starship and we got ready.

We were off!

We were flying fast and we flew far from the Earth really quickly.

Me: What do you guys think of our ship?

Phoebe: It's really awesome.

Nico: Yep. All systems green.

Wanda: And here comes the moon.

We flew past it.

Wanda: I mean, there GOES the moon.

Ralphie: Wow are we goting fast or what!? We just went from Earth to the moon in less than a minute!

Me: Our ship is very fast Ralphie.

Ms. Frizzle: As my Aunt Dromeda always says, "To Reach The Stars, You have To Get Way Passed Mars."

Me: Very good saying.

We saw NUMEROUS Stars on the view screen.

Phoebe: Gee. Look at all those teeny tiny stars.

Keisha: How many stars are out there?

Nicole: The Milky Way Galaxy is home to over 100 billion+ Stars.

Nico: Yep.

Keisha: Wow!

Arnold: And home many galaxies are all over the universe?

Me: Scientists think there are over 2 trillion+ Galaxies.

Everyone: Wow!

Me: Yep. But with all the galaxies included in the Unknown Zone there's bound to be muck more than that.

Lola: Yeah. And they all are made of stars, nebulae and more.

Tim: I wonder if they will get bigger when we get closer like the moon did.

Me: Yep they sure will.

A TV came down.

Horace Scope: Now you're probably asking "Horace Scope, how can you sell me a star if they all look alike?" Right? Wrong. Look closely and you'll see lots of stars. For instance take this little baby.

He showed a picture of a tiny little baby star.

Horace Scope: (Baby Talk) Only 2,000,000 years old. (Normal) Now believe it or not that's really young for a star. To see it just look in the direction of the Constellation, Taurus the Bull. I wouldn't steer you wrong. Mooo.

Keisha: Puh-lease, who ever heard of a baby star?

Nicole: They are stars in their infancy Keisha. They are stars being developed into stars like our sun.

Horace Scope: To see it for yourself you would have to fly at a speed of 500 million miles per hour and it would still take you about 80 years just to get there. So isn't it a lot easier to just call?

He had a long beard on and held up the phone.

Class: 80 YEARS!?

Ralphie: I told my mom I'd be home by 7:00.

Me: Good thing we have faster than light travel.

Ms. Frizzle: (Baby talk) Baby Star here we come.

Me: Coordinates locked on.

We engaged FTL and flew fast.

Ralphie: Is it just me or did we just leave our solar system behind?

Tim: Wow! We've already gone so far that we can't see any of the planets anymore.

Keisha: And now our sun looks as tiny as a star.

Me: That's what the sun is guys.

Nico: Cool huh. Star charts computer.

We saw that we were right on target for Taurus.

Ms. Frizzle: Ah yes right on course. Constellation Taurus here we come. We should be seeing the baby star right about now.

We came out of FTL Travel.

We saw that we were in a Nebula Cloud.

Kids: Wow!

Me: Stars start out as Nebulae. They are clouds of hydrogen gas.

Nico: Yep.

We then saw the star.

Me: There it is!

Nico: Whoa stop!

The star was giving off a really big bright glow.

Me: WOW! That is bright!

Ralphie: It's too bright to look at.

Me: Here guys.

I gave everyone sunglasses and the star was amazing.

Arnold: Wow! For a baby star it sure is humongous.

Ms. Frizzle: Well Arnold baby stars come in all sizes. Lets see how humongous it really is shall we?

Simone pressed a button and the scanners show that it was half the size of our sun.

Me: Wow! Only about 430,000 miles in diameter.

Ms. Frizzle: Only about half the size of our sun.

Laney: Look how wild it is.

We saw that it had really nasty flares of gas.

Phoebe: Poor thing. It looks like its got gas.

Ms. Frizzle: Very good Phoebe. All stars have gas. That's what they are made of.

Me: They are made mostly of Hydrogen and Helium gas.

Ms. Frizzle: That's right. But this 2,000,000 year old baby just hasn't settled down yet. You know it's at that awkward age.

Lily: Like how I was when I had the Terrible Twos.

Carlos: Or in this case The Terrible Stwos! (LAUGHS)

Class: Carlos!

We laughed!

Me: (LAUGHS) That was a good one!

Luan: (LAUGHS) Terrible Stwos that's funny!

Eddy: (LAUGHS) That's a good one!

Me: I get it. That's good.

Nicole: I don't think this star is a good idea guys. It's too young, too wild and too uhh… what's the word… Temperamental.

Nico: Yeah.

Keisha: I agree there.

Tim: Keisha, what kind of star are you looking for anyway.

Keisha: Well Nicole do you have any ideas?

Nicole: One like our own sun and if it has a planet or two.

Horace Scope: Okay! So you don't like the baby star. No problem. Remember there are still 2 stars left and this next one is Sun-Sational!

He pulled down a poster of a perfect Yellow star.

Horace Scope: A Shining example of a grown up middle age star. And to find it, look right here in the Big Dipper.

Me: All right here we go!

We were off to the Big Dipper!

Me: Boy this will be awesome.

Nicole: Yep.

Horace Scope: That's not all. This next star even comes with its own planets, Absolutely Free!

Nicole: Cool!

We arrived at the star.

Tim: There it is Keisha!

Nicole: Just the kind of star we're looking for. This star is exactly like our sun at 5,000,000,000 years old. At the very peak of its life. And I see the planets.

Nicole called the Star Shopping Network.

Horace Scope: Star Shopping Network.

Nicole: Hello Mr. Scope. My name is Nicole Knudson of Team Loud Phoenix Storm and I would like to by the Star with its planets.

Horace Scope: SOLD! Congratulations to you Nicole! You just bought yourself a star. What do you want to name it?

Nicole: Nicole Prime. What do you think guys?

Me: That's perfect!

Nicole: Awesome. Nicole Prime.

Horace Scope: A great name.

Nicole put it on her card and she had a star. Then a certificate of ownership printed and Nicole had a star.

Nico: Awesome Nicole. You now have your own star.

Nicole: Yep.

Keisha: You sure do.

Qin: Yeah!

Laney: This is so cool!

Nicole: Yep.

Horace Scope: And remember folks there's still one star left. As you can see by this Artist's Rendition, I've saved the best for last.

He unfolded a poster of a RED SUPERGIANT STAR!

Horace Scope: A red supergiant star!

Nicole: WHOA!

It fell on him.

Me: Oops.

He got up and pulled a rope.

Horace Scope: Look right here in the Constellation of Andromeda. So if you're in the neighborhood, check it out. Or just call. It's a lot faster.

Ms. Frizzle: Want a bet?

Me: Here we go.

We were off to Andromeda.

We later arrived.

WE WERE IN FRONT OF A MASSIVE AND HUGE RED SUPERGIANT STAR! It was a Class M Red Star!

Horace Scope: Humongous, Stupendous, Astronomical! A 20,000,000 year old Red Supergiant!

Nico: WHOA!

Qin: WOW! It's huge!

Horace Scope: Isn't she a beauty? Tell you what folks, since this is my last star, I'll take 50¢ off the price if someone buys it in the next oh 50 seconds?

Nico: What do you think guys?

Wanda: Sounds like a good deal to me.

Tim: We better call before somebody else buys it.

Tim called the channel.

Horace Scope: Star Shopping Network, Horace Scope Speaking.

Tim: Hi, I'm Tim, and I, I mean we that is Ms. Frizzle's Class would like to, hold on a sec. Well Keisha.

Keisha: Well.

Class: Keisha!

Me: Guys let her think it over.

Keisha: Well it's certainly the biggest star we've seen by a longshot. And I like the color. It doesn't have any planets like Nicole's star but there are no dust clouds either. And it's no wild baby.

Class: So?

Keisha: Okay okay! Buy it.

Tim: We want to but the Red Supergiant Star and name it for Dorothy Ann.

Horace Scope: SOLD! You've just bought yourselves a star! And not a moment too soon.

That was easy.

Me: Boy that was easy.

Tim: We did it. Nicole and D.A. Both have their own stars. And we bought D.A. The biggest and brightest birthday present D.A.'s ever had.

Me: And the music box sun as a bonus too.

Keisha: She'll love having a star.

Ralphie: Wait a minute! If it's so much bigger then how come we got it so cheap!

Eddy: Yeah! That's like how I would have done on some of my scams.

Wanda: YEAH! Horace did seem in a hurry to sell it!

Nico: Something tells me that this star is about to do something.

Ms. Frizzle: As my old friend Lye Brarian always says, "You can't tell a book by it's cover."

Me: Lets take a look inside

I showed the star on the scanners.

We looked into the star.

Arnold: Amazing! We can actually see inside the star.

Laney: That is so cool!

Ralphie: Is it just me, or are the insides of our star shrinking?

Ms. Frizzle: Not shrinking Ralphie. Collapsing.

Keisha: Oh no! The star's insides are getting Squeezed together!

Nicole: Then that must mean… (GASP) OH NO! EVERYONE BRACE YOURSELVES!

We braced ourselves! And then…

EXTREMELY MASSIVE AND POWERFUL NOVA EXPLOSION!

THE ENTIRE STAR WENT SUPERNOVA!

THERE WAS NOTHING LEFT OF IT BUT A MASSIVE CLOUD OF DUST!

Keisha: D.A.'S star! IT'S GONE!

Wanda: Our big beautiful star just exploded into smithereens!

Me: WHOA! What power!

Xenia: That was unbelievable!

Camie: YEAH!

We were reeling from the explosion!

Keisha: I don't believe what I just saw!

Ms. Frizzle: I know. Wasn't it Super?

Tim: Super? Ms. Frizzle, D.A.'s star is gone! It's history! $6.50 for nothing!

Keisha: But why did our star explode when it did? It looked okay on the outside. It was bigger, it was brighter.

Phoebe: Well Horace did say that the Red Supergiant was over 20,000,000 years old.

2016 Morbucks: Yeah he sure did.

Nicole: The star must've been a Class O star and those burn more fuel faster than Our sun will.

Ms. Frizzle: A Stellar Observation everyone. Stars do grow old and eventually they go out. But some like this one go out with a BANG! They're called Supernovas!

Qin: Wow!

Camie: That was so cool seeing a Supernova like that!

Xenia: It sure was!

Nico: Yeah!

Keisha: Yeah. You know, it looks like the place where we found the baby star. All these leftovers from the blast are clouds.

Me: That's right, Stars are made of hydrogen and helium gas and that cloud we saw was a nebula.

Qin: And stars are all made of hot gas.

Lola: Yep.

Me: They are made from gravitational pressure.

Ms. Frizzle: Boingo J.D. Hot gasses SQUEEZED together in a ball.

Keisha: Yeah. Squeezed together hot enough to make a new baby star shine. The hot gas keeps the star shining like fuel for a fire for millions and millions of years. And when the fuel finally runs out the stars die out and those that go out with a bang like this one, leave behind the stuff to make new stars again.

Me: The great stellar recycling process.

Wanda: Excuse me but in case you've forgotten WE STILL DON'T HAVE A PRESENT FOR D.A.'S BIRTHDAY!

Keisha: No but maybe we can make one.

Class: Huh?

Keisha: As I see it, all we have to do is help along what happens naturally. What if we gather up all the leftover gas and dust and squeeze it together till it gets hot enough to shine?

Nico: That's an awesome idea!

Xenia: It sure is.

Ms. Frizzle: Brilliant idea Keisha. Normally it would take a million years to clean all this up.

Me: But allow me. Lets Make a Star!

I used my powers and got the dust all gathered and the dust and gas was getting squeezed into a ball.

Nico: Awesome!

Ms. Frizzle: And now when you need a good squeeze, just say please.

Class: PLEASE!

Me: Here we go.

I formed powerful spirit hands with welding gloves on and they grew and crushed and I applied pressure and then it glowed and then I

FORMED A PERFECT STAR!

Nico: WHOA!

Eli: WOW!

Class: YAY!

Qin: WOW! That is so cool!

2016 Morbucks: WOW!

Lexx: That was awesome!

Nicole: Awesome job dad!

Qin: Yeah!

Eli: That was cool bro!

Nico: Boy I'll say!

Nicole: I got something awesome for this too.

Nico: What is it?

Nicole used her powers and made an awesome solar system FULL of planets around the star too.

Nicole: Now that is an awesome solar system.

Nico: AWESOME!

Camie: COOL!

We later went back home.

---

We landed back on Earth and arrived at D.A.'s house.

Keisha: Sorry we're late D.A.

Dorothy Ann: Late? You're just in time. See that really bright star up there? Well that's a brand new star and I just discovered it.

Keisha: Actually D.A. That's your birthday present from all of us.

Dorothy Ann: It is?

Me: Yep.

Nicole showed the star on a holographic disk she made.

Nicole: It's your own solar system. The Red Supergiant it was before went Supernova but me and dad and all of us made it into an awesome new star and a solar system for you for your birthday.

Tim: We named it Dorothy Ann Prime in your honor.

Dorothy Ann: You did?

Me: Yep.

All of us: HAPPY BIRTHDAY D.A.! (EVERYONE CHEERED!)

Nico: Awesome!

Qin: That was such an awesome birthday endeavor

Nico: Goofy, are you happy to go on adventures with Sora and Donald?

Goofy: Garwsh you bet I am Nico. Ahyuck!

Nico: (LAUGHS) That is for sure.

Dorothy Ann: That is for sure. But you guys made my birthday so fun.

Varie: You're welcome D.A. Sorry you got sick on your big day.

Pinkie Pie: Yeah that is no fun to be sick on your day.

Dorothy Ann: Yeah it's not good. But I'll be okay.

Xenia: We also made this awesome music box for you too.

It was shaped like the sun and we played it too.

Dorothy Ann: That is a great music box.

Qin: Tim and all of us put it together.

Lola: Yep we sure did.

Nico: Too bad Max couldn't come on those adventures too

Goofy: Yeah I know. It was too dangerous for him.

Qin: But now he is an awesome force of good.

Laney: He sure is.

Phoebe: He sure is.

Nicole: Looks like Liz ate all your cake.

Nico: (LAUGHS) Liz. Don't worry. I got this.

Nico snapped his fingers and made the cake new.

Camie: Awesome star cake though.

Dorothy Ann: Thanks guys.

Simone Houou: You're welcome D.A.

Sunny Starscout: Boy this turned out to be the best birthday ever for you D.A.

Qin: It sure did.

Lana: I'll say.

Me: You guys missed out on a really awesome and explosive adventure from yesterday.

Arnold: What happened?

Nico: We helped out the park once again

Me: It was being terrorized by the Stag Man.

Laney: It was a really awesome battle.

Camie: Yep.

Nicole: Oh D.A. This is also for you.

Nicole gave her a certificate.

Nicole: This is your Certificate of Stellar Ownership. You own the star system we gave you.

Dorothy Ann: Awesome! Thank you guys!

Nico: You're welcome.

Nicole: I bought my own star system too and it's located in the Big Dipper.

Dorothy Ann: Wow! That is amazing.

Eli: It sure is.

Maria: I expected Stag Man to look more like Krampus

Nico: Boy me too.

Lola: But instead it looked like a Wendigo.

Nico: Yep. Except Krampus was more of a Goat Man. Stag man is a deer.

Maria: Good point.

Carlos: Boy that one STAG-nated you. (LAUGHS!)

Class: CARLOS!

We laughed at his joke!

Nico: (LAUGHS)

Me: (LAUGHS) That was a good one.

Eddy: (LAUGHS) That was funny.

Nico: And we killed his troops

Me: And they were all Skeletal Deer.

Lucy Loud: I thought that was really cool.

Eli: It sure was.

Qin: Yep.

Xenia: But all in all, it was a fun day yesterday.

Camie: And a fun night for Dorothy Ann today.

Lola: Yep.

Leni: But we're totes glad you're having fun on your birthday with us.

Nico: Yeah.

Dorothy Ann: Thank you guys so much.

Qin: It was our pleasure.

Nico had some cake.

Nico: This is some good cake.

Me: Mmm! Delicous.

Nico: Yep.

Dorothy Ann: Thanks. Mom made it.

Simone Houou: It sure is good.

Rarity: We're just glad that you got to have fun on your special birthday darling.

Dorothy Ann: Thanks to you guys.

Carlos: It should be time for us to get to work.

Qin: Oh right. Yeah.

Nico: Good idea.

Nico put up force fields around all the houses and more.

Nico: Guys, I hate to say it, but, I just found out that the villain that we're going to be facing is (GULPS) a Nine-Tailed Clone of Naruto.

We gasped.

Me: Oh no, not him. That clone is a feral animal, I still remember him all too well, he was feral and evil.

Twinkleshine: So, we need to stop him before that feral animal starts hurting innocent people.

Lincoln: Exactly, Twinkleshine, and you're not the only one who's going to transform, you're also going to transform too, Leni.

Nico: First, Lori transformed, and now, Leni's going to. This is going to be awesome, now, let's get after that feral Naruto clone.

Lincoln: Right. (Senses for Nine-Tailed Clone of Naruto) AHA! Gotcha, you feral beast. He's 200 clicks north of our location and he's heading right for Leni to kill her! (Sensed Flip's Musclebound Thugs) Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) Uh pardon my language but, YOU FUCKING MUTANT, I'LL RIP YOUR ORGANS RIGHT OUT OF YOUR FAT HAIRY BELLY AND FEED THEM TO THE VULTURES!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Nine-Tailed Naruto Clone.

Eli: Nice one, but I think it's just going to piss him off even more.

Me: Yep.

Nico: J.D. have you faced this version of Naruto before?

Me: I sure have Nico. It was in 150,000 years. Disonasu And Kabuto made him.

I went over what he was and how he came into being because of all that and it was horrible.

The reborn Team Kakashi is sent out on a mission by Tsunade to a location known as "The Hole" to investigate an incident where Tonika Village's people had been killed. Regretting that she could not assign more people to the mission because of recent incidents elsewhere, the team sets out nonetheless. While there, they split up into two man teams, with Yamato and Sai encountering officers from the neighbouring Hachō Village, consisting of Shiseru and her team. After finding out who the Konoha shinobi were, the officers escort them to their village leader, Disonasu. Elsewhere, Sakura and Naruto, who are at The Hole's water spring, encounter Kabuto Yakushi, who uses tiny, specially-created snakes to create a clone of Hidan using his DNA and the water of The Hole, which possesses special properties. Kabuto then reveals that he had reincarnated several shinobi. A fight ensues between the two sides as Yamato and Sai rejoin with their team-mates.

A flashback of the destruction of the village shows two young siblings, Leo and Miina, conversing with their grandfather, when the village is attacked by Kabuto's reincarnated shinobi. With the aid of their teacher, Dokku, the children are able to escape their burning house and are left in the nearby forest. The village head gives two steel bars to Dokku, instructing him to keep them secret. The two children, Dokku, Faz, Lando, and Sora survive the attack and make their way to Hachō Village.

As Team Kakashi continues to battle Kabuto, Hidan and the reincarnated shinobi, Naruto gets swallowed by a giant snake created by Kabuto, but manages to escape using shadow clones, accidentally ingesting Kabuto's clone snakes in the process. When Naruto resurfaces, Kabuto retreats, using the reincarnated Deidara as a diversion, after revealing a village guard's corpse in the mouth of a snake. Meanwhile, Dokku takes care of the orphans, while Miina, due to trauma, becomes mute. After the attack, Naruto and Sakura join up with Shiseru, Yamato and Sai in going with the rest of the guards. While Yamato and Sai investigate Kabuto's motive for destroying the village, Sakura and Naruto follow Shiseru to Dokku's house. When Dokku and the orphans see them, noticing that Naruto wears the same forehead protector as the reincarnated shinobi, Leo kicks Naruto and they run until they reach a broken bridge. Leo crosses first and when Dokku and Miina run, they fall down the ravine, but are saved by Naruto. Yamato and Sai ask Disonasu for information, prompting him to show them a book revealing the origin of The Hole; a great power known as the Ama no Hoko resided within many years ago and nearly consumed the world, but one of the dead picked up a shard of its power, turning crimson, being enveloped in flames, and sealing the Ama no Hoko in the form of seven sounds, the Saezuri. In his sleep, Naruto sees himself in front of the Nine-Tails' cage within his subconscious as he is surrounded by the snakes he had previously ingested. Naruto and Dokku discuss Dokku's failure to save a girl in his prime and all his failures in life, unlike Naruto, who became famous even in the Hachō Village, a rural area. Kabuto, while testing the effects of his talismans on Hidan and Deidara in a graveyard, converses with an unknown individual that communicates to him through a scroll.

After having what was seemingly a bad dream, Miina runs to Dokku in the night to seek comfort. Elsewhere, in a graveyard, Kabuto Yakushi prepares to reincarnate another individual. When day breaks the next morning, Leo, Faz and Lando are eager to start their ninjutsu training with Naruto, who is feeling under the weather.

However, after being chided by the boys since he had made a promise to them, Naruto emphatically begins the training, which even Shiseru decides to partake it, having found it interesting. While elsewhere a reincarnated Deidara and Hidan's genetic clone argue over their predicament, having killed several members of the Hachō Village militia, and are later confronted by several more members along with Yamato and Sai. Plagued by vivid images all day, Miina approaches Naruto and begins repeatedly saying "get out". Thinking that Miina was simply being rude, Shiseru slaps her and Miina runs off. Later, Disonasu visits their home and, to everyone's surprise, the Tonika Village Head is with him. Greeting his grandchildren, he notes that he had injured his eyes but presses on past that, asking Dokku for the piece of the treasure he had given to him the night of the invasion of the village. However, Miina alerts everyone to the fact that there was something strange about her grandfather and it is revealed that he had been reincarnated. As a fight subsequently breaks out when Kabuto makes an appearance, Naruto soon begins writhing in pain. Rushing towards him, Miina once again begins shouting "get out", eventually forcing the tiny snakes out of his body. The snakes then form into a clone of Naruto in his four-tailed Version 2 state, which attacks all present individuals, including Kabuto, who is unable to gain control of it through a talisman. As the creature continues attacking indiscriminately, everyone looks on in fear.

The Nine-Tailed Naruto clone tries to attack Dokku and the orphans, when Might Guy and Rock Lee arrive to repel it. While they fight the beast, Kabuto tries to control it, but to no avail. The rest of Konoha 11 arrive. Team Asuma helps Sakura and Kakashi and Team Kurenai helps Naruto. Tenten and Neji arrive, but are cornered by the reincarnated puppets. Kakashi chases Kabuto. The beast grabs Naruto to absorb chakra, which the Nine-Tails gladly shares. Hinata tries to defend Naruto, but is sent flying. After the beast absorbs Naruto's chakra, it grows in size and starts to devastate the Hachō Village, even firing a Tailed Beast Ball in far away, missing Yamato, Sai, Deidara and Hidan who are fighting outside the village. Dokku tries to save Naruto, who is still unconscious. Moments before the beast tramples them, Kabuto summons a snake to swallow both of them alive and retreats. While inside the underground hall in the Tonika Village, Naruto, unconscious and strangled by snakes, meets the Nine-Tails again in his subconscious.

The Konoha-nin investigates Kabuto's intention in the meanwhile. Shiseru remembers an earlier conversation between her and Dokku about the pros and cons of them adopting the kids. While the Nine-Tails tries to control Naruto, Dokku calls him, but gets shouted instead. Dokku asks Naruto what burden a powerful person carries and made Naruto choose the reason why he desires to be powerful, seeing flashbacks of his comrades of Konoha and also Sasuke, leading to the seal inside Naruto to gain strength again. Dokku gives Naruto his forehead protector, stating that he believes in him. Meanwhile, Leo decides to save their teacher by giving the mysterious iron bars which were mentioned earlier by the Tonika Village Head. While inside the hall, Kabuto, along with two reincarnated puppets, approaches with Disonasu, revealed to have engineered Tonika's destruction. Disonasu pulls out a scroll from which emerges the item that he desired: the Saezuri.

While the Saezuri is revealed, learning that Disonasu employed Kabuto Yakushi to wipe out the residents of Tonika Village, Dokku tried to attack Disonasu, but stopped by a reincarnated puppet and restrained by a resurrected Takigakure shinobi. Disonasu also praised Naruto about defeating Pain, the one who scarred him and left him powerless, before kicking the boy repeatedly. Miina and the orphans came to The Hole to give the iron bars, but Kabuto's clone intercepted them. Meanwhile, the rest of Konoha 11, along with Kakashi, Shiseru, Yamato and Sai moved out to the area. Disonasu prepares the summoning of the "power" by putting the remaining iron bars while Naruto enters Sage Mode. Miina hums to the sound as the Saezuri is activated, causing the area Naruto is on, the Ama no Hoko, to rise above ground. Kakashi arrived on the scene, revealing Disonasu's past as a bloodthirsty murderer and former Akatsuki subordinate whose speciality is the field of Summoning Technique, having researched Impure World Reincarnation with Orochimaru. Kabuto summons his puppets, the Nine-Tailed Naruto Clone, Hidan, and Deidara. Naruto faces off with the clone, while Deidara uses Explosive Clay to create a diversion and chase Naruto.

Disonasu escapes and Hidan faces Shikamaru. Deidara activates the Explosive Clay on the bodies of the resurrected individuals, as Hidan uses his ritual against Team Asuma, and Sakura got restrained by Hayate and the others. While Naruto relentlessly attacked the clone, he learned there is more than power. As Yamato restrained Disonasu, he activated the Saezuri, opening the area where Naruto faces the clone, draining the lake as an obelisk rises and creates a storm. After Hidan's clone body breaks down due to the shorten life spans of the snakes composing his body, Deidara is controlled by Kabuto to escape Kakashi. A lightning hit the area where the orphans are running, Miina pointing to the obelisk. When the storm expands towards Konoha, Tsunade goes out as the storm engulfs the Land of Fire. Naruto tried to stop Disonasu from ascending the tower, only to face his clone after he absorbed some of the tower's power and transformed into a Hydra-tailed fox monster.

Absorbing the power within the Ama no Hoko, the Nine-Tailed Naruto Clone mutated into a hydra-tailed version of the Nine-Tails while sending Disonasu to his death. Overpowered, Naruto almost gave in to the Nine-Tails' offer for power when Minato's voice urges the boy to control the tailed beast as Naruto is engulfed in a six-tailed chakra cloak in the Nine-Tails' image. Over time, as he starts to lose against the clone, the Nine-Tails starts to take control over Naruto's body and assumes a seven-tailed jinchūriki state with Yamato trying to restrain it. At the same time, though followed by Kakashi Hatake, Kabuto Yakushi manages to take his leave in midst of the ensuing chaos. Dokku and Shiseru decide to deactivate the Ama no Hoko and say good-bye to the children. On their way there, they confess their love for each other and decide to get married if they survive before portions of the ground start to sink, with Dokku keeping Shiseru from falling.

By that time, Miina is able to get through Naruto, regaining control as he assumed a new form to save Shiseru after telling Dokku to go forward and stop the Ama no Hoko. As Dokku realises Miina's melody could stop the Saezuri, he attempts to recall the tune Miina hummed to change the sounds in the Saezuri to deactivate the tower, Naruto uses his new power to destroy his clone as the Ama no Hoko recedes into the ground. The children celebrate with Naruto.

When I was done everyone was shocked and horrified!

Nico: Whoa! So Disonasu made that clone!

Qin: And he enhanced it and turned into that horrible Seven-Tailed Hydra Beast? That is scary!

Camie: No kidding!

Xenia: Yeah!

Maria: He's nothing but an animal!

Eli: Yeah he sure is!

Suddenly, we heard a loud roar and we saw the Nine-Tailed Naruto Clone heading right for us, and he was about to scratch us with his claws, but Lincoln saved us by forming a powerful barrier of solid diamond around all of us. The Nine-Tailed Naruto Clone tried firing blasts of red chakra at the barrier to destroy it, but the barrier was too powerful and the blasts were nullified and absorbed.

WE GASPED!

Qin: WHOA MAN!

Me: Lets take this to a place where no one will get hurt.

I snapped my fingers and we were all on the planet Glaren.

Camie: Much better.

I fired a massive energy blast and it hit him and exploded! It only made him madder!

Eli was right, soon enough, the Nine-Tailed Naruto Clone went berserk and fired more blasts of red Chakra at the barrier, but the barrier was still too powerful and the blasts were still being nullified and absorbed, and he tried to break it with his claws, but that didn't work either.

Nico: Jeez, this clone really is a wild animal!

Leni: He's totes bad news! That's it!

Leni fired a gravity blast that pushed him back and sent him flying into a tree as Lincoln deactivated the barrier and we stood ready to fight that animal.

Nine-Tailed Naruto Clone: (ROARS)

Twinkleshine: Oh, roar yourself, you wild animal!

Nico: Great, one of the foes that doesn't speak.

Me: Be lucky Naruto isn't here for this, otherwise, you'd be in a shit ton of trouble!

Nico: Yeah, we'll do him a favor and put you out of your misery!

Lincoln: But, we got to watch it though, guys. Clone or not, we know just how powerful Naruto is.

Luna: Not like the one we know who was really trained hard by J.D. and all of us, dude. This guy's a flat-out amateur, a fake. Someone needs to give this guy a royally painful lesson.

Me: That is for sure!

Suddenly, Twinkleshine's cyan blue eyes turned neon cyan blue, and she was surrounded by a pink and white energy aura with stars, aurora, nebulae, magic, and Alicorns, she unholstered her massive Twinkleshine's Friendship Star Greatsword of Magical Friendship and Magic Justice from her back, and as she approached the Nine-Tailed Naruto Clone, she left pink and white energy, stars, aurora, nebulae, magic, and Alicorns with every step.

Twinkleshine: You're nothing like the real Naruto, you're just a feral clone driven only by one thing: bloodlust and destruction, and as such, I have no other choice but to put you down for good and send you straight to Hell for your rampage.

Suddenly, Twinkleshine was surrounded by a massive vortex of pink and white energy with stars, aurora, nebulae, and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a pink phoenix with red eyes glaring at the Nine-Tailed Naruto Clone: the red eyes of eternal death.

But, when the Feral Nine-Tailed Naruto Clone saw it, he roared with anger and ran at her on all fours and kill her, but Twinkleshine fired a powerful barrage of pink and white energy blasts with stars, nebulae, aurora, magic, and Alicorns at the Feral Nine-Tailed Naruto Clone and it sent him flying into a tree back first, he got back up, but now, he was beyond enraged.

Luna: We've seen the damage Leni has done to Lori whacking her with her sandal, and she even grabbed Lori by the collar of her shirt and tossed her away from Lincoln.

Nico: She's really that physically strong?!

Me: Yep, and even Lynn was shocked and horrified big time by her physical strength.

Eli: Yep.

Laney: Enough so that Lynn did not try anything dumb, but knowing that Dark Lynn was dumber than a truck tire, she didn't relent and look what happened.

Me: She gets clobbered by Lincoln's Guardian Angels and gets thrown in a metal container like the animal she was.

Anna Anyanova: With her roaring and pounding on the door trying to get out, but we wind up flipping her the bird and it caused her to lose it and roar again and pound her chest like a gorilla.

Suddenly, Leni's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Leni Loud has transformed into SUPER ANGEL-KAIJU-STAR DRAGON-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE CHIA GRAVITY STAR FASHIONISTA STELLAR STARSTORM GRAVITY PLANT KAIJU ANGEL OF DIVINE CHIA GRAVITY STAR FASHIONISTA STELLAR STARSTORM GRAVITY PLANT KAIJU ANGEL JUSTICE AND DIVINE CHIA GRAVITY STAR FASHIONISTA STELLAR STARSTORM GRAVITY PLANT KAIJU ANGEL LOVE!

We were really amazed by Leni's Super Angel-Kaiju-Star Dragon-

Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the Nine-Tailed Naruto Clone saw it, he ran at her to kill her, but Leni fired a massive barrage of rainbow energy, stars, gravity, plants, phoenixes, Kaiju, and angels at the Nine-Tailed Naruto Clone, and he got hit hard, he got back up, but now, he was mega Nth-Degree pissed off now!

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) WHOA! LENI, YOU'VE TRANSFORMED INTO YOUR SUPER ANGEL-KAIJU-STAR DRAGON-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA FORM!

Me: (AMAZED) HOLY CRAP!

Nico: (AMAZED) SO AWESOME! NOW, YOU'RE GARBAGE, YOU VILE CLONE!

Leni: (Divine Echoing Godly Voice of The Harmonious United Friendship Stellar Starstorm Plant Chie Phoenix Angel of Divine Harmonious United Friendship Stellar Starstorm Plant Chie Phoenix Angel) Indeed he is. Alright, Linky, time for you to join in so we can put this clone out of his misery.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Twinkleshine and Leni, and so did we as we also unholstered our massive greatswords and transformed.

Nico: Looks like there's nothing of this version of Naruto now

Me: That is for sure!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) There's absolutely no way we're going to let you run wild any longer, now we will put you down and give your soul peace.

Lincoln, Twinkleshine, and Leni went after the Nine-Tailed Naruto Clone, and they fired extremely powerful blasts of rainbow energy, pink and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Nine-Tailed Naruto Clone and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his claws and firing energy slashes from his gold armored claws and he, Twinkleshine, and Leni attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving the Nine-Tailed Naruto Clone super mega insane with rage.

The Nine-Tailed Naruto Clone was was about to run at Leni, but

Leni and Lincoln jumped him, and they proceeded to give him a Loud House style beatdown, and he was overwhelmed by an enormous fight cloud, and we all heard the sound of punches and kicks being heard in the fight cloud. Then, Lincoln and Leni kicked him hard out of the fight cloud and he landed on the ground again. The Nine-Tailed Naruto Clone got back up, and he absolutely lost his mind and ran at Leni again to kill her, but Lincoln grabbed him by the neck with his left hand and hoisted him up and Lincoln sucked out the Nine-Tailed Naruto Clone's Chakra, and we saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow.

Then, Lincoln kicked the Nine-Tailed Naruto Clone high up into the air, and Leni and Lincoln fired rainbow energy blasts that transformed into the Loud Siblings and they hit the Nine-Tailed Naruto Clone and he was obliterated and he was sent to The Black Gates forever. We all cheered as Lincoln, Twinkleshine, and Leni holstered their weapons and powered down, and Twinkleshine's new body, clothes, weapons, jewelry, Third Eye, longer horn and sapphire blue tail, and massive white angel wings are permanent, and Leni's new body, clothes, weapons, jewelry, eleven massive and long blonde wolf tails, Third Eye, accessories, and massive blonde angel wings are permanent.

Leni: Now, that was totes fun!

Suddenly, Twinkleshine felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Twinkleshine?

Twinkleshine: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that clone quite the nasty beating of her miserable life.

Nico: You got that right, and I just knew you were going to use your ability to suck out that clone's Chakra, Lincoln.

Lincoln: He may have fought like a wild animal driven by bloodlust, but that's a bad mistake on his part since we use strategy and tactics in our fights.

Twinkleshine: And he got what he deserved.

Leni: Totes, and it's really incredible that I transformed just like Lincoln and Lori.

Suddenly, Twinkleshine wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Twinkleshine's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Twinkleshine absorbed the elements and they came back to us as the display vanished.

Luna: That was so awesome, dudes, you laid quite the beatdown on that Nine-Tailed Naruto clone and gave him the heave-ho to The Black Gates.

Lincoln: We sure did, and that means, you're going to transform tomorrow, Luna.

Luna: Awesome!

Suddenly, Cetrion arrived.

Me: Lady Cetrion, is something wrong?

Cetrion: I'm afraid so. Lincoln, you're not going to like it: later on today, we're going to face Geras.

Lincoln: The immortal and powerful artificial construct and loyal servant of Kronika. I knew he would be coming after what I did to Kronika. But, I have an idea, Cetrion: we'll defeat him and send him to The Masters of Evil.

Cetrion: That's a splendid idea, Lincoln, but we also need to sever his link to Kronika, he needs to see that her will was indeed born from madness.

Nico: You'll also need the help of Lords Raiden and Fujin for this task, Lady Cetrion.

Laney: Can the Elder Gods sever a Titan's link to its creation?

Lincoln: There's only one way to find out, Laney, later on today, we'll defeat Geras and sever his link to Kronika.

Laney: Looking forward to it.

Nico: At least that version of Naruto can rest in peace

Me: Yep.

Carlos: Wow! That was awesome!

Lana: I'll say!

Xenia: Yep.

Eli: Now for the super fun.

Xenia: The Anothers?

Eli: Yep. We have Another Biranha, Lady of The Lake (Hellboy), Queen Clea (Wonder Woman), Tiger Shark (Marvel), Glomgold and 2016 Morbucks.

We gasped!

Qin: Whoa! Mostly Water villains.

Lola: Yep.

Maria: Who do we call for this?

Me: April Lupin, Yumiko Evangelica, Elsa Marincess and Xylene.

Qin: Cool! Suicune, Mega Eeveelutions, Marincess and uhh, what is Xylene's kind?

Shanan: She's what's called an Uxorite from the distant planet of Ringa Morr.

Qin: That's right! Wow! This will be awesome.

Lola: Yeah.

Maria called them in and in swirls of water came April Lupin, Collette Remmington, Elsa Marincess and Xylene!

April Lupin: Happy Birthday, D.A.!

Dorothy Ann: Thanks April. I had to stay home because I was sick with a stomach bug.

Yumiko Evangelica: Oh that sucks. Being sick on your special day? That's no fun.

Nico: I know.

Nicole: But we gave her the best birthday present ever. A Star.

Elsa Marincess: A Star?

Me: A Real star in space.

She showed her certificate.

Elsa Marincess: That is cool!

Lola: Yep. It's an awesome story.

Me: We also learned all about how stars are born and how they die.

Xenia: That was awesome.

Xylene: That is really something. J.D. are you doing all right after what happened in the Aligned Universe?

Me: It's all water under the bridge.

April Lupin: You know you guys could've just snapped your fingers to cure her, right?

Me: We could.

Dorothy Ann: But I'm not fully integrated with powers like you guys are.

Nico: Oh right you haven't been with us that often. That's understandable.

Xenia: Yeah.

April Lupin: I get it. I get it.

Maria: Yeah. Also I will be saving the M.O.E. Cannon for tomorrow.

Xenia: Okay.

Eli: And I sense that the Anothers minus 2016 Morbucks are one person.

Qin: This will be fun!

Me: Here they come!

We saw Another Biranha, Lady of The Lake (Hellboy), Queen Clea (Wonder Woman), Tiger Shark (Marvel) and Glomgold!

Nico: WHOA!

Qin: This one is gonna be awesome.

Another Queen Clea: It sure will be.

Me: (GASP) That voice!

They merged and she reverted back and was a girl with blue hair, blue eyes, blue clothes, blue angel wings and had a tiara with the Trigger Dopant symbol on and the symbol was on her skirt too. Also she had a Klingon Phaser and Sniper Rifle.

Me: Tricia Trigger! Whoa!

Nico: Whoa!

Tricia: Awesome to see you again J.D.

Me: Same here. Guys you are all looking at one of the best marksman and sharpshooters since Annie Oakley. Tricia is one of the best ever and she never missed one target.

Nico: Whoa! Really?

Me: Yep. Watch.

I pulled out a skeet disk and threw it and then…

LASER FIRE!

She blasted the Skeet Disk perfectly at 730 yards away!

CLANG!

Nico's jaw fell to the ground!

I picked it up.

Nico: Whoa! What a shot!

2016 Morbucks: Deadshot's gonna be jealous!

Tricia Trigger: Boy I can tell he and I are going to have some competition.

Qin: No kidding!

Me: Tricia blasted everything perfectly. She even hit a bunch of criminals with pinpoint accuracy from 6 and a half miles away.

Eli: WHOA!

Nico: That is amazing!

2016 Morbucks: Boy Deadshot is REALLY Going to be jealous!

Tricia Trigger: I have a feeling he will be.

Philip: That is really impressive that you can hit a target from that far away.

Tricia Trigger: I know.

Me: Is the Another 2016 Morbucks friendly or hostile?

Tricia Trigger: Friendly and you guys are going to be surprised about this one.

Me: I have a feeling we will be.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers!

We fired waves of energy and blasted the them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: Now, we wait.

Me: We don't have to wait long!

We saw ANOTHER 2016 MORBUCKS!

Me: Whoa!

Qin: This is gonna be awesome!

Nico: Yep.

Another 2016 Morbucks: It sure will be fun though!

Me: (GASP) That voice.

She reverted back and was a girl with brown hair and had blue eyes and black and yellow clothes and she had the symbols of the Monster Legends Elements along her arm and she had a staff of the Elements in her hands and had yellow angel wings.

Me: (GASP) Sarah Brentley!

Sarah Brentley: Awesome to see you again J.D.

Me: Same here. Sarah is one of the richest people in the country and she goes around the world flushing out queen bee socialite mean girls and puts them in their place by giving them bad karma. She is richer than anyone else we know. Not as rich as us but you know.

Qin: WOW!

Me: Good luck with that one. They think they are so much better than everyone else because they come from high class lifestyles and they think they can get away with everything.

Lola: Yeah they are sociopathic monsters!

Qin Yeah.

Sarah Brentley: I know. Looks like that's one thing that Swartz can't do.

Me: Well either way he is dead and in the Black Gates.

Nico Yep.

Sarah Brentley: I see. Good riddance.

Lola: Yep.

Me: Sorry we have to fight like this.

Sarah Brentley: No worries.

She turned into Another 2016 Morbucks.

Ceruledge: (In a girls voice) It sure will be.

Nico: Aura and Alicia Pyron! Wow!

They reverted back and Aura was a girl with blue hair and blue eyes and black clothes and blue angel wings. Alicia was a girl with red hair and red eyes and had black clothes and red angel wings.

Aura Pyron: Awesome to see you again Nico.

Alicia Pyron: We got this.

They fired fire laser blasts and smashed her down.

I caught the ridewatch and purified it and brought Sarah over.

Nico: Awesome!

Goofy: Gawrsh, What's your favorite memories of Nico?

Aura Pyron: When we found an awesome secret on an island in our lake.

Alicia Pyron: That was a treasure from a massive horde of pirates that was priceless.

Nico: Yep.

Qin: That was so cool.

Eli: Yep.

Nico: That was awesome.

Nico hugged them.

Nico: I've missed you girls.

Aura Pyron: Same here Nico.

Alicia Pyron: Yeah we sure did.

We went back home.

Then, Lincoln drove his massive greatsword into Lei Shen's stomach, and he began sucking out and absorbing Lei Shen's power over the storms and lightning and massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Lei Shen was now thin as a rake and he was now powerless. Then, Lincoln fired blasts of super lightning from his massive greatsword at Lei Shen and he was destroyed and sent to The Black Gates as the storms disappeared. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for Lei Shen and his ambitions. (To Abigail Wonderland) And it's so good to see you again, Abigail Wonderland.

Abigail Wonderland: You too, Linky, it's been a long time.

Lincoln went up to Abigail Wonderland and he hugged her, and Abigail Wonderland is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Abigail Wonderland: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Abigail Wonderland, Keyblade Knight of Wonderland, she's my Guardian Angel from Wonderland. She's a Keyblader, and she has all of the powers of light and the Wonderland inhabitants. Abigail Wonderland is also an old friend of Alice and her friends, and she'd defended Alice and her friends along with Wonderland from the psychopathic bad-tempered tyrannical Queen of Hearts, and she's more than once taken down her Card Guards and the Queen herself and made her pay for her crimes more than once with every humiliating defeat she dealt unto the tyrannical Queen of Hearts. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Awesome. Oh, and during Princess Amore's final Ambassador Mission to Ever After High, we defeated that bad-tempered psychotic excuse for a Queen who came back from the dead and we had her jailed for life.

Abigail Wonderland: You threw her in prison for good? I was hoping she'd get her head cut off once more.

Nico: Nah, we decided against that, since we killed her years ago, so she doesn't deserve to die a second death.

Lincoln: She deserves to rot in prison for her crimes against Wonderland, same with Cruella De Vil for what she's done in London.

Lola: She was a nightmare and a half.

Lana: Especially to all Dalmatians.

Lincoln: She should be grateful we didn't decide to kill her again, and now that you're here, Abigail.

Lincoln went up to and hugged Abigail Wonderland in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Abigail Wonderland: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Abigail Wonderland's neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Abigail Wonderland: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Abigail Wonderland.

Abigail Wonderland had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the ten girls, and when Lincoln saw who they were, they immediately recognized them. The ten girls are Zenia from Level 1 Demon Lord and One Room Hero and Simulator Eleonora Viltaria, Alexandra Alshavin, Sofya Obertas, Elizavetta Fomina, Limalisha, Valentina Glinka Estes, Titta, Olga Tamm, and Ludmila Lourie from Lord Marksman and Vanadis.

Lincoln: Oh wow, it's Zenia from Level 1 Demon Lord and One Room Hero and Simulator Eleonora Viltaria, Alexandra Alshavin, Sofya Obertas, Elizavetta Fomina, Limalisha, Valentina Glinka Estes, Titta, Olga Tamm, and Ludmila Lourie from Lord Marksman and Vanadis.

Nicole: Oh boy, you rescued another group of smoking hot girls, and yet, you kept your calm and composure, and I was surprised to find out that a Simulator version of Eleonora Viltaria is here.

Lincoln: Same here, since the real one of our world is with Tigrevurmud Vorn, which means someone must've brought her here. Anyways, are you girls okay?

Zenia: Yes, we're okay, thanks to you.

Then, when Zenia and the other nine girls saw who it was that saved them from Lei Shen, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry,

Zenia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Zenia: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Zenia, Simulator Eleonora Viltaria, Alexandra Alshavin, Sofya Obertas, Elizavetta Fomina, Limalisha, Valentina Glinka Estes, Titta, Olga Tamm, and Ludmila Lourie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Emperor Lei Shen, The Thunder King, the first Emperor of the Mogu and the secondary antagonist in World of Warcraft: Mists of Pandaria.

But, when Lincoln showed what we all did in viciously beating Lei Shen to the dirt and then, Lincoln driving his massive greatsword into Lei Shen's stomach and he sucked out Lei Shen's powers over the storms and lightning and massive muscle mass and then finishing him off by firing blasts of super lightning from his massive greatsword which obliterated him and sent him to The Black Gates for good, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Abigail Wonderland have a lot of catching up to do now that she's back in town.

Maria: So, those storms we saw in Egypt, they were the responsibility of Lei Shen.

Lincoln: Yep, but we brought an end to him for good.

Nico: That tyrant got what he deserved.

Me: You got that right.

---

After finally getting rid of Lei Shen and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Abigail Wonderland saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Abigail Wonderland: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Abigail, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Abigail Wonderland: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Abigail Wonderland: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Abigail Wonderland, what memories did you have with Lincoln?

Abigail Wonderland: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Tall Timbers Park for a little rest and relaxation after our training. But, then, we heard a familiar loud scream of rage in the air, and we knew who that was: it was Lincoln's little sister, Lola. She came charging at us like a crazy demon, and she was really out for blood. She charged at us, but I fired blasts of light at her which blinded her, and then, Lincoln fired a blast of ice that froze her inside, and he pushed it and he sent it hurtling towards an open metal container that Luna got out, and as soon as Lola was inside, she closed the door and secured it.

Nico: Awesome.

Lincoln: We came back home, and in the metal container, Lola got out of the block of ice when she got super mad and the ice melted. But, she was really really steamed, and she was crazy and insane.

Raven Ghostrick: Lola got grounded for eighteen weeks for that stunt of hers, and she even caught a really nasty cold from Lincoln blasting her with ice. She should be grateful that we didn't throw her in the Lansing Maximum Security Nuthouse and call her pageant coordinator to ban her for life.

Me: That would've earned you all the full extent of her vengeance and she would've done something so horrible to you all that she'd eventually earn her older brother's wrath. She should've known just how vicious Lincoln can truly get whenever those around him are either threatened or harmed in any way.

Lori, Lynn, Lola, Lisa, Luan, and Chandler shuddered in fright.

Lynn: We can't ever forget it: when he gets mad, watch out!

Nico: Whoa.

We got a shower, and then, Lincoln, Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, Miyako Gotokuji/Rolling Bubbles, and his kids are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, Miyako Gotokuji/Rolling Bubbles, and his kids are dressed in the two-piece colored bikinis and swim trunks The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Nyx Midnight: Wow, so this is Lake Lamode, it sure is awesome, Dad.

Lincoln: It sure is, Nyx Midnight, and it's perfect for our family date. Shall we?

Lincoln, Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, Miyako Gotokuji/Rolling Bubbles, and his kids dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went into an indestructible dome, and they had an awesome volleyball game, and Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles and they hugged them in their abnormally massive and powerful muscular arms, and Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and his kids cheered. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love

appeared on the necks of Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles are in your harem.

Princess Cadence: I did suspect they had feelings for Lincoln some time after we defeated HIM from their world, and now, their feelings have come to light.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Momoko Akatsutsumi/Hyper Blossom, Kaoru Matsubara/Powered Buttercup, and Miyako Gotokuji/Rolling Bubbles, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Geras, the immortal and powerful artificial construct and loyal servant of Kronika, and he's here for revenge for what Lincoln did in draining Kronika of her powers and sending her to The Book of Vile Darkness. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Geras coming after us?

Lincoln: You guessed it, Rayman. Geras is coming after us, and he's here for revenge for what I did in sucking out all of Kronika's Chronokinesis, Psammokinesis, Geokinesis, Pyrokinesis, Divine Magic, Summoning, Teleportation, Levitation, Zoopathy, Telekinesis, Superhuman Durability, and Timecraft and I made them my own, and her power was also given to us as well.

Cetrion: As we foresaw, now, we must defeat him and bring him back to The World Tree Estate to sever his link to Kronika.

Raiden: We know it won't be an easy task, but we must sever him from Kronika for good.

Fujin: Indeed.

Me: That's right, but this needs to be done.

Nico: If Cetrion's link to Kronika can be severed, then so to can Geras'. Alright, gang, let's go, we may not have a mission for today, but we must stop Geras and sever his link to Kronika.

Lincoln: Having him on the side of The Masters of Evil will prove bountiful when we go after Kronika in the future.

Cetrion: Indeed, and this will be where I tell Geras that I've forever severed my ties with Kronika, and that when we face her in the future, she will pay dearly for the suffering that she has caused to so many innocent people over the eons.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the park to take down Geras, and then, we're going to bring him to The World Tree Estate, so Lincoln, Cetrion, Raiden, Fujin, and the other Elder Gods can sever his link to Kronika for good.

We arrived at the park to hunt down Geras, the immortal and powerful artificial construct and loyal servant of Kronika.

Me: We've made it to the park.

Cetrion: Geras should be coming any second now. He always did have his habits of showing up when he is tasked in hunting down those that Kronika has sent him after.

?: And Kronika will be pleased when I deliver her your head, Cetrion, along with the heads of Team Loud Phoenix Storm and The Masters of Evil.

Lincoln formed a massive diamond barrier that protected all of us from a blast of sand that came out of nowhere.

Cetrion: There is no mistaking that voice from anywhere, you can come out now, Geras.

A figure came out, and it was none other than Geras, the immortal and powerful artificial construct and loyal servant of Kronika.

Nico: So, that's Geras.

Lincoln: Kronika's immortal and powerful artificial construct and her loyal servant.

Cetrion: I always knew you'd come, Geras. But, I'm here to tell you that as of this moment, I am now free from Kronika's will, and it was thanks to Lincoln that Liu Kang's words were true: Kronika has caused too much pain and suffering to too many innocent people for eons, her desire to create a New Era is nothing more than madness.

Geras: Blasphemous traitor, you will pay the price, daughter of Kronika or not!

Cetrion: The only one who will pay is Kronika, but you, you will not die here, not if we have anything to say about it.

Suddenly, Cetrion's glowing green eyes turned neon glowing green and she was surrounded by a green energy aura with stars, fire, earth, water, light, crystals, wood, rocks, metal, ice, magma, butterflies, and angels, she unholstered her Sword of The Redemption Squad, and as she approached Geras, she left green energy, stars, fire, earth, water, light, crystals, wood, rocks, metal, ice, magma, butterflies, and angels with every step.

Cetrion: I truly was a fool for even believing in Kronika, she has caused untold pain and suffering for eons due to her desire to create a "New Era", it was one wrought by nothing more than her madness, all living things have a right to forge their own paths and make their own history, and despite that she is my mother and Shinnok my brother, I forever sever all my ties with Kronika for her madness and desire to create her New Era and my ties with Shinnok are now forever severed. The Elder Gods were right to have imprisoned him in The Netherrealm, but one day soon, Kronika and Shinnok, along with Mileena, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, and Bi-Han will face justice for their crimes. But, as for you, Geras, we must sever you from Kronika and allow you to define yourself.

Suddenly, Cetrion was surrounded by a massive and powerful vortex of glowing green energy with stars, fire, earth, water, light, crystals, wood, rocks, metal, ice, and magma surrounding the vortex, there are butterflies, animals, and angels flying around the vortex, and in the vortex is a forest green phoenix. Then, as the vortex faded, Cetrion emerged, but she was forever changed.

Cetrion grew to 7'9" in height, she has the body of a goddess, she has green glowing highlights in the bangs of her long green hair resembling seaweed, she has neon glowing green eyes and a green energy aura with stars, fire, water, earth, air, light, metal, ice, magma, wood, crystals, butterflies, animals, planets, and angels surrounding her, she has the Earth surrounded by the elemental symbols of fire, water, earth, air, light, metal, ice, magma, wood, and crystals emblazoned on her forehead with Third Eye with glowing green iris, she has butterfly earrings with green gems for eyes and holding the Earth, Water, Fire, Air, Light, and Eternity Kanjis in its legs, she also has a butterfly with green gems for eyes and holding the Earth, Water, Fire, Air, Light, and Eternity Kanjis in its legs on the bottom of her green butterfly-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Cetrion has on her teal crystal corset and green leaf dress, teal crystal knee-high heels, the chunks of teal crystal floating behind her head in a rough ring shape had formed into a true ring made of green crystal with the sun, moon, and earth in the center, and long white sleeveless trenchcoat with stars, fire, water, earth, air, light, metal, ice, magma, wood, crystals, butterflies, animals, planets, and angels on the coattails and on the back is The Sun with all the planets surrounding it. Suddenly, Cetrion felt a sharp pain on her back, and then, massive dull purple angel wings with green tips and stars grew and sprouted out from her back and she now has eleven massive and long dull purple wolf tails with green tips and yellow and green markings, she has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Cetrion's Sword of The Redemption Squad and all the greatswords and swords that she'd gotten began merging together, and they're surrounded by a kaleidoscope of green energy, stars, fire, water, earth, air, light, metal, ice, magma, wood, crystals, butterflies, animals, planets, and angels, and when it emerged, it was transformed into Cetrion's Heavenly Elder Nature Goddess Greatsword of Heavenly Elder Nature Goddess Redemption and Heavenly Elder Nature Goddess Virtue, it's a brand-new massive greatsword with embedded green gems and the elemental symbols of Fire, Water, Earth, Air, Light, Metal, Ice, Magma, Wood, and Crystals etched on the 7'6" massive, wide, double-edged orange blade, large gold angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large green gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with green gems for eyes and green gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold angel's head with green gems for eyes and large green gems in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a green kanji below the Solar System that said, "Cetrion, Immortal Elder Goddess of Life, Virtue, and Light, Former Daughter and Destroyer of Kronika, Former Sister and Destroyer of Shinnok, Protector of Earthrealm, Member of The Redemption Squad and The Masters of Evil, Loving Future Wife of Lincoln Loud, Archenemy of Mariah Demeter, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Water, Fire, Air, Light, Nature, Metal, Ice, Magma, Wood, Crystals, Stars, and Virtue"

Suddenly, Cetrion's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Cetrion has transformed into SUPER ANGEL-VIRTUE LIFE ELDER GOD-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA VIRTUOUS ELEMENTAL LIFE NATURE LIGHT ELDER GOD ANGEL OF DIVINE COSMIC VIRTUOUS ELEMENTAL LIFE NATURE LIGHT ELDER GOD ANGEL JUSTICE AND DIVINE COSMIC VIRTUOUS ELEMENTAL LIFE NATURE LIGHT ELDER GOD ANGEL JUSTICE LOVE!

We were amazed by Cetrion's Super Angel-Virtue Life Elder God-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Geras saw it, he fired a blast of sand at her which transformed into a solidified fist to smash her with it, but she dodged it, and she fired a massive barrage of green energy, stars, fire, water, earth, air, light, metal, ice, magma, wood, crystals, butterflies, animals, planets, and angels at Geras, and he wasn't able to dodge them as he was hit hard by the barrage and was forced back, but this angered him even more.

Me: Incredible.

Nico: Amazing.

Lincoln: Now, that's really incredible, Cetrion has transformed into her Super Angel-Virtue Life Elder God-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, I believe it's time to fight Geras and sever his link to Kronika.

Cetrion: (Divine Echoing Godly Voice of The Cosmic Virtuous Elemental Life Nature Light Elder God Angel and Divine Cosmic Virtuous Elemental Life Nature Light Elder God Angel Love) That is correct, Lincoln. But, of course, we're not going to be the only ones to fight Geras.

Raiden: Cetrion is right, Lincoln. Fujin and I are also joining in on the fight.

Fujin: The other Elder Gods are also waiting for us back at the Estate, so that we can sever Geras' link to Kronika.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Cetrion, along with Raiden and Fujin.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We must sever you from Kronika, Geras.

Geras: And deprive me of my purpose.

Cetrion: (Divine Echoing Godly Voice of The Cosmic Virtuous Elemental Life Nature Light Elder God Angel and Divine Cosmic Virtuous Elemental Life Nature Light Elder God Angel Love) And allow you to define yourself.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

Kindness, Selflessness, Courage, and Trust) Kronika's madness shall end here and now, and you shall be free from her control, Geras.

Lincoln, Cetrion, Raiden, and Fujin went after Geras, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Geras and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Cetrion, Raiden, and Fujin also attack him with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and yet, we felt him grow stronger.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

Kindness, Selflessness, Courage, and Trust) Kronika no doubt created you, with each blow you suffer, you grow even stronger.

Cetrion: (Divine Echoing Godly Voice of The Cosmic Virtuous Elemental Life Nature Light Elder God Angel and Divine Cosmic Virtuous Elemental Life Nature Light Elder God Angel Love) However, if we combine our powers, we can inflict much more painful damage to him, just like what you, Raiden, and Liu Kang did when you went after Shao Khan last year, Lincoln.

Fujin: She's right.

Raiden: We must combine our powers and take down Geras.

Lincoln, Cetrion, Fujin, and Raiden fired very powerful elemental blasts at Geras, and the force of the blasts were so powerful, it blew Geras back and he crashed into a wall of crystal Cetrion formed and he was tied up in a crystal straitjacket.

Cetrion: (Divine Echoing Godly Voice of The Cosmic Virtuous Elemental Life Nature Light Elder God Angel and Divine Cosmic Virtuous Elemental Life Nature Light Elder God Angel Love) Now, we must bring him back to The World Tree Estate.

Lincoln, Cetrion, Fujin, and Raiden teleported back to The World Tree Estate with all of us following them back, there we were met by the other Elder Gods, Argus, The Elder God of Fire, The Elder God of Earth, and The Elder God of Water.

Raiden: We've made it just in time. Now, we must sever Geras' link with Kronika for good.

The Elder Gods and Cetrion surrounded Geras in a circle and they chanted a powerful incantation. Then, we saw a black smoke escape from Geras and it had Kronika's face on it.

Cetrion: (Divine Echoing Godly Voice of The Cosmic Virtuous Elemental Life Nature Light Elder God Angel and Divine Cosmic Virtuous Elemental Life Nature Light Elder God Angel Love) There it is, the link he has with Kronika. Now, Lincoln, strike it down and sever the link for good.

Lincoln swung his massive greatsword and struck down the black shadow with Kronika's face on it, and it forever severed Geras' link with Kronika. We cheered as Cetrion and Lincoln holstered their massive greatswords on their backs and powered down, and Cetrion's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dull purple wolf tails, and massive dull purple angel wings are permanent.

Suddenly, Cetrion felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: Are you okay, Cetrion?

Cetrion: I'm alright, Lincoln. But, we did it, we've severed Geras from Kronika for good. Now, he can start a new life with The Masters of Evil. Thank you for helping me save Geras' life from Kronika, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Cetrion.

Suddenly, Cetrion wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Cetrion's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Butterfly, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and a beautiful forest full of trees and plants grew around them and we cheered wildly. Then, Lincoln and Cetrion absorbed the elements and forest and they came back to us as the display vanished.

Nico: That was truly an amazing fight, Lincoln, Lady Cetrion, Lords Raiden and Fujin.

Lincoln: Thanks, Nico.

Me: So, Geras is now freed from Kronika for good, but what'll happen once Kronika finds out.

Geras: She won't, after what Lincoln and the Elder Gods did to free me from her, she has no possible way of ever finding out.

Cetrion: And there's also something that should also be added to The World Tree Estate.

Cetrion used her powers and brought something here to The World Tree Estate: it was The Hourglass of Kronika.

Me: Is that…?

Kitana: The Hourglass, you brought it from Kronika's Keep.

Cetrion: Correct. It's best that The Hourglass be kept here in The World Tree Estate for good under our protection, and when the time comes, Kronika and her vision for her New Era will die for good.

Geras: Kronika created me to be the enforcer of her will, but her will and vision for her New Era is one of madness. Her desire to keep the realms in endless war is indeed nothing more than insanity, but I had no say in the matter, none of us did.

Nico: She must pay for her countless crimes that she committed over the eons.

Geras: Yes, she will. We just need to be patient, The Book of Vile Darkness still holds her, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, and Bi-Han prisoner, but they will one day escape.

Lincoln: And when that time comes, we will make them face justice for their crimes.

Geras teleported to The Masters of Evil's HQ.

Me: Now, Geras has been added to The Masters of Evil. So, Lincoln, which Keyblade Knight are you meeting tomorrow?

Lincoln: I have someone whom Aqua, Eli, Peter Pan, and his friends might like seeing again: Michelle Neverland, Keyblade Knight of

Neverland.

Aqua: I haven't seen Michelle in a long time.

Eli: Same here.

Me: You and Aqua know her, Eli?

Eli: We do.

Michelle Emperyous: And so do we, and the rest of you will love meeting her, Michelle Neverland is Lincoln's Guardian Angel from Neverland. She's a Keyblader, and she has all of the powers of light and the Neverland inhabitants. Michelle Neverland is also an old friend of Peter Pan, his friends, Eli, and Aqua, and she also killed and slashed and mutilated numerous members of Hook's crew with the help of Eli, Peter Pan, and Aqua. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Wow, she's really awesome, and she really did awesome slaying numerous members of Hook's crew.

Aqua: That certainly takes me back to that day long ago.

Eli: Me too.

---

Later it was time for another awesome Super Mario Galaxy adventure in the simulator.

Nico: Next is Freezeflame Galaxy.

Qin: COOL!

Tahu: Me and Vakama will go with you Nico.

Nico: Awesome! Lets go.

They went in and Nicole activated it and they saw that they were in FREEZEFLAME GALAXY!

Tahu: Wow!

Vakama: This is gonna be awesome!

Nico: Yep. And we're going after Baron Brr.

Tahu: This will be fun.

Nico: Any tips, Nicole?

Nicole: (On the radio) Just that you have to get to Baron Brr's location in that frozen temple there.

They saw it.

Vakama: That will be easy.

Nicole: It will be. Just got to make sure he gets put out.

Nico: Yep. Lets go guys.

They were off.

Tahu: Good thing Fire is impossible to freeze.

Vakama: That is for sure.

They got to the top and were facing BARON BRR!

Nico: Oh boy.

Tahu: Time to thaw this guy out my brothers!

Nico: (gets out 2016 Morbucks and Rojo's Ridewatches) With pleasure!

Nico activated them and fired a wave of energy and Tahu and Vakama fired waves of fire and blasted him all over!

Vakama: Take that!

Tahu: Yeah!

Then a Bellibolt came!

Nico: Hey a Bellibolt!

Tahu: This will be fun.

Bellibolt: (In a girls voice) After this I'm hoping to have a grilled cheese eating contest.

Nico: Hailey Havarti! Wow!

Bellibolt fired a blast of lightning and electrocuted Brr! Then he exploded!

Nico: YEAH!

Then the star came!

Nico: There's the star!

Tahu and Vakama went and got it!

YOU GOT A STAR!

Hailey Havarti reverted back and she was a girl with blonde hair and she had yellow clothes and had the kanji for cheese in the middle of her forehead and she had orange angel wings.

Hailey Havarti: That was so fun!

They high five!

Vakama: What's your favorite memory of Nico?

Hailey Havarti: When me and Nico put a bear trap on the seat of a queen bee girl that we hate. She sat on it and it clamped on her butt and she screamed in agony as blood poured out of her. She ranted and raved about her crimes and got expelled.

Nico: That was funny. But also I love going to her family's cheese farm.

Hailey Havarti: Yep.

Nico and Hailey hugged.

Nico: i've missed you.

Hailey Havarti: Same here.

Later everyone was watching TV and more.

Poromon was in Nico's room once again drinking beer.

Poromon: This is so fun. (BARNEY BELCH)

Nico: Poromon no drinking in my room.

Poromon pouted and flew away with several beer bottles.

Nico: Oh boy.

But then…

Sailor Moon: YOU ARE A BIG FAT CHICKEN REI!

Then A MASSIVE FIGHT BROKE OUT BETWEEN SERENA AND REI!

They were pulverizing each other all over!

They were fighting in a brutal fight cloud.

But that's when a drunk Poromon flew up to them.

Poromon: Hey! Why are you (Hic)…

Serena: This doesn't concern you!

Poromon kissed her.

SMOOCH!

Sailor Moon: Aw Poromon you are cute doing that.

POW!

Sailor Mars punched her in her face and then they broke out into a nasty fight cloud!

Poromon hopped on Rei's back.

Poromon: Hey stop fighting there!

Sailor Mars: No way!

Poromon licked Sailor Mars' cheek.

Poromon: You taste like sausages.

Sailor Mars: EW! Poromon that was gross!

Poromon then puked on the both of them

All of us: EW!

Qin: Oh gross!

Sailor Moon: Aw yuck!

Sailor Mars: GROSS!

Poromon hugged the two of them

Poromon: I love you guys.

Sailor Moon: Ohhh kay?

Poromon hugged the two of them

Poromon cuddled up to Rei's leg

Sailor Mars: Aww.

Nico: Okay you two that's enough fighting.

Me: Yeah!

Poromon cuddled up to Serena's leg

Sailor Moon: Aww. Okay we'll stop fighting.

Lola: Good.

Nico: And let's get Poromon out of his drunk state

Me: Right.

I snapped my fingers and he was back to normal.

Poromon: (Groans) What a headache.

Nico: The next Gene Slammer should be coming any minute now

?: I was right here.

We saw a Garganacl.

Nico: Cool a Garganaci!

Garganacl: (In a girls voice) Boy that was a brutal fight.

Nico: Nathalia Weathers!? Whoa.

She reverted back and she was a girl with brown hair and blue eyes and had brown clothes and had brown angel wings.

Nathalia Weathers: Awesome to see you again Nico.

Rei: What's your favorite memory of Nico?

Nathalia Weathers: When me and Nico were over in Cambodia and we found a mysterious prehistoric valley filled with dinosaurs.

Eli: Whoa! That is cool.

Lola: Awesome!

Nathalia Weathers: Yep.

Nico and Nathalia hugged.

Nico: I've missed you.

Nathalia Weathers: Same here.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Kilowattrel and Mabosstiff.

Qin: Awesome!

Lola: Those will be awesome.

Nico: Yep.

Then Sheila and Tom came in.

Irma: Oh hey daddy.

Tom Lair: Hey princess. We would like to talk to the mascots please.

Manaphy: What's up?

Sheila: We need your help. We have reason to believe that terrorists are here in the city.

WE GASPED!

Me: It's not the same group that goes after the mall is it?

Sheila: No these guys are worse. Have you all ever heard of the Megiddo Jihad?

I gasped!

Nico gasped too!

Me: OH MAN! Not them!

Nico: I've heard about them! They are a very dangerous and deadly terrorist organization.

Me: It's worse than that. Their goal is to destroy all of America with its very own nuclear arsenal.

Vince: But the only way to do that would be to get the command codes for the firing box from the President himself.

Xenia: Good luck with that.

Me: Not just that. But these are all terrorists that I have been after for years. They are from Azerbaijan **A Z**. And these guys are no joke.

Nico: Oh man!

Qin: Yeah.

Me: Their leader is this man.

I pulled out a wanted poster of a man that looked like a younger version Salim Abu Aziz,

Me: His name is Salim Abu Aziz Omar Razzaz, and this guy is REALLY BAD NEWS. He's responsible for blowing up numerous U.S. Embassies all over South America, Asia, Europe, Africa and Australia and killing thousands. Interpol, FBI, CIA, Scotland Yard and all the major law enforcement agencies have been put on high alert for him. Also 12 years ago I destroyed many of his entire bases of operation in 75 different countries. And killed most of his men. This resulted in the entire organization going dormant.

Nico: And now they resurfaced after 12 years of dormancy.

Eli: And right here in the United States.

Varie: We got to put the country on full alert.

Sheila: Yes and we found out that they are hiding out in a warehouse by Lake Huron.

Qin: Oh boy.

Poromon: Don't worry, Nico. We'll be safe.

Nico: I know you will.

Me: I'm going with you guys. Destroying these terrorists were partially my work. So I'll help you guys finish this.

Poromon: Thanks J.D.

Qin: Be careful bro.

Me: I'll be okay.

We went to the car of Sheila and Tom and went to the station.

Poromon: J,D., if we can't destroy the missiles, you should be the one to do it.

Me: Right. We did disarm the missiles during the Team Dark Phoenix Storm attack.

Sheila: You sure did.

Manaphy: Yeah we sure did.

Tom Lair: Boy this is really bad. I didn't know these guys were that dangerous.

Horsea: Me neither.

Me: Believe me Tom, learning through past experiences, these guys are dangerous as all get out.

Poliwag: How many terrorists are in there?

Sheila: Our reports show that there are only 50 of them.

Me: That's good. They'll be easy to bring down. We'll have to call the team in to help us out during this too.

Sheila: Good idea.

Me: I managed to reduced their number quite a lot 12 years ago.

Sheila: You sure did.

Me: Nico run and scan and determine if this the last of them left.

Nico: (On the radio) Roger that.

He did a scan and used our satellites and it showed that thankfully that this was all that was left.

Nico: We're iin luck. There's only one part of this group left.

Me: And that's the 50 hiding out in the warehouse.

Tom Lair: We'll be rid of this entire organization forever after that.

Me: We sure will.

Poromon: We'll need to disarm the missiles too

Me: This is gonna be brutal.

Sheila: We'll discuss the plan at the station.

We arrived at the station.

In Tom Lair's office we were talking to Tom.

Tom Lair: Okay J.D. since you have experiences with this you know how these terrorists work.

Me: Yes I do Tom. They have every kind of weapon you can think of except for biological weapons and chemical weapons. It's nukes that they use. Also they use all kinds of weapons. Machine guns, AK-47s, grenade launchers, bazookas, the works. These guys are also dangerously well trained.

Tom Lair: Oh man.

Me: Yeah.

Manaphy: We'll need to find a way to disarm the missiles

Tom Lair: That's where you'll need these.

He pulled out a code card.

Tom Lair: One of our own stole this from the leader.

Me: A Code Card. Perfect.

I took it.

Me: This is gonna be good. I'll have the entire team come in just in case.

Sheila: Great. Be careful guys. And good luck.

Me: Thanks.

We were off.

We arrived at the hideout. We saw that it was surrounded by NUMEROUS Police cars of the FBI, CIA, Scotland Yard and Interpol.

Horsea: There's the hideout

Me: And it's heavily surrounded. They got nowhere to run.

I used my X-Ray vision and it showed them all in there and Salim Abu Aziz Omar Razzaz was giving a speech and he was telling us their demands.

Salim Abu Aziz Omar Razzaz: You have murdered our women, and our children, and bombed our cities from afar, like cowards, and you dare to call "us" terrorists? Now, we have the ability to strike back at our enemies. Unless "you" "America" pull all military forces out of the Persian gulf area and all over the world, immediately, and forever, Megiddo Jihad will rain fire on one major U.S. city each day, until our demands are met. First, you have just seen demonstrations of our power by destroying U.S. Embassies all over the world and we will detonate one nuclear weapon on this entire planet and kill you all! You have 6 hours to decide!

Me: Not on our watch. Lets do it guys. Entrance time.

We went at the hideout.

Poromon: They made a grave error giving us 6 hours

Me: That's a perfect window.

In the hideout he was about to turn the arming key when suddenly…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall and a phoenix cry was heard!

We then came out and blasted them all over!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted them.

Then all of Team Loud Phoenix Storm blasted in and we blasted them.

I faced Salim Abu Aziz Omar Razzaz himself!

Me: (Speaking in Arabic.) سالم أبو عزيز عمر الرزاز ، لقد مضى وقت طويل على صديقي القديم. (Salim Abu Aziz Omar Razzaz, its been a long time my old friend.)

Salim Abu Aziz Omar Razzaz: (Speaking in Arabic) لا اعرف من انت او ماذا تفعل لكنك لن توقف مجيدو جهاد! (I don't know who you are or what you are doing but you will not stop Megiddo Jihad!)

Me: اسمح لي باعادة تنشيط ذاكرتك. قبل 12 عامًا في نيكاراغوا ، أوقفت عمليتك بأكملها لتدمير مدينة ماناغوا بأكملها بتفجير العاصمة. لقد قتلت كل 50.000 من رجالك هناك ولم أترك أيًا منهم على قيد الحياة. (Let me refresh your memory. 12 years ago in Nicaragua, I stopped your entire operation to destroy the entire city of Managua by blowing up the capital. I killed all 50,000 of your men there and left none of them alive.)

He then remembered!

Salim Abu Aziz Omar Razzaz: انه انت! أنت ذلك الشقي الصغير! لقد خربت كل شيء من أجلي وأجبرتني وعملي على الاختباء! (IT'S YOU! YOU ARE THAT LITTLE BRAT! YOU RUINED EVERYTHING FOR ME AND FORCED ME AND MY OPERATION INTO HIDING!)

Me: صحيح! والآن حان الوقت لكي تدفع ثمن جرائمك. لقد كان هذا قادمًا لمدة 12 عامًا! لدي عمل غير منتهي لأفعله معك. (That's right! And now it's time for you to pay for your crimes. You've had this coming for 12 long years! I have unfinished business to do with you.)

Horsea: Give us 6 hours, huh? Well, you got 6 minutes to live!

Horsea fired Bubblebeam blasts and Nico snapped a man's neck and Eli fired waves of lightning and electrocuted them.

Manaphy and Poliwag fired waves of energy and blasted them.

I punched Salim in his face and kicked him in the stomach and punched him down.

Carol and Varie blasted more of the men.

Nico them punched Salim in the back of the head and knocked him out.

Nico: Get to the Nuclear controls!

I did so.

Poromon: I'll deactivate the first missile!

Poromon went to help me and he stopped the countdown and then I swiped the code cade and it was disarmed.

Computer: Countdown and launch aborted. Have a nice day.

Me: Thank you.

Salim got up and Nico punched him and he was hanging in a regular missile.

I went over to the launch and saw a terrorist helicopter.

I armed the missile.

Me: اذهب إلى الجحيم يا ابن العاهرة. (Go to hell you son of a bitch.)

I pressed the button and fired it and it went at the copter and then it hit it and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blew them all to smithereens in a fiery explosion!

They were all dead!

Manaphy: I'll deactivate the second missile.

May: I'll help.

Me: May!

I gave her the code card and they went and disarmed it.

May: There!

Computer: Missile launch and countdown aborted. Have a nice day.

May: Thank you.

We all disarmed the missiles.

Nico: WHEW!

Poliwag: Disarming those missiles wasn't easy!

Me: Nope. But we killed them.

Xenia: We sure did. And we have seen the last of Megiddo Jihad.

Qin: Good riddance.

Laney: Yep.

We came back out and the bodies were taken away to the morgue.

Horsea: Are you guys proud of us?

Nico: We sure are! You guys ALL did a great job!

Me: Yeah! Well done guys!

Nico: And we both had a great victory. J.D. finished up his unfinished business and the mascots destroyed the terrorists.

Me: All of us did.

Qin: Yep.

Laney: That was awesome.

Nico: (to the mascots) What do you guys want as a reward?

Poromon: Burgers!

They cheered!

Me: Burgers it is.

Nico: Yep.

Me: And Nathalia's big day is tomorrow.

I looked out to the west towards Los Angeles.

Me: Get ready Xaviax, (EYES GLOW RED) I have 15 years of pain to dish out on you. We're coming for you.

We went to the burger restaurant and had a great meal and then went to sleep later on.

---

Meanwhile, in Los Angeles, Kit and the Dragon Knight Riders were getting ready for our arrival and it was going to be awesome and epic.

Kit: This is gonna be so awesome and fun.

Len: It sure will be awesome.

Kase: It'll be so cool and awesome having all the team help us.

Chris Ramirez: I'm ready for this.

Kit: Me too. Lets do it guys!

All: KAMEN RIDER!

They transformed and were ready and then they went at the screen and it froze.

TO BE CONTINUED!

The cave went underneath the very bottom of the Indian Ocean into Africa.

Xenia: Wow this cave is amazing.

Camie: Boy it sure is.

Lola: It's beautiful.

Nicole: Boy no kidding there. It must've taken thousands of years to form this cave here.

Camie: Yeah.

Stella Zhau: It sure did and I think it's so awesome.

Qin: I'll say!

Vinyl Scratch: Boy this is amazing and cool.

Luna: Boy it sure is dudes.

Sam S.L.: I agree there guys.

Me: Stella, I want to thank you, Bronze Kneecap, and your teams for coming

Stella Zhau: No problem Nico. This is gonna be so fun and awesome

Laney: It sure will be awesome.

Lola: Yeah it will!

Terrorsaur: Boy this is gonna be a fun treasure hunt though.

Nicole: It sure will be.

Nico: Terrorsaur, do you use your alternate mode to fly?

Terrorsaur: I sure do. I am a pterodactyl after all and also I fly really well with it.

Nico: That's cool there.

Xenia: Yeah. You know if Starscream was a Predacon I'm sure he would be a white Pterodactyl.

Nico: That is a possibility.

Camie: I agree there.

Nico: Just want to know since you aren't seen flying much

Terrorsaur: No worries.

Xenia: Still awesome though.

Me: Yep.

Nico: Boy the mascots did an amazing job yesterday.

Qin: Boy did they ever.

Me: The Mascots did a great deed helping me take down the last of the Megiddo Jihad.

Xenia: That is amazing that you were after them for a long time.

Lola: It sure was.

Me: Yeah and after 12 years we finally destroyed them.

Nico: Yep. They are all either dead or locked up forever and soon to be executed.

Tsuyu: That is for sure.

Nico: They took turns deactivating the missiles.

Me: It was like deactivating all the missiles in Team Dark Phoenix Storm all over again. Except it was closer to home.

Lucille Loud: (Scottish Accent) Aye it sure was lad.

Xenia: That was so fun.

Camie: It sure was.

Nico: Also J.D. we were really amazed that you had a huge history with this terrorist group years ago.

Me: You never asked about it but it was awesome facing these kinds of terrorists for a change instead of the same ones that were out to destroy the mall.

Leni: Yeah those guys were totes getting boring.

Luna: Well said dudes.

Nico: Good thing they weren't shot

Me: Boy no kidding.

Qin: Yeah.

Xenia: But that was so awesome though.

Camie: It sure was.

Sirius: That was so cool.

Lola: Yep it sure was.

Nico: Yep. So Nicole what is the Quarry we're after this time?

Nicole: You guys are going to love this one. It's a treasure hunt for The Swords Of The 4 Seasons.

All of us: OOOOHH!

Nico: Those sound cool.

Nicole: They sure are. This map shows that we have to find each of them in 4 cave rooms that have landscapes and weather scenarios that correspond to the 4 Seasons of The Year. But dad I think this one will ring tons of bells. This map says that the rooms have scenarios based on what happened when you guys were the Brave 12 and had to go through the 4 Seasons of Death.

We gasped!

Me: Whoa I remember those.

Nico: What happened J.D.?

Me: Well it was not a pleasant sight. During our journey we walked through 4 battles for each of the 4 seasons. On Summer we walked through a desert and a ghostly creature attacked us. Turned out to be a mirage.

Varie: On Autumn we found a little scientist that lived in a windmill and he spiked a well with poison he made to try and kill us.

Laney: On Winter we battled a snow warrior with a sword made of blue crystal and lightning.

Lily: And I won and got that sword for my own.

Lola: And on Spring we faced a Spring Sprite and she was beautiful. We became good friends with her.

Laney: And she is in the M.O.E. Now.

Nico: Wow!

Xenia: This is gonna be awesome.

Nico: How far is it?

Nicole: The first cave is right up ahead.

We went into a big cave room and we saw THAT IT WAS A SCORCHING HOT DESERT! It was 115˚Fahrenheit and it was dry and sandy.

Nico: WHOA! What a desert!

Nicole: Like the landscapes of Tatooine.

Carol: Minus the 2 Suns.

Nicole: Yep.

Nico: No choice but to cross it

Me: Yep.

We crossed the desert and it was blistering hot.

Me: WHEW!

Xenia: Man is it hot!

Lana: No kidding.

Rarity: It's too hot even for me!

Eli: Boy no kidding.

Me: We've handled the scorching hot heat of Valmorg so this will be no different.

We crossed the desert and then a GHOSTLY SAND GHOST CAME!

Me: UH OH!

Qn: Wait this must be a mirage!

We concentrated and sure enough it was a mirage.

Me: Whew. Just a mirage.

Nicole: The Sword of Summer is just up ahead.

We saw an oasis.

Samurai Jack: Will these illusions ever cease?

We got to the oasis and then…

SPLASH!

It was really real.

Me: Oh. It's real.

Nico: It's fucking hot!

Nico fell into the water of the oasis and he was cool.

SPLASH!

Nico: Ahh! That feels good.

Nicole: Yep.

Laney: Hey look!

Laney found the first treasure!

Me: There's the first treasure.

Nico: Open it.

She tried but couldn't.

Nicole: Oh according to the Map, we have to get all 4 treasure chests and open them all at the same time.

Qin: Well that is easy.

Me: Yep.

And we saw the cave door to the next room.

Me: Here we go.

We went into the next room and it was for Autumn! We saw leaves of different colors falling off the trees and blowing in the wind and it was amazing.

Me: Wow!

Nico: Look at the fall turn.

Qin: So many leaves.

Nico: It's much cooler here.

Me: Yep.

We continued on and leaves were falling by the millions.

Camie: Boy good luck trying to rake up all these leaves.

Lola: Yeah.

We then saw a well.

Me: Uh oh. I know that well.

I fired an energy blast and destroyed it.

Lola: Nice.

Varie: Close one.

Juran: What was it?

Me: Poisonous water. Learning from past experiences in the Brave 12.

Nico: Good thinking.

We then saw the windmill of the little scientist we met as the Brave 12.

Me: There's the windmill.

Nico: Lets head in.

Laney: I hope it's not inhabited.

We went into the Windmill and saw that it was a laboratory.

Lola: Wow.

Nico: Whatever this scientist made in here is not good.

Lola: Yeah no kidding.

\

Nico: Should we look around?

Me: We should.

We looked around and saw lots of chemical and stuff.

Qin: Wow look at all this.

Me: Brings back memories doesn't it Jack?

Samurai Jack: It sure does.

Qin: Wow.

Lola: Hey here's the chest!

She saw that it was under the scientist's table.

Lola: Awesome.

Nico: What happened to that little scientist.

Me: I threw some poisoned water into his mouth and he swallowed it and turned into leaves.

Xenia: Whoa!

Me: Yep. Blew away with the wind.

Nico: Nice.

We then saw a trap door.

Me: A Trap door.

I opened it and it lead into the next room and it was THE BLISTERING COLD OF WINTER!

Me: Whoa it's the Winter cave.

We put on our fur parkas.

We went into the room and it was as cold as Antarctica!

Qin: MAN IT IS COLD!

Xenia: Brutal!

Nico: I miss the desert already!

Twilight Sparkle: It sure is cold!

Camie: No kidding!

Applejack: No kidding! Winter in the middle of summer!

Xenia: Yeah no kidding.

We went to the mountain and went into a cave and we saw that it was the cave where the snow ogres lived.

Lily: Wow!

Me: Boy this takes us back.

Fu: It sure does. This is where we defeated all those Snow Ogres.

Nico: Wow.

Gaon: Are there any left?

Nico: I don't see anything.

Lily: Yeah.

Qin: Weird.

We looked around and then we saw the chest on the top of the rock where Lily pulled out the sword she got.

Lily: There's the chest of Winter.

Xenia: Cool.

Lily got the chest.

Lola: Awesome.

Then a door opened up at the base of the rock and it lead into a beautiful and magnificent spring garden.

Me: Wow.

We went through it and it was beautiful.

Xenia: Wow!

Laney: This is beautiful.

Nico: It sure is.

Me: And warm and perfect.

We took our parkas off.

Fluttershy: That was amazing.

Me: Yep.

We went into a grove and we saw the chest.

Laney: The last chest!

Xenia got it.

Nicole: Okay we have to open all 4 at the same time while they are in a diamond formation.

Me: Okay.

We put them in said formation and opened them at once and then we saw 4 swords! They were The Swords of Spring, Summer, Autumn and Winter!

Lola: Awesome!

Me: I know who would be perfect for these.

Nico: Who?

Me: The Weathera Sisters - Spring Earth Weathera, Summer Fire Weathera, Autumn Wind Weathera and Winter Water Weathera

Nico: That's perfect!

Maria: Either way, we got them

Me: Yep.

Qin: Awesome.

Maria called in the Weathera Sisters and they came.

Spring Earth Weathera: We got your call.

Summer Fire Weathera: Wow so these are the swords for us?

Me: Yep.

Autumn Wind Weathera: This will be cool.

Nico: They're all yours.

Winter Water Weathera: This wil be awesome.

They took their respective swords and then they glowed and then were enveloped in vortexes of wind, fire, earth and water and they transformed and they were forever changed! They had their powers enhanced greatly and they grew intensely awesome angel wings of their elements.

Spring Earth Weathera: WHOA!

Summer Fire Weathera: This is amazing!

Camie: You girls look awesome!

Autumn Wind Weathera: Yeah we sure do!

Nico: You should be proud of yourselves

Summer Fire Weathera: Oh we are.

Lily: And here's the way out.

We saw a staircase.

Me: Perfect.

We went up and out through a cave and then we saw that we were back in the Pridelands.

Me: Cool we're in the Pridelands.

Xenia: Wow.

Varie: Awesome exit.

Nico: Okay, guys, I hate to say it, but, I just found out that the villain that we're going to be facing is (GULPS) an evil version of Sam Puckett from ICarly.

We gasped.

Luna: Oh man!

Me: Oh man!

Sam Sharp-Loud: Luna and I are familiar with Sam Puckett, she's one tough girl and the famous co-host of the web show, ICarly, with her friend, Carly Shay. Plus, she has a knack for getting in trouble in school, but she didn't end up in Juvie.

Me: I remember watching that web show, man, the skits they did were really hilarious.

Lincoln: Me too. This evil version of Sam Puckett is from a dream Carly had, and that version of Sam is an inmate at Juvie.

Nico: Oh man, this'll be like dealing with Teenage Lily and she was one wild and dangerous badass girl!

Luna: This won't be like dealing with that dangerous version of our baby sister, she's bad to the bone! So, we need to proceed with caution.

Lincoln: Right. (Senses for Evil Sam Puckett) AHA! Gotcha, you inmate! She's Heading this way from the north of our location and she's barreling towards us at full speed. (Sensed Flip's Musclebound Thugs) Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) YOU FUCKING MUTANT, I'LL RIP YOUR ORGANS RIGHT OUT OF YOUR FAT HAIRY BELLY AND FEED THEM TO THE VULTURES!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Evil Sam Puckett.

Me: This is gonna be good.

Suddenly, we heard a loud roar and we saw Evil Sam Puckett heading right for us, and she was about to bash us with a sock full of butter.

Luna: OH SHOOT! SHE'S GOT THE BUTTER SOCK!

Sam Sharp Loud: THAT THING WAS ALWAYS DANGEROUS WHENEVER SAM PULLS IT OUT!

But, Lincoln saved us by forming a very powerful barrier of solid diamond around all of us. Evil Sam Puckett tried hitting the barrier with a sock full of butter to destroy it, but the barrier was too durable and powerful and the butter sock was destroyed.

Luna: Phew, nice save, bro! Now, take this, you animal!

Luna fired a blast of water which hit Evil Sam Puckett and drenched her bad and sent her flying into a tree. Lincoln deactivated the barrier and we stood ready.

Luna: Okay, looks like someone needs to teach you a really hard lesson, dude!

Sam S. Loud: And send you straight to a real prison, even though you're still just a teen. But, you're a dangerous person who clearly needs to get the stuffing knocked out of her.

Evil Sam: I'm clobbering you with my butter sock!

Nico: It's just butter!

Me: Yeah that is pathetic.

Nico: Top this.

Nico fired a wave of fire and melted all the butter in her sock and it poured onto the ground.

Qin: Nothing is more painful than being drenched in hot butter.

Xenia: Yep.

Evil Sam: I WILL KILL YOU! Starting with your bitch May!

We gasped!

May: Try it!

May went at her and punched and pulverized Evil Sam all over!

She punched and pounded her all over the place with incredible force!

POW BLAM POW BLAM!

She really socked it to her!

Nico: Go May!

Xenia: YEAH!

Suddenly, Luna's blue eyes turned neon blue and Sam's red eyes turned neon red and Luna was surrounded by a rainbow energy aura with stars, water, ocean waves, ice, ocean waves, snow, ice crystals, sirens, music notes, and mermaids and Sam was surrounded by a rainbow energy aura with stars, lava, fire, music notes, hula girls, and phoenixes, Luna unholstered her massive Sirens' Music Ocean Maelstrom Greatsword of Mermaid Oceanic Justice and Oceanic Rock Love from her back, and Sam unholstered her massive Pele's Volcanic Musical Greatsword of Volcanic Musical Justice from her back, and as they approached Evil Sam Puckett, Luna left rainbow energy, stars, water, ocean waves, ice, ocean waves, snow, ice crystals, sirens, music notes, and mermaids with every step, and Sam S. Luna: I never thought we'd run into yet another destructive bad girl delinquent again, the last time this happened, my baby sister got badly hurt!

Sam S. Loud: And that's clearly one thing we can't stand: it's destructive bad girl delinquents like you running wild and causing mayhem and destruction towards innocent people.

Luna and Sam S. Loud: Now, it's high-time we took you down and throw you right back in prison, you destructive animal.

Suddenly, Luna was surrounded by a massive vortex of rainbow energy with stars, water, ocean waves, ice, ocean waves, snow, ice crystals, and music notes surrounding the vortex, there are sirens and mermaids swimming around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Evil Sam Puckett: the red eyes of death, and Sam S. Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LUNA AND SAM! THEN, AS SOON AS THE VORTEX FADED, LUNA AND SAM EMERGED FOREVER CHANGED!

Evil Sam Puckett was about to run at Luna and Sam, but Lincoln, Luna, and Sam S. Loud jumped her, and they proceeded to give her a Loud House style beatdown, and she was really overwhelmed by an enormous fight cloud, and we all heard the sound of punches and kicks being heard in the fight cloud.

Me: The fights with the Loud's are so bad that they can literally kill someone. Take it from me. I've seen them first hand over the last 7 years.

Then, Lincoln, Luna, and Sam S. Loud kicked her hard out of the fight cloud and she landed on the ground again. Evil Sam Puckett got back up, and she absolutely lost her mind and ran at Luna and Sam again to attack them with a butter sock, but Lincoln grabbed her butter sock and two more she had with her, and gave to Luna and Sam S. Loud.

Luna: (Smirks) You always did like using a butter sock to attack people.

Sam S. Loud: (Smirks) Well, now the shoe's on the other foot. GET HER!

Lincoln, Luna, and Sam S. Loud attacked Evil Sam Puckett with the butter socks and she got beaten senseless by them and one more swing from Lincoln knocked her out. Lincoln tied her up in a rainbow energy straitjacket and Neutronium Chains lined with rainbow energy and he tossed her into a portal that led to The Charon Reform School. We all cheered as Lincoln, Lemon Hearts, Luna, and Sam S. Loud holstered their weapons and powered down, and Lemon Hearts' new body, clothes, weapons, jewelry, Third Eye, longer yellow horn and light blue tail, and massive yellow angel wings are permanent, Luna's new body, clothes, weapons, jewelry, eleven massive and long dark brown wolf tails, Third Eye, accessories, and massive dark brown angel wings are permanent, and Sam S. Loud's new body, clothes, weapons, jewelry, eleven massive and long blond wolf tails, accessories, and massive blonde angel wings are permanent.

Luna: That'll teach that delinquent never to cause trouble again.

Sam S. Loud: Because next time, we'll do much worse to her.

Me: And it will hurt REALLY BAD!

Suddenly, Lemon Hearts felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Lemon Hearts?

Lemon Hearts: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that delinquent quite the nasty beating of her miserable life.

Nico: You got that right, and that was pretty hilarious of you, Luna, and Sam to give her a butter sock thrashing!

Luna: (Snickers) No one wanted to get their brains bashed out with that thing, so they know better to steer clear of her.

Sam S. Loud: Because if they didn't, then, the very thing you guys saw will happen to them.

Lincoln: And now, she's in The Charon Reform School's Maximum

Security wing, where she'll remain there for life.

Lemon Hearts: Good riddance to that animal.

Laney: You got that right.

Suddenly, Lemon Hearts wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Lemon Hearts' face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Lemon Hearts absorbed the elements and they came back to us as the display vanished.

Laney: Okay, so far, that's Lori, Leni, Luna, and Sam who have transformed. Now, tomorrow, I believe it's Luan's turn to transform.

Lana: Oh boy, let's just hope it's not against another version of Lee Kanker, we've had about enough of that kissy-face banshee to last a lifetime.

Luan: You and me both, Lana.

Qin: Yeah.

Nico: What a waste of good butter.

Me: Tell me about it and I didn't bring any corn or popcorn.

Xenia: Yeah.

Nico: But that was so fun and awesome.

Lola: Yep.

Me: Nico if we ever meet Carly Shay and friends they are going to be in for one helluva shock.

Nico: Yep.

Nico: Now for other business.

Me: The Anothers.

Eli: Yep and we have Another Aria, Belle, Brandy Selby, Cajun Creed, Fracture and Bronze Kneecap.

We gasped!

Lola: Wow! Moon Knight's enemies.

Camie: Yeah.

Maria: Who do we call in for them?

Me: Sonic Verakovsky, Lightning Wenvolusky, Lola Thunderbolt and Lily Stormblade.

Laney: Wow! All the Air Skylander Gene-slammers.

Xenia: Cool!

Qin: This will be electrifying.

Eli: Yep and the Anothers minus Bronze Kneecap are all one person.

Xenia: Whoa!

Nico: Let's call them.

Maria did so.

Then lightning struck the area and out came Sonic Verakovsky, Lightning Wenvolusky, Lola Thunderbolt and Lily Stormblade!

Nico: Awesome!

Sonic Verakovsky: Ready for action and lightning.

Lightning Wenvolusky: This will be fun.

Terrorsaur: Better get ready myself. Terrorsaur, TERRORIZE!

He transformed and was ready!

Nico: Oh yeah!

Me: This will be fun.

Nico: There they are!

Then out came Another Aria, Belle, Brandy Selby, Cajun Creed and Fracture!

Me: Whoa!

Qin: This is gonna be good.

Terrorsaur: Boy no kidding.

Another Belle: Boy it sure will be.

Me: (Gasp) That voice.

They merged and reverted back and she was a girl with blond hair and yellow eyes and had yellow wings and had yellow clothes and a black skirt and she had a tiara with the symbol of the Luna Dopant on it and she had the symbol of Luna on her skirt and she had a lightning whip in her hands.

Me: (GASP) Layla Luna!

Layla Luna: Awesome to see you again J.D.

Me: Same here. Layla is the embodiment of the Luna Dopant and she is a powerful lightning and whip master.

Philip: Boy that is so cool!

Layla Luna: It sure is.

Maria: Sorry we have to do this.

Layla Luna: No worries.

Me: By the way is the Another Bronze Kneecap friendly or hostile?

Layla Luna: Friendly and she is someone that Stella knows.

Stella Zhau: Whoa! This will be awesome.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

We fired waves of energy and blasted the them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for backup! (Turns Dial) GREED FURY 6!

She summoned 2016 Morbucks, Glomgold, Snowfall Frost, Kaos (Donkey Kong 3), Bling Bling Boy and Retro Cartoon Player!

Qin: Oh yeah!

Xenia: Yep.

Nico: Now we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER BRONZE KNEECAP!

Bronze Kneecap: DON'T MAKE ME USE THIS!

Nico: Who are you and how do you know Stella?

Another Bronze Kneecap: (In a girls voice) Because…

She reverted back and was a girl with black hair and blue eyes and she had orange and black clothes and had fire angel wings.

Camille Zhau: I'm her sister Camille.

Stella Zhau: (GASP) Camille!

She went and hugged her sister.

Camille Zhau: Stella, wow you have gotten so big. I heard you joined the team before the Battle with Thanos and I am so proud of how far you have come.

Nico: You wouldn't believe how far she has come too.

Xenia: She sure has come a long way.

Camille Zhau: I heard all about what she did.

Stella Zhau: Sis you missed out on so much that we did.

Camille Zhau: I know Stella and you did such an amazing job saving the world. I'm so proud of you.

Stella Zhau: Thanks sis.

Camille Zhau: You're welcome.

Stella Zhau: Oh guys, Camille is a bread maker at a bakery in France and she also goes out and gets the ingredients she needs to make some of the most delicious French Sandwiches ever.

Me: Wow! That is cool!

Qin: A little exploration and French awesome cuisine.

Bronze Kneecap: Hohoho! Great food there mon cher.

Camille Zhau: Oui oui.

Kaito: (gets out Kiramager gear) Did Swartz promise you anything?

Zocks: (gets out Ryusoulger gear) Because we can grant instead.

Kaito got a Kiramager Sword and Zocks got a Dino Fury Sword.

Camille Zhau: Just to reunite with my sister for one thing. And to get this fixed.

She pulled up her pant leg and we saw that she had an artificial bronze leg.

Me: Whoa what happened there?

Camille Zhau: I got my leg crushed in a rockslide and it had to be amputated.

Me: Ooh! Ouch!

Xenia: YIKES!

Camie: That must've hurt.

Camille Zhau: It did. I was getting ingredients for my newest sandwich and the rock wall came down and crushed my leg.

Lola: Ouch!

Me: That can easily be fixed.

We brought her over.

Me: Lets see.

She took off the leg and we saw the stub of her leg.

Me: Okay this is gonna hurt a lot.

Lola: We can help people regenerate their limbs.

Lincoln: We have that kind of power.

Camille Zhau: Wow!

Me: Yep.

My hand glowed blue and I touched the stub of her leg and she screamed in pain and her leg regrew back! She regained her lost leg!

Camille saw it and gasped!

Camille Zhau: (GASP) Wow! I have my leg back!

Nico: You sure do.

Sougo: (gets out Kiramager Ridewatch) That would've been another thing similar to Bronze Kneecap.

Geiz: (gets out Dino Fury Ridewatch) And you really should be proud of Stella.

Sougo got KiramaiRedArmor while Geiz got DinoFuryRedArmor.

Camille Zhau: That's true.

Me: Lets separate you first.

Lincoln fired a beam of light and separated her and we faced the Another!

Me: YEAH!

Another Bronze Kneecap: DON'T MAKE ME USE THIS!

Me: Bring it on bronze boy!

Another Bronze Kneecap fired metal ram balls!

I punched them back and smashed him on his face!

Lincoln: I'll help Camille get adjusted to walking again.

Me: Okay.

Nico: (gets out Bronze Kneecap's Ridewatch) Oh, I'm gonna fucking use this!

Nico activated it and fired metal ram balls and a bronze boxing glove from his kneecap and bashed him down!

Qin: OUCH! Nice one!

Me: That must've hurt!

Nico: And this too! (ACTIVATES FRACTURE'S RIDEWATCH)

He fired waves of energy and blasted him down.

May: Time for some of this! (ACTIVATES PROBABILITOR THE ANNOYING AND GOOD MR. BURNS RIDEWATCHES)

She fired waves of energy and smashed him all over.

Maria: Time to slice and dice fashions. (ACTIVATES HELGA VON GUGGEN AND SCYTHE 2.0'S RIDEWATCHES)

She fired energy blasts and smashed him all over the place.

Nico: YEAH!

Terrorsaur: This will be fun! (ACTIVATES FRACTURE'S RIDEWATCH)

He fired energy beams and blasted him all over!

Batroc, The Cyborg Lightspeed Rescue Rangers, 2012 Armaggon, Angar the Screamer, Shizuku and Jungle King came.

Nico: Awesome team Batroc!

Batroc: Thanks Nico! This will be fun!

Me: Yeah!

?: It sure is a cool team!

Then a Kilowattrel came!

Me: Cool a Kilowattrel!

Nico: Awesome!

Kilowattrel: (In a girls voice) (Ukrainian Accent) But it will be fun.

Nico: Shelley Volvokova! Wow!

Qin: Cool!

She reverted back and Shelley was a girl with black hair and yellow and black clothes and had yellow angel wings surging with intense lightning.

Shelley Volvokova: Awesome to see you again Nico and Qin. I got this.

She fired a blast of lightning and blasted Another Bronze Kneecap and I caught the Ridewatch and purified it.

Me: YEAH!

Terrorsaur: That was so cool!

Lola: Yeah!

Terrorsaur: Beast Mode!

He turned back into his Pterodactyl form.

Terrorsaur: What's your favorite memory of Nico?

Shelley Volvokova: When me and Nico found an amazing treasure over in an abandoned air force bace in Lithuania and it was a treasure that belonged to an old Soviet air force soldier.

Nico: It was a bunch of weapons he had.

Nicole: That is so awesome.

Me: Yeah!

Nico: Yep.

Nico and Shelley hugged.

Nico: I've missed you.

Shelley Volvokova: Same here Nico. Same here.

We later went back home.

Lincoln: Whoa, we're here in Sacramento, California, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to take down and recruit the rogue Lin Kuei ninja, Frost, to The Masters of Evil.

Cetrion: I had a feeling she would show up.

Me: Us too. Sub Zero told us about Frost's attempts to take his place as Grandmaster of The Lin Kuei.

Nico: She was too caught up in her own abilities and Sektor's corruption, and because of her ego and arrogance, Sub Zero dismissed her.

Eli: If she does anything to double-cross Vypra, she's going to die.

Flare Corona: From the Hinon's Vengeance Curse no doubt.

Lincoln: That's right, Flare. Just like with Max and several others in the past, I'm going to put the Hinon's Vengeance Curse on her, if she double-crosses Vypra, the curse will take her lift and she's going straight to The Black Gates.

Suddenly, we saw a beautiful and super sexy girl with long brown hair with and green hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings, she's dressed in a green sleeveless top, necklace with pearls and green gem for the pendant, pink skirt, pink knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light, Keyblades, pixies, and angels on the coattails and on the back is Neverland in her right hand is The Fairy Harp Keyblade, and with her are the four girls.

Lincoln and Eli: (GASPS) Michelle Neverland, Keyblade Knight of Neverland.

Michelle Neverland: That's right, and I got the girls away from Frost before she could freeze them and rip their heads and spinal columns off.

Lincoln: Awesome. But, you do realize you pissed her off big time.

Michelle Neverland: Yep

?: You will all pay for ruining my plans to take Sub Zero's place as The Grandmaster of The Lin Kuei, Team Loud Phoenix Storm!

We then saw our target, the rogue Lin Kuei ninja, Frost, and her eyes were really full of hatred.

Sylvester: Oh great, here comes that rogue ice ninja now!

Sylvester: Time to blow you away for good, Lei Shen.

Then, Lincoln fired blasts of lightning at her which hit her and gave her The Hinon's Vengeance Curse and he tied her up in a rainbow energy straitjacket and rainbow energy chains that neutralized her ice powers and he threw into a portal that led to The Masters of Evil's HQ with a note that said: WATCH WITH EXTREME CAUTION! SHE'S VIOLENT, UNPREDICTABLE, AND FULL OF HATRED! We cheered as we holstered our weapons and powered down.

Lincoln: Vypra's going to have a field day teaching that bitch a lesson in discipline and respect. (To Michelle Neverland) And it's so good to see you again, Michelle Neverland.

Michelle Neverland: You too, Linky, it's been a long time, and it's so good to see you again too, Eli.

Eli: You too, Michelle.

Lincoln went up to Michelle Neverland and he hugged her, and Michelle Neverland is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Neverland: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Michelle Neverland, Keyblade Knight of Neverland, she's my Guardian Angel from Neverland. She's a Keyblader, and she has all of the powers of light and the Neverland inhabitants. Michelle Neverland is also an old friend of Peter Pan, his friends, Eli, and Aqua, and she also killed and slashed and mutilated numerous members of Hook's crew with the help of Eli, Peter Pan, and Aqua. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: And we finally got rid of Captain Hook a year ago during Zarya's special mission.

Nico: Along with the other Disney Villains, Lex Luthor, and The Joker.

Michelle Neverland: Well, I'm not surprised Maleficent and the other villains also got sent to The Black Gates, same with Lex Luthor and that homicidal clown, The Joker, those two were bad news to Gotham and Metropolis.

Lincoln: Same with Maleficent and the other Disney Villains, and now that you're here, Michelle.

Lincoln went up to and hugged Michelle Neverland in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Michelle Neverland: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Michelle Neverland's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Michelle Neverland: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michelle Neverland.

Michelle Neverland had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Emma, Lavender, Jacqueline, and Ruru from Women's Prison.

Lincoln: Oh wow, it's Emma, Lavender, Jacqueline, and Ruru from Women's Prison.

Nicole: Oh man, you rescued a group of voluptuous prison girls and a nurse from that ice bitch before she could rip their heads and spinal columns out.

Lincoln: She's just lucky we didn't decide to kill her. Are you girls okay?

Emma: Yes, we're okay thanks to you.

Emma: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Emma: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Emma, Lavender, Jacqueline, and Ruru with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was the rogue Lin Kuei ninja, Frost.

But, when Lincoln showed what we all did in beating that ice bitch into the dirt and Lincoln giving her the Hinon's Vengeance Curse, tying her up, and throwing her to The Masters of Evil's HQ, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Michelle Neverland have a lot of catching up to do now that she's back in town.

Maria: I can't believe that Frost was causing havoc in Sacramento. What the Hell was she even going to achieve?

Killer Frost: She wanted to kill Sub Zero and be the Lin Kuei's Grandmaster, but that ice bitch was too full of herself with delusions of grandeur. No wonder Sub Zero dismissed her, but that led to her being too full of hate. Vypra is going to have a field day with her.

Lincoln: That's true, Louise. But, Frost has no idea who she's dealing with.

Me: She'll change her tone thanks to Vypra's discipline.

Nico: And keep her from trying to pull a double-cross, because one double-cross and Lincoln's curse will take her life and send her to

The Black Gates.

---

After taking down Frost and sending her to The Masters of Evil's HQ, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Michelle Neverland saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Michelle Neverland: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Michelle, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Michelle Neverland: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Michelle Neverland: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Michelle, what memories did you have with Lincoln?

Michelle Neverland: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Lynn's Table and we were there assisting with a lunch rush of tons of customers coming. But, then, we heard the sound of a loud belch in the air along with the stench of feet and B.O., and the security system sounded the alarm. Then, the doors were then smashed open and we were right to find out the obvious culprit: Lynn, and she was on yet another of her rampages again. She charged at Lincoln on all fours, but all of us pounced on Lynn and gave her quite the thrashing of her life, and then, Lincoln punched Lynn hard in the cheek and ordered her to leave. Lynn roared and ran out of the restaurant on all fours snarling and farting like the animal she is, but she wound up getting caught in a web of

Symbiote goo Venom had created at the request of Luna, then, Luna tossed Lynn into a metal container after she got grounded for eighteen weeks for her attempted attack on Lincoln.

Nico: Whoa! So, Luna and Eddie had a trap set up for Lynn as soon as she found out she went on one of her rampages again?!

Me: Yep, take a look.

I showed Nico the photo of Lynn getting tangled in Symbiote Goo and trying to bust out of it in anger.

Nico: Ooh! Lynn made the big mistake crossing Luna when she went on another of her murder rages against Lincoln again!

Me: Luna is always a step ahead of Lori, Lynn, Lola, Lisa, and Luan whenever they set out on more of their rampages against Lincoln.

Laney: We were really shocked at just how thought-out Luna's plans really are and to find out that she had also enlisted the help of everyone to stop Lori, Lynn, Lola, Lisa, and Luan.

Selene Arcangela: Even we were shocked too, but you mess with Lincoln, you'll have Luna's wrath on your heads.

We got a shower, and then, Lincoln, Tammy, Trinity, and Trista are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tammy, Trinity, and Trista are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tammy, Trinity, and Trista had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Tammy: Wow, so this is Emerald Coast, it sure is awesome.

Lincoln: It sure is, Tammy, and it's perfect for our date before Natalia's big mission. Shall we?

Lincoln, Tammy, Trinity, and Trista dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Tammy, Trinity, and Trista got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tammy, Trinity, and Trista and they hugged them in their abnormally massive and powerful muscular arms, and Tammy, Trinity, and Trista placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tammy, Trinity, and Trista with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Tammy, Trinity, and Trista are in your harem.

May: We all suspected they had feelings for Lincoln, and now, they're part of his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Tammy, Trinity, and Trista, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later we were eating at an awesome new steak restaurant and we were having the biggest steaks ever. We were having 150 oz. Steaks

We were over at a restaurant called the Texas Steak Haven and The steaks were as big as car tires and we also had baked potatoes, salads and soup with them.

Me: (Eating) Mmm! Boy this is one of the biggest and best steaks ever.

Qin: It sure is.

Rip: Boy they sure are delicious.

Camie: Yep.

Me: Oh sorry Jared and Lisa, I know you don't like meat but it was what the Mascots wanted. They wanted to try this place.

Jared: No worries dad.

Lisa Simpson: The salads are good though.

Me: They sure are.

Misty Tredwell: Nice job yesterday, Poromon

Poromon: Thanks Misty. That was so fun.

Manaphy: You got that right.

Carly Atlas: Boy these steaks are delicious. And the sauces they have here for them are amazing.

Xenia: They sure are tasty.

Homer: Boy they sure are amazing.

Tuddrussel: I just love good steak.

Me: Nothing like a little Texas beef to start us off before a big mission.

Nico: That's for sure.

Me: Boy these steaks are double the size of the ones in Amarillo.

Eli: They sure are.

Laney: It's really awesome though.

Nico: You guys picked a really awesome restaurant.

Poliwag: We sure did.

Carly Atlas: I'll try some.

Carly had some Garlic Cayenne sauce and it was really good.

Carly Atlas: Whew. That one has some good kick.

Xenia: What's the hottest one they have?

Me: It's called the Satanic Reaper Inferno sauce. That's the hottest sauce they have.

Nico: Whoa boy.

Crankcase: Sure you wanna try that?

Me: Bring it on.

I drenched my baked potato in it and ate it and it was good. And then…

FIERY EXPLOSION!

I got a massive fiery aura increase.

Me: Now that was awesome.

Crankcase: WHOA! That is awesome!

Qin: Yep

We were having really awesome steaks and all that.

Later we were stuffed and full of beef.

Me: Ahh. (BURPS) Boy that was great.

Tuddrussel: (Burps) Ahh. It sure was.

Applejack: That sure was delicious.

Laney: Ahh. I'm stuffed.

Lana: Me too.

Lynn: Awesome protein.

Lightning: I'll say.

?: Boy that was awesome.

Me: Huh?

We saw a Mabosstiff!

Me: Cool a Mabosstiff.

Lola: Awesome.

Mabosstiff: (In a girls voice) Boy all the steaks here look awesome.

Nico: Gia Vexthoven? Whoa.

She reverted back and was a girl with black hair and silver clothes and had blue eyes?

Gia Vexthoven: May I join you guys?

Me: Sure.

She sat with us and got a steak and it was awesome.

Hoist: What's your favorite memory of Nico?

Gia Vexthoven: When me and Nico were over at an awesome soup restaurant and we ordered the largest bowl of Vietnamese Phō soup ever. It was called the Lake Superior.

Nico: It was a bowl as big as a table and it was huge.

Qin: I remember that. Nico and Gia ate the whole thing and became the only 2 people to eat that.

Camie: Wow!

Lily: That is a lot.

Nico: Yep.

Gia Vexthoven: I would hug you Nico but I'm eating.

Nico: That's okay. I've missed you though.

Gia Vexthoven: Same here.

Drill Man: That was so good!

Me: Boy it sure was!

Qin: I'm stuffed!

Xenia: Me too!

Lola: Yeah.

Nico: Yeah that was awesome.

We later went back home after paying for the meal.

Nico: Now it's time to get ready. Nathalia's big day mission is now.

Xenia: It sure is.

The previous group came.

LaGrange: Can me, Silver Samurai, Snake, Mole Man, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Multiplex go with you guys?

Nico: You all sure can.

Qin: This is gonna be so fun.

Lola: Yep.

Yondu: Nico, which Gene Slammers do you think you'll meet next?

Nico: Grafaiai, Brambleghast and Toedscruel

Qin: Cool!

Lola: Those will be fun.

Camie: They sure will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Sindel, the Queen of Edenia, Kitana's mother, and "Empress of Outworld", and she's coming after us as revenge for what we did to Shao Khan as she is still under the influence of his spell. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something that'll surprise you, Kitana, along with all of us: the figure we sensed is none other than Sindel, the Queen of Edenia, Kitana's mother, and "Empress of Outworld", and she's coming after us as revenge for what we did to Shao Khan as she is still under the influence of his spell.

We gasped.

Kitana: It looks like Shao Khan's spell over my mother did not break after he was killed last year, he never could accept defeat.

Jade: Shao Khan was always a bad loser, but to find out the spell he cast on Sindel 10,000 years ago hadn't been broken after the deaths of him, Quan Chi, and Shang Tsung and banishment to The Black Gates last year, this truly is a disturbing revelation.

Raiden: Which means, we need to defeat Sindel and free her from Shao Khan's spell.

Lincoln: Yes, that's correct, Lord Raiden, but, it won't be easy: Sindel is a skilled fighter with 10,000 years of fighting experience from her time in Edenia and when she became Shao Khan's "Empress" in Outworld.

Natalia Somonmenchikov: (Russian Accent) So, we've got ourselves a tough fight on our hands, but we need to save Sindel from Shao Khan's spell, so we need to give it everything we've got. Sindel would want us to save her.

Nicole: That's right, and she'll be a member of The Masters of Evil. But, there's no doubt she'll be very traumatized by what she did in Shao Khan's name once his spell is broken.

Nico: What he made her do for 10,000 years, it only proves just how evil Shao Khan truly is, and why we're glad we gave him, Quan Chi, and Shang Tsung The Black Gates last year. Alright, gang, let's go, the fight to destroy Xaviax has finally come.

Lincoln: We will make him pay for everything that he has done, and once we're done with Xaviax, we will free you from Shao Khan's spell, Sindel.

Natalia Somonmenchikov: (Russian Accent) Kit, everyone, hang in there, we're on our way.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to help Kit and The Kamen Riders destroy Xaviax and end his desire for conquest, and once we're done with him, Natalia and Lincoln are going to take down Sindel and free her from Shao Khan's spell.

With that we were off to Los Angeles, California.

* * *

We arrived in Los Angeles, California.

Snake: Is this the place, dudes?

Me: It sure is.

Qin: Boy much different than going to Japan for this huh?

Lola: It sure is.

Touma: You you guys were pretty much used to going to Japan for us huh?

Nico: Yeah we sure were.

Kit Taylor: Hey guys!

Me: Hey Kit!

We saw the Dragon Knight Riders.

Me: Awesome to see you guys!

Kase: It sure is awesome!

Chris Ramirez: Awesome you all made it.

Nico: How's our favorite Dragon Knight doing today?

Kit Taylor: Doing great! Other than Maya is having problems.

Maria: What kind of problems?

Kase: Ex-Boyfriend problems.

Kit Taylor: They are in the park.

We followed them.

We saw Maya.

Nico: There she is!

And she was being harassed by a man with blond hair and had dark clothes.

Me: Oh no. Alec Logan!

I went over to him.

Alec Logan: Come on Maya don't I make you happy?

Maya: I said no Alec!

Alec Logan: But at least…

Me: She said No you dickhead!

Alec Logan saw me and then…

POW!

I punched him in the face and knocked out most of his teeth and knocked him out.

Me: He needs to respect a woman's decision.

Kit Taylor: Maya, are you okay?

Maya: Thanks to J.D.

Alec got up.

Me: If I were you I would make like a rocket and take off. Or the next punch will kill you.

I put on Brass Knuckles.

The cops then came.

Officer: Can't stay out of trouble can you. Back to the stony lonesome for violation of your parole and restraining order.

Maya: He was told not to come within 300 yards of me and he was out on parole for assault.

Nico: Jerk.

Me: Get him outta here.

Alec Logan: NOOOOOO!

He was taken away.

Nico: Let's go to Grace's Book Store now that the jerk is back behind bars.

Me: Good idea.

We did so.

Lola: That was good we came.

Len: Yeah no kidding.

Cicadacon: I thought we would be fighting some of Xaviax's henchmen upon coming here.

Kit: Hey, some bad guys can be human too.

Me: You got that right.

Qin: But that's one less bad guy on the streets.

Nico: Yep.

Kit: Thank goodness. By the way it was fun helping you guys out against Jackie Frost.

Xenia: We're glad you had fun.

Kit: Yep. By the way we heard rumors that the Ryuki team is back.

Me: Yep. Thanks to me.

Goliath: But they're not ready to join us yet.

Me: They will be someday.

Camie: Yeah.

Kit Taylor: It'll be an honor to meet them though.

Sougo: You'll love meeting them.

Me: Yep. How's your dad doing?

Kit Taylor: He's doing great J.D. thank you.

Me: You're welcome.

Trent Fernandez: (to Trent Moseley) It's funny that you and I have the same first name

Trent Moseley: I know! That is cool though.

Me: It sure is.

Eiji: But it's still cool that all of us get to help you guys take down Xaviax.

Len: It sure is.

Me: It'll be just like old times.

Chris Ramirez: It sure will be. Except Xaviax doesn't know how strong you got J.D.

Me: He's in for one hell of an unexpected shock.

Nico: Oh sure will be.

Calamitous: Xaviax probably installed some stronger defenses though

Trent Moseley: Don't worry. I called some old hacker friends of mine for backup.

Me: Awesome.

Nico: This will be awesome.

Qin: It sure will be.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to the Dragon Knight Riders) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Sea Clamp: Don't be surprised if he puts some under your pillows tonight!

Kase: (LAUGHS) So this is what Poromon does when you all have big day missions.

Xenia: Yep.

Maya: Oh Poromon is so cute dressed like that!

Me: (LAUGHS) Yeah he sure is.

Poromon: Thank you.

Len: But we're too young to drink.

Me: Don't worry guys I got an alternative.

I gave them root beer.

Nico: Poliwag don't give them the Puppy Dog eye trick.

Poliwag: Aw rats.

Poromon did puppy eyes.

Multiple Man: (laughs) You told Poliwag, not Poromon.

Me: (LAUGHS) That is funny.

Nico: Poromon that's enough.

Qin: (LAUGHS) That is funny though.

Nico: (LAUGHS) Yeah.

Maya: So what is it like in that huge tree?

Me: It's incredible. At 528,000 feet high you can see much of the entire planet from that height.

Xenia: The view is amazing.

Maya: Wow! That has to be an amazing view.

Me: Oh it is. Think of yourself on the International Space Station. Except you're in our huge tree overlooking much of the planet.

Nico: Yep.

Maya: Wow! That is so cool!

Camie: It sure is.

Kit Taylor: Wow! Oh guys great job dealing with Burns and Crocker.

Me: Boy word quickly spread to you all didn't it?

Len: Yeah you guys left a few hours after you helped us and then we got the memo.

Me: Boy that was amazing.

Kit Taylor: That was so awesome how you guys destroyed The Shredder. We saw what happened in New York.

Laney: That was so epic.

Me: Yep. The Shredder is now a forgotten memory. The Turtle Brothers most dangerous enemy is now a distant and forgotten memory. Both the 2012 and Prime Universe versions of him are now gone for good.

Lola: That is for sure.

Kit Taylor: Good riddance.

Xenia: Yep.

Kit: Now, what's this about a movie called Blood and Honey? Because I've been hearing rumors about that.

Me: (Nervously) You shouldn't have asked that.

Horsea: OH, WE'LL GLADLY SHOW YOU WHAT THAT ABOMINATION IS! (shows trailer close to Kit's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Kit Taylor: GOOD GRAVY!

Poromon: (shows trailer close to Len's face) YOU LOOK AT IT!

Len: HOLY CRAB LEGS! THAT IS HORRIBLE!

Manaphy: (shows trailer close to Kase's face) YOU LOOK AT IT!

Kase: I've seen worse.

Poliwag: (shows trailer close to Chance's face) LOOK AT IT!

Chance: MERCIFUL PUKE FEST!

Horsea: (shows trailer close to Chris Ramirez's face) LOOK AT IT!

Chris Ramirez: OH GOOD GRAVY!

Jirachi: (shows trailer close to Pryce's face) LOOK AT IT!

Pryce: SOMEONE GET THAT AWAY FROM ME!

Tentacool: (shows trailer close to Brad Barret's face) LOOK AT IT!

Brad Barret: OH MAN MY EYES!

Mevya (shows trailer close to Maya's face): LOOK AT IT!

Maya: IS THAT POOH AND PIGLET! OH NO! (CRYING)!

Omanyte (shows trailer close to Trent Mosely's face): LOOK AT IT!

Trent Mosely: OH GOOD GOD!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Ace: We apologize for this.

Me: Oh for fucks sakes!

I spun my Magisword Bracelet.

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Kit Taylor: Geez!

Me: That was what we didn't want you to see yet on Cadance's big day mission.

Lola: Yeah it's a dark version of Winnie the Pooh where he and Piglet go on a horrible killing spree and kill everyone.

Chance: (looks at trailer more closely) What kind of sick fucks would make this?!

Me: Don't fucking ask.

Nico: That's why we're going to sue the pants off the people that did it.

Xenia: Yep. We're going to give them the biggest lawsuit ever.

Chance: Why can't you just send them to the Black Gates?

Me: Because they are innocent people. Our code strictly prohibits us going after the innocent. So Blu came up with the idea of issuing a massive lawsuit and that is a safer and much more easier way.

Blu: Yeah it's true.

Me: We first heard and saw this trailer for it last year and it scared and horrified the living crap out of most of us. The mascots mostly.

Nico: Yep.

Xenia: We blacklisted this movie and vowed to never see if even if you held a gun to our heads and threatened to blow our brains out.

Me: Yep.

Maya: (to the Mascots) You can sue the people who made this. But what if the real Blood and Honey versions come to kill you guys because of you spreading the word?

Poromon: (laughs arrogantly) Ha! I'd like to see them try!

Skinner: Famous last words.

Luan: If they do come after us me and Moondancer will rip them apart!

Xenia: Go get them.

Leslie Gesneria: (to Kase) How come you aren't disgusted by it?

Kase: Fighting against all of Xaviax's forces and all that toughened me up and made me more courageous against movies like that.

Me: It's true.

Leslie Gesneria: Wow!

Len: Yeah Kase is a tough girl.

Me: She is one tough nut to crack.

Trent Mosely: Here come my friends now!

Two guys walked through the door.

Guy 1: Sup? I'm Brandon.

Guy 2: And I'm Fish.

Atomic Skull: (facepalms) We're doomed.

Me: Hey long time no see guys!

Brandon: J.D. Wow! You grew a lot.

Fish: Boy you sure did!

Me: I know. I have a lot of power and fight in me now.

Brandon: Awesome!

Grodd: These are the Hacker friends of yours?

Maya: Don't underestimate them. I did when I first saw them.

Me: And their skills in hacking are just as awesome as Bentley's hacking skills for the Cooper Gang.

Bentley: That is awesome.

Me: Yep.

Fish: It'll be awesome helping you guys out again.

Chef Pepperjack: How about I make you guys some food?

Fish: Great we're starving.

Kit Taylor: Yeah.

Me: We just ate before we got here. We had a huge 150 oz. Steak.

Nico: Yeah we're stuffed.

Kase: You guys sure were hungry.

Lola: All that and more.

Chef Pepperjack got to work.

Fish: It's gonna take between 30 minutes and an hour for us to hack into Xaviax's secuirty.

Divebomb: The two of you just might be the reason why Xaviax will be destroyed for good.

Me: They sure were. They are the ones that lead to his downfall which helped us deliver the fatal blow.

Fish: He's right.

Nico: Awesome. As long as we wait we might as well have the usual battles.

Mole Man: Kit, you can join in if you want.

Kit Taylor: I would be honored.

Qin: Awesome.

We went outside and Maria called it in.

Then Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Brain Freezer, Villamax, and Radioactive Man came.

Nico: Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Brain Freezer, Villamax, and Radioactive Man.

Robo Blaze: After this, we'll have all the Rider teams.

Me: We sure will.

Whiger: I wonder what's planned after this.

Nico: Trust me. You'll find out soon enough.

Griffin: Okay then.

Nico: Good.

Beetle: (to Nico) We heard you went on another treasure hunt.

Nico: We sure did.

Whiplash: What did you find?

Me: The Swords of The 4 Seasons: It was really cool.

?: Wow that must've been fun.

A figure came out and it was CHANGTOR from episode 19 of SPD!

---

Little is known about Changtor. He is an intergalactic Chinese themed criminal and mercenary with an unstable mind. In the nineteenth episode, Changtor was hired by Broodwing to defeat the Power Rangers and attack Newtech City.

He arrived at the beach. Delta Base's sensors detected Changtor on the beach and Supreme Commander Birdie sent Z and Syd to defeat him. Z and Syd arrived at the beach on the Delta Cruiser and met Changtor, who greeted and invited them to his beach party and said that he has a party game. He said that this game means to capture the Rangers and collect a big reward from Broodwing. The girls agreed to participate in his game and morphed to battle Changtor. The Rangers battled Changtor and he even praised the heroines for their outfits. The girls continued battling Changtor and outmatched him.

Then Changtor enlarged himself and arrived at the city. The Rangers summoned the Delta Runners and formed the Delta Squad

Megazord to battle him. Changtor told the heroes to start the battle. Z mocked Changtor by saying that he looked a little washed out before blasting him with a Water Attack that knocked him down. Then the Rangers judged Changtor with the Delta Scanner. Changtor tried to reason with the heroes, saying that it's all a big mistake, but was found guilty and the Rangers fired at him. Changtor was brought down by the Delta Squad Megazord.

---

Jack Landors: Changtor!

Changtor: Been a while rangers.

Me: I remember you! You were sent Broadwing to destroy the rangers and the city.

Changtor: Why, thank you!

Me: Perfect for the Chinese New Year.

Changtor: I agree there.

Qin: It's cool too.

Nico: Yep.

Camie: Yeah.

We then saw a massive army of monsters from Xaviax!

Nico: Oh, look. The welcome wagon.

Me: Not for long!

Me and Nico fired a massive blast of energy and obliterated them.

Nico: Not even a challenge

Me: Nope.

We went into the fortress.

Fairy Woman came.

Nico: Thanks for coming, Fairy Woman.

Fairy Woman: No problem Nico. This will be fun.

We got to the main room and then she stood before XAVIAX! He looked like a mangled mess from the first battle I had with him.

Xaviax: You must be Fairy Woman. I see you and your friends have been busy cleaning up what I contributed to.

Fairy Woman: What are you talking about?

Xaviax: (laughs) Who do you think taught Swartz the idea of making promises to Anothers? That would be me!

Fairy Woman: So you are responsible for Swartz's dirty work.

Xaviax: Why yes I am.

Fairy Woman: Then we will stop you.

Then the spirits of the Kamen Riders from over the course of 52+ Years came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and blasted all over with a shower of fireballs and then a Phoenix Cry was heard and we came out.

Nico: This ends now Xaviax!

Xaviax: Team Loud Phoenix Storm!

I went over to Xaviax.

Me: Been a long time Xaviax. 15 years hasn't been too kind on you hasn't it?

Xaviax: And who are you boy?

Me: Don't you remember? It was 15 years ago today. I helped the Dragon Knight riders destroy you the first time. I've grown and evolved, not just in height, but I've grown in power, strength and skill. I'm beyond the J.D. Knudson that you faced all those years ago.

Xaviax: WHAT!? You're J.D. Knudson!? But you look completely different!

Me: That's right! My power has gotten infinitely stronger since we last fought! I'm more powerful than you can ever possibly comprehend!

Xaviax: We'll see! Have you come to say that you'll accept my offers?

Me: No. I came here to kill you.

He went at me and I blocked his punch and punched him square in the face with devastating force and sent him crashing into the wall and he was laying on the ground screaming in pain as he was holding his face in pain from the power of the punch! He got up and blue blood was pouring from his nose!

Me: That was a small sample. I'm now going to unleash the ultimate extent of my power.

Nico: So you are also the mastermind behind all the trouble Swartz caused!

Qin: Yeah!

Me: You will pay for your crimes!

Xaviax: Oh, I remember you all too well now, J.D.

He revealed an x shaped scar on his chest.

Nico: So, J.D.'s mark is still there.

Me: Nice to know that I left my mark after all these years. And it's still there.

Xaviax: Indeed. The skin was able to regenerate. But the mark still stayed.

Nico: Oh, that's gonna be the least of your worries!

Xaviax: (smirks) Don't you want to hear me out on one last offer before you end me?

Nico: (humoring) You know what? Might as well. What is it?

Xaviax chuckles and revealed yet another time portal. And not just any time portal.

Nico: Is that the day Frieza destroyed my home planet?

Xaviax: Indeed it is. If you go through this, you'll be able to stop Frieza from destroying Planet Vegeta. Think of it as one last chance to change your life for the better. A reboot if you will. What have you got to lose? Aside from the fact that you'll never have met J.D. and your lovely wife.

To everyone's surprise, Nico started walking towards the time portal. He put one arm through the time portal before he pulled it back.

Nico: (chuckles) You know, I admit you almost got me.

Xaviax: What are you talking about? There's the Time Portal right there. You're so close!

Nico: And yet so far. It's like you said. Without Planet Vegeta's destruction, I wouldn't have met May, JD, and the rest of my friends.

Nico and May smiled at this.

Nico: So, thanks. But no thanks. I'm fine with what I have. However, I won't deny that your time portal technology is pretty good.

Nico snapped my fingers and the tech creating the time portal vanished.

Xaviax: What did you just do?

Nico: Don't be such a baby. I only sent your time portal device to the Time Squad satellite so they can put it to good use.

Larry 3000: And you just expect me to find a way to make all that technology part of the satellite?

Nico: (smiles) I'm sure you'll think of something.

Me: Ha! Nice job Nico.

Nico: So now we're even on the Time Portal thing.

Me: Yep.

Xaviax: How disappointing. But not completely unexpected. That's why I have a backup plan.

To our surprise, he took an AnotherRidewatch.

Sougo: Wait. An AnotherRidewatch?

Xaviax: Swartz gave it to me for safekeeping.

He activated the AnotherRidewatch and turned into an Another Rider that we didn't recognize. Except for the Zi O team.

Woz: Another Ryuga!

Another Onyx: I prefer Another Onyx.

Me: Very fitting for you. You know it would be cool if there were Another Riders for the Main Villains of Each Riders series.

Another Onyx: It would be fitting.

Nico: Yes.

Another Onyx: That's not all I have. Putties! Hengemen!

An army of Putties and Hengemen appeared.

Me: Putties and Hengemen!

Nico: Now you're talking!

I fired waves of energy and elements and blasted the Footsoldiers!

Then the Putties and Hengemen jumped the Dragon Knight Riders.

The Dragon Knight Riders lay defeated at the hands of the Putties and Hengemen.

Another Onyx: The power that comes with this Another Onyx form is amazing! And now, Kit, I get to use it to destroy you for all the trouble you caused me!

Eddy: (fires at a Putty) Crap! What do we do?!

Natalia then got an idea.

Natalia: (to everyone watching) Everyone out there! Lend the Dragon Knight Riders your strength! They get stronger with your support! When I go "1,2", shout "Let's Ride"! Okay? 1, 2…

All: LET'S RIDE!

Natalia: One more time! 1, 2…

All: LET'S RIDE!

Natalia: Louder! 1, 2…

All: LET'S RIDE!

Jamesdean5842: LET'S RIDE!

At this, Kit found the strength to get up.

Kit: It doesn't matter what form you take, Xaviax. You'll still lose!

Kit then grabbed a Putty and threw it at a Hengemen, knocking both of them down.

Xaviax: WHAT!?

Kit Taylor: Thanks for the help, guys.

Len: I didn't think we'd ever get so many fans.

Kase: I actually had a feeling.

Chance: At least no one's getting Vented this time.

Chris Ramirez: And I finally get to play a major part.

Pryce: What do you guys say we end this?

Me: I agree. Xaviax, We have a score to settle!

I unsheathed my sword!

Natalia: Let me transform with you guys!

Jason: Sure thing, Natalia!

Mighty Morphin Rangers: It's Morphin Time!

A massive fiery explosion blasted off behind them and they were ready!

Me: Not just the Dragon Knight Riders, but these as well!

Kamen Riders from Kuuga to Revice: HENSHIN!

They transformed!

He was shocked to see a massive army of Riders! From over the course of 50 years!

Xaviax: MORE RIDERS!?

Me: Kamen Rider has been on for over 50 years and Japan is where it began. What you are seeing are all the Riders from Japan and America Uniting together!

Tsukasa turned into Dino Fury Red and Daiki summoned clones of the Dino Fury rangers too!

The Megaforce Rangers turned into the Dino Fury Rangers too!

Maria: And now this! (TURNS DIAL) THUG FORCE 6!

She summoned Rojo, Dogranio Yaboon, Urchin, Hammerhead (Looney Tunes), Count Grogan and the Ghost of Geronimo!

Natalia Somonmenchikov: (Russian Accent) Alright, I have had it up to hear with you to last a lifetime, Xaviax.

Suddenly, Natalia Somonmenchikov's yellow eyes turned neon yellow and she was surrounded by a yellow and orange energy aura with stars, snow, ice, moonlight, full moons, werewolves, and angels, and as she approached Xaviax, she left yellow and orange energy, stars, snow, ice, moonlight, full moons, werewolves, and

angels with every step.

Natalia Somonmenchikov: (Russian Accent) You make me absolutely sick to no end, Xaviax, you tried to conquer Earth too many times, not to mention what you've done to Kit and the rest of his team is truly unforgivable. Too many times you have plagued Earth and its citizens, and now, this shall be the last time. Now, you will die here and be eternally forgotten!

Suddenly, Natalia Somonmenchikov was surrounded by a massive vortex of yellow and orange energy with stars, snow, ice, moonlight, and full moons surrounding the vortex, there are werewolves running around the vortex and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Xaviax: the red eyes of death. Then, as the vortex faded, Natalia Somonmenchikov emerged, but she was changed forever.

(RUSSIAN DANCE MUSIC PLAYS)

Natalia Somonmenchikov grew to 7'5" in height, she has the body of a goddess, she has orange highlights in the bangs of her long yellow hair and orange fur cap, she has neon yellow eyes and a yellow and orange energy aura with stars, snow, ice, moonlight, full moons, werewolves, and angels surrounding her, she has a Lunanian Werewolf emblazoned on her forehead and Third Eye with yellow iris, she has werewolf earrings with yellow gems for eyes and holding the Snow, Ice, Moonlight, and Eternity Kanjis in its paws and her Crystal Necklace of The Buddha with yellow gems on the gold crescent moon links and orange crystal links and an orange werewolf-shaped Element of Harmony and on the bottom of the Element of Harmony is a Lunanian Werewolf with yellow gems for eyes and holding the Snow, Ice, Moonlight, and Eternity Kanjis in its paws for the pendant, she has on an orange long sleeved winter coat, sleeveless orange and white dress top with colored flowers, yellow skirt, yellow pants, yellow boots, leopard print gloves, and long white long-sleeved trenchcoat with stars, snow, ice, moonlight, full moons, werewolves, and angels on the coattails and on the back is a Lunanian Werewolf with the full moon above its head and surrounded by stars. Suddenly, Natalia felt a sharp pain on her back, and then, massive golden blonde angel wings with orange tips on the large feathers grew and sprouted out from her back and she also now has eleven massive and long blonde wolf tails, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger, Star Sapphire Ring on her left ring finger, and Stone of Gelel embedded in her left hand.

Suddenly, Natalia Somonmenchikov's sword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of yellow and orange energy with stars, snow, ice, moonlight, full moons, werewolves, and angels, and when it emerged, it was transformed into Natalia Somonmenchikov's Russian Arctic Winter Moonlight Lunanian Werewolf Greatsword of Russian Arctic Winter Moonlight Lunanian Werewolf Justice, it's a brand-new massive greatsword with embedded yellow gems and a Lunanian Werewolf etched on the 7'6" massive, wide, double-edged orange blade, large orange werewolf heads for the crossguard, large white angelic faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four orange werewolf heads with orange gems for eyes and on the bottom is a werewolf head with yellow gems for eyes and an orange gem in its mouth for the pommel, she has on her large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, large gold Belt of Elemental Bravery with a gold Lunanian Werewolf head with yellow gems for eyes and orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an orange kanji below the Lunanian Werewolf that said, "Natalia Somonmenchikov, Gene-Slammer of The Lunanian Werewolf, Lover of Nature and Plants, Rich Girl from Russia, Defender of Russia's Proud History, Loving Sister of Kit and The Dragon Kamen Riders, Archenemy of Fairy Woman, Destroyer of Xaviax, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Snow, Ice, Moonlight, and Werewolves"

Natalia Somonmenchikov has transformed into SUPER ANGEL-LUNANIAN WEREWOLF-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE ARCTIC MOONLIGHT RUSSIAN LUNANIAN WEREWOLF ANGEL OF DIVINE ARCTIC MOONLIGHT RUSSIAN LUNANIAN WEREWOLF ANGEL JUSTICE AND DIVINE ARCTIC MOONLIGHT RUSSIAN LUNANIAN WEREWOLF ANGEL LOVE!

We were amazed by Natalia's Super Angel-Lunanian Werewolf-Harmony Universal Eternal Celestial Xelnaga transformation, but when Xaviax saw it, he went mad with rage and fired an energy blast at her to kill her, but Natalia fired a massive barrage of yellow and orange energy blasts, stars, snow, ice, moonlight, werewolves, and angels at Xaviax, and they overwhelmed his energy blast and they hit Xaviax and exploded with incredible power as they hit him, he got back up and he was now pissed off.

Kit: Whoa, so that is…?!

Natalia Somonmenchikov: (Divine Godly Voice of The Russian Arctic Moonlight Lunanian Werewolf Angel and Divine Russian Arctic Moonlight Lunanian Werewolf Angel Love) This is only my Phase 1 transformation to deal with Xaviax, Kit. My Phase 2 transformation is coming up soon, and it's against Sindel.

The Dragon Kamen Riders gasped.

Kit: Sindel, the Queen of Edenia and "Empress" of Outworld?!

Lincoln: The very one, Kit.

Kit: Oh man, this is going to be quite a brutal fight.

Nico: But, it's to not only fight and take her down, but also, break Shao Khan's spell that turned her into the cruel and sadistic villain nearly 10,000 years ago after the murder of King Jerod of Edenia.

Kitana: And I can never forgive Shao Khan for what he did to my father and mother, the same went with Quan Chi, Shang Tsung, and Shao Khan's allies.

Selene Laverna: Shang Tsung helped Shao Khan in his repeated attempts to invade Earth, but we always drove him back, but Shang Tsung's ambitions drove him to try and kill Shao Khan so he can take over the realms.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Lincoln: Now, there's only one thing left to do and one last loose end to tie up: Sindel.

?: You will all pay for what you did to Shao Khan with your lives, Team Loud Phoenix Storm!

Lincoln formed a massive diamond barrier that protected all of us from a blast of purple energy that came out of nowhere.

Cetrion: There is no mistaking that voice from anywhere, you can come out now, Sindel.

A figure came out, and it was none other than Sindel, Queen of Edenia, Kitana's mother, and the brainwashed "Empress" of Outworld.

Raiden: As we suspected. I always knew you'd come after us, Sindel, as soon as the word of Shao Khan's death along with the deaths of Quan Chi and Shang Tsung reached you.

Sindel: You all cost me my throne and Shao Khan, and for that, all of Earth will be destroyed and soaked in your blood!

Sebastian Mendez: Why, you… ! (Turns his nails into claws and was about to charge out and claw off Sindel's face)

Suddenly, Sindel gripped her head in pain, and she screamed in pain.

Sindel: Please… , help. Shao Khan… , his spell… !

Lincoln: We already know, Sindel. Natalia, it's time.

Suddenly, Natalia Somonmenchikov's yellow eyes turned neon yellow and she was surrounded by a yellow and orange energy aura with stars, snow, ice, moonlight, full moons, werewolves, and angels, she unholstered her massive Natalia Somonmenchikov's Russian Arctic Winter Moonlight Lunanian Werewolf Greatsword of Russian Arctic Winter Moonlight Lunanian Werewolf Justice from her back, and as she approached Sindel, she left yellow and orange energy, stars, snow, ice, moonlight, full moons, werewolves, and angels with every step.

Natalia Somonmenchikov: (Russian Accent) Shao Khan has done truly dark and terrible things to too many realms over the eons, and what he did in killing your husband, King Jerod of Edenia, and taking you and Kitana to Outworld where he then brainwashed you into becoming his Empress along with merging Edenia with Outworld 10,000 years ago can never forgiven. This time, I'll make sure that the last of Shao Khan's darkness is removed from you and reunite you with Kitana once more, Sindel.

Suddenly, Natalia Somonmenchikov was surrounded by a massive vortex of yellow and orange energy with stars, snow, ice, moonlight, and full moons surrounding the vortex, there are werewolves running around the vortex and angels flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Natalia Somonmenchikov emerged, but she was changed forever.

Natalia Somonmenchikov grew from 7'5" to 7'9" in height, she has the body of a goddess, she has orange highlights in the bangs of her long golden blonde hair and orange fur cap, she has neon yellow eyes and a yellow and orange energy aura with stars, snow, ice, moonlight, full moons, werewolves, and angels surrounding her, she has a Lunanian Werewolf emblazoned on her forehead and Third Eye with yellow iris, she has werewolf earrings with yellow gems for eyes and holding the Snow, Ice, Moonlight, and Eternity Kanjis in its paws and her Crystal Necklace of The Buddha with yellow gems on the gold crescent moon links and orange crystal links and an orange werewolf-shaped Element of Harmony and on the bottom of the Element of Harmony is a Lunanian Werewolf with yellow gems for eyes and holding the Snow, Ice, Moonlight, and Eternity Kanjis in its paws for the pendant, she has on an orange long sleeved winter coat, sleeveless orange and white dress top with colored flowers, yellow skirt, yellow pants, yellow boots, leopard print gloves, and long white long-sleeved trenchcoat with stars, snow, ice, moonlight, full moons, werewolves, and angels on the coattails and on the back is a Lunanian Werewolf with the full moon above its head and surrounded by stars. Suddenly, Natalia felt a sharp pain on her back, and then, her massive golden blonde angel wings with orange tips on the large feathers grew much bigger for her new body, and her eleven massive and long blonde wolf tails now have orange tips and orange markings, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger, Star Sapphire Ring on her left ring finger, and Stone of Gelel embedded in her left hand.

Suddenly, Natalia Somonmenchikov's massive Natalia Somonmenchikov's Russian Arctic Winter Moonlight Lunanian Werewolf Greatsword of Russian Arctic Winter Moonlight Lunanian Werewolf Justice and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of yellow and orange energy with stars, snow, ice, moonlight, full moons, werewolves, and angels, and when it emerged, it was transformed into Natalia Somonmenchikov's Celestial Russian Arctic Winter Moonlight Lunanian Werewolf Greatsword of Celestial Russian Arctic Winter Moonlight Lunanian Werewolf Justice, it's a brand-new massive greatsword with embedded yellow gems and a Lunanian Werewolf etched on the 7'6" massive, wide, double-edged orange blade, large orange werewolf heads for the crossguard, large white angelic faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four orange werewolf heads with orange gems for eyes and on the bottom is a werewolf head with yellow gems for eyes and an orange gem in its mouth for the pommel, she has on her large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, large gold Belt of Elemental Bravery with a gold Lunanian Werewolf head with yellow gems for eyes and orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an orange kanji below the Lunanian Werewolf that said, "Natalia Somonmenchikov, Gene-Slammer of The Lunanian Werewolf, Lover of Nature and Plants, Rich Girl from Russia, Defender of Russia's Proud History, Loving Sister of Kit and The Dragon Kamen Riders, Archenemy of Fairy Woman, Destroyer of Xaviax, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Snow, Ice, Moonlight, and Werewolves"

Suddenly, Natalia Somonmenchikov's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Natalia Somonmenchikov has transformed into SUPER ANGEL-LUNANIAN WEREWOLF-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE

HARMONIOUS ARCTIC MOONLIGHT RUSSIAN LUNANIAN WEREWOLF ANGEL OF DIVINE HARMONIOUS ARCTIC MOONLIGHT RUSSIAN LUNANIAN WEREWOLF ANGEL JUSTICE AND DIVINE HARMONIOUS ARCTIC MOONLIGHT RUSSIAN LUNANIAN WEREWOLF ANGEL LOVE!

We were amazed by Natalia's Super Angel-Lunanian Werewolf-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Sindel saw it, Shao Khan's spell took her over and she went mad with rage and as she screamed, she fired a purple sonic blast at her to kill her, but Natalia fired a massive barrage of yellow and orange energy blasts, stars, snow, ice, moonlight, werewolves, and angels at Xaviax, and they overwhelmed her sonic energy blast and they hit Sindel and exploded with incredible power as they hit her, she got back up and she was now pissed off.

Kit: Whoa, so that is…?!

Natalia Somonmenchikov: (Divine Echoing Godly Voice of The Harmonious Russian Arctic Moonlight Lunanian Werewolf Angel and Divine Harmonious Russian Arctic Moonlight Lunanian Werewolf Angel Love) Yes, Kit, this is my Phase 2 transformation to fight Sindel.

Lincoln: And free her from Shao Khan's spell.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Natalia Somonmenchikov.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, we will break the spell that turned you into Shao Khan's "empress", Sindel, and bring an end to the last trace of Shao Khan for good.

---

Natalia Somonmenchikov and Lincoln went after Sindel, who continued firing purple sonic blasts as she screamed, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, yellow and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Sindel and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he and Natalia also attack her with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts.

Sindel: You think that can stop me?!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We're just getting started.

Natalia Somonmenchikov and Lincoln then pounced on Sindel, and they proceeded to give her quite the beatdown with everything they've got, and she was really overwhelmed by the brutal thrashings Natalia and Lincoln are giving her.

Me: WHOA!

Nico: Natalia and Lincoln did say they're giving it everything they've got with that thrashing, sheesh.

Suddenly, Sindel was unable to continue to fight and was dazed. But, that was the moment he was waiting for: Lincoln proceeded to chant a powerful incantation, and then, a wisp of black smoke had escaped from Sindel, and it had the faces of Shao Khan, Quan Chi, and Shang Tsung in it. Lincoln swung his massive greatsword and slashed the dark smoke and not only did that result in the total and permanent banishment of Shao Khan, Quan Chi, and Shang Tsung to The Black Gates, but the spell that bewitched Sindel over 10,000 years ago was broken for good, and she fell to the ground weakened by what was done.

We then slowly approached her.

Nico: Queen Sindel, are you okay?

Suddenly, Sindel had awakened and stood up, despite her daze.

Sindel: W-what happened? (Gasps) Shao Khan, is he…?!

Me: He's finally gone, Queen Sindel, along with Quan Chi and Shang Tsung.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We broke the spell that turned you into Shao Khan's brainwashed "Empress" 10,000 years ago.

Kitana: So, does that mean you're no longer…?

Sindel: (Smiles Warmly) I am no longer bound to Shao Khan, and I'm finally free from his spell for good, Kitana.

Sindel hugged Kitana, and for the first time in 10,000 years, their nightmare was finally over.

We cheered as Natalie Somonmenchikov and Lincoln holstered their massive greatswords on their backs and powered down, and Natalie Somonmenchikov's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden blonde wolf tails, and massive golden blonde angel wings are permanent.

Natalie Somonmenchikov: (Russian Accent) We did it, we freed Sindel from Shao Khan's spell and brought a permanent end to him, Quan Chi, and Shang Tsung for good.

Lincoln: Yeah, that's true, but we still got Mileena, Kronika, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, and Bi-Han to deal with. Audrey Blade is to blame for that one.

?: You will all die for turning Mother against me!

Suddenly, we saw who it was that made that threat at us coming after us: it was Mileena, the insane half-Tarkatan half-Edenian clone and creation of Shang Tsung.

Kitana: Mileena.

Mileena: I will enjoy killing you all to glorify Shao Khan!

Nico: You just don't even know when to quit, do you?

Sebastian Mendez: You psychotic half-breed! You just picked a bad time to come after us! Now, you have left me no other choice!

Suddenly, Sebastian's eyes turned from dark brown to blood red with hatred towards Mileena. Then, he opened a portal that led to an unknown planet in space. Then, he blasted Mileena which hit her and sent her into the portal and she landed on the unknown planet and she screamed with insanity.

Me: What did you just do?

Sebastian Mendez: Banished her to another planet, where in a future date, we can get rid of her.

Nico: Smart move, but I think you just pissed off Mileena even more.

Lincoln: Let her get that pissed off, she loyally served Shao Khan with insane loyalty and she killed too many people in his name.

Kitana: Yes, that's true, and there's no way we're letting Mileena get out of this alive. When the time comes, she along with Kronika, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, and Bi-Han will be destroyed for good.

Sindel: I will never forgive any of them, especially Rain and Tanya. Rain's ambitions endangered all of Edenia and the realms, and Tanya betrayed Edenia to side with Shao Khan, those two will meet their ends soon enough.

Nico: Well said, Sindel. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: That's an easy and magical one: Audrey Agrabah, Keyblade Knight of Agrabah.

Selene Jafara Agrabah: My little sister, now that's awesome.

Michelle Emperyous: And I knew you'd say her, Lincoln, and you guys will love meeting her, Audrey Agrabah is Lincoln's Guardian Angel from Agrabah and the younger sister of Selene Jafara Agrabah, The Sailor Soldier of Agrabah, she's a Keyblader, and like her sister, Audrey also has all the powers of a genie and can do anything, and she really really hates Jafar with a blazing vengeance. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: We all hated that bastard, Jafar, for what he'd done in Agrabah.

Nico: Along with his equally psychotic sister, Nasira. Those two got what they deserved in the end.

Lincoln: You got that right, Nico.

Lord Drakkon: It's over, Xaviax is gone for good.

Vulture: Good riddance!

Me: Thank goodness. After 15 years, Xaviax is now a forgotten memory.

Brain Freezer: Now that's a good way to conclude the big missions for this year.

Villamax: You know what that means.

Radioactive Man: Time for an Ambassador party!

Me: You got that right!

Nico: That was so awesome! Great job today everyone! That was an awesome and epic way to close out the missions with a bang!

Me: Yeah it was!

Lola: YEAH!

Touma: (To the viewers) This was an awesome and epic way to close out the Ambassador Missions!

Nico: You said it. Lets go home.

We went back home and got the Dragon Knight Riders settled in and got some well deserved sleep.

THE END

And we're going to meet the next Keyblade Knight, her name is Audrey Agrabah, Keyblade Knight of Agrabah, she's Lincoln's Guardian Angel from Agrabah and the younger sister of Selene Jafara Agrabah, The Sailor Soldier of Agrabah, and like her sister, Audrey also has all the powers of a genie and can do anything. She's a Keyblader and she really really hates Jafar with a blazing vengeance. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

The Ambassador missions are all complete and we're going to have an awesome Ambassador Mission party at Lynn's Table to celebrate and there's going to be food and fun and remembering the fun we had from January 7th to June 28th.

See you next time.

Me: (GULP) This forest gives me the creeps.

Qin: Me too.

Brittney: I smell blood in the air and it's not a good sign.

Me: Oh boy.

Lincoln: Not good.

Camie: That is ominous.

We heard screaming and it was awful.

Me: (GULPS)

Nico: Everyone stay close. No telling what could be here.

Hannah Montgomery: But this is gonna get ugly.

Tsuyu: Yeah.

Nico: Cap, I want to thank you, Batroc, and your teams for coming

Captain America: No problem Nico. This will be awesome.

Me: Glad to have you with us Steve.

Captain America: Same here.

Hannah Montgomery: This is gonna be fun.

Qin: I've got a really bad feeling about this guys.

Vinyl Scratch: Me too.

Lola: Boy this is really scary.

Lana: Yeah.

Brynja: (Icelandic Accent) But this is gonna be a good adventure though.

Lola: It sure will be.

Sailor Io: Yeah I know it.

Nico: Hannah, remember when you first met Lincoln?

Hannah Montgomery: I sure do. He was with Ronnie Anne at the Skate Park and I was showing him how to skate with awesome moves. Aside from being Lincoln's guardian angel, I'm also a very awesome skater.

Lincoln: It's true.

Hannah Montgomery: It sure is. I taught him all kinds of great moves.

Nico: That is so awesome.

Lola: It sure is.

Luan: Boy that is really awesome.

Nico: And now, you're part of Lincoln's harem.

Hannah Montgomery: I sure am.

Qin: Yep.

The screaming was heard all over.

Lola: Geez!

Lana and Lola were shaking in fright and they were scared.

Me: (GULPS) This is terrifying.

Nico: Sounds like a lot of people are being killed left and right.

Xenia: Yeah.

Qin: No kidding.

Camie: Scary.

Nico: Yeah.

Eli: I sense something evil here at work.

Nico: Me too. But also yesterday was epic and awesome!

Me: Boy it sure was.

Qin: Yeah.

Nico: So, Swartz learned how to do his offers from Xaviax, huh? Who would've thought it?

Me: I had not expected that Xaviax was the one responsible for Swartz doing all that.

Lola: Me neither.

Varie: That was crazy.

Eli: Yeah.

May: Nico, I hope you realize that Larry spent so much time integrating Xaviax's device into the Time Squad Satellite.

Nico: I know and it will be worth it.

Qin: Yep.

Me: So Xaviax was responsible for those time portals.

Lincoln: And the villains using them.

Qin: It's highly possible.

Xenia: Yeah. But either way, we now have our own time portal machine.

Camie: We sure do. But we have to be careful with it.

Nico: Yep. But J.D. you did really well in bringing down Xaviax.

Me: After 15 years he is finally gone.

Nico: We can't change the past. But maybe in the future, we can use the simulator to visit Planet Vegeta.

Me: Good idea.

Qin: Yeah that is a great idea.

Xenia: Yeah.

We heard more screaming.

Laney: That screaming is terrifying.

Nico: Okay, guys, you're really really not going to like this. But, the villains we're going after today are (GULPS) The Pooh and Piglet from the movie Blood and Honey.

We gasped, and then, The Mascots freaked out and started screaming like maniacs and were running around like a bunch of headless chickens.

Me: Oh man, Luan, what you just said yesterday, it rang true!

Luan: Yeesh, sometimes, I hate it when I'm right.

Moondancer: But, look on the bright side, Luan, we get to destroy them for good. But, first things first. Linky, could you try and get The Mascots to stop freaking out and running like a bunch of headless chickens and screaming like maniacs?

Me: Oh boy!

Moondancer: But, look on the bright side, Luan, we get to destroy them for good. But, first things first. Linky, could you try and get The Mascots to stop freaking out and running like a bunch of headless chickens and screaming like maniacs?

Poromon: THE BLOOD AND HONEY POOH AND PIGLET ARE HERE! THEY MUST DIE!

Lincoln: On it.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and inserted four black and white spiral-patterned gems that he created into the large gold buffalo heads and white angel faces. Then, Lincoln fired black and white-spiral patterned energy blasts which hit The Mascots, and they were hypnotized.

Me: WHAT THE?! WHAT THE HECK WAS THAT?!

Lincoln: I found out I can insert elemental gems that I create into my massive greatsword and they have some very powerful effects. The black and white spiral-patterned gems I created were based on The Hypnotizing Wheel and The Roundy Spinny Thing Magisword, and they would calm down, and I also figured I'd also get some payback on them for hypnotizing me into drinking beer.

Me: Whoa that is so cool!

Applejack: You really had a nasty hangover because of it, Linky.

Poromon: You're still sore over that?!

Lincoln: Yeah.

Sabrina Lorelai: And so are we, you hypnotized Linky into drinking beer and he got a nasty hangover because of it.

Anna Anyanova: Next time you do that, we'll hypnotize you and make all of you dance ballet in Lynn's Table wearing tutus!

Poliwag: (SCREAMS LIKE CURLY) Nico, help!

Nico: Sorry, guys, but you messed with Lincoln, and you wound up crossing his Guardian Angels with that stunt, so naturally, there's consequences.

Lincoln: Let's lighten up on them, Anna. Besides, Winter already scared them with Eustace's mask. (Senses for Bloody Honey Pooh and Piglet) AHA! Got them. They're 20 clicks north of our location and they're barreling towards us at full speed. (Sensed Flip's Musclebound Thugs) Oh man, and just when I thought that things can't get any worse, Flip has sent more musclebound thugs after us again!

Anna Anyanova: (GROWLS) YOU FUCKING MUTANT, I'LL RIP YOUR ORGANS RIGHT OUT OF YOUR FAT HAIRY BELLY AND FEED THEM TO THE VULTURES!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Bloody Honey Pooh and Piglet.

Me: Here we go.

I pulled out a scroll and unsealed shotguns, rifles and railguns and more.

We got our weapons and we were heading into the Hundred Acre Wood of Blood and Honey.

Poliwag: DEATH TO THE BLOOD AND HONEY VERSIONS!

Me: SHH!

Poliwag: Sorry.

Me: The hunt is on.

We got to hunting.

We stayed on the alert.

(THE CHOPPER (PREDATOR OST) PLAYS)

I had my infrared vision on and a triangle target on.

Me: They are close. I can feel it.

I then saw something hiding in the bushes.

Me: There!

WHOOSH! BEEP!

I fired a laser blast and blasted them out in an explosion and then we saw Bloody Honey Pooh and Piglet and they were about to stab us with knives! But, Lincoln saved us all by forming a very powerful barrier of solid diamond around all of us, and the knives didn't do any damage to the barrier.

Luan: Nice one with the diamond barrier, Lincoln. Now, it's my turn.

Luan fired two powerful light beams at Bloody Honey Pooh and Piglet which hit them and they crash onto the ground. Lincoln deactivated the barrier and we stood ready.

Luan: You two are nothing like the Pooh and Piglet that we know and love, you two are monsters and as such, must be destroyed.

Bloody Pooh: You will die!

Bloody Piglet: And we'll mount your heads on our walls and eat your intestines!

Manaphy: YOU ARE THE ONES WHO WILL DIE!

Nico: All this because Christopher Robin left for college?!

Me: That's right! Christopher Robin grew up and you can't stop it!

I fired a blast of energy and blasted them both down!

Twilight Sparkle: And the way you mutilated and cannibalized Eeyore!? THAT WAS DISGUSTING!

Blood Piglett tried to swing his sledgehammer at Twilight

But she grabbed it and kicked him down and smashed him on his head with it!

BLANG!

Qin: OUCH!

She then kicked him back to Blood Pooh!

Luan: It's time for you overstuffed fur coats to see the light!

Suddenly, Luan's blue eyes turned neon blue and she was surrounded by a rainbow energy aura with stars, light, fairies, light animals, and angels, she unholstered her massive Sulis' Eternal Celestial Solar Comedy Rainbow Light Greatsword of Comedic Light Justice from her back, and as she approached Bloody Honey Pooh and Piglet, she left rainbow energy, stars, light, fairies, light animals, and angels with every step.

Luan: You two really disgust me, not only are you two murderers, but you're an absolute disgrace to the Pooh and Piglet that we all know and love, and that is truly unforgivable. As the Emissary and Champion of Sulis, I shall put you two out of your misery.

Suddenly, Luan was surrounded by a massive vortex of rainbow energy with stars, rainbow lights, and lights surrounding the vortex, there are light animals, fairies, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Blood and Honey Pooh and Piglet: the eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The

Unity Crystals fired a beam of light into Luan's massive Sulis' Eternal Celestial Solar Comedy Rainbow Light Greatsword of Comedic Light Justice, and then, it glowed, and then surrounding the massive vortex of rainbow energy with stars, rainbow lights, and lights surrounding the vortex, there are light animals, fairies, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Blood and Honey Pooh and Piglet: the eyes of eternal death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF LUAN AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LUAN! THEN, AS SOON AS THE VORTEX FADED, LUAN EMERGED FOREVER CHANGED!

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Moondancer's transformed into her Super Angel-Miracle Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and what those two tried to do, now they've earned my wrath!

Moondancer: (Divine Echoing Godly Voice of The United Friendship Moonlight Fire Miracle Alicorn Angel and The United Friendship Moonlight Fire Miracle Alicorn Angel Love) That they have, now let's end these two monsters for good, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious

Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Moondancer and Luan, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You two monsters are not going to hurt anymore innocent people ever again!

Me: That is for sure! First answer us this! What have you done with the rest of your friends from here!?

Bloody Pooh: We killed them all! I beheaded Owl.

Bloody Piglet: I dismembered Kanga and Roo!

Bloody Pooh: I sliced and diced Tigger!

Bloody Piglet: I Cannibalized Rabbit.

WE GASPED!

Twilight Sparkle threw up!

Bloody Piglett pinned Moondancer down and tried to maul her but she punched him off and fired energy blasts and burned his hands off!

Lincoln: No one does that to one of my future wives! Lincoln, Moondancer, and Luan went after Blood and Honey Pooh and Piglet, and they fired extremely powerful blasts of rainbow energy, lemon yellow and light blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Blood and Honey Pooh and Piglet and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them and Lincoln left many more with his gold armored claws and firing energy slashes from his gold armored claws and he, Moondancer, and Luan attacked them with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Blood and Honey Pooh and Piglet super mega insane with rage.

Blood and Honey Pooh and Piglet were about to run at Luan, but Lincoln and Luan jumped them, and they proceeded to give them a Loud House style beatdown, and they were really overwhelmed by an enormous fight cloud, and we all heard the sound of punches and kicks being heard in the fight cloud.

Nico: Jeez, is this what happens when Lincoln's sisters get into a rumble?!

Me: Yep, and it's ugly.

Horsea: DIE, ABOMINATIONS!

Horsea fired a Bubblebeam blast all over them.

Qin fired a blast of fire and blasted them down!

Then, Lincoln and Luan kicked them hard out of the fight cloud and they landed on the ground again, and Lincoln kicked them into the air, and he held out his left hand and the Four Star Dragon Ball on his Dragon Ball Bracelet glowed red and it formed three focusing lenses aimed at Blood and Honey Pooh and Piglet.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NUOVA DEATH RAY!

Lincoln fired a powerful beam of fire, and it went through the focusing lenses and made it much more concentrated and powerful than ever, and it hit Blood and Honey Pooh and Piglet and it destroyed and incinerated them and their spirits were sent to The Black Gates forever. We all cheered as Lincoln, Luan, and Moondancer holstered their weapons and powered down, and Moondancer's new body, clothes, weapons, jewelry, Third Eye, longer white horn and reddish-purple tail, and massive reddish-purple angel wings are permanent, and Luan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light brown wolf tails, and massive light brown angel wings are permanent.

Luan: That's a farewell and good riddance, you disgraces to the true Pooh and Piglet.

Suddenly, Moondancer felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Moondancer?

Moondancer: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave those monsters the beating of their lives.

Nico: You got that right, and Lincoln, that was so awesome that you used Nuova Shenron's Nuova Death Ray to destroy them.

Luan: I was expecting him to use Dragon Thunderclap, but he does have other elemental powers as well.

Moondancer: And now, we're rid of the Blood and Honey Pooh and Piglet for good.

Suddenly, Moondancer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Moondancer's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Moondancer absorbed the elements and they came back to us as the display vanished.

Laney: Okay, so far, that's Lori, Leni, Luna, Sam, and Luan who have transformed. Now, tomorrow, I believe it's Lynn's turn to transform.

Lincoln: Yep.

Anna Anyanova: And now Luan has officially redeemed herself. Now it's Lynn's turn.

Luan: If we have to deal with yet another Evil Lynn tomorrow, we've got more than a few words to say to that belching farting moron for all the trouble she's caused Lincoln and all of us.

Lincoln: If that happens, then first thing tomorrow, we've got war on our hands.

Lana: We all have more than a few words to say to that gym bag!

Lola: Along with a few punches and kicks!

Poliwag: WE ARE TAKING THEM TO COURT!

Me: To the HIGHEST court.

Qin: Yeah!

Camie: And it'll be for EVERY Penny they got down to the last cent.

Poromon: THEY MUST ANSWER FOR WHAT THEY GAVE CAUSED!

Me: DARN TOOTIN!

Eli: YEAH!

Xenia: And that is destroy the good name of our childhood cartoon friends!

Camie: That is for sure!

Nico: But did those fucks kill anyone here today?

Me: I'll check.

I looked with my X-Ray vision and saw 50 bodies along with 534 skeletons all brutally chopped up! They were horribly mangled, dismembered and torn apart.

Me: OH BOY! It's worse than ever! 584 people dead!

WE GASPED!

Nico: All we can do is bury them.

Lucy Loud: Allow me to do so.

Lucy did so very quickly.

Lola: (WAILING) WHY WOULD THEY TURN INTO THIS AND KILL ALL THOSE PEOPLE! WHY!? WHY!? WHY!

Nico: Maybe these versions were lazy and incompetent freeloaders that depended on Christopher Robin.

Me: Hmm. It's possible.

Qin: Yeah.

Maria: Uhh not to kill the mood but we got work to do.

Nico: Oh right the Anothers.

Eli: I sense that we have Metal Tails, Metal Rouge, Metal Knuckles, Metal Amy, Metal Sally Acorn, Cyborg Rangers and Batroc.

We gasped!

Qin: Whoa! Metal versions of Sonic's friends.

Xenia: Yeah!

Laney: This is gonna be good.

Eli: And I sense that the Anothers minus Batroc are all one person.

Nico: Who do we call for this?

Me: Thankfully these have archenemies given to them. Irena Steelswarm, Adrienne Candelaria, Taiyou Hawkins, Claire Callaghan and Hak Foo.

Qin: Cool!

Xenia: Awesome!

Lola: This will be fun.

Me: Steelswarm, Light and Dark Rulers and Solgaleo.

Qin: Nice!

Maria called them and in vortexes of metal, light, darkness and the sun came Irena Steelswarm, Adrienne Candelaria, Taiyou Hawkins, Claire Callaghan and Hak Foo.

Irena Steelswarm: Hey, guys!

Qin: Glad you made it.

Adrienne Candelaria: Oh man what happened to the Mascots?

Me: Don't fucking ask.

Poromon: WE VANQUISHED TWO ABOMINATIONS!

Taiyou Hawkins: Oh boy the Blood and Honey Pooh and Piglet.

Nico: Yep.

Laney: Yeah we killed them.

Me: Lincoln, Luan and Moondancer did it.

Qin: I was awesome.

Taiyou Hawkins: Wow! That was awesome.

Poliwag: CHRISTOPHER ROBIN LEAVING THEM WAS NO EXCUSE!

Nico: Okay okay guys calm down.

Qin: Yeah!

Poliwag: Sorry.

Nico: You guys need to see Dr. Lopez.

Taiyou Hawkins: I agree.

Lola: Yeah.

Manaphy: At least everyone else was innocent.

Me: Yeah.

Nico: Okay guys focus.

Me: Sorry. Here they come.

We saw the Anothers! We saw Metal Tails, Metal Rouge, Metal Knuckles, Metal Amy, Metal Sally Acorn and Cyborg Rangers!

Me: Whoa!

Lola: This is gonna be good.

Another Metal Tails: (In a girls voice) It's fitting for me though.

Me: (GASP) That voice!

They merged and she reverted back and it was a girl with silver hair and gold eyes and had black clothes and she had metal angel wings and had a tiara with the symbol of the Metal Dopant on it as well as the same symbol on her skirt and she had a crystal spear in her hands.

Me: Melanie Metal!

Melanie Metal: Awesome to see you again J.D.

Me: Same here.

Melanie Metal: Boy you guys finally got rid of those monsters for Pooh and Piglet. I'm glad you did. I HATE That movie!

Nico: Be in the courthouse tomorrow. But we're still not sending them to the Black Gates.

Melanie Metal: Will do.

Lola: Great.

Me: Is the Another Batroc friendly or hostile?

Melanie Metal: Friendly and she is quite an awesome jumper.

Me: Neat.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers!

We fired waves of energy and blasted the them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: Now, we wait

Qin: We don't have to wait long!

We saw ANOTHER BATROC!

Nico: WHOA!

Me: This is gonna be good.

Another Batroc: (In a girls voice) It sure will be.

Me: (GASP) That voice.

She reverted back and it was a girl with purple hair and had blue eye and had blue Chinese clothes on.

Me: Morgana Khan!

Morgana Khan: That's right.

Me: Awesome to see you again.

Morgana Khan: Same here.

Me: Morgana is the descendant of Genghis Khan and also is an amazing jumper. She holds the record for the highest jumper ever. And she is also a very talented fighter.

Qin: Wow!

Nico: That is cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Morgana Khan: Just to be the archenemy of my ancestor Mortimer Khan.

Me: Rocko told us about him. He hates Heffer because he ruined his conquest centuries ago.

Morgana Khan: That's right. Boy he has it out for the guy.

Me: No kidding.

Batroc: We can definitely make that happen.

Me: Sorry we have to fight like this.

Morgana Khan: No worries.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

She turned into Another Batroc!

Nico: (gets out Batroc's Ridewatch) Time to leap into action!

Nico activated it and jumped high and then he activated Cyborg Lightspeed Rescue Rangers Ridewatch and fired waves of energy and blasted her down.

Me: AWESOME!

May: Time for some pain! (ACTIVATE 2012 ARMAGGON AND ANGAR THE SCREAMER'S RIDEWATCHES)

She fired waves of energy and smashed her down.

Maria: Time for action! (ACTIVATES SHIZUKU AND JUNGLE KING'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Hannah Montgomery: Time for the Fairy Dragon to shine!

She spread Ancient Fairy Dragon's wings and flew into the air and fired waves of light and blasted her all over. Then she activated Cyborg Lightspeed Rescue Rangers ridewatch and fired lasers and blasted her all over.

Then Robo Blaze, Trifire, Valerie the Weredog, Rinka, Chumbot and Jellyfishnoid came.

Nico: Nice team Robo-Blaze!

Qin: Yeah!

Robo-Blaze: Thanks! Whoa! You guys destroyed Blood and Honey Pooh and Piglet.

Trifire: Good riddance!

Nico: But now we know the fates of the others.

Lola: Yeah it was horrible.

Robo-Blaze: I don't want to find out about them.

Maria: The next gene-slammer should be here.

(RAWHIDE BY THE BLUES BROTHERS PLAYS)

ROLLIN ROLLIN ROLLIN! ROLLIN ROLLIN ROLLIN! ROLLIN ROLLIN ROLLIN! ROLLIN ROLLIN ROLLIN! RAWHIDE!

Then we saw a Brambleghast!

Me: Cool a Brambleghast!

Xenia: Whoa!

Nico: Awesome!

Maria: And you are?

Brambleghast: (In a girls voice) Howdy Nico.

Nico: Tina Torrence!? Awesome!

She reverted back and was a girl with purple hair, purple eyes and had a Texas Cowboy hat on and had purple clothes on and had a fire lasso in her hands.

Tina Torrence: Awesome to see y'all again Nico. I got this here sidewinder.

She fired a wave of purple fire and smashed her down and I caught the ridewatch and purified it and brought Morgana over.

Nico: YEAH!

Tina Torrence: YEEHAW! That was great!

Hannah Montgomery: What's your favorite memory of Nico?

Tina Torrence: When me and Nico were over in Cripple Creek and we brought down a thief stealing from the casinos there.

Nico: That was fun!

Me: Boy I remember hearing about the Cripple Creek Bandits and how they were caught. That was cool.

Nico: Yep.

Nico and Tina hugged.

Nico: I've missed you.

Tina Torrence: Same with me Nico.

We went back home.

But, we're going to destroy both Mother and Daughter and send them to The Black Gates for good.

Lincoln: Whoa, we're here in Kyoto, Japan, and I know what we're going to do here, not only am I going to rescue the three girls here, but we got bad news. Our old enemy, Samara Morgan, has returned from Hell wanting revenge on us for destroying her two years ago, and she's not alone, another old enemy of ours, Emily Morgan, the equally evil daughter of Samara Morgan, has broken out of prison, and she wants revenge on us for throwing her in prison two years ago.

We gasped.

Me: Oh man, not them!

Selene Arcangela: I can't believe it, Samara Morgan's returned, along with that bitch, Emily Morgan?! We've got a double-helping of evil to deal with.

Nico: But, this time, Samara Morgan's reign of evil ends here, she and her evil daughter are going straight to The Black Gates forever.

Alana Monroe: Yeah. Oh, and we also got three special guests joining us.

Suddenly, we saw three girls head our way: one had indigo hair, the other violet hair, and the third white hair and dressed in dark blue and purple clothes with blue and white angel wings.

Lincoln: Bianca, Gemma, and Trista Wilson?!

Bianca Wilson: Yep, and it's so good to see you again, Lincoln! And WHOA! You've really grown into quite a young man!

Gemma Wilson: Yeah, you grew big like a tree and you've gotten ten times bigger and muscular than before, and you've really grown into a really handsome man!

Trista Wilson: You'd easily break Flip's head and spine with those massive and powerful upper and lower body muscles! And those eight-pack abs, you can cut a diamond on them!

Nico: Whoa, Lincoln, you know these three?

Lincoln: Yeah, I do. These three are Bianca Wilson, Gene-Slammer of Brionac, the Dragon of Icy Malevolence, Gemma Wilson, Gene-Slammer of Gungnir, Dragon of the Ice Barrier, and Trisha Wilson, Gene-Slammer of Trishula, the Dragon of Icy Imprisonment, A.K.A. The Wilson Sisters, they are my Guardian Angels from Michigan and classmates in Gym, and here's the plot twist: they're the nieces of Wade Wilson A.K.A. Deadpool.

Me: Wait what?!

Nico: Your uncle is Deadpool?! Oh man! We have him on the team, and he's a laugh riot!

Luna: And they've also worked with The Trouble Busters, so whenever someone causes trouble, The Trouble Busters and The Wilson Sisters will take them down.

Lincoln: And they're also easy to identify: Bianca has indigo hair, Gemma has violet hair, and Trisha has white hair. We really love to do winter activities together, and The Wilson Sisters outright hated The Yakuza with an extremely burning passion. They made me a beautiful necklace made from ice that never melts, and to show thanks, I kissed each of them on the lips. They also hate the jerks with an extremely burning passion, especially that mutant cheapskate, Flip.

Trista Wilson: Yep, now we should get a visit from our Keyblade Knight of Agrabah soon!

Me: Uh oh, that's also Wade's specialty: breaking the fourth-wall!

Suddenly, we saw a beautiful and super sexy girl with long black hair with and light blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings, she's dressed in a light blue sleeveless top, necklace with pearls and blue gem for the pendant, light blue skirt, light blue stockings, light blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light, Keyblades, genies, and angels on the coattails and on the back is Agrabah in her right hand is The Three Wishes Keyblade and with her are the three girls.

Lincoln: (GASPS) Audrey Agrabah, Keyblade Knight of Agrabah.

Audrey Agrabah: That's right, and I got the girls away from Samara Morgan and her evil daughter, Emily.

Lincoln: Awesome. But, you do realize you pissed them off big time.

Audrey Agrabah: Yep.

?: I WILL FUCKING KILL YOU ALL, TEAM LOUD PHOENIX STORM!

We then saw our targets, Emily Morgan, along with her mother, the vengeful spirit, Samara Morgan, and they were out for blood.

Then, Lincoln fired rainbow energy blades from his massive greatsword which hit Emily and Samara Morgan in their black hearts and exploded, destroying them for good and sending them both to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: May you and your daughter be condemned to eternal damnation in The Black Gates forever! (To Audrey Agrabah) And it's so good to see you again, Audrey Agrabah.

Audrey Agrabah: You too, Linky, it's been a long time.

Lincoln went up to Audrey Agrabah and he hugged her, and Audrey Agrabah is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Audrey Agrabah: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new,

along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Audrey Agrabah, Keyblade Knight of Agrabah, she's my Guardian Angel from Agrabah and the younger sister of Selene Jafara Agrabah, The Sailor Soldier of Agrabah, and like her sister, Audrey also has all the powers of a genie and can do anything, and she really really hates Jafar with a blazing vengeance. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: We all really hated that powerhungry treacherous wizard, Jafar, he was nothing more than a rotten snake!

Nico: All he ever wanted was to rule Agrabah and become an all-powerful genie. He was absolutely insane!

Eli: He was beyond any form of forgiveness and crossed one too many lines in his plans to rule all of Agrabah and caused a ton of havoc.

Ken Knudson: And we finally got rid of Jafar a year ago during Zarya's special mission.

Nico: Along with the other Disney Villains, Lex Luthor, and The Joker.

Audrey Agrabah: Good riddance, and I'm also not surprised Maleficent and the other villains also got sent to The Black Gates, same with Lex Luthor and that homicidal clown, The Joker, those two were bad news to Gotham and Metropolis.

Lincoln: Same with Maleficent and the other Disney Villains, and now that you're here, Audrey.

Lincoln went up to and hugged Audrey Agrabah in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Audrey Agrabah: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Audrey Agrabah's neck with light blue gems on the gold lightning bolts and light blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Audrey Agrabah: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Audrey Agrabah.

Audrey Agrabah had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the three girls, and when Lincoln saw who they were, they immediately recognized them. The three girls are Ayumi Kayama, Ruruna Himeno, and Shizuka Iwagami from Aphrodisiac -Megami no Yokubou-

Lincoln: Oh wow, it's Ayumi Kayama, Ruruna Himeno, and Shizuka Iwagami from Aphrodisiac -Megami no Yokubou-

Nicole: Oh man, you just rescued another group of voluptuous girls.

Lincoln: Emily and her mother, Samara Morgan, absolutely have no sense of shame, they don't care about who they kill, those two deserve to die. Are you girls okay?

Ayumi Kayama: Yes, we're okay, thanks to you.

Then, when Ayumi Kayama and the other two girls saw who it was that saved them from Samara Morgan and her evil daughter, Emily Morgan, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie,

Ayumi Kayama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayumi Kayama: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayumi Kayama, Ruruna Himeno, and Shizuka Iwagami with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were our old enemies, Samara Morgan, who returned from Hell wanting revenge on us for destroying her two years ago, and her evil daughter, Emily Morgan, who also broke out of prison and wanted revenge on us for throwing her in prison two years ago.

But, when Lincoln showed what happened such as meeting The Wilson Sisters who are also Lincoln's Guardian Angels and who also worked with The Trouble Busters, and then, us giving Samara Morgan and her daughter the beatdowns of their lives, and Lincoln firing rainbow energy blades which killed them and sent them to The Black Gates forever, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, The Wilson Sisters, and Audrey Agrabah have a lot of catching up to do now that they're back in town.

Maria: I always knew Emily Morgan would break out one day, and the same can be said of her evil mother, Samara Morgan, returning from Hell to get revenge on us as well.

Lincoln: Like Mother Like Daughter, those two are pure evil to the core. Now, Samara Morgan's reign of evil along with her bloodline has been permanently brought to an end.

Me: Along with Samara's curse.

---

After finally getting rid of Samara Morgan and Emily Morgan and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Audrey Agrabah saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Audrey Agrabah: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Audrey, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Audrey Agrabah: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Audrey Agrabah: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Audrey, what memories did you have with Lincoln?

Audrey Agrabah: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Gym and we were playing a game of dodgeball. But, then, we heard the sound of a loud belch in the air along with the stench of feet and B.O., which made every student puke. Then, the doors were then smashed open and we were right to find out the obvious culprit: Lynn, and she was on yet another rampage again, and even worse, she had a team of evil female dodgeball players with her from Hazeltucky. They attacked everyone with dodgeballs and that dumb animal charged at Lincoln on all fours, but all of us pounced on Lynn and gave her quite the thrashing of her life and we threw dodgeballs at the Hazeltucky female dodgeball players and knocked them out, and then, Lincoln punched Lynn hard in the cheek and ordered her to leave. Lynn roared and ran out on all fours snarling and farting like the animal she is, but she wound up getting caught in a water prison Luna made. Then, Luna tossed Lynn into a metal container after she got grounded for twenty five weeks for her attempted attack on Lincoln and the evil Hazeltucky female dodgeball players got sent back to prison.

Nico: I can't believe it, this was attempted murder in full view of the public! Lynn was nothing more than a rampaging animal because of her Dark Side.

Lincoln: I was quite surprised that none of my Guardian Angels didn't just make the choice to put her down for good after what she tried to do to me numerous times in the past.

Laney Emperyous: Many of us were getting that close to ripping her limbs off and tearing her brains out of her empty head!

Eli: YIPE!

Me: That's just further proof of how much Lynn pissed Lincoln's Guardian Angels who hated her off big time.

Lincoln: And I always had to restrain them or they restrained themselves whenever Lynn did that, but she just didn't know when to quit.

We got a shower, and then, Lincoln, Rhyanna, Regina, and Reiko are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rhyanna, Regina, and Reiko are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Rhyanna, Regina, and Reiko had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Rhyanna: Wow, so this is Sirena Beach, it sure is awesome.

Lincoln: It sure is, Rhyanna, and it's perfect for our date. Shall we?

Lincoln, Rhyanna, Regina, and Reiko dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Rhyanna, Regina, and Reiko got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rhyanna, Regina, and Reiko and they hugged them in their abnormally massive and powerful muscular arms, and Rhyanna, Regina, and Reiko placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rhyanna, Regina, and Reiko with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Rhyanna, Regina, and Reiko are in your harem.

May: We all suspected they had feelings for Lincoln, and now, they're part of his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Rhyanna, Regina, and Reiko, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

Lincoln: So, it looks like we're getting ready for the Party for the Completion of The Ambassador Missions at Lynn's Table.

Nico: Yep. This is going to be one awesome party, plus, we also have another round of Humiliations set up for the jerks, especially that mutant three butt-cheeked smelly cheapskate, Flip.

Me: You got that right, that mutant's going to get it big time. Too bad we couldn't include his equally stupid uneducated brother, Flop, along with his cousin to be humiliation fodder as well, since we threw them in prison as well.

Lincoln snapped his fingers, and then, Flip's brother, Flop, and their cousin appeared at Lynn's Table tied up in rainbow energy straitjackets and were chained to their posts in Neutronium Chains lined with rainbow energy.

Me: OH! Lincoln, you slick Devil!

Nico: That was a really slick move getting Flip's brother and their cousin put in as well, now we can deliver quite a humiliation on those uneducated cheapskates.

Lincoln: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Mephiles the Dark, the main antagonist of the 2006 platform game Sonic the Hedgehog and another of Sonic's most dangerous enemies and personal enemy of Shadow, and he's come back from the dead wanting revenge on them. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you and your friends aren't going to like one bit, Sonic: the dark figure we sensed is none other than Mephiles the Dark, another of your most dangerous enemies and personal enemy of Shadow, and he's come back from the dead wanting revenge on you all.

We gasped.

Shadow: Mephiles, I never thought we'd have to deal with him again. We destroyed him when he fused with Iblis and transformed into Solaris.

Silver: And now, Mephiles has returned for revenge. That's it, he's getting The Black Gates for good.

Nico: I still remembered all of the horrible things that bastard had done, and although I want this guy sent to The Black Gates forever, like Kronika, Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, and Bi-Han, I would like a shot at fighting him full time in the future.

Celine Constellar: Okay, so we'll banish him to The Book of Vile Darkness, but not before Lincoln drains him of all his powers.

Lincoln: That's a good idea, Celine.

Nico: Yeah, I like that idea. Alright, gang, let's go, before we have our huge party, we need to take care of Mephiles the Dark.

Lincoln: Yeah, there's absolutely no way we're going to let him get out of this alive.

Celine Constellar: That monster's going to die a very horrible brutal and painful death when we get through with him.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the park to deal with Mephiles the Dark.

We arrived at the park to hunt down and destroy Mephiles the Dark.

Nico: We made it. Now, where the Hell is Mephiles?

Lincoln: He's here somewhere, not even the darkness can protect him from us.

?: I will have my revenge on you for ruining my plans to destroy all of reality, Sonic, Shadow, and Silver the Hedgehog!

Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier that protected all of us from a blast of dark energy that came out of nowhere.

Shadow: I always knew there was no mistaking that voice from anywhere. Come out of the darkness, Mephiles, we know you're here.

A figure appeared from a pool of darkness, it was Mephiles the Dark.

Nico: So, that's Mephiles.

Shadow: Correct, he's a malevolent entity that was accidentally created during the ill-fated Solaris Project commissioned by the King of Soleanna nearly a decade ago. Upon being released, Mephiles takes on my and began wreaking havoc across space and time in order to merge with his other half, Iblis, and regain their true form as the sun god Solaris. And even worse, he killed Sonic in order to make Princess Elise cry and release Iblis.

We gasped.

Lincoln: You manipulative, two-faced bastard.

Celine Constellar: My words exactly, Lincoln. That's it, now you are never leaving here alive!

Suddenly, Celine Constellar's blue eyes turned neon blue and she was surrounded by a purple and blue energy aura with stars, nebulae, constellations, swords, and angels, she unholstered her star sword, and as she approached Mephiles the Dark, she left purple energy, stars, nebulae, constellations, swords, and angels with every step.

Celine Constellar: Not a single word can describe what kind of sick, twisted bastard you are, Mephiles, you manipulated Silver and tried to get him to kill Sonic and even tried to tempt Shadow to join the likes of you, and even worse, you committed the darkest deed by killing Sonic and causing Princess Elise to cry and unleash Iblis, so you can merge with him and turn into Solaris and destroy time and space. That is truly unforgivable, and for that, I will destroy you until there is not a single atom of you remaining!

Suddenly, Celine Constellar was surrounded by a massive vortex of purple and blue energy with stars, nebulae, constellations, and swords surrounding the vortex, there are The Constellar Monsters flying around the vortex, and in the vortex is a purple phoenix with the symbol of The Constellar Monsters on its stomach and red eyes glaring at Mephiles the Dark: the red eyes of eternal death. Then, as the vortex faded, Celine Constellar emerged, but she was changed forever.

Celine Constellar grew to 7'9" in height, she has the body of a goddess, she has purple highlights in the bangs of her long blonde hair, she has neon blue eyes and a purple and blue energy aura with stars, nebulae, constellations, swords, and angels surrounding her, she has the symbol of The Constellar Monsters emblazoned on her forehead and her Third Eye with blue iris, she has on phoenix earrings with blue gems for eyes and holding the Constellation, Star, and Eternity Kanjis in its hands, she also has the Constellar Monsters with blue gems for eyes and holding the Constellation, Star, and Eternity Kanjis in their hands on the bottom of her purple star-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Celine Constellar has on a pink sleeveless crop top, sleeveless pink vest, pink skirt with the symbol of the Constellar Monsters, pink pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with stars, nebulae, constellations, swords, and angels on the coattails, and on the back are the Constellar Monsters surrounded by stars. Suddenly, Celine Constellar felt a sharp pain on her back, and then, her massive purple star angel wings with blue tips on the large purple feathers grew much bigger for her new body and she now has eleven massive and long blonde wolf tails with purple tips and yellow and blue markings, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Celine Constellar's massive star sword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple and blue energy, stars, nebulae, constellations, and angels and when it emerged, it was transformed into Celine Constellar's Cosmic Nebula Constellation Constellar Greatsword of Cosmic Nebula Constellation Constellar Justice, it's a brand-new massive greatsword with embedded blue gems and the Constellar Monsters etched on the 7'6" massive, wide, double-edged pink blade, large gold angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with blue gems for eyes and pink gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Constellar Monsters' heads with pink gems for eyes and large blue gems in their mouths for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a purple kanji below the Constellar Monsters that said, "Celine Constellar, Gene-Slammer of The Constellar Monsters, Powerful Force of The Stars, Powerful Sword Master, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Flip, Archenemy of Dark Horus, Destroyer of Mephiles the Dark, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Stars and Cosmos"

Suddenly, Celine Constellar's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Celine Constellar has transformed into SUPER ANGEL-CONSTELLAR MONSTERS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC CONSTELLATION STAR FIRESTORM CONSTELLAR MONSTERS GODDESS COSMIC STARSTORM CONSTELLAR MONSTERS GODDESS ANGEL OF DIVINE COSMIC CONSTELLATION STAR FIRESTORM CONSTELLAR MONSTERS GODDESS COSMIC STARSTORM CONSTELLAR MONSTERS GODDESS ANGEL JUSTICE AND DIVINE COSMIC CONSTELLATION STAR FIRESTORM CONSTELLAR MONSTERS GODDESS COSMIC STARSTORM CONSTELLAR MONSTERS GODDESS ANGEL LOVE!

We were amazed by Celine Constellar's Super Angel-Constellar Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mephiles the Dark saw it, he went mad with rage and ran at her to kill her, but Celine Constellar fired a massive barrage of purple and blue energy blasts, stars, nebulae, swords, constellations, and angels at Mephiles the Dark, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Nico: WHOA!

Lincoln: Now, that's really awesome. Celine Constellar has transformed into her Super Angel-Constellar Monsters-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we destroy Mephiles the Dark.

Celine Constellar: (Divine Echoing Godly Voice of The Cosmic Star Constellation Constellar Monsters Goddess Angel and Divine Cosmic Star Constellation Constellar Monsters Goddess Angel Love) And that's exactly what's going to happen to him. Now, let's rip him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Celine Constellar.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not laying one hand on our friends, Mephiles. Now, you will pay for everything you've done!

Celine Constellar and Lincoln went after Mephiles the Dark who continued firing energy blasts at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, purple and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mephiles the Dark and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his golden armored claws and firing energy slashes from his claws and he and Celine also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really wearing on Mephiles' patience.

Mephiles the Dark ran at them again, but Lincoln ran at Mephiles with superhuman speed and as he drove his massive greatsword into Mephiles' chest, Lincoln then began sucking out his Amorphous

Physiology, Darkness Physiology, Hedgehog Physiology, Crystalline Physiology, Vast Dark Powers, Immortality, Genius-Level Intellect, Enhanced Strength, Time Travel, Fusion, Shapeshifting, Flight, Portal Creation, Shadow Empowerment, Nega-Ergokinesis, Duplication, Shockwave Generation, Energy Beam Emission, Illusion Manipulation, and Umbrakinetic Life Creation and made them his own.

Then, Lincoln tossed him into the air with such incredible upper body strength, it removed Mephiles from his massive greatsword where he and Celine Constellar fired a massive Star Dragon which hits and destroys Mephiles and his spirit is sealed into The Book of Vile Darkness. We cheered wildly for what Celine Constellar and Lincoln did as they holstered their massive greatswords and powered down, and Celine Constellar's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive purple star angel wings are permanent.

Celine Constellar: You should consider it your lucky day that we sealed you into The Book of Vile Darkness, Mephiles. But, in the future, you will be getting The Black Gates. Thanks for helping me destroy Mephiles the Dark, Linky.

Lincoln: (Smiles Warmly) You're welcome, Celine.

Suddenly, Celine Constellar wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Celine Constellar's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Constellar Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and stars twinkling and constellations behind them and we cheered wildly. Then, Lincoln and Celine Constellar absorbed the elemental forces and stars and they came back to us as the display vanished.

Nico: Whoa, now that's what I call an epic fight of Stars VS. Malevolent Darkness, Lincoln, Celine, guys really showed Mephiles the Dark absolutely no mercy.

Lincoln: But, in the future, he will be getting The Black Gates for his crimes.

Me: No doubt, but he will remember this humiliation from you guys. So, Lincoln, who's the next Keyblade Knight we're meeting?

Lincoln: I've got an awesome and wild one: Teresa Tarzan, Keyblade Knight of The Deep Jungle.

Tanya Tarzan: My little sister, now that's awesome.

Michelle Emperyous: And I knew you'd say her, Lincoln, and you guys will love meeting her, Teresa Tarzan is Lincoln's Guardian Angel from the Deep Jungle from Tarzan, she's a Keyblader and the younger sister of Tanya Tarzan, Sailor Soldier of the Deep Jungle, The World of Tarzan 1999 and she is the second protector of Tarzan's jungle, and like her sister, she knows all about nature and more and she knows so much about plants, and she along with her sister and Tarzan had made all Poachers pay including Clayton. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: We all hated that bastard, Clayton, for what he tried to do poaching Tarzan's family.

Nico: Yeah, that bastard got what he deserved.

Lincoln: Big time, and now that Mephiles is finally gone, now we can get to having our party at Lynn's Table, and we can also let the humiliations on the jerks commence.

Nico: Oh yeah! Flip, you, your brother, and your cousin better pray for mercy 'cause we're showing you three none!

Me: Along with our other resident jerks!

Later it was time for the next Super Mario Galaxy adventure.

Me: I wonder which galaxy is next.

Nico: Next is Dusty Dune Galaxy.

Me: COOL!

Lola: Whoa that one is challenging.

Nicole: Yep. It's a galaxy covered in quicksand. One false step and you are dead.

Camie: (GULPS)

Nico: Yep. Who wants to go with me?

Rainbow Dash: Me, Scootaloo and Daring Do will go. This is gonna be awesome!

Daring Do: It sure will.

Lightning Dust: I'll go too!

Rainbow Dash: Awesome!

Lola: Awesome is right!

Nico: Lets go.

They went in and the simulator activated and they were at DUSTY DUNE GALAXY!

Nico: We're here.

Lightning Dust: Wow! So this is Dusty Dune Galaxy.

Rainbow Dash: WHOA! This galaxy is covered in quicksand.

Scootaloo: Nicole was not kidding.

Daring Do: But it's going to be an awesome treasure hunt here.

Nico: Yep. And the star we want is up there on top of that tower.

Daring Do: This will be fun!

Nico: Nicole any tips?

Nicole: (On the radio) Just don't fall into the quicksand like I said.

Nico: Okay.

They were off.

Nico: There are Goombas up ahead!

Rainbow Dash: Me and Scoots got this.

They fired waves of lightning and blasted them all over.

They flew up to the tower and got to the top and saw the star locked in a crystal.

Nico: There's the star! We just got to free it.

Then MORE Goombas came!

Nico: More Goombas!

Lightning Dust: Lets get them!

Nico: (gets out Batroc and Bronze Kneecap's Ridewatches) I'm gonna use these!

Nico activated them and fired waves of energy and blasted the

Goombas left and right.

Lightning Dust and Daring Do fired waves of lightning and blasted them.

Nico: YEAH!

Rainbow Dash: And this!

Rainbow Dash and Scootaloo fired waves of lightning and blasted the Goombas.

Nico: Oh yeah!

But then a Toedscruel came.

Nico: Cool a Toedscruel!

Rainbow Dash: Looks like a land version of Tentacruel.

Nico: It sure does.

She fired waves of energy and blasted the Goombas.

Toedscruel: (In a girls voice) (Japanese Accent) That was so awesome!

Nico: Mihara Kobayashi! Wow!

Rainbow Dash: Don't revert back yet. We need to get the star first.

Toedscruel: Understood.

Lightning Dust: First, we need to free it!

Rainbow Dash: Lets do it!

Lightning Dust and Rainbow Dash fired a blasted the crystal and it shattered and they Freed it!

Nico: YEAH!

Rainbow Dash: Lets go get it!

Scootaloo: You got it!

They went and got it!

YOU GOT A STAR!

Nico: All right!

Mihara reverted back and she was a girl with blond hair with green eyes and had a yellow Kimono on and had yellow angel wings and had a jellyfish tattoo in the middle of her forehead.

Mihara Kobayashi: That was so fun!

Nico: Yeah it was!

They all high five.

Rainbow Dssh: What's your favorite memory of Nico?

Mihara Kobayashi: When me and Nico were over in Japan and I showed him my entire collection of Kamen Rider Memorabilia. I have the largest collection of Kamen Rider merchandise from both America and Japan.

She pulled out a photo of her collection and it had ALL THE stuff from over the last 52 years.

Rainbow Dash: WHOA! That is awesome!

Scootaloo: Boy you're going to love meeting the riders! They are all on the team.

Mihara gasped!

Mihara: You guys have ALL THE RIDERS ON THE TEAM!? (Ecstatic) I'M SO EXCITED TO MEET THEM ALL!

We laughed!

Me: (LAUGHS) Looks like the Kamen Riders have an ultimate superfan with them.

Nico: I really missed you

Mihara: Same here Nico.

They left and Mihara was so honored to meet all the riders. We have yet to meet the rest of them from 1971 on up.

---

Later it was time for the Ambassador Mission party at Lynn's Table.

All of us: (CLINKS OUR GLASSES) CHEERS!

Me: To a successful bunch of Ambassador missions for 2023!

Nico: YEAH!

Nico: That was so awesome!

Lola: Yeah it was!

Nico: Boy we have had a lot of fun.

Poromon: Guys, meet a friend of ours.

Me: Really?

Then a girl with black hair and a black midriff shirt and had a black skirt and shorts.

Hillary Kasuga: Awesome to meet you guys. My name is Hillary Kasuga.

Gwen: Oh my gosh! Hillary its been a long time.

Hillary Kasuga: Gwen! You too.

They hugged.

Nico: You two know each other?

Hillary Kasuga: We sure do. I went to school with Gwen a long time ago. I was born with a really high IQ and studied physics and solved lots of amazing Quantum Equations. I'm also a very highly successful actor.

Nico: Awesome to meet you Hillary.

Me: Same here.

Hillary Kasuga: Yep and the mascots told me so much about you and also I heard you guys killed my evil twin sister Heather.

We gasped!

Nico: Heather was your sister?!

Hillary Kasuga: Yes she was.

Me: We had no idea that Heather was your twin sister!

Nico: Yeah!

Qin: She was evil as all get out.

Gwen: All the sore losers of Total Drama were.

Nico: Yep.

Hillary Kasuga: She was always like that. She had a massive ego the size of the entire country of Russia and always thought of herself as better than everyone else. She was used to getting her way. It was always her way or the highway.

Nico: Yeah.

Hillary Kasuga: I heard about everything she did and how she was not going to stop till she got that cash prize. My sister hated me from the moment we both were born and she wanted nothing more than to make everyone around her completely miserable.

Gwen: That was Heather for you.

Lindsey: Yeah she was a total mean bitch.

Hillary Kasuga: Yeah I agree there.

Nico: Yeah.

Samey: You are I are practically the same Hillary. Amy over is my evil twin and she too hated me from the moment we were born.

Nico: It's true.

Me: But you don't have to worry about the Sore Losers anymore. They are forgotten. Except for Amy. She is now humiliation fodder.

Hillary Kasuga: I saw that. I'm amazed she's the only one that didn't get the fate of the Black Gates.

Poromon: I know.

Me: So how do you guys know Hillary?

Poromon: We met on a Celebrity Penpal Chat Room a while back and she agreed to come out and meet you us.

Nico: What do you like to do?

Hillary Kasuga: I like to solve the most complex equations ever. I once solved the equation of the 141st Dimensional String.

Me: WHOA! That is massively complex.

Lisa Loud: That is very impressive if I must say so myself.

Xenia: It sure is.

Me: You must know this one. What is √8,423,523,632,246?

Hillary Kasuga: 2,902,330.72413.

Dexter: She is correct.

Poromon: She's also an actor.

Me: Cool! What movies do you star in?

Hillary Kasuga: Science Fiction Horror. The ones I did were mostly for an Anime TV Series for The Thing.

Me: WHOA!

Nico: The Thing as an Anime Television Series?!

Me: That would be scary to see.

Xenia: Yeah.

Laney: You wouldn't believe the kind of nightmare we had to go through seeing that.

Nico: That monster scared the shit out of us.

Kate Lloyd: That's right. It scarred me for life.

Hillary Kasuga: I know. I heard about that. That was awful. I had no idea it was real.

Xenia: We all were shocked.

Lola: Yeah.

Me: That monster scared the fucking living daylights out of some one us.

Qin: No kidding there.

Me: What character do you voice in that one?

Hilary Kasuga: I play as Kate Lloyd.

Kate Lloyd: Really? Wow! I'm truly honored.

Me: That is so cool.

Nico: Can you tell us what the Anime is about?

Hillary Kasuga: I sure can. But it's going to scare you.

She told us that the Anime takes place 4 hours after the events of the 1982 movie and it shows Kate and MacReady and Childs teaming up with the members of a Russian base and forming a powerful force called THE ANTI-THING EXTERMINATION TEAM.

Their mission is to destroy the Spaceship as well as ALL TRACES of the Thing and make sure that it all can't be used as a weapon of biological warfare or anything of the sort and make sure that it stays in Antarctica and can't infect anyone on the outside. She showed us pictures of the monsters that they faced in the show and they were scary as all get out.

Me: What the fucking hell!?

Nico: Those are horrifying!

Xenia: No kidding!

Kate Vollans: Yeah they sure are!

Nico: That monster will always be scary as fuck!

Qin: No fucking lie there.

Me: We found out that the Thing had over 10,000,000 aliens woven into it.

Hillary Kasuga: Are you serious?

Me: We are not kidding. I scanned it with my Omnitrix and that's what it said. It was crazy.

Varie: Yeah. Kate here couldn't stop having terrible nightmares about the Thing ever since she joined the team.

Me: Yeah no kidding. She was terrified all the way to the bone about it. She could stop having nightmares for a long time because of it.

Camie: Yeah that was awful.

Alicia Berricks: That's right. Just like we couldn't stop having nightmares about what we went through with the Necromorphs.

Susie Berricks: Yeah that was terrible.

Hillary Kasuga: The monsters from Dead Space. That was awful too.

Me: Yep.

Hillary Kasuga: But either way I'm glad you guys destroyed those monsters.

Me: I know.

Nico: There's still one more person we're waiting on

?: And that's me.

We saw a Grafaiai.

Me: Cool! A Grafaiai.

Nico: Nice.

Grafaiai: (In a girls voice) Am I on time for the party?

Nico: Chloe Destrenus? Wow!

She reverted back and was a girl with black hair and purple streaks and she had purple eyes and had purple clothes.

Chloe Destrenus: Awesome to see you again Nico and you too Qin.

Qin: Same here Chloe. Its been a while.

Maria: What's your favorite memory of Nico?

Chloe Destrenus: When me and Nico put laxatives in Amy's soda when she wasn't looking and she crapped her pants by the truckload.

Amy: (GASP) THAT WAS YOU!? WHY YOU MOTHERFUCKING FUCKWADS! I WILL KILL YOU!

We laughed hysterically!

Nico: (LAUGHS) That was funny!

Me: (LAUGHS) That was funny and awesome!

Nico: Yep.

Nico and Chloe hugged.

Nico: I've missed you.

Chloe Destrenus: Same here.

May: Nico, which Gene Slammers do you think you'll meet next?

Nico: J.D. will like this one. Scovillain and Klawf.

Xenia: Awesome.

Me: Nice! I love nuclear hot food.

Xenia: Cool.

Me: Now we can get this party started.

Nico: We had lot of fun with the Ambassador missions this year

Qin: Boy we sure did and it was so awesome.

Moondancer: We had a lot of fun on them. Starting with my mission.

Nico: Boy that was so fun.

Kylie: We caught several Ghosts during Moondancer's missions. And we destroyed the Vathek.

Me: That was fun and we humiliated Walter Peck.

Nico: We sure did.

Walter Peck: I WILL KILL YOU IF IT'S THE LAST THING I DO! AND I WILL MAKE SURE EVERYONE KNOWS THE KINDS OF PHONIES YOU ARE!

Me: Oh shut your fucking porktrap you pencil dickless motherfucker!

Screwloose: That was awesome and cool.

Qin: Boy it sure was!

Moondancer: Awesome way to kick off the year.

Camie: It sure was. And as a bonus we got all the Sentai Teams added to the team.

Halinor: My missions were next

Ultrox: Boy that was cool and fun.

Flareizamon: Boy it was cool. And we used our cars on that one.

Qin: We sure did. That was so cool. And an awesome adrenaline rush.

Me: Xenoc was an amazing planet.

Nico: It sure was and we destroyed Undermaster Akhil.

Xenia: And that was so funny how the Demon Bunny tore him apart that entire time.

Puddn: That bunny was scary!

Me: But he did get the job done.

Xenia: Yep.

Qin: Yeah that was awesome.

Erica Haddock: Next were my missions.

Jonny Quest: Boy those were so awesome and virtually awesome.

Camie: They sure were.

Me: They put our technological expertise to good use.

Carnotaur agreed.

Qin: Yeah that was so awesome.

Nico: Yep that was cool.

Deadpool: Ooh and I got to show my face to you guys too. (To the viewers) Remember that one folks?

Zixx: I'll never forget those missions.

Me: Yep. Those were fun.

Qin: That sure is cool.

Varie: Yep.

Matt: Next were my missions

For Lincoln's rescue tomorrow, Lincoln and his group are heading to a wedding in New York City, and Darren Arcangela is going to meet up with an old friend of his named Hiroshi Ohira, a young man from Japan and a high school student that he knew from his older brother, Logan Devereaux, and the wedding is for Hiroshi's classmate, Yodobashi, a rich kid from Japan who's getting married to a young rich heiress named Mika. However, the wedding is going to take a very ugly turn because it turns out Hiroshi's wife, Terumi, had an affair with their old classmates from High School, and her friend, Misaki, who had a history of messing around with married men and is also looking forward to doing the same thing with the groom's friends and family, and when Terumi exposes Misaki's affairs, it's going to turn into a nasty cussing match between all of the guys that Terumi had affairs with, and Terumi and Misaki are going to get into a nasty catfight as the wedding party turns into an affair exposing convention, and it won't be long before it starts raining blood. But, that won't be the worst part: Darren's vile cousin, Connor Devereaux and his MS-13 gang, the ones who killed Darren's older brother, Logan, are going to crash the wedding and they still desire to kill Darren, so Connor can prove his loyalty to MS-13 and rid himself of his cousins. But, Darren's going to show a very darker side to him: normally, he's a kind young man, but he has a malevolent darkness inside him that even The Devil should fear, and when that side of him is unleashed, all Hell is going to break loose! And we're going to meet the next Keyblade Knight, her name is Teresa Tarzan, Keyblade Knight of The Deep Jungle, she's Lincoln's Guardian Angel from the Deep Jungle from Tarzan, she's a Keyblader and the younger sister of Tanya Tarzan, Sailor Soldier of the Deep Jungle, World of Tarzan 1999 and she is the second protector of Tarzan's jungle, and like her sister, she knows all about nature and more and she knows so much about plants, and she along with her sister and Tarzan had made all Poachers pay including Clayton. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

IVAN OOZE is back and he wants revenge! We're going to show him the power of over 46+ Years of rangers and make sure he never returns to spread his slime ever.

See you all next time

Xenia: This is gonna be good.

Me: Yeah! I can't wait to tear that monster Chucky apart.

Lincoln: Yep and I have an awesome plan to help do so.

Camie: This will be fun.

Nico: Sora, I want to thank you, Robo Blaze. And your teams for coming

Sora: No problem Nico. This is gonna be so fun.

Pakura: I'm really looking forward to all this too.

Camie: Me too Pakura.

Varie: This will be awesome and fun.

Nico: Pakura, what do you like to do in your free time?

Pakura: I like teaching kids how to master the arts of fire and Scorch Style. It's not a very common bloodline.

Nico: That is really cool.

Qin: It sure is.

Pakura: But as a side job I work as a Bikini Supermodel.

Nicole: She makes it awesome in them.

She showed pictures of her in amazingly hot bikini swimsuits. RAWR!

Maria: That's a good job. But I still prefer to wear one piece swimsuits. Don't want to encourage perverts.

Nico: We know.

Pakura: Yeah.

Me: Back in 150,000 years I saved Pakura from the Bloodline Holocaust and she became forever indebted to me back then. The corruption in the Sand Village council sent her to her doom back then.

Nico: That's crazy.

Me: Yeah.

Lola: It was awful.

Nico: Wow!

Pakura: Yeah it was awful.

Camie: But at least you stopped it.

Qin: Yep.

Me: It's true.

Nico: Yep. Boy yesterday was an awesome party.

Pakura: It sure was.

Nico: Just like the other Ambassador parties we did.

Pakura: It sure was fun.

Qin: That was an awesome way to close out the first half of the year.

Me: It sure was.

Nico: Yeah it was.

Lola: Wonder what Ambassador Missions for the 2nd Half we'll be doing?

Nico: Oh, I got other special things in mind.

Lana: Like what?

Nico: You'll see. It'll be awesome.

Qin: Yeah.

Xenia: Well it will be fun.

Nico: And you know what's coming later.

Maria: Yep. The trial of the Blood and Honey Movie.

Qin: This is gonna be good. We're going to strip them of EVERY SINGLE penny they have.

Camie: You got that right.

Varie: And it's going to be awesome.

Nico: You think any of these Good Guy Dolls are possessed?

Laney: We'll find out.

Nico: So, we're here in The Good Guy Factory in The Simulator, which means… !

Me: We're going to battle that fucked-up murderous asshole, Chucky!

Lincoln: Nice! Plus, I've got everything planned out on how we're going to kill him. Remember how Dr. Facilier met his end? Well, that's how Chucky's going to die, plus, I also recovered his body and put it into a scroll, so after we beat him to a bloody pulp, I'll transfer his soul back into his original body, and then, I'll summon the spirits of all his victims who will drag him into a portal that'll lead to The Black Gates.

We gasped.

Nico: That's… perfect! This'll show that fucked-up asshole what happens when he dares to mess with forces no mere mortal can even comprehend!

Me: And it'll give him the proper send-off.

Suddenly, we saw a storm brewing at The Good Guy Factory.

Lincoln: It's time, he's already starting the ritual. We need to hurry!

We high-tailed it to The Good Guy Factory, and we arrived just in time to see Chucky performing the ritual and he has a knocked-out Andy with him.

Lincoln: Okay… ! Now!

Lincoln teleported Andy away and put in his place a bomb, and he had no awareness of what had just happened. By the time he realized he'd been had, it was too late as the bomb exploded and he got hit hard.

Chucky: What the?! What the Hell!? No, where's Andy?! WHERE!? SHOW YOURSELF, YOU FUCKERS! WHERE ARE YOU SO I CAN SLIT YOUR THROATS!

Chucky was swearing up a storm!

?: AH, GO FUCK YOURSELF, YOU FUCKED-UP ASSHOLE!

Suddenly, the spirits of the dead appeared from nowhere swirling all around the place wailing and screaming in anger and agony. Then, they converged and exploded in a dark pillar of dark flame as a Phoenix Screech and Thunderbird Cry were heard, and then, we appeared, and that pissed Chucky off big time!

Chucky: WHAT THE FUCK DID YOU ALL DO!?

Lincoln: Switched Andy with a bomb before the ritual can be completed.

Nico: Your ritual failed, asshole, and now, you're getting your ass handed to you!

Chucky screamed with insanely fucked-up rage and got out his knife to stab Lincoln, but Lincoln slit his own palm and tossed some of his acidic blood on Chucky and he screamed in agonizing pain, and Lincoln's palm healed.

Me: OOH! NICE!

Nico: (Snickers) You had it coming, you son of a bitch!

Lynn: Nice one, bro. Now, to give that fucker the send-off of his miserable life!

Chucky threw a knife at Nico's shoulder. He fell to the ground, seemingly not moving.

Chucky: That's it? I didn't think getting stabbed in the shoulder would kill you. Better make sure.

Chucky walked closer to him. As he was about finish Nico off, he opened his eyes.

Nico: (smirks) I love you too.

POW!

He kicked in the face and sent him crashing into a bunch of dolls.

Qin: The old Feigning death trick.

Me: Awesome maneuver.

Lola: Yep.

Nico's wound healed.

Chucky got out of the dolls and HE ROARED AND HE WAS NTH DEGREE FUCKED UP MAN!

Me: COME ON YOU SON OF A BITCH!

I went at him and I jumped onto him and punched him in his face hard and threw him into a wall!

Nico: YEAH!

I fired a blast of energy and smashed the wall down on him.

Me: YEAH!

He got up and he was REALLY MAD NOW!

Chucky used his knife to cut off his hand.

Chucky: Ha! At least I managed to deal some damage!

Nico smirked as suddenly, his hand started moving on its own.

POW!

The hand punched him in his face and sent him crashing into the floor!

Xenia: WHOA!

Me: That was clever!

Sakura Knudson: NICO'S DISEMBODIED LIMBS CAN MOVE AND FIGHT!? WHAT THE FUCK!?

Me: Yep. Nico is just full of surprises.

Nico's hand merged back with him and welded back on him.

Nico: Nice try fuckface.

He went at me and jumped and I grabbed his knife and took it.

Me: Try fighting without a knife.

I punched him into a bunch of dolls.

He got up and Eddy fired his blaster at Chucky's feet and made him dance like a sissy girl!

Chunky: After I kill you all, I'm going after the Loud Clown and her dummy next!

Luan: YOU LEAVE ME AND MR. COCONUTS OUT OF THIS!

Me: Hey Chucky! You've seen dolls pee right? Have you ever seen one bleed!?

I threw a shuriken and it hit him in the shoulder and slashed his ARM CLEAR OFF! He screamed in excruciating pain!

Me: How did you like that Ulcer Breath!?

But there was no blood!

Nico: It's just stuffing.

Me: Chucky was supposed to bleed there.

Camie: A Decoy?

Then the Real Chucky jumped onto my back and then bit me on my neck!

Me: AAAAHH!

I grabbed him.

Me: You pompous motherfucking shitfucker!

I threw him and then Lincoln slashed his leg off and then blood came out!

Nico: There we go.

Me: OUCH!

Chucky: I'm gonna fucking skin you all alive!

Me: I'd like to see you try you Ulcer Filled Shitbucket!

I went at him and kicked him and flew into the air and teleported and bashed him in the back and sent him into a light and electrocuted him all over.

Nico: Take that.

He was burned but not out.

You messed with forces far beyond your own control, and look at what happened, you wind up getting put into a doll and you cheated death! That ain't going to fly, this time, we're going to kill you once and for all, and we'll show you what happens when you mess with forces far beyond your own fucking control!

Me and Nico: YOU'RE HEADING RIGHT FOR THE GRAVE, YOU FUCKED-UP ASSHOLE!

Eli: And it's going to hurt REALLY HORRIBLY and PAINFULLY!

Lincoln, Lyra Heartstrings, and Lynn went after Chucky, and they fired extremely powerful blasts of rainbow energy, lime green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental

Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Chucky and they exploded with incredible power as they hit him.

He was knocked down and REALLY MAD!

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold armored claws and firing energy slashes from his gold armored claws and he, Lyra Heartstrings, and Lynn attacked him with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Chucky super mega insane with rage.

Chucky: I'LL FUCKING CUT YOUR LEGS OFF, YOU FUCKERS!

Me: Bring it on you motherfucking sack of chum!

Chucky ran at us screaming with rage again, but but Lincoln and Lynn jumped him, and they proceeded to give him a Loud House style beatdown, and he was overwhelmed by an enormous fight cloud, and we all heard the sound of punches and kicks being heard in the fight cloud.

Lola: YEAH GET HIM!

Laney: TEAR HIM APART!

Then, Lincoln and Lynn kicked him hard out of the fight cloud and he landed on the ground again in a daze. Then, Lincoln lifted him up with telekinesis, and he took out and unraveled a scroll, and the scroll summoned Chucky's original body. Then, Lincoln's left hand glowed with green energy, and he fired a green energy blast which hit Chucky and forced his soul to enter back into his original body. The doll fell to the ground, and Chucky was now back in his original body.

Chucky: NO! WHAT DID YOU DO TO ME?!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I just removed your soul and put it back into your original body. But, you won't be safe for much longer!

Me: Now I can do this!

POW! BLAM BIFF SMASH!

I punched him in his face and bashed him all over!

Xenia: Now attacking him back in his normal body will be easy!

Maria: What do we do with the doll?

Lola: It's just a normal doll now so I'll keep it.

Qin: Go for it Lola.

Nico: Besides I know it's a reminder of Chucky but at least he'll soon be forgotten.

POW!

I kicked him into a bunch of dolls.

Me: How does it feel Charles!? How does it feel!? The Pain that you dealt to all 75 of your victims! All those you brutally slaughtered whose blood is on your hands?

Charles came at me and I punched him and kicked him in his stomach and punched him in his face and kneed him down.

Me: That's for getting Andy's mother sent to a looney bin!

POW!

I punched him in his face and knocked out his teeth!

Me: That's for trying to kill Andy on Christmas!

Charles got up.

Charles: I'd like to see you guys fight my 2019 version!

Nico: Oh, that one? That's just an AI toy who's safety protocols got removed by a mistreated employee.

Eli: And you don't have to worry about that one. I deactivated it a long time ago in my universe before I joined the team and banished it to another dimension. It's not going to come here anytime soon.

Charles: NO!

Qin: YEAH!

I fired a blast of energy and blasted him all over.

Maria: If we ever got an AI toy like that, remind me to have Lisa check its' safety protocols

Nico: Noted.

Lisa Loud: As a matter of fact I do have something I can show you all when we get back.

Me: Lets focus first.

Suddenly, Lincoln chanted an incantation, and then, out of nowhere, all of the spirits of all of Charles's victims from his murderous spree appeared, and they glared at Charles with hatred and rage for what he did to them, and they were out for one thing: his blood and a desire for revenge. Then, the spirits opened a portal that led straight to The Black Gates.

Me: (Smirks) Enjoy your last moment of freedom, asshole, because it's about to be your last.

Nico: This is the price you must pay for messing with forces beyond your comprehension.

Then, the spirits of his victims grabbed him and began pulling him in.

Charles: Hey, hey, you can't do this to me! DO YOU KNOW WHO THE FUCK I AM?!

Then, as a final farewell, we flip that fucker the bird as he screams out in rage as he's finally pulled in and after being found guilty, he was erased forever. Then, the spirits of his victims were freed and they can finally rest in peace. We all cheered as Lincoln, Lynn, and Lyra Heartstrings' holstered their weapons and powered down, and Lyra Heartstrings' new body, clothes, weapons, jewelry, Third Eye, longer mint green horn and mint green tail, and massive mint green angel wings are permanent, and Lynn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long chestnut brown wolf tails, and massive chestnut brown angel wings are permanent.

Lynn: Good riddance, you sick twisted son of a bitch.

Suddenly, Lyra Heartstrings felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Lyra?

Lyra Heartstrings: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that asshole the beating of their lives.

Nico: You got that right, and Lincoln, that was so awesome, you used Shang Tsung's Soul Transplant and placed Chucky's soul right back into his original body.

Lynn: And the way he died, that was really epic!

Lyra Heartstrings: And now, we're rid of Chucky for good.

Me: Thank goodness.

Suddenly, Lyra Heartstrings wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Lyra Heartstrings' face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Lyra Heartstrings absorbed the elements and they came back to us as the display vanished.

Laney: Lynn was right, the way he died, it was just like how Dr. Facilier died as soon as his deal with the Shadow Demons was finally up and they dragged him to The Underworld. But, for Chucky, he was dragged to The Black Gates by the spirits of his victims.

Nico: That was a massive form of Karmic Justice: he messed with the forces far beyond his control, and he gets fucked in the end.

Me: Now, he'll rot in The Black Gates forever!

Lincoln: And be subjected to unspeakable torture for all eternity.

Taro: You should be proud of yourself, Lyra.

Lyra Heartstrings: Oh I am.

Lisa Loud: Now I'll be right back.

ZOOM!

Lisa ran fast and then later came back with something under a tarp.

Me: What is it?

She took off the tarp and we saw CHUCKY 2019!

---

Chucky is the main antagonist of the 2019 horror film Child's Play, which is the reboot of the supernatural slasher film of the same name. He is an out-of-control toy who goes on a killing spree, due to his programming, while befriending a 14-year-old boy named Andy Barclay.

He was voiced by Mark Hamill, who also voiced various versions of the Joker and Ferris Boyle in the DC Comics properties, Ozai in Avatar: The Last Airbender, Colonel Muska in Castle in the Sky, Darth Bane in Star Wars: The Clone Wars, the Skeleton King in Super Robot Monkey Team Hyper Force Go!, the Hobgoblin in Spider-Man: The Animated Series, Maximus in the Fantastic Four animated series, Tony Zucco in The Batman, Stickybeard in Codename: Kids Next Door, Flint in Disney's Buzz Lightyear of Star Command, Niju in Balto II: Wolf Quest, Solomon Grundy in the DC Animated Universe, the Trickster in The Flash, Dictatious Maximus Galadrigal in Trollhunters, ShiverJack in Jake and the Never Land Pirates, Undergrowth in the Danny Phantom series, Agent Goodman in Recess: School's Out, Popsicles in The Powerpuff Girls, and Alvin the Treacherous in the How to Train Your Dragon series.

In Vietnam, an employee working for Kaslan Corporation is berated by his supervisor and is fired for toy operating. Before being let go, the employee decides to tinker with one of the Buddi models and removes the safety features to ruin his former boss's company. As that Buddi doll was going to be delivered internationally, the disgruntled employee commits suicide.

After blackmailing one of her coworkers at the local shopping mall to get her son Andy an early birthday gift, Karen Barclay presents the Buddi doll to her son. While he is disinterested about the doll at first, Andy slowly warms up to the doll which christens itself Chucky. Unfortunately, Chucky slowly drifted into committing violent acts when Mickey Rooney, Andy's pet cat, scratches him. Seeing that the cat had hurt Andy, Chucky tries to strangle the cat to death in an effort of protecting his owner. Eventually, Andy befriends two kids-Falyn and Pugg respectively-through their love of Chucky's behaviors. What starts off as fun quickly turns dark when Chucky notices Andy and his friends reacting pleasurably to watching Texas Chainsaw Massacre 2, and he grabs a knife from the kitchen in a reenactment of the film. Thankfully, Andy and the others quickly disband him, but it leads to Chucky cutting Andy with the knife.

Chucky starts to torment Shane, Karen's boyfriend, climaxing in Shane threatening Andy and Andy's wish of him being gone from his life. When Shane returns home to his family, he is tasked with taking down the Christmas lights. Suddenly, he is kicked off his ladder, the resulting fall rendering both his ankles broken, and Chucky activates the lawnmower, slicing off his face before finishing him off with a knife after saying that it was for Tupac. He then takes the face and presents it to Andy as a gift.

Word of the death circulates throughout the town. Realizing it to have been Chucky's doing, Andy regretfully dismembers Chucky alongside Falyn and Pugg. After sending his body down the garbage chute, the apartment's electrician Gabe finds the Buddi doll and reassembles it, with selling it on the black market being the end goal. As he was now able to connect to the apartment's interface, Chucky giddily toys with Gabe before causing him to fall on a table saw killing him instantly. Chucky then makes Omar his new owner and upon hearing Detective Mike's mother Doreen call Andy her new best friend, Chucky hijacks a Kaslan Car and kills her personally after causing the car to crash.

Andy tries to convince his mother of Chucky's murderous nature, but ultimately fails, resulting in Karen taking him along to her next shift at the shopping mall in order to keep him nearby; while, at the same time, Mike travels to the mall as well, suspecting Andy to be the killer. However, Chucky takes control over the mall, and hijacks numerous toys-including the other Buddi dolls-to kill off numerous employees and customers, while activating the lockdown sequence to trap everyone inside. Andy and his friends manage to reach the exit, but Chucky reveals that he has kidnapped Karen amidst the chaos and is planning to kill her, forcing Andy to return. Andy faces Chucky only to be knocked out by a second Buddi doll; and upon him awakening, Chucky prepares to "fix" him to make him happy again by cutting him open. Before this can happen, Andy frees his mother and stabs Chucky, who attempts to lunge at him before being shot by Mike and decapitated by Karen.

Later, as paramedics tend to Karen, Mike and the other survivors, Andy and his friends further dismember Chucky's body in a nearby alleyway before setting it on fire, destroying him for good. Afterwards, Kaslan Corporation issues a mass recall of all Buddi dolls in the wake of Chucky's killing spree and places them into storage. However, one of the dolls begins to malfunction inside it's box, bearing the same red eyes and appearance as Chucky; implying that he has not been destroyed for good. Regardless whether he survived or not, Chucky did fulfill the purpose for which he was reprogrammed: his actions against potential customers of Kaslan Corporation products have indeed given the company a horrific reputation for selling a killer toy and forcing it to issue a massive recall, which means that Kaslan Corporation will most likely not recover for many years.

WE GASPED!

Me: Oh. My. God!

Qin: Oh man!

Chucky 2019: Looks like you guys have found me.

Qin:: Whoa!

Me: Your voice sounds so much like the Joker!

Xenia: Yeah!

Chucky 2019: My voice does sound like him doesn't it.

Me: Whoa!

I looked at him with my data eyes and it showed that he was not a doll but rather a really awesome robot that was built to be a friend forever.

Me: Wow! They did a good job making you.

Nico: I personally have nothing against you.

Lisa Loud: And I found these were removed from him.

She showed safety chips that were removed from him.

Me: Safety chips. Whoa no wonder. Lisa where did you find this?

Lisa Loud: I found our 2019 Chucky friend here in a dumpster. His batteries were thrown out.

Lisa opened him and then put the safety chips back in and then his eyes went from Red to Blue and he was nice and friendly again.

2019 Chucky: Oh my! What have I been doing?

Me: You were killing innocent people because your safety chips got tampered with by a stupid disgruntled employee.

2019 Chucky: Is my Andy okay?!

Nico: He's fine.

Me: But we're going to have to explain how this all happened to him because of what that mad employee did.

Lola: And all this because he lost his job! What a jerk!

Me: Yep.

Eli: You know that guy should have just quit and found a much better job instead of lashing out like that.

Qin: I agree there.

Me: But after he made you evil he blew his brains out and took his crimes to the grave.

Qin: Yeah.

2019 Chucky: Oh man. I have a lot of explaining to do.

Nico: Although that Shane asshole and that Gabe pervert DID have it coming. Shane was cheating on Andy's mom and Gabe bugged every bathroom in his apartment to spy on women as they shower or get naked.

Nicole: (ENRAGED) WHAT!? (GROWLS)

Nico: Easy Nicole. They both are already dead.

Nicole: Oh. Sorry.

Nico: Yeah.

Me: Sorry we have a very strict anti-pervert policy.

2019 Chucky: I understand.

Nico: In the future, only kill those who have it coming.

Me: Yeah.

2019 Chucky: Thank you. I will remember that.

Me: Good.

2019 Chucky: Please forgive me for my transgressions.

Me: It wasn't your fault. If anyone was to blame for all that it was that mad former employee. Whoever he was.

2019 Chucky: Okay then.

Me: Now we got work to do. We have Anothers to take down.

Laney: Yep.

Eli: And I sense that we have Another Battling Another Hopping Hessian, Mortimer Khan, Filbert the Chernabog (Rocko's Modern Life), Benton Tarantella, Aliens (Courage The Cowardly Dog), Swamp Monster, Hunting Deer, Hornet Tomatoes, Snake Peas, Piranha Cabbages, Scarecrow (Courage the Cowardly Dog), Trifire and Robo-Blaze.

WE GASPED!

Me: Whoa!

Lana: Wow! I remember some of those! The Hornet Tomatoes, Snake Peas and Piranha Cabbages were from when we got that dome, the Scarecrow we found and helped, the Aliens stole Muriel's Kindness, the Swamp Monster was trying to find his love and the Deer was fed up with us hunting them.

Qin: And I remember Benton Tarentella. He was that director me and J.D. faced when we found Missy.

Nico: Wow!

Nico: I don't blame the Deer.

Fluttershy: I feel the same way. I would be fed up every hunting season too.

Me: (LAUGHS) Daffy Duck feels the same way every duck season because he gets blasted all the time.

We laughed!

Me: (LAUGHS) That always cracks me up.

Nico: Looks like Morgana is going to get her wish fighting her ancestor as an Another.

Lola: Yep.

Maria: Who do we call in for them?

Me: Helena Halloween, Terumi Momochi, Cadance Concordia, Kira Knightmare, Lara Virellia, Carol Fawn, Ninnia, Olivia Ojama. Coconuts Turner, Morgana Khan and Megan Megalith.

Nico: Neat!

In swirls of elements came the girls chosen.

Helena Halloween: Hey, guys!

Carol Fawn: Howdy Nico. Howdy everyone.

Qin: Awesome you came.

Cadance Concordia: Whoa you guys made a mess here.

Me: We have quite a story to tell you.

We told them everything.

Nico: And that's what happened.

Cadance Concordia: Oh my god!

Lara Virellia: I can't believe that guy did that to this version of Chucky!

Coconuts Turner: Why that low down jerk!

Megan Megalith: I'll smash his face in for this if he ever comes back!

Olivia Ojama: No kidding! Me too!

Nico: Yeah.

May: Although the two asshole victims had it coming

Coconuts Turner: That's good they did.

Qin: Yeah. Nicole would have killed them herself.

Nicole: Yep it's true.

Nico: Yep.

Cadance Concordia: Yeah no kidding.

Nico: I liked the Falyn girl.

2019 Chucky: Me too.

Me: Yeah. But lets get down to business.

Eli: I sense that the Anothers minus Robo-Blaze are one person.

Qin: Cool!

Nico: Oh right! Here they come!

We saw Another Battling Another Hopping Hessian, Mortimer Khan, Filbert the Chernabog (Rocko's Modern Life), Benton Tarantella, Aliens (Courage The Cowardly Dog), Swamp Monster, Hunting Deer, Hornet Tomatoes, Snake Peas, Piranha Cabbages, Scarecrow (Courage the Cowardly Dog) and Trifire!

Pakura: This is gonna be awesome.

Xenia: Yep.

Another Swamp Monster: (In a girls voice) This will be fun and awesome.

Me: That voice!

They merged and she reverted back and she was a girl with black hair and green eyes and had black clothes and silver angel wings and had a tiara with the symbol of Kamen Rider Fang on it and the symbol was on her skirt and she had Sauron's Mace club in her hands.

Me: Felicia Fang!

Qin: Whoa!

Felicia Fang: Awesome to see you again J.D.

Me: Same here. Felicia is the embodiment of Kamen Rider Fang from W and is one of the strongest out of them.

Philip: Wow!

Shotaro: Cool!

Me: Yep.

Qin: Awesome.

Me: By the way is the Another Robo-Blaze friendly or hostile?

Felicia Fang: Friendly and this one is gonna be awesome.

Me: Neat.

Nico: Sorry we have to fight like this.

Felicia Fang: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers!

Nico: Nice!

Another Hunting Deer: A deer's gotta do what a deer's gotta do.

Nico: I know. Which is why we're still sorry to do this.

Pakura: Here's my turn. SCORCH STYLE: SUPER STEAM KILL!

She formed fireballs and they swirled around her and fired them at Another Trifire and withered him into a mummy after evaporating all the water out of him.

Qin: WHOA!

We fired waves of energy blasts and blasted the Anothers and I caught the Wonder Ride Books!

Me: YEAH!

Xenia: Awesome!

Maria: Time for backup! (TURNS DIAL) BRONZE FURY 6!

She summoned Bronze Kneecap, Fracture, Probabilitor the Annoying, Good Mr. Burns, Helga Von Guggen and Scythe 2.0!

Qin: Awesome!

Lola: Yeah!

Nico: Now we wait,

Me: We don't have to wait long!

We saw a figure and it was Another Robo-Blaze!

Robo-Blaze: Boy who is that handsome devil?

Nico: Like looking at yourself in the mirror.

Xenia: Yep.

Another Robo-Blaze: (In a girls voice) But it's really awesome.

Me: (GASP) That voice.

She reverted back and was a girl that had black hair and orange and black clothes and she had white angel wings.

Me: (GASP) Lorelai Vendetti! Wow!

Lorelai Vendetti: Awesome to see you again J.D.

Me: Same here. Lorelai is a girl I know that I know and she has a really crazy story. She was playing in the street and then she got hit by a semi-truck. The accident left every single bone in her body broken and there was a doctor at the hospital that turned her into a cyborg. It saved her life and gave her all the same powers as Lazuli and Lapis and Cyborg Lincoln.

Nico: WHOA!

Me: Yeah.

Lorelai Vendetti: It's true. It's amazing.

Nico: Wow!

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

Kaito got a Beast Morphers Sword and Zocks got a Super Megaforce Sword.

Lorelai Vendetti: Nah he new my power would easily tear him apart so he just stuffed the ridewatch in me and sent me on my way.

Me: I'm not surprised. He didn't want to get massacred by you.

Sakura Knudson: Boy that is for sure. By the way did you know that Xaviax taught Swartz his manipulation skills?

Lorelai Vendetti: You mean that monster that J.D. fought 15 years ago?

Me: The very same. And we destroyed him 2 days ago.

Nico: Awesome battle.

Me: Yep. Also Swartz learned all his manipulation skills from Xaviax. We found out about that back then.

Lorelai Vendetti: Whoa man! That is crazy!

Me: It was. Sorry we have to fight like this though.

Lorelai Vendetti: No worries.

Sougo: (gets out Beast Morphers Ridewatch) It's fitting that you're a cyborg.

Geiz: (gets out Super Megaforce Ridewatch) Because 2019 Chucky over here can manipulate technology.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor.

Lorelai Vendetti: That is too true and I think that is awesome.

Me: That's just like Cooper Daniels power. He can do the same thing as well.

2019 Chucky: That is really cool.

Me: Yep.

Lorelai Vendetti: Wow! That is awesome.

She turned into Another Robo-Blaze!

Nico: Time for some Cyborg Power.

Nico activated Robo-Blaze's Ridewatch and got an awesome Cybernetic armor. He fired laser blasts and blasted her down.

Nico: Feel the heat! (ACTIVATES TRIFIRE'S RIDEWATCH)

He fired a blast of fire and blasted her down.

May: Time for some Werewolf power! (ACTIVATES VALERIE THE WEREDOG'S RIDEWATCH)

May looked up and the Full Moon peered out from behind the clouds and then she grew fur, her teeth turned into fangs, she grew claws on her hands and feet, she grew wolf ears and her eyes turned yellow and glowing! She turned into MAY CHAN THE NOCTURNAL!

May: (HOWLS!)

Me: WHOA!

Eli: AWESOME!

Me: WOW! May you look awesome as a werewolf!

May: Boy I sure do!

May fired a blast of moonlight energy and smashed her down.

May: Another this to! (ACTIVATES RINKA'S RIDEWATCH)

She fired a barrage of energy rings and smashed her down.

Maria: Here is this one! (ACTIVATES CHUMBOT AND JELLYFISHNOID'S RIDEWATCHES)

She fired waves of lightning and electrocuted her all over!

Pakura: Oh yeah! Time for some fire. (ACTIVATES TRIFIRE'S RIDEWATCH)

She fired a blast of fire and blasted her down.

Then Trap Jaw, Roulette, Splatter Phoenix, Universe 666 Obito Uchiha, Metamorphosis and Vampire Pinkie Pie came.

Nico: Awesome team Trap Jaw!

Trap Jaw: Thanks Nico.

Laney then was coughing a lot.

Me: You okay Laney? Got something bothering your throat?

Laney: (COUGHING) No I smell something in the air and it's making my nose hurt.

Me: (Sniffs) I smell it. Smells like hot sauce and peppers.

Nico: Yeah I smell it too.

?: (Cajun Accent) Ooowee! That's from me guys.

We saw a Scovillain!

Me: Cool a Scovillain!

Qin: Awesome!

Nico: Wow!

Scovillain: (In a girls voice) (Cajun Accent) Ooowee! Good to see you again Nico.

Nico: Camille Bergeron!? Whoa!

Me: Wait one of the most famous Cajun Chefs in the world and the maker of some of my favorite hot sauces!? Awesome!

She reverted back and was a girl with red hair and had red eyes and had a symbol for a flaming pepper in the middle of her forehead and she had fire angel wings and had red clothes and had green gloves and had green pants on.

Camille Bergeron: Ooowee! This will be fun and yes that's me.

Me: Cool!

Camille Bergeron: I got this one.

She fired a blast of fire it hit Another Robo-Blaze and exploded!

I caught the ridewatch and purified it. Lorelai was back to normal.

Lorelai Vendetti: WHEW! Thank you for that.

She was standing and not even tired one bit.

Xenia: That was cool!

Lola: YEAH!

Pakura: What's your favorite memory of Nico?

Camille Bergeron: When I made my famous Cajun Supreme Po Boys for Nico and they are made with the hottest ever pepper sauce I ever made. My Moonscar Ghost Nova Sauce.

Me: That's one of my favorites!

Camille Bergeron: Ooowee! You have good taste. We gave some to a queen bee girl we hate and she literally exploded into a bloody mess.

Me: YUCK!

Varie: That is literally explosive.

Nico: Yep. But those were good sandwiches though.

Me: Nice.

Nico and Camille hugged.

Nico: I've really missed you.

Camille Bergeron: Ooowee. Me too Nico. Me too.

We later left the simulator and told everyone everything and it was awesome.

However, the wedding is going to take a very ugly turn because it turns out Hiroshi's wife, Terumi, had an affair with their old classmates from High School, and her friend, Misaki, who had a history of messing around with married men and is also looking forward to doing the same thing with the groom's friends and family, and when Terumi exposes Misaki's affairs, it's going to turn into a nasty cussing match between all of the guys that Terumi had affairs with, and Terumi and Misaki are going to get into a nasty catfight as the wedding party turns into an affair exposing convention, and it won't be long before it starts raining blood.

But, that won't be the worst part: Darren's vile cousin, Connor Devereaux and his MS-13 gang, the ones who killed Darren's older brother, Logan, are going to crash the wedding and they still desire to kill Darren, so Connor can prove his loyalty to MS-13 and rid himself of his cousins. But, Darren's going to show a very darker side to him: normally, he's a kind young man, but he has a malevolent darkness inside him that even The Devil should fear, and when that side of him is unleashed, all Hell is going to break loose!

Lincoln: Whoa, we're here in New York.

Me: And according to Darren, a wedding's taking place here, we've never had a wedding on any of our rescues before.

Nico: Same here, that's awesome.

Lincoln: And I know what we're going to do here, not only am I going to rescue the five girls here, but we got word that Darren's vile and evil ex-cousin, Connor Devereaux and his MS-13 gang, the ones who killed his older brother, Logan Devereaux, are going to crash the wedding.

Darren Arcangela: They still desire to kill me, so Connor can prove his loyalty to MS-13 and finally rid himself of us?! I will leave them all to die in a pool of their own fucking blood!

Suddenly, we saw Darren's blue eyes turn blood red.

Selene Arcangela: Oh no. I was afraid of this!

Takanuva: What's wrong?

Selene Arcangela: This is something I should've told you all about: Darren has a cursed bloodline that dated back to the days of his ancestor, Elias Devereaux, he was one of the most notorious warlocks in the 1900s, he made a Faustian deal with The Devil and he sold his soul for dark powers which he had used to cause havoc and destruction. But, my ancestor, Angelico Arcangela, defeated Elias, and he'd broken the very object of his deal: his medallion, and as a result, The Devil claimed Elias' soul and he was dragged to Hell for eternity. Ever since then, The Devereaux Family was cursed to deal with the very darkness that Elias condemned them to, some of Darren's family turned into criminals and they embraced the darkness of Elias, but Darren, his parents, and older brother Logan, were the only ones who weren't affected by that dark legacy, or so we thought. Darren was the only one afflicted by the darkness of Elias' legacy of evil, and one wrong move will trigger Darren's descent into darkness once again.

Me: He's had a descent into darkness before?

Selene Arcangela: Long ago, Darren fell into darkness because of another attempt on his life by that MS-13 fanatic and murderous bastard, Connor, and when that happened, Darren let the darkness in him out and he killed several MS-13 members in cold blood. His brother's old friend from high school, Hiroshi Ohira, a young man born in Japan but moved to America at a young age, stopped him. See, Darren may be vicious and dangerous when the darkness inside him emerges, but Hiroshi is really strong and smart with an IQ of over 200, he outsmarted Darren's vicious attacks and pinned him to the ground.

Nico: Nice!

Selene Arcangela: He only used 25% of his strength to take Darren down, if he went all out, Darren would be in the hospital for a month, or worse, lose his life.

Me: (WHISTLES) Man, he sure is tough. But, I never knew about that dark legacy your family had, Darren.

Darren Arcangela: It's a curse I've unknowingly carried for years, and it got worse with the death of my mother from cancer and my father's suicide by drinking, and I was only eight at the time, and then, seven years later, Logan was murdered by that bastard, Connor. So, yeah, death, tragedy, and darkness are now part of that family curse I now have to carry with me, and if that bastard, Connor, thinks I'll let him get away with this, I'll show him Hell on Earth!

?: Darren, I don't want to have to pin you to the ground again if you get that worked up again.

We then turned around and saw a man with long black hair and brown eyes, he was tall at 6'11" in height, and he had a very strong physique and he was dressed in fancy clothes, it was Hiroshi Ohira, Logan Devereaux's old friend and friend of Darren.

Darren Arcangela: Hiroshi, I should've known.

Hiroshi Ohira: (Laughs) Yep, and it's good to see you again, Darren. And you also brought Team Loud Phoenix Storm with you to the wedding, and it's a pleasure to meet you all.

Me: You too, Hiroshi.

Hiroshi Ohira: Come on inside, Yodobashi and Mika are going to enjoy meeting the rest of the team and seeing you again, Darren.

Nico: And I suppose you heard…?

Hiroshi Ohira: Connor and his gang are coming. I should've guessed it, and they have some nerve to pick today of all days to come after Darren again.

Lincoln: Connor's a lowlife thug, and I hope you don't have to pin Darren to the ground again, we'll need him if we want to get rid of Connor and his MS-13 gang and avenge your old friend's death.

Hiroshi Ohira: You're right, my old friend, Logan Devereaux, died at his cousin's hand and left his own brother alone, that is truly unforgivable.

We headed inside, and we were greeted by all the guests along with Yodobashi and his newlywed wife, Mika, along Hiroshi's wife, Terumi, and her friend, Misaki. But, Darren had quite the grudge against the two girls, as we were going to find out. Hiroshi made his speech and it was awesome. Suddenly, during a conversation with Hiroshi and Terumi, we saw Terumi absolutely lose it big time, and she got up on the podium and blabbed about Misaki's affairs with their classmates.

Misaki: Hey, what are you doing?!

We gasped in shock.

Darren Arcangela: Logan was right that Misaki couldn't be trusted not even for a second!

Yogosawa: Hey, stop! Terumi! I thought we were just having fun! Why are you so angry all of a sudden?! Is it because I was two-timing?

Terumi: What? You were having an affair with Misaki too?

Yogosawa: Isn't that what you were angry about?!

Kamonohashi: Terumi?! What's with you and Yogosawa?! I thought you liked me! I even gave two million yen to you!

Terumi: Shush!

Me: What the?!

Nico: What on Earth is happening!?

Yogosawa: Shut up, you fatso! Get lost! I love Terumi more than anything in the world.

Misaki: Since everyone's exposing each other, I have something to say too! Terumi is also having affairs with multiple men!

Hiroshi Ohira: What?!

Darren Arcangela: WHAT?! YOU BETRAYED HIROSHI AND HAD AFFAIRS WITH MULTIPLE MEN?!

Suddenly, all the guys who were having an affair with Terumi started to stand up and many of them started cussing at one another while defending themselves, and it was starting to get ugly!

Me: Oh man, they poked a hornet's nest!

Lincoln: What is this?! This is no wedding party, it's utter mayhem!

Kamonohashi: Who's your favorite, Terumi?!

Yogosawa: Why does she have to say it publicly?!

Terumi: You snitched on me, Misaki! I always knew you wanted to get rid of the competition!

Misaki: Why would I do that, and also, can you stop going after my boyfriend?!

Terumi: You don't even have a boyfriend, you're just playing with everyone you see!

Kamonohashi: Aren't you supposed to divorce him and marry me, Terumi?!

Hiroshi Ohira: What on Earth is going on?!

Yodobashi: My wedding has turned into an affair exposing convention.

Me: That's the worst kind: a wedding turning into an affair exposing convention.

Nico: And right out of the mouths of two gold-diggers.

Darren Arcangela was already starting to get really furious, and we saw the lights flickering: we saw it as a sign of the darkness inside him re-emerging.

Suddenly, the doors were kicked open, and we saw who it was that did it: it was Connor Devereaux, the murderous MS-13 fanatic and vile cousin of Logan and Darren Devereaux, and the one who had murdered Darren's brother.

Connor Devereaux: Bastards and bitches, EAT LEAD AND DIE IN THE NAME OF MS-13!

Connor Devereaux and his gang got out machine guns and started firing, but Lincoln made a very massive and powerful diamond barrier to protect us and everyone from Connor and his gang. But, they had no signs of stopping and Connor Devereaux was laughing like a crazed maniac, and that was only making Darren even angrier as the memories of his brother's murder came back to haunt him. Suddenly, Darren let out a demonic roar and his blue eyes turned blood red with hatred and darkness and he unholstered his Archangel's Greatsword from his back, but then, we saw it for ourselves: the white aura he has turned black and red and the left side of his long long-sleeved white coat turned black with demons and hellfire on the coattails and his massive white angel wings turned black.

Hiroshi Ohira: Yodobashi, it'll start raining blood soon. Brace yourself.

Yodobashi: Yeah, it's only a matter of time.

Darren Arcangela: (Demonic Voice) CONNOR!

Connor Devereaux: Hah! You think you can stop me, Arcangela dog?!

Darren Arcangela: (Demonic Voice) No matter how many times I prayed for a new life, you scumbags had to come and fuck things up for me! I guess it proves my new life will always be riddled with just chaos and destruction, and that all my chances for a new life will never come true, that I will just be another victim of death and tragedy along with my family's curse! Well then, so be it. But, if I intend to lose my last chance for a new life, I'm taking your life along with the rest of your MS-13 asshole friends!

Suddenly, Darren made the diamond barrier disappear and he charged at Connor Devereaux and his thugs, and when that happened: ALL HELL BROKE LOOSE! Darren proceeded to slash at his cousin and his thugs with his greatsword and summoned demons to attack them, all while he was laughing demonically.

Me: Oh God, what have they done?!

Lincoln: All Hell has broken loose, and Darren's now out for blood. He's lost his only chance for a new life because of his cousin and his gang showing up again, now he has nothing left to loose and he let the darkness inside him out once more.

Hiroshi Ohira: Selene did her best to keep Darren's darkness from rising again, but it wasn't enough, his family's curse would always follow him. Logan told me all about it the night before his date with Ashley that also ended with their cousin murdering him, and we were shocked at his family's dark history. Logan remained freed as he was growing up and death claimed his life, but as Darren was growing up, the darkness came for him and in the process, he lost his mother and father and then, he lost his brother. He suffered a fate crueler than going to Hell or death: eternal damnation without any hope for salvation.

Lincoln: That… really is dark.

Sebastian Mendez: His fate is even darker than mine.

Suddenly, we saw a beautiful and super sexy girl with long dark brown hair with and green hairband, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings, she's dressed in a green sleeveless top, necklace with pearls and green gem for the pendant, green skirt, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light, Keyblades, trees, animals, and angels on the coattails and on the back is The Deep Jungle in her right hand is The Jungle King Keyblade and with her are the five girls.

Lincoln: (GASPS) Teresa Tarzan, Keyblade Knight of The Deep Jungle.

Teresa Tarzan: That's right, and I got the girls away from Connor Devereaux and his gang. And it looks like I came too late to see Darren's descent into darkness again, sorry, Selene.

Selene Arcangela: We knew it was coming. But, we need to get rid of Connor Devereaux and his gang and get Darren calm again.

Hiroshi Ohira: And then, I'm going to sue Terumi for cheating on me with those ten guys from high school.

Sylvester: Then, let's send them all on a one-way trip to you-know-where!

Hiroshi Ohira: I don't know what made you jerks come again for Darren's blood, but this is the last time we ever have to deal with you!

Connor Devereaux: DIE!

Connor Devereaux got out a knife and tried to stab Hiroshi Ohira with it, but he dodged the strikes, but some of them slashed his tuxedo.

Hiroshi Ohira: Okay, those cheap blows just means you've gone and stepped into Hell now.

Hiroshi Ohira took off his jacket and dress shirt and he had on a sleeveless tank top, and he was REALLY RIPPED! Then, he countered another of Connor's strikes and he swiftly pinned him hard into the ground!

Connor Devereaux: (In Pain) Agh… , get off! Men, KILL HIM!

Connor's crew were about to help, but Lincoln fired powerful rainbow energy blades from his massive greatsword which hit them in their black hearts and exploded, destroying them for good and sending them both to The Black Gates forever. Darren was just about to kill Connor Devereaux in his fit of deranged fury, but Hiroshi got off of Connor and swiftly pinned Darren's arms to his back and he really struggled to get him off, but that allowed Lincoln to cut Connor Devereaux down and sent him to The Black Gates. We cheered as we holstered our weapons and powered down, but Darren was still really out for blood and crazy.

Darren Arcangela: (Demonic Voice) YOU… ! YOU STOLE MY KILL!

Hiroshi Ohira: Darren, stop! This isn't you, okay? The Darren I knew would never give into despair that easily, I know how hard it was for you when you lost both your parents and when you lost Logan, I do. But, you should never ever try to give up that easily and let your pain and despair guide your actions! Don't you remember what your brother promised you the night before he died, he promised that he would always be there for you even in death. He was always there for you, Darren, even from his place in Heaven, he and your parents were there for you, and they always will… deep inside your heart.

Suddenly, Darren snapped out of his anger as we saw his eyes turn from blood red back to blue and his massive black angel wings turn back to white, but the left side of his long long-sleeved coat still remained black with devils and hellfire on the coattail. Darren broke down and we saw tears fall from his eyes.

Selene hugged Darren.

Selene Arcangela: It's okay, Darren, it's okay.

Lincoln: You turned Darren back to normal, and what you said to him, was that…?

Hiroshi Ohira: Yeah, those were Logan's last words he said to Darren the night before he died, and I was there that night when the cops were called. Those words were the one thing that can truly snap Darren out of that very state. Now that my old friend's little brother's back, I think it's time I took care of some unfinished business.

Darren Arcangela: Oh yeah. Hey, there's those gold-digging roaches!

Darren tied Terumi and Misaki up with gold energy ropes, and we took them to court where Hiroshi sued Terumi and the ten guys she cheated on him with, and he got paid quite the hefty settlement and he divorced her. Then, we followed him to a vault he has in his mansion which was as fancy as all the other mansions and ours, and we looked in the vault and we saw a massive horde of dollar bucks and coins.

Me: WHOA!

Hiroshi Ohira: It's nothing to brag about, but I am from a wealthy family, and what you see inside the vault are compensation settlements I'd gotten from divorces. I've been betrayed and cheated on by a lot of girls who decided to have an affair with another guy, and it resulted in me taking them to court and getting a settlement and divorce.

Nico: Ouch! Man, that's harsh.

Hiroshi Ohira: I know, but I always bounce back though. I'll find a girl who'll love me for who I am.

Me: That's the spirit! Say, would you like to come to Gotham Royal York to live with us?

Hiroshi Ohira: Hmm, I would like that. Plus, I'll stay in contact with Yodobashi and Mika, and Terumi and Misaki are already paying the price for their adulterous affairs, so Terumi is out of my life for good.

We moved Hiroshi to Gotham Royal York and we set up his room in

The World Tree Estate and he had settled in pretty quickly, he also stays in contact with Yodobashi and Mika, and as for Terumi and Misaki, because of their affairs coming to light, they had to pay heavy compensation to Hiroshi and the wives of the men they had an affair with, and they had to move to a crappy one-story apartment and they also had to get part-time jobs to pay off the compensations and debts.

Darren Arcangela: Well, it looks like the wedding of the century in New York had turned into an affair exposing convention. At least, Yodobashi and Mika are married, and Hiroshi divorce Terumi and got a hefty compensation from her and the guys she cheated on him with.

Lincoln: It was absolute chaos, and it was made worse because of your bloodthirsty ex-cousin and his MS-13 gang who were still out to kill you to prove his loyalty to that gang, he was sick!

Eli: He was sick and twisted, and to make things really bad, his desire to kill again caused Darren to lose it and he let the darkness out and he viciously attacked those thugs. It took Hiroshi to keep him from going even more crazy.

Hiroshi Ohira: Big time. I never skip out on any work-outs and I still remained in top shape, and I've kept my skills sharp in case Darren flipped out again. But, at least, Connor Devereaux and his gang are gone, and my old friend can finally rest in peace, and I've kept this with me.

Hiroshi showed us a memorial shrine he made of Darren's brother, Logan Devereaux.

Darren Arcangela: His photo, it's his senior photo. This was on the day before he died, and he was on his way to graduate from high school. Connor cut his future short because of his gang loyalties, he makes me sick!

Lincoln: He makes us all sick, but in the end, he got his just desserts. (To Teresa Tarzan) And it's so good to see you again, Teresa Tarzan.

Teresa Tarzan: You too, Linky, it's been a long time.

Lincoln went up to Teresa Tarzan and he hugged her, and Teresa Tarzan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Teresa Tarzan: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Teresa Tarzan, Keyblade Knight of The Deep Jungle, she's my Guardian Angel from the Deep Jungle from Tarzan, she's a Keyblader and the younger sister of Tanya Tarzan, Sailor Soldier of the Deep Jungle, and she is the second protector of Tarzan's jungle, and like her sister, she knows all about nature and more and she knows so much about plants, and she along with her sister and Tarzan had made all Poachers pay including Clayton. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: We all really hated that murderous poacher for what he did in trying to poach the gorillas from their home, and he was absolutely pure evil.

Nico: He was a bastard to the core!

Eli: He was beyond any form of forgiveness and crossed one too many lines, endangered too many people, and caused a ton of havoc.

Ken Knudson: And we finally got rid of Clayton a year ago during

Zarya's special mission.

Nico: Along with the other Disney Villains, Lex Luthor, and The Joker.

Teresa Tarzan: Good riddance, and I'm also not surprised Maleficent and the other villains also got sent to The Black Gates, same with Lex Luthor and that homicidal clown, The Joker, those two were bad news to Gotham and Metropolis.

Lincoln: Same with Maleficent and the other Disney Villains, and now that you're here, Teresa.

Lincoln went up to and hugged Teresa Tarzan in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Teresa Tarzan: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Teresa Tarzan's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Teresa Tarzan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Teresa Tarzan.

Teresa Tarzan had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Hiroshi Ohira: Wait, did you just say… wives, as in more than one?!

Hiroshi soon saw Lincoln's harem, and he was stunned!

Hiroshi Ohira: Wait, what?! And you're eighteen and already, you have an already increasing harem of future wives?!

Selene Arcangela: And he also has kids as well.

Hiroshi Ohira: I think I need to lie down. (Mutters) Lucky bastard.

Lincoln: I heard that, Hiroshi.

We laughed as Hiroshi lied on the couch.

Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them, the five girls are Mishio Okina, Tsukasa Hanemiya, Sarina Akashi, Neiro Niijima, and Yumeka Kusunoki from Shinshoku.

Lincoln: Oh wow, it's Mishio Okina, Tsukasa Hanemiya, Sarina Akashi, Neiro Niijima, and Yumeka Kusunoki from Shinshoku.

Nicole: Oh man, you just rescued another group of voluptuous girls from those gangbangers.

Lincoln: There was no way I'd let those thugs lay their filthy hands on them! Are you girls okay?

Mishio Okina: Yes, we're okay, thanks to you.

Mishio Okina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Mishio Okina: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mishio Okina, Tsukasa Hanemiya, Sarina Akashi, Neiro Niijima, and Yumeka Kusunoki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Maria: We saw the whole thing, guys. Man, that was one wild wedding party turned affair exposing convention.

Hiroshi Ohira: You saw the whole thing?! Okay, who was filming it?

Poromon: Someone did, and it's trending all over the web.

Lori: Whoa.

Lincoln: Jeez.

Hiroshi Ohira: Okay, now Terumi and Misaki's lives are really going to get worse now that the incident is live on TV and on the internet. But, they brought it on themselves for their gold-digging ways, and it's karma.

Me: Yep.

Nico: That's basically what happens to gold diggers like them, usually in our cases, it ends in prison for them.

Hiroshi Ohira: That's what happened in my past wives as well. They usually wind up in prison as well, I have a bad reputation for marrying unfaithful women. But, one day, that woman will show up soon, I just need to be patient.

Me: That's the spirit.

* * *

After the marriage ceremony turned affair exposing convention fiasco and finally getting rid of Connor Devereaux and his entire MS-13 gang and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Teresa Tarzan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Teresa Tarzan: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Teresa, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Teresa Tarzan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Teresa Tarzan: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Teresa, what memories did you have with Lincoln?

Teresa Tarzan: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at the Royal Woods Zoo to see the animals. But, then, we heard the sound of a loud belch in the air along with the stench of feet and B.O., which made everyone puke. Then, the gates of the Zoo were then smashed open and we were right to find out the obvious culprit: Lynn, and she was on yet another rampage again. That four-legged monstrosity charged at Lincoln on all fours, but all of us pounced on Lynn and gave her quite the thrashing of her life, and then, Lincoln punched Lynn hard in the cheek and ordered her to leave. Lynn roared and beat her chest like a gorilla and ran out on all fours snarling and farting like the animal she is, but she wound up getting caught in a water prison Lincoln made. Then, Luna came and tossed Lynn into a metal container after she got grounded for twenty five weeks for her attempted attack on Lincoln.

Nico: I can't believe it, this was another attempted murder in full view of the public! Lynn was nothing more than a rampaging animal because of her Dark Side.

Lincoln: I was quite surprised that none of my Guardian Angels didn't just make the choice to put her down for good after what she tried to do to me numerous times in the past.

Laney Emperyous: Many of us were getting that close to ripping her limbs off and tearing her brains out of her empty head!

Eli: YIPE!

Me: That's just further proof of how much Lynn pissed Lincoln's Guardian Angels who hated her off big time.

Lincoln: And I always had to restrain them or they restrained themselves whenever Lynn did that, but she just didn't know when to quit.

We got a shower, and then, Lincoln, Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Palina, Mai, Arezu, Simulator Ruby Gillman, and Nerissa/Chelsea Van Der Zee had feelings for Lincoln, and he also had feelings for them and Lincoln removed Nerissa/Chelsea Van Der Zee's dark side and sent her to The Black Gates, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Palina: Wow, so this is Seaside Hill, it sure is awesome.

Lincoln: It sure is, Palina, and it's perfect for our date. Shall we?
